**Ken Malone: [00:00:27]** Good evening, everyone. It is time for us to pray for our nation and for those that God wants to see and authority and power in 2022 and 2024. This is Ken Malone. Glad to be on here tonight. Clay asked me to lead the call tonight, and so I'm honored to do that. And a few of the things that we're going to be praying for and those of you that are listening can write this down. We're going to be praying for Trump and asking God to cover him, to give him protection. We're also going to be praying for other leaders that are carrying the banner of awakening, such as Governor DeSantis and Governor Abbott. We're going to be praying against fraud. We're also going to be praying for a sweeping victory. And we're just so glad you're on here tonight. I'm going to begin by opening up in prayer and then Clay is going to come on and share a dream he had. So, Father, we just thank you today, God, for your goodness and mercy. We give you praise and honor and glory for the great and mighty things that you are doing in this nation. And we decree over America that the Kingdom of God has come, and your will Father is being done in our land. We say, Lord, that you will send the angels of authority, Lord, to begin moving throughout America, to shift things and put things in proper position and proper place. And Lord, I thank you for doing that, in Jesus name. Clay?

**Clay Nash: [00:02:16]** Yea.

**Ken Malone: [00:02:16]** Bless you man. I know you've been working hard there in Arkansas. I'm seeing the work that you been---

**Clay Nash: [00:02:25]** I have, Ken. I have got red steel going up on the building we call the Eagle's Nest. I'm so excited. We began yesterday. Got all the trusses up today, {inaudible} some more pearling, so we're blessed. But I want to talk about this dream. Ken, thank you for taking this. I thought I was in another meeting tonight, but we have been-- somebody pushed the fast

forward button and we can't find pause and it's actually next week that I'm in those two meetings. But anyway, I had a dream last night. I mentioned it on today's call that many of you might have missed it. In this dream the Angel-- and you have to understand, I had an encounter. Ken, you were in the meeting that night in West Memphis, Arkansas, in December of 2015. Dutch was there, Ken was there, Jacquie was there, a lot of people. It was one of the Trail of Hope meetings. And I saw an angel with his left foot on I-40, his right foot one on I-55. And it was revealed in this vision he was the angel that guarded the justice gate. Well, this year, this angel began to come into my dreams and speak to me. And so in this dream, the angel that guards the justice gate, the first thing he said in the dream was, "enough is enough." And when he did, all the other angels that I'm talking about look like tens of thousands of angels, the angel army, those that are part of his crew, they stood to attention in this dream. It was like when that was said, it brought them to high alert. And then this angel said, "it's now time for the Josiah's to reveal himself." So I want to take just a moment, step back again. But in 2019, Dutch and I, and I think Chuck was there, we were at David Hertle's, Brandon, Mississippi, and the Lord gave me a word and He said, he said by the end-- this meeting was either July or August. He said by the end of the year, He said by the end of the year we would begin the 31 year reign of the Josiah Company. And so when Josiah was mentioned in this dream today, I began to reflect on the things that God gave me back when that word came forth. And let me just give a few, because I think this is the way we're going to have to operate in this time. We're in unprecedented time. They stop one of ---I don't know exactly who it was. One of Trump's affiliates today. He's on vacation with family and confiscated his cell phone. But anyway, let's talk about Josiah, because the word of God says that he was more honorable than any other king before his time and even beyond his time. But the first thing that Josiah did, he acknowledged there's a problem. Listen, Houston, we got a problem. Ekklesia, we got a problem. Praying church, we got a problem with what's going on in our nation. And prayer and obedient actions can be the tipping point and the turning point. Secondly, he humbled himself and repented. Thirdly, he inquired of the Lord. Number four, He received the Word of God's prophet. Hear my heart in what I'm about to say, there are too many so-called prophetic voices that are prophesying out of gain. They're prophesying what people that have itching ears want to hear, and they're not prophesying what heaven is saying. Be discerning. Number five, he made declarations about the law of God and the kingdom backs us in making declarations and decrees against this injustice. And then number six, and this is real key in this dream, Josiah made a territorial commitment before God. A region is a geographical area, but a territory is a sphere of authority and influence. And I felt in this, both back when I got the Josiah word, and as I pressed into this today, that the word of the

