

PRAYER CALL Tuesday , APRIL 4, 2023 - UTAH

CLAY NASH - All Right, good evening. It is great to be on tonight at 9pmET on our prayer call for the state of Utah. As you know we are going through all 50 states. Yesterday we did Idaho, tonight we are on Utah. Tomorrow at 2:22ET we will cover Arkansas, Thursday at 2:22ET, Maryland, and then on Friday at 2:22ET, Virginia. Tuesday nights are the only day of the week that we do not do it at 2:22. We do it at 9:00 pm at night. The calls have been going great. We have now covered 36 states. We are going to finish strong. Tonight's call will be good. We have some great guests that are going to join us tonight. I want to remind you that every call that we do is recorded and then it is posted on my website, ClayNash.org., and then we work very diligent to get it transcribed within 48 hours sometimes quicker than that depending how long the call goes and some other things. It is going well. We are hearing from people contacting today that went on and looked and did not know about the call, went out and found the call, listened to it, and said so much confirmation that their intercessory group had been getting. We like that. It raises faith and confirms some things. Remember, I remind you on every call coming up on April 20 -22, in Conway, Arkansas, that is 30 minutes from Little Rock, Little Rock Airport. We are going to be hosting the Josiah Company Convocation. We will be there beginning Thursday night. Someone wrote me today said they were in the Conway area and had difficulty finding it. We checked it out. The address that we are putting out, the first name we put out is Eagles Nook. That sign has not been put up. It is actually the Pentecostal Church of God Campus there. It is right on 64 Business. It is very easy to find. You won't have a problem. We are going to have signs up. Everyone that is registered for the convocation we are going to send an email with detail driving directions to it. Thank you for that. Go to the website, ClayNash.org and be sure to register there. We need to do that so that we do not overfill the facility that we have rented. All right we are going to get into tonight's call. Regina Shank, God has given you a prophetic word for the state of Utah. Let us begin with it.

Regina Shank: All right ,thank you so much. I heard this from the Lord today. Utah, who you worship is more important than how you worship. The Mormon gods of pride and false prophecy have invaded the purity of your sanctuaries. The false apostolic vies for first place in your land, but I will establish my Throne on my Holy Hill. The shamans have been replaced by the Mormon men. Their roots will be uprooted from the soil of Utah. My gardeners have arrived; weed the garden, plow the soil with your prayers, and plant the heavens. St. George, Moab, and Salt Lake City are my targets. The Moabites will be dealt with; the counterfeit route to my Presence will be exposed, and the temples of the ritualists will lose their power. Utah worship me! Raise your voices; pour out your praise; sing a new song of victory. It is not the

temples of men that will reach me. Towers of Babel will bring confusion. My hidden ones have worshipped me in secret but will now reveal me with a sudden rush of evangelism. The lost will come. I am doing a root canal, removing the false roots of "woe is me", and planting the fresh root of my tree of life. Let the dentistry begin. Out with the old, painful root system! In with the blessing of the plantings of the Lord. Arise Utah, your prayers have been heard and you will bring forth honey from the rock. Fear not, greater is He within you than he that is in the world.

So, Lord we decree that the garden is getting ready to be weeded. You are doing a new planting of your word in Utah. Lord, I thank you Father that the prayers of your intercessors have been heard. That the worship reaches your throne. And Lord the false worship is rooted. The false roots are being uprooted and you will have your way in the state of Utah. The siftings within Utah will come forth. The intercessors will come together and there will be a fresh move of the apostolic in this state of Utah. In Jesus's name.

CLAY NASH – All right Regina, great start for this call for Utah. We come in agreement with that Lord. You said to us that we battle not just for your promises but from your promises. So we set ourselves in agreement with this word released through Regina Shank there in Missouri, and we declare those words will touch her. They are settled in heaven and we war with them for the turning of Utah and for the victory that will come out of Utah. Anne Tate, always good to have you on. You got some guests that you have asked to come on. I will have you introduce them and I will turn it over to you at this point.

ANNE TATE – Thank you Clay. I want to introduce first of all Ed White who is a prophet and he has great stature and is working tirelessly in Utah right now, as well as having a church in Michigan. He has been going back and forth to Utah and working there for the last couple of years. He was suspended from the people that were part of the Mormons and the Lord began to settle over him a mantle in order to break through in the spiritually. So Ed we are very glad to have you here tonight and it is a unique way of getting started doing what the Lord has called you to do, but I know it is God.

ED WHITE- Amen, Amen. Can you hear me ok? All right, wonderful. Before I pray I am going to let my dear friend, a true prophetic voice and an intercessor, Jean Sanders. She has been in Utah, for I think, for 30 some odd years. Her husband, Brian, is not only a physician, but he has served as a state senator in Utah. She has got many prophetic assignments in the nation and has labored tirelessly in Utah. Jean are on there?

