Pat McManus

July 2026

There is coming a time that will unlock the greatest movement in the history of the Ekklesia.

The time for advancement is at hand.

The time for rebuilding is in the moment.

The breaker is going before us in authority and power like never before

To break the bands of man and system produced shackles.

I am coming into this moment with the host of heaven that will assist the Ekklesia in the strategy of My hand.

Be willing and open for movement.

The sound that ignites the ways of My heart is being made known in the land.

The structures will crumble.

The strategy of man is being removed.

I'm releasing a sound that will shake all that has been hidden to come to light.

I'm going to set in motion the Re-Formation of a nation.

That which you have seen in the ways of man will no longer to be on the land.

I'm about to show with total clarity that which has been on and in the land.

The true force of My hand will be evident on an in the land.

Prepare your hearts for the sound of all that I am.
