Declaration by Clay Nash over Speaker of the House – Mike Johnson.

I declare the next Speaker of the House, Mike Johnson, will be a reformer. He will have an unwavering allegiance to the Son of God and the Kingdom of God. I declare they will be willing, able and passionate to take on the challenge of paying price and the cost of protecting the biblical principles America was founded on. I declare with his heart of purity and a life led by holy fear for our Creator he will live the life of a reformer. I declare Mike Johnson will live under the flag of the red, white, and blue, but be guided by the banner of the blood of Jesus and the word of the Living God. I declare with his heart of surrender they will not allow the darkness to steal the life of the unborn. I declare with his heart of surrender they will not allow the evil seed of Islamic influence to rule in the United States of America. I declare with his heart of surrender he will not allow the sacred covenant of marriage between one man and one woman to continue to be trodden under foot. With a heart of reformation he will choose to operate with a heart of violent worship - unselfishly devoted to ushering in the glory of God that crushes the enemy's camp. I declare with his heart of surrender he will not live within the four walls that have come to be called the church and will not be ruled by fear and intimidation of man, nor the democratic party, nor the rinos. I declare with a heart of surrender he will challenge the culture and effectively aid in the transformation of the culture and the resetting of this nation. I declare with a heart of surrender he will overturn ungodly principles and decrees declared from the mouths of evil representatives who have staked their unrighteous place in the political arena. I declare his ears will always be inclined to the voice of the Captain of the Hosts. I declare he will make a solemn vow to live the life of a reformer. I declare Mike Johnson's "yes" will be "yes", and his "no" will be "no". I declare that as he seeks first the Kingdom of God he will walk in authority to execute righteous judgments in this land. I declare that his footsteps of obedience will be burned into the ground and it will cause a holy consumption of all unrighteousness. I declare his war cry of reformation always be centered, rooted, and grounded by the Kingdom of God. I declare these things over the Speaker of the House, Mike Johnson and I declare, Let these become the boundaries for his stand of responsibility in that place. I declare that he will be a catalyst to turn hearts. I declare the anointing that he will bring as the Speaker of the House is going to cause some of those that are on both sides, that are fearful of things being done to them, and threats that will be made to them, they are going to step up, man up. They are not going to fear what can be done. And they are going to let the conviction of God rule their hearts again. I declare that Mike Johnson can and will bring awakening, reformation, and transformation to the House of Representatives

as Speaker of the House. I declare these things in faith tonight. We battle from your promises, Lord. You said you desire to put him in the middle so that he could be there and bring about a reset in the House. So Father, we thank you. Your words are settled in heaven and your words are sure and we stand with this tonight.
