

Prayer Call April 18, 2023 - Hawaii

CLAY NASH: Well, good evening. It is 9 pm ET and we are on the call Victory from God's Promises, and we are going to be praying for the state of Hawaii tonight. It's going to be a great call. We've got a lot of incredible people that are guests with us from Hawaii. Ann Tate has done such an incredible job of getting people lined up. We will be jumping off into that. Remember, every call is recorded and every call for the states is transcribed. So we will be getting this call up tomorrow and as soon as the transcription is finished we'll be placing it. Remember tomorrow at 2:22 ET we will be praying for North Dakota. Then on Thursday at 2:22 ET, for South Dakota and we will finish up this week Friday at 2:22 praying for the state of Maine. Also want to remind you that we still have room for the Josiah Company Convention which will be Thursday, Friday, and Saturday in Conway, Arkansas, that's about 30 minutes from Little Rock. We will be there praying over the nation, praying over all 50 states. Some of the hosts who have been on this call with me - this call has been going on for 5 years - will be joining us there. We've got the privilege and honor of Dutch Sheets is going to come and be there with us. We are going to be praying. One of our Arkansas State Representative will be there, and we have people coming in from across the United States to be a part of it. It will not be live streamed, but we are going to record it, and have a video. You can go to the store on my website, claynash.org and you can find how to purchase those there. We are just not in position at this facility to live stream it. I hate that but we just couldn't pull it together at this time. But anyway, we are going to dive into this call. Regina Shank from Missouri is on, and God has given her a prophetic word for the state of Hawaii. And so, Regina, I'm going to call on you first to release what God has put in your heart.

REGINA SHANK: Thank you so much. Hawaii is beautiful. I have been there. Gorgeous land, gorgeous state and that's how this prophetic word started. It says Hawaii, land of beauty. I decree that the beauty of Jesus will be seen in you. The Lord's Mountain is the highest mountain. Your mountains will shake at His glory. Your seas will move with the current of His pleasure. Your rivers and streams will know of His creative power. His river will bring fresh water and many fish into your land. The fishermen must get ready to catch the fish in the nets of revival and bring them to the fire of God. Even as Jesus had the fire ready when Peter and the other fishermen had an overwhelming catch, He will once again have the fire ready to empower and ready the catch for their purpose. The waterfalls of my glory will flow out toward you; the visitors will experience a cleansing flow. I will continue to battle with you against the spirits of lust and greed. I will battle with you against the broken promises that have held your state back. What I promise, I will fulfill. Some have lost their trust in the Word of my power. Others have trusted their own traditions, their own tribal ways. But I am calling you today to trust in me. Arise out of the complacency and apathy of discouragement. You will once again see the top of the mountain; the pearls of the sea; and the depths of my love for you. Your outward beauty is my handiwork. Your inward beauty is also my handiwork. I am creating hearts of passion within you for my Presence and glory. Look up; seek my face;

seek my heart; I have much to tell you that must be heard in the secret place. What you hear in secret, shout from the mountains. From island to island, from sea to shining sea, I AM. And then I began to look up about the mountains. There are 13 mountain peaks in Hawaii. I was brought to Matthew 13. Love this scripture and believe it is for Hawaii. In Matthew 13:16 it says, “Blessed are your eyes, Hawaii, and your ears, because they hear. I tell you the truth that many prophets and righteous people desired to see what you see, and did not see it, and to hear what you hear, and did not hear it.” Lord, we thank you that you have opened the eyes of the people in Hawaii. They are going to hear fresh revelation and vision as the waterfall falls upon them, Lord of your grace and your mercy. Lord you are going to do a mighty, mighty work in Hawaii, and we thank you for it in Jesus’ name. Amen.

CLAY NASH: Alright. Thank you, Regina. Great word. We come in agreement with that word. Thank you for leading us off with such a great word. Jacquie Tyre, you also have a prophetic word. What’s in your heart?

JACQUIE TYRE: I do. Hawaii is one of those places like Regina that I absolutely love. My husband has worked there off and on with clients for probably 25-30 years. So, we have gotten to love the land and the people. As I was praying for Hawaii this morning, I began to hear Holy Spirit say Hawaii, land and people of grace and beauty, of strength and dignity, resilience and mercy, fierceness and tenderness, humility, and hospitality, of simplicity with the intricacies of multi-dimensional brilliance. Hawaii, unique in many ways, to display the wonders of Who I the Lord am. Hawaii, a land contended over and often ravaged as powers sought to claim and profit from you. But I have a greater purpose, always have, and My purposes shall be fulfilled. I have a people in the land of Hawaii that have found the beauty and majesty of the My Kingdom and have given themselves to Me to be used as vessels of honor in the Masters Hand. I shall do a work in Hawaii that shall astound and confound many as I turn the tables of power, disrupt long-held strongholds of influence and control, and establish My order in the land. I am shaking to dislodge deeply entrenched systems of political and religious powers that have pillaged and raped the land; these shall topple, and I shall raise up a people to lead into the restoration and recovery of the land to My original intent. The fierce contending of the powers that be with the authority that is — that which is of the darkness with that of My Light - shall intensify in the days ahead, but fear not, My eyes are on you, Hawaii, and you shall see the land and her people arise out of the shaking in the beauty of holiness, the strength of redemption, the power of My Spirit and the authority of My Kingdom. As many have run to Hawaii for refreshing and adventure in escape of the daily grind of life, I shall have a people look to you, Hawaii, as a sign of hope and an example of My redeeming, transforming power. Watch to see what I shall do in one village after another as My Spirit moves across the islands to awaken, redeem and restore to My purposes. Stories of powerful transformation shall be heard from place to place to place. And know that grace, mega grace is at your disposal to steward well what shall be done and you shall see the islands ignited displaying the splendor

of My glory. At this point I really thought I was done with hearing and then I heard the Lord very clearly say I am balancing the economy of Hawaii. Man keeps trying to do it man's way, but I am releasing plans and strategies to balance what has been unbalanced and I shall right the wrong, repair the foundations adjust the systems and structures and recalibrate the rhythms of life to unlock fruitfulness a prosperity in the land. Do not fear the shaking and upheaval, but plant your feet on the solids rock of My kingdom and know what I shall do will be for your good and My glory.

