Clay Nash: [00:00:08] Well, good evening. Yes, it's 9 o'clock Eastern Time, and we're on our first of our 44 Steps Towards Election Night; November 8th. I'm excited about these calls. We are so blessed by the commitment of all of you. So blessed by the commitment of the hosts that's going to help us make these calls. We are in very strategic times. There are things that are turning, there are things that are shifting. The enemy is working. A lot of warfare. Put on your armor. Put on the corporate armor, because between now and spring, we're going to see some warfare. But I've got great news for you. We're going to come through it because we've got a promise that we can war from and that is 'no weapon formed against us will prosper.' So I'm excited. I had a lot of time this afternoon just seeking the Lord getting set for tonight. And we're moving forward for this call. Father, I thank you for this call on each Tuesday night. I thank you for the dream of 22 stones and 22 steps. But Father, I thank you that as we press in, as we make declarations and decrees over these 44 Tuesday nights, we thank you, Lord, that you're going to turn and bring about a tipping point in our nation. Father, help us see elected those that have a heart after you. Those that want to live by your word. Those that want to be more than put on the title of a Christian but want to be a follower of Jesus. So tonight Father, as we go over these 50 states and Washington, D.C., as we make declarations out of their mottos, we declare that these state mottos are a beginning place of declarations and decrees made over each state and seeing the elected officials--Father, not politicians but statesmen that will go in and live by the conviction of their heart and the conversation of their mouth will line up with heaven and line up with the kingdom. Now Father, give us all wisdom tonight and cause our words to be filled with your authority and Father, let us on this call, let the hosts that join this call, not just roar for your sake, but be your roar in the Earth. Now, Father, be with us

tonight, Lord. We thank you that we are moving forward and we thank you, Father, that you are doing great things, in Yeshua's name. Amen. Dan, I'm going to call on you first. What I want to do is start. I want to move from the first of the list to the last one. We'll just narrow them down. I don't know how far we will get tonight, but we'll go-- I'd love to cover them all tonight, but we'll go with what we can. So, Dan, if you will start us off, we will move into the place that God wants us to do. So what's in your heart, my friend?

Dan Blacksher: [00:03:31] OK. The uh--do you want me to go through the four states that got laid on my heart or just the one that are the first ones on your list, which I can do, either it's up to you. You there. Can you hear me?

Clay Nash: [00:03:56] Yeah. Dan, I want you to start with the first one on the list and then move to the last one on the list, then come back in the second one on the list. That way--that's the way I feel the Lord wants us to go through these tonight and stay with them. But while you're declaring, don't hold back what God puts in your heart.

Dan Blacksher: [00:04:16] Okay, so father, we come before you right now and we declare, Father, your kingdom has come and your will is being done on Earth as it is in heaven. So father, over Alabama, we declare you will live up to your state motto, which is we dare to defend our rights. Father... I felt like the Lord said, "just call them in to be another rudder. So father, along with Arkansas, Mississippi, we call them in to be a rudder for our nation. And father, we thank you, Lord God, that there's not one right that Alabama will not fight for and defend, especially, Lord God, in our elections. And so, father, we thank you for your goodness over Wyoming and Wyoming says Grateful to God for our civil, political and religious liberty. Father, we thank you, Lord God that we are grateful for what you've done in establishing freedom in this nation and establishing, Lord God, Civil liberties and establishing political and religious liberty that can come from you, Lord God, and no one else can give them. And so, father, we thank you that Wyoming stands today, Lord as a beacon against socialism and against Marxism and against communism. And we thank you, Father, that they will stand fully in their right and in their gratitude to you, Lord God, for their civil, political and religious liberties.

Father, we thank you for Alaska. Lord, we thank you for the fullness, Lord, of what you've called that state to and the First Nations people, Lord God, that you call that state to. And it says, north, to the future. Father, I thank you, Lord God, that they look up to the future. They look north, literally looking up and recognizing you father as the King of Kings and the Lord of Lord. I thank you, Lord, for your goodness over Alaska, that they will come fully. And Father, we declare over all of these states that Lord, those that are living in deception and voting, and these that would produce and promote an anti-Christ agenda, an anti-liberty agenda, an anti-freedom agenda, something that is contrary to our Constitution and the founding documents of this nation. We declare, Lord, every seat of authority in those states lock, and Lord God, they're only open to those who will carry the keys to the kingdom. And Clay, the other ones the Lord laid on my heart was for Mississippi because I live here-- by valor and arms. Father, and that can also be interpreted as strength. We declare over Mississippi, we will continue to stand strong and courageous, and we will continue to stand in strength. We thank you, Father, that there will be a favorable ruling, Lord, over the abortion case in the state of Mississippi. We thank you, Father, that you're using this small rudder to help turn a big ship that is this nation. We thank you, Lord God, that you are going to overturn this year-- we're going to see deliverance and breakthrough in Roe versus Wade. We are going to see that altar of Baal fall along with every other altar of Baal. And as that altar of Baal falls We thank you, Lord God, that Lord, the innocent blood that's needed to empower the other altars of Baal will be dried up, and those altars will also be completely dismantled, and altars to the Lord will be put in their place. And over Louisiana, Father, I thank you, Lord God, that it is union, justice and confidence. Father, we just declare a unity in Louisiana. We declare, Father, that it is a state of justice. And Lord, we declare confidence coming from that state and a state, Lord God, that is known for the history of corruption that it has, I thank you, Lord God, that you will be known-- it will redefine its history as a history of justice, as a history of integrity, as a history, Lord God, of being banded together to help turn this nation. And the only other one, Clay, that the Lord laid on my heart, was over California, which is Ureka, which is the Greek word which translates: I have found it. I declare, Father, over California. They will say, "Eureka, We have found the Kingdom of God." Father, we pray for mass

deliverance over the state of California. Father, I thank you, Lord God, you are going to deliver them Lord of the mindset that have caused them to elect corrupt leaders and godless leaders who have implemented antichrist agendas that have caused the people on all levels to suffer mightily. Father, we declare this is the year of the exodus of California. of the deliverance of California. They will say, "Eureka, we have found the Kingdom of God", in Jesus name, Amen.

