

PRAYER CALL 04/03/23 - IDAHO

CLAY NASH: All right, good day! We're in another great week praying for all 50 states here in the US. Great things are happening. I did see a while ago where former President Trump is flying on his way up to New York to deal with his indictment. Pray that things will go according to the Constitution on that. Remember that this week today we'll be on Idaho and we'll be praying into it. Tomorrow night at 9pm we'll be praying over the state of Utah. Then on Wednesday at 2:22 the state of Arkansas where I live; we've got Mary Bentley, one of the Representatives there, we've got Iverson Jackson coming on, another up-and-coming man of God who actually leads a church but is working in the political arena. Then on Thursday at 2:22 it'll be Maryland, and Friday we'll end up with the state of Virginia. We are moving forward. We have now down 30 as of last week and things are good. Remember the Josiah Company Convocation that's coming up April 20 - 22. Go to my website and register there. There are still plenty of hotels left in our block of rooms there. All this information is listed on the website. You can go there and get the information. Come and join us. Conway, AR is 30 minutes from Little Rock. Several of you have written us that GPS isn't working so we've made corrections on that. It's easy to find, it's 10 minutes from I-40. It's a great facility. There are great hotels, restaurants very, very close by. It's going to be a great time as we assemble there. I want to thank you: many of you have written Susan and I—we had our 50th anniversary celebration Friday night and celebrated 40 years of ministry as well. I appreciate all the emails, texts, messages on Facebook: bless all of you. Let's press in to Idaho now and release these words. Jacquie Tyre, you have a prophetic word over Idaho: I'm going to call on you first.

JACQUIE TYRE: All right, thank you, Clay. It was so good to be with you and Susan and everyone this weekend to celebrate. It was a great time and I'm looking forward to the Josiah Company as well. As I was praying into Idaho today I just have to make a true confession: I don't know a whole lot about Idaho. I have a nephew who lives there but beyond that, not a lot. I felt Holy Spirit say, "I want you to look up Idaho on line," and that's very unusual for me but I pulled up one site and on the very opening page it said, "Idaho, beyond words; Idaho in full bloom." And then I heard Holy Spirit say, "Idaho, land of majestic beauty, natural, rugged, and free from the pressures and constraints of the masses yet not free to soar on the winds of My Spirit the way I have reserved for you." Then I saw a large bald eagle rise over a majestic mountain range, powerfully soaring over the mountain peaks then down into a valley traversing along the river's path before soaring up again to great heights above the peaks and ridges. Then I heard the Lord say, "I am soaring over Idaho, watching and searching to and fro across the land, looking high and low to find My righteous remnant, issuing a call to My remnant to rise with a new and renewed mantle of adventure to venture out with Me to uncharted territory to claim new souls and regions for My Kingdom. There are regions ready to be taken and liberated out of captivity and disenfranchisement of religion and of the flesh. Come soar with Me, Idaho, and see this land become a place of adventure and advancing of My Kingdom. Soar with Me with eyes to see the places ready for My Spirit and the flourishing of My life flowing in abundance in valleys deep and mountains high. It's full bloom time in Idaho. So come and soar, watch, and ready yourselves for the

mighty harvest that is at hand. So Father, I thank You today for Idaho. I thank You for the wild, rugged, and majestic places of freedom that You have reserved and preserved for Idaho. I pray over the righteous remnant all across Idaho to rise up as those who have been waiting upon the Lord and even out of Isaiah 40: Those that wait upon the Lord renew their strength, mount up with wings like eagles, run and not be weary, walk and not faint. I decree there is a freshness coming to Idaho—a freshness of strength, a freshness of vitality—and Father, I am sensing that even those who have run to Idaho to get away from the pressures and constraints of the masses that in the free, wild open of Idaho they will encounter You and be captivated by the true freedom that comes by the Spirit of God. Father, let Your wind blow across Idaho. We release the wind of the Spirit across Idaho to stir up and to cause full bloom to come forth, full harvest to come forth; that righteousness would be a sweet-smelling fragrance that rises out of Idaho. I just heard this word: it walks across the land bringing the fragrance of Your Kingdom across the land in the mighty Name of Jesus, amen.

