

Triumphant Prayer Call for Righteousness

Tuesday Night Call

Date: 2021-07-13

Clay Nash [00:00:16] Well, good evening. It's 9:00 Eastern Time, and we're on our Tuesday night call. I've been missing everyone and been missing the calls every day, I get to listen to them, have listened to them some, but have not been able to participate very much. We're in the process of moving from northern Mississippi, Memphis to north Arkansas. And it's about a five and a half hour, six hour sometimes move. So it's really consumed us. We're very, very close. supposed to close on Thursday on the sale of our house and we're real close to having everything loaded up. But we're blessed and we appreciate... Heard from many of you praying for us. And we thank you so much. Tonight, we're just going to be praying, declaring, decreeing. We're listening for the prophetic. We want to declare over them. And my good friend Greg Hood's on with this. Greg and I was together Sunday in a service and he released a lot of prophetic there at the end. And Greg, I'm gone call on you first. I'm going to open us in prayer, but I'm going to ask you to go first to just release the prophetic unctons that are in your heart. Thank you for being on. It's going to be a great call tonight. We're going to press in and listen and then release what we hear the spirit saying. Father, I thank you for tonight's call. I thank you that things are turning and yes, they are churning. I thank you, Father, that we are very aware that we must do warfare from your promises and not just for your promises. Father, I thank you for that inspiration that came through that prophetic word and the breaking open of that over the last few weeks and how it's become bigger. More significant, strong, and it's stirring the hearts of many who have heard that prophetic word, but tonight, Lord, we just ask that we have hearing ears and eyes to see in the spirit. We know that you are working. We know that you have a suddenly that's coming. We know that there is a turnaround for this nation. And we know that we're seeing the very tipping point, the very breakthrough of the greatest outpouring of salvation and discipleship that the Earth has ever known. the world has ever known. So, we thank you for that tonight. And I thank you for what you're doing by your spirit. And I declare that in the days to come, we're going to see a greater outpouring than we've ever even dreamed about. So do so tonight through us Lord. Speak through us and release through us revelation and spiritual understanding in the name of Yeshua, Amen.

Greg Hood, my friend. What's in your heart to open us up with tonight?

Greg Hood [00:03:25] Hey Clay, thank you, man. I just want to begin to pray into a couple of cities that God has laid on my heart and a couple of states. Just really feel the priming of the moving of the spirit across our nation. The Lord's been stirring this verse in me today, Psalms 29, verse 10, he says the Lord said as king at the flood, yes, the Lord see it as king forever. The Lord will give strength to his people and the Lord will bless his people with peace. And it's not just meditating on this verse today. I just felt like the Lord just begin to impress upon me that He has our nation in a flood. The flood back when Noah was there, it eliminated all the corruption and it eliminated all the evil that was there. And it had Moses, Noah, rather, and his family left with the animals, the ark, so and so forth. I just feel like God is bringing that same principle into our nation today, that he is actually..