So. Father God, I thank you for your words over Hawaii. I thank you for that which Regina has released and that which so many others over the years have released over Hawaii. Father, I thank you for Your hand of grace and beauty over not just the land but operating upon the people. Father, I declare as things move and shake and as your wind blows across the land to undo what the enemy has done and to bring forth your purposes in Hawaii that there is going to be a release, even an explosion of grace and glory upon Hawaii that will cause many to wonder and be in awe. Father I decree over Hawaii a shifting, a shaking, a realignment, a recalibration of reestablishment of your kingdom purposes and I decree that which is stolen, that which is plundered, that which is taken advantage of the land and the people over generations past; that which has been lost is being restored and shall be multiplied and even the economy of Hawaii I say let it be rebalanced. Let it be restored, repaired and recalibrated so that the fruitfulness and prosperity that you intend for the advancing of the kingdom of God on earth as it is in heaven. Let it be, let it be established all for the people of Hawaii for their good and as you said for their good and Your glory let it be done in the mighty name of Yeshua. Amen

CLAY NASH: Alright, Jacquie, Strong word there. We come in agreement with it. Timothy, I have a word to release, I just felt Holy Spirit say you are to follow me and then Ann we will call on you to release you to introduce the guests to have them come on after Timothy. I try to follow Holy Spirit, and this is what I am feeling. I heard the Lord say Hawaii while many are casting their net there and many are focused upon the harvest that truly is coming there are those of Issachar that have been wise and are spending their time mending their net. Yes, cartizo is coming to Hawaii. For the alignment that is coming is not just an alignment of the apostolic and prophetic, but it is an alignment of the ministries there that are established by my Spirit says the Lord. And as this fitly joining together of the alignment comes there will be a roar that will be released, that will be seen across into the continental states. It will be a roar that will release authority that people will sit up and take note – was that a tidal wave that came from Hawaii and hit the west coast? But the Lord said this roar is going to be greater than the west coast, this authority that will be released out of Hawaii. But yet I've got to shake – and this is how I heard Him say it – I've got to shake some coconuts out of the trees; I've got to shake some things down says the Lord because there are those things that are hidden that the Ekklesia must step up and rise into and as they do this cartizo will begin to take place and it will release that authority to sweep across into the nation and as it sweeps into the nation it will establish the authority that will become the roar, the roar, the roar and that roar will cause many hearts to fear, and see, and taste and

trust in God across this nation. Amen. Father I just come in agreement that You are bringing an alignment there in Hawaii, a greater alignment. We thank you for those who are aligned. We thank you for those who have an understanding of the times who are mending the net. They are aligning the net, Father, because there is a greater catch coming. So, Father, we just speak into Hawaii. We declare that which You are doing is governmental and as that governmental roar comes out of the islands, we declare it's not only going to touch this nation but it's going to be heard around the world. So, Father bless the Ekklesia there. Cause them to continue to move in surrendered hearts and works of obedience like never before. Father, bless the Ekklesia, bless the apostolic and prophetic there and cause that fitly joining together by what each join supplies to be greater than we can even imagine and do so in Yeshua's name. Amen.

Timothy, there in Louisiana, what's in your heart?

TIMOTHY CARSCADDEN: Thank you, Clay. Boy that was powerful. As you were prophesying, Clay. I will say this west coast. I saw that wave. I speak this in agreement. I saw it hit southern California especially all the way almost up to San Francisco I just saw that wave hit that, so I want to agree with that word and bring a confirmation with that. Before the call today I was praying and had some visions, and I am just going to release what I saw and prophesy and bless and honor the ministries in Hawaii. Love the purpose of that state and what God has for them. This is what I heard and I saw. The Lord said from the mountains to the valleys your redemptive purpose is crying out, Hawaii. The land of awakening, the Lord desires to visit you again. The saints of old gave their lives for your redemption and they will not go unrewarded as their cry for revival is still being released in the land. I don't know how to explain what I saw but I saw the soil just move and the bones of those who paid the price begin to cry out for revival in the land. Then I heard this about the big island. The Lord said the big island will birth a new wave of righteousness to the north that carries the prophetic purpose to Maui and beyond. You have been quiet and lacked representation in Honolulu, but one will come from your midst that will gather favor to help will turn the tide in the halls of the capitol building and restore sanity back to you. And I saw this whole movement in Honolulu when I was watching. But anyway, the Lord calls the Ekklesia to arise and He is releasing the boldness and confidence of Acts chapter 4 to you as you will be shaken as you were in the past. Hope is eternal in your midst. The righteousness of the land is moving to and fro. I just want to pray into that I was seeing there, especially Hawaii, I mean Honolulu, the Capitol building. There are new voices coming. I want to decree that tonight. Lord, we agree with Your purpose for Hawaii. Lord, it is isolated, but it is not isolated from you. And Your Spirit has touched the islands before. Lord, we call back another awakening, another shaking of your Spirit in that land, and we ask for the representation of the Ekklesia to rise up. We thank you for that new boldness and new confidence that's going to come to them to go and speak Your word across the Land. We say let no Island be untouched. Lord, of all the Hawaiian Islands we pray that there be a wave from the south all the way to the north and that every purpose of the land

would be established. We decree that and we ask for transformation in Honolulu toward the capital. Lord, we say that restore the sanity back to the purpose of this state. And the purpose of this state is to be a voice, not only in the islands but in the land and in the mainland as well. In the name of Yeshua Amen, amen. Thank you, Clay.

CLAY NASH: Thank you, Timothy, for that word. You know I just want to mention the fact as we've gone through the states, I think today, I forget where we are, 42nd state. think it is. Hawaii. There have been several words that have come over several states about God is about to raise up somebody new, somebody unknown, just as I heard in this word there. Lord, we come in agreement with that. Lord, do it and do it quickly Lord for the turnaround that is needed for our nation.

