

PRAYER CALL 03/29/23 - OREGON

CLAY NASH: All right, good day! We're at another 2:22 day and we're going to be praying for the state of Oregon today, and I just want to say that our Washington call last night was very, very strong. All the calls are being strong; we're sure that Oregon will be today. We just want to keep reminding everyone that the Josiah Company Convocation is coming up. I've had several of you write me, I'll probably mention this again as more get on the call but the actual location is called the Eagle's Nook, but it's the Pentecostal Church of God campus—it's like their district campus—and it's located at 824 Hwy 64 Business in Conway, AR. Several wrote and said your GPS is not good, Google does a better job. If you're not using them, I'm bringing this up: it's 10 minutes from I-40. It's very easy to find, it's not going to be a problem, plenty of parking and everything for that. If you haven't registered to be there with us, or if you have registered and something's come up that you're not able to come, please free up that seat for us. You can contact Dawn at claynash.org and she can work with you on that. All right, let's jump into today's call. Regina Shank there in Missouri, you've got a prophetic word. Release what's in your heart.

REGINA SHANK: Yes, thank you so much. I heard the Lord speak to Oregon: Oregon, Oregon, westward ho, the wind will blow. The west wind will blow out the locust, and I was taken to Exodus 10:19. The Lord turned the wind into a very strong west wind which lifted the locust and drove them into the Red Sea, not a single locust was left in all the country. Here's the word: the devourers of complacency, apathy, religious performance, and the spirit of condemnation will be removed from the land. Those devourers have been exposed. The exterminating angels have been released to cleanse the land of their pestilence. They've been called to your territory through your prayers, your decrees, and your petitions. Oregon, you're on My radar. My scrutiny of your territory has detected and will now remove those devourers. I'm about to remove the pulpit puppet show of man without My presence. I will put down one and exalt another. It's spring cleaning time. Open the window. Throw out the old and bring in the new. There is a fresh wind about to blow from the west. I am shifting you into the fullness of your purpose so get ready for the shaking. So Lord, we decree into Oregon that You are looking at that state and You are getting ready to remove some things and to set up those that You have trust in, and so Lord, we thank You for that. Lord, we agree that the angels are being released to exterminate the devourers in that state. Lord, the prayers and petitions and decrees have been heard in Heaven. So we decree over Oregon: rise up, get ready for the shaking for you are coming into a whole new place, in Jesus' Name, amen.

CLAY NASH: All right, Regina, thank you for that great start. Lord, we come into agreement with this word that You've released to us for the state of Oregon, for the Ekklesia there. Father, we declare that there is a shift and change coming. We thank You, Father, that You're going to reconstitute the state of Oregon, and where it has been dying on the vine, we declare that it will bear fruit and that fruit will remain. Father, we bless You. We declare Your grace and Your mercy be poured out over the state of Oregon. Raise up the praying church, the legislative branch of the church, the

Ekklesia, and let them decree and declare in a mighty, mighty way. Jacquie Tyre, you have a prophetic word: what's in your heart.

JACQUIE TYRE: I do, sir, thank you. It's always an honor to be on with everyone. The Lord took me to Isaiah 28:14-19 and then 22. I'm going to read that; I started not to but I really think I need to read that passage and then give the word. "Therefore hear the word of the Lord, you scoffers, who rule this people"—and I'm going to say in Oregon. The scripture says Jerusalem but I heard it in Oregon—

15 You boast, "We have entered into a covenant with death, with the realm of the dead we have made our agreement. When an overwhelming scourge sweeps by, it cannot touch us, for we have made a lie our refuge and falsehood our hiding place."

16 So this is what the Sovereign Lord says: "See, I lay a stone in Zion, a tested stone, a precious cornerstone for a sure foundation; the one who relies on it will never be stricken with panic.

17 I will make justice the measuring line and righteousness the plumb line; hail will sweep away your refuge, the lie, and water will overflow your hiding place.

18 Your covenant with death will be annulled; your agreement with the realm of the dead will not stand. When the overwhelming scourge sweeps by, you will be beaten down by it.

19 As often as it comes it will carry you away; morning after morning, by day and by night, it will sweep through..."

And then verse **22**: Now stop your mocking, or your chains will become heavier; the Lord, the Lord Almighty, has told me of the destruction decreed against the whole land.

