

## Prayer Call 4-6-2023 – Maryland

**Clay Nash:** Well good day, we are on another 2:22 time – we are going to be praying for the State of Maryland today and tomorrow we will be on Virginia. As always, I'm going to remind you about the Josiah Company Convocation – we still have room for people to register, there's still hotel rooms there for you and we hope you'll make plans. You can fly into Little Rock, it's about a 30-minute drive, it's about 10 minutes off I-40 – very easy to find. I'll be there at the facility tomorrow checking it out a little bit more as I head down to Little Rock for tomorrow night's Passover seder with Dwain Miller. But anyway, it's going to be a great call today. We are looking forward to declaring, decreeing and prophesying into Maryland and I've been reading this in the last 15 -20 minutes the word that was released back on the 50 State Tour and we believe that God has cleared some of that up that was prophesied - bought it to pass - but we feel other things that are going. Remember tomorrow on the call we will be on the State of Virginia, and when we finish, we will have 35 states behind us and 15 more – 3 more weeks and we'll finish this up and move on in our direction of praying for 2024 and the election that come.

And so, I want to begin by declaring over the State of Maryland, that all the religious confusion and all the diversity that it there that is working against the kingdom of God is going to fall null and void. I declare there is a new sound rising out of the State of Maryland and I declare as it rises that there is going to be a very distinct roar of God's authority come out of the State of Maryland that's going to get the attention of the rest of the nation.

Father, we thank you that as you are pouring out your spirit on this nation -- Maryland is not exempt from that. So, Father we just declare awakening, we declare reformation and we declare as those two marry each other we thank you Father we will see transformation there in the state. Lord, we declare it's not just a blue state, a liberal state, we declare that the outpouring of your Spirit and the Kingdom invading Maryland is going to bring it around.

Father, we declare that it basically houses D.C. that there is going to be a spilling over of conviction, strong, strong, strong conviction into D.C. that's going to cause hearts to be rendered and surrendered unto you Lord. Father, we just declare these things today, we call them to be so, and we just in Yeshua's name we declare that what you are going to do is going to be exceedingly, abundantly above anything that we can even imagine. Bring it to pass. Let the weight of your Glory bring great conviction, great repentance, and great redemption in the State of Maryland with it.

**Clay Nash:** Jacquie, I think you are on with us. I'm multi-tasking here – I'm going to call on you next to release what you have for the great State of Maryland.

**Jacquie Tyre:** Yes sir, I am on, just got on, it's been one of those days, I think we are all multi-tasking. But I heard the Lord say:

Maryland, a land entangled and ensnared by many things, having lost your way by the storm clouds and darkness of despair that swept in across the land, but I have not forgotten, nor have I forsaken you. There is a stirring of My Spirit, and I am raising up some young radical warriors who are done with the lies, manipulation and destruction that has come from those promising one thing but delivering another.

These radical ones will arise with strength in their resolve, force in their stand and clarity in their voices. “The sound of “enough is enough” is rising out of you Maryland, rally to the sound and receive the strength I have for you to turn and return to the way that I set from the beginning, says the Lord.

So, Father I decree over Maryland, I decree over the young radical ones, arise, arise, arise, arise, arise with strength, a strength of resolve, arise with a force in your stand of righteousness, justice and truth and arise with a clarity of the roar of the tribe of Judah within your mouth to articulate truth, to stand when all else topples, that you stand, that you waver not and you strike with the Word of the Lord and the Sword of the Spirit. Father, I decree that the shadow coming out of DC that casts over Maryland and casts its liberal agenda and its oppressive agenda over Maryland, we say right now we decree it is being shattered by the sound of the radical young ones crying out – enough is enough – we will take it no more and we come into an agreement and we say -- let Maryland go, let Maryland become what she was intended to from the beginning to bring forth the light of your Glory and your Grace Father. Let your Glory be revealed in Maryland. I keep hearing this word “Let Maryland become a Merry Land – a land filled with joy”. In the mighty name of Jesus. Amen

**Clay Nash:** Alright, Jacquie thank you for this great start on today’s call. We come in agreement with those words, and I just declare that the people of Maryland are going to rise up stronger in declaring “enough is enough “and I declare out of that there is a holy shaking and an awakening coming to the State of Maryland.

