

PRAYER CALL 04/20/2023 – SOUTH DAKOTA

Clay Nash: Good day, it is 2:22 eastern time and we are on “Victory from God’s Promises” call. We are praying for and into the state of South Dakota. I want to ask all of our guests and hosts to please mute your microphones. You can do that with *6 and then when you are called on, unmute your mic with *6. The background noise takes away from the call and there is quite a bit of it going on. Please, if you will, mute. If you are on a cell phone, mute with *6, and unmute with *6. This will allow all of our participants to hear clearly and add their power of agreement to this call.

As you know we’ve been pressing through on the calls, and we are seeing some tremendous things take place. Today’s call is going to be very, very powerful. Then we will finish the week tomorrow praying for the state of Maine. That will be at 2:22 eastern time.

The Josiah Company Convocation kicks off tonight in Conway, Arkansas. I am actually here in the building right now. I arrived a little bit before noon to set up for it. It is going to be a great time. Many people are texting at the last moment about streaming. We are not able to stream it. I’m sorry, we were just not able to do that in this facility. We are videoing it and if any of you are interested in getting some copies of it go to claynash.org, go to the store and you can acquire them there. We will have them ready as soon as we can and will send you a copy.

I need to ask again that all of the hosts and guests would please mute your mic. We are getting a lot of background noise which takes away from the call. If you are not able to do this, I have the ability to mute you from my end, but it is difficult for me to unmute you, so please mute your mics so that we don’t have the background noise interfering with the call. This helps us tremendously, thank you.

All right it is a great time. Next week we will finish the last 5 states. It has been great. We started on February the twentieth and will finish on April twenty-eighth. We will be giving some reports next week about the convocation here this weekend. Okay, somebody’s still not muting your mic, so I muted you.

I am going to call on Timothy Carscadden from Louisiana first. The Lord has given him a prophetic word so, Timothy, what’s in your heart?

Timothy Carscadden: Thank you Clay and everybody praying for South Dakota and those who are from South Dakota welcome to the call today. Our heart is to build up all 50 states for the purposes of God and your redemptive purpose in your state. As I was praying before the call for South Dakota, I saw some visions and saw some things in the Spirit. So, I just want to release that and decree it over you.

This is what I heard: “From the Black Hills to the Falls, the Lord is sending a way of transformation across the state. The Lord said the next season will be one of discovery as the Lord reveals the hidden treasures and secret places.”

I really believe when I saw that, heard that, I believe there is going to be things found out that will bring resources to South Dakota that have been hidden are going to be revealed in this next season.

The Lord said you have entered a Matthew 13 moment of harvest as corruption and abundance will be manifested simultaneously. Look up, like you never have before. Look up, your redemption is drawing nigh right now, before the Lord. Because the redemptive purpose of South Dakota as a giver state is going to be seen in the next 2 years for sure.

You will give hope for the nation and create templates for other state governments to pattern themselves after. The next year of legislation, both in the natural and in the earthly laws and in the heavenlies will move the needle for America. I heard this phrase, "All eyes will be fixed on South Dakota". I really believe there is something that is going to happen there that will create that opportunity.

And then I heard the passage where Jonathan is going after the Philistines and told his servant, "Whether by many or few." The Lord says that nothing is going to hinder Him from making you an overcoming state.

I want to just pray into that. Father, I thank you for South Dakota. I thank you for its purposes and we do pray for wisdom and revelation on the hidden treasures and the secret places. God, I thank You for the templates in the state government as well as the heavenly government, Lord that will come from this. Lord, we thank You now, that whether by many or by few, this state of South Dakota will be an overcomer state in all that they're going after.

We pray for them. We pray for their governor. We pray for their state legislators. We pray, God, that this state will move the needle, like You have said that it would, so that the nation can move closer to its redemptive purpose. Lord, we call in the abundance as a giver state, that they will be full of abundance to give to the states around them and into the rest of the United States as a whole. We bless them today in the name of Jesus. Amen
Thank you, Clay.