And then I heard Holy Spirit say: Oregon, hear the word of the Lord. I have seen and I have heard the mocking in your streets, and I have seen and I have heard the covenants you have made with the kingdom of darkness, and I have decreed, "Enough is enough!" and the time has come for that which has opposed Me and that which has opposed My kingdom to come into a reckoning. Now is the time. My faithful ones scattered across the land—faithful, tenacious, strong, and true—are rising and they are coming together. An outpost of fire and glory will build across the land in small, out of the way places, and in nooks and crannies of cities and suburbs. There shall be a convergence of My presence as a roaring bonfire of My glory across the state of Oregon. Know that I am orchestrating a divine turnaround for Oregon as the chains of captivity are being shattered and winds of change are blowing to fan the glowing embers of My faithful ones. Do not grow weary or disheartened. Keep your eyes on Me and allow Me to do a work in you that I might reveal My strength through you in the days ahead. Align with Me and sever alignments with those who are not of My kingdom and see what I shall do through you to display My glory and ignite many with the fiery coals of My presence. Father, we release this word over Oregon. We say strengthen the faithful. Cause them to rise up with a fiery passion, partner even as Regina

released, partner Your faithful army on the earth with the faithful angel armies in the heavenly realms that the two armies moving together might cause the mighty outbreaking of the fire of Your glory across Oregon. We say enough is enough with the mocking and with the covenants with death and with the kingdom of darkness that have riddled across Oregon in days gone by. We say the time has come; let the grace and glory of the Lord arise, and let there be the divine turnaround that will cause an awakening, a shock and awe to come even to the surrounding states to say, "What has happened to Oregon?!" And it shall be said, "None other than the Lord Himself has done a marvelous thing in the midst of this state redeeming Oregon for His purposes and for His glory, in the mighty Name of Jesus, amen.

CLAY NASH: All right, Jacquie, thank you for that word. As we do for every call on the states, there will be a recording posted this afternoon, and just as soon as our volunteer can get it transcribed, we'll be putting that on the website. A lot of people are calling in at all hours of the day for this call. I just want to remind you that Monday, Wednesday, Thursday, Friday it's at 2:22 Eastern time. It's been that way for a few years now and on Tuesday nights at 9:00pm Eastern time. If you want to listen to a previous call, go to claynash.org, the recording will be there and the transcription will be there if you would like to participate that way. Remember the Josiah Company Convocation is going to be a very key time there in Arkansas. We will be praying over all 50 states and the United States. So plan to join us. It's not far from the airport and Little Rock, and it's a pretty easy drive from some of the states around there. All right, Anne Tate, what's in your heart?

ANNE TATE: Well, Clay, I want to say that in 2003 when Dutch and Chuck went to Oregon, they were told it was the state to throw Jezebel from the wall, and so what that means is that in all the United States, the place where Jezebel had to be addressed and thrown from the wall was Oregon. We see from the events that have taken place in Oregon over the last 3 and a half years that she has not been overthrown. So this is the day that the Lord is calling the prophets into the state and calling the prophetic word to come forth, and the Lord is asking for those in Oregon who will stand up and be counted to move as Elijah moved. I want to say that on December 10, Oregon went into the boiling of the pot. When Chuck saw the Lord put a pot on to boil, and that is true, Oregon is a boiling pot right now. So Lord, we say that in this season, You never leave us comfortless or without help. Lord, I thank You that in Oregon You're beginning to cause those who are with You to begin to stand and find a strong place where they can stand and overcome the forces of darkness that are on top of them. I thank You, Lord, that this is a time when they need to hold to the scripture "No weapon formed against you will prosper and every tongue that rises against you in judgment shall be shown to be in the wrong" because "we have never seen the righteous forsaken or their seed begging bread." We say that there is a new sound that will come up in Oregon that will begin to come forth, and we know that this Passover is a Passover where we're going to go in and we're going to disable and tear down and bring forth righteousness. We're going to pluck up and then we're going to plant. We're going to pursue the enemy at all cost. We say that Oregon is worth saving but Oregon has to stand and deliver. We say Lord, that You will put whatever is needful in those that remain; Lord,

that a deliverer will rise up in the midst of Oregon and that they will go forth and deliver Oregon for the Kingdom of God in the Name of Jesus, amen.

CLAY NASH: All right, Anne, strong declarations and decrees there. Father, we set our hearts in agreement and we declare the outpouring of Your Spirit and the outpouring of conviction. Lord, let a move of God sweep across Oregon where You take out of the people stony hearts and You put into them hearts of flesh. Ken Malone from Florida, what's in your heart?

KEN MALONE: Hey, Clay, I'm so honored to be on here and honored to pray for Oregon. I want to say thank you, Anne, for setting up my prayer because this is the same direction that I was going to go, and you opened it up because I really believe that the Lord is renewing the anointing and the mantle that is necessary to throw down Jezebel, especially in Portland, but all across that state, and as I read the 50-state tour, this entire state is literally key to seeing a nation-wide revival. So today, Father, I stand in agreement with so many people that have prayed for Oregon, that are praying for Oregon, and Lord we bring our prayers together as a synergy of the ages, Father, to see the spirit of Jezebel thrown down from its perch there in Portland and in other areas of Oregon. Father, I say in Jesus' Name, let her be thrown down NOW in the Name of Yeshua. God, I pray that You would bring in the prophets to prophesy; that You would bring in the intercessors to intercede; and God that You would remove the lethargy from the church in the Name of Jesus, and that You would fire up the prophets, fire up the intercessors, fire up the apostles, the evangelists, the pastors and teachers and let Oregon be saved. We say Oregon, come to the Lord! Oregon, hear the sound of the Lord coming to you! Jezebel is being thrown down, the prophets have prophesied it, and we decree it is so in Yeshua's Name, amen!

