**Tuesday Night Prayer Call**  
**Date:2021-09-21**  
**Topic: Everything Hidden Will Be Exposed**

**Clay Nash** [00:00:01] Well, greetings, we're on the call tonight, and looks like we got a little bit of a technical difficulty, so I appreciate everyone that's on so far. I'm going to try to check with the hosts. They're having trouble getting on the call, see what's up. I'll be right back to you.

**Clay Nash** [00:00:41] OK, some of ya'll are on. I hope you all remembered...the hosts... Remembered to use the right pin. Cause you're not showing up on the call. Anyway, Dr. Miller, you're on again. I know you're expecting some reports and got some things. Could I ask you, First, to open us in prayer? And we're going to focus tonight really on any one that's being put under pressure to take a vaccination that they have a conscious conviction not to. And so if you would open us in prayer. Want to certainly focus on the military. Certainly focus on all of our medical workers. But it's affecting thousands of other people across the nation. And one of the things the Lord has said that we want to keep in the center of our declarations, decrees and everything tonight is that we want to keep it focused on the hidden agenda, the hidden attack that's going on, that this thing be exposed. So, Dr. Miller, would you open us in prayer and just share what's in your heart.

**Dwain Miller** [00:02:01] I will. Heavenly Father, I thank you tonight that Jesus Christ is on the throne. And I thank you tonight that there's not anything happening in America or in this world that caught you off guard. And Lord, I pray that-- and I know that you are using the players on the world scene right now to move the pieces of the puzzle together to position things where ultimately your Ekklesia rises in power, authority, dominion. You're awakening many in your church who have been asleep and they are joining the move of the Ekklesia; the move of this righteous remnant. And there are people that we wouldn't even anticipate or expect, people in Hollywood, people in the financial markets and politicians. And there are people who are being awakened and coming to the forefront to defend liberty and to defend freedom. So Father, we thank you that what looks like a very dark time is setting the stage for a massive comeback for your people and for this country. And I pray that lessons be learned so this nation never goes down this path ever again. Lord, we stand on your covenant promise to use this country to evangelize the world. We stand on the dedication of this nation to you, by Robert Hunt, and we thank you that this country has now for centuries been the leading voice of the gospel, the leading hand of God, the leading heart of God to the world's hurting and the world's lost. We ask you, Lord, to let our end be greater than our beginning for your sake and your namesake, in Jesus name, Amen. Well, Apostle Clay, as I said today, I have a young man that is a spiritual son and he is in the military and he contacted me about what he should do because he was told that he would come before his commanding officer and be ordered to take the job and that if he refused, then they would go get his commanding officer's officer to come and he would order him to take the job. And then if he refused the second time, they would go get a two star general to come. And if he refused the third time, they would immediately start a court martialing process and a dishonorable discharge. I do know that

all across the military...I was just hearing tonight of a man who was dishonorably discharged because he refused to wear a mask, and we know that the Biden mandate of tyranny, imperialistic communism--This is what this is. This is communism. their even positioning and readying themselves now to begin to tell people who will not take the vaccine, whether it's through the mandate of their business or the military or whatever, that they have psychological issues. And the reason that that's important is because that's how Russia controlled its people for centuries in that communism. If you opposed the Russian government, they turned insane asylums into basic political prisons where they put people and declared that they were politically sick and that their philosophies were politically sick. So, we're walking down that path, but we know that ultimately behind all of this is the spirit of Antichrist and the spirit of Jezebel and that's the battle that we're fighting. We know that, of course, there's witchcraft and all other kinds of spirits in operation, but ultimately, the spirit of Jezebel manipulates and controls to gain authority and power over its people so that the spirit of Antichrist comes in and rules. And, regardless of where our listeners are in their Eschatology, their end time belief, it doesn't matter. This is absolutely setting up as the forerunner of the kingdom of the Antichrist and whether that is coming soon or later. That's not important. What's important is, is that the spirit at work in this country right now is dominating ignorance and God's people are being destroyed for a lack of knowledge. so I would say that, as has been prophesied by many in the past, there has got to be a Jehu anointing rising up in this country. And that's what the Ekklesia is. All of those listening to this call tonight. All of those on the call every day. We are Jehu and it is our responsibility to go into the atmosphere and remove the forces of Jezebel, so that we can prevent the spirit of Antichrist from taking this nation and taking this government. So, that's my understanding. And then I would just say, if you're in the military or you're out there in the workforce, there are lawyers on top of lawyers on top of lawyers out there. Especially the ACLJ with Jay Sekulow and then the family council out there and many others. You can find Christian law firms that will let you join their lawsuits without charging you anything. They're doing this pro bono to fight this and it will go to the Supreme Court. And so I just declare tonight, Father, I just decree tonight, Father, that the Supreme Court is going to do the right thing, and I also say in the name of Jesus, these cases are going to be so volatile because they're going to be so many thousands of military people being kicked out and thousands of people in the workforce fired, that this is going to be a case that the Supreme Court has to hear immediately. They cannot wait months to do this. They're going to have to hear this and they will render a decision that it is unconstitutional, that is against personal individual liberty. There are millions of people in this country that are refusing the vaccine on the basis of their religious convictions. This nation was founded on religious freedom and personal liberty, and so we just say in the name of Jesus that you pull the mask off of these players and actors in this government. And we say in Jesus name, not individually, but collectively, as the Ekklesia, we say in the name of Jesus, the spirit of Jezebel and the spirit of Antichrist, be bound and be exposed for what it is, and that you shake this nation and shake everything in this nation that can be shaken to awaken your Ecclesia to the kingdom of God in this hour. We are in the war. Of the life of this nation. And Lord, we know that we win because you win and God, I ask you in the name of Jesus, do this sooner rather than later. Please come forth now and expose the Biden's for who they are and expose the Shumer's and the Polisi's for who they are and expose the Mitch McConnell's for who they are and expose the Lindsey Graham's for who they are. Lord, all