**Clay Nash:** Pat, there in Illinois, what’s in your heart.

**Pat McManus:** Thank you sir. I agree with what has been declared and decreed already and I was thinking about when I looked in the book like you mentioned earlier, it talks about Maryland being – I will awaken the seed - and when I saw that, I heard the Lord say:

*Isaiah 60:1 “Arise and shine for your light has come and the Glory of the Lord is risen upon you. For behold darkness shall cover the earth and deep darkness the people but the Lord will arise over you and His Glory will be seen on you. The Gentiles shall come to your light and kings to the brightness of your rising”.*

Father, I thank you that you are releasing, as it has been declared, a sound that is stirring the heart of the state for a clear expression of awakening. That Father you are breaking all of the ungodly alliances that are rooted within that state and that Father you are breaking the shackles and chains that have held that region in bondage.

Father, we thank you that you are setting the captives free by the aligning of your light shining on the hearts of those that will stand with you. We thank you Father that we can stand on the purpose and reveal your promise and see the fullness of your hand prevail upon our land. So Father we declare this day, awaken the seed of the territory to where there will be a launching forward of the glorious expression of your hand upon the land. Father, we thank you that you are removing all root issues and that Father there's the moments for the movements of heaven to truly be ignited within that land and bringing about your Glory, your Power, and your Praise in that territory. So Father shift things that need to be shifted, align things that need to be realigned and cause your glory to be revealed as a clear sound of alignment is being established for the order of your hand to move on the land. So, we thank you Father for what you are about to do as you stir the heart of the state for a clear sound of awakening, reformation, and revelation of true transformation upon the land. And we thank you Father for it. In Jesus name, Amen, and Amen.

**Clay Nash:** Alright, Pat strong declarations and decrees – we just stand in agreement that God is stirring the spirit up in the people of Maryland and as a result of that it's going to bring awakening. I just declare that the old man's religion – his day of singing lullabies to the church and rocking them in a chair and singing them to sleep there in Maryland are over. I declare the religious spirit that seeks to control the church is dying and I declare the ecclesia is standing to its feet and as it stands to its feet in the authority of God, there is a roar being released in Maryland that will touch the nation. Father, do this in Yeshua's name.

**Clay Nash:** Alright, David Hertel there in Mississippi, what's in your heart?

**David Hertel:** Yes sir. Coming in agreement with all that's been declared, and just as I said Lord what do you say about Maryland today?

And He said: *Just as I AM that I AM to you, I AM that I AM in Maryland too.* Maryland – you have been called “America in miniature” because of so much topographical variety crammed within your borders. As such the Lord calls you into Kingdom alignment with His purposes and plans for America. You have been a Saul, but in Jesus' name, we are calling you today to a Paul conversion. A knocking off of your high horse and of seeing the light of truth shining around you so your role in history when you were a strength that was relied on by our first President to hold the line against tyranny will be resurrected during this resurrection week and we thank you Lord that Maryland will be raised up to be used for the advancement of your agenda and the defeat of tyranny in this nation again. We declare in Jesus name that no weapon formed against the fulfillment of the Lord's agenda for Maryland will prosper and we claim Maryland for the Kingdom of God and His will being done on earth as it is in heaven. In Jesus's name. Amen

**Clay Nash:** Alright, David, thank you for those strong words there. Ken Malone in Florida, what's in your heart?

**Ken Malone:** Good afternoon, Clay and everyone on the call. It's an honor to be with you. I really feel like the Lord is just in love with this state. And one of the reasons I say that is, I just finished reading that 'it is the duty of Maryland to worship'. That was in their original Charter. And also I noticed one of the words that Chuck said was "there was much dammed up".