We're in a cleansing process. May not look right,. May not feel right but I can tell you by the word of the Lord, by the spirit of the Lord, we are in a cleansing process. And this thing that God is doing is a very good thing. And so, Father, tonight, I just pray over our nation tonight. And I thank you for what you're doing in America. What you're doing in every state individually that's bringing our nation collectively into the outpouring of your spirit. I thank you, Father. Even for every territory that belongs to the United States, father, we do not exempt them or leave them out intentionally, but we include them as well in our prayers and in our agreement, father, for revival and for awakening. And Father, I even believe that you're going to begin to use some of these territories, Father, to bring sparks and fires of revival throughout our nation. Father, I pray today over America Samoa. And I thank you, Father, that you are stirring, stirring, stirring dear God, your spirit again in the Samoan islands, Father. Father, I thank you tonight, Lord, that you have laid a death blow. You've hit religion with a death blow in the American Samoan islands, Father. And I thank you tonight, God, that there is a true hunger and restoration for kingdom to begin to come forward in those islands so father i just decree over America and Samoa tonight: Kingdom of God come, will of God be done in the American Samoa as it is in heaven. Religion and that religious political spirit, we drive you and we run you out into the sea this evening and we declare your rule and your reign over American Samoas are over. And we declare today that the Lord sit as king forever over America's Samoa. Father, I pray today also over Harrisburg, Pennsylvania, there is a fresh wind of your spirit that is blowing in and around Harrisburg, Pennsylvania. Father, I see over that city, that father that it's like water being poured in a whale. It looks like a little water going in, but God is priming the pump. And the pump has been primed over Harrisburg, Pennsylvania. And Father I decree tonight, that out of Harrisburg. Father, the shaking of the state is beginning to come, for there is an alignment of the Ekklesia that is gathering and forming and coming together shoulder to shoulder and Arm to arm in Harrisburg, Pennsylvania. and those that would be least expected to make a wave in what's going on in Pennsylvania are actually causing a tidal wave. So Father, I call that tonight, in Harrisburg "done". And I declare, father, tonight, your kingdom come and your will be done over Harrisburg, Pennsylvania, to effect, to bring revival and awakening and into that state. Father, tonight, I also pray over Topeka, Kansas. Father, you spoke to my heart today that there is a reversal that is happening in Topeka. Father, I don't quite understand what that is, But I declare the reversal in Topeka tonight in Jesus name. Father, there are those that are in power, that are in government, that you're visiting them in their dreams. You're sending angels across their paths and you are literally, father, bringing a great shaking into Topeka, Kansas. And father, I thank you tonight God, that as this thing begins to turn, it begins to shift, that father the fires of revival and awakening God are beginning to come out of Topeka, Kansas. For Lord, I I thank you, God, that things have been repented of over this state. Things have been brought to you and cleansed. And we declare tonight, God, that Kansas and even Topeka is entering into its phase of healing the land. So, Father, tonight, I thank you for that. Heal. We just speak and release healing into Topeka and into the state of Kansas in Jesus name. And Father, I pray tonight also. And I give thanks for Texas. I thank you tonight God, the things that are happening in Texas with the governor and father, even with those that are in the House there in their Senate, that father, there's a boldness that is rising up. There is an accountability that is there that is going to produce righteousness in and throughout the state of Texas, as these have taken a stand over those that have fled. So, Father, I thank

you tonight, that righteousness rules in Texas politics. And Father, you spoke something to my heart years ago that anything that's not done in righteousness is not valid. So, Father, I thank you for the things that are trying to be turned for evil and left undone in the state of Texas. They're not valid, but these righteous things that the governor is doing and Lord, the House and the Senate are doing there. Father, I thank you. These things are valid and they're coming to fruition, they're coming to manifestation and we will see them done. So I declare tonight, God bless Texas and Father, I thank you that Out of Texas is going to begin to pour father the fires of revival again over our nation in Jesus mighty name.

Clay Nash [00:10:16] Thank you, Greg, thank you for that. Amen. That was strong. as you were prophesying over Texas. I heard the Lord say to Louisiana: I'm about to bring a lobby out of Louisiana that's going to shift governmentally. Also, I heard the Lord say that Texas and Louisiana were going to be the two edges of a two-edged sword, and that as that sword is swung they're going to cut both ways. But one side's going to have healing as well. It will not just cut open. It's going to bring a healing process afterward. So, get ready for that governmental lobbying to come out of Louisiana. That's going to cause a shaking to take place across the nation.

Pat, you're with us there in Illinois. What's in your heart to release?

Pat McManus [00:11:14] Thank you Clay for the opportunity, and I just want to share something tonight in Ezekial Chapter 37. We all know the words starting at verse 24 ...uh, 21:22. But it really relates to being one, coming to a place of being one. It says, thus, said the Lord: Surely I would take the children of Israel from among the nations wherever they have gone, and I will gather them from every side and bring them to their own land. And then verse 22, this is what I had just clearly kicked: And I will make them one nation in the land, on the mountains. And as I began to look at that: he will make one nation on the mountains to reclaiming the mountains, the seven, the seven spheres of influence that God is restoring the church or restoring the ecclesia to come into it's true sense on reclaiming the mountains of God and restoring back the ability and the authority to stand in the mountains of God and declare the kingdom of God. So, Father, we declare this day that you are realigning the nation to bring us into being as one to reclaim the seven spheres of influence that are permeating across our land. That father, you are establishing the ecclesia with a trumpet sound with a voice to declare over the seven mountains. You're coming into and aligning yourself with the Kingdom of God. We declare this day that the Church, the Ecclesia across America is coming as one to release one sound, one voice, one purpose, one plan to see the Kingdom of God advance and to reclaim territories upon our land. Nevada, I say this day, that you will experience a true place of transformation. For I kept hearing these words: I'm removing the rhino to reestablish Reno. So, Father, we declare that you're removing that which needs to be removed and reestablishing for the purpose of establishing transformation from the top to the bottom, from east to west. That Father, you are reestablishing Nevada into a true sense of what you have said will be and what they will fulfill the purpose to be able to be the light that would unlock, the light that would reveal and the light that would express the glory of the Lord. and father we know that you're reestablishing and bringing the place as one to be able to see the fullness and the purpose of your hand to be made known. And Father, we declare to South Carolina