Clay Nash: [00:09:24] Amen. Thank you, Dan, for that. Appreciate it very much. Betty, what's in your heart?

Betty Love: [00:09:31] Yes, we are taking hold of Arizona. Father, we thank you for the opportunity that you have set before us, as we acknowledge on this first night of the first set of the 22. We acknowledge, Lord, that you are the alpha, the omega, the beginning, the end, the first, the last, The author and the finisher. And Lord, We take hold and come into agreement with the motto, The decree, over Arizona, god enriches you, Arizona, God prospers you. We put a demand on what is stored in your DNA. We decree and declare that you are the greenhouse state and you will produce for the glory of God on Earth as it is in Heaven. And father, I thank you that there is a lot of shaking going on in Arizona. And Lord God, where there has been corrupt structures, where there has been corruption even in the voting process, Lord, we decree and declare, those things are being uncovered and Lord we decree and declare that righteousness is ruling out of Arizona and Lord God, we thank you that the covenant roots, the words that have been spoken and established in this state, lord God, we thank you that you are fertilizing those words that the Ekklesia has taken hold of every Rhema, every true, prophetic, redemptive word that has been spoken over Arizona. And those words are coming alive. So we decree and declare that your birthright and your destiny is prospering, Arizona. And Lord, Tonight we come into agreement with the birthright and the destiny of Wisconsin, and we decree forward. We call you, Wisconsin, forward into God's destiny and purpose for you as a state. Many are the plans in a man's heart, but Father, we thank you that even tonight you are reaching into the hearts of people, of men and women. Lord, you are raising up righteousness in this state and we decree

and declare, Wisconsin, you will not be stuck. You will not be stuck in ungodly structures. You will not be stuck in ungodly agreement. But we say, forget those things that are behind and move forward, move forward. Father, even as we decree, even as the word that was given to Moses, Lord God, when they felt the enemy bearing down on them, stretch out your rod and move forward. So, we decree and declare that forward, you will move, Wisconsin. And Father, even now, we thank you. We thank you for Arkansas. The people rule. We decree and declare no dictators under the leadership of God. Father, we thank you for the ATM. We thank you, Lord God, for the ark in Arkansas. We thank you, Lord God, that this state is producing for your glory. We thank you, Lord, that as goes, Arkansas, so goes the nation. We thank you, Lord God, that you are raising up this state with a voice of righteousness. And Lord, we thank you for the authority that you have vested in the DNA of Arkansas. Yeah, God, clay, do you want me to continue or do you want... Do you want to move from here?

Clay Nash: [00:13:15] I was muted, Betty. No, go ahead with some more.

Betty Love: [00:13:20] West Virginia: mountaineers are always free, but only when they surrender themselves to God. Father, we thank you for surrender. A surrendered heart coming out of this state. Father God, we thank you for the ability that you have vested in this state, the ability to climb, the ability, Lord God, to bring them up to the top of the mountain. Lord, you said "on the mountain of the Lord, it will be revealed." And Lord God, we thank you for taking hold of the hearts of the people, those that are in places of authority, Lord, and turning their hearts into righteousness. Lord God, we thank you. may their hearts cry out, "I surrender all. All to Jesus, I surrender." So, father, even now, out of West Virginia, we speak freedom. We speak liberty into those in places of leadership. Lord, we pray that you would raise up people in places of governmental authority. Lord God, that would be surrendered in spirit, soul and body. Lord God, we pray for those that are not going to rule in righteousness. Lord God, that they would be, unseated. Lord, we know that promotion doesn't come from the East or the West, but promotion comes from the Lord. So, Father, we know,. You said, I sought a man." And Lord God, we thank you that you are seeking those that are willing to do your will. Lord,

may you raise up leaders out of West Virginia that have a heart for you. Even as David. Lord, the king's heart is in the hands of the Lord to turn wither so ever he will. And Father, we thank you, Dan's already decreed over California. So Lord, we just come into agreement with the birthright and the destiny of Colorado. Nothing without deity. Nothing without God. Father, we decree and declare into the state: "With God, all things are possible." Lord, we say, let every ungodly altar, Lord God, every ungodly altar, every ungodly agreement. Lord God, where there is a supernatural, moving. There is something in the people in Colorado that is looking for the supernatural and Lord, we pray that they would find it in you. We decree and declare over Colorado: awaken in your birthright. Awaken in your destiny. Those that know their god will be strong and go forth and do great exploits. Lord, There is, this-- colorado is a center, Lord God, of information. Lord God, there is an authority, a military rule, a center, a command center that comes out of Colorado. Let not the airways over Colorado be captured by the ungodly, be captured by the demonic, but Lord, God let the airways, let this state come into her birthright in her destiny. Let her recognize that she will not prosper apart from you. But in you, Lord, Colorado, you can do all things, on Earth as it is in heaven. We decree it, so. Nothing without God in this state. God stamps. God marks, in the name of Jesus.

Clay Nash: [00:16:59] Amen. Thank you, Betty. Strong there. Timothy, if you would start with Washington state and then go back to the beginning of the list to whatever's right below Colorado and then if there's other states in your heart feel free to declare over them.