Anne thank you so much for working with on us putting these call together, for having the right people. So, I'm going to turn it over to you so you can introduce those who you have invited.

ANNE TATE: Thank you, Clay. It's my pleasure and really, they put it all together. They did an awesome job. I want to say this word. We have all touched on it. But I want to confirm what we are all seeing. I have never seen us so all together on what we are seeing so they have been praying for us today for sure. Here is what I saw. When Hawaii was explored, when the Europeans began to come to Hawaii, Hawaii had a God, and they knew the Lord. They had a respect for the land, and they were keeping the land according to the principles of what the Lord charged Adam with and Eve. The Lord said that He is getting ready to humble the takers and the users. He said that He is raising up new governmental leaders like several others have seen. But they will arise and move with integrity and righteousness. In Hawaii you will begin to demonstrate and bring forth a giving economy because you are givers. You are givers and move in a giving economy. Europeans don't understand that. Those that serve at the altar of mammon don't understand that, but the Lord said that you have served in such a way that the Lord is going to be the wind that carries it through Hawaii. That He will and it will be as others have testified such a picture to the mainland and the rest of the world that things are getting executed in a new way. The Lord says that you stood your ground and stood in the right place and now you are going to see great fruit abound as fruit does abound in Hawaii. A shadow and a type. There is going to be great fruitfulness that comes from your prayers and the things that the righteous, the Spirit of God has put in place and is calling forth in this season. Lord, we thank you for all you are doing, and we thank you for these words that You have brought forth. Now I want to introduce to you Kanani Kaopua. She is a prophetic intercessor, a business leader, and a pastor. She is going to be introducing the other people on the call. She is going to pray herself. Kanani I want you to take it forward.

KANANI KAOPUA: Aloha. Thank you. Powerful prayers. I just want to thank you, Clay and Ann for your faithfulness in this prayer movement. I just want to honor you. I know that there are many here in Hawaii who have been praying as well. I want to honor them

as well before we move into this. Thank you for the opportunity to represent these wonderful islands of Hawaii. Those words were spot on. One of the things I felt we were to release first was a sound from the islands. We have Mickey Elani and his wife Patty. They are worship leaders, song writers and they carry a psalmist anointing. We just want to release that sound before those of us in Hawaii release what God has laid on our hearts. If Mickey, you can unmute yourself and share that prophetic song with us.

MICKEY: A komo. My name is Mickey Elani. This song, you know just going back to the islands, we are the 50th state. This number is engraved in these islands. 50. I remind myself in Acts, the Day of Pentecost, remind myself in the Old Testament Jubilee the 50 years, resolution. This song will fill your hearts so as I sing in the Spirit may you be blessed, in Jesus' name, amen.

Song: Oh the presence of the Lord goes in with the island breeze
 And glory fills this place; All bow down
 Yes because we worship You in one Spirit and in truth
 In heaven Your praises, we welcome You, Lord, in this place
Singing in Spirit or Hawaiian
 All the presence of the Lord goes in with the island breeze
 And the glory fills this place. All bow down
 Yes because we worship You in one Spirit and in truth
 In heaven Your praises we welcome You, Lord, in this place
Singing in the Spirit Our Father, Lord Jesus, Holy Spirit in this place
Singing in the Spirit Our Father, Lord Jesus, Holy Spirit in this place
 Yeshua.

KANANI KAOPUA: Mahlo, Mickey. Thank you so much. I'm just going to decree what the Lord laid on my heart and then we are going to move to Kathy, just thank you, Lord, for your presence, thank you for Your washing. We honor You. We thank You that what I sensed is God is recommissioning Hawaii in a new way. We just crossed over at Passover into the new we've been commissioned. This is an exciting time and I want to decree that Hawaii has been called to wash the feet of the nations. At this hour Hawaii will in turn be washed by God's glory. Lord God of Israel there's no one like you, God of heaven and earth who watches over His covenant, showing gracious love to Your servants who live their lives in Your presence with all their hearts. II Cor. 6:14. Hawaii know therefor that the Lord your God He is God the faithful God who keeps His covenant and His loving kindness to a thousand generations with those who love Him and keep His commandments. Deut. 7:9. And I want to decree that even in our unfaithfulness that You have been faithful God. We want to break any agreements with the spirit of mammon, lack, and poverty. The shakings that have been happening in these Islands have been breaking free our provision for the future. What some saw as destruction You were bringing forth provision and changing the landscape in order to receive our new portion You are releasing over the islands. And the Lord had me revisit

