

Prayer call Thursday March 13th 2023 - Nevada

Clay Nash: All right it's another 2:22 time. We're going to be praying, declaring, decreeing and prophesying into the state of Nevada today. The calls have been great this week. We finish up tomorrow with Wyoming. Be in prayer for that, we've got a good group of hosts that's on with us. Some have prophetic words. Remember next week April the 20th through the 22nd. We are holding the Josiah Company Convocation In Conway Arkansas. That's 30 minutes from Little Rock, very easy to get to. Incredible facility. There's still some room. you can still decide to drive in or fly in. Little Rock is about 30 minutes from the airport. Join with us next week. Remember that every call we do over the states we are recording them and we are transcribing them. We get the recording up pretty quick it takes a little longer for the transcribing. They are on the website claynash.org. We ask you to go there and be a part of it. Regina you've got a prophetic word for Nevada so I'm going to call on you first to release what's in your heart.

Regina Shank: It's time for signs, wonders, and miracles to break out in the desert. Even as John the Baptist lived in the desert, and found nourishment eating locusts and wild honey, you will find nourishment eating my Word receiving my revelation as manna from heaven and your wandering and wondering will turn into an oasis of revelation. There is a voice calling in the wilderness, "prepare the way of the Lord, make His paths straight." That voice that will rise in the wilderness will expose the false foundations of man, the altar of mammon, and the carnal nature of man. That murderous spirit that found a place for vengeance against the youth of this nation will be tried and found guilty before my court.

Area 51 has not been hidden from my eyes. The blue beam of deceptive illusions will not overpower the reality of my Word or my revelation. Fear not what you do not understand, for I will bring understanding as you step into a new level of release and prophetic decree. Exposure, exposure, exposure is upon the dark spirits that have invaded Nevada. It's cleaning house time; throw out the old and bring in the new. The divination spirit that established itself as a ruling spirit in the desert from the Mormon invasion has been served notice. Evangelism has been released against the deception of religion and false prophets.

I will turn your entertainment industries into prayer movements. I will send my intercessors incognito into darkness to bring the light. Invade the enemy's strongholds. Greater is He that is in you than He that is in the world. Don't just pray, invade with strategic prayer ordered, aligned, and authorized by the Lord. Seek His face and not His hand. He will speak a word that will shake the desert. Let your ears hear fresh instruction from my Throne. There will be no other gods before me.

I speak encouragement to my intercessors, strength to the warriors and grace to my steadfast immovable friends, faithful ones who have walked with me without wavering. Keep your eyes on me says the Lord; good ideas will never bring breakthrough, and traditions of man will never shake the strongholds of the enemy. Arise warriors, take the sword of the spirit and move forward in unity of vision to bring my Presence into the structures of man, and remove their influence. Revival is on the horizon for Nevada.

Clay Nash: Pat there in Illinois what's on your heart sir.

Pat McManus: Thank you for the opportunity to be with everyone today linking our Shields together. I had this as I was praying for Nevada. I kept hearing the word breakthrough. 2nd Samuel 5:20 About the master of breakthrough. Then this decree came: Wells of Revival are being revealed. Greed is being broken. And a clear sound of reformation is coming forth. So father we say let the master of breakthrough Be released in Nevada That would tear down the altars of Baal. And the systems of greed. Causing a moment And a movement With a clear sound Of reformation to be heard In the land. Father uncap the wells of Revival And let the gushers spring forth With authority power and true place of reformation. Let the strips of Nevada Return to the places of Glorious expression Of a healing movement That will shake Vegas To the very core. So father we thank you for the Breakthrough moment. We thank you Father for the sound of reformation. And we thank you Father for the wells of gushing forth With authority and Power. We thank you father in Jesus name amen.