of these people who have backdoor deals and pat each other on the back in private rooms behind each other, expose them and remove them as people who have sold their soul to Satan. This is a Luciferian system that has taken control of this government. And in the name of Jesus, we say in Jesus name, you will be exposed, you will be indicted, you will be arrested. All of those who have stolen the election. And who have stolen this government will be exposed and indicted and removed, and I pray right now God for courage. For your children. To rise up and stand firm and say, no, this is my right, it's my God given constitutional right as an American to refuse this, I will not be forced. You will have to fire me or remove me. And then, Lord, let the wealth of the wicked be transferred to those righteous. And I pray that there are people that they try to kick out of the military who will become those who run the military. And there are people who are fired from corporations, will be those who own the corporations by the time we're finished with this. We thank you, Lord, there's a transfer of wealth from the wicked to the righteous. We don't know exactly how that happens, but we know it happens. And I believe with all of my heart, every issue we're facing in this land right now, by trying to force people to do things against their conviction is going to backfire and backfire hugely against those who are in charge in such a way that this country will never, ever, ever veer down this path again. So, God, I just thank you tonight that you're raising up a few great patriots in our government. And you are going to overturn those who are in authority. You're going to remove dozens and dozens and dozens. Of criminal actors on both sides of the aisle and put true patriots in place in Washington, D.C. We pray for the grace and the mercy for this country to be able to survive that long. Lord, we got one more year. We pray for grace and mercy, and we pray right now for Joe Manchin and we pray for the senator from Arizona, the lady there. We pray that God you'd let them stand their ground and stand up to their party. And stop this madness. Let the Holy Ghost rise up in them. We know Joe Manchin has a spirit filled past in his raising and... Let that rise up in him and let him love you and love this country more than he loves his party. And we pray this in the name of Yeshua. Amen.

**Clay Nash** [00:13:35] Amen. Thank you, Dwain, so much for that. Let me just say, I know some people are emailing, texting, getting in touch with me, they're having difficulty getting on the call. Keep trying. Several people have got in by keeping trying. I'm in contact with Free Conference Call, they've got a team working on it, trying to find out what it is. We are not full on the call. There's plenty of room for people to get on. People are getting busy signals, they're also getting... Circuit busy messages, but we are working on it, and none of the people that can't get on can hear me, but I'm letting you know in case some of your friends contact you, tell them to keep trying, keep calling in. We're working to get this problem resolved. Regina Shank, what's in your heart?

**Regina Shank** [00:14:25] Yes Clay, so good to be on with everybody tonight. The one, the first prayer point that you gave is praying and releasing prophecy about the current pandemic really jumped out at me. And several things, I believe that the etymology of the word pandemic and Pann, when you look that up, it goes back to the Greek god, Pan. And he was noted for causing terror. And I recognize that this pandemic and this panic has a demonic origin. And when we were in Israel at the headwaters of the Jordan, we were doing a prophetic act there. And one of our team members saw what looked like the god, Pan, which was really called the gates of hell, at that point and that's when Jesus said, I'm

giving you the keys to the kingdom. And, you know, and he has overcome the gates of hell. So we have a God who's already defeated panic and the pandemic and has already gained the keys to the gates of hell. But I wanted to say into this that fear is what's going on in America. We all know that. But as I was praying into this, I was thinking about the fear of the Lord, which is the true fear. It's awe, it's respect and here in Proverbs 14:26, it says, "he fears the Lord has a secure fortress. For his children it will be a refuge." And several years ago, I was doing a prayer journey across America and the enemy said to me, "if you finish this trip, I will kill your sons." And he actually attempted to do that. But what I claimed was he who fears the Lord has a secure fortress and for his children it is a refuge. And so I decreed that over my children and continued that prayer journey and completed it. But he did attempt to kill my sons. He was not able to do so. And what I wanted to say into that is that when we walk in the fear of the Lord, I believe that we have a refuge from panic and the pandemic and that he covers us and walks with us through all of this. And of course, we know from Psalms 91 that it will not come near us. You will not fear the terror by night or the arrow that flies by day or the pestilence that stalks in darkness or the plague that destroys at midday. And so we know that, and I believe that I want to decree into that in just a moment. But then there's another scripture in Joshua that jumped out at me, Joshua 2, and it talks about the fear of the Lord as well. And it's when they were coming to, I think it was Rehab here. and it says "before the spies lay down on the night she went up to the roof and said to them, I know that the Lord has given this land to you and that a great fear of you has fallen on us so that all who live in this country are melting in fear because of you." And she goes on and she reiterates what God had done for them. And in delivering them from so many enemies. And I believe that the opposing force for this panic and fear is the fear of the Lord. And we can walk in that fear the Lord. It says it's a refuge for us and our children. We can walk in that awe of the Lord, and it will keep us from laying down and cowering to this panic and this fear that is trying to actually encapsulate the whole of America. And I looked up panic and it's an overwhelming feeling of terror or anxiety, especially one affecting a whole group of people. And I believe that's what we are fighting. And I'm amazed at how many people are fearful. And so they're so fearful they want me to yield to their fear to do what makes them feel more comfortable. And so I know we all know the scripture: God is not given me a spirit of fear, but power and love and a sound mind. And so I just want to decree into that that God's people will not yield to the spirit of fear and that we will rise up and recognize, just as Dwain said, that this thing has a root, a demonic root jezebel and pan; panic control, fear, all of those things and witchcraft. And so, Lord, in the name of Jesus Christ, I decree over this nation that panic and the pandemic must bow to the fear of the Lord and Lord, I thank you that when we are in awe of you and we respect you and respect your power more than we respect the power of the demonic, Lord, that it is a refuge for our children and our children's children. And Lord, we thank you, God, that your people are rising up and not cowering to a spirit of fear. Lord, I thank you, God, that there is no need for us to cower to the demonic. And I speak into that and I prophesy to the spirit of fear. You will not encapsulate and capture this nation. I speak to the spirit of pandemic and panic, and I say back off in the name of Jesus Christ. And I decree that people will come out of their delusion and their deception and they will lift up the fear of the Lord as a banner over this panic and this fear of covid. So Lord we ask today, Father, that as we are your children and we recognize how much you are full of glory and power, Lord, that we will lift you up above anything that