Timothy Carscadden: [00:17:16] As we start tonight, everybody, just wherever you live, just agree with your state and what God is saying. Before I pray, I want to declare Acts 17 verse 26: He has made from one man every nation of mankind to live on the face of the Earth, having determined their appointed times and the boundaries of their habitation. God put people in these states to make a declaration and to believe and declare what God is saying. So we lift up Washington state. We thank you, Father, by and by, into the future, we call you, Washington, into Kingdom Future, the future of the

Ecclesia. God's future for the state of Washington. We make that declaration. We say Washington, you State of revival, Lord, I call back the great moves of God that were there many years ago when John G. Lake and others, Father, that birthed in that state and we say "it will rise again. It will begin to have a voice.' Father, we ask for the battle that's going on there to silence the Ecclesia be ended and that Father, freedom reign in Washington state. Father, it's named for our first president. We call back the original intent of our nation. We call it back and let Washington be a leader in the nation for this purpose. We thank you, Father, in the name of Jesus. We lift up Connecticut, Lord, it says he who transplanted sustains. God has planted you there and he will sustain you. And we say that, Father, the beginning, the roots of Connecticut, Father, one of the original states. We thank you for it and its original intent. We thank you, Father, for the first pioneers there. And we call you into the roots that you are, where you were hewn from, father, that birthed this nation for the Kingdom of God. And we thank you father for those that are in that state, that the church will arise there with such a loud voice that it Lord, it would not be silenced. We decree that right now. We also lit up Virginia. We thank you for the recent victory in Virginia. That Lord, thus always to tyrants. And we see that Lord, the warrior that is on this state Father. We thank you, Lord, that Virginia will resist and Lord will begin to once again fight for the Constitution and fight for freedom in America. We call back this state that is called the first of the presidents, and we say that Lord, the many who have led there and Lord, their blood that has been spilled on the soils of America, we say, let it rise again. We thank you, father, for the transformation Lord, the first fruit of the past election that came out of Virginia. We say, do it again, Lord, in the name of Jesus. Let that first fruit produce a harvest for the entire nation. Lord, we lift up Delaware. God's liberty and independence be upon you, Lord, the state, Lord, where our president is from right now, we say that, Father, let them rise up and have their own voice. Lord, let them declare, Lord, who they are and what they're called to do, the independence or the liberty and the freedom that they're called to speak into this nation. We call also to its original roots. Lord, that are there as well, that they would rise up in this land. And we say--the last one I'll do here is Vermont. We thank you for Vermont, the freedom and unity through the Lord Jesus Christ. We say to Vermont, "rise up." I pray for a true voice, father, to come out of Vermont, and I

remember I was traveling there last, I think was two years ago. And you could just feel the hunger in the state to walk in freedom and not be bound. And so father, I ask that the captives be set free in Vermont and that they would speak a word of freedom into this nation, Now, Lord, and the unity that they have with you, I pray for the silent church to become the vocal church there in the name of Jesus, Amen and Amen.

Clay Nash: [00:21:29] Amen. Thank you, Timothy, for that. Becca Greenwood, good to have you on with us tonight. If you'll start with some of the states, but just follow the spirit, follow your heart.

Rebecca Greenwood: [00:21:40] Absolutely. It's awesome to be on with you guys again, Clay and I'm going to start with Florida and just go as the Lord is--Holy Spirit is leading. And so Lord, right now we thank you for the state of Florida. And Lord, we decree an agreement in God, you do indeed trust. And Lord, we thank you that as we are praying and as we are speaking and decreeing and declaring in agreement with Florida and the motto over Florida that as they are trusting in God, that it will set a standard that will sweep across the nation that will cause a trust in you, God, in our heavenly father to be awakened across this nation. Lord, we thank you for the righteousness. We thank you for the lead that Florida has taken in this time and in this season, and that Florida is a key. And we thank you, Lord, that as we are on these twenty two Stepping Stones Lord, that Florida is a key state of trusting in you again in this nation and we speak that trust will sweep from the north, the south, the east and the West. Let it go from the East Coast to the West Coast. Let the trust that Florida has go across the East Coast into the west coast of California and Lord, I know that California has been mentioned, but even with California, we say you will trust in the Lord again and that you will feel the sweeping move of trust that will come from the East Coast across to the West Coast, from Florida into California, and that California, your joy will be restored, that your joy in God, your trust in our heavenly father, that you will be joyful again and that the resources of California within the land where there was that cry of Eureka, Lord, we say not only will there will be the resources in the land of California, but we say let there be a harvest of awakening that will sweep across California and it

will be a eureka of revival, awakening, harvest and transformation. And so we pray for Georgia right now. Georgia, you are a state of wisdom, of justice, of moderation. May your behavior be just and wise as you are led by God and Lord, I thank you for Georgia, that what is happening in that state governmentally within the church, within the Ekklesia, and within the government will have a sweeping effect across the nation. We call forth that wisdom. We call forth justice. We call Fort Worth justice where there was corruption. We call forth justice where there was unrighteous doings. We call forth justice and wisdom right now for Georgia, and we say your behavior will be just and wise and that you are led by God. Lord right now for Hawaii, let the life of the land be perpetuated with righteousness which only comes from you. And even as I'm releasing that state motto and that declaration over Hawaii, I hear the sound of the Land of Hawaii. And Lord, we thank you that the sound of freedom in Hawaii, that unique warriors sound in Hawaii will rise up and that it will awaken the Ekklesia, and that Hawaii will become known as a state Sold out for you, Lord. We call forth in that land the glory that is in the land of a Hawaii to come forth now in Jesus name. Right now we speak to Idaho. Let it be perpetual, never ending freedom that comes from God and his kingdom. Lord, I thank you, the never ending freedom, sound and declaration will rise up out of the heart of Ohio and that it will awaken in Ohio and it will awaken across this nation. Let freedom ring. Let freedom ring. Let freedom ring rise up from the land and the state of Idaho, now in Jesus name. Ok I'm going to do Illinois, Clay. I'm going to keep going for just a couple more. And for Illinois, it's a state sovereignty over a national union through the working of God's spirit in Illinois. We call forth a move of unity. We call forth a move of God in the state of Illinois, that there will be a union, but not a union that will cause division, but a unity of Ekklesia that will rise up and where there has been mafia, where there has been mob, where there has been a history of corruption that has come out of Illinois, we speak now, in agreement with your motto and with the declaration over your state that there will be National Union that will come connected with the heart of God and it will be unity, unity in Chicago. And I'm reminded of the move of Chicago in 1905 that, Lord, you had me study two months ago and all of the churches in Chicago came together in unison and in unity to pray for awakening and revival and harvest. And so, Lord, we say that unity that was so prevalent in 1905 in Chicago, let it

awaken again to the heart of the Father and sweep across Illinois in Jesus name.
Amen.