that this day will establish the purpose of reversing the curse. For Father, they will not bow to a system or to a structure, for the curse is broken and reestablishing alignment of your heart will be upon our land. So, Father, we declare that South Carolina will begin to function in the full extension and operation in the fullness of the heart of the father and see break through from the top to the bottom. Breakthrough, breakthrough, breakthrough, to be able to see the fullness of the hand of the Lord come into its right order and right alignment. Father, we thank you that they will see the goodness of God, the mind of God, the heart of God reestablishing within, and that there will be that which needs to be established on the foundation of your Word to be able to see the governance of God to be established. So Father, we declare that the state of South Carolina is reversing the curse and coming into right order and coming in the right alignment with your words to see the Kingdom of God advance as we move forward to reclaim as one the mountains of God. So, Father, we thank you. And we give you praise in Jesus name. Amen and Amen.

Clay Nash [00:14:46] Amen. Thank you, Pat. Saturday night, I had a dream, or actually Sunday morning, and I dreamed that I was invited to go on the rocket with Richard Branson and the crew there. And when we reached about 50 miles high and I felt even in this dream, that 50 was for Jubilee. But when we reached that and I was able to look down at the United States, all I could see was water and waves. And it really startled me. It concerned my heart at first. And I cried out to the Lord, what is this? And the Lord said that the flood of His spirit that was coming to the United States was going to cover up all the boundaries and divisions that's in the United States. That it would bring things back together and in that it brought great peace. And then the next morning, when the rocket took off, I had a little news bleep come through my phone. And I was astounded to find out that Branson named the rocket that he went up on "unity". So, I believe that this outpouring, this suddenly of God, this outpouring of the spirit that's coming, it's going to, it's going to cover the boundaries; the division. It's going to bring us back together as one. Only Holy Spirit can do that. And so I just declare that there is an outpouring of the spirit that's going to cover up the boundary and division lines that are so etched into our nation at this time and even becoming stronger because of what the left wing socialist communist agenda that's trying to be pushed. And I declare they're not going to be able to continue to attack the church or silence the church. I declare that we are going to stand strong. Father, it's time that we, that parents, get back on school boards. We turned our responsibility over to government and school, public schools and school boards. It's time that we go back and take responsibility. Stir hearts of the people across this nation. But we just declare your flood of Holy Spirit that's coming is going to bring us together as one like never seen before in this nation. We thank you for that tonight Lord in Yeshua's name. Amen and Amen.

Jacque Tyre, You're with us. What's in your heart? Jacque are you there? All right, I thought Jacque was on the call with us there. Are you there, Jacque? Alright, I guess we lost her...

Jacque Tyre [00:17:58] Clay? I think I... Clay, I'm here. Yep.

Clay Nash [00:18:00] Ok. Go for it.