in 2019 when Chuck Pierce came to Kona and he prophesied and spoke things over us. I felt the Lord said re dig that, listen again. These are some of the words he released. We call forth the provision and the richness you have placed in the land. God You are breaking the barriers between heaven and earth in the Hawaiian Islands. We call forth the breakthrough glory highways that will go from island to island to island. Decree that we will see a glory highway from these islands. It will go from here to the mainland to Asia to India, Australia, New Zealand. It will penetrate the earth out of these islands. We shout "Break through! Break through! Break through!" I saw a glory highway changing the course of the land, a whirlwind. The Lord said get ready as a sign I will send whirlwinds swirling through the islands. The Lord said out of those whirlwinds there will be lightnings coming down. In the word of God lightning means paga. It means a call to intercession. It means a call to releasing the sound of God. I saw the glory cloud come. It came from behind Kona as if a loudspeaker began to speak It was amplified. Kona will become an amplified voice. Sound is voice. Without the voice of God things don't form right. They don't take right form. I saw sound and glory permeating to the other islands, even the islands not fully inhabited, wildlife coming alive; people coming alive in a new way. There were cycles being formed. The whirlwind represents new cycles time is circular. What goes around comes around. We are in the process of redeeming time. The Lord says redemptive whirlwind coming on these islands. What was meant for other seasons will begin to manifest in this season. The new cycles will unlock earth in a new way. The voice coming out of Hawaii will change America and China. I'm developing a kingdom strategy that will move to the mainland. I just looked up hail lightning storms over Hawaii. We had some unprecedented hail whirlwinds, thunderstorms, and lightning just in 2023. So, God, Father, we release in the Spirit new strategies that will build the bridges for Your people to cross when things are falling apart. Father, we decree that You have said that if we your people keep off fear from them, they will see clearly. Lord, we declare that our eyes will not be broken by fear. That You will keep our hearts pure, and our eyes will see clearly the path ahead. I declare new strategies for increase when the world is saying fear, the world is about to crash. What do I say? No! I will cause you to flourish in the midst of lack. I am your source. Keep your eyes on Me and your ears attentive to my voice. I decree new, innovative ideas being birthed that will bring supernatural provision to Hawaii. My resources will never run dry. The sound and movement I will release through Hawaii will be a sound that breaks open my treasures. What the enemy meant to lock the islands down I will use to nourish and provide for my people in the islands. The sounds of waves breaking, the sound of lava moving, the sound of winds blowing will create a movement that will host My glory. I am converging these sounds to break the voice and sound of the enemy that was released to lock My people in fear. The voice coming out of Hawaii will change the nations. I decree winds of change are blowing through the islands and are uncovering the seeds of harvest that have been preserved for this season. I decree the seeds of harvest that are in the land that have been awakened and watered by Holy Spirit will bring forth a double portion of revival from the 1800's. Hawaii hosted the voice and the glory of God in the 1800's. It will now become a megaphone for heaven. Hawaii will break the sound barriers that the

enemy has set over her. The Lord said that there are seeds of revival and glory in the land from the 1800's. And I looked up can ancient seeds germinate. The oldest seed that has grown into a viable plant was a Judean date palm seed that was over 2000 years old, recovered from evacuations of Herod's palace in Masada in Israel. It had been preserved in a cool dry place, not by freezing, and it was germinated in 2005. So, I decree germination is the process a seed goes through when it wakes up from its dormant state and starts to grow. Seeds are self-contained systems that contain most of what they need to get themselves started, but there are three triggers that kick off germination: air, water, and warmth. Father, we decree the glory seeds in this land, the righteousness is in the land. We call the seeds in the land to wake up from your dormant state. Wake up! The life of the land is perpetuated in the righteousness of Jesus Christ. Holy Spirit is dismantling the structures that have held the seeds of righteousness and glory in a dormant state. The fogginess and haze are being removed. We decree the islands will be an apostolic and prophetic center for training and sending. The water channels between the islands will be walls of protection from the enemy that would try to invade and destroy my glory waterways. Yes, even the waterways belong to Me says the Lord. I will use them for communication and travel. My treasures are in the water. Fear has tried to rob the life from you. It has caused you to make decisions in haste. You must break agreement with the spirit of fear. Let's decree we will move past all fear. Fear, let go! Tell the spirit of fear it has to go. Tell the spirit of fear God's glory will overcome it in these islands. Father we decree Isaiah 42:5-9

5 Thus says God the Lord, Who created the heavens and stretched them out, Who spread out the earth and its offspring, Who gives breath to the people on it and spirit to those who walk in it, 6 "I am the Lord, I have called you in righteousness, I will also hold you by the hand and watch over you, and I will appoint you as a covenant to the people, as a light to the nations, 7 To open blind eyes, to bring out prisoners from the dungeon and those who dwell in darkness from the prison. 8 I am the Lord, that is My name: I will not give My glory to another, nor My praise to graven images. 9 Behold, the former things have come to pass, Now I declare new things; before they spring forth I proclaim them to you. Thank you, Lord. Hallelujah Father. So, I'm going to ask next Kathy Thurston to declare what the Lord has laid on your heart, Kathy. If you could unmute.

KATHY THURSTON: Thank you, Kanani for that powerful word. Hallelujah! I love it. And I just wanted to affirm and thank Brother Mickey for that beautiful medley, that song, even those that gave words before: Regenia, Jacquie, Clay, and Timothy. My heart was just inspired to hear even about the 13 mountain peaks and Matthew 13;16 I love that on the Island of Hawaii, the big island, the youngest island, the island that is still growing with the lava that God is putting forth every day for decades now as new growth continues to take place. There, on that island Mauna Kea when measured from its original base below sea level is over 13,000 feet high. The highest mountain, even higher than Everest when measured from its original base. So, here in Hawaii, such a special place. I am a native Hawaiian, born and raised here. I married a Thurston. Thurston is a somewhat infamous name here in Hawaii. Being that the first missionaries

