

## **Prayer Call – Wednesday, April 11, 2023 – VERMONT**

**CLAY NASH:** Well, good evening. It is 9:00 pm Eastern time, and we will be praying over and into the state of Vermont tonight. It's going to be a great call. We've got some great guests going to be on with us. I heard from several people from Vermont after I made an appeal. We had already been hearing from people, so we had made our choice. We're not leaving anyone out. I appreciate the information I got from you. I'm so thankful when I hear the passion and responsibility as people reached out to me. It was good. Remember that every call that we do is recorded and then is posted on my website [claynash.org](http://claynash.org). Then some time in the next 24-48 hours we get it transcribed and we put it up there so the watchmen on the wall, the intercessors, those that are decreeing out of kingly authority can get it and work these words.

Also want to mention that we are hosting just about a little bit over a week away in Conway, Arkansas, that's near Little Rock, the Josiah Company Convocation. We're going to be praying over the United States. We're going to be praying over all 50 states. A lot of the hosts that are on this call are going to be coming in for that. It's going to be a great time. We've got an awesome facility. Conway is about 30 minutes from Little Rock. If you want to fly in it's not too late. We've still got some room. We would love to have you there to help us pray over the United States and pray over each state while we're there. Dutch Sheets is coming in, honoring us even with his busy schedule with Give Him 15; and we're looking forward to it. Jim Hodges, Regina Shank, Jacquie Tyre, I leave out people when I do this. I think I heard a rumor David Hurdle might even be coming. But anyway, we're looking forward to that. It's going to be a great time there. During the 50 state tour Chuck prophesied: As Goes Arkansas, so Goes the Nation. We're excited to host it here. We believe something is going to take place very, very significant at that time.

We're going to get started into the call tonight. If you're new to the call, we start with prophetic words, and we've got a couple of them, at least. I'm trying to look at all ... give me just a minute here. We've got a couple of prophetic words. But, I'm going to begin with one that God gave me this afternoon. I've had a beautiful day here in North Arkansas. Very warm. Very pretty. Spent it with my son. We were working, but it was a great time.

But this is what the Lord said: Vermont, 20 years ago you were a pass over state, not to be passed over. Well, not only is My Spirit hovering over you, there is a brooding of My Spirit, My anointing, and My authority that is bring you, the people of Vermont, to a place that your ears are being opened and eye salve is being deposited in the eyes of the ecclesia. For sleepiness has sought to settle upon you, but I've said 'No'. I've said awaken yourself and shake off the dust of idleness. I said the days ahead are days to be filled with busyness, with purpose. For many have run to and fro, but the fruit of their busyness has not remained. Watch as the awakening that broods over and among My people of Vermont will not begin to form a critical mass of dunamus. For My endunama power is upon you, for it is time that boundaries be stretched and the wind of correction

blow that which it becomes stationary to begin to move out of the doldrums and set sail into the unchartered waters of change. Yes, Kingdom change. For the French called you Green Mountain but I call you, Vermont, My mountain, My mountain of strength. Watch as I roll away a reproach that has sought to settle in your pathway. Watch and see as I create within your borders highways of holiness, says the Way Maker of your future. Vermont, the hope that is about to beseech you will cause the weary there to count the hard days that are behind all joy for change is growing and hope is floating, and faith is stepping out of the boat in Vermont. For even in the beginning, you were cut from the land of Connecticut. I'm about to use a movement that is building within your borders to gush over your boundaries and flood those that are settled on their dregs. For there are those within your borders that are now prepared to be My wine tilters, and purify My new wine for its release. This release will be proven to become unprecedented in the masses it will form into My image, says the Lord. For My days that are ahead will not be a time to shrink back, but a time to run forth to a future that will posture Vermont as a gate beautiful and shout for the right time of the Lord is up on Vermont. Carpe Diem, sleeping beauty, for you are awakened for your purpose and destiny. The Lord says, I will move one to your state who wears My robe of righteousness. They will establish My voice through them to be the authority of heaven as they bring change to the corrupted government there. I'm laying bare My arm and My display of power will shake all that can be shaken. Now that you're awakened you are standing, and you are rising. Never waiver again, says the Lord.

