

Prayer Call 10/14/22

Anne Tate - The Lord says, I am releasing a new level of intercession to the United States of America, for the intercessions. And I am releasing apostolic intercession for an apostolic people to accomplish My apostolic goal. And the Lord says that we have been giving birth to this on the 2:22 call. And you know what it is like to have prophetic intercession, but now I am sending pictures and I am downloading things to your consciousness by the spirit of God concerning apostolic intercession. And I'm releasing it to you as apostolic people. You will be able to see it clearly because it will be apostolic watchmen who will receive these things. And the Lord says in Psalms 33:5 that He loves righteousness and justice. The earth is full of the loving kindness of the Lord. However, the world judges God's works. He does all things according to justice and mercy and thereby we judge everything He does is by justice and mercy. The Lord says in Psalms 35:34, Judge and vindicate me, O Lord my God, according to your righteousness, your rightness and justice. And let my foes not rejoice over me. It is the justice of God to give to the oppressors the affliction and torment, and to the oppressed aid and relief. 2 Thessalonians 1:6 says, For it is a righteous thing with God to recompense tribulations to them that trouble you. The Lord says in Psalms 37:6, He will make your uprightness and right standing with God go forth as a light and know justice as the spinning sun of noon day as the hope of the daylight causes us not to be offended. And with the darkness of the night so ought we patiently trust that God will clear our cause and restore us to our rights.

Clay Nash - Stop listening to the voices that are speaking that I am going to go back into the past and undo that which is done to be re-done. The Lord says, I have a plan and the plan is to redeem the injustices that have been done in this nation by righteous actions. The Lord says, I'm stirring my people right now to rise even above prayer. For your prayers are being heard, your declarations are being empowered by the spirit. But know this, I must have your obedient actions, says the Lord. For it is your obedient actions that will stir others to come in and to go out and to stand in the gap. The Lord says, that through that I will do exceedingly abundantly above. But I am not stepping back into the past for I am not the God of the past, I am the God of the future and I will move into that place, says the Lord. Get ready and watch what I'm about to do. The enemy is under siege, he is getting to the end of his rope to be hung by it. And in my that siege that has been put upon the enemy by the ekklesia, the praying church, the decrees and the declarations I will release suddenly after suddenly after suddenly. Prepare yourself, says the Lord. Prepare yourself. Don't listen the the voices that speak about replacement. Listen to the voice that speaks about a future redeemed through prayer and obedient actions. Watch and see as I do it, says the Lord.