Clay Nash: All right. We thank you Pat and we come into agreement With those strong words over Nevada. Father let your will be done in this state. We thank you for its strength that calls the Ekklesia, The praying church, the boots on the ground, The warriors on the wall, To be very aware of the weaknesses There between the boundaries And borders of the state of Nevada. Jacquie Tyre do you have something?

Jacquie Tyre: I do sir. I thank you so much. It's an honor to be on with everyone again today. I heard Holy Spirit say Nevada contended, contested and conflicted as the battle of the altars rages across your land. Ancient altars rage against the purposes of God, first one way and then another.

But I stay to My faithful ones, rise up and come up higher to see the way through to the breakthrough to break up and break out beyond the darkness to see as I see, so you might know the way to go.

I am saying to you, build, strengthen and fortify the altar of the Lord, for I am prepared to pour out fire upon the Altar that you build to My Glory, cleansed and purified for My purposes.

Do you not know that I rule and reign from My throne upon the altar of worship fueled by the purity and passion of My saints that releases My power to shift atmospheres to unlock awakening, transformation and reformation to all across the land.

Gather to worship. Assemble to pray. Mobilize to sweep the land with the power of My Spirit Says the Lord. So father Today we speak a word out over Nevada. Nevada faithful one, Righteous one. Those who hear The sound of the voice of the Lord Assemble yourselves. gather To worship. Assemble to pray. And mobilize to sweep the land With the power of the Spirit of God. Repair the broken Altars. Build up, strengthen, and fortify The Altar of the Lord, that the fire of God may touch down On that altar And ignite a fire of Awakening, Transformation, and Reformation All across the land. That the fire of the glory of God Across Nevada will be stronger, Mightier, And more powerful than any other false Fire lit upon the Altars of humanism And paganism. We decree that the fire Of God is coming to Nevada To put those in all and wonder Of the greatness of our God. So father mobilize your people. Strengthen your Saints. And may we all see

the glory of the Lord Sweeping across Nevada, North south east and west That your kingdom has come and your will is being done In the mighty name of Jesus Amen.

Clay Nash: All right Jacquie. Thank you for those strong declarations And decrees. We have a minister. A servant there in Nevada That's on with us today. Christopher Dahir. We are thankful Christopher that you Would take time out of your responsibilities And come on the call today. If you would serve release those declarations and decrees That are in your heart.

Christopher Dahir: Amen thank you. Thank you For being here and for praying for our great state. It's so crucial and I would definitely love to confirm Jacquie, what the Lord Has put on my heart today. Pretty clearly Is out of Daniel 12:10. Many will be purged, purified, and refined. And those And those who are listening will know him And understand. I like the concept of breakthrough. I like the concept of Unlocking. So Lord I come before you today For the state. For those who have been charged with leadership From churches to political, to families, to use each of these positions. God I ask that you open doors And do amazing things. I thank you Lord for the words that have been spoken by each person over our state. Lord let it be so. In your name. we stand on your word. We Believe And accept. And Lord I pray that you do the work that you do. One thing the Lord has put on my heart is The fire portion. It will burn up the chaff That should not be. It will be tested by fire. But what is left will be made pure in that refiners fire. So Lord, I pray God that you would let this state See what that looks like. For that is truly where your heart will be found When everything else is set aside. So we can focus on you and you alone. I thank you for the servants around our country That are praying for each state. And today as we focus on Nevada, The history, the Battle Born State Of what this state was founded on. Let It Be men and women that will stand on the battle In battle for you, For your kingdom, and for who you are. In Jesus name amen.

Clay Nash: All right thank you Christopher for those declarations and decrees. For your declarations and decrees and for your willingness to be on today's call. David Hertel what's in your heart?