Clay Nash: All right, thank you, Timothy, a great start on this call. Thank you for that word. Regina Shank from Missouri, who is driving to Conway to be in the Josiah Convocation sent in a word. I am going to read it to you now. Joe Donnell, I know you're on the call and I am going to be calling on you in a minute and will let you introduce the other guests that you have asked on.

(Clay reads word for South Dakota from Regina Shank)

Regina Shank: You can bank on it. My promises written on your hearts are safer than the money in your banks. I paid your debt of sin. Don't repeat them again. I paid the price for you. You are my stewards. Steward not only the ministries you serve but

steward the land. From the highest peak to the lowest valley, I am with you, says the Lord.

Walk the land, speak to the land, tell it to produce for you. Speak to the mountains of opposition, tell them to move. Speak to one another in psalms, hymns, and spiritual songs, singing and giving thanks to the Lord. The land must hear the voice of worship, take it to the hills. The hills must be alive with the sound of music and worship.

Some have said, “just pray” and God will do it. Pray, yes, but use your voice. Cry in the wilderness, prepare the way. Open your mouth and I will fill it. Your realm of stewardship must be voice activated. Activate healing; activate salvations; activate the gifts.

Deliverers will be born in South Dakota. Watch and see as I bring forth those Josiah’s, Hannah’s, Deborah’s, Elijah’s, and David’s. They will pave the way for worldwide revival. A new wave of sending is upon you. Send them out to bring them in. Sing and shout to move them out. This is what I am about in South Dakota.

The dry bones will come alive; the dormant promises will suddenly spring out of the clay of my plantings. The seeds you planted in prayer and travail will come forth in their season. Well done, good and faithful ones. Faithful is He who called you and He will bring it to pass.

Clay Nash: Father, we thank you for this word that you gave your servant Regina Shank and we come into agreement with that word. We declare ‘it is settled in heaven’ and it shall spring forth from the very land of South Dakota. Father, we declare that You are working there to do exceedingly and abundantly above anything that we can think or ask. Father, we just thank You now for all that You’re doing. We declare that it is going to be greater that we have ever seen and we thank You for that in Yeshua’s name.

I heard a short prophetic word: It said, in this order – “Aberdeen, Rapid City, Watertown. I have chosen, I have chosen to bring forth a suddenly in Rapid City. I have chosen to pour out my Spirit in Watertown. Aberdeen, you are a fortress of strength. Watch and see in the days to come what shall begin to stir. For there is a shaking and quaking under the earth there; not one that will bring damage to buildings but one that will bring fear to the hearts of those who have grown lukewarm. For I am about to awaken. For even as I said in my word in Matthew 13, ‘...while men slept...’, many have been asleep at the wheel in South Dakota. There is an awakening coming. It won’t be a rude awakening, but it is a ‘shock and awe’ awakening,” said the Lord,” for I am raising up, have raised up, and am continuing to raise up the apostolic movement there; the apostles and the prophets running together, walking together, building together, surrendering together. Watch and see as this quaking begins to call those who have become dull and those who have become lukewarm, watch them shake off their sleepiness and step into being wide awake and working for the kingdom.” The Lord said, “Get ready for this outpouring. It’s coming, it’s coming to South Dakota and it’s coming quickly,” says the Lord.

All right, Father, we just declare over that shaking, let it bring fear and holy awe of You, back to the hearts of those who have become busy in their own well doing. Father, we just declare this awakening is going to put them to be about their Father's business and You are their Father. Father, we just release that now in Yeshua's name.

I am honored to have on today Joe Donnell who is actually a state representative in the South Dakota legislature. He also functions as an apostle there. I had the opportunity to speak with Joe and see some of his work when he came to Mississippi, some things were accomplished there. I appreciate you so much, Joe, as a man of God. I know you have several guests you have invited on. Joe, at this point I am going to turn it over to you to introduce your guests on the call and then you can send it back to me and I will call on another host here.

Joe Donnell: All right, sounds good, yes. I am representative Donnell and I also work in a lot of the prayer networks and different things around the state. I would like to call upon a few people from South Dakota. I am not sure if Sue Peterson is on, but she is a representative in the legislature. Then representative Jon Hansen who has been a major force and leader, a spirit filled believer who has been advocating for the things of righteousness in the state. Then we have Betsy Moeller on who is part of many different networks as well and has done a lot of work around the state as far as prayer assignments go.