that came on the Thaddeus were Asa and Lucy Goodall Thurston. And we all know some of the hurt that was brought not by the original missionaries but by their descendants. So, I want to talk about that today. I just feel compelled to speak this. But I wanted to reaffirm Mauna Kea tallest mountain with the mountain peaks all the way up to the island of Kauai, the eldest island, the wettest place on earth, Mt. Waialeale where water overflows, transforming water so I do believe that God had an amazing design for us here in Hawaii. We know the breath, the breathe that was spoken that was spoken in Genesis, God's breath over the waters He was who we, our ancestors that were traveling to the most remote place on planet earth from 300 AD they were circumnavigating the globe in their canoes even before their European counterparts. In fact, all Europeans believe that the world was flat and if we went too far, we all learned it in grade school, we would fall off. But our Hawaiian ancestors knew that we were not flat. They were inspired. There is no way anyone could have navigated here in a handmade canoe, made out of a tree out latching made out of coconut fiber and sails made out of plants. They would beat them together to make sails. That they would leave their homeland to sail to the most remote place on planet earth. I do believe what has happened many, many generations ago 1800s between 1837 to 1850 Hawaii was 96% Christian. They were followers of Christ. The missionaries came. Hawaii had a great awakening 180 years ago. The kingdom of Hawaii even before we became a state 96% Christian thank you to two people who came before forefathers, Titus Cohen who came from the east coast and the bravery of our Hawaiian royalty, King Kamehameha and a high ranking woman who would defy the demigods, Peli, the volcano goddess and turn the hearts of her people to Christ. (Maybe Ka'ahumanu?) (Sorry but I don't know much about Hawaiian history or language.) Many men and women were instrumental as I look back. We at this time are being called to look back to see where we came from. We come from a rich heritage. This same Hawaii has also been used. Hawaii in the 70's was the first state to legalize abortion, the killing of babies. Hawaii a few weeks ago the governor signed into law 14-year-olds can have abortions without consent of their parents. So, Lord we come the same way you turned the many that came before us. Turn the hearts of the people to Christ. Lord, we pray that this fear that they wouldn't fear man but there would be a holy fear of You, a reverence, Lord. We pray that multitudes receive Christ – 10,000 in Haili Church in a town that only had a population of 1,000. How can that be? But He multiplied the population by 10 times. Thank you, Lord. Thank you, Lord. In 1893 though the overthrow of the Hawaiian kingdom by Loren Thurston at the helm, a child of a missionary. So, Lord while I am not a blood Thurston, I married a Thurston. I have Thurston children and grandchildren and future generations. On behalf of me and my family, Lord, I repent. Repent, Lord, for the hurt that we caused, the brokenness that was caused by the actions of fallen men and women that had surrendered and compromised their godly character and belief in order to satisfy their flesh and human desires for control possession, and money. Lord, I humbly come before You, Lord, and repent, Lord, for this sin that we caused that has stained the people of our land. I pray, Lord, against unforgiveness. I pray against this root of unforgiveness, Lord, that it would be broken in Jesus' name, Lord, and Lord

there would be an infilling, a healing, a rejuvenation, a restoration, Lord. Lord, Your brothers and sisters in Christ what they did 25 years ago with Neoposit (?) I pray for that same spirit Lord for repentance for our government leaders, our authorities, the keepers of our laws to be upright, upright just and noble, Lord. We pray, Lord, that You would break the stronghold from the past. Heal our people, Lord. Heal our land. Lord, that seeds of humility and forgiveness would grow. That they would be watered with kindness and authentic genuine aloha, and they would flourish here in Hawaii, Lord, That the revival that has been prophesied for so many years, Lord. The one that was here active 180 years ago would return and I believe it is here and is starting is already happening right now, Lord. I know it. I can feel it. I see it. Here in Hawaii on Honolulu on the island of Oahu, Lord it's happening. Your divine spiritual holiness, Lord will continue to be here and wash over the entire islands from Kauai to Oahu to Maua to Kalaupapa, all the way to the big island. Lord this new island, Loihi, that is off shore would permeate out throughout the entire globe, Lord as a tidal wave that would flood the land, Lord that it would flood the land with Your new revival, Your holiness, Your waves of Your love. Lord, keep Hebrews 13:8 Jesus, You said You are the same, yesterday, today, and forever. And I love, Father, that You said also, or that Paul shared, Lord, in 1 Corinthians 13:13 But now faith, hope, love abide but the greatest of these is love, which is aloha, Lord. We know everything about aloha, Lord, You are love and Lord You ask us to love You and to love others. So, Father, give us this grace. Thank you, Lord, for loving us as you do. Begin here. Wash over the entire planet. All over it, surpassing all human understanding that there would be places here, Lord, that are round and dry, Lord, that they would be flourishing with the fruits of Your Spirit. And Father we pray, Lord, that the life of the planet is perpetuated in righteousness; and Father, we pray specifically for the government leaders, the business leaders, the religious leaders here in the 808, Lord. We pray for godly wisdom, character, integrity. Pray for them to have the courage and to be bold as they honor and magnify You, Abba Father, the King of Kings and the Lord of Lords through their calling, their servant leadership their time, talents, and treasures through their day-to-day assignments, Lord, and their spheres of influence and where you have placed them and assigned them for a time such as this. Lord, we come against and break compromise, political correctness and wokeness. Lord, we as believers in these islands, we are coming out of the closet., Lord in Jesus' name that there will be a fresh anointing and a fresh boldness, Lord and unstoppable wave of love, of aloha. We pray these things, Father in Your Son's name, Jesus Christ, Yeshua. Amen.

KANANI KAOPUA: Thank you so much, Kathy. Powerful. We are going to have Lania Ola Fluen who is an apostolic prayer leader. She worked with Cindy Jacobs representing Hawaii and attended the prayer gathering in DC. She is also a Hawaiian pastor. She is a cultural advisor. She is a teacher, so we are going to have her release something.

LANIA OLA FLUEN: (*Hawaiian language*). Lift up your heads, you ancient gates. And be lifted up O ancient doors, The King of glory may come in. Who is the King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads O you gates, and lift them up, O ancient doors, That the King of glory may come in! Who is He? The Lord of hosts. He is the King of glory. (*Hawaiian language*). Amen. Amen. Amen

CLAY NASH: Ok. Are we moving on to someone else?

ANNE TATE: Kanani?

