Clay Nash: [00:00:18] Well, good evening, it's 9 p.m. on a Monday night-- Tuesday night, and we're on the call. We are going to be praying into the Senate races in the state of Illinois, state of Indiana, state of Alabama and the state of Arkansas tonight. And so, we're going to be pressing into them. It's going to be a good call. We've got some great Hosts on. Just appreciate everybody. Call today was good. I had to get off a little early, but it was a great call and we'll be back on here tomorrow at 2:22. remember that we post a recording of every call. So if for some reason, you miss it, you can always go there. And Tonight's call will be posted tomorrow, but then we will also do a transcription of the prayers, the declarations and the decrees tonight. So, it's going to be a very good call. We're pressing in. We're seeing some things turn. Be in prayer about some of the mandates. Be in prayer about the Durham investigation. Be in prayer about a lot of things. But we're going to focus tonight on Arkansas, Alabama, Indiana and Illinois and their Senate races there. Regina Shank there in Missouri, will you open us in prayer and go first.

Regina Shank: [00:01:46] Yes, I sure will. Thank you. So good to be on with everybody. Lord, we thank you tonight for the prayers that are coming forth from the hosts on this call and from those who are listening. And father, we thank you that they're coming together as incense before the throne of heaven, God. As decrees, They're coming forth as incense in heaven, but they're coming forth as decrees in the earth to overthrow that which has been established in the States that was not of your plan and purpose, father. And so we thank you tonight for all those prayers, and we agree together for changes, Lord God, in Alabama, Arkansas, Illinois and

Indiana. And you will have those that you want in places of authority in those states, in Jesus name. Amen. Well, as I was praying over this, I began to see "A I" because we have, you know, the A for Alabama and Arkansas and I for Indiana and Illinois. And the Lord started talking to me about Joshua 7, where they tried to take Ai, and Aiken began to take things for himself and he plundered it. And he had a robe and he had 200 shekels of silver and a wedge of gold, and he hid them in his tent. And because of that, they had a problem with him, of course. And he actually was burnt and everything. He was killed and everything. His family was destroyed. And I began to see that happening. That God is going to do that in these four states. And he is going to cause that spirit of Aiken in each of these states to be destroyed and that those who are taking things for themselves, those that are getting bribes and all of that, God is going to cause that to be uncovered and removed from the tents of those in Alabama, Arkansas, Illinois and Indiana. And so, Lord, we pray tonight that any fraud that's in those four states, anything that is happening, that is covetousness, that is causing destruction in those states, destruction to your plan, God, we thank you that you are uncovering those and you are going to cause your name to be exalted. Lord, we release light into every one of those states. Lord, let there be light to expose darkness. And I hear the Lord say, I'm getting ready to expose darkness in every one of those states so that I can uncover it and remove it. And that's in the Legislature, That's in the government of every one of those states; god is putting down one, and he's exalting another. And I also hear the Lord say there's a crossing over for every one of those states. A crossing over from apathy and complacency into a widespread revival. And I begin to hear a song as I was praying over those states, and it's old and it's bringing in the sheaves. We shall come rejoice in bringing in the sheaves. I know that's an old song. But I began to see a harvest coming in those states, a brand new harvest to bring in more people into the kingdom. And, you know, Revival is coming to all four of those states. And we know that, as goes Arkansas, so goes the nation. We agree with that. And Lord, we also agree with the wind of God blowing across all of those states. And even as that wind blows, it's not only going to hit those states, but it's going to hit the states of Missouri and Kansas and other states alongside those, father. And we thank you for that wind that's blowing Lord. And we pray for those who are running for office God, that you will expose that which is hidden in darkness in their tent, God. and Father, you will cause those that you want to rise up to do so. In the name of Jesus, the spirit of Aiken is being removed from those four states, in Jesus name.

Clay Nash: [00:05:52] Amen Regina, thank you for getting us off to a great start tonight. And we just declare over the state of Illinois, over the state of Indiana and the state of Alabama And

over the state of Arkansas. We declare heaven, touching earth. We declare God's will being done there. Father, we thank you that we don't want people elected that hide behind conservative cliches. We want people elected in these places in the Senate that have a heart for you, that are yielded to your will, that are determined to see their states be a reflection of the Kingdom of God. So, father, you work Your will to move in every one of these states and to work it so that those that have a heart for life, those that have a heart for truth, those and have a heart for liberty, that they will prevail even if they are a dark horse, even if they are not getting any chances. This is the year of the upset. And I thank you, father, that through that upset, you're going to set up your kingdom in a greater dimension. Now, do these things tonight in Yeshua's name. We thank you for it. Ken, my friend, What have you got in your heart?

Ken Malone: [00:07:20] Good evening. So glad to be on here. Thank you for the opportunity. You know, Arkansas has been on my heart ever since we did the 10 40 tour there. You were there helping us and Dutch was there. And the thing that I notice most about Arkansas is that it was really moving in the direction that the Lord wanted it to move in at that time. And I think probably still today it's probably one of the states that is at the forefront of this awakening revival. And I'm excited about you living there, moving there, because I believe it's going to take it up to another level. Also on Alabama, you know that's a home state for me. That's where Cheryl and I are originally from. We still pray for that state, and I believe God is going to bring revival there. And the harvest. Regina mentioned the harvest, and when she did, I saw this on Alabama. Chuck even mentioned it in the word that you sent out to us, and he talked about the glory of God arising over Alabama. And I really believe that the glory is going to be one of the things that ushers in the person that God wants for the Senate race in Alabama. And I'm just going to really quickly read their names that's running for Senate. And these are those primaries that have not taken place. There's Richard Bowers, Jamal Sanders, Will Boyd. Brandon Dean, Lanny Jackson, Victor Williams, Lily Bodie, Katie Britt, Mo Brooks, Carly du Preez and Michael Durant and Jake Shafer. And all of these are running for that Senate race. And another interesting note about Alabama is that Tim James is running for governor. He's run before, but he is the son of Fob James, who had a two term governor seat many years ago, back when I was still in Alabama, back in the 70s. He seems very promising. So, father, tonight I thank you Lord, for the glory of God that's being released in Alabama. I thank you God for the movement forward Lord in Arkansas, in Jesus name. And I say Alabama and Arkansas, especially you, come into your position and place. Indiana and Illinois, come into position and place that the Lord has spoken and ordained for you in Jesus name. Father, I know that you have a person