Let's have Senator Hansen, if you are on, I'd like him to share. He is at the forefront right now. I believe there is a ballot measure coming for the next general election, there will be a ballot measure for abortion. So, I would like him to share, then I would like to speak over that issue and maybe have some of your key folks that are leaders to pray over Jon and the work that he is doing. Also, I would like to speak into this abortion issue, I believe the blood of the unborn, the enemy would love to have that foothold again. I am thankful that God is raising up leaders to be able to combat these things.

Jon, do you want to share a bit.

Jon Hansen: Thank, Joe, can you hear me okay? (Yes) Thank you so much for the invitation to be on the call today. We are just so grateful, please know how grateful we are here in South Dakota, for your prayers. It means a lot. We know of the Lord's power and power through prayer, so we're just so grateful.

Right now, in South Dakota we have a really pressing issue, probably the biggest threat to unborn life that we have ever faced in the state of South Dakota is upon us today because, right now, petition circulators are trying to gather enough signatures to put a measure on our ballot which, if passed, would amend our South Dakota constitution to legalize abortion through all nine months of pregnancy. It would be devastating for unborn lives in our state. Not only does it legalize abortion through all nine months, it would also, deny the right of parents to know if their child is being forced to have an abortion against her will. It would subject doctors and nurses to being forced to perform abortions or face law suits or penalties. It would open the door to tax payer funded

abortions and that is in addition to the fact that this would legalize abortion through all nine months of pregnancy

We are working hard; we are asking for the Lord's protection over these babies. We know that the Lord is the author of life, that He loves life and He loves these babies. We ask for His hand of protection over these babies, over these mothers, over parents, over doctors and nurses and over the opponents-these people pushing this ballot measures, for the conversion of their hearts and the salvation of their souls.

Joe, again, thank you so much for the invitation to be on and we are so grateful for everybody's prayers here in South Dakota.

Joe Donnell: Clay would you take a little time to maybe have, to maybe spend a little time here. I feel like this is the main issue that we need to take care of. Then I, then if we could have Sue. I know Sue Peterson, representative Peterson and Betsy have some declarations as well to give. Let's just spend some time here, if maybe some of your key folks have something to speak over this.

I will pray now and then maybe we can open it up for a time of prayer.

Father, in the name of Jesus, Lord, we thank You that You have taken dominion over the state of South Dakota, over this land Father God. Lord, we thank You, Lord, that You are closing down the networks of darkness and the corruption in this state. Father, today, Lord, we stand unified together as one, as your children. Father, we declare over Jon's life, Lord, that You would let the anointing of God increase upon his life and Father God, that as he is one of the people that will carry, Lord, a lot of this, Lord, that with his words, Lord, You said that You would open his mouth and You would fill his mouth with the words to say. Lord, we just declare that we have, Lord, because You command all the armies of heaven, that we have a release of Your angelic hosts today, Lord, that are moving, that are even working, Lord, that this petition would not be successful. In the name of Jesus, Lord, we just thank You right now.

Clay Nash: Joe, just call on some of your other people. I see a Sue Peterson and several people on there. You just call on them when you are ready for them to release what is in their heart.

Joe Donnell: Ok, yes. We will go to Sue Peterson, representative Peterson and then we will go to Betsy, and Betsy has a few leaders that will release some words today.

Sue Peterson: Good afternoon, this is state representative Sue Peterson. I am from Sioux Falls and I am serving in my seventh year in the state house. I have one more year left, then I will be termed out. Then I intend to run for the senate. It is an honor and a privilege to serve the people of South Dakota in the legislature, even more so, to be a part of the Kingdom of God that is legislating in the heavenlies.