Father, I declare over this word it hit me like a ton of bricks, as we say. And Father, it impacted my spirit, it begin to stir my heart, it begin to stir my faith. I declare over Vermont, you have been a sleeping beauty but you are awakened to become the gate beautiful, the right time gate of the Lord. So, Father, we just declare whoever this is You're going to move to the state that will come and embrace their governmental authority there, Father, and bring change to the state. Father, bring them on. We say no delay, no delay, no delay. Father, we declare over every intercessor, over every watchman on the wall, Father, a whole new level of the stirring of Your Spirit. Father, we declare that Your will will be done. And Father, we decree that there is be a holy breakout of divine appointments, a holy breakout of signs and wonders, a holy breakout of great grace, a holy breakout of release of finances and wealth transfer over and in the state of Vermont. Now, Father, we declare let Your will be done; let heaven touch earth. And Father, let the ecclesia of Vermont recognize that they are not praying petition prayers, from earth into heaven. They've heard from the Lord, and they are seated in the heavens through Christ Jesus, and out of their kingly authority they are making their decrees, the decrees of heaven back into the earth there in Vermont. Let Your will be done, in Yeshua's Name. Amen and Amen.

Regina Shank, you have a word. I think Jacquie does, too. Go ahead, Regina, with yours.

**REGINA SHANK:** Yes, thank you, Clay. I heard the Lord say this: Even as the trees overshadow the landscape, I will overshadow you, Vermont. There is a hovering, a covering My protection over you. Your watchmen have taken their places and exposed many of the plans of the enemy, but I will overshadow you, says the Lord. And even as Psalms 91 says: "He who dwells in the secret place of the Most High, will rest in that shadow." And I heard the Lord speak about the overshadowing. An overshadowing is to envelope in a brilliancy, to cause the release of great light into the world. It is excellence, mental ability and splendor. And the overshadowing of Vermont has come. And I have this against you for you have chosen to destroy My deliverers in the womb. Their blood cries out for justice. I will sweep through your Baal structures and remove them stone by stone. Although I have been the stone the builders have rejected, I will set up my structures of worship. My structures of prayer in the hearts of My people. The battle has begun, and will continue and increase in intensity. I will release My power in Vermont. I will start with the unknown prayer warriors, and make them known by the demonstration of My glory. As I overturn the tables of the moneychangers in My temple of worship, I will remove the death structures in Vermont. There is a groaning, a mournful cry of Rachel crying for her children. That cry will come forth in Vermont and will increase.

And I heard this Scripture out of Jeremiah, I believe it's chapter 31: "A voice is heard in Vermont. It says, Rayma. It says: mourning and great weeping for her children, and refusing to be comforted because her children are no more. And this is what the Lord says out of Jeremiah 31:16, "Restrain your voice from weeping and your eyes from tears, for your work will be rewarded, declares the Lord." And I began to hear the Lord say, the moaning and the groaning and the crying, for the removal of those structures will come to be bellies of the intercessors, and they will lay before My throne, says the Lord, and they will begin to birth a new life in Vermont. And so, Lord, we decree over Vermont that there is a change on the horizon. That You are overshadowing, even as You overshadowed others in the Word of God. Lord, You're overshadowing that state. And You're going to bring forth something new within it. You're going to bring forth life. You're going to bring forth Your temples that will rise above the edifices of man and the edifices of religion, and the edifices of liberality, and liberal ones. And Father, we thank You today that You are coming forth as a mighty warrior. For Your intercessors have cried out to You. And they've cried out and said, Lord, come and bring Your glory. Come and bring Your story. Come and bring Your salvation into our state. So, the Lord has listened to the intercessors. The Lord has heard the cries. But even as they have cried, the Lord said there will be more intensity of those cries, and you will see what you have been crying out for. For I am a God who answers prayer. I am a God who listens to My children. And I know every tear that you have cried over the condition of your state. And the Lord said, I am coming, by the power of My Spirit, and overshadowing you, Vermont. In the name of Jesus.