CLAY NASH: All right, we stand in agreement with that! I believe that there is a pulling down right now like never before. Recently I ministered in Missouri and I've had this dream several times in several locations, didn't have one about today's call but I feel it applies: I keep seeing the hand of God dropping hundreds, many even thousands of plumb lines, and as this happens, the plumb bob—the weight on the end of it which is always very sharp-pointed—begins to break up the hardened ground in the areas it's dropped in. So in faith in God's working, I declare over the state of Oregon let the plumb line be dropped and let the plumb bob penetrate and break that hard pan that keeps people from being able to take root downward so that they can bear fruit upward. Father, I declare a spiritual fracking that will release the oil of the Holy Ghost to flow from the north to the south in Oregon and from the west to the east and the east to the west, we declare. We release those plumb lines to be dropped and to be done in Yeshua's Name, amen. My friend Pat there in Illinois, what's in your heart?

PAT MCMANUS: Thank you, Clay, and I come into agreement with all that's been declared and prophetically decreed. I have this word, the Lord woke me up at 3 o'clock this morning: "a place of restored hope and identity for Oregon." As I began to ponder the words of a place of restored hope and identity, hope was the acronym that the Lord showed me: H stands for healing the heart of the state; O stands for overcoming all

obstacles and hindrances; P stands for demonstrating the power and the expression of the glory of God; and E stands for establishing a beachhead to advance. In Psalm 119:49: Remember the word to your servant upon which You have caused Your people to hope. Father, we thank You that You are restoring Oregon to a place where their identity will be solidified in You. You are establishing a true expression of Your glory and Your power upon the land. Father, You are resetting hope, restoring hope, that the city of Portland and others will come back into a right order and will cause the ungodly structures and the unyielding of man to be broken forth and the glory of God begin to be seen. Father, we thank You that You are releasing a healing into the state to where the state will come into its right order, that the heart of the state will function in the orders of Your hand. Father, You're releasing an overcoming anointing upon the true Ekklesia in that state that will march forward with the authority and power of Your Name, and that, Father, You are releasing a dunamis power within the hearts of the Ekklesia that they can see the moments and the movements of Your hand and that will reclaim territory for Your glory and Your power. Father, even as David went forth and reclaimed all at Ziklag, so are You calling the Ekklesia in Oregon to reclaim all of what's been stolen, and Father, You are establishing a beachhead for the purpose of the movement, the power, and the glory of God upon our land. We thank You, Father, for the restored hope and the restored identity that they will walk fully in the power and the promise of Your word. We thank You, Father, in Jesus' Name, amen.

CLAY NASH: Amen! We agree with that, Pat, we stand with that. I was trying to find it, I'm not being able to lay my hand on it as I'm traveling, but last year I had a very significant dream that we're still praying into about a cattle drive of mavericks from Oregon City to Independence, MO. A couple things I'd like to bring out of that: we would find them at watering holes and we would drop off—I remember Ken Malone was in this dream and we dropped him off at a watering hole and we picked up the mavericks that were already there, and then we went on and on. When we got to Independence, MO—let me step back into this, I'm remembering—we were all given horses for this cattle drive, this gathering of the mavericks, and Dutch Sheets was part of this. He was riding the most beautiful horse that I have ever seen, and I spoke to him about the horse and he said this was a horse out of John Wayne's favorite horse. I asked him what horse that was; he said it was the horse John Wayne had named Sent. I looked at Dutch and I asked "What's this horse's name?" and he said, "Messenger." So one of the things we settled on out of this dream was the fact that God is going to take a lot of unbranded people that religion has not branded, and He's going to cause them to be sent messengers. At the end of the dream when we arrived in Independence, MO, I said to Dutch, "We must have collected and gathered 10,000 mavericks." He looked at me very solemn and said, "No, we have 12,000 mavericks and one ox." I stood there shocked; what's the 12,000 mavericks was a huge number but the ox? He said, "The name of the ox is Signs and Wonders." So I'm just telling you that out of this collection, spiritually there is going to be unbranded people gathered and brought to independence. A lot of these unbranded people have been hurt by religion, they're still carrying that baggage, and I believe next year we'll see some gatherings of the mavericks but they will come to where they are sent messengers that release signs and wonders so I just feel this. Father, bring the gathering of unbranded