would exalt itself against the knowledge of Jesus Christ and Lord, I thank you that on this call we fear the Lord. God, We fear you, Lord, and we thank you God that your power is greater than any demonic power in this nation. And Lord, I set myself in agreement also with Dwain when he was praying for the military. My grandson is in the military. And God, I thank you that you are going to give them a way out. I just began to see a slippery door to slip out in some way, out of that requirement. And God, we ask that it will be reversed by you in some way, God. You are the Supreme Court of the Earth and you are greater than any court in America. But we pray, Father, that they will reverse that decision and those that are in the military will not be forced to take it or be court martialed. God, we also pray for everything that is hidden regarding covid to be exposed. I recently saw a list of those who own I think it's Pfizer stock and many of them were from China. Lord, we ask that you expose all of this. Many people are getting rich on these shots and Lord, that you would cause your people to have wisdom and discernment. Lord, that we need discernment right now. We need to discern the times. We need to discern what is going on so that we will not be fraudulently defrauded of our rights. And so Lord we say today, that we are those that worship you, that are walking in the fear of our God and we are walking in a refuge in you, Lord Jesus. So Lord, we ask you to come into this nation and God that the god, Pan, or whatever demonic power has been behind this thing. You have already defeated him. And we decree his defeat and we decree that this pandemic is being wiped out by the power of your spirit. And Lord, I also call upon the spirit of truth tonight. Holy Spirit, you are the spirit of truth. And I pray tonight that your people listening on this call and others will recognize what is true and what is false. God, you have given us your spirit to lead and guide us into all truth. And we will not be deceived by any fraudulent message, by any fraudulent manipulation. And we decree tonight, Father, that we are coming through this thing with flying colors God. And that you are rising us up God, as a people, to know our God and to know that you are a greater and more powerful than any spirit of panic or pandemic or fear in America in Jesus name. Amen

**Clay Nash** [00:23:51] Amen. Lord, we just declare that everything that's hidden about this whole pandemic. Everything that this agenda of the antichrist---this agenda of the socialists, this agenda of the left wing liberal, we just declare, Father, you are able to uncover it, you're able to reveal it, and we declare tonight that the uncovering has begun. And Father, let the truth prevail. Let your truth, let heaven speak into the earth through the Ekklesia, through the praying church. And we declare that every hidden thing. Every hidden mandate that's not of you will be exposed. We declare there's a shaking and exposure coming and we just stand in agreement. For it shall come forth and it shall be revealed. Let the hammer fall, let the plum line come, but let there be an exposure and revealing of this ungodly witchcraft agenda that they're trying to hoodwink this nation and Father, let your people, let your people, Father --I heard this term today in a conversation and let your people cowboy up, let them step up to the plate and understand that. Father, every person that has walked off a job because they were convicted not to take a vaccination, Father, we just declare over them supernatural provision, super natural resources coming in, let the body of Christ come together and take care of those who were out of work because they've stood on their conscience conviction and they stood against these ungodly mandates that's coming forth. Protect our military, in Yeshua's Name, Amen. Tom, there in Texas. What's in your heart?

