

Cables Decree
By Anne Tate

Decree:

Lord, as we plant these cables in faith with the Angels you have sent, we decree they will be anchored deep in our land and we will not be distracted by the coming explosive movement of revival or the coming shaking. These cables are being fastened to the prayers that have been invested in this land throughout the generations by calling out to you in faith and fasting in faithfulness. We have believed in the prophetic words you have spoken over this land and answered in obedience to your Holy Spirit and your written word.

We stand surrounded by the intents and purposes of our wrap-around God in the covenant you have given us and live to advance your Kingdom. We honor you, El Olam and live by every word that proceeds from your mouth.

We decree these cables will not be uprooted or moved, forgotten or abandoned. We will spiritually guard and protect our covenant with you in them so that others may anchor on these lines and trust in the saving power of the Lord Jesus Christ. We say, let your kingdom come and your will be done on earth as it is in heaven. We decree, "Your shaking will produce your glory."

Note: Be sure that you are attaching the cable where the angel guides by faith in every case. I gave you all a general location and it is up to each of you to be sensitive to the Spirit of the Lord to know where the angelic point is. It may be necessary for each of your teams to worship at the site until you sense the exact spot. It is also advised that you have a team praying with you and for you as you go to the site. Hear the Lord!

All the other States will be connecting to these cable lines in the same way.