Clay Nash: [00:28:06] Amen. Thank you, Becca, for that. Ann Tate, what's in your heart... Are you with us, Anne?

Anne Tate: [00:28:20] Umm, Clay, I--Yes, this is Anne, and I'm going to start with Utah.

Clay Nash: [00:28:27] OK.

Anne Tate: [00:28:29] Now Lord, I lift up Utah right now, and Lord, I ask you for their destiny. I thank you, Lord, that you are bringing industry to the Beehive State. I thank you, Lord, that there is a new sound coming from Utah and that we're going to hear a clear call, a clear sound that unites those that have been confused. That brings together and dispels all parts that have not come together in the past, Lord, and remove deception and misdirection. And Lord, I thank you there will come forth a clear and pure body of Christ from Utah. Lord, I thank you for the breaker anointing to go into that state and break forth with life at every corner and every place they go. Lord, we say that kingdom industry explode in the state of Utah and Lord, I thank you that as they begin to move together in a new sound and a new wind, Lord, I thank you that the wind of the spirit begins to overtake them. We bless them, Lord, in the name of Jesus and call them forth. Now, Lord, I lift up Texas to you and Lord we say that Texas is the friendship, a true friendship state and their friendship that only comes when you become your brother's keeper. True friendship that comes because you are willing to lay down your life. Now, Lord, I thank you that Texas becomes the friend of the United States of America. And look for higher ways and begins to move in some higher ways to call forth the Ekklesia, to call forth the body of Christ, to give them vision and to bring them forward. And Lord, when Chuck saw Texas, he saw glory circling the state and that it was beginning to move and elevate. So Lord, we call forth that elevation right now in the name of Jesus. And Lord, we say that they will be humble in this new season, they will be marked by the humility you place on them. Lord, I lift up Tennessee right now. And I

say Lord, That is agriculture and commerce are the two places they're walking in their prosperity. And we say that the land provides as it is blessed by God. Now, Lord, I ask you for an increase of blessing in Tennessee. And Lord, I ask you for a new wind to blow through there and cause the portions and the parts to come together and assemble in a new configuration and bring forth what you call them to carry. And Lord, I thank you that they begin to release old wounds and old things that need to be released and so that they can take on the new wind, that they can stretch their wings out and move forward and bring forth everything that is in your heart. Lord, I thank you that you preserve their destiny and their portion for this season. And I call it forth and I say "Life, overtake them. Blessing, overtake them in Tennessee in the name of Jesus." Lord, I thank you that they begin to find their feet in the spirit and move with new vigor like they've never moved before. I lift up South Dakota now. Now, Lord, I thank you for South Dakota. And we say under God, the people rule and they have no king, but Jesus. And Lord, we say that you're unraveling everything that has been tangled there. Every form of witchcraft, every form of manipulation and control. I thank you, Lord, that the apostolic begins to come together at warp speed. I thank you, Lord, that the righteous overtake the unrighteous and I say Lord that they'll no more be divided over those things. But a sense of purity and a new dedication to the spirit of the Lord will begin to overtake them. We speak to the Sun authors and we say, "Come down" in the name of Jesus. Lord, we break the power of the occult forces that have been whirling about there in the name of Jesus, and we call forth the true destiny of the Native Americans there, the Lakota, the Dakota and the Nakota and Lord, We say that no more will their apostolic be divided, but they'll begin to come together as they will hear God, a new and a fresh and move forward by the spirit of God. Lord, I say that no weapon formed against them shall prosper, and every tongue that rises against him in judgment shall be shown to be in the wrong. Now, Lord I speak nto South Carolina right now and this is the last one, Clay. while while I breathe, I hope. But that hope is only in the Lord. Now, Lord, I speak to the people of South Carolina and I say awake and arise and come together, come together as the body of Christ and and release the giftings that you have. Freely you have received, freely give. And I say the state of South Carolina will be known for a new wind that comes forth out of them. A new prophetic wind that begins to

move and catch the wind and move across the 13 colonies. Lord, I thank you that you are raising up every part of the Five-fold, and the Ekklesia is beginning to take hold and take charge and stand up in the authority that you've given them. Lord, I bless the people of South Carolina and call them forward, in the name of Jesus.

Clay Nash: [00:34:47] Amen, thank you for covering those states and those declarations. David, you're with us, I think we're at the top of the list on Indiana, will you start there and do what's in your heart? I want everybody to know if there's something in your heart over one of these states, even if we have to come back to you, we want you to make that declaration tonight. So, David, what's in your heart?

David Hertel: [00:35:12] Yes, Lord, we thank you for Indiana. we thank you, it's declared to be the crossroads of America to go where your heart tells you to go as you're totally surrendered to God. So we thank you, Lord, that you are the one who leads Indiana in the path of its future. You're the one that leads Indiana Lord through its governing officials. We thank you that you're bringing in leaders in Indiana that want to take it in the way of the will of God. And we thank you, Lord God, that Indiana will be a place that comes into the Kingdom of God and becomes a lighthouse for the Kingdom of God, so that those who come to Indiana will experience an atmosphere that they'll find it easy to go to heaven by putting their faith in Jesus Christ in Indiana. When they cross the borders into Indiana they're going to have a hunger where they didn't have a hunger before in the pit of their stomach for the things of God. And so Lord, we thank you. And I'll go to Oklahoma, where I sweat and worked as a young man in Oklahoma. And I thank you, Lord, it says hard work conquers all things and we work to win and prosper as yielded to God in our in total obedience to God. I thank you for Oklahoma Lord. I thank you that the Hokies from Muskogee are examples of righteousness and good, hard working people there Lord. And we thank you, Lord God, that they once went on a journey to find work and had to leave. But now, Lord God, you've established them there. And the winds that blow now across Oklahoma are the winds of the Holy Spirit, and they bring in the things of God, they blow in the things of heaven. And we thank you, Lord God, Oklahoma is one that stands for you, and Oklahoma is one that