**Tom Schlueter** [00:26:03] Amen. Can you hear me OK?

**Clay Nash** [00:26:07] Gotcha can hear you loud and clear.

**Tom Schlueter** [00:26:08] OK? OK.

**Clay Nash** [00:26:09] Yeah, we got you.

**Tom Schlueter** [00:26:10] Well, we have learned tonight what perseverance is all about. When it takes you about 15 times to finally get on the call. But this has been powerful. Just come into such agreement with your prayer there, Clay, and also with what Regina was speaking. I'm wondering how many of us have stood there at the headwaters of the Jordan and have decreed that that gate of hell, that pandemic, that goddess of panic and pandemonium, that which has caused so much grief and so much terror and so much trauma on our land, it is defeated. It is defeated. It is defeated. It is not something that we're hoping that will happen in the future. It IS defeated. I was hearing somebody speak several weeks ago that we have been decreeing that America shall be saved. And the Lord just kept on saying to me, you need to decree that America IS saved, that I am moving upon this. I am moving upon what is happening in the nation right now with my salvation, with my strength and my salvation is not just a salvation to get a bunch of people into heaven, but my salvation entails everything on the earth that the enemy is trying to destroy, to kill, to steal. I have brought salvation into all of this and I am dealing and I have dealt with pan. Pan is is an old structure to me, says the Lord. And I have dealt with him already. I dealt with him on the cross. I dealt with him with the empty tomb, and I'm dealing with him now through my people, through my Ekklesia. So Pan is coming down. Pan is coming down. All this week, the Lord has been taking me back to First Samuel 5. In First Samuel 4, the people of Israel are going up again to meet the Philistines. They had done that just in the previous chapter. And it's the story where Samuel prepares the people correctly. They offer up the sacrifices and they win the battle there at Ebenezer, the Stone of Help. But in the next chapter, as they go up against the Philistines, again, the Israelites are defeated badly. and they say, well, let's go get the ark and let's carry the ark into the midst of this. And so they do it obviously with not any favor from God upon what they have decided to do on their own. And the ark is captured. Ichabod, the glory has departed. Eli and both of his sons are dead. Everything looks like it's turned backwards and the ark is gone. But what's amazing in First Samuel 5 is even when everything looked it's darkest, even when it looked like to the natural eyes, the glory has departed. Even when it looks with our natural reasoning and understanding that there's no possibility of winning this, it's sliding downhill fast. The arc is there in the midst of Dagon and Dagon falls. They put him back up and again the next day, he falls. and not only falls, but his head in his hands come off, which represents his authority and his ability to do anything. He is not going to win. And we know that that's what happens now with the rest of the story as the Ark then has returned to Israel in a very supernatural way. But the Lord has just been speaking to me all week, Clay and everyone else on the call, that this may look dark. It may, you know, we watch the news and it's like, can this get any worse? Can we make any more bad decisions out of our administration? Can we see any more situations where this pandemic

seems to be locking down our nation? Dagon is still falling, Pann has been defeated, pandemonium, pandemic, Dagon, death structures, whatever it is that the enemy is throwing at us, however it is labeled, whether it's Marxism or socialism, whatever it may be called, the Lord God is still on his throne. And even when the Israelites made a grievous error and lost the ark to the enemy and looked as though that would be the end of all things, God still demonstrated his enthronement and his strength because he was enthroned, even in Dagon's presence, the Lord was enthroned between the Cherubim of the Ark and Dagan's fell. Pan fell. Satan is falling. Awaken is happening. We decree salvation is here, it's in our midst. It is our strength. God is our strength. God is our victor. God is moving powerfully upon us. Just a last thought there, Clay, as you were talking about, cowboy up, many of you have probably seen the news. Only in Texas would you see the Border Patrol all mounted on their horses as though they were cowboys of the West and has gotten so much fake news because they are simply protecting the border. They are making sure that people are not coming in illegally. So, Lord, we just, I just agree with Clay. I say, Lord, we're going to cowboy up. We're mounting up as your Ekklesia warriors. We are joining the battle. We are taking you with us, Lord, as your presence goes ahead of us and we are saying, Lord, we are watching and we are observing the downfall of Pan, pandemonium, Dagon and all the enemies of the kingdom, in Jesus name.

**Clay Nash** [00:32:19] Amen. Thank you, Tom and Tom, we thank you for your leadership in that state, but we also thank Texas for their leadership in the nation. You know, I'm reminded of a prophetic word came forth. I think it must have been January of this year that, you know, the saying is "in Texas, don't mess with Texas." But if I remember that prophetic word, right, it said that Texas was about to mess with the nation. And we see that in this abortion stand they've taken. It's so important that we realize this. And I want to read a scripture. I had been meditating, begin to meditate recently in Hebrews Chapter 11 and verse three says, "For by faith, we understand the world's were---the New America standard says prepared. the King James says framed --by the word of God. So that which is seen was not made out of things which are visible. And that word framed or prepared there could be rendered: brought into manageable boundaries. And the Lord spoke to me as I was looking at this and meditating in it recently that the Ekklesia is stepping up. And it's time that we begin to declare and decree and bring this nation into --what's going on-- into manageable boundaries. And so I just release that out there to you. I want to remind those on the call that today the Supreme Court, the word came down that this case about Roe vs. Wade out of Mississippi will begin on December the 1st. David Hertel and I are working to put together some very significant prayers five days before December the 1st out of Mississippi. I know Andrea Lafferty is putting together prayer there in D.C . and you can talk with Regina Shank about that. And also beginning on December the 2nd, we are hosting our regional and annual NEI network, Network Ekklesia International, gathering there in Southaven, Mississippi. And months ago, as I was praying about it, the Lord told me to call that meeting "The Suddenly." And, you know, I find the timing of all this, you know, I'm prophetic and everything, but I find the timing very, very interesting with it, because I believe that God is going to give our nation a suddenly out of this case. This case is looking good coming out of Mississippi, just as there was a judge I think came under some... a situation there in Texas today because of what's been done. We're chipping at Roe vs. Wade little by little, and the scripture tells us in the Old Testament we

drive the enemy out little by little. So a lot of prayer. I know that will... that very court case being in the Supreme Court at that time in December there in Southaven, because it's a governmental meeting, we're going to step in and really hit that thing and governmentally with it. But we need prayer up until then. We need prayer up until then. So press into that. Pat, you're with us there. What's in your heart?