that you want to pick for each of these Senate seats, Lord. And I just say, God place your hand on them. Bring them forward, Lord in the name of Jesus. And father, I thank you that your authority rests upon them, in Jesus name. and father God, that we will see the glory of the Lord come out of Alabama, come out of Arkansas. That Arkansas and Alabama will shift the nation. Illinois, you will shift the nation. Indiana, you will shift the nation in Jesus name. And we decree that bright and morning star, Jesus Christ, will arise in each one of these states. And father, I thank you tonight that this is a season of victory for all four of these states. We say victory is ours in Jesus' name. Amen.

Clay Nash: [00:10:48] Amen. Strong Ken, we stand with you on that. And you know, I'm excited that there's a prayer movement, a group out of Korea who were connected to David Cho or Paul Hunger Cho, as many people know, are starting a prayer campus there in Selma, Alabama. And I believe it's a very appropriate place for that. And so, I believe we're going to hear of the prayers that come out of there touching this nation and nations of the Earth as Well. A lot of good things. I've got some information about Arkansas. Things that's kind of working behind the scenes I can't release, but good things happening on the abortion side of it. Things that are --some things are being postponed in wisdom, but there's some movement coming there about some things very similar to what Texas has done. Just remind everybody we're praying for these four states, but that Texas abortion issue is going to their Texas Supreme Court. I got a, just a nugget that came through a while ago. Be praying about that. Jill There in Missouri. What's in your heart tonight?

Jill Nichols: [00:12:02] Well, good evening, Clay, and everyone that is on the call, thank you for having me and for hosting, Clay. I know it's a lot of work to organize something like this, so thank you for that. So when I got the list of states, I was really drawn to Illinois, of course, which neighbors my state of Missouri. Regina and I are both in Missouri. And I know that there have been a lot of woes coming out of Illinois, and the governor of Illinois has imposed some pretty oppressive restrictions onto that state. But then the Lord reminded me of something this afternoon and I thought, I don't even know how this connects. But you know, we had a solar eclipse in 2017, and the X of that eclipse fell in Illinois. And I thought, you know, there was supposed to be another eclipse coming and I looked it up. And sure enough, it's in 2024 and the X spot is supposed to fall in Jackson County, Illinois, again. And everything that I read about this today indicated how unusual this is, like highly irregular, that this would happen twice in such close proximity. So I asked the Lord, You know, what are you trying to communicate here

about this solar eclipse? And the Lord had me look up where the X spot is, which, of course, is in Jackson County, Illinois, but they divided it into four quadrants; Carbondale and a little tiny town called Makhanda. And so, I looked up the name Makhanda, and it was-- it means Star of Egypt. And I remember the last time that the eclipse took place, there was something connected to Egypt then as well. So that caused me to start wondering, All right, what are you...Lord, What are you saying over Illinois? And the Lord said this to me. He said, Pray for the lines to fall for us in pleasant places. And so that's what I'm going to do tonight. Father, in the name of Jesus, I humbly approach your throne of Grace. I ask Father that you would release what is in your mind and your heart for the state of Illinois. That the lines are indeed fallen for us in pleasant places. I am reminded of the redistricting that is going on across the United States. Many battleground states are going through a tug of war over these redistricting lines. But father, your words that the lines are falling for us in pleasant places. And so God, I pray that you would move those lines, not only in the spirit, but geopolitical lines, Lord, that would be profitable for the advancement of your kingdom. And father, I pray over the state of Illinois that it would make itself ready even now. Right now. Illinois. Make yourself ready for what is coming. That there is going to be an outpouring of grace and mercy on this state, and all of the workers of iniquity and all of the strongholds in that state are about to come down in Jesus name. And so, Lord, I pray that you would raise up that army in Illinois to be able to take their place on the wall and to be able to steward these new districts. But more than that, to steward the grace and mercy of God as it's released in that land. Father, I pray over these elections, over these primaries. Father, I pray that there would be no meddling with the voting, with the voting machines, with the voting places or the election judges. I pray God in all of these states that there would be a pure and honest true election. And father, I pray that by whatever means necessary, we lose it to be so. Father, we cry out to you for mercy over our election. We cry out to you for honesty and transparency in our election. Father, we ask that you would have your way, have your way over these states. And father, we look with expectant hearts to see the results, to see the answers to these petitions. We've asked them according to your written word, and we've asked them according to your spirit in Jesus name. Amen.

Clay Nash: [00:17:03] Amen. Thank you, Jill, for that. We stand in agreement with those words for these states and we stand in total agreement. All right. Dan, good to have you on with us tonight. What's in your heart?

Dan Hertel: [00:17:20] Thank you, brother. What's in my heart is actually your prophetic word where you had said that Arkansas and Mississippi--

Clay Nash: [00:17:28] Hey Dan, you're real low on my end. Can you speak up some?