Lord is that we've got to recognize our spheres of authority and influence and not seek to operate out beyond them. And then number seven, Josiah tore down the high places. In other words, he went for those false altars. But the last thing I want to say and I want to make these declarations, and that is this: we are in a very unprecedented time in what's going on. We've never seen anything like this. I recently I had a dream, I sent it to Dutch and in the dream it was clearly said by the angel that guards the Justice Gate that Leviathan was the fuel that was fueling Baal. In the dream that's what was said. And I found it very interesting not telling you that I'm a Steve Bannon fan, not telling you I'm not his fan. I listen to his C-pac speech because a spiritual son sent it to me that he gave Saturday and he spoke of the Leviathan spirit in this nation three times. And so, Father, I declare that this Leviathan spirit that is fueling Baal, that is working against Trump in his personal life, Trump in his political life, Trump in his purpose and destiny that You designed, Father. people did not design it, you designed it. And we just say that that Leviathan spirit that is fueling the Justice Department, that is fueling--that's fueling Baal, that's operating, we say to you, you must cease. You must come down. You must yield to the king of kings and the Lord and Lords. You must yield your agenda, your divination, and you must stop. And, Father, we just declare: let the people on this call recognize and understand their spheres of authority and influence. Father, help us to understand that your boundaries are not limitations, but your boundaries are very needed in our lives. So Father, I just declare over the Justice Department, let a holy fear and reckoning... Father, I declare what the Angel of the Justice Gate said, and that is "enough is enough." One last thing I want to say: a couple of months ago, in a dream, the angel of the Justice Gate said to me that God cannot deal with the injustice in the political arena without dealing with the injustice in the apostolic and prophetic movement. So I believe with what's going on, we're going to see some revealing, unveiling, exposing---one of the ways I've heard God prophesy the laying back of the bed covers and expose what's going on. So let me just tell you, the people on this call, and other calls like this, we're not singling this out. You're strong people. You're mature people. But get ready. I believe we're about to see God lay bare his arm in a mighty way, Father, we declare that we are ready, Father, to surrender to you, to be dependant upon you, and to see you lay bare your arm. Do it, Lord, in Yeshua's name. and we prophesy across this nation, hear the Word of the Lord and the word of the Lord is, "enough. Is enough." Amen. Thank you, Ken.

**Ken Malone: [00:11:04]** Thank you, Clay. I totally agree with that. And I want to encourage those that are listening to even others on the panel here to help us pray tonight to ask the Lord to release that angel at the Justice Gate, that justice angel, decree that Enough is enough. But

also decree that the Josiah's are being revealed in this hour. So, Father, I thank you, Lord, that You are releasing the Justice Angel at the Justice Gate, that one who guards justice. And we release the word that he released: Enough is Enough. And Lord, we say, let the Josiah's be revealed in Yeshua's name? Amen. Betty Love, go ahead.

**Betty Love: [00:11:52]** Amen, Ken and Clay. I'm in total agreement. Also, a few days ago I heard the Lord say it is open season on the enemy, now .do not back out of the gate. Stand firm. And Clay, I heard the Lord say, stay in your lane. Stand steadfast, flint faced. He is upholding us with his victorious right hand. And I also heard him say when he said "It's open season on the enemy, now", he said it's causing Baal to spew out of his mouth what he swallowed. And just in confirmation, Clay, you talked in 2019 the Lord giving you that word in July about the Josiah and the 31 Kings. Well, it was in January 30th of 2019 when the Lord gave us the Word and the vision about the 70 day decree. And it's also, I don't think it's by accident that you were at Hope Fellowship with David and Dan. We were all there when the Lord gave you that. But on February 1st of 2019 we were also there and it was in that place that I had an open vision of Martin Luther nailing that 95 thesis to the door at Castle Church in Wittenberg. And what the Lord said in that. He said, "Your worship is plowing and my Josiah's are rising to bring reformation in your land. Embrace this. Josiah reformers. Josiah Company. Josiah generation. The Josiah anointing." and he said "no delay.: He said, "for once again, I will see the blood covenant and I will hear the cry of a righteous remnant in the land. It is time, your covenant with death will be annulled. Your agreement with the grave will not stand in this nation. The sin of a nation has reached its fullness, but the bowels of all the prayer movements have reached their fullness. I will see and hear the outcry of my people and tip your prayer bowls America. Revival, Awakening and Reformation will come again to this nation." And so I'm just, I'm c-- I know that we are in a fullness of time. And even as we have entered in Hebraicly to this month of Av the month of the Father, his will, his desire, where sovereign happenings are taking place. The other thing that the Lord spoke very clear to me this morning as, of course, the news coming out about the raids on the compound there at Mar a Lago and just an overreach. I heard the Lord say again, "boomerang." I heard the Lord say "swift justice." And again, it's hand-in-hand with the dream that the Lord is giving you, Clay. And Ken, what you're hearing and we're all hearing. And then yesterday afternoon, the Lord just spoke to me very clearly: samak. Which I know that that is the 15th letter of the Hebraic alphabet. And what it means is support, protection to strengthen, to surround, to sustain. It's where we get where the Lord said to Abraham, "Abraham, feart not Abraham. I'm your shield and your very great reward." And what the Lord