Go ahead,

KAHA: Aloha. This is such a thrill to be able to share with you, Brother Nash and all these wonderful women and men of God that you've convened together. Thank you so much for providing us this opportunity. As we were out at Kohala a couple weeks ago I was sitting there and at Kohala they have these strong winds that come through. I was just asking the Lord, Lord what are You wanting to say over the Hawaiian Island? The Lord just basically said My wind is blowing over you, Hawaii. Know that you are protected. While chaos will break out like spot fires across the globe, I will protect you. While the lands and continents in distant places will be displaced and moved, you will not suffer from the rising of tides. I heard the Lord say "Know that you are provisioned Hawaii. While there will be loss of food and livestock in other nations, know that you, Hawaii, will be filled with bounty of every kind, provision for every necessary thing that you have need of." Then I heard the Lord say "Know, Hawaii, that you are a portal from the time of the Garden of Eden, you, Hawaii, have been connected by a special access portal. Your native birds that flourished on your islands and became the feather capes worn by your rulers, these were My gifts sent to you through that portal. The enemy of God cultivated that portal and used it to defile your people and your land by sending his demonic forces to turn the hearts of the rulers and the people to serve and pay homage to elemental gods and even required them to sacrifice the lives of men and women and children who bear My image and likeness. But My Son Jesus Christ was sent to be the last sacrifice for the sins of all people and all generations, and His blood now flows on the land. Thank you, Lord, for the blood of Jesus that sets the line of demarcation that says to the evil one No more! The people of Hawaii God says are Mine. They have been redeemed and restored and reinvigorated with renewed authority and majesty. My Ekklesia, My Ekklesia, My remnant is rising up and they will rule over every principality and demonic throne that was set in times of old to usurp My rule over these islands. My righteous rule with my righteous rulers will be restored says the Lord God over all the earth. I just praise the Lord for that word that is going to be the sending forth of a righteous wave to the north. For so long we have been hearing attacks are coming from the north, attacks are coming from the north. Now we are hearing the Holy Spirit is saying NO. We have passed over, crossed over into conquest now. So, you know there are no longer going to be attacks sent to you, but you are going to send God's glory; you are going to send God's provision. You are going to send God's power and

authority to not just to the west coast but to all the Pacific rim nations that converge and touch on the same ocean that God has set the Hawaiian Islands into. And Father, I thank you that as we are 200 years out from when the gospel came to the Islands of Hawaii that You are going to renew the power of Your word in these islands like never before. When the gospel came, when the word of God was spoken and translated, it was given to the Hawaiian people and I pray that You will use the Hawaiian people to give your word to the Filipinos, to give Your word to the Japanese, the Chinese and every other ethnic group. Lord, we pray that there would be this oral, mother tongue translation and giving of your word to every people group that are here in these islands. So much has happened since the gospel came 200 years ago and I thank you that you have given us strategy to send forth Your word just like You brought it into this gateway place of Kahala Okona, Hawaii. You brought the word of God here first and Lord, we thank you that we get to send it to the nations of the earth. Father, I do thank you again for all the prayers that have been prayed in generations past. Thank you that You are not only breaking generational curses in the land, but Lord You are releasing generational blessings that You have wanted to see come forth, spring forth from these lands for so long. I thank you Lord that You indeed will see Your joy will be fulfilled; it will come to pass because you have said it. We stand firmly and we believe it. Lord, we thank you for it as we release it and decree it. We thank you Holy Spirit that You give us the ability and the strength and the perseverance to watch over and it to see it come to pass. We as it is in heaven it will be on earth. As the joy is in heaven when it is released so will the joy be here in the Hawaiian Islands. Amen.

KANANI KAOPUA: Thank you. Kahu. Powerful. Tom Fernandez, you release what is on your heart. Tom is a pastor and an intercessor, and he is going to release what is on his heart.

TOM FERNANDEZ: We begin with releasing a roar and saying amen to the words that have been spoken prophetically over our islands and I release it through the sound of – right now. (Blowing of the sea shell) Mahlo We thank you for the voice the leio from heaven today and the word God you opened up from heaven and rained down upon our island, upon our land here as the word is said in Isaiah 40 that the voice of Him that cries in the wilderness So we hear Your leio today. We affirm, Lord, Your word. We believe Your word. We walk in faith today. So Lord as you are calling forth, prepare ye the way of the Lord. Make straight in the dessert a highway for our God that every valley shall be exalted and every mountain and hill be made low; and the crocked shall be made straight and the rough places plain that the glory of the Lord shall be revealed and all flesh shall see it together. For the mouth of the Lord has spoken. We say amen today to Your word spoken. We say that the heavens are opened up that waters from heaven come down, a refreshing will take place, a comforting in this time as we begin to shake. Every mountain, Father. I see the mountains; the 5 mountains being shaken. All things will be made low. We thank you, Father, that right now You are making the crooked places straight and You are making those rough places plain Lord that all

would see Lord that You rise forth that the Light of the World has come. As that light rises over from the east over our islands, we thank you for that light that will pour forth that word that will be transforming in families right now. Our families of Hawaii. There are families that will be placed upon You, the Rock of our salvation as the rains come, as the winds blow that we will not be shaken because You are our Rock. We thank you for Your word here today. I see, Lord even as the fires, Lord, the little fires so we take time right now to take that deep breath and we blow upon the fires, those ambers of fires, the revival fires Lord upon our children right now and upon this generation You are raising up for such a time as this. That they would rise and stand in dignity they would stand in integrity they would stand in truth and in light and Lord that they would not be afraid, Father, and this fear that has come in, Lord I than You that they are facing these things, Lord in everything that they face they will rise. This generation will rise, Lord, they will rise and will not be fearful for you have given them power, Lord, of love and a sound mind so we thank you for that. The fear is broken right over our island. And as the fear has been broken even has been sent forth from heaven toward the nations the tribes would rise up for such a time as this for You are doing something amongst the nations, for amongst the tribes, amongst the languages that has never done before and Lord, we thank You for this great revival that is taking place here in the islands would spring so the new things Lord that would take place. We thank you for the old that have been washed away and the new that will spring forth. We call forth those new songs even as Uncle Mickey released his prophetic song over the islands and over our families, over the young ones and the generations yet to come. We say, Lord that Your righteousness, that this land will be perpetually righteous, and the families would live in righteousness, would live in peace and harmony and joy. That the joy and the stories of God and the stories of Your goodness and Your favor would be upon this nation. And even as the great fragrance of the King of Kings Lord of Lords would blow forth winds that were spoken of, Lord we carry forth to the nations and the tribes just aloha this love that comes form You, Lord, be upon these nations to give them comfort in this time that we are entering, the shaking that is going to take place. We thank you, Father. We see, Lord, we have been through the storms, and You are in that boat with us and we are not afraid, Father, for You are doing a great thing. We speak to those waves, we speak to those winds, we speak to those mountains Father and we say we arise, we believe You. We thank you for your word, we thank You for your blessings upon our church, upon our families, upon our communities and what You are doing for us in the islands. We thank you for that. In Your precious name Jesus Christ. Amen.