Dan Hertel: [00:17:32] Yeah. Can you hear me now, is that better?

Clay Nash: [00:17:35] Yeah, that's better.

Dan Hertel: [00:17:35] Hold on one second. OK, yeah, I was-- what's been stirring in me is this-- is your word, clay, that you gave of Arkansas and Mississippi functioning as a dual rudder that changed the course of a nation. And there is actually something called the triple rudder that is designed to help big ships turn even safer and quicker and tighter spaces. And I want to declare that Alabama come in with Arkansas and Mississippi into that triple rudder. And the other thing you know, it's amazing how the people who have previously prayed, have just prayed exactly what the Lord's been stirring in my heart. And so, father, I thank you, Lord God, that you are aligning things for your plans and purpose. I thank you, Lord God, that you have spoke to me and said that we are-- this nation is reliving the story of Esther in the deliverance of this nation. And Lord, you are weaving in all four of these states. You are weaving your people into the right position so that they can, Lord God, step into the seats of civil government that will be overturned as they were in the days of Esther. and so father, we just speak to Alabama right now. We declare you come in alignment with Arkansas and Mississippi. And this would function as a three rudder system that would help to turn this nation in a way Lord God, that allows it to turn quicker than would be possible otherwise. And father, we thank you, Lord God, that Lord, you have said this will be a season Lord where seats of civil government will be overturned. So father, we come in agreement with that for all of these states and Lord, I stand, 100 percent in agreement with Jill asking for your mercy over the election process. Father, that you would position, weave your people, into the story, as you did in the time of Esther and each of these states that would be able to block All attempts at voter fraud, at fixing elections. That would be able to block all attempts, Lord God, at fixing voting machines to where it will have a specific outcome. Father, we bind, Lord God, every demonic spirit that would try to function in these elections, and we bind, Lord, every attempt, lord, to pay to win a seat of civil government. Father, not only that, we just thank you, Lord, that the wealth lord that is used for that will be put in righteous hands. And Lord, we thank you, father, that Lord, you are-- have already declared that we are fighting from a place of victory because you have declared America is being saved. And so, Lord, we come in 100 percent agreement with that. And we thank you, Lord, that Lord all attempts Lord to overthrow or fix any of these elections. Lord, we ask in your mercy that those attempts would be exposed and stopped before they would have any effect. Father, you

know that we have struggled with unrighteousness in our court system as far as holding up the laws of the land. So we're asking for divine intervention Lord to where nothing is allowed to take root and then have to fight it after the fact. But Lord, all of it will be undermined and stopped before the election happens, in Jesus name, Amen.

Clay Nash: [00:21:09] Amen, Dan. we come in total agreement with that. Strong .Pat, what's in your heart?

Pat McManus: [00:21:16] Thank you, Clay, for the opportunity to be with you guys, and I'm gone jump on with kind of what Jill had for Illinois. And there's a city down in the southern part of our state called Cairo, and it has a lot of references to Egypt. And some of the things that we've been praying into and trying to get clarity on is being able to deal with the stronghold that's there because of the mounds and the different stuff that truly is functioning in that part of the state. And as Dan was praying, I kept hearing this words: the Bengal, you know, the Bengals, they lost .and the same thing with the tiger, the dragon that truly connects into the Sun God, that's over in china. Also connects into Cairo. So I want to pray it this way. Father, we thank you that you are dismantling the structures and the concepts that have established in Illinois that has minimized the ability to function as the true apostolic state that father, you have destined us to walk in. So we declare this day that these false gods and altars are being removed and dismantled. We say, even as the prophetic words that have been stated throughout the state of Illinois, that God is releasing the wind of Holy Spirit to blow with authority, to truly remove everything that's been minimizing the ability for the Ekklesia to function as one in him. Father, we declare that that prophetic word that was even spoken by Maria Woodworth-Etter, back 100 years ago. That that would begin to manifest in ways beyond where the healing mantle would begin to manifest in this state like never before. And father, even as the revolution begins to be seen, even as it's been prayed about the frauds boundary lines that some of the the people have put in place for the election fraud, even that got caught in the middle of the process, We declare this day that the boundaries will not be moved according to the purposes of your word, and it will not be reset and {inaudible} set in a place that one party would benefit to the other. And so father, we thank you that you are resetting, removing and restoring and reconstituting the state to come in its true sense of identity and purpose. So we say this day, let the glory and the power and the wind of Holy Spirit to blow on the state of Illinois like no tomorrow. Father, let the wind that was prophesied come from the east and blow into Chicago and blow the thrust, blow all the dirt, the dust and the corrupt structures away and uncover everything that needs to be done so we can

see righteousness prevail. So father, we thank you, that you are resetting the state, you are bringing in righteousness in government, you are removing the Shebnahs. You're uncovering everything that needs to be uncovered and there is Eliakhim's that will be repositioned in the state of Illinois like no tomorrow. And father, we declare that the Eliakhim's will position themselves in Alabama, in Arkansas and Indiana and Illinois and the rest of the states as we move forward in the power of your name. So we thank you, father, for the shifting and reconstituting in the state of Illinois to fulfill its purpose of truly becoming that apostolic structure that you said, prophesied too, that it will be in the name of Jesus. Amen and Amen.

Clay Nash: [00:24:44] Amen. We stand in agreement with that. Thank you, Pat, for those strong words. Betty, what's in your heart?