Jacque Tyre [00:18:02] I had my phone's all kinda messed up here. Got a few things. First of all, I just want to decree over Pittsburgh, Pennsylvania. I heard Holy Spirit say there's a hovering of Holy Spirit to stir up the seeds of intercession and awakening from past generations, that in this season, things that were snuffed out in the past will now sprout. So, Father, I speak out over Pittsburgh, Pennsylvania, that where those seeds have been planted in the ground, but they look like they have not sprung forth or they got snuffed out in the past season, that they spring forth and they shall come forth to the fullness of fruitfulness in an amazing way in this season, that there's even a shaking out of the religious systems and structures that have held that area captive. And there is an awakening of Holy Spirit that will cause those that have just given up hope or have gone into religious systems, that they will come out of it with a blazing anointing of the glory of God. And over South Carolina, I was so fascinated with what Pat released, because as I sat down, I heard the Lord say it is time for the divine reversal to come out of South Carolina and particularly out of Charleston, that even where the sound, the shot that rang around the world, there is about to be a release of a sound coming out of Charleston that will reverberate and reverse. That is a divine reversal that is coming out of South Carolina that will release healing into the land and then out of North Carolina, specifically over Asheville. The Lord said there is a spiritual portal that has been hijacked by the occult over the past years. And the Lords says, I am about to reverse that, I am overtaking it by Holy Spirit and Angel armies. I am recapturing that place for my purposes and my glory and that which has come in to hijack, too corrupt, to counterfeit and to appear one way when it is intended to be another. The Lord says, I am releasing the wind of my spirit over Asheville, North Carolina, and those pockets of occultic activity are going to be overtaken by the power of Holy Spirit, and it will become known as a hub of revival over that region. And then I saw over South Georgia that there are hidden places all across South Georgia that are coming alive with fires that are beginning to burn. And those fires are going to build and build and build, and they are going to overtake and overthrow the false and the counterfeit even from within the church. Those things that are appearing to be one way. There's a fire brewing across south Georgia that is going to cause people to stand up and take notice because of the purity, the passion and the power of the moving over that territory and over north Georgia, that there is a shaking off of the cloak of confinement of religion so that the true liberty of Holy Spirit will begin to blow across the north Georgia mountains that will awaken the seeds of revival from generations gone by, that there is a fresh unveiling that is coming out from under that religious cloak of shame that has blanketed that region. The Lord says, I am pulling off that cloak of shame and I am going to release the fires of my glory across North Georgia and you will see it. And then I just heard three words over New Mexico. Shake, shake, shake. Shake, shake, shake. So, I just decree over New Mexico that there is a shaking of the Holy Spirit coming into that region that will cause things to shake, to quake and to wake up. Shake, quake and wake up. And I just say: Wake up New Mexico and align with heaven, for now is the season of Awakening for you, says the Lord. Amen.

Clay Nash [00:23:05] Amen. Thank you for that, Jacque, very strong. Tim, there in Louisiana. What's in your heart to release?

Tim Cascadden [00:23:13] Thank you, Clay, and good evening to everybody, thanks for this team and this ministry and what it's doing for our nation. And I always want to honor the listeners who are partnering with Clay and the whole ministry here on this 222 call. I just want to agree with what Clay was saying there about Louisiana and Texas, just real shortly, we are both in the same battle on a lot of political issues and both of our legislators are having to deal with the same basic issues at the same time. And the nation is watching both states as to how we're going to respond. And when you said the lobbyists coming out of Louisiana, that's very important for me. I just got off a call prior to this. And I'm going to be lobbying an African-American Democratic state senator this week. And they'll be my first time to talk to this gentleman. And what we are asking him to do is to stand up for what is right. And he's done it once we have a Democratic governor. And in our last session, he vetoed over 20 bills, many of them pro-life, pro family, also voter integrity, the women's sports issue. And he voted right on most of those things. But now the governor vetoed them and he doesn't want to go back and override the veto. So, God's trying to raise up a lobbying group within our state, [to] go and speak to these people and create relationships that we've never had before because they have the heart to do the right thing. We just have a governor that's in Biden's back pocket and just stamping things. He's a Catholic but he's doing the wrong things on so many issues. And so, what you said is very critical, Clay. God is raising up His sword. And I believe and I'm prophesying it now, that this double-edged sword, this sword that you saw, both Texas and Louisiana, we are going to vote properly. We are going to bring forth righteous legislation and we're going to do what's right in the creative purpose of man and woman, where God created us to be also for the integrity of our nation and the way we vote and to have a fair and just election system in our states and in this nation. And I decree that, I as a partner with Louisiana, we will be a voice in the nation. We will be a mouthpiece, as you prophesied it before Lord; the mouth of the Mississippi. It will be a mouthpiece to the nation. I also, when Jacquie was talking about North Carolina, I do want to add this. I saw this in the spirit. That North Carolina, the state of presidents, I think there's been three presidents that have come out of North Carolina and they have moved into some dormancy of their voice in the nation. And the Lord says, I'm awakening, North Carolina, Raleigh, the state capital and beyond, and they will arise again. And there will be key leaders that will come out of the state of North Carolina and they will get back their voice that they once had in the past. And they will create a wave of movement across the land and they will connect with California. The wave will connect all the way from coast to coast. So, we decree that over North Carolina tonight to create over Texas as well, that they will continue to stand strong. that They will find a way. And I just kept hearing that. The Lord said, I will help them navigate through this path, this narrow strait that they're in right now to bring them into a place of being that sword and bringing that voice into the nation. I decree all this in the name of Yeshua, Amen.