CLAY NASH: All right, Jacquie. Great, great start for Idaho's call. Father, we come in agreement with that prophetic word. We come in agreement with these declarations and decrees today, and we just ask, Father, that You pour out Your Spirit of awakening and revival, reformation, and bring about transformation there in Idaho in Yeshua's Name, amen. Regina, what's in your heart?

REGINA SHANK: Idaho, you are the unlocking state, the keeper of the keys. You must keep those keys from being stolen or replicated; they cannot be replicated by religion. You will rise from overwhelming circumstances, climb the mountain, and claim the territory I have given you. Do not be pushed back by the news of adversity; do not be swayed by the naysayers; listen to my voice and the voice of the watchmen. Say what I say, say what the prophets are decreeing and begin to see the coming forth of my Word. You are in a birthing season; what has been planted will now come forth. You are as the Bamboo that takes about three years to get established. Once established the new shoots that emerge in the Spring and will continue to get bigger and more numerous from year to year as the colony grows towards maturity. Keep planting and you will see the suddenlies bring forth what was hidden underground. Your intercession seeds have hidden themselves but will burst forth at the arrival of my Son, at the arrival of the revival. Get ready for the sprouts are appearing through the soil of the hearts of many. Be the stewards that are found trustworthy; be the watchmen who stand on the walls to warn. Be still and know that I am God. It is coming. Get ready. My favor is upon you in this season. Idaho, You can work it out or you can dig it out. It is not work; it is revelation. Dig it out; there is treasure in the Word that I have sent you to discover. Seek and you will find fresh instructions, and fresh strategy. I saw a saw cut off the legs of some seats in the legislature. Let them fall.

So I thank You, Lord, that Idaho is on Your radar, that You are causing the suddenlies to come. Some of the things that were planted years ago are now going to sprout forth

suddenly, and the intercession of the intercessors will bring forth the arrival of that revival. We thank You, Lord, for that; we thank You for the digging in to find greater revelation and that they will do that and find fresh instructions for strategy. Lord, we ask You and give You permission—although You could do it without us though I know You've chosen to do it with us—that the saw would cut off some of the seats in that legislature and they will fall, and You will put people in places of authority that You want there for Your purposes for America and for the state of Idaho in Jesus' Name, amen.

CLAY NASH: All right, thank you, Regina. We come in agreement with that word. We just declare let Heaven and earth touch there in Idaho according to Your Word that is speaking. Father, take these promises, Your words that You are releasing, and cause the intercessors, the watchmen on the walls, the warriors in Idaho to begin to war from Your promises and bring great victory to that state in Yeshua's Name. Pat McManus there in Illinois, what's in your heart?

PAT MCMANUS: Thank you, Sir, it's truly an honor to be with everyone today. We thank You that there is a move of God moving across our nation, and I have an acronym for Idaho: I stands for ignited; D stands for destiny; A stands for align or alignment; H stands for higher or healing; O stands for order. Isaiah 44:7: And who can proclaim as I do? Then let him declare it and set it in order for Me, since I appointed the ancient people. And the things that are coming and shall come, let them show these to them. So Father, we thank You that You have and are and are continuing to ignite Idaho with a clear understanding of the destiny You have called for them to walk in, that You are resetting the alignment of what needs to be done in Idaho, and that, Father, You're calling them up higher to release a healing power to truly set in order that which You want to see established on the land. So we thank You, Father, that Idaho is coming up higher like in Revelation 4, come up higher and I'll show you what is about to take place. Father, let there be a sound of awakening that is established within the borders of Idaho where the move of God begins to accelerate with authority and power as they align in to the order of Your hand. So we thank You, Father, that You are igniting a destiny that will truly cause the aligning order of the Ekklesia in this state to begin to release healing by the power and the authority of Your Name to set in order the things that need to be done. We thank You, Father, for what You are doing. We give You honor and glory in Jesus' Name, amen and amen.

CLAY NASH: All right, Pat, always appreciate your passion. We come in agreement with those words that have been declared and decreed. Father, let Your will be done there in the great state of Idaho. All right, David Hertel there in Mississippi, what's in your heart?