Betty Love: [00:24:54] It's great to be here, Clay. Coming into agreement with the decrees and what's been released tonight. We are in the seventh week and the seventh Tuesday night and we've stepped to the seventh stone of the first set of the twenty two and we are pressing towards November 8th, 2022. And I believe tonight is the night that we have come to the Well of Sevens. And when you think about that Hebraically and prophetically the meaning of the number seven, it's about completion, wholeness, blessing, rest. Also, Zion word is "time, remember and remembrance". And so, father, tonight we thank you that we have come to the well of seven that you have coveted with us, your people. And there is a covenant route in this nation. And Lord God, we thank you that you are an only time deliverer. And father, we thank you that you will not forget one word that you have spoken to us individually, corporately, territorially, generationally or in this nation. And father, we've come tonight to put you in remembrance of your words spoken, the prophetic destiny of each one of these states and our nation. And Lord, we come tonight, as your Ekklesia and Lord, we know that Zion has to do with that picture of the Sword of the Holy Spirit. So Jesus, as your Ekklesia, you have equipped us with the sword of the Holy Spirit, and we decree tonight into the state of Alabama, Arkansas, Illinois and Indiana. For the word that God speaks is alive and full of power. Its active, operative, energizing and effective. Its sharper than any two edged sword. And it penetrate into our lives and into our state and into this nation dividing the line of breath, the soul, the spirit, the joint, the marrow. It exposes cysts, and analyzes and judges the very thoughts and purposes of the heart. and Father, I thank you, that your word is going into these states and Lord into the very candidates lives that are running and Lord, there is an exposing and there is a sifting and lord god, I thank you that you are judging righteousness into the lives of these candidates. And

father, tonight we decree the word of the Lord and we release the sword of the spirit into these states. We thank you, father, for your mercy and grace, even as Jill has prayed and Dan has come again with. Lord, That you will just continue to pour out your mercy and grace upon us as a nation, enabling us to do as your people what we couldn't do in our own strength. And tonight we decree into our nation and these states that the eyes of the Lord are on the righteous and his ears are attentive to their cry. The face of the Lord is against those who do evil to cut off the memory of them for the Earth. The Righteous Cry Out and the Lord hears them and he delivers them from all of their trouble. Father, as your people, for Zion's sake, for Jerusalem's sake, for the United States of America's sake, we will not remain silent. Til her Righteousness shines out light the dawn and her salvation like a blazing torch. We lift our voice and we release your righteousness. And Lord God, we thank you that you are realigning these states and this nation in righteousness. Lord, let the prayer bowls be tipped, releasing healing, revival, awakening and reformation into these states. Father, on behalf of this nation and the state of Indiana, we stand at the crossroads and we look. We ask of the ancient path. We ask where the good way is, that we might walk in it and find rest for our souls. Lord, Indiana, is a state that strikes the ground. And tonight, we strike the ground repeatedly, not half heartedly, but for complete victory over our enemies. We strike the grounds on the wells of revivals in our nation and these states. And Lord, we say, let your kingdom plan and purposes come forth. and father, we agree with the prophetic destiny for each one of these states, even before the foundations of the earth. Indiana, never doubt God's mighty power to work in you and accomplish all this. He will achieve infinitely more than your greatest request, your own your most unbelievable dreams and exceed your wildest imagination. He will out do them all. For his miraculous power is working in you. Indiana, you have recognized your birthright and destiny. You are the crossroads over America. You have chosen the ancient path, the good way, you've chosen life. And you are the state that takes the arrows of the Lord and strikes the ground. A sound is being released, I hear the Lord saying a sound is being released out of your great home. It is the heartbeat of heaven coming up out of you that will cause other states to come in alignment with righteous rule. You are a Forerunner state and a first strike state. So Indiana, strike While the fire is hot. All heaven is backing you up. We bless the state of Indiana and the people of God with a fresh mantle of glory in this season, in this era. Father, we thank you, Indiana, you are a plumb line of righteousness in the hand of the Lord. And father, we thank you that there is swift justice. I heard you say the day of the decree that immediately opens and immediately shuts that words and sentences will be carried out swiftly. And father, we say, let there not be any delay. We, your Ekklesia, come into agreement in this state and in this election process and yea, with Luke 18:8, God will give

swift justice to those who don't give up. So, Lord, we're praying, we're expecting, we believe, we are standing knowing that we are going to thwart any attempt of the enemy to overthrow your plan for this nation and for this election. So tonight, we say be it made known to the rulers and authorities in the heavenly realm, the manifold wisdom of God. Father, we release these decrees into the heavens, the Earth and under the Earth, enforcing the rule, your rule, on Earth as it is in heaven. We decree exposure, removal and unseating of all unrepentant, ungodly authority, governmentally and in each sphere of society within the state. Father, we thank you that the enemy will not usurp or take a seat of authority in the Senate elections or any of these vacated positions that there will be no time or resources that will work against your plan. We decree Demonic grace is bound and blocked, and every seating of Satan and all occult powers are bound, uprooted, torn down, destroyed and completely overthrown in the name of Yeshua. Father, we thank you that even now as Yahweh Sabby, commander of the Angel Army, you are with us and Lord, we thank you that into each one of these states your angel armies are positioned and mobilized to take out all enemy opposition now and in the future that would attempt to thwart your plan. Father, we decree into Alabama, Arkansas, Illinois and Indiana, Lord God, any attempt of man's plan to overrule your desire is removed now. And father, we thank you that you reveal within these states of Indiana, Illinois, Arkansas and Alabama your righteous plan for the future of their states. Your building plans. Raise up men and women of integrity who will stand for righteousness and truth and will hold to the original intent that you have designed. Let them not operate from a second heaven blueprint. But Lord, let them have those blueprints that come out of heaven right from your heart. And father, tonight I want to pray into Illinois. Illinois, come into your alignment with the original intent of your birthright and destiny. You are the Lord's apostolic state. You are a place of government where plans are given. You are a prototype of what God wants to do in the rest of the nation. Illinois, may you understand your times and seasons. Reform is upon you in many areas, but the great I Am is calling for righteous reform. Father in Chicago, there is innocent bloodshed that is crying out from the streets. And Lord God, I thank you that you are reaching in to Chicago, into war torn places. And Lord God, I thank you that there is a righteous remnant. there is an Ekklesia There are righteous reformers that are coming up out of Chicago. I thank you, Lord God, that there is a new voice that is going to be heard in Chicago. And father, we ask that you pour out your love and your spirit of adoption upon this city and state and let the ungodly structures and rulers be overturned. Father, your word says righteousness exalts a city, a state and a nation. Chicago, state of Illinois, you're about to get a new heart and a new set of lungs. God is releasing a second wind. even as Pat said, a second wind upon you. and the breath of Holy Spirit is