And so today, I feel like the Lord has brought us on here 1) to break the dam wall and 2) to begin instigating and reigniting the worship that God desires from that state. So, Father in the name of Yeshua, I come to you today thanking you God that you died for Maryland. Your Son Jesus died on a cross for that entire state, every inhabitant there, every conservative, every liberal, every independent, each person there God, you gave your life for. And Lord I thank you today God that you are going to restore the foundations of worship in that state Father in Yeshua's name. We say the foundations of worship begin to arise within that state, we call it from the north, the south, the east and west and say let the worshippers come, let the worship leaders lead, let those who are worshipers begin to engage Yahweh in the worship of the Lord, in Yeshua's name. And Father, I thank you for that and Lord I just decree to all that is dammed up, I say in the name of Yeshua, the dam wall is broken and is coming down now. In Yeshua's name. And Father, I thank you that every reservoir of victory is broken down, every reservoir of signs, wonders and miracles is brought down, every reservoir of salvation Lord is brought down and moved among the people. Let the waters of revival begin to flow in that state. And Father, I thank you God that there is nothing impossible with you. Lord, as we look at Maryland, we look at it through the eyes of heaven and we decree that Maryland shall be saved and we thank you for it. In Yeshua's name. Amen.

**Clay Nash:** Alright Ken, strong words there and I heard the Lord say "When this dam breaks and the water of Holy Spirit begins to flow in the State of Maryland, the circuit riders will be released in that state, and they will carry the same empowering grace that John Wesley carried. I also heard the Lord say "there is a songwriter in the wings in Maryland that will write kingdom songs that will become known in history as strong as the kingdom songs of Charles Wesley that he wrote during his time.

So Father, I call forth this songwriter and I call forth these circuit riders and I call forth that empowering grace to those within the State of Maryland and we declare that where the circuit riders go, they will have the new song and the new sound and bring forth a new cadance and it will cause the State of Maryland to step into its place of destiny and alignment. I declare over Maryland "katartismos, katartismos, katartismos alignment, alignment, alignment". And I declare over all 50 states there is an alignment for conquest that is coming to this nation and we thank you for that now. In Yeshua's name. Amen

**Clay Nash:** Any of the hosts on today have anything further you need to release? Ok, little bit short but people are busy. I'm going to call on a friend Jim Bryson, he's there in Maryland. Jim has graciously agreed to come on and close us out in prayer today. Jim is actually a ghost writer for many people, me being one of them, he's not a

ghost, he's full of the Holy Ghost, but Jim come on and just close us out with the prayer God has placed in your heart.

**Jim Bryson:** I will do that Clay. When you asked me yesterday, the first thing that came to mind was the scripture – *“Let God be true, and every human being a liar. As it is written: “so that you may be proved right when you speak and prevail when you judge”*.

I am going to declare that every work of man that is apart from God, that is against God, opposing God in Maryland is going to come to nothing. That all the pomp and circumstance and all the subterfuge and all the media wars are going to be exposed for what they are – for the lies and the manipulation are going to come to absolutely nothing and they are going to disintegrate, and they are gone. I am going to declare that the light that began in Maryland at the beginning of our country is going to emerge like a super nova, it is going to be joining the light of the nation and what has begun here as a spark is going to sweep the nation. The light of God in truth, in clarity, in purging, in purity that's going to wipe out the work of the enemy. I declare it. I receive everything that was spoken here today and I call forth the warriors, every shape, every kind, tall and young, short and old and whatever I call forth the warriors that we will respond to the call of God and act in Holy Spirit authenticity. That we will be who we were called to be and know our place but know our rights. In Jesus name.

Come forth Maryland, come forth -- take your place at the table, take your place in the kingdom, and do what God has called you to do, what He has ordained you to do from the beginning. Step up, rise up and do it. In Jesus name.

**Clay Nash:** Alright Jim, thank you for a great closing prayer and we agree with you. Bring it forth, Lord, we need warriors in all 50 states but Father today we have come before you for Maryland and we expect to see what we have heard declared and decreed this day on the call.