**CLAY NASH:** Alright Regina. We appreciate your obedience of that prophetic word. And we add our power of agreement to it. And we thank You, Lord, we're going to do as we've been instructed. We're going to war a good warfare from these words.

Jacque Tyre there in Georgia, good to have you on with us. I know you have a prophetic word. What's in your heart?

**JACQUIE TYRE:** I do. Yesterday morning actually this started and then it's kind of continued as it came to a fullness this evening. I heard the Lord say, the season of tapping the trees is at hand. Not the Maple trees for syrup, but the Oak trees of those who have been planted by streams of living water. Obviously, a reference to Psalm 1, verse 3. And He says, for I have a company of men and women. Faithful ones who have been steadfast in their walk before Me. These, as faithful as you have been, you have yet to be tapped for the flow of My sap to flow through you to bring delight to many. My sap is strong, and it is sweet. It is rich and it is thick. As My tapping begins and persists with the pressure required to breakthrough to the flow of sap, do not shrink back, or retreat from My process. For My process, as painful as it may be in moments, it shall be a blessing to you, Vermont, and you shall be a blessing to the northeast as My sap flows rich and free.

And my sense was that there are such a company of people scattered across the state that had just been steadfast in their pursuit of God, and yet just had not moved into the fullness of God, because they've been pressured and pressed down by the culture and by the times. But God is pressing, and He is tapping. So, Father, right now in the name of Jesus, all across Vermont, from the far north to the south, to the east and the west, in the hidden places, in the cities, the suburbs and everything in between. Father, we say let Your tapping upon the oaks of righteousness, the hidden ones all across the state, let Your tapping tap away. Let there be a tapping until the breakthrough that comes into the sap, that the fullness of your Spirit would be loosed among Your faithful ones across Vermont. That that which has been clothed and cloaked in traditionalism and religion shall suddenly come forth in the fullness of your Spirit. That those rooted and grounded by rivers of Living Water, rooted and grounded in Your Word will suddenly come into the fullness of Holy Spirit to cause the Word to become alive. To cause the faith to become ignited with the fire of Your presence. God, that Vermont would be a place of great awakening, great igniting of Your Spirit as the tap, tap, tap of Your hand, of Your hammer, of Your Word against the wood that has grown hard but is still alive on the inside. Let the tapping commence. Let it come to a breakthrough, and let the sap of Holy Spirit flow and touch many. And bring a sweetness and a power, a strength and a vitality to Vermont and to the entire region. In the mighty Name of Jesus. Amen.

**CLAY NASH:** Alright, Jacque. Thank you for that prophetic word, that strong declaration and decree. I began to see something. For those of you on the call, I'm a Seer in gifting. As Regina was speaking, I wasn't sure, it was a little bit obscure, like through a glass darkly. But as Jacque continued to prophesy and make her decrees, I begin to see it clearly. I'm going to talk about it for just a second so that you'll

understand the prophetic I'm releasing. But, I saw bodies of water in Vermont lakes, turn over. Now, down in the south we understand this well. I don't know if it's a phenomena that happens in Vermont, or not. Sometimes we have hot summers, and the fall begins to come, lake water will cool off on top because the nights become cool faster than the water. What happens is that the water on the bottom becomes warmer than the water on the top, and it will turn over. The effect of this is that the fish, especially the rough fish that we call not the game fish, the edible fish, they are the first ones because it actually takes the oxygen out of the water and they're not able to get it. So out of that I say to Vermont, there's a purging coming. Yes, there's a turning over, says the Lord. And, yes, there will be a removal of that which is breathable. But it won't be removed from those that have pressed into that place that they live and breathe and have their being with in Me, says God. For I will bring this great purging to Vermont and it will be seen, it will be noted, but the effect will produce new life. As I was seeing that the vision changed, and I saw like Mount St. Helen when the volcano erupted years ago. They said it will be 100 years before it will get back and it was just a few years that it replenished itself with new green trees. I see Vermont taking on this new life, this flipping over, and it's going to have a purging effect, but it's going to release new life across the state. So, Father, we thank You for this vision, and we thank You for this word, and declare we'll war with it for the state of Vermont. And we'll do so in Yeshua's Name. Amen.