will not back down or bow the knee to the fake and the false, but it will stand for faith in Jesus Christ. We thank you for Oklahoma Lord, and we thank you that it is claimed for the Kingdom of God. The devil can't have it. He can't dissuade it, he can't discourage it. But it is an example of perseverance going forward into what God has for it without backing down or turning around. And I thank you, Lord God, for umm--I'm going to go to Kansas. Kansas is where I grew up as a boy and I thank you, Lord. Says: To the Stars through difficulties. No matter how difficult, we're reaching out to another level through God. So your nicknames were bleeding Kansas and Free State and the Sunflower State, and so, Mt. Sunflowers, the highest point in you, Kansas. But you will be known as the S-O-N; son of God flowering state and in that you will have your wa,. Oh, God. And in the state of Kansas, the people will say, like Nathaniel, can anything good come out of Kansas? And like Philip replied to him, others will say, come and see, come and see what God is doing in Kansas. You can see for a long ways in Kansas. And so there you will see for a long time what God is doing. You'll see a long ways of the things of God. And most assuredly, you will see the big skies of Kansas as if they were open and the angels of God being experienced there with angelic assistance being there to advance the Kingdom of God and Kansas will fulfill its destiny as being one of the great states that were called the breadbasket of the world. But it will serve the bread of life for those that hunger for the things of God. And so we claim you Kansas for the Kingdom of God, nothing less, nothing else, nothing more. But your purpose and plan of being fulfilled in the Kingdom of God. And also, I go back and I'll catch now, Iowa. And I thank you God, that you've chosen Iowa to represent our liberties that we prize and our rights and we will maintain, but only as we surrender and are led of God. So Lord, I thank you God, that those led of you led by the spirit of God are called Sons of God. And in Iowa that you are raising up the mature sons of God, and they will bring forth the purposes and plans of God for Iowa, and they will establish your kingdom there, Lord God, led of you. And so, Iowa, You have been trapped in, so to speak, trapped by the words of these declarations to fulfill the will of God. Your back is against the wall of fulfilling the things of the kingdom. You can't go to your right. You can't go to your left, but you will have to walk the path and the trail that brings you through into your purposes of fulfilling the Kingdom of God and those that dwell in you will know God in a special way, a real

way, a dynamic way where he is the living God. That they are encountering and those that come to Iowa will encounter a living God, and we'll give you the glory Lord for what we see happen in the state of Iowa in Jesus name, we pray these things, Amen.

Clay Nash: [00:40:26] Amen. Thank you, David, for that. Regina, what's in your heart?

Regina Shank: [00:40:31] Yes, sir. Thank you so much. I'm going to Kentucky Lord. I thank you that Kentucky will always be grateful to the King of Kings and Lord of Lords, that Kentucky will have unity, but it will be unity under God. They will stand together for the purposes of God and for the purpose of their state. Lord, I thank you, father, that there is no wrong thinking in Kentucky. Lord, that you will remove those that are thinking like... That's against your mind, Lord, that they will have the mind of Christ. They will hold the thoughts and intents and purposes of your heart. Kentucky, we speak to you today: Rise up and take your place. Take your place before the throne of God. Take your place on your knees crying out to God for this nation. Kentucky, come forth out of liberalism, come forth out of religion and stand in your place before the throne of God. Lord, we cry out right now for Rhode Island. Father, we ask that Rhode Island would come into the way of God. Lord, it says here that they will follow the living God who is made away. And Lord, I know that you may go away where there is no way because you've done it for me and you've done it for other states. And we say that Rhode Island will have no abortion clinics, that Rhode Island will come forth with revival, that Rhode Island will rise up and come into unity in that state for the purposes of God. And Lord, I have to pray for Missouri. I live here, God, and I thank you, father, that The people are surrendering their rights to God and to his will and to his way. That Missouri, you are to show me your glory state and you will walk in the glory of God. You will come out of religious jargon and religious laws and purposes, and Missouri, you will come forth into all that the Lord has for you. Missouri will bow the knee to the King of Kings and the Lord of Lords. I pray for the leaders of Missouri, the governor and all those who are in places in Congress that they will bowed their knee to you, Lord God. Father, that they will not have an agenda that is contrary to your agenda. And Lord, we lift Missouri up to you in the heartland of America. May Missouri have your heart God and stand before

you with grace and mercy for their fellow man. And I have another one on my heart and that is Utah. Lord. I come before you for Utah and I say in the name of Jesus, those false altars to a spirit of divination are falling. They are coming down and there will be no false altar to a religious divination place and father that you will cause them to fall on their knee and say, I was wrong, I was wrong. And no longer will Baal be lifted up in that state, Lord. And that they will come and they will come to know the true Jesus, the Jesus who died on the cross for them, the Jesus who gave his all for them, and they will not work to perform any more. But they will come before you and say, I need the Lord. So we pray for Utah again, Lord, that you would cause your spirit to move among them. Lord, they would have visions and dreams and come into the true understanding of who you are, Lord God, in the name of Jesus Christ. Amen.

Clay Nash: [00:44:17] Amen. Thank you. Regina Tom, what have you got in your heart? Are you with us, Tom?

Tom Schlueter: [00:44:33] Can you hear me OK?

Clay Nash: [00:44:35] Yeah, yeah. Gotcha.