Clay Nash [00:27:13] Amen. Thank you for that. Brother Jim Hodges, you're with us there in Texas. We just heard from Louisiana. what's Texas got to contribute tonight.

Jim Hodges [00:27:24] Thank you, Clay. It's great to be back with you and the team been gone on vacation and ministry chores and i almost feel backslidden. I've been gone so long. So, I hope you guys will meet me at the altar. But this is awesome tonight. The

comprehensive scope of intercession is really tremendous. And I just believe it all fits in, especially we take time to read Psalm 2 which we won't cause everybody knows Psalm 2 by now. But I just want to say right now, in light of what's happening in Cuba, it's been 68 years since the Castro revolution. And I'm going to bring that up because it relates to our nation and momentarily I'll talk about that. And of course, we know previously it was 70 years when the Bolshevik revolution's anniversary came up that in 1988, the Berlin Wall came down and {inaudible} begin to go in if not {inaudible} to be a part of that and Discover a praying remnant had been doing their job before the wall fell. one missionary we supported in Brussels wrote me a lot about Europe as well as Eastern Europe, Eastern Germany, before they got back to reunite. He talked about going with a team of children to the Berlin Wall, laying hands on the wall and praying it to be removed. And it was. So, I believe right now, people going on the streets in Havana wanting freedom, {inaudible} liberty. They want freedom from the oppression of Marxism and communism on which they've lived all these years. And I believe that that relates to what's happening in our nation, because when Cuba begins to turn, I believe is a signal that Marxism is weakened in our entire hemisphere, including our own nation. So, I'm decreeing and declaring that the whole globalist, Marxist, leftist progressive agenda is waning and weakening not only in our nation, but in our hemisphere and globally, because our God is opposed to globalism and babal-ism and empire-ism. And so we're standing for what Romans 8 prophesies that creation is groaning. Yes, for the manifestation of the pure sons of God, because through them, the nations in bondage are liberated by the rising of the daystar in the nation of God, the Ekklesia. So, Father, we thank you for what you're doing now. And shaking and turning and churning and shattering. We say the efforts of those who oppose the kingdom are futile, as the Psalmist reminded us in Psalms 2 verses 1-3 and we rejoice that we're coming out of captivity. The 70 is being fulfilled. And once now we're turning toward your intended eternal purpose for the whole earth, for all nations to be blessed by Abraham's seed, Jesus, who is the true deliverer, savior and liberator. His name we {inaudible} and proclaim tonight as reigning over all the Earth to glorify his own name and to bring into the whole Earth the knowledge of the glory of the Lord {inaudible} in Yeshua's name. Amen

Clay Nash [00:31:14] Amen. thank you, Brother Jim, for that. Greg Hood, you got something additional on your heart. What do you have?

Greg Hood [00:31:20] I want to pray something else into Texas. The Lord just begin to speak to my heart about Tayler County. I'm not sure if there is... I know there is in my heart, but I'm not sure what's going on with Tayler County. But I just heard the Lord say that Tayler County will begin to host a boom town again. And it will be the first fruits of what God's going to begin to do on a county level throughout the state, throughout the state of Texas. And it will begin to draw people in. I just saw in the spirit that there was a time in the past, there was a mass exodus from this county, from Taylor County, rather, from Taylor County, and that God was going to begin to uncover some things and call some things to begin to come to the surface that had been hidden there and that this county was going to begin to begin to boom again. People are going to begin to move back into this county. So, Father, I believe in my heart there are there are seeds of revival in that county in Texas and for the ages to begin to pray into Taylor County tonight. And I

