

Josiah Company Prayer Call
January 19, 2024
By Jacquie Tyre

Father, today, in the mighty name of Jesus, over our governmental officials, from the top all the way down to the most local elected official in government; Father, we decree the fear of the Lord to be their portion.

We say let all expressions of arrogance, self-will, self-exultation, and determination to have their own way be crushed and broken off in the mighty name of Jesus.

Let the fear of the Lord come upon them, cause them to see the error of their ways; cause them to see the end from the beginning; cause them to see, Father, the path they are paving, not only for themselves but for this nation, and come into a place of 'shock and awe' that the sign and wonder we will see over our nation will be men and women in places of authority coming face-to-face with almighty God and the fear of the Lord coming upon them.

Lord, I pray that many will bow their knee to the fear of the Lord and come into a place of humility that they might walk in the ways of righteousness, justice, and truth without going their own way, without going in the pathways of destruction; but God they would be stopped in their tracks. They would turn with a heart, a mind, a will, and with actions of repentance that their lives will display your splendor; that their decisions will display your wisdom; and that the knowledge they walk in will not be that of the flesh but will be that which comes out of the Lord our God.

Lord let wisdom that comes from You be the portion of those who lead and govern in this nation and let all of those who refuse the fear of the Lord be removed from their seats, and let those who walk in their portion of the fear of the Lord be brought into position and walk with the restraint of Your Spirit, in the mighty name of Jesus. Amen.