Tom Schlueter: [00:44:36] I'm gonna try my best. My phone is acting up, and so I'm going to just try to get a couple out here. First off, I just really had in my heart, Louisiana tonight, as you all been praying. Union, Justice and confidence, be upon you as a state because God has his hand on you. I know that you're the governmental state. I just decree that you will shift governments. You will shift governments. I kept on seeing in my spirit that even as you are shaped as a boot, you will be the one that will boot out unrighteousness. You will boot out those things that are stealing justice away from our land. You will be the one that will be a first fruit offering of government to the government of this nation. So I say Louisiana, Watch carefully what the Lord is doing because the government is on his shoulders and he will shift you into a place to where you will boot out those that are against the very kingdom mandates that are meant for this nation. And Minnesot, you are indeed, you are indeed a star of the North. You are a

guiding light and that guiding light is your Lord God almighty. There is strong heritage there. Even though I didn't grow up in Minnesota, that's where most of my family lives. They are strong believing Christians. They are the ones that are the very heartbeat of that state. The nation-- I mean, many of those in the state have been robbing away its destiny. And we are saying no more thievery, no more thievery. The star of the Lord is going to shine brightly upon you, Minnesota, and you will shift out of where you have been planted. You will kick out those that have been treacherous to your very purposes and to your very destiny, but you will kick them with the grace and mercy of God. You will show them what it truly is to be a loving people, and you will cause many, many, especially, I'm seeing, a many among the Islam faith that will come to the Lord Jesus Christ because a tremendous love that is in the people of Minnesota. So we bless you and praise you. Montana. I know that the speed limit there is nonexistent. It simply is nonexistent. So Lord, would you send Montana ahead? Would you cause them to run ahead of everyone else? They will have milk and honey. They will have gold and silver. You will be a trendsetter, Montana. You will be one that will cause a very nation to look up to the northwest and say, "What is the Lord doing in Montana?" Because what he is doing there will spread down to the south and to the east, even down to the coast. So we bless you, Montana. We are thankful for what you are doing in this hour. And the Lord is looking upon you with favor and grace. And he loves you, Montana. In Jesus name. Amen. I had a couple more but my phone is already. It's leaving.

Clay Nash: [00:47:46] Okay. I appreciate it. Appreciate it, Tom. Amen. Thank you so much. Hope, I know you're on here with this, I'm going to call on you next and while you're doing it you--you and I communicated today, you wrote a great declaration over D.C. I want you to give that as well, but pick up a few of these states and help us move forward and finish them all tonight.

Hope Taylor: [00:48:11] Okay, I'd like to start with D.C.. So the motto for D.C. historically is justice for all. So tonight we, the Ekklesia and the United States of America decree over and into Washington, D.C. Amos 5:24; Justice is and will increasingly roll down like waters; righteousness like an ever flowing stream. We say

tonight Almighty God over Washington, D.C. and all the states that 2022 is the year where justice thrives and corruption dies. We say the root system of corruption in D.C. is severed in the authority of King Jesus. We decree tonight that righteousness is paramount and unrighteousness is paralyzed out of Washington, D.C. We say it's like a stroke that hits a system of unrighteousness that has tried to and has operated out of D.C. We decree tonight, the Ekklesia, in the Name of Jesus, that the states tonight serve notice to the powers of darkness embedded in D.C. in the authority of Jesus name. Those who have been pawns for political persuasion with an anti-Christ ideology tonight in the name of Jesus Christ and the authority of his name We say you are minimized, you are marginalized, and in some cases you are displaced in Jesus name we pray tonight. God, we say, may every day from now, These forty-four steps, from now until 11/8, may it be maximized. May be full for righteousness and for justice. Lord, I have to go back to Georgia for just a moment. A resident of Georgia. Father I'll refrain from calling names on this call tonight, but I'll say, Lord, we close the door. The Ekklesia closes the door, the leftist representatives, pawns, who have been anointed by some to be put into office. We say tonight in the authority of Jesus name that door is closed. That door is closed in Jesus name.

Clay Nash: [00:50:45] Yes.

Hope Taylor [00:50:45] God. We say tonight that there is no access point. There is no access point for those pawns to be placed in Christ name. We say only those of righteousness will be positioned now from the state of Georgia. God, I pray tonight out of Maine and over Maine, say we are Maine-- we are leaders. The motto: We are leaders. We will not follow a socialist mindset, but we will put our trust totally in God. Father, tonight, as the Ekklesia gathered around this great nation, we put our hands and our eyes on the state of Maine and we say, God, let there be a resounding voice coming out of Maine tonight that rejects socialism, that rejects a mindset, a demonic strategy to influence and ultimately to bind and to destroy through socialism, in the authority of Jesus name we decree tonight, we will put our trust totally in God. Watch the scales get tipped for trusting in God and deliverance from socialism. And I also pray tonight over a

state dear to my heart of Maryland, which says, strong deeds, gentle words, spirit led, presence lead will cause these things to stand. God, tonight we put our hands on the great state of Maryland and we say tonight in the name and in the authority of Jesus Christ, may, Lord, that state that in some ways, Lord God, is a rallying point for voices and movement in and out of D.C. God, tonight, we say may the presence of King Jesus be so strong, Lord, may it be so weighty over the state of Maryland in the next forty-four Tuesdays that God, that some will fall on their knees and say, "my God, my God is in this place." And Lord, we say tonight that Maryland, Maine, Georgia and all the other states, they cannot go the way of the left. They cannot go the way, O' God, of Lord, the propaganda, Father, birthed out of the pits of hell. So in Jesus name, tonight, we just decree our king rules and our king reigns. And we say tonight, that the chairs begin to turn and will culminate in November on the 8th day, in the authority of Jesus name for righteousness and for justice.

Clay Nash: [00:53:17] Amen.. Thank you, Hope, for that. And I just declare over the state of Mississippi that by valor and arms, led by God's spirit, you are that rudder that has been prophesied able to turn the nation. I declare that there is prayer rising up in the state of Mississippi, that's going to shake this nation. I declare that there is righteousness. There are righteous voices. I declare that the intercessors there are pressing into a place with God that they are not only being heard, but the demons are fleeing from the declarations they're making. I declare over Mississippi a release of financial growth there. I declare that there is prosperity coming to a whole nother level there in the state of Mississippi. I declare that you are releasing not only over Mississippi, but you are released from Mississippi across this nation. I declare these things now. I declare over Massachusetts. I declare that by the sword, you seek peace. But peace only under liberty will come from God. I declare a total surrender there in that state to God's will and God's way. I declare that you will become a state known for the followers of Jesus turning away from darkness, turning away from unrighteousness and wickedness. But turning to God. I declare that there will be a sound come out of you that will cause the nation to be even further awakened in this hour. I declare that now and release it in Yeshu's name. Pat, what's in your heart?

