

Gathering Mavericks – Oregon Trail

Soda Springs, Idaho

July 3, 2024

Clay Nash:

Romans 10:18 says that “Their sound has gone out to all the earth and their words to the end of the world.” I just heard the Lord say that there’s a sound destined to come out of Soda Springs that will touch the whole State and then touch the Nation. There’s a sound here...*inaudible*. I submit to everyone here that there needs to be a prayer that occurs here for the Nation. There’s a sound that will go to the whole world – it’s the sound of gratefulness. That’s the word that I heard in my spirit.

Think about it! When I put myself in the place of one of those traveling in the wagons and think of the children, can you imagine the thanksgiving that was in their hearts when they got to this oasis? That’s what I want to tap into tonight, the gratefulness for what God is doing.

Some of you leaders here, pray into it first, and pull together a meeting here in Soda Springs. I feel like I heard God say that on the 300th day of the year, there needs to be a prayer meeting here in Soda Springs for the election and for the Nation. I heard the Lord say there will be enough power here on the 26th of October to determine the outcome of the election.

Someone sent me a word, and I had forgotten about it until just now, and they said that there would be a white-stone verdict out of Soda Springs, and I believe there’s a white-stone verdict that’s going to be rendered here tonight for Soda Springs, for Idaho, and for our nation.

Word from Eddie

The new republic of America began during Passover 2024 because of the declarations and decrees of the Ekklesia. As decrees and declarations are made along the Oregon Trail, God’s original intent will begin to come into fruition as the Holy Spirit and angel armies carry out the decrees and declarations of the Ekklesia.

There will be a tumultuous time for the next 18 months, but God will deliver as the Eklesia takes her place with the full kingdom power and authority. They will witness Satan’s defeat, publicly, and there shall be signs, wonders, and miracles. Millions of people, young and old, will see things the angels haven’t seen – the things I am about to release on the earth. I am going to release an awakening on this earth that will be like all the awakenings and revivals

into one. Before I am through, there will be billions of my sons and daughters who will come back home to me. Watch and see as I finish what I started in the garden of Eden with Adam and Eve. I will finish it.