**Pat McManus** [00:36:02] Thank you for the opportunity to be with you guys as I was sitting there last night and today thinking about our calls tonight and I come in agreement with all the prayers and the decrees that have already been declared. But Second Chronicles, Chapter 20 really kind of stood out to me where Jehoshaphat and all who live in Judah and Jerusalem, this is what the Lord says to you, do not be afraid or be discouraged because of this vast army, for the battle is not yours, but God's. In verse 17, it says, you will not have to fight this battle, take up your position, stand firm and see the deliverance the Lord will give you, Judah and Jerusalem, and America. Do not be afraid. Do not be discouraged. Go out and face them tomorrow and the Lord will be with you. And we all know the story. They went out and they said the mercy of the Lord and all that and they began to declare. So Father, we declare this day that you are standing in positions of influence to dismantle the fraudulent structure. That father, you are positioning your body to be able to decree or stand in aligned identity with the full expression of your heart. That father, you are positioning your church to be able to dismantle this fraudulent decrees that are coming out of a fraudulent structure and that father the ability to stand with the authority and the backbone of what you are releasing within will be secure. So, Father, we thank you for the purpose of your heart that this virus and the shots and these people that are trying to force mandates upon those that have the willingness and the authority to stand against this fraud structure, Father this thing will collapse without question, and they will be held accountable for what they're trying to enforce upon the people. Father, we say the socialist agenda will be neutralized and nullified. This communist structure will be nullified, father, from the very root because of the double mindedness that's even within the structure within their whole straight organization. So, Father, we thank you for the dismantling of the fraud that truly is permeating within our political structure. And we thank you, Father, for what you're about to do. I'm going to share a statement from a congressman. His name is Foster. That's from my area, and he made this statement the other day, and maybe they need to watch what they're saying because if what...I'll read it so you understand. He said this, quote unquote, "Our message is clear. Politicians should stop trying to make deep personal health care decisions for someone else." That's a political leader making that statement. He's a Democrat. "The politicians should stop trying to make deep personal health care decisions for someone else." Father, we declare this day that the Babylon, they function from a Babylon structure. They're nothing but... They're babbling truly within their own organization. Father, they're schizophrenic in their structure. They have no right nor authority to speak or declare or decree your word or anything to bring health and wholeness into people because of the communist structure from the socialist agenda and the ungodly order that they function from. So we say this day, Father, they're coming down, they're being neutralized and their mouths will be shut according to the purpose of your word. So, Father, we declare healing, we declare wholeness, and we declare life into the power and the presence of the Ecclesia standing in the authority of

your word, Father, we thank you for what you do and we give you praise in Jesus name. Amen.

**Clay Nash** [00:39:56] Amen, thank you, Pat. Strong declarations and decree. Jim Hodges, {inaudible} what's the man of God in Texas saying?

**Jim Hodges** [00:40:09] Thank you, Clay. Let me just share a perspective or two. I was in a Dennis Peacocke gathering this afternoon and if you know anything about Dennis, you can get some good ammo in his meetings to take toward the enemy? I'm not quoting him verbatim. This is just my observations. He used the term, of course, the global pandemic. And it's clear, I think all of us its good to maybe to be reminded that the covid pandemic geographically came out of China, but ideologically came out of globalism. Their agenda is anti Genesis 1:28. The Lord said be fruitful and multiply and fill the Earth. The agenda of this covid-19 coming out of globalism is to depopulate the Earth because people, humans are the problem because they're abusing the planet, abusing the ozone. And we don't need to go down that path to talk about the absurdity of the whole climate change agenda. So just a reminder. Now, Here's something I have from another source, a friend of mine whose name I can't call on this phone, but these reminders that might help us in our praying. No.1, this thing that happened in it's initial stages was designed by the Chinese primarily as a bioweapon. As such, it had built into it the ability to mutate. And I've had several colleagues recently, both of whom are far younger than I, who have succumbed to covid-19, probably the Delta variant or now the third variant out there. But long story short, the bioweapon was designed to mutate so you couldn't get on top of it, either with a vaccine or anything else. Beyond that, built into that bioweapon was the ability to kill more males than females. And statistically, that's happening. And here's a real shocker for you, talk about going back to Margaret Sanger and the whole issue there. No time to review that in history, but this bioweapon is designed to kill more Caucasians than other racial groups. So these are documentations of the, Tom used the word pandemonium, which means demons everywhere. Right. The demonic origin of this whole thing. And I'm going to remind us tonight, before we just pray here a moment and of two things. Number 1: the question was asked. And so Dennis Peacocke answered the question. The question was: how long is God going to allow this pandemic to go on or the situation in the Earth generally? And the answer he gave was, as long as it takes for the church to be salt, light and a city on a hill, in other words, to become what it really supposed to be; Ekklesia.

**Clay Nash** [00:43:52] Yes.

**Jim Hodges** [00:43:52] And I close with this final reminder before I pray, I just...you could Google this. You don't have to go to Israel, save some money, just Google this on YouTube and you'll find out Caesarea Phillipi when Jesus talked about the gates of hell not rebelling against the Ekklesia, the backdrop of his whole message outdoors that day was that little city and town in Galilee was the cave on the mountainside where the priest of pan, which was a Roman God, because the Romans, as you know, was ruling Israel at the time. Well The priest of the pan made their sacrifice and I won't go to all of that, But it was there referencing a Roman god by the name of Pan, which is the word we use for pantheism, you know, everything's God. And if you don't believe in the one true God, and