breathing into you. Even tonight, new life. We decree the eyes of the Lord are on the righteous and his ears are attentive to their cry and the face of the Lord is against those that do evil. Lord God, We thank you that you are cutting off, cutting out and uprooting the ungodly and the ungodly structures. There is an apostolic prophetic army, an Ekklesia, that has risen in Illinois. Father God, that's going to legislate heaven in the gates. and Lord, we come into agreement with your strategies that you are releasing to them even now. And we decree, in Illinois, that the gates of hell will not prevail. That cities are going to be saved and transformed, that there is a harvest of righteousness that is appointed for Illinois. So father, again, we stand tonight and we give you praise. We thank you in advance for what you are doing and what you are continuing to do in these states and in our nation. America is saved, she's being saved and she will be saved. We give you all the glory in Yeshua's name. Amen and Amen.

Clay Nash: [00:37:39] Amen. Thank you, Betty, for that. Very strong. We appreciate it. Well, brother Jim Hodges, I consider you our senior statesman, and due to a recent dream I had that you were in, I just want you to know I'm praying that you have an encounter with God and right us a State of the Ekklesia Address. And I've been praying that God gives that to you before the State of the Union address, March 4th. So, no pressure on you, but that's how I'm praying. But what's in your heart tonight?

Jim Hodges: [00:38:14] Well, thank you, Clay. I'll keep on praying about the statesman thing, but I can tell you, I know I'm senior, so thank you, my friend. I'd like to jump in tonight. I got stirred by everybody, of course, but I'll jump in right where Betty was, about the phrase: Righteous reformers. Umm, Betty, I'm going to plagiarize that. But if you don't mind, I'm going to editorialize it. I'm going to give it a biblical terminology. And Apostle Clay just mentioned the Ekklesia and a phrase that I just can't shake lately. About the past month I'm {inaudible} on it, is Hebrews 12:23, a reference to the Ekklesia of the firstborn who are enrolled in heaven. And let me just clarify, the Ekklesia is not in heaven, it's on Earth. But those who are members of Ekklesia here are already enrolled in heaven. Our names are there, but our mission is here. So, I'd like to suggest that the term Betty used so powerfully about righteous reformers is really defined by the term EKKlesia of the first born. the first born, as you well know from the old covenant, in the natural biological way was the first born son received the double portion of the family's inheritance. So when the father died, the firstborn son served as a surrogate father to take care of the family. Now, what's this got to do with elections? Well, I'm headed there. Ok? {chuckles} But I want to say right now, where the righteous reformers that I believe are being

raised up in every state, some have more than others. Obviously, some have less. But I am believing that every state is able through the Holy Spirit's guidance and resting upon and working through the Ekklesia to identify the righteous reformers, to really pray them into a revelation of what the firstborn means in order to release God's government in the Earth, which of course transcends civil government, which, however, must be {inaudible} before God's purpose can fully be manifested in a nation. So without labeling this too much, we would say that the most famous firstborn son was not a biological one. It was a spiritual one named Elisha, right? He got the double portion. There's a connection there with the firstborn son getting double portion. He was the spiritual son. He was a covenantal another son, of course, to a Elijah, you know that well. And Elisha's name means "God is gracious". That's the translation of his name. L is God and these other endings have their defining ways to expressing God in them. Elisha, his name means, "God is gracious". Biblical grace means to be favored and empowered. So to me, the righteous reformers or the Ekklesia of the firstborn, they are, first of all, those who are empowered by Holy Spirit, as was Elisha, as you know, who had double the miracles. Elijah, his spiritual father, had his ministry. So it's about power. It's about power encounters. It's about defeating principalities and powers in high places. But it's not just about power. It's about inheritance. And so, Ekklesia, that's functioning biblically with Kingdom understanding knows it's empowered, but it's called to inherit. It's called to work with Christ in his securing his inheritance, right? Psalm 2. He's inheriting all the nations. I made a note as some others were praying, and I asked this question: who inherits the USA? Or who inherits all the nations? Psalm 2 says Jesus inherits the nations and therefore we're joint heirs with Christ. Amen. Heirs of God. So, we're part of the inheritance of Christ in our states and in our nation and of course, the nations of the world. So I'm not going to labor that. I just want to say, if we can get a revelation of this inheritance, I believe we lock in even more effectively as righteous reformers making a ton of difference in the election, in the direction, in the future of our nation. And so, in Jesus name, we just say that we are spiritual sons also of Elijah. Spirit of Elijah's come to join the generations. We say that we're moving forward in a way that the voice of the Holy Spirit through kingdom men and women will come to every generation. There'll be four generations simultaneously, at least, heralding the kingdom arising and conquering in every nation. So we declare tonight we are the Ekklesia of the first born son. We're empowered, yes, but we're favored as those who inherit. Jesus said the {inaudible} inherit the Earth. Excuse me. He didn't say Inherit heaven. Heaven's real. Heaven and Earth are going to be once more coinciding and connecting in history, as it did before the fall. It's going to be increasingly connecting through the work of the last Adam, through the Ekklesia, in Jesus name. So rise up righteous reformers rise up in

power, Ekklesia, rise up you Ekklesia that inherits in every state, No, that we're praying for, not just Indiana, Illinois, Alabama and Arkansas--that every state will have identifiable Ekklesia of the first born, in Jesus name.