I'm excited, we've got a leader there in the state, Ray Williams. I was able to connect with him. He's has connected me to another person, and lady named Sue that is going to close out the call in prayer. So, Ray, introduce yourself because we're brothers in the Lord but new friends. And the lady you want to bring on. Whether you want to go first or have her. You take your liberty.

**RAY WILLIAMS:** Thank you very much, Clay. My wife and I, Cathy, are members of Vermont Prayer Force, which is a state-wide group of intercessors that has grown in many ways, in maturity and somewhat in numbers as well over the last half a dozen years, or a little less than that. We are also state coordinators for National Day of Prayer for the state of Vermont, and connect very well with so many other New England leaders. We also are state coordinators for Heartland Apostolic Prayer Network headed up by Apostle John Benefill. My wife and I are all about anything prayer. We so love our team. We do have two others on the call. Sue Salame is going to close out today's call, and Diane, we affectionately know her as Dee Dee Butts, is a member of our core group of Vermont Prayer Force, as well here in Vermont. Dee Dee, if you'd like, I can let you go first, if you would like. Before I do that, there've been some incredible words that have been released, thus far, over Vermont. Some of these are so confirming with what God has been speaking to us. And let me just say that we have been hanging on, hanging on to the Lord for some time now. And I believe this year of 2023, as you just released brother Clay, that it's going to be an incredible year of turn around and breakthrough in Vermont that no person could orchestrate or come up with, but the Lord wants Vermont back. So, Dee Dee, if you would like to go first, then I will follow you.

**DEE DEE:** I'm from Bennington, Vermont. The southwest corner of Vermont. Thank you so much for those words. They just so resonate. In some of our Vermont Prayer Force calls I've seen the sword of the Lord go right through the Vermont state house. Right from the dome right into the soil in Mount Peilier. We know that Vermont has a great destiny. So, I'm going to speak to that. Heavenly Father, we bless in Yeshua the destiny that You have ordained that is in the DNA of Your creation of the state. Yet to be fulfilled. Yet to be magnified in the beauty of Your heart that You intended for the state of Vermont. We bless that. We call it forth. We say, Father, in Vermont that the people who sat in darkness suddenly saw a great light. We thank You, Father, that You hate an unbalanced scale. And that righteousness and justice is coming and being manifest in this state through the legislation, in and through the state house. Father, I see eyes opening. Eyes suddenly opening. I thank You, Father, You had spoken to me about Bennington and about the state of Vermont, that You bring from the old glory. There is old glory in this state. There are prophetic words. There are statesmen who have known Your heart. We thank You, Father that You are bringing Vermont from the old glory into a new glorious glory. The greater glory in this magnificent state. We thank You that You have ordained even in natural beauty in this state. We call forth that the words for the state, on the state flag are freedom and unity. We thank You, Father, that it is Your freedom. It has been spoken in and through this state that the liberty bells are ringing, Father, God. They are resonating in the hearts of the people, down in through the soil. Freedom and unity in Spirit of the living God. And we praise and we thank You.