I was asked to pray the prayer for government at our Good Friday breakfast a week or so ago. The Lord impressed upon me, once again, the power of agreement and He talked to me about how one puts a thousand to flight and two put ten thousand to flight. Several years ago, He had shown me that every person that we add to that equation adds a zero on to that number. So, one puts a thousand and when you add another person you add another zero and you put 10 thousand to flight. We had 900 people at that prayer breakfast, that powerful agreement, I couldn't even count the zeros, couldn't even, I don't know what the number is. I feel like that is what is happening today as well as we join in unity and as you are doing this for all 50 states. It is very, very powerful. I thank you so much for joining with us.

I will share with you some of the declarations that I declared, at the Lord's leading, over South Dakota and over the city of Sioux Falls at that prayer time. I would love it if you would join in unity.

So if you would just join me in these prayer declarations: Father, we come to You in the name of Jesus and in the authority that You have given us in Jeremiah 1:10, where You say "This day I have set you over kingdoms and nations, to root out and pull down, to destroy and throw down, to build and to plant."

We know that in Job 22:28, God says, "Decree a thing and it will be established." So today I invite us to join together in unity as God's governing body in the earth, to decree that God's will be established and reestablished for South Dakota, in our nation and in the earth.

Father, we decree, and redecree that, as a nation, in God we trust. We decree that in South Dakota, under God, the people rule. We place ourselves under Your authority, Father and ask You help us, Your people, to rule in the earth according to Your will.

We decree that we support Israel's right to exist as a free nation with Jerusalem as her capitol and her right to defend herself. We thank You, Father, for our covenant relationship with Israel,

We honor our First Nation's people as hosts of the land. We ask Father that you would draw them close and that You would re-establish their apostolic gift and let us learn from them how to walk in Godly apostolic authority.

Father, for any role that the government has played in the shedding of innocent blood, we ask for Your forgiveness, and for the covering of the blood of Jesus. We decree, according to Isaiah 28:18 that any and all covenants with death will be annulled, and all agreements with hell will not stand. In Jesus name and by His blood, we dismantle any altars that have been empowered by the shedding of innocent blood and we cut all ties from that power source to the workers of iniquity.

With the authority You have given us to build and to plant, we decree Isaiah 28:16, that a stone for a foundation will be laid in Sioux Falls and therefore in South Dakota, a tried stone, a precious corner stone, a sure foundation.

Father, Your word says that You will make justice the measuring line and righteousness the plummet line. Your word also says that righteousness exalts a nation and when the righteous rule, the people rejoice. Lord, we ask for Your righteous leaders and we decree that in Your name. We decree that South Dakota's leaders will seek first Your kingdom and Your righteousness. We decree that they would hear Your voice, and a stranger they would not follow.

We thank You, Father, for the honor of co-laboring with Christ, and that we, Your Ekklesia, Your kingdom government in the earth, are seated with Him in heavenly places to rule and reign from there. We decree Thy kingdom come and Thy will be done in South Dakota, in the United States of America and in the nations of the world and in all the earth as it is in heaven. In Jesus name, Amen

Joe Donnell: Betsy, Betsy are you on? (Silence) Betsy, are you on?

Clay Nash: Joe, go to someone else there. If some are on and they are muted, they can press *6 to unmute.

Joe Donnell: Okay, Betsy you may have to push *6.

Betsy Moeller: Can you hear me now, Joe?

Joe Donnell: Yes I can. Go ahead.

Betsy Moeller: Okay, good because I couldn't get unmuted. Okay, thank you so much.

Yes, since 2010, since we've been doing across the land, at least what I was involved with in prayer networks, we've been proclaiming the word of the Lord. Since the 50-state tour of course, that South Dakota was a stronghold state, and the Lord just, you know, once again brought that to remembrance. I'm just going to declare some of the scriptures that we've been believing this whole time, knowing that now, considering the stronghold, it is always meant to be the stronghold of the Lord state and that is what I am going to declare. Then I will share a few things that I felt the Lord was showing me this morning.

I will start with Nahum 1:7; it says "The Lord is good, a stronghold in the day of trouble and He knows those who trust in Him." That is true because our motto that we have been praying for South Dakota is 'Under God, the people rule'. Also, the word stronghold in Hebrew is 'maoz' so we are declaring the God of 'maoz' the Stronghold, Himself, is with us.