thank you that Taylor County is coming into what you call it to be. That Father, though it may look like it had missed what you had for it. But Father, this county is going to see the fulfillment of what you have prophesied into this county over the cities and the towns in this county. And father its not a thing that's far off. I even believe it's near very, very near. So, I just declare over Taylor County tonight, Texas, that the kingdom of God come and the will of God be done in this county and in its cities in Jesus mighty name. I also heard over Arkansas, Clay, that God was turning Arkansas's Petro's into Petra, that there is a large rock, a large foundation that God is establishing in the state of Arkansas to be a stability. Also hearing it that this large rock, this... What God is doing there in the state of Arkansas, is going to be able to absorb shock of the nation, that there are shocks that are coming around our nation and what God is doing and building in Arkansas, turning the Little Rock into a large, massive rock that is going to be able to absorb the shock that is going to begin to take place in our nation, in certain regions of our nation. So, Father, I believe that something you're doing there that's very spiritual, is very Kingdome minded God in the aspect that you're raising a kingdom ministry in and around Little Rock, that that Little Rock becomes a large, massive rock concerning its authority, concerning its voice and father, concerning its influence in our nation, that there are major kingdom voices being raised up. So Father, those that are there in that region of Little Rock, large rock, father, that you've kept hidden, I thank you God, that you are bringing them into a greater exposure. Even those that you're moving into that place. Father God, you are raising them up for a national voice, national influence and national favor, so Lord, I just speak that into Little Rock and I decree over you, Little Rock, you are becoming a large mass, a large, massive rock, a Petra to this nation. And I heard one more thing. I don't know what state this this town is in, but I heard there is a boom that is coming out of Bloomington. There's a boom that is coming out of Bloomington. So, Father, I thank you that there are things I see in this in this Bloomington that has been settled, that have gone back hundreds and hundreds of years. There has been unrest spiritually. There have been things that have been declared in and around this Bloomington, Father, that have been dealt with. And now there is coming a boom out of Bloomington dear God, that's going to be heard around the nation concerning the moving of your kingdom in Jesus' name. Thanks Clay.

Clay Nash [00:35:55] Thank you, Greg, appreciate that. As you were prophesying, I heard the Lord say to Salinas, California, just as you were an epic sinner during the Jesus movement when many hippies were touched by the very forgiving and empowering grace of God, you are about to become an epic center of evangelism. You're about to become a epic center of change even for the state of California. The Lord said watch and see the salvation that begin to pour out and pour in in Salinas, California, get ready. It's coming. And I don't know if this is a scripture, but I'm seeing two numbers. It looks like 28 26. I don't see a book to go with it. Don't know if there's a chapter 28, verse 26 in the Bible, but I'm seeing those number, but, he's saying to Salinas, get ready for this awakening for even as my spirit poured out during the Jesus movement there in Salinas and all up and down the coast there, watch and see as evangelism begins to be poured out, not just on Salinas, but over the state from Salinas, California, says the Lord. Well, we're honored tonight, Dutch is on with us. And what's in your heart to release?