JEAN SANDERS– All right, Ok, Thank you. Father, I come as a representative of the state of Utah. One of many prayer groups. Grateful to Almighty God for the freedom

to worship in order to secure and perpetuate these blessings. I decree that the worship state by identities and destinies. I decree Utah will turn from every false worship system back to worship Yahweh in spirit and truth. I decree and prophesy that Chuck Pierce in 2004 that a different sound will come from Utah that will begin to penetrate cities and the entire nation. It will be an unlocking sound. Sounds of harvest coming to Utah that are strategic worship to release the sound to come forth to break the veil. I decree the unlocking sound is now going forth to the entire nation, the United States of America. The veil is broken and there will arise from the__?__ prophesy from the floor of the state senate. The government of Utah will be on His shoulders. There will be an increase of His government and there will be no end. We embrace and decree the zeal of the Lord of Hosts to perform it. I agree with the previous prophetic word that the axe is fallen to the root and every religious system and practice that does not bear fruit. We say the false apostolic and prophetic is being uprooted and the true apostolic and prophetic are going forth. We decree and declare that we call it and redemption and the evangelistic army that has gone to the nations as Mormon missionaries. We say that army will come out of the false gospel and we will have an army of even greater stature going forth with the true gospel from Utah. We decree and declare that where women have been pushed out of Utah walking into a redemptive place, these women will lead to their true standing in the kingdom of God from Utah in the name of Jesus Christ, Amen.

ED WHITE – Amen, Amen. I am just going to pray into those orders. My two time great grandfather I found out had an encounter in Ogden, Utah. Found out my two time great grandfather was a pioneer of that city and traveled with Brigham Young across the nation. The Lord has given me a mandate to see all of Mormonism __?__like the worldwide church of God. I just heard the Lord say today that Utah is the sound that will unlock the harvest. As it was decreed on February 16, 2004, I am bringing forth the sound of the true Latter Day Saints. I am raising up a movement that will begin to release a sound from Utah that will begin to shake the structures that have held my people in bondage. Utah you will release the sound that will penetrate the nation and break through the veil. Opening the eyes of my people to see what they could not see before. You taught since this nation was united on May 10, 1869 with the golden railroad spike. Once again you will release the sound of the last spike, the golden spike. You will release the sound it is finished. You will release the sound of the cross that begins to shake the tombs of that religion. Once again, the Lord says I am releasing the It is finished sound that will shake everything that can be shaken and I will resurrect from the tomb my body for I am sending once again the four winds, the winds of resurrection. I am resurrecting true apostolic and prophetic foundations in the state of Utah. For I am releasing again to restructure and I am uprooting every masonic, every luciferian root. I am recovenanting with you. I am re-establishing you. So, I thank you tonight Lord for an uprooting and a rerooting. I thank you Jesus that you are

the root, that you are the seed of David, that you are the Bright and Morning Star. Lord, I thank you that the Latter day saints Lord in Utah not the Mormons, but the last day saints are going to release a Daniel 22, a Daniel 7:22 sound that will release your written judgement that will break the captivity of the enemy. So Lord as we pray over Utah tonight, I thank you that the wind of your spirit is blowing over St. George and the I-15 corridor. Lord, I thank you let that the I-15 corridor become a corridor of glory. Lord let it begin to topple Lord every structure that the enemy is trying to establish. Lord, I thank you that the great salt basin will be a place where you will restore the salt back to the apostolic gospel. Even as Bringham Young said on July 24, 1847, I thank you Lord that this is the place. This is the place where you will begin to move forth. This is the place that you have chosen. So Lord, we reverse every curse and we reverse every intrusion. Lord, we thank you for those structuration movement, moving in Utah. Lord, I thank you that you are connecting Boise and Salt Lake. Lord, that these two cities will begin to turn together. Lord that you will turn not only Utah but you will turn Idaho. And so Lord we thank you tonight, in Jesus name. Amen

ANNE TATE – I'm sorry. I was speaking and I was muted. Great words. What I was hearing the Lord say. When He said it is finished, it will be because the religious spirit has been put to bed in Utah. When that occurs there will be such an outcry of freedom and resurrection power. The Lord says I am sending my presence to Utah and it will uproot and overturn every religion precept and every religious bondage and every religious chain that has chained, kept back, silenced stopped the apostolic movement. When the real thing comes, the old thing won't have, no body will have anything to do with the old thing. Lord, we say that you are bringing forth a great move of God in Utah by bringing your presence that disrupts all the religious order that has been there in the past, in the name of Jesus, Amen. Clay, I am going to turn it back to you.