David Hertel: Yes sir thank you. I come into agreement with everything that's been prayed And declared. I just wanted to say I think the Lord just gave me a passage of scripture that Lined up with Nevada's character. Job's Friends we all know "friends" Falsely accused him and sought to correct him. Even though their Council was misapplied They spoke the truth in general. We declare today out of Job 22:28 You also will declare a thing and it will be established For you and will light your way. so we stand on that And declare over Nevada. Nevada has a nickname as being called The Silver State. Actually it's the largest gold producing state In the U.S. Fourth largest in the world. And Jesus name we just declared Job 21:7 over Nevada. And say this acquaint yourself Nevada With the Lord And be at peace. Thereby Goodwill will come to you. Good will come to you. If you will receive the instructions from his mouth And lay up his words in your heart In your governmental institutions. If you'll let the kingdom principles Apply through your systems Of leadership as our brother prayed. Lord we thank you that it has the consequence and outworking of producing good for Nevada If

you will return to the Almighty, you will be built up, An iniquity will be removed from your tents, Your institutions. We say Then you will lay your gold in the dust lay your gold among the stones in the brooks. Yes they all Mighty will Be your gold and your precious silver. Then you will have your Delight in the Almighty And lift up your face to God And you will make your prayer to Him. He will hear you and you will pay your vows. We thank you Lord that your eye is on Nevada. You love Nevada. You love the people of Nevada. Christ's blood came down for Nevada. We thank you Lord that you are in the business of uprooting Every principality and Power And ruler of darkness in Nevada that is controlling it for the purpose of Hell's agenda. And we thank you Lord that as they are uprooted They are replaced with Holy Ghost Vitality and life. And the things of God in Nevada will serve the kingdom of God. We claim it today For Your Glory In Jesus name Amen.

Clay Nash: All right David, strong and focused. I want to step back and see if any of the hosts have anything that has stirred in your heart that you would further want to release. Regina are you on with us? Did you call back in? It's still a little distorted. We will make sure we get that word posted on the website. Did you have something you want to say?

Father we just declare Over Nevada Those that have been in the valley of decision They are about to say yes to the lordship of Christ. Father we just thank you there's a great release Of the conviction of God over the people of Nevada. We thank you Father that there are people willing to gamble And to lose. That they are going to begin to push their chip to the middle of the table. But they are going to align with you in doing so. Father we pray for signs and wonders. We declare over the state of Nevada And the people there Is8:18. As for them and their children they are for signs and wonders. Father we call forth for signs wonders and miracles to begin to break out across Nevada. Father let the significant outbreak of your Supernatural power begin to attract people to Nevada For other than that of sin and darkness. Father we pray over the church leaders, the ministry leaders across that state. We declare father that your Going to do abundantly above anything We can Think or ask In the state of Nevada. Father we thank you that you have a mighty plan. I thank you Father that you're showing me That some in the state have been trying to read your spiritual blueprint But the blueprints have been upside down And now you're flipping them over. The small details that were being missed will now be revealed and be plain. Father we just thank you for what you are doing. We thank you for the Bible colleges there. We just declare let Awakening Revival break out there. How do we thank you that these places were students come To be instructed and trained up in the word of God We thank you they are the training ground for the kingdom. We thank you Father that tare no longer going to move and complacency. But at the conviction of holy spirit that comes to this state To the Christians institutions that train people there's going to be an outbreak of the moving of the Spirit. Hearts being rendered and surrendered to you Lord. Your nature, your Character, and your Authority being released in a mighty way. Now father we just declare over Nevada a break out of Holy Spirit. A baptism of the spirit. And in doing of power fulfilling Yeshua's call the promise of the Father. Now father release this into and over Nevada in a very powerful way and do so In Yeshua's name Amen and amen. Well it's been a great call. Again I thank Christopher for being on. And I just declare that

tomorrow when we step into the last state this week, Wyoming. We're going to have an incredible ending to the week, finishing of the week. Then next week we're going to be stepping into the other states. Montana on Monday, Hawaii Tuesday night, North Dakota on Wednesday, South Dakota on Thursday, and Maine on Friday. So be praying about those states. Work with us and remember There is a recording and it will be posted this afternoon. God bless you all.