KANANI KAOPUA: Thank you so much, Tom. Cindy Ackerman is going to release something over families. She called and said she had a word for families. So, Cindy, please release that.

CINDY ACKERMAN: My spirit is overflowing with confirmation and just my amen with the words that have been released by the men and women of God today. Mahlo, thank you for this opportunity. As I was asking the Lord what He wanted me to decree in

regards to the family. This is what He gave me so I'm just going to release this. Father in Jesus' name I declare that in the state of Hawaii You are the rightful and righteous God and King and we the people of this island, this land, will have no other God but You, Lord Jesus. Father God by Your Holy Spirit You led, and You guided our ancestors to these shores. They worshiped You, the one true God. And though the enemy came in and diluted the truth about the God they worshiped and served. Through the enemy may think he was winning the war of deception of mixture of belief. I decree today as a daughter of these islands that Father God your sons and your daughters are awakening and arising out of their slumber and the state of lethargy that they have been in. That you are causing them to see the deception to see the lies and the half truths and as they are beginning to see, Lord God with fresh vision for You are opening their eyes. You are giving many dreams and visions and these dreams and visions are causing a mighty wind to blow upon the once dry areas of hearts and minds and spirits of the people of these islands. I decree that the spirit of the warrior is coming alive in the sons and the daughters of this land. They are preparing and making themselves ready for battle. Father in Jesus' name I decree that all things over the family structure in this state that are and have been in direct opposition to Your truth, Father, that they will be immediately uncover, exposed, laid bare before the eyes of all people of this land to see, of believers and nonbelievers alike. That all lying agenda and doctrines of demons be exposed in Jesus' name. That every evil assignment drawn up to steal to destroy and to kill our children be stopped in the name of Jesus. The agendas of wickedness to lure them into deepest darkness, to remove them from their loved ones, agendas that seek to undermine, unravel the God-ordained structure of family in the islands be cut off now in the name of Jesus. I take my authority as a daughter of these islands, but more importantly as the daughter of the King of Kings and Lord of Lords. And I say to the family mountain that you will make right choices; that you will walk in righteousness again as your ancestors before you walked in righteousness and served the one true God and you will again worship Jesus Christ and bow your knee only to Him. I got Psalm 24 that my cousin declared earlier in Hawaiian and in English but I am going to decree it again. "Lift up your heads, O gate, and be lifted up, O ancient doors, that the King of glory may come in! Who is the King of glory? The Lord strong and mighty, The Lord mighty in battle. Lift up your heads, O gates, and lift them up, O ancient doors, that the King of glory may come in! Who is this King of glory? The Lord of hosts, He is the King of glory. And I decree over the islands that Lord Jesus You are the King of glory over the state of Hawaii. You are the King of glory over all the families of these islands now and forever more You are King eternal omnipotent forever. In Jesus's name. Amen

KANANI KAOPUA: Thank you so much Cindy. Powerful! Mickey and Patty, you are going to end our portion with this prophetic song Lord of the Islands

MICKEY AND PATTY: Amen. It was written by Santos. Amen

Song: Lord of the Islands
You're the Lord of these islands

You're the Lord of the valleys below
You're the Lord of the mountain tops
Jesus, be Lord of my life

You're the Lord of these islands
You're the Lord of the valleys below
You're the Lord of the mountain tops
Jesus, be Lord of my life

And we reclaim the victory in Jesus
And we are washed by the blood of the Lamb
So here we stand in the presence of His glory
We've been redeemed by the blood of the Lamb
In Hawaiian

And we reclaim the victory in Jesus
And we are washed by the blood of the Lamb
So here we stand in the presence of His glory
We've been redeemed by the blood of the Lamb

You're the Lord of these islands
You're the Lord of the valleys below
You're the Lord of the mountain tops
Jesus, be Lord of my life
Jesus be Lord of my life
Jesus, be Lord of my life

ANNE TATE: Clay, we would like to turn it back over to you now.

CLAY NASH: Ok. Thank everyone for being on and your contribution. We just appreciate it. Ken Malone, I'm going to call on you and then we have another person in Hawaii that we will call on to close us out with prayer so Ken, there in Florida, what's in your heart?

KEN MALONE: Thank you, Clay. I think I have enjoyed this prayer call for the state of Hawaii more than I have enjoyed any of them. I so appreciate the passion and the fire and the worship. The wind of Holy Spirit was all over the worship. So tonight, Lord, we lift up the hands of the Ekklesia in Hawaii and we say as one nation we stand together, Lord to see a great mighty wind of Holy Spirit blow across that island like never before. God, we decree tonight that this Holy Spirit wind will begin blowing the harvest, Father into its proper position and proper place. Father, God we decree that even the dry bones of the islands will begin to come together and begin to stand and sing and decree and declare the word of the Lord in this season that we are in. Father, I decree among

the military, our US military in Hawaii, I decree Lord an outpouring of Holy Spirit God that would be unprecedented in nature, Father. Make it look like the book of Acts, God, landed there in the Hawaiian Islands in Jesus' name. And God, I call on all the wells of revival, the wells that are 180 years ago I heard someone say. God, I call for those wells to begin springing forth again, God, in rich life and bringing people to You. And lastly, Lord, I call for the fathers and mothers of the islands to begin to arise and take your positions. Let Malachi 4:6 begin to resound across the nation. Lord, turn the hearts of the fathers to the children and the hearts of the children to their fathers. And we decree, Lord, great revival coming to Hawaii in Yeshua's name. Amen.

CLAY NASH: Alright, Ken. Thank you for that. We appreciate very much. We also have on our call tonight someone who I was introduced to just recently Berry Naneoani hope I am pronouncing that right. I want to call on you to close us out in prayer, my friend. Appreciate your coming on. I enjoyed our talk the other day. What's God put in your heart to close this call out tonight?

