By Regina Shank

Oregon, Oregon westward ho the wind will blow.. The west wind will blow out the locusts.

Exodus10:19

“And the Lord turned the wind into a very strong west wind, which lifted the locusts and drove them into the Red Sea. Not a single locust was left in all the country of Egypt (Oregon).”

The devourers of complacency, apathy, religious performance and the spirit of condemnation will be removed from the land. Those devourers have been exposed. The exterminating angels have been released to cleanse the land of their pestilence. They have been called to your territory through your prayers, decrees, and petitions. Oregon you on my radar. my scrutiny of your territory has detected and will now remove the devourers. I am about to remove the pulpit puppet show of man without my Presence. I will put down one and exalt another. It's spring-cleaning time. Open the window, throw out the old and bring in the new. There is afresh wind about to blow from the west. I am shifting you into the fulness of your purpose, so get ready for the shaking.