Pat McManus: [00:55:13] I'ma start with Nebraska. Father, we declare equality before the law under total surrender to our God. Father, we declare that Nebraska comes into a clear understanding of what it means to walk as a surrendered life and a surrendered order into the purposes and the plans of God. We declare that the Kingdom of God will be established in Nebraska from north, south east and the West, and that they will fulfill the purpose of what they were created for. Father, we declare into Nevada that that they will walk fully in and have understanding of as God would lead them to truly stand on the promises and the principles of His word. Father, we declare that they would walk fully in and have understanding of the promise that's declared over in Nevada and that that would come into its right aligned order and right aligned identity. Father, we declare to New Hampshire that they would live and not die and surrender to the plan of Almighty God, that the spirit of God would hover over and realign that which needs to be reordered and reestablished, according to the promises of what you have declared. So, Father, we thank you that the surrendering that is truly taking place to the will and the way and the word of the Lord throughout New Hampshire that they would see the fulfillment of that which you want to see done as the promises are activated within the land. Father, we declare to New Jersey: Liberty and prosperity, be from your God. We declare that liberty will rule and reign according to the promise of what you have declared. We declare that prosperity would come in from the north and south, east and the west and that Father, we would see the fulfillment of your plan upon the land and coming into right aligned order to see the fulfillment of your word upon them, upon New Jersey. And Father, as I was stationed in the Air Force in New Mexico, I declare that it would grow and be that which you have called it to be and it would function and be led by the spirit of God in every aspect of life. We ask that you would help the reservations and those upon the reservation begin to have divine encounters with the fulfillment of your word. We ask Father for the structures of New Mexico to come into right aligned order, and it would walk into a new way of the heart of the spirit of the Lord upon the land, and that those reservations that are in New Mexico would come into the right place of purpose. A right course of understanding. That it would break off the old patterns, concepts and strategies of yesterday, and they would be able to fulfill and see

the purpose of what New Mexico was created for, and that would walk in the promises of what you want to see established within the land. We thank you, Father, in Jesus name. Amen. Amen.

Clay Nash: [00:58:08] All right. Thank you, Pat, for that. Regina, I know you have something still on your heart. What's there?

Regina Shank: [00:58:16] Yes, New York is on my heart. Lord, I just go back to the New York prayer meeting, and I ask God that that well would open again, that New York would get on their knees, God, and they would cry out to you in intercession for their state, but also for America. Lord, we pray that you would activate the Christians there, that you would activate them more than just being church goers, but they would be those who would know you and make you known. God, we cry out for the state of New York, and we ask, father, that there would be a quickening in the hearts of the saints there, and they would rise up and say, "I must pray, I must pray." Father, let that well be opened and let it not only sweep from New York, New York, but let it sweep forward into the entire state and Lord, the place that has been so liberal, God, we say that they are going to come forth to know you. They're going to be liberal in giving. They're going to be liberal in knowing you. They're going to be liberal in sharing the gospel of Jesus Christ with those around them. God, we cry out for New York tonight and we say, Father, your eye is upon them and you are activating them in the name of Jesus Christ. And Lord, I pray for North Carolina. Lord, I thank you, father, that North Carolina is coming forth into their identity and it will be found in Jesus Christ that they will have the mind of Christ, that they will have the fruits of the spirit, that they will have the gifts of the spirit. That there will be an outpouring of revival in North Carolina. It will not be three meetings at the end of the week, but it will be those that are rising up and worshiping and praying and miracles and signs and wonders will come forth from North Carolina. Activate those churches in a new way, Father, may your spirit flow through them and may Jesus have his church back in North Carolina, for North Dakota, God, I pray for them right now, Lord, that they would be one with you, God, that they would come with you. Come to you. And there would be great things that happen because they have

fallen on their knees and they have taken down their false altars in North Dakota. Father, I thank you God that there will be revival among the Native Americans, that there will be a revival, among other nationalities that live in North Dakota and walls will come down between the different nationalities and there will be time to come together and psalms 1:33 will come forth. There is great power and blessing in unity, and we declare that over North Dakota in Jesus name. Amen.

David Hertel: [01:01:07] Yes, Lord. Thank you, Lord.

Clay Nash: [01:01:11] David? Go ahead.

David Hertel: [01:01:11] Yes, Lord, we thank you for Massachusetts Lord, and I thank you that by the sword, we seek peace, but peace only under liberty, which comes from God. We thank you, Lord Jesus, you said I've come not to bring peace, but a sword, and that you're dividing the wheat from the chaff and you're dividing the false from the truth. And I thank you, Lord, that the sword you swing cuts away the flesh and cuts away, divides the soul and spirit and the joints and the marrow is a discerner of the thoughts and intents of the heart. We thank you [that] you swing the sword of the word of truth in Massachusetts and Massachusetts will experience which you said that you are faithful and true. And behold, you'll make all things new and I thank you, you'll make all things new in Massachusetts and Massachusetts will know you in a new way, and they will become the state that manifests you in a new and fresh way. And I thank you, Lord, that the dead and the old that has deceived and deformed is being cut away now in Jesus name. We claim Massachusetts to fulfill its destiny in the Kingdom of God, and all things in Massachusetts will be influenced and permeated by the spirit of God so that they are reformed and become new, according to the word of God in Jesus name. Massachusetts, march to a different drum. March to the Voice of the Lord, Jesus Christ. Massachusetts, Come into your fullness of destiny, in Jesus name. Amen.

Clay Nash: [01:03:01] Amen. Thank you, David. Anne, what do you have? Anne Tate, you with us...? Okay, I don't know where Anne went--

Anne Tate: [01:03:17] Sorry, I was muted. I'm here.

Clay Nash: [01:03:21] OK, go ahead.