begin to speak to me, it also means to uphold or support, is that those that are standing; Trump. those that are standing for awakening, that are waving that banner of awakening and standing for justice in the governmental gate, the Lord is come again, again to strengthen and infuse those with courage and power. And He has raised a standard, that Banner; Yahweh Nissi, who gives us victory. And so tonight, I'm just going to pray into this and release some of the words that the Lord has given me, just scripture decreeing. But also this morning, also a spiritual daughter reached out to me and she also had had a dream two years ago to just about the day. And it was about President Trump. And this is what she said. She said, "I had this dream about two years ago, same month. And she said it is similar to what we are seeing with the raid on Mar-A-Lago. And she said, this is it: there was a reporter trying to dig up dirt on President Trump. This reporter was employed by a woman that hated President Trump and she was giving the reporter directions on where to look. President Trump was aware of the scheme to harm him and was watching closely. The reporter had received information from the boss woman to go look at the president's family farm. There was an office in an old family barn and the reporter began bragging about he had finally found the evidence he needed to expose President Trump to the whole world, and he would prove it as soon as he got back to the office at the family farm. He was so sure of himself that he brought with him his boss and a TV crew. It was going to be a day in history, never to be forgotten. When every one arrived at the farm, the reporter was gloating over his findings to everyone. He walked over to an old filing cabinet and opened the drawer. What was found inside was not what he in fact expected. Inside was incriminating evidence against his boss lady and for all the world to see. The boss lady ran over to the filing cabinet to try to cover it up. And I heard a song or the lyrics say: you took what the enemy meant for evil and you turned it for good? I knew it was a reference to Genesis 50:20. You intended to harm me, but God intended it for good to accomplish what is now being done: the saving of many lives. Father, I thank you that as I read this dream and as I heard the dream that Clay released this morning, Lord, again: Boomerang. Boomerang. Beamerrang. We decree and declare as your functioning Ekkleisa, taking our place in the gap, standing in this nation's gate in our spheres of influence. Lord, we decree swift justice on the kingdom of darkness. And that anti-Christ spirit, the leviathan spirit that is twisting and trying to bring destruction to your kingdom plan and purposes, your redemptive plan for this nation. Father, we want to thank you for those that are standing for righteousness and justice. I'm reminded of your word, in Deuteronomy 33:29: Blessed are ye o Israel, o people of God, o America, who was like you? A people saved by the Lord. He is the shield that protects you. The sword in which you boast. Your enemies will cower before you, and you shall trample their high places. Father, tonight we