follow the Lord Jesus Christ, then you end up believing anything. So the Romans had many, many gods and you can worship any of them as long as you put Caesar first. So we just say that globalism is like Babel. The Globalization is like Pentecost because all nations are to be blessed, as Abraham receives promise in Christ has come in history and the Holy Spirit has poured out on all flesh for all nations. So, Father, we thank you for helping us to sharpen our axe, to sharpen our swords for this warfare that we're in on a level that is almost unimaginable to those of us who've been around for a while, and yet we find it there, in your words. So we take our stand afresh tonight and say we wield the sword of the spirit, the Rhema word of God. We wield the truth of the Gospel of the ascended, exalted, enthroned Hallelujah King Yeshua at your right hand. And we say you will give us revelation how to unmask, as it were, those who are demanding we wear a mask. That you will rip back the veil and let exposure come to an extent that there will be a dramatic shift and turning in public opinion and the Ekklesia will stand up with a narrative that prevails because it's the people the Lord Jesus prophesied that would prevail over all the power of the enemy called the gates or the authority of hell, in Jesus name. Amen.

**Clay Nash** [00:46:46] Amen. Thank you, Brother Jim, for that. And Father, we just declare let the whistle blowers come forth. Let Father, the generals, the ones in the military that are not in agreement with that, father, let them take a stand. Let them get a backbone father and let this thing be exposed. We declare that every hidden thing will be made manifest. We declare there's going to be those that come forth. And Father, we declare that it's an old saying, I don't want to be offensive, but we declare the whistle blowers are not going to be whistling Dixie. We declare they're going to be whistling a kingdom sound. And as they come forth and expose this father and we declare that the Democrats, the liberals, the socialists, the communists--they're not going to be able to sweep this under the rug. We declare there is a veil being pulled back. There is truth that's coming forth and that truth is going to, it's going to expose and it's going to bring down their agenda. Father, you told me on January the 20th that you would give them enough rope to hang themselves. And we agree that this whole thing is part of the rope, that they {inaudible} and so we just declare that it is coming forth we declare, Father, let people in the military, let people in the medical field, let doctors, let nurses, father, let those people working in it, let them come forth and let them bring forth the truth, Father. let them count not their life unto death, according to your word, and understand that YOU actually are the are the Source of their income. So Father, we just release that over our nation, now, in Yeshua's name. Greg Hood, You're with us. What's in your heart? hey, You ought to be full, we just came out of an incredible time in Amarillo, Texas. What is in your heart tonight?

**Greg Hood** [00:49:02] Man, We did, Clay. I Really enjoyed ministering with you there. It was quite awesome. The Lord's been speaking to me since we left that prophetic, pregnant environment that God was speaking to that local region and also our nation. And he's been saying to me that the Ekklesia is in part four of Genesis 1:28. I thought it very awesome tonight, not coincidental that Apostle Jim mentioned Genesis 1:28. So I went looked it up and I'll read it to you tonight. it says, "God blessed them. And God said to them, be fruitful. Number one, multiply number two, feel the earth, number three, subdue it. Number four, I felt like I heard the spirit of the Lord say, Clay, that the Ekklesia is in the subduing stage of This challenge that we are in here in America and that God is bringing

us into a place as the Ekkleia that we are not asking God to do these things for us, but we're asking him to do them through us. and I looked up this word subdue. I studied it out many times, but it's the word Kabosh and it means to bring into bondage. So when we're going, this is a military term and it would be the equivalent of taking captive those that you're fighting against, you're warring against. to bring into bondage. It means to assault. It means to bring it to subjection, to trample, to tread underfoot and to have under foot. So I really feel like we are in this season right now that we are contending and we are subduing those things that the enemy has loosed in our nation. And that's something we need to really understand when we're looking at it from this particular viewpoint, is that we as the Ekklesia, we're not trying to survive this thing. We're killing it. We're not trying to survive it. We're putting it under our feet. We're not trying to find a way out of it. We're by the power of the Holy Spirit, are being led into the very core of it so that we can trample it, we can bring it into bondage, we can assault it. We'll bring it into subjection under the authority, under the name of our King, Jesus. And so, father, tonight I just decree, Father, that this false crown of coronavirus, this man made Chinese virus is bowing it's knee to you tonight in Jesus name. Father, We have two or three on the call that are agreeing together. Your word says one will put a thousand to flight, two will put ten thousand. Father, your word says whatsoever we asked father when we got two or three together, it's done. So, Father, tonight we come into agreement with thousands on this call tonight and around the world and we declare by the name of our Royal King Jesus, that this coronavirus, you die tonight in the name of Jesus. Your efforts are spoiled, your authority is pulled in the name of Jesus and you are brought under subjection to King Jesus by His Ekklesia tonight, in Jesus name. We assault you tonight in his name, that name that is above every name, that name that everything bows to here in the earth and in the heavens as well. So, Father, tonight, we thank you, that by the power of the resurrection, we decree tonight from your heart this thing is defeated. Father, we thank you, Lord God, that the enemies of this nation are being subdued. Your enemies are being subdued in America and the nations of the world. So, Father, tonight we just give you glory for this. And there is another scripture that I find in Deuteronomy 9:3. It says, excuse me, it says this. It says: Know, therefore, today that it is the Lord, your God who is crossing over before you as a consuming fire. We know we found that in the New Testament as well, our God is a consuming fire. It goes on to say in verse three, he will destroy them and he will subdue them before you so that you may drive them out and destroy them quickly, just as the Lord has spoken to you. Now, we found the words subdue here again. It's a different Hebrew word than what we see in Genesis, chapter one in verse 27. I find it very, just amazing here that it says he's crossing over before us. He's going over as a consuming fire. He will destroy them. He will subdue them. This word subdue here is the word Cunha. And it means to make one humble or to humble and it literally means done, D-O-N-E. So he will destroy them. He is humbling them before us. He's called them done, over, finished before us and then this is what he says after his peace: So that you and I the Ekklesia, we may drive them out and destroy them quickly just as the Lord God has spoken to you. This word destroy is the word Abod, which means to call something to perish or to annihilate them. So we're not going to break them. You break something you put it back to pieces. But when you annihilate something, it is totally and utterly gone. So Father, tonight we just decree over your Ekklesia, that you are the consuming fire that goes before us. You are the one that has crossed over before us. You were there before we ever got there. We're catching up with you. You destroyed