BERRY NANEOANI: Hello brothers and sisters from the islands, Apostle Clay. This is Barry Naneoani here. God has been speaking to me as in have been seeking His face. Here are the words God specifically gave me and it echoes completely everything that my brothers and sisters from across the globe have been saying here right now on this call. Hawaii, It was I, God almighty who has called you out of the dark depths of the vast Pacific Ocean. It was I, the God of Abraham, Isaac, and Jacob who called your culture identity and made it come into existence. Hawaii there will be no other God besides me. Yahweh, I am the only way. I am the one true living God. It is I who controls times and seasons says the Lord of Hosts. Hawaii, I have strategically placed you in the middle of the Pacific Ocean to be a beacon of light in the darkness to give hope to humanity. I have destined you for greatness, Hawaii from the shores to the seas; from the mountains to the sands My glory is radiant. My handiwork is visible. My name shall be heard throughout the land. I am calling you, sons and daughters of Hawaii, the 50th state to be a repairer of the breach, Isaiah 58:12 Rise up and walk; be bold and be strong you sons and daughters of Hawaii. I am with you says the Lord. I have heard the cries of the remnant. I am with a flaming sword to remove those who have stood in My way, those who have opposed Me for am the righteous Judge and I will bring restoration, reconciliation, and recompense those who have faithfully stood with Me says the Lord. Stand firmly. I am the God who causes kings and kingdoms to rise and fall. In the words of the great Hawaiian king who united all the islands under one rule *Hawaiian* Forward, my young brothers and sisters and drink of the bitter waters of battle. There is no turning back until victory is secure. I will restore you, Hawaii. I will redeem you and bring you back and you will come forth in the power of the Holy Spirit. You will speak My words, Hawaii. Your sound will be heard around the world. You've remained silent for far too long. You've walked with your heads hanged or heads down. The tide has changed, and a great sifting is coming. The time is now, Hawaii. It's time to return to Me, your first love says the Lord. Blessed are You O Lord, King of the

Universe. Blessed be your holy and matchless name. I come into agreement with those who declared, decreed, interceded on behalf of the 50th state, the great state of Hawaii, the sands of my birth. Father, I ask you to forgive 1.5 million people who call Hawaii their home for turning our backs on You, for walking away from Your moral truth. We ask You, Lord to cause Your face to shine upon us again. Bring revival to the islands once more and You've done back in 1836. Father, the harvest is ripe, but the laborers are few. God, would You tear down the walls of isms, of schisms, of political divides, racial divides, religious divides that we would corporately turn our faces toward You. Forgive us, Lord, for our part in the noticeable divide. Father, empower us to impact and influence scriptural truth into the lives of our current and future generations. Forgive us, Lord, for the areas we have failed to point them to You. Help us, Lord, to be watchmen on the walls protecting and defending them from the secularist manipulative schemes of the enemy who uses organizations and people to plot and ploy lies, corruption with the intent to break up the lives, homes, marriages, families, corporate and religious relationships, economy, education. We bind and serve the enemy notice, Father, that there is a remnant that remains who are relentlessly seeking Your face, Father, desiring that Your will be done in the heavens and on the earth and in the state of Hawaii. Father, we break every curse, plot, and ploy of the enemy in Your name. We pray that You break the strongholds of teen pregnancies, teen suicides, transgender teens, teens feeling unloved, unwanted and unnoted. Father, may we be a transparent witness of Your redemptive power, leading our current generation and future generations to the cross. Father, we break every curse against traditional marriage. The only way to love is Your way. The only way to life is through You. You are the way, the truth and the life, Lord. Father, we break the bondage of abuse, alcoholism, and addiction. Reform in every fashion everything that even tries to stand and take loot Lord will You utterly destroy. Give unto those in need Your perfect peace. Father, I pray, Lord that Your church will rise up in this hour and be the Ekklesia, the ones called out of darkness into the marvelous light. Give us grace, Your grace to stand in this turbulent time. Father, we pray for our elected officials, Gov. Josh Green, Lt Gov. Sylvia Luke and our State Legislators, our county mayors, council Members and our Congressional Delegation give them grace to bring truth, justice and stability back to our state. Give them the power to do what is right and rule in fairness. May they be justly, may they love mercy and with You as they make decisions on behalf of their constituents. Father, may You bring healing upon the lives of the native Hawaiian population globally. Father allow them to rise from the ashes of oppression and persecution from the barbaric acts of its historical past. Bring healing to the land. Bring healing to the wounds, Father. You see and You know that 70% of those incarcerated are of native Hawaiian descent. Father, we need a cultural, spiritual awakening to Your truth which liberates and elevates. Father, I thank you for this opportunity to be a part of this national prayer call with intercessors and leaders from all over. Father, have Your way into our lives. In the name of the Father, through the works of the Son, empowered by the Holy Spirit.

Hawaiian language The Lord bless you, the Lord keep you, the Lord make His face to shine upon you, the Lord be gracious to you and may the Lord rest His continence upon

you. But above all may the Lord give us peace; may the Lord give us peace; may the Lord give us peace. In the mighty name of Jesus Christ. Grace and peace be unto you all. Amen.

CLAY NASH: Alright, man of God. Thank you for that. This has been an incredible call. We just appreciate everybody that came on and brought a contribution tonight. It was very strong. It is being recorded. It will be posted tomorrow on my website, and it will take 24 – 48 hours to get it transcribed. We will get it transcribed. Remember tomorrow at 2:22 we're going to be praying for the state of North Dakota. Join with us and please make your plans if you can. If you are already booked and coming to the Josiah Convocation. I'm looking forward to seeing you there. It's going to be a great time. God bless you all and thank you for being on the call.

In addition to the Prayer Call, the following words were given over Hawaii:

PAT MCMANUS: You've heard the thunder of man in the past. You will now hear the thunder of My hand across the land. Resetting of the order of God and a wave of Glory to shift and shake the islands to reveal His Hand