thank you that you are upholding us. You are upholding those that are standing for righteousness and justice with your victorious right hand. Your words says, and we declare, Psalm 37:17: for the armies of the wicked will be broken. But the Lord upholds and sustains the righteous who seek him. Father, your words says in Psalm 94 that it's obvious to all that you have nothing to do with corrupt rulers who pass laws that empower evil and defeat what is right. For they gang up against the loves of righteousness, and they condemn the innocent to death. But, Father, we know that all their evil plans will boomerang back onto them. Every plot they hatch will simply seal their own doom. For you, our God, You will destroy them and give them what they deserve. For you are our true tower of strength. You are our shield and our reward. Father, we thank you that as we press towards these elections, the primaries in 2022 and 2024 lord, we thank you that you bring back legislators who have integrity, people like our founding fathers, principled decision makers and Lord, then our city and then our nation will be called honorable and just. We thank you, Lord, that you are watching over your word, to perform it in our lives and in our land. And Father, we thank you that even now, Father, I can hear the words and the decrees of Tim Sheets when he received that prophetic word from you where you said " A boomerang effect is being caused by my angels upon the strategies of darkness. Just as my Ekklesia has asked. Evil plots plans and schemes of dark government will boomerang back on my enemies. Efforts that were meant to destroy my plans will be boomerang on those opposing me. Plans of destruction will come back upon them and the King's redemption shall be seen. The Lord of Hosts decrees that in these days, angels in alignment with the declarations of the King's Ekklesia are activating these boomerang strategies upon out nation, cities and governments. and father, in our nation. And Lord, we thank you for a divine reversals. We thank you for exposure. And Lord, we agree with your word. You raise one up and you put another one down. And again, Lord, as I finish out, I'm just going to say again, swift justice to every place of corruption and Lord God, to every place of overreach. Let exposure come on earth as it is in heaven. In Yeshua's name. Amen.

**Ken Malone: [00:23:40]** Amen.. Thank you, Betty. David, we're so glad you're on here tonight. I tell you, the Lord is really moving there in Brandon, Mississippi, at Hope. I'm excited about what he was doing. David, share with us what's on your heart and pray.

**David Hertle: [00:23:56]** Yes. Hallelujah. Well, we just appreciate having you with us and what was released when you were there. And so, I'm just going to say a quote that I read, I don't know who made it, but they said, "the price good men pay for indifference to public affairs is to

be ruled by evil man." And so, we're not indifferent tonight. And that's why we're praying. And that's why we're declaring and agreeing together and embracing our responsibility as the Ekklesia. And I just want to-- also it's just too good to pass up. I want to read a couple of excerpts from Memorial Morello's blog today. He said, "We must stop living in denial about the degree of tyranny over our nation. Anyone still okay with the current regime is clearly wanting a leftist dictatorship. I am believing that Democrats have called down the wrath of all decent Americans and that they will see it in a red tidal wave in the midterm elections." I just declare these things that he made comment on, but we just declare them in Jesus name. There will be a red tidal wave in the midterm elections. And this act of terror he's referring to invading--the invasion of our former president's residence in Florida has removed every excuse of any believer to stay on the sidelines. How true that is. Preachers must speak out against the blatant depravity of our nation and marshal the faithful to vote. We must arm them, arm ourselves with information and boldness to share that information. In the face of incredible resistance. Trump has always been a wrecking ball. God provokes the left to act more and more insanely, so that the entire mechanism of corruption can be demolished. Pray--- he closes it by saying Pray, Believe and obey. So, that's what we're on this call to do tonight. That's what so many others are doing. And so we pray, believing the Lord, tonight. I'm just going to pray out of Psalms Chapter 9 and say, Lord, we give you thanks with all our heart. We tell of your wonderful deeds, we're glad and rejoice in you. We sing praises of your name O most high. In Jesus name, we declare our enemies are turned back, they stumble and they perish before you, O God. Where you sit enthroned as the righteous judge, and you uphold our righteous cause. Saying Enough is enough . Hallelujah. And so we sing praises to you O Lord. Enthroned in Zion. We proclaim among the nations what you have done. We say he who avenges blood remembers. He does not ignore the cries of the afflicted, of the unborn, who have perished in this unborn genocide that has been allowed to go on in the States that continue to allow. Lord, see how our enemies persecutors have mercy and lift us up from the gates of death, that we may declare your praises in the gates of Zion. And they'll rejoice in your salvation. The wicked will fall into the pit they've dug. Their feet will be caught in the net they've hidden, in Jesus name. And the Lord will be known by His acts of justice, and the wicked will be ensnared by the works of the hands. The wicked will go down to the realm of the dead. All those that forget God. But God will never forget the needy. The hope of the afflicted will never perish. Arise, oh Lord, and do not let mortals triumph. Let the wicked be judged in your presence. Strike them with terror, O Lord, and let the wicked know they are mere mortals. And I just close with praying out and declaring Psalm 103:19-22: The Lord has established His Throne in Heaven and His Kingdom rules over all.