them. You've subdued them. You've made them humble and you've called them done. And father, tonight we drive them out and destroy them. We utterly annihilate this demonic principality that is behind this coronavirus, that is behind the manipulation that it is bringing with it and behind the fear that it is trying to infuse into your Ekklesia. And we declare today, God, that those that are believers, those who are blood washed, that are standing up, that are declaring "we will not take this job. We will not be a part of this", Father, they will stand after doing all to stand. They will be like that tree in Psalms2. They will be planted by the water. They won't be moved. So, Father, we speak strength in them today and we declare God that those who come before their faces will begin to flee before them and the ones that come before their faces, Father, they'll not be able to implement the things they've been commanded to implement for their tongues will be tied and their thoughts will flee them. And your sons and daughters will prevail in those moments. So, Father, we thank you tonight throughout our military, the sons and daughters of America that are defending our nation that are part of your royal ambassadorship, Father, we declare through them your kingdom come and your will be done, Father, in those rooms where they stand before those superior officers as it is in heaven. Father, we thank you today that they'll be like those that stood before Paul. They'll be almost persuaded. We asked they be fully persuaded and that the testimony and the moving of Holy Spirit that you would begin to function forth through those who stand before these officers would cause the room to be filled with your presence. Converts made father. discipleship set in motion. And we ask for the souls of those who are trying to implement these types of actions against the sons and daughters of America that serve our military. So, Father, today we thank you that the enemy is utterly destroyed. The enemy has been brought under the Kabosh of Your Ekklesia in this day. the enemy has been brought in to Cunha. They've been humbled and they are done. So, Father, we thank you today that the ideas and the plans of this unemployed cherub that thinks he's ruling things is done totally and completely. And we release this decree over America. America, you are not bending. You are not bowing. You are saved. The enemy is playing his last hand. Not his best hand. His last hand. He's losing grip on the rope that he holds over this nation. And we decree tonight in America, there is no king but Jesus. Hallelujah.

**Clay Nash** [00:58:45] Amen Greg. Strong. Strong. This call has been strong tonight. thank you for that. I'm going to call on Dutch in just a minute, but Dr. Miller is going to come back on with something he's got to add. What do you have Dwain?

**Dwain Miller** [00:59:00] Yes. The, umm, man the direction that Regina took this call about the god Pan, we've all been there and stood at Caesarea Phillipi and People think I'm weird, but in a warped way, that's probably one of my favorite places to go in all of Israel because of the symbolism, and it's just an absolute visual of what Jesus was telling his disciples. But I won't go into great detail because it's very gross and very graphic. But up on top of that mountain, worshiping the god Pan, their priests were doing , let's say, very perverse covenant acts with goats. And then they would cast them off the top of that mountain at the gate of hell, that big cave at the bottom. And then you had the water, the headwaters of the Jordan coming out, it still do there, which is a symbol of life. And and so when Jesus was standing there with the disciples and he was saying, well, you know. Hypothetically he was saying: these men say, Pam is god. Who do men say that I am?

But my point is that the system, which is represented by Pan and his priest, the system ends up coming into covenant with goats. That's what's happening in America, this illegitimate system of antichrist. This illegitimate system of Jezebel, this illegitimate system of pan, pandemic, paranoia, pandemonium, I should say, is all coming into the illegitimate covenant with the goats of this government, and they are about to devour each other. I'm telling you, they are going to turn on each other and implode and devour each other. Just today, BLM people tried to go into a restaurant in New York were denied because they didn't have their vaccination cards and a fight broke out. And I mean, I'm telling you, all of this is going to blow up. And so the pandemic, pandemonium is going to result in the fact they're going to kill each other, expose each other, and I don't necessarily mean literally kill, but they're going to kill each other's careers and their political careers. It's going to be a political, social, spiritual bloodletting as they devour each other. I prophesy that in Jesus name, that as people are exposed and things are exposed, they are going to turn on each other like a total pond full of piranhas and devour each other, in the name of Yeshua. I just wanted to add that, Clay, thank you.

**Clay Nash** [01:02:13] Alright. I'm in agreement and I think you were off the call, taking a call, but Brother Jim brought out some great stuff about Pan and some things there. Dutch Sheets, you're on with us. What's in your heart to close out the call?