Clay Nash: [00:44:43] Amen. Thank you, brother Jim, for that great insight. And I want to take something you said about the Grace and favor and we just declare that over all these states, all 50, we declare that they're--you said favor and empowerment. And that's one of the things that's real key. Grace is not just grace, it is God empowering people to be who they're called to be. And we need that over our states. We need it over the Ekklesia. It is over the Ekklesia and we need that, with it. And I'm just going to say, Brother Jim, I'm going to study that word, enrolled And I just feel like there's a nugget there. So you've got me on a word study after I get off the call tonight. Greg, you're with us tonight. What's in your heart?

Greg Hood: [00:45:41] Hey. Thank you, Clay. It's been a powerful night. I just want to pray into these states, and I feel like God's given me a word for several of them. Father, I just thank you tonight for what you're doing in our nation. I thank you for what you're doing in these states that are being highlighted tonight, Father, for prayer. Father, I thank you tonight, Lord, that I saw them as I begin to pray, like stones that were put in David's pouch. Lord, there's something that you are doing with these particular states tonight, Lord, that were not picked randomly, but you brought them in order for such a time as this. And I thank you, Lord, there's a cohesiveness that we're going to begin to see between these states, for righteousness and Father, I just pray tonight, over these states. And I thank you, Lord, as you're showing me this, It is the governors and their secretaries of states that will be coming together for a task of taking out giants. And so, Lord, I just pray that you would open doors, you would make waves, you would create a highway, Lord, for these governors and these Secretary of state's, Lord, to come together to begin to slay some big giants in this nation. For Lord, this is the season that giants are falling. This is a season that they're being decapitated and their heads being held up as a trophy of the Kingdom of Heaven. And so, Lord, I thank you tonight for this. I hear the Lord saying tonight that my heel is going to begin to strike the state of Arkansas. I just saw that in a vision. I saw the heel of the Lord Strike the state of Arkansas, and the striking that I saw, Clay, it was not a bad thing. I hear the Lord saying that I'm putting my foot down in Arkansas and as I plant my heel in her. I'm awakening a spiritual fault line, a fault line that has been hidden, a fault line that has been dormant, a fault line that even some knew that was there, but said that it would be ineffective because of the picture that has been painted concerning Arkansas. But the Lord says, as my foot, my heel begins to come down in your state, I'm awakening this fault line, and

this fault line will begin to release a rumbling and a deep vibration from Arkansas into D.C. And from this vibration, a new frequency of my kingdom is being released in this nation with a strength and a directiveness that America has not seen yet. Where out of you, Arkansas, I am bringing trouble to the political system of this nation. I'm going to begin to cause unknowns be known. Davids that I've had hid in the backside of the desert that have been learning of me with their sleen. You'll begin to bring from Arkansas Your sons and daughters. And they'll begin to be known out throughout this nation as freedom fighters, as agitators of the root system of the political structure within this nation. They'll begin to be the tip of the spear in the hand of King Jesus. But what they've learned in the backside of the desert will be something that the giants in the Valley of D.C. have never seen or heard of. They'll begin to mock them, but I speak strength into the sons and the daughters of Arkansas tonight, and I decree you'll not be moved by the size of the giants. You'll not be moved by the armor that he will wear, but it will be the agitation that you create within his camp and the agitation that he has created within you that will be your focus. Well, I see coming out of Arkansas great strength in sons and daughters that will begin to not only be in the political structure, but will cause a great vibration even from media. Where there are those in the media system in Arkansas that are going to begin to buck the system. They're going to begin to go against the grain. Some even being removed from television and going into social media. And they will begin to say "what we couldn't say there we can say here." So Arkansas, prepare yourself for my heel to begin to strike down within you, to release you as the great vibration and a great rumbling from your borders into D.C. your apostolic state lines, Arkansas will begin to draw the righteous under you, I hear the Lord say. I see a moving and a transplanting and a relocating, from what I'm hearing the Lord say, dark states, in the new Arkansas. God is creating and birthing through you a spiritual underground railroad he is establishing within you. Where there are strategies of escape that God is giving you to begin to go into dark states. States Where the kingdom of darkness has had its roots and to begin to bring freedom to the people that are bound in that state or in those states. The railroad will begin to run from You to them, not from them unto you. so watch what God begins to do from the sons and the daughters in your state. Because your state is an apostolic state and your borders are apostolic borders. I release that tonight Lord in the state of Arkansas. I hear, Alabama, I am moving you into becoming a very deep pool. a pool of wisdom. There's a pool of favor that you're going to begin to drink from in this nation and those who felt like they were retiring, those who felt like they were moving from the scene just kind of to the unseen, the Lord says, I'm re firing you. I'm giving you a new breath, I'm giving you new open doors and I'm giving you new favor, says the Lord. I'm also making you, Alabama, a deep pool of revival. Where