Dutch Sheets [00:37:26] Thank you, Clay. I want to go back to the prayers for the walls coming down and the coming together of the body of Christ, as you know, I've been getting, receiving quite a few words and dreams regarding this. But I'm really praying into it, asking the Lord to show me how to –what my part is to facilitate it. And I just want to read a dream you sent me and another one that's related to it and then pray into that. This was July 3rd: I dreamed that –and I won't mention his name, but it's a word of faith leader that has been in several dreams with me lately. And he called me and he told Dutch he must use the key he had to unlock the dam, allowing the streams to flow together as one. He then stated the power from the synergy of the streams flowing as one will be the turning of the nation. I spoke to him and said, I'm not sure which key you're speaking of. He said, the key you received when you and Chuck Pierce were on the East Coast a few years ago. The key is for such a time as this. It has the ability to release the flow that will turn this nation and release a flow to the nations of the earth. I answered and said to him, I know the key. I will acquire and unlock that which needs to be unlocked. He then stated to me very intensely. Time is of the essence. And then, here's the dream you had in August of 2020, that reveals the key. and I will just say that Chuck and I did a meeting in Atlantic City, New Jersey, and a native brother whose name is Willie Jock, he just went to heaven. He spoke for probably 15 to 20 minutes before Chuck and I got up. And he laid out a profound message as brief as it was, profound word about God's heart for this land and all of the tribes and streams working together as one. And it was it was just well, it has much weight on it as anything I've ever experienced, and I knew it was significant for the entire nation. So the next morning you sent this to me. You weren't there when that happened, but you sent this to me, Clay. I dreamed you were presented a skeleton key at the meeting last night. And a skeleton key is a master key. That's what it technically is. It's not what a lot of people think of as a skeleton key. A skeleton key technically, there are different kinds of them, but it's a master key that opens many, if not all locks. I was presented a key. Chuck then Prophesied to the atmosphere and a key hole appeared. You inserted the key and turned until a doorway was opened and a voice spoke from the spirit: Welcome into an ancient pathway reserved for this time. Here are the resources needed to complete the turning of the nation. And I've never really know what to do with that dream until now. I don't know exactly how to implement it, but I know now what it's all about. So, you know, I've had probably eight or ten words and dreams sent to me over the last three or four months about the different streams coming together. So I want to pray into that again, prophesy into it. And I know it's time. I know God has an assignment for me and it's for me, it's for all of us to pray into. So, Father, I thank you for this word that says gather the leaders, word that says take that key and turn the nation and it will release a flow to the nation and nations. unlock that which needs to be unlocked. And so, Lord, right now, I will do it, Lord, as you lead us elsewhere and probably in a large gathering. But even as a full running act of intercession and prophetic decree, right now we just prophesy that you have given us a key. We're going to understand exactly how to use it. And we're going to see a dam unlocked, broken, and the streams come together and this will be the turning of the nation. We just decree over this nation now prophetically and we say that God is going before us. He is releasing a forerunner anointing through us and he is going before us. And nothing will stop this. That the streams will come together and flow as one, at least those that need to will. And we will see this great turning of the land as we come together. So we just prophesy into that right now. We say, Lord, you're going to give us the strategy.

You're going to show us exactly what to do, how to do it, when to do it with home to do it. And we say it is time. Lord, we just agree with you. We say it's time. It's time, it's time. It's time. And so Lord, we've waited for the vision, but now's the time. So, we prophesy into that in Jesus' name and we say, this is the day, this is the hour. Bring it forth now, Lord in Jesus name. Amen.

Clay Nash [00:43:51] Amen, thank you, Dutch. And we just come in agreement with that, that revelation and spiritual understanding flow to you Dutch about the timing of all this and how to bring together, and Father, we declare that many are the streams that will make glad the city of God. And we thank you, Father, that you started with a garden in the Book of Genesis. But you're ending up, you will end up with a garden like city, as even is spoken of in revelation. So father, give the leaders of this nation and the leaders of different streams, the grace, the revelation, the spiritual understanding to come together and to flow in together and let the synergy of those streams and even let the ancient pathways, Lord, that are needed for such a time as this. Let it be revealed. Let it be revealed quickly and clearly, and let the crooked way be made straight in this hour. And we thank you for that now in Yeshua's name. Amen and Amen. Any of the hosts that's on have anything further that's stirring in your heart? All right, well, it's been a great call tonight. I want to say to all of you on the call and the hosts, I appreciate so much, Jacquie Tyre and the other hosts keeping it going. I promise you, it's been an intense two weeks of us getting everything moved up to the property in Arkansas. Things are going well. The remodeling of the chalet up there is going well. My wife is excited. The backsplash has been put in the kitchen and all the drought was installed today. So the dishwasher was hooked up and the garbage disposal. So we feel like we're coming into modern times. But we appreciate your prayers. We thank every one of you hosts that are on but more than that, we are very thankful for all of you that participate faithfully, five days a week and on Tuesday night for these calls. Yeah, someone wrote me and said, "please tell me you're going to keep them going?". We're going to keep them going. We're going to, we're going to keep seeking the Lord. We're going to be flexible and fluid and we're going to follow what the spirit says do. And so we just appreciate you. The recording will be put up tomorrow and the transcription up tonight will get there just as quick as Lakeshia can get it transcribed. We'll get it posted there. God bless you. Have a great week. And remember tomorrow at 2:22 Eastern Time. The call will go on and people will be on the wall because we are a triumphant prayer call for righteousness in this nation and righteousness will prevail. God bless you all.