**Dutch Sheets** [01:02:31] I'm on right, Clay? Did I mute it right...or did I unmute it?

**Clay Nash** [01:02:35] Yeah, yeah, you're good.

**Dutch Sheets** [01:02:36] OK, good. Sorry I missed some of this. I was like a lot of folks not... Just trying to get on for a good while. But really, really good insight on this call. Very prophetic. Very accurate. The only thing I want to add is that I feel that some of what is happening right now is we're just waiting on the timing of the Lord for this, and it's very right for us to do what we're doing tonight because while we wait, we have to do what God needs in the sense of prayers and decrees and petitions and appeals that allows him to do what he wants to do because of the way he's chosen to operate through us. But scripture has been coming to me over and over and from Daniel 2 in that he changes the times and seasons. The other thing that comes to me is that I have felt since January that a part of the wait, the waiting that we are involved in right now is God using so many things to expose his enemies and I think he's also exposing just their foolishness and their lack of wisdom and their evil agendas. And, you know, I think we're moving toward the time when he's going to say, OK, that cup of iniquity and that exposure is complete and now I'm going to act and I'm going to do what you've been asking and decreeing. But I want to encourage people by saying, you know, and I think people know this, but I just want to say it. It's not that Satan is winning. It's not that evil is winning. It's not that that we're not doing what we need to do. It's that God is allowing all of this to expose and unveil evil. And I agree with what was just said and others have said it. He is about to turn the tables on them and they're going to be exposed because God has he has much more in store than just delivering us from covid or delivering us from a fraud, fraudulent election. He has an agenda of exposing evil people and evil doers to the point that America and then others around the world rebel against their rule of saying we will no longer allow this. And I don't

mean insurrection. I mean at a heart level that then changes thing at the polls and everywhere else. And I believe even with it among themselves, as Dwaain was just saying. They're going to turn on one another. They're going to be people rise up and say, I've had it with this. I can no longer be a part of this. And so I'm always referencing what God said back when. You know the word in destiny and the word in Jeremiah that says he gives us a future and a hope. the Word future there, it's the word destiny also. But it's a strange Hebrew word in which is behind and that which is ahead of is the same root word in Hebrew. And the definition in lexicon say the picture is a Hebrew, pictures the future like one rowin into the future. You row on time with your back to where you're going so you can focus on a mark behind you and then turn once in a while where you're going and you can keep a straight line that way. So they picture a person rowing or going forward as one who is doing it and moving toward what's behind him. And the picture in Hebrew is we focus on what he said in the past. We focus on the benchmark, that which anchors us is what he said to us back there. And that's what keeps us aligned with where we're going. And I keep hearing God say I'm exposing them. I told you way back then I'm exposing them. I told you way back when there's an awakening coming and a revival and a turning of this nation and you're going to be used for the greatest revival in history. We are not getting farther from that. We are getting closer to that. And we keep ourselves anchored to and aligned with what he said yesterday and what he's promised us. And I guarantee you he's going to do what he said every day. The insights on this call are incredible. So Lord, we just pray to that right now. We say we are moving toward what you have promised us. And even though we look behind us and line up with that, we're moving forward to what you promised us. And these decrees are doing it. Our prayers are doing it. You are exposing, exposing, exposing. you're exposing their inadequacies. You're exposing their evil agendas. You're exposing their stupidity. You're exposing the globalist ideologies. You're exposing the fact that they don't love this nation. They want to change this nation. They want to weaken this nation. You're doing it at the border. You're doing it through covid. You're doing it in Afghanistan. You're doing it with the economy. You're doing it all of these ways and more. And we say uncover them completely, uncover the enemy, uncover their ignorance, uncover their evil agendas, expose every bit of until America is so fed up with it that America says enough and people rise up. Even those that would call themselves Democrats will rise up. and liberas, they will rise up and say, this is ridiculous. So, Lord, we say bring it on, expose this evil spirit, expose this evil agenda. Reverse it. We will not bow to it. We will not bow to this spirit. We will not bow to the gates of hell and Pan or anything else. We say we are the Ekklesia of Jesus Christ. We are authorized. we are anointed to subdue as Greg said. We are anointed to decree, to forbid, to allow. We say this is all forbidden and at the right time, God is going to shift the time and the season and say, now I'm pulling the trigger on the change and on awakening and on revival and on the great turn around. We decree all of this in the name of Jesus. Amen.

**Clay Nash** [01:09:15] Amen. Thank you for that, Dutch. I appreciate it. made me think of a teaching I've heard you do about as we put the enemy under siege, that's what releases God's suddenly. And I believe that's very much where we're at. The Ekklesia is becoming stronger.

**Dutch Sheets** [01:09:33] Thats right.

**Clay Nash** [01:09:33] You know, I hear it this morning on the call or this afternoon, for whatever reason, it's a God reason, the numbers are growing even tonight. The numbers are growing on the call again. And that thrills my heart. Not so we can boast in numbers, but so that we can see a synergetic release out of this call through the power of agreement. And as people come on, one puts a thousand to flight , two puts 10000. So I know in my heart, and I believe the people on this call know in their heart that our obedient actions, our declarations, our decrees, the prophecies, the things that are coming forth is actually putting the enemy under siege. And I promise you, there's a suddenly coming I believe this Mississippi case coming up before the Supreme Court in December is going to give us a suddenly with Roe vs. Wade. You know, with it. The bowl is getting filled and there's a tipping point of righteousness going to be released, but it's going to be a tsunami when it is. So we end tonight's call. We bless you. Thank you for your faithfulness being on. As always. This call is recorded. It'll be posted tomorrow. And Lakeshia will working on doing a transcription of it. And we'll be posting it on our website. we will be here tomorrow to 222. And we're going to continue on the wall. But we're going to continue. I thank God that there has been a transition take place and more and more are moving out of their priestly anointings and into their kingly authorities in their prayer closet. And we are going to see this this thing shift and turn, in Yeshua's name..I bless everyone on the call.thank all of the hosts for being on with us and join us tomorrow at 222. God bless you all.
