(Read Isaiah 65)

I declare that God is creating within you a new opening to the Glory of God. He is even going to visit Arkansas. And I was talking to Sandy, there's a connection, I don't know fully what it is between Arkansas and Kansas and as the two of you come together there's going to be a revelation that neither one of you have seen that is going to open up as Arkansas and Kansas gather together in a strategic location at a strategic time, in which I have no idea what I'm talking about I only know what God is saying, and there is going to be a breaking free of Arkansas for there has been a structure of death that has held Arkansas in captivity and when you move to Arkansas, you move to die, you do not move to live, but the Lord said I shall take that which has smelled and been of death in Arkansas and in Kansas for Kansas is the death factory of this nation and I shall break the death structure that has held the middle part of this Heartland in captivity and in death and I shall cause such life to be born that it shall astound many and they shall say "What has happened to Arkansas and what has happen to Kansas?" for I shall visit both of you. Do not listen to what the enemy has said. Do not listen to the reports of those who don't believe for the Lord said I am looking for the report of the Lord and I declare "I the Amen" do say that I am going to visit Arkansas. I am going visit Kansas. For even as I raised up a national door in Arkansas that was governing in nature, I shall open up a throne of government in the state of Arkansas and it shall not be the government of man It shall be the government of God for I am getting ready to plant my throne in that state. For that state has resisted my throne and that state has resisted my glory but I declare to you that I am putting the Breaker Anointing in you tonight and

you shall break that which has resisted me and together you shall move into a new place for Kansas has resisted me but you shall break through and the Glory of the Lord shall be manifested and you shall be known as a state of rest in God because His throne is in government in that place.

I declare there is going to be such a worship lifted up in Arkansas the people are going to gather to the sound of many voices and many waters in the state of Arkansas because it will be a sign and a wonder that God is doing something new.