Another key scripture that I want to share just briefly and declare it is II Samuel 22:3, "The God of my strength in whom I will trust, my shield and horn of my salvation, my stronghold, my refuge, my savior. You save us from violence."

When I read that this morning, it was just like Matthew 11:12, remember we are going from the 11 to 12, which Dutch has been proclaiming again, that the kingdom of heaven suffers violence and the violent take it by force. So, the Lord is causing the Ekklesia, the church, right now to be violent to save us from such violence. I am trying to move along quickly.

What the Lord is showing me again is Genesis 32, when Jacob was about to meet Esau, of course he was very fearful. It was at that time the angel joined him as he started that journey. That is where it is called 'Mahanaim', the dance of the two camps. That is what I believe God is saying today that there is a whole new level of warfare that we are in, we all know that, but that God is upping the level with His angelic hosts; we know that too. It is like the revelation came so clear. Many times in scripture the Lord will say, "This is the place where My name is in it", "Look to the place where My name is". That is what I believe we are about to establish in South Dakota. We are going to declare the name of the Lord, who is the Lord of Hosts Himself, across the state. I believe the Lord is saying, "It is time for the dance of the two camps. It is time now, more than ever for the Ekklesia to rise and to follow the Lord of Hosts Himself." Lord, we declare that we are being led by You. We are not asking for You to do anything we want to do, but Lord, we want to lead with You.

Quickly, I believe the Lord has given me a five-prong solution, or five prong attack, however you want to put it. He said, first of all, we are led by the Lord of Hosts, Himself. The angels are going before us as we are proclaiming, declaring and decreeing. God, to a whole new level, is raising up 5-star general, that will be raised up to lead 5-fold ministries. Then those 5-fold ministries are leading the Ekklesia. Then the Ekklesia itself is leading a new company. The key word here was company and coalition. It was almost like I heard 'the apostolic believer's coalition' the new company is now taking the lead. In that lead they are searching out foxholes, they are searching out underground arsenals, they are searching out where the enemy's been hidden, he will now be destroyed and exposed by this apostolic believer's company/coalition. I believe God is about to show Himself strong, as the Stronghold Himself in South Dakota.

I believe some of the prophetic word that were shared go along with this, with the new leaders God is raising up this hour. I believe the 5-prong solution in Jesus name, thank You, Lord.

Joe Donnell: I think Betsy is the last one, so I will wrap it up here.

This is what I see the Lord doing: I see the Lord wanting to deal the final blow to the powers structures of darkness that have been so engrained in the government. I have seen God, through this time of prayer during this legislative session, I've seen the Lord showing Himself strong, especially on a lot of the key issues that the children are facing. He gave me a word going into this session: You defend the children and I will begin to work. That was the kind of the theme that He gave me for the legislative session, the leaders need to hold the ground and I believe that is what happened. The bill that stopped the puberty blockers and the gender reassignment surgeries blew through in

record time and was signed by the governor really fast. It was just a testimony to God's power. Through this legislative session we have seen the exposure of a lot of the motivations of people, the different circles and camps, and I think that God is really moving.

I just want to make this a final declaration: The Lord God, Yahweh, the Lord strong and mighty, the Lord strong in battle; Lord we declare release of that final blow to these power structures of demonic forces that control government officials and leaders, the establishment, in the mighty name of Jesus, Lord, we release that Spirit, even right now, of righteousness, in the name of Jesus. We declare that the tipping point has come, we have summited the mountain, and we will see Egypt fall over South Dakota, to include the financial, to include all the corruption of money laundering, of special interests, the trafficking of children, Lord God, and we declare that this will be the land of righteousness when You are finished, in Jesus name.

Clay Nash: All right. Joe, is that the last one? I have another host I want to call on. (Joe responded yes)

All right, Pat, there in Illinois, what is in your heart my friend?