**RAY WILLIAMS:** We thank you so much. Father, we stand in agreement with everything that Dee Dee just released and declared into and over Vermont. I want to add my decrees to what you've spoken as well, Dee Dee. So, together, Lord, we decree that the sound of praise is rising in our breath in Vermont. And it's releasing from our mouths over this beautiful green mountain state. Father, we declare that the hills of Vermont, the land is waking up and coming to light with the frequency and sound of worship and of the King's singing over His creation. We declare again as we have done before, that the remnant bride in Vermont has her lamps filled with oil and is marching in the alignment of what King Jesus is doing in this hour. We say that the trumpet of the Lord of Hosts is blowing over Vermont, opening eyes and ears, tearing down walls, and dismantling lying spirits that have covered the believers eyes and ears from hearing and seeing. We declare that the seeds that have been sown into Vermont for many generations are beginning to come to life. We decree that the rains of spring will cause these seeds to sprout and spring forth. We declare, release Zechariah 10:1 over Vermont. And Lord, we ask You for the rain. Awaken the seeds. King, Jesus we declare that You will rain, and You will reign over Vermont. And that Your bride is making herself ready to join in the Lamb's war over Vermont. We stand in agreement, and we ask You, Lord, for more the more. Your now Neos word for today. Father, we declare that our nation will hear a new different sound out of Vermont. A sound of worship, a sound of life, a sound of righteousness, a sound of awakening, and a sound of joy. We make room for You, Holy Spirit, in Vermont. We invite You to rule and reign here. We say, come as the wind. Come as rain. Come as fire. Come as oil. And Father, we thank You

that Your heart is placed in Your people in Vermont. We declare and decree that they will be carriers of Your supernatural presence, of miracles, signs and wonders. Because they have said yes to walking in the ways of the Lord, and no to participating in the iniquity of the enemy. And, Father, we declare that Vermont is experiencing a turn around and we are becoming a kingdom state where righteousness, peace and joy in the power of the Holy Spirit will give birth to freedom and unity in Your bride. And together as a group as we always say, there is no King but You, Jesus. No King by Yeshua over this beautiful green mountain state. In Your Name we pray, Lord.

**CLAY NASH:** Alright. Thank you, Ray, for coming on. I appreciate the work you and all the intercessors and watchmen there in Vermont are doing. We bless you and your guest that you asked on. Jacquie, you have someone to introduce. Go ahead.

**JACQUIE TYRE:** I do. A dear friend of mine Pete Cannizzaro is pastoring. Just been there about a month in Rutland, Vermont at the Alliance Christian Fellowship. Pete and I have known each other since the mid-90's. He's a spiritual son and a warrior. We have done some incredible ministry times together with college students, and had a blast. I felt it was fitting for Pete to come on and to pray his heart to share what he is seeing over Vermont as a newcomer. So, Pete, thank you for being on look forward to agreeing with you in prayer.

**PETE CANNIZARRO:** That's good. Thank you for the invite. The first thing I want to say is the words of Jesus, "Where two of you agree about anything in My Name, I will do it." Lord, Your servants have spoken and I hear. And my heart rises to what's being said. And what's being said is already under way, and we come in alignment with that. Our hearts rejoice because this is what we have co-labored for many years, Lord. And the time has come where that tapping, the tapping, and the hardness will be softened. And that softening will be the answer that the hearts of Your people have been crying out for. Jesus, thank You that You are helping me see don't just come in and maintain, and just stop the bleeding. This is about revitalization. In this city You have more for Your people. I hear these words. I take them. I seal them, Lord, in my heart. I want to run with them. Thank You for those who have labored to lift them, and proclaim and declare and decree. Help us now to run with that. To take hold of that. And not hold back from that. I rejoice, Lord. My heart is stirred. Lord, help us to be the watchmen now that You have called us to. To keep looking. Thank You for letting me see things tonight. And so I thank You, in Jesus great Name.

**JACQUIE TYRE:** Amen. Thank you, Pete. Clay, I turn it back over to you.

**CLAY NASH:** Okay. Thank you, Jacquie. Thank you, Pete, and I think it was Dee Dee, and Ray. We thank you all for coming on and contributing. I know the state where God has you, but we you giving of your time to do so. Pat McManus, there in Illinois, what's God put on your heart?