there have been prayers that have been prayed into you. There have been seeds that have been sown into you for awakening and for revival. I hear the Spirit The Lord saying over Alabama: I am awakening your coastline again, says the Lord. For what has been there in your coast line has been like a potted plant. But I will begin to pull you from the port and put you in the soil again and cause growth and strength and a root system of revival and awakening to begin to come forth from you, Alabama. You're going to begin to grow straight up and your branches will go straight out. For there is a revival and an awakening that has been brewing on your coast line and I'm bringing wisdom and favor on how to steward that, says the Lord. So, watch the coastline of Alabama. God is bringing it alive to awaken the nation. I hear the Lord saying that Illinois, this was odd when I began to hear this--There is a great regurgitation beginning to be released within you. I heard the Lord say Illinois, I am purifying you from within and your political masters have stuck their finger in my face for the last time, says the Lord. I have called your leaders to repentance, but they have insisted upon their way. I hear the Lord saying that they have brought my state of freedom into a slave state. And I hear the Lord saying tonight that He's beginning to upside down your capital. He's turning it upside down and he's shaking it by its heels. And this is going to cause, and I see it written in the news, "The Great Regurgitation". You will even begin to see the federal government won't just step in and bring order, but they cannot bring to you what they do not possess themselves, says the Lord. It will not be the federal government, they'll put the tip of their finger in it, but they'll quickly remove their hand. It will be you, my Ekklesia. It will be my Ekkleisa arising in the state of Illinois, says the Lord, that will begin to bring this order and this reestablishing of Illinois as a freedom state. I heard the Lord say over Indiana, you're light is going to begin to become brighter and brighter. That the spirit of debt is being driven from your state. I heard the Lord say over Indiana that you will no longer be a laboratory for the ungodly to try to practice their ungodly ways and their ungodly culture. For I am bringing a sweeping wind through you, says the Lord. Indiana, this is a time that you are rising up and you're becoming a lighthouse to the nation. Many say that you've spiritually been land locked, but I'm saying over you tonight that your light will begin to shine so bright that it will reach the East Coast, the West Coast, it will reach up into Canada and down into the Americas, says the Lord. So be encouraged, Indiana, your best days are ahead of you. You're victorious days are ahead of you and you will begin to see the glory of my son begin to shine brightly through you in ways and from places you would never imagine. For I'm bringing even in you the unknowns to the forefront, where you have a spirit of revolution within you. And I've stirred that thing within you and you will begin to be a voice, a loud voice, says the Lord, for

righteousness in America. So Lord, I bless these states tonight, in Jesus' mighty name.

[00:56:34][653.2]

Clay Nash: [00:56:37] Amen. Greg, thank you for those prophetic words released along with your declarations. All right. Timothy, what's in your heart? [00:56:48][10.9]

Tim Carscadden: [00:56:50] Thank you, Clay, and God bless everybody that's on the call tonight. We bless the prayer warriors. I have some words too, but before we do that, I heard Ken talk about Alabama and the governor's race there. I do want to have everybody pray for this man named Tim James. I've met him. We prayed with him and prophesied over him and he is building a bridge in my city. Matter of fact, his construction company is--he name of this construction company is 20 :22 because he believes in the doors, the key of David. Strong believer. Follows Dutch Sheets. Follows what we're doing. Many of these things that we're doing in the spirit. So he's a strong believer. So I believe God has appointed him for a time such as this and in Alabama. So let's remember him when we pray for him. What I heard for Alabama first, the Lord showed me, he said, this is going to be another season of them to become a first fruit state again. They've done it before. The Lord said they'll do it again. I also heard Isaiah 45:3. He said, I'm going to give you, Alabama, treasures of darkness and hidden wealth in secret places so that you may know that it is I, the Lord, who calls you by name. And there will be treasures found in some of the darkest places of Alabama. Things where everybody said it's too dark there, even in the racism issue. But there will be treasures that are found among those places, and God's name will be glorified. I saw whirlwinds come from there to cleanse the atmospheres there and beyond. And the Lord said this: what happens in Alabama will shake Georgia, and there will be a crossover effect from Alabama into Georgia. And so, there's going to be a transformation there. Now, for Indiana, I'm actually born in Indiana and I still have family there. It's called the crossroads state of the Midwest. But the Lord said you will become a mouthpiece to Michigan, Ohio, Illinois and Kentucky. You will speak into. The intercessors will rise up there and speak into those states and for the Senate race there, I heard the Lord ask Indiana, "can you hold?" That was the term I heard. And Indiana responded, "We can hold." And I heard the name, the candidate there named Todd Young, and he will hold that seat. We decree that, Father, over Indiana. You will hold the Senate seat there. Indiana, also, I heard, will be used to war over the darkness in Chicago. And as I saw that there will be a light release from Alabama to deal with the present darkness that's in Chicago right now. So, we speak that over Indiana as well. Now for Illinois. As I was praying for them, I heard this: Chicago has become a false voice of Illinois. But the heart has disagreed with that voice and the scripture that says how out of the abundance of the heart the mouth will speak. The Lord said the heart of Illinois is

about to speak and it will speak for forth. And then I saw like a mask on the face of Illinois, and the Lord wants to deal with that mask that's on them and remove it. and the Lord said. I'm going to bring down any two faced voices and I'm going to expose them in the coming season. What's going on and what happens in and out of Illinois. And the Lord said, watch Illinois in the next two years? It'll be such a transformation because this two-faced issue is about to be removed from them and the true heart of Illinois will be heard. And then the last thing I saw for Arkansas. The Lord said Arkansas will be a jumping off state, and many things that are birthed there in this next season will be jumping off. It will be a place for people in other states to jump off from. I feel like they're going to do some first fruit things in the spirit legislatively And then other states will see it as a template and will follow what happens in Arkansas. So father, we pray for these four states, especially tonight, and we speak life over them. We say, Lord, thank you for what you've started there and we ask you to finish that good work that's on in the name of Yeshua, Amen and Amen.