Pat McManus: Thank you, sir, for the opportunity to be with everyone. I come in to agreement with what has been declared. As I was preparing earlier, sitting outside the hotel here in Conway, I kept hearing the words, I went back to look at the root or the state motto for South Dakota and it was, "Under God, the people rule". Then a thought came to mind, the word was this: a covenant group for the land. Then I wrote out, this connects with what Timothy shared, 'A shaking in the Black Hills that will cause a ripple effect throughout the land.'

Father, we thank you that you are causing a ripple effect throughout the land of South Dakota. That, Father, You're bringing the people back to a clear sound that will truly establish the covenant roots of what the land was built in and built on to function fully in the purpose of Your hand. We thank you, Father, that their motto is being restored back to the full expression that under God, the people rule. Father, we thank you for the purposes of God, the plan of God, the power of God, the grace of God and the mercy of God to rule in the land of South Dakota. Father, as the Black Hills, begin to shake, will cause, Father the uncovering and releasing of a great expression of provision, a great expression of demonstration of the glory and power and purpose of Your hand. Father let the shaking begin and let the covenant roots be restored to the fullness of that which You declared from the very beginning. Father, we honor You, we thank You and we glorify You, in Jesus name, Amen and amen

Clay Nash: All right, Pat, strong word there.

Joe, as you were sharing and declaring a while ago, I heard the Lord say to end this call today with this declaration: The Sauls, like king Saul, will no longer torment South Dakota, but the Samuels are about to be released with a prophetic word that will trouble the hearts of those that are set against righteousness.

And the Lord said, "Watch and see as more prophetic voices are released." The Lord said, "I'm going to bring them out of the nowhere to place them and position them with a word in their mouth, in the somewheres, and the somewheres will be heard across the state of South Dakota."

I heard something else, I have limited information on this, so Joe, I want to say to you that if I step across a line here, please come back on... I am familiar with a word, I don't know what it means in the language necessarily, but I actually have a picture, a painting that I have, but I heard the word – Hoka' Hey. My understanding is that it is a dual word, it means 'let's roll', 'we can do this'. In some context it means – if we have to die doing this, it is a good day to die.

I just declare that spirit of tenaciousness over the state of South Dakota. I declare it over all of the governmental people across that state. Father, bless these that have come on this call today, bless their roles in the state of South Dakota, of seeing the ancient markers of their forefathers being established. Father, we just declare false altars are being torn down in South Dakota and we declare that Saul, the religious group will no longer be the influencer, it will no longer trouble the people of South Dakota. Father, we also say that the Samuels, those that have been dedicated to the Lord and hid away, they are coming out and they're coming out with a word in their mouth and that word is going to be a word of deliverance, deliverance, deliverance. I hear the Lord say, after every deliverance it will be a restoration, and after every restoration, there is going to be another deliverance.

The Lord said get ready, I'm about to reconstitute the state of South Dakota to that place of righteousness. The Lord said I'm moving you out of being positioned, I am posturing South Dakota for greater things that are coming, suddenlies that are coming an outpouring of my Spirit like never before. Get ready, watch and see, your eyes see that in the future. Says the Lord Amen

All right, great call. Thank everyone, Joe and all of your guests. I don't have all of their names, we thank you for being on. It has been a tremendous call. This call has been recorded. It will be put up on my website: claynash.org this afternoon, and then sometime in the next 48 hours we're working to get it transcribed and it will be there as well.

Please everyone on the call, pray for the Josiah Company Convocation which kicks off at 7 o'clock central time tonight, here in Conway, Arkansas, very near Little Rock, very near the Arkansas River here. We kick it off tonight and we will be here tonight, and in the morning, Friday morning, Friday night and Dutch Sheets is coming in and will be speaking and we finish up Saturday morning, but we are coming back here Saturday night at 5 o'clock and we are going to be praying over the nation. We know many have to return home, but those who are still here will gather at 5 o'clock Saturday night and we are going to pray over the nation, we will make declarations and decrees and prophesy.

God bless you all.

Joe, thank you for being on and putting this call together. We appreciate you, have been praying for you. Thank God for your strength and thank God for your wind out there.

Joe Donnell – Thank you, God bless you Clay. We're thankful for all of you, God bless you

Clay Nash: Blessings everyone.