people, people that have been ghosted out of ministries, that have been shoved out, rejected, misunderstood, where insecure leaders are not willing to stop and help them establish their true identity and to become fitly joined in to the body of Christ. Father, we release that they are coming to independence in You by being dependent upon You. Do this now in Yeshua's Name, amen. All right, we have on with us Hannah Wood. She has been part of Washington so she was on the call last night. She's going to close the call today because she just moved to Oregon. She got a tremendous word about some things that fit in with that Jezebel that's been spoken about and decreed over today. Let me make sure I'm not missing anything: any of the hosts have something to add?

ANNE TATE: Clay, I do. Oregon's motto says "She flies with her own wings." Part of the plumb line that we're dropping here is to bring them to a right plumb, knowing where they end and the Lord begins. They have deceived themselves that they are god. Lord, we call the plumb line down on this and we say that Lord, YOU grant wings or not, and we say that the people in Oregon will begin to see where they end and You begin, in the Name of Jesus.

CLAY NASH: All right, Anne, we come in agreement with that. Not because I had the dream but I'm just telling you, that dream just got bigger in me. There's something key—maybe about Oregon City because that's in the dream, that's where the Oregon Trail began, first one was out of Kansas; after that they moved it to Independence, MO because you could come up the Missouri River on a riverboat and get off there. You could buy a wagon, you could buy horses, even an ox to pull the wagon, and then they would travel up through there. Somebody talked about fresh hope in this call and that's what made me think of the dream. Oregon brought fresh hope to many people and they gave their lives; their children died on the way; wives, spouses died on the way; but they went there looking for a dream to be revealed and fulfilled, and I just know there's something in this that is very, very, strong, that we need to stand with so that these mavericks can find their place and move on. Anybody else have something to add? All right. Tana, good to have you on again; incredible words over you last night and over the state of Washington and about you're being transitioned and moved to Oregon, but if you would, close us out in those prayers and declarations that God has put on your heart.

TANA WOOD: Thank you, Clay. It's really an honor and for anybody from Oregon that's listening, I want you to know that I was born and raised in Oregon, eastern Oregon, and four months ago the Lord moved me, surprisingly, back, and I have a feeling He's doing that to others. Also, Clay—you keep doing this—you're talking about your dream with the mavericks. In addition to being near Hell's Canyon, I also live right in the middle of ranching territory. It's not unusual to have to wait for cows to cross the road as you're going someplace, so the Lord is on this. Lord, even as we start, we make the faith declaration that Oregon belongs to You, and Father as I am thinking that, I hear You saying very loudly, "Is anything too hard for Me?" and God, we have to say, "No, nothing is too hard for You." There may be hard pan in Oregon but, Lord, it's not too hard. And Father, You're also reminding me how many instances You gave us in

scripture where You can exactly say 'by many or by few.' The Jews were saved by Esther and Mordecai; there was Jonathan and his armor-bearer; David, certainly, and we know Gideon. Father, it doesn't matter to You how many or few of us there are in Oregon. There are others who are going to be raised up. So right now, Lord, I would ask and declare that You are shining new light of hope, new light of energy and hearing on every one of Your Ekklesia. Small groups or individuals that are isolated—we are not isolated because we are joined in You. Also Lord, I just want to agree with what was said: I am in awe and, again, full of hope by the words You have given to the hosts and I want to close with what Pat said. We make the same declaration: we decree that healing is coming into Oregon. We decree that an overcoming anointing is coming on the Ekklesia. We decree that we will stand, and although Jezebel may think that she is in a stronghold that cannot be broken, we decree right now that the Jehus are on their way, and Jezebel will be thrown out of Oregon and the entire nation will not only shake but they will be in awe and receive Your glory. Father, we are humble before You, and we say Oregon belongs to You and will be saved in Yeshua's Name, amen.

CLAY NASH: All right, thank you for being on, for closing this call out. We'll be back on tomorrow at 2:22 and we're going to hit the state of New York with declarations, decrees, prophetic words. It's time for an even greater shaking up there. It's time for the corruption to be exposed. It's time for conservative hearts to be stirred with courage and we're going to be doing that tomorrow, and then of course on Friday at 2:22 Eastern time we're going to finish up this week with California, and then we're going to step in next week on Monday with Idaho, Utah, Arkansas, Maryland, and Virginia. And so be on the call. Please plan to join us at the Josiah Company Convocation there in Conway, AR. If you have any questions you can write Dawn at claynash.org and she'll help you get the information. We have a block of rooms. All this information is on the website, all about the calls on the website, all the recordings and all the transcriptions. God bless you. We'll be here tomorrow.
