Prophetic over Massachusetts

By Pat McManus

Massachusetts I'm releasing the sound of my ways in the land. I am causing My Word to come forth in a new way - prepare your heart to hear the power of my ways. I am setting a new strategy that will cause my ways to be seen and a new compact to be heard. I am releasing and assigning of a new release of my way, my word and my will and the strategies will come forth with authority and power. Be ready for the time of shifting is at hand. Be ready to advance with the authority throughout the land.

The altar of Molech in Massachusetts must be taken down. The blood cries out for justice. Purposes for which these babies were to be born are hanging in the heavenlies. This is serious. This is a covenant with death. I decree over you Massachusetts – your covenant with death will be annulled and your agreement with Sheol, the place of the dead, will not stand. Death cannot be your deliverer, Massachusetts. You have been called the 'mother of the nation'. Has your womb been invaded by death that you refuse to step into your purpose as a birthing place for My Glory. This is not a time to say, "whatever will be-will be". It is not a time to say, "it is what it is". It is the time to decree: The spirit of death will leave our state, the spirit of abortion will not prevail in Massachusetts. Arise Oh Lord and let Your enemies be scattered. God – the source of life - will have his deliverers birthed in the mother of the nation state.