**PAT MCMANUS:** Thank you, sir, for the opportunity to be with everyone. I come into agreement with all that's been declared and decreed. As I looked at Vermont when I

went into the book on the 50 states tour, I kept on seeing these words: the Green Mountain State. Amos 4:13 “For behold, He who forms the mountains and who created the wind, and declares to man what is His thought, who makes the morning darkness, and treads the high places of the earth—the Lord, the God of hosts, is His name!” And Zechariah 4:7 “Who are you, O great mountain? Before Zerubbabel you shall become a plain. And You shall bring forward the cap stone amid shouts of ‘Grace, grace to it!’” So, Father, we declare this day we shout Grace and Grace to Vermont. We declare the grace of God. The purpose of God. The power of God. The might of God over the land of Vermont. We declare, Father, that You are activating the atmosphere that will cause a greater revolution of the fullness of Your hand to be seen. We declare that there is a mountain of strength activating in the hearts of the people to be able to see the plans of the enemy and neutralize the effects. We thank You, Father, there’s a fresh wind that is blowing upon the heart and seeing the hand of God move. So, Father, we thank You that we can declare grace to the strategies of man. We declare that there’s a movement of Your Word, Your will and Your way that is causing a ripple effect that will neutralize the effects of the strategies of ungodly order. That You’re igniting the hearts of the people to stand in the promise and purpose of Your Word. So, we declare this day, who says you can defy the Almighty God. Father, we declare that there is a movement that’s shaking the very core of the structures of man. And that, Father, You’re releasing a sound of a ripple effect that will neutralize everything and the plans that truly are being made to unravel at the core. So we thank You, Father, for the strategies that You’re revealing, the purpose You’re expressing, and demonstrations being made known. And, Father, I just heard that You’re releasing a sound of healing on the land. That there is a movement that is truly igniting the opportunity to nullify the strategy that will truly try to hold the community captive where there’s a healing flow of the power of Your Name being activated in the land. So, we thank You, Father, that You are stirring the heart and moving a sound for reformation for true transformation on the land of Vermont. We thank You, Father, for it in Jesus Name. Amen and Amen.

**CLAY NASH:** Alright. Thank you, Pat. Strong declarations. Strong decrees. We come into agreement with them. Ken Malone, there in Florida, what’s in your heart?

**KEN MALONE:** Yes sir, so glad to be on here tonight. And so thankful for those in Vermont that are interceding for their state and for our nation. We stand in agreement with all of you tonight. Clay, when you mentioned the right time gate in your prophetic word that you gave in the beginning it resonated with me that Vermont is a gateway of the glory of the Lord to the entire New England area. And then also as I began meditating on this, I started also the Lord establishing a prayer mountain in Vermont. That there will be a prayer mountain established. If there’s not already, there will be one established within that state. I don’t have a clue where it’s going to be, but I saw it very clearly that people are going to come to the mountain of the Lord to call on His Name. It’s going to be a powerful thing that going to shift the tide within that state. And the other thing I saw was what Pat just released about the healing coming into the land. I

saw also Vermont as healing balm. There will be many healing rooms that will launch across that state. People will come from New England, all around, to be healed by power and presence of Holy Spirit. So, Father, tonight, Lord, I stand in agreement with every word that was prayed, with every word prophesied. Lord, we decree tonight that Your kingdom has come to Vermont, and Your will is being done there, Lord. And, Lord, we release words of redemption and words of healing. For You said in Your Word that You sent Your Word and healed them and delivered them from their destruction. I decree tonight, Lord, that Vermont will be healed. That Vermont will be delivered from any type of destruction. I decree that the Son of Righteousness will arise with healing in His wings over that state. And, Father, I thank You tonight for a great, great outpouring of Holy Spirit upon this great state. And, Father, I thank You, I thank You, I thank You, Lord, for the mighty manifestation of Jesus Christ all over this state in Yeshua's name. Amen.

**CLAY NASH:** Alright, Ken. Strong there; strong. Listen, everyone expect to see and hear of that movement of God that is brooding over the state of Vermont. Alright, we've got a lady on who's a friend of Ray Williams. Her name is Sue, and I know he pronounced it awhile ago, but, Sue, I'm not going to take my southern English and butcher it. I haven't heard it enough, but will you come on and please say your name for me and go ahead and close us out with what God's put in your heart?