Clay Nash: [01:01:28] Amen, thank you, Timothy, and as you were praying and making declaration, I heard this for Kim Fox there in Illinois that she thinks she's dug herself into a foxhole. But the legal system coming after her. That her contacts with Smollett's sister and other things that she thinks she's covered up, they're going to be exposed. That God is digging around her foxhole so that she will be flushed out of that and righteousness will prevail in this situation. Hope Taylor, so good to have you on. Saved the best for last. Will you release what's in your heart?

Hope Taylor: [01:02:16] Thanks, Clay and everybody. Yes, I'll be happy to. I understand the principle of low hanging fruit, but in preparation for this call, I didn't feel like going after low hanging fruit. I felt like we should go after the strong man. So I'm just coming in agreement with Pat, and I heard, think it was Greg talking about slaying some giants. So, what's in my spirit, Clay, tonight is the state call Illinois. And so I want to agree in that and pray into that tonight. There is a group that is functioning there, and a dear friend of mine, Dr. Patty Anderson's involved with it-- coalition apostolic alliances, and I texted her and I asked her to get some input. And I just want to give those because tonight, when I read these, it's not just me, but it's us tonight, but also us compounded because we are agreeing with this alliance all over the state of Illinois. And what she texted back was regarding corruption and the governor, Chicago gang murders and the sexualisation of children. And so, I want to read this passage and pray a familiar passage: how can anyone enter the strong man's house, carry off his property, unless he first binds a strong man? And then he will plunder his house. And so, Lord,

tonight we say, first we would bind the strong man, Lord God tonight, and then we can plunder. So Lord, it seems to me and my spirit tonight that Illinois becomes a pivot point, lord, for this nation as it relates to November 2020, God and the elections. And so tonight, Lord, we would say we bind through the power of our agreement and Ekklesia cohesion Tonight, releasing tonight, the decree, we bind the historic stronghold of corruption and civil government. Lord, there's been an unholy alliance and allegiance between corruption and civil rulers Lord, between corruption and civil government. Lord, tonight I would even say Lord, it's a demonic alliance, lord, that we've seen so often. It seems like over and over, father, it just seems to raise its head. And Lord, spew forth things, not just in the state, but in the nation. Tonight, Lord, you're mature, Ekklesia, if I can say it that way, father stands to defeat tonight. We say in the mighty name and the authority of Jesus Christ. We put our eyes. We put our attention, lord, somebody already said to slay a giant tonight and in a state called Illinois and specifically a city called Chicago. God, tonight we know the history. But Lord, we also, it's all also been referred to-- we also lord are more attracted by the destiny then we are It's history, God, of corruption, et cetera. Tonight, Lord, I feel like you've authorized us as a team tonight to say in the name of Jesus, Lord, we call the civil authority back to a place of integrity, of authenticity And Lord tonight, servant leadership and justice. Integrity, authenticity, servant leadership and justice, and specifically Lord in the state of Illinois tonight, we call it back to those four, if you will, corner posts, Lord God, in terms of civil. tonight, Lord, we will not rest While civil authority has been hijacked, God by corruption. tonight, we want to break a hold. Lord, we want to break that hold that's been there, God. It's almost like it's been a union, lord. It just seems to almost laugh and scoff at the attempts to break its hold. But tonight, Lord, we say that the mature Ekklesia arises to her feet tonight and we decree in the authority of Jesus name that that headquartered connection, Lord God, between civil authority and corruption tonight gets broken. Lord, we swing tonight the hammer of justice against it, and we say that it would be cracked tonight, even at a foundational level. God, we say what you birthed in terms of civil leadership, we call it back to, it's already been said, its original intent tonight. And so, father in binding this, this is what we will say. We will say, we bind evil corruption by the acceleration of righteous initiatives and righteous leaders. God, we say tonight we understand incrementalism, Lord, but we also understand acceleration, Lord and may it be expedited God in the next eight months, taking us to early November 2022. May Lord, time speed up the process of righteousness overcoming, Lord, and defeating unrighteousness, may the process of civil, godly and righteous civil authorities speed up, Lord, to overcome. And I just see tonight, I'm not the prophet on this call by any means, but Lord, I see a suffocating thing going on God, a suffocating of evil, civil corruption, god with the civil leaders. So it may be

suffocated tonight. Oh God. And in these next eight months, God, we say that the Senate seats in Illinois, God, will be set in by the one who is the chief one who sets things in. Lord, you identified yourself as a God of order. Your word is clear. You're a God of order. So father, tonight we say, may the historic god of order. The eternal God of order, set things in order in Illinois over these next eight months, and we decree these things in agreement as the mature Ekklesia, in the authority And in the name of Jesus Christ. Amen.

Clay Nash: [01:08:47] Amen Hope. Great finish to an outstanding call. I appreciate everybody that's on, all of the participants. Thank you. Thank you. Thank you for being so faithful to get on, make your declarations, make your degrees, add your power of agreement. And don't forget, we'll be here tomorrow at 222 eastern time and we'll be pushing in and we'll be getting word out about some more Senate races in states that we'll be covering next Tuesday night. It will be transcribed and the recording will be posted. So be blessed tonight. Be blessed. Keep your voice strong, declaring and decreeing what heaven is saying. We're seeing a turning in this nation. The Ekklesia is maturing. It is stronger than it's ever been. And it is becoming stronger weekly. So God bless you tonight. Thank you for being on.
