

Psalm 27 Over America

Presented by Dr. Dwain Miller, 5/6/21, 2:22 Prayer Call

For America, the Lord is our light in America. The Lord is our salvation. We have no one to fear. For the Lord is the defense of our life and our freedom. We have no one to dread.

When the evildoers came to devour this nation. When the adversaries and the enemies came, they stumbled and fell.

If an army encamps against her, she will not fear: if war rises against her, in spite of this, America is confident. The Ekklesia is confident.

For the one thing the Ekklesia has asked from the Lord, that we shall seek and we shall dwell in the house of the Lord all the days of our life. That America will behold the beauty of the Lord.

And America will be called to meditate in His temple. From the day of trouble, He will conceal us in His tabernacle, he will hide this nation and this Ekklesia in the secret place of His tent. He will cause America once again to stand upon a Rock.

Our head will be lifted above our enemies and all the enemies around. But we will offer our sacrifice and our praise and our shouts of joy. We will sing, yes, once again, America will sing the songs of the salvation of the Lord.

We will hear the Lord when He speaks and the Lord will hear us when we cry. The Lord will be gracious to the United States of America and His Ekklesia. The Lord will answer us.

The Lord says, seek my face; and we responded, Lord, I will seek your face.

Do not hide Your face from us, do not turn Your servant away in anger, for You have always been our help. You've been our Source, our Strength, our Origin. Do not abandon us, Lord. Do not forsake us. You're the God of our salvation.

For our forefathers and our foremothers at times have forsaken the purpose and cause of the Lord, but God will take us up.

God will teach us His way and lead us in a straight path because our enemies come to devour.

But Lord, please do not turn the United States of America or Your Ekklesia over to our enemies. For false witnesses, lies, false testimonies and rumors have risen against Your Ekklesia and against this nation. This is a violent witness.

But we believe in this day the Ekklesia and America will see the goodness of the Lord in the land of the living.

And so, Lord, in this hour of uncertainty, we will wait on You. We will be strong and we will take courage. Oh, Lord, we wait on You to manifest the victory and Your glory.

And Father, I decree into this scripture. I prophesy into the scripture, America will be saved and Lord, we'll be saved as an Ekklesia, as Paul wrote, as "Supre Conquerers" –the only time that term is used in the entire Bible. It means we overwhelmingly, over extremely have victory.

Lord, we don't come down to the end and kick a field goal in the last second to win this battle. We're so far ahead of Satan right now and we're so far ahead of his schemes and his plots that we will overwhelmingly have the victory over him in this nation and in Your Ekklesia. God, he is so far behind and that's why he's raging and he's scheming and he's plotting and planning. He knows that almighty God has pulled the teeth out of the lion's mouth. He is totally incapable of biting and devouring, only accusing, intimidating and incriminating. And God, we cast down every treacherous, slanderous, violent attack against your Remnant, Your Ekklesia and against this nation. We say that he and his people, his schemes will be exposed in the fake news media, in false religious structures, Lord, in demonic structures such as the Masonic that have been raised up to steal the legacy. Lord, that spirit of Ishmael, of illegitimacy that has crept into Your church be cast down now in the name of Jesus. Be cast down now in our government.

We thank you, O, God, that you are exposing everything that must be exposed in this hour so that the glory of the Lord Jesus Christ shall rise.

And Lord, when America is saved. Hallelujah. When America is saved, every knee will bow and every tongue will confess that Yeshua Hamashia, Yeshua Jesus Christ did it and He did it well and He did it to the glory of the Father. We decree this in Jesus' name, Amen.