Anne Tate: [01:03:22] OK, Michigan. Lord, I lift up Michigan to you and Lord, there's been much work done there by many people and much unity produced. And Lord, I thank you that no one will take away the unity that the Lord has brought to the Ekklesia there working on all the parts of Michigan that needed to be worked with and be stolen by a leftist agenda. We block that now in the name of Jesus, and we decree that no one can overtake the fruit that God is forming or the the place that he's called Michigan to stand. And we say that this is a new season for Michigan, and they're catching their breath and they are going to move forward. I thank you, Lord, that no weapon formed against them shall prosper and that they are beginning to rise up with a new spirit and that by the spring we will see new things forming in Michigan and going forward. Lord, I know that it's a pleasant peninsula and pleasantness surrounds us. And so God, surround Michigan with loving kindness for there is beauty there in this nation. And Lord, we ask you to protect and preserve that beauty and bring forth the strength to bear. Lord, we ask you for the strength to bring to birth in Michigan, in spite of disappointment, in spite of things that have kept them from moving forward. We break the power of it now in the name of Jesus. Ohio, I speak to you and we say Lord, that with God, all things are possible. And that is true. And Lord, we said that the Buckeye State will stand up and do everything you've called them to do, that they are a swing state and they are swinging toward the spirit of God even now as we speak. And we say, Lord, that the Saints, the Ekklesia that have come together there to bring forth your fruit and a bountiful harvest. We say that nothing, nothing, nothing will stop them in the pursuit of the glory of God in the name of Jesus, and the presence of God will stand up in Ohio in the name of Jesus. Amen.

Clay Nash: [01:05:46] Amen. Appreciate that very much. Dan, what's in your heart?

Dan Blacksher: [01:05:54] Just want to pray again over, if we haven't already, over West Virginia. Father, we thank you for the Mountaineers, they're always free when surrendered to God. We thank you, Lord, even for the stance that their senator recently took, Lord God, to stand up against a socialist agenda that was trying to be implemented. And father, we declare, Lord, they will continue to stand for freedom. That could only come through surrendering to you and acknowledging the God given purpose for which this nation was birthed. And so father, we also lift up again to you, Wisconsin. And Lord, we just declare Lord God Wisconsiners are poured into God's destiny and purpose. And we thank you, father. that Wisconsin, Lord God, will deal righteously in their elections, and they will not, Lord God, allow a repeat of what's happened in the past. But father, they will stand up for righteousness and stand up for freedom in this season. We thank you, Father, these states will acknowledge honor and embrace, Lord God, your purpose and destiny for this nation as a nation of liberty and as a nation of freedom, as a nation of justice and as a nation of upholding laws in Jesus name. Amen.

Clay Nash: [01:07:17] Amen, Dan. Trying to go over these states. Timothy, come in here with Pennsylvania and I think we possibly like Oregon as well. So if you do those two, I think we've covered them.

Timothy Carscadden: [01:07:32] Okay, thank you, Pennsylvania, I really feel it's a key state right now. We had a dream prior to the election that Pennsylvania would restore the Constitution. So, I just want to prophesy that again, that Father Lord the attack on the foundations of this nation, we pray that Pennsylvania would rise up right now, Lord, the place where the Constitution was pinned, Father, we say, go back to your roots, Pennsylvania, and we declare that the Ecclesia will push in and push the walls down and begin to recapture what is once that place of freedom. We say freedom ring from Pennsylvania, now. We ask for that move of God there and for Oregon, Father, for that state, Father, where great revivals had burnt out of as well. We thank you Father, for the moves of old that were once there. That Lord, the heart of the Father was in Oregon and we say Oregon, rise up. You are a frontier state, you are a state that is a pioneering

state. Lord, we say, Lord, that Oregon would pioneer again the moves of God, but also a voice of God would come out of that state for healing and restoration for this nation. We pray for those two states right now. In the name of Yeshua.

Clay Nash: [01:08:59] Amen. By the way that I felt to do it, I know it created a little bit of confusion, but I think we've covered all the states. So Father, we just declare that we've taken the first step and then the dream Lord, You kept telling me to focus. Father, we ask for next week's, Tuesday night, 9:00 pm call, for you to give us in the next seven days the focus that we need for that call. Father, we thank you for every person that joined the call tonight. We thank you, Father, that they are only here because they have a heart for their state, but they have a heart for the nation. And Father, we declare out of these declarations tonight that the Republic is rising up in every individual state. We declare that out of that republic being restored, this nation is making its turn and is being saved. So father, we just declare over every person on this call a new passion that's going to fuel them in their prayers and their declarations and even in their decrees. Father, give the hosts and give the participants on this call, even those that will be added in the future, give them ears to hear what heaven is saying so we can make those declarations and decrees and see righteousness prevail. Now Father, we just release over everyone that's battling any kind of sickness anywhere we release healing. Father, even as we prayed today on the call for those that are being unjustly dealt with because of what took place at the Capitol January a year ago, we declare a breaking there. We declare that justice and righteousness is going to break in and cause righteous dealings to come to them and justice to prevail. Now, father, we bless these hosts. We declare that they are the voice of God on this call, but we declare that the participants are the power of agreement to see heaven's will done in the Earth in this nation. So father, we bless everyone tonight. We release them for a great night's sleep with Godly dreams and Godly understanding. And we do this in Yeshua's name, Amen.

Just say to everyone, If you're on here tonight and you're not on our email list, please go to my website claynash.org And sign up there. I said this today and we've had people sign up today. We want to communicate through that email weekly. We're not going to

overload your email box. We're going to send this out to you so that we can communicate. We're working on another way. We have a lot of people that have contacted me that don't do email, even have a lady that challenged in her sight and I prayed This afternoon and the Lord has given me some instruction how we're going to have another number to where you can call and get updates about the call, and we're working on that. We'll be releasing that this week. I just thank the Lord for the passion that I heard coming through the hosts tonight. for the authority that was in the words that were declared and decreed. And we're going to be adding Hope's declaration over DC to the declarations over the 50 states that we've already put out there. And we're going to press into that. But I bless you tonight. Rest well. We will be on here tomorrow at 2:22 eastern time. It's a great time. God is doing some tremendous things. I'm looking forward to next Tuesday night as well as we take another step in the forty-four steps we will take towards seeing victory in this nation. God bless you. God Bless you.