Bless you, Lord, and Your angels who excel in strength. This angel of justice that we've been talking about, who do your word, who heed the voice of your word, Lord, even tonight carrying it out what they hear declared here on this prayer call. Bless the Lord all you, His hosts and you ministers of His who do His pleasure. And I thank you, Lord God, for those that are listening and those that are agreed and those that are ministers and those that minister across the spectrum of what ministry means. Lord, we thank you that are coming in agreement that we're coming in an agreement to shift this mountain cast into the sea that seems to be impossible to move it, but Lord is moving in Jesus name. And we will bless you, Lord, and all your works in the place of your dominion. We're bless the Lord, O My soul, we Bless the Lord, for you are saving America, in Jesus name. Amen.

**David Hertle: [00:28:31]** Amen. Thank you, David. Appreciate it so much. Pat, up in Aurora, Illinois, go ahead and share with us.

**Pat McManus: [00:28:42]** Thank you Ken for the opportunity to be with everyone. And as you sent out the focus tonight, I got to thinking about the camp of the Assyrians in Second Kings, chapter six. And I'll just read a couple of Scripture verses and pray. It says, "Now, the king of Syria was making war against Israel and he consulted with his servant saying, "My camp will be in such and such a place." And the man of God said to the king of Israel saying, "Beware, you do not pass this place. For the Syrians are coming down there." Jumping down to verse 11: therefore, the heart of the King of Assyria was greatly troubled by this thing, and he called his servant and said to them, Will you not show me which one of us is for the King of Israel? And it says, and one of his servants said, Not one, my Lord or king, but Elijah, the prophet who is in Israel, tells the king the words that you speak in your bedroom. Father, we ask for the exposure of every strategy, ungodly content and structure that this fraudulent government is trying to implement. Father, let the prophetic, the true. Prophetic sound, as what Clay has mentioned In the past, a true prophetic voice exposing the communication that is foundational in a government that's ungodly and trying to destroy our land. Father, We ask for the clear full expression or exposure of everything that's going on. Father, Let us see it before it even comes to pass. And Father cause the shaking and the quaking, as it says in Tim's decrees, the knees knocking by what is being revealed because of the fear of the Lord comes upon the land. Father, we ask for the dominoes to begin to fall as never before. Let there be the sound of a clear awakening, moving through the heart of the Ekklesia, releasing the full expression of the authority of your hand upon our land. We thank you, Father, that you are causing a stirring in the

heart of your people, not only in the nation, but in the nations of the earth that truly will cause a destructive wind to come upon an ungodly government and will blow it out to sea. We thank you, Father, that the wind of Holy Spirit is blowing with an intensity, power and authority which will dismantle every ungodly structure and system that is trying to be built and continue to be solidified upon our land. We thank you, Father, for exposing everything. We decree confusion in the enemy's camp. We declare babbling upon their breath. Father, we say no more, as it was been said before: Enough. Enough. Enough. We thank you, Father, that you are causing a rumbling and a tumbling to begin to fall in this ungodly structure as the Ekklesia arises with authority and marches forward to advance the kingdom principles upon our land. we thank you, Father, for the avalanche that's coming upon an ungodly structure as the King and our king arises and takes his place as the authority upon our land. We thank you, Father, for it and we give you glory and honor, in Jesus name. Amen and Amen.

**Ken Malone: [00:32:08]** Amen. Thank you so much, brother Jim Hodges. Glad to have you on here tonight. Share with us what's in your heart.