DAVID HERTEL: Thank you, Sir. I'm just agreeing with everyone and I'd like to open this prayer and declaration with just a little tongue-in-cheek out of the passage I want to declare and pray for Idaho. Paul opens in 2 Corinthians 11:1: I hope you will put up with me in a little foolishness so I'm going to open with a little foolishness and declare the rest of that passage over Idaho, but there is a conspiracy theory that Idaho doesn't actually exist, and it's based on the answers to three simple questions: 1) Do you know

anybody from Idaho?; 2) Have you ever been to Idaho?; and 3) Do you know anybody who has ever been to Idaho? Of course, Jacquie blew that out of the water first as she has a relative living there so that theory is already questionable, but since for most the answers are 'no,' the general consensus is that Idaho is only a state of mind and was put on the map to separate Utah from Canada and protect Montana from Washington. So, a little foolishness there, but the Lord says of Idaho "For I am jealous for you with godly jealousy. For I have betrothed you to one husband, that I may present you as a chaste virgin to Christ. But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ. For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted—you may well put up with it!" But Idaho, we call you today, the Ekklesia of God calls you into the authentic gospel and it's outworking at all levels of your governmental, educational, and all other systems and influences of your society. We call the people of the beautiful state of Idaho into the simplicity that is in Christ so that the craftiness of the serpent will not succeed and his deceptions will fail to move Idaho into his camp which as a goat state. The people of Idaho and their leaders will know the truth and the truth will set them free, and we declare in Jesus' Name "Idaho will be saved and serve the King and His Kingdom in these and coming challenging times—in Jesus' Name we declare it, amen.

CLAY NASH: All right, David, we appreciate your humor, but I also know people in Idaho, I also have been to Idaho and plan to go back in September to Idaho but it's a good one anyway. All right, Ken Malone there in Florida, what's in your heart, sir?

KEN MALONE: Hey, Clay, so glad to be on here. I don't know anyone in Idaho, but I'm glad the Lord has placed Idaho in this nation. It seems that Idaho is really a gem of the Lord and actually one of its nicknames is "Gem of the Mountains." It is the 43rd state in our nation, and I wanted to read a portion of Isaiah 43—since it's the 43rd state—over this state. I believe that we are going to see some great and mighty things come out of Idaho that have not been seen before. I believe this state is going to come on the national scene. Isaiah 43: But now thus says the Lord, Your Creator, O Idaho, and He Who formed Idaho: Do not fear for I have redeemed Idaho, and I have called Idaho by name and you are Mine. When you pass through the waters, I'll be with you, and through the rivers, they will not overflow you. When you walk through the fire you will not be scorched nor will the flame burn you for I am the Lord your God, the Holy One of Idaho, your Savior. Father, today I pray over this gem of America that You would move by Your Spirit in Idaho and bring about an incredible awakening of harvest. Father, would You bring forth a harvest of souls in that state that is unprecedented. Father, I thank You that within this state You are raising up strong leaders, strong apostles, strong prophets, strong evangelists, pastors and teachers. I decree, Father that the equipped saints are beginning to arise in Idaho to possess the land. Lord, I pray that the Ekklesia of Idaho begin possessing that land, taking Your dominion over Idaho in Yeshua's Name. Father, I thank You that Idaho belongs to You, and Father, I give You praise and honor and glory for it in Yeshua's Name, amen.