CLAY NASH –Thank you Anne. As you were prophesying, I heard the Lord say, Utah, it is time for a new operating system within your state. The Lord is saying I have got to take out the hard drive to install the new operating system. What I will replace the hard drive with will be a salt drive. It will be salt to the will of God. For I am about to shake the state of Utah , from the north to the south to the east to the west and then I am going to fill it with my spirit where it begins to pour over into the states that connect it. So watch and see. There is a brooding of the angels of the Lord in Utah right now, like there has never been before. The Angel Armies are rising up says God. As they rise up you will hear all across the state of angel encounters that begin to take place. There will be reports, there will be publicly known on public tv about people who pick up hitchhikers and the encounter with angels that will come out of this. Watch and see. I am brooding says the Lord with my spirit over Utah because Utah is an Isaiah 8:18 state and for the people there, they are for signs and wonders as well as their children. Get ready for this outpouring of awakening, reformation, bringing about a transformation to

that state. For it shall no longer look at what you did, it shall not even reference the days of old or the times that are of the past because I am about to bring Utah back to its future, the future that I designed for it. For many who have tried to set themselves up in the state of Utah as the apostolic and prophetic have been reading the blueprint, but the blueprint has been turned upside down, but now I am about to flip them over and that can only be seen through enough good wind will now bring forth the details of the prototype of what I am building in Utah. People of Utah get ready for the outpouring is there and it will increase and hearts will return and Utah will become one of the states that will be known for the prodigals coming home first. So get ready. Prepare yourself for the prodigals. Their hearts are being turned even at this time, says the Lord. All right Pat, there in Illinois what is in your heart.

PAT McMANUS - Thank you Clay. Powerful decrees and prophetic words that have been spoken over Utah. I looked at the golden state motto of industry. Soon as I heard the word industry, I heard the word forward. In Hebrews chapter 12 verse 13 in the Passion Translation it says. For as you keep walking forward on God's path all your stumbling ways will be divinely healed. I am going to read it again, as you keep forward on God's path all your stumbling ways will be divinely healed. So Father we thank you that you are resetting the state of Utah to be a functional expression of ? of their motto for the place of forward thinking that will truly cause the expression of your heart and your hand to prevail on the land. We thank you father that you are resetting the steps as it was talked about, resetting steps that come into and walking forward in the purpose of your word. That Father you will restore back with a healing moment and a movement that you are igniting within to heal not only the industry, not only the governing structure, not only the body within the state, but Father bringing a clear sound of a reformational movement that will cause a clear expression of transformation. Father, we thank you that you are igniting within the region for a clear sound of a understandable movement of your heart of the land. Father, you are igniting the heart to restore to see the fullness of your hand and the power of your name revealed. Father, I ask you unlock strategies of revelation to see your purposes prevail. Father, ignite with a clear sound of understanding of the direction of your footsteps to restore the foundational of what you wanted to see done in that state come into right order. So Father we declare to Utah, hear the voice of the Lord and walk fully in the power and the plan of my hand. Hear the voice of the Lord and walk in the strength and power of my word. Hear the word of the Lord and rise into the clear understanding of the aligned identity of what I created you in and wanted you to walk fully for. Father, we thank you for Utah. We thank you for what you are doing. Breaking religious structures, breaking religious systems, replacing political religious structure off the land and seeing a clear sound of reformation for revolution to truly take place in the land. We thank you Father for it in Jesus's name. Amen and Amen

CLAY NASH – All right Pat. Great declarations and decrees there. We come in agreement with those words. We declare heaven is speaking into Utah. We come in agreement with it. Ken Malone I am going to call you on next, but I heard something. I heard that the state of Catholics declaring and decreeing. I heard that the state of Utah has many false fathers. Release what is in your heart, but I am asking you to release a father's blessing over the state of Utah tonight.

KEN MALONE – I will do that. Thank you, Clay. As we first began tonight, I began to see a false angel of light that has presented itself to Utah and around the globe. It is the false angel the false angel of Mormonism. I saw in the spirit the Lord is bringing forth the Bright and Morning Star into Utah. The scripture came to me out of 2 Peter 1:19 and it says here, we have been given the prophetic word the written message of the prophets made more reliable and fully validated by the confirming voice of God on the mount of Transfiguration. Utah you will continue to do well if you stay focused on the prophetic word of the Lord. For this prophetic message is like a piercing light shining in a glooming place until the dawn of a new day. The morning star rising in the hearts of Utah. So, Father tonight God we say in Jesus's name let the Bright and Morning Star, Yeshua, begin to arise in Utah. Father, let the Son of Righteousness arise with healing in His wings over that state. God, we cancel every false angel of light. Everything that has presented itself as light but in the background is darkness. We cancel that now and Lord we release you to bring forth your light into the state of Utah. Father, I thank you Lord for the father that you are to the state of Utah. We cancel every false father there in Utah. We cancel their authority, we cancel their words. And Lord tonight as we pray over Utah, I release a father's blessing over this state. I release a father's blessing over every person, male, female, boy, girl, husband and wives, children. I release a fathers blessing to you and I decree that the word curses spoken over this state are now broken by the blessing. Father you will penetrate that whole state with the blessings of your light. I thank you for it in Yeshua's name. Amen