**Jim Hodges: [00:32:16]** Thanks, Ken and team. when the news broke last night about the Mar a Lago invasion and raid, the first thing I thought was the phrase that {inaudible} use so often. But I felt like this was--This was a straw that broke the camel's back. In other words, the enemies got enough rope to hang himself. Not only overreached, he's overstepped. He's now overexposed. And so and I'm not just saying that because I preference politics. I'm just saying that because it's the spirit of number one: deception working through the civil rulers. also, the spirit of lawlessness and these who are highlighted by the apostles in second thessalonians who, as you may recall, concerning the spirit of antiChrist. The spirit of Christ, First by deception. He was just a truth and gives propoganda like Goebbels in Nazi Germany. He then works through lawlessness. Here are the institutes and vehicles of law and so-called {inaudible} in America toally now corrupt and immersed in lawlessness. And {inaudible} Im saying, Amen. Let the rope begin to form that hangs the enemy. Now, what I wanted to bring into the conversation, I don't have time like I used to watch everybody, but I feel led to go there and {inaudible} gave reports from being in a meeting with former President Trump after the C-pac meeting in Dallas, where Trump spoke, by the way. And there was you know, {inaudible} Christian leaders and Trump was simply saying to them, I'm going to appeal again while I was in office. I was your friend. \*\*inaudible...\*\*

**Jim Hodges: [00:34:52]** But Lance was passionate about saying, people, we need to get the body of the vote, we've got to step up, step out and step into the place and make sure they vote in an unprecedented number this November. This is more than some election that we {inaudible}. This is paramount to our nation and being turned and moving forward again. And I'm reminded tonight that the Antichrist, as we see throughout Scripture, all the way from the book of Daniel through the book revelation often {inaudible} in the religious systems and civil governments. so if you know the institutional evil that is so embedded in these two strong entities in history and certainly right now. The religious system, come on,...\*\*inaudible\*\*

**Jim Hodges [00:36:01]** So guess what? tag, we're it again, Ekklesia. only we are able to deal with the Antichrist spirit. The civil ruler is not equipped to deal with Antichrist spirit. The civil rulers are often deceived engaging in lawlessness themselves. And then all this is to happen in a flow and how we prayed tonight concerning Josiah. The phrase in Chronicles that's always caught me is when it says that Josiah walked in the ways of his father David. and you guys know your Bible {inaudible}...But Josiah was determined to go back until he had found fatherhood. David wasn't perfect, but he was a man after God's heart. And so I think that's where we are now in history. We're going back to all the way if we have to, to Father God. Right? To find true fatherhood because that spirit of fatherhood has to be upon the ecclesia to restore a nation. And even those of us on this call {inaudible} Isaiah 22 it says but Elekehim replacing Shebnah that he would bring the glory of the father to Judah. So here we are with the challenges that we're facing in this hour. And so I just want to declare tonight that the enemy is overstepped, overreached, overexposed. And he is going to have to pay. He's got to pay seven times and give back seven times for having the gall and the arrogance to attack the United States of America. We're no better than. But we are calling out, God. We're the Ekklesia. And if my people would invest themselves, 2 Chronicles 7:14 And folks, we represent God's people. And we're doing it. We're standing and we're progressing. And we're advancing and we have no towel to throw in, in the name of Jesus. Let the reformers come forth. Let the antiChrist crowd be defeated, slain so that the purposes prevail in our nation. And in the whole world in Jesus name.

**Ken Malone: [00:38:34]** Amen. Thank you, brother Jim. Such a great word and insight and prayer. Appreciate it so much. I know that one of the things that we are going to have to do within the Ekklesia is prepare, prepare. Prepare. Joshua told the children of Israel, the captains, and said, Go through the camp and tell everybody, get ready, prepare. We're crossing over. And

this is a season that we must prepare for war. Hey, Anyone else on the panel have anything they want to share?

**Ken Malone: [00:39:11]** Well, thank you so much to All the panel, everyone on here. Clay, thank you for allowing me to lead it tonight. We so appreciate it and appreciate what you're doing in this call and the call in the afternoon as well. I just want to release a father's blessing over everyone who is listening. And so, Lord, I decree your blessing upon everyone. I release a father's blessing. And Lord, I say, let the Ekklesia arise in the spirit of fatherhood. In Jesus name. Let them carry the mantle of Josiah in the name of the Lord Jesus Christ. And we thank you, Father, for doing that. In Jesus name. Amen. Thank you all for being on here.