CLAY NASH: All right, thank you, Ken. I'm going to call on a friend of mine, Joel Ecklund; he's a pastor there, I know his dad and mom, and I've known him since he was a lot younger and I was a lot younger. He's agreed to come on and close us out in prayer today, but I just declare over the state of Idaho that katartizo is taking place, that divine alignment is coming. I declare over Idaho that the body is being fitly joined together. I declare that the dry bones of Idaho will hear the word of the Lord. I declare over the Senate and House there in Idaho a holy fear, a holy conviction come over those that represent the state of Idaho that they will step back into their awe of God, the fear of God, and that as they do they will begin to represent God's people there and not their own choices. I declare exposure coming to the corruption there in the state. I declare that the awakening revival that has begun there as it has in all 50 states is increasing and it will bring about a reformation, and as awakening and reformation are married, we're going to see transformation take place there in Idaho. I declare that the windows of Heaven are open over the state of Idaho and You are pouring out, Father, blessings that they can't even contain. You are bringing Your will to pass there in the state of Idaho. We stand with those that are pro-life, those that are Kingdom-minded, those that have a Biblical worldview—we stand with them and declare Heaven and earth touch there in Idaho and Heaven's will be done in Idaho from the top to the bottom, from the west to the east—we declare a holy moving of Holy Spirit like we've never seen before. Bring signs, wonders, miracles to the state of Idaho, miracles that will cause those who doubt, those who have become encrusted in religion to break out of that old, come out of that old wineskin and not only become a new wineskin but be filled with new wine. We declare these things now in Yeshua's Name, amen. All right, Joel, you're on. My friend, I appreciate you stepping in to do this. Just release that prayer to wind up this call and we appreciate it.

JOEL ECKLUND: Thank you so much, Clay, it's such an honor to be on with you all, and I just want to say before I close up that as a minister in Idaho, I just wanted to thank you guys so much for having an initiative like this; in the Northwest it can get a little bit lonely! As I was just agreeing with all these prophetic words and decrees I felt the Lord tell me to go to Isaiah 40:3-5. I can't remember the gentleman's name with the funny conspiracy theory but there has been almost like a sheet over the state of Idaho, like a veil over this state, and I feel that this is a season where God is pulling back the sheet and showing forth what He is doing in this hour. I want to declare this as a voice crying out, "Clear the way for the Lord in Idaho; make straight in the desert a highway for our God. And every valley will be lifted up and every mountain and hill will be leveled. The uneven ground will become smooth and the rough places a plain, and the glory of the Lord will appear and all humanity together will see it for the mouth of the Lord has spoken." God, we thank You that You are doing a new thing in this hour. We declare today that the move that has begun in the state of Idaho will not cease, it will not smolder, but it will catch fire across the Great Plains; it will catch fire all the way to the east coast. God, we pray right now that from the north to the south, from the east to the west that this state will be saved and will reveal the glory and the majesty of our God. Lord, we declare right now in Jesus' Name. We thank You so much for every word that has been spoken today, and not just today but the generations of intercessory prayer are seeds sprouting up a forest even as we speak. Those wonderful saints that have

sown in tears, their children will reap in joy and this state will see You move. God, I pray that we would remove every obstacle, that every eye would see you, and that no one would be without excuse because we have seen God. Lord, I thank You for this initiative. I thank You for the state of Idaho. I thank You for all the things that You are doing in the midst of Your people. We pray blessing over every church, every Ekklesia, every house of worship. God, we pray for a faithful witness to continue to be in the churches of Idaho. We thank You, Jesus. We declare Your glory in this place, and it's in Your Name we pray, amen.

CLAY NASH: All right, Joel, we thank you. We value your words and we stand in agreement with all these words and that they come to pass. Remember, every day our prayer calls are recorded and then transcribed so if you want to listen to this again you can go to claynash.org and probably by 3 o'clock central time the recording will be up and the transcription posted as soon as possible. Remember that tomorrow night at 9pm we're going to be praying for the state of Utah; then on Wednesday at 2:22 eastern time the state of Arkansas; on Thursday is Maryland and Virginia on Friday. We'll be finished with 35 states at the end of this week. Remember the Josiah Company Convocation. I am so excited, I'm hearing from people. A man got a hold of me last week. He's carrying a few years of age, he doesn't do anything on the internet, and he said, "I've got to be there! How can I register?" So we worked that out to get him registered to be there, and it's just going to be a great time. We're going to pray over all 50 states and make a lot of declarations and decrees and let the governmental prophetic to flow there. So make your plans, go to my website there, claynash.org, you can sign up. If you're listening today and you're not on the email, please get on it. An email went out this morning telling what state we're praying for every day this week, so go there and get on the list so you'll be getting these emails. All right, I thank everyone for being on, thank everyone for participating by adding their power of agreement making their declarations and decrees, and I certainly thank our hosts who are so faithful to work with us and to come on daily. God bless you all.
