**WORD OF THE LORD
THROUGH BILLYE BRIM
TO APPEAL TO HEAVEN CONFERENCE – ARKANSAS
JUNE 29th, 2019**

///

“There’s a door wide open! And you’ve heard this before. You’re about to step through to a realm you never knew. Some of you have been places in Me ... you’ve seen scenes. But this time it will be. It will be! Even in the realm of the seen. Manifested for men to see.

Faith in your heart has been stirred. Now, you go forth on what you have heard of His word. Believing. Receiving and walking with Me.

A change ... it’s already begun in the body of God’s own Son. To the image of the Master you’re designed to be. And its going to happen faster now and your eyes will see. Stay in a place where you can hear ... for orders will come to your inner ear. This is the way walk ye in it! Then hear and obey.

I’m dealing with My body. I’m dealing with My body. And the body will come, led by those who first hear the drumbeat ... the drum, the cadence change.

It’s not long and you shall see the glory of the Lord manifest upon thee. And then ... you shall go from glory to glory until the fullness of the glory you will surely know.

So, step on in, step on up ... drink of the fullness.
Walk in this place and finish the race. Another realm in Him!”