CLAY NASH – Amen. Ken as you were declaring now, I heard the Lord say that He was breaking off of Utah tonight an orphan spirit and a vagabond spirit. The curse God spoke over Cain has been upon Utah and the officials of Utah, but God is breaking that off of Utah tonight, that orphan spirit. I just declare as a father in the faith as well a spirit of adoption coming upon the people of Utah. I declare that sons will step into their destiny. Daughters will step into their destiny. I declare that companies of people will be raised up in Utah that will become boots on the ground marching in a new Caleb. That new Caleb is going to release that new sound that Anne prophesied about. That sound is not just for the state of Utah it is for the nation. It is going to be released out of there in a very, very powerful way. Regina, you have something else, what is on your heart.

REGINA SHANK – Clay, years ago I went as a team and we did the Mormon trail prayer journey. We prayed up into Utah. We went to some of the temples. We asked God to uproot the false roots there. A lot of what we sensed was the ___?___ the suffering tour, their state, that kind of thing. The joy was not there. I just decree a new joy is coming to Utah. The joy of the presence of the Lord. That this joy of the Lord is the strength that is needed to uproot the sorrow that is in the soil of Utah. Then I heard the acronym of U.T.A.H. The first is uproot. I know the intercessors have been doing that it is for uprooting and it is going to happen. T is train and teach from the word. The A is attack the religious system in prayers and decrees. The H is the result which will be the healing of the land. So we decree that Lord. That the uprooting is continuing that the training and the teaching in the word of God and ministries will come forth in the planting of the Lord. In fasting, prayers and decree that of the religious system that has tried to take root of that land and the healing of the land will come forth so we decree that over Utah tonight in Jesus name.

CLAY NASH – All right. Thank you Regina for that. Strong words tonight on this call. I have got a good friend, Randy Petty from Utah. He and his wife, Tanya in Arizona but they live in Utah. Randy, I am going to call on you at this time to close us out with a prayer on this call. Just release those things that are in your heart.

RANDY PETTY – Thank you very much, I appreciate this opportunity. First I want to say Amen to everything that has been said so far this evening. I thank you for all your words. I ask you now to please pray with me. Father, I pray today that you will forgive us, the citizens of Utah, for how we have treated you, how we have ignored you, and how we do not make you first in our hearts. I pray that our decision going forward will be pleasing to you and will bring light, Father to our state. Father I pray for your divine heath in the protection over our schools, over our teachers, and over our students. I welcome you Father back into the classroom. I pray that all teachings will be pleasing to you. Father, I pray against the negative religious spirits that have resided here. I pray Father, that you will exchange that spirit with the Holy Spirit that will draw us into a deeper knowledge and relationship with you. I pray today for our state and our local government and all of our government officials, Father. I pray that our government will be righteous. That officials will make decisions based on your desires. I pray Father that you touch all in the state with a real desire to know you better, to love you more and to develop a deeper relationship with you. Father, I look forward with what you are going to do in this state and in our country. We live in some trying times but also some exciting times, and we thank you Father and I pray in the name of Jesus Christ.

CLAY NASH- Amen. Thank you, Randy for that. Randy, as you were praying I heard the Lord tell me to make this declaration over Utah. I declare you the religious of Utah. You will no longer be allowed or be able to redefine truth to accommodate your own weaknesses. Your time is up. Cease now religious spirits, cease now religious

people, of the act of redefining truth to accommodate your own weaknesses. Time up in Yeshua's name. Amen

Ed and Jean, thank you for taking time out of your many responsibilities being on this call. We appreciate, we value those words you declared and prophesied and decreed. Thank you for that. I want to thank all of the hosts that were on tonight. These calls would not be what they are without you being on. We cannot forget the literally hundreds and hundreds and thousands of people that are on these calls and listen to the recordings of these calls and release and add their power of agreement and make their declarations and decrees right at home at work wherever they listen to it. Thank you, thank you, thank you. We will get this recording up as quick as we can, and we will get it transcribed so that you will be able to go there and download it. If you are working with an intercessory group there you can get it and you can war from the promises that God released on this call tonight. God Bless you all. We will be on here tomorrow at 2:22, the state of Arkansas. Representative Mary Bentley, who is so instrumental in lot of the abortion issues. She worked with former Senator Jason Rapert. She is going to be on. We got some other people that are joining us tomorrow for Arkansas. That is where I reside. That is where we recently bought almost 400 acres of land. Don't forget the ministries center up here. Join with us tomorrow for the state of Arkansas. God Bless you all.