**SUE SALAMEH:** Alright, my name is Sue Salameh, and I'm honored to be on this call. We together, corporately, in and through the blood of the Lamb, and in and through You Holy Spirit, we magnify the Spirit of the Lord that is hovering over the state of Vermont. These words that are vibrating with eternal light and life that has been spoken over this precious state. We magnify the Spirit of the Lord in these words to bring the Life and Light in the state of Vermont. Father, we thank You Vermont has been named the state that is Your mountain. It's no longer the green mountain, but You said it is My mountain. It is the highway of holiness. We thank You, Father, that You are raising up an remnant of people in the state of Vermont that are representative of light, that are representative of the kingdom of heaven. Citizens of heaven on earth in the state of Vermont. We thank You, Father, that the sound is running in Vermont. We thank You, Lord, that there is hope arising. Healing is coming to the land. And as the land is set free, Father, You are raising up a people that are carriers of Your rhythm and Your heart for the state of Vermont. Father, we thank You for all the powerful words that have been spoken over Vermont. Not only in years past but in the eternal now present, Lord. We thank You that these words carry Light and Life, and We thank You, Father, for the great awakening of Your Spirit upon this land. And we, Your people, Father, join in with the larger body of Christ and call us all up higher in You. Awaken this state to this time in history where there will be a turning over in this state. Thank You that Your eye is upon Vermont. Thank You that there are people outside of this state that are committed to stand with our state. Thank You that we are part of a great, great outpouring in the nation of America. And our piece and our part, Vermont, we say arise, Vermont and shine. For your light has come. It is the powerful light that carries sound, and it carries

breakthrough that breaks through the noise of the land with an eternal sound that is breaking forth and bringing restoration and healing. So, we thank You, Father, for everything that You have done tonight. We give You thanks and praise corporately and together. And we magnify You in this state. In Jesus Christ's Name. Amen.

**CLAY NASH:** Alright, thank you, Sue. Great prayer. I did hear something as she was closing us out with prayer. I heard the Lord say to Vermont, I'm about to shock the heart of Vermont. And when I shock the heart, it's going to move into a beat, into the unforced rhythms of My grace. The unforced rhythms of My grace. That's actually part of Scripture in The Message Bible. Matthew 11:29, I think it is. But I just saw, you know, like you shock someone's heart to get it to beat back in the proper rhythm, the proper timing. I saw that taking place. It's going to be a good thing because a heart that beats properly is a stronger heart. And when it beats to the unforced rhythms of God's grace, it's going to be supernatural. So, we declare that over the state of Vermont.

Great call everyone. Thank you for being on. As I said, in the morning we'll be getting this recording posted, put up on the website [claynash.org](http://claynash.org). Then they'll start transcribing on it tomorrow. It's taking somewhere between 24 to 48 hours to get that finished and get that done properly. Remember, tomorrow at 2:22 and the rest of the week our calls are at 2:22. We're praying for Kentucky tomorrow, Nevada on Thursday, and Wyoming on Friday. When we finish up this week, we'll have done 40 states. We'll have 10 more. Please pray about our Josiah Company Convocation coming up April the 20<sup>th</sup> through the 22<sup>nd</sup>, if God moves on your heart. We still have some room, and we'd love for you to be there.

God bless everyone. Thank all of our guests for being on. We thank our hosts for their faithfulness. But beyond that, we are so thankful for all of the callers that come one, add their power of agreement. Add their declarations and decrees right there in their home. You are very much a powerful part of this call. We could not accomplish what we're accomplishing without you. One of the things we'll tell you, we're going to work on a resource manual or book after we finish all the states, to have it out so people can use it as a resource to war. We're also tracking. There have been some very significant things happen in some of the states. Probably all of them, but in some of them within two to three days after we pray over that state major shifts, major bills pass. So, stay in tune with the Spirit. Stay in touch with all this. We're going to finish strong. Fifty states in 50 days. God bless you all.
