To: James Nesbit (nesb7@aol.com)

Dear Intercessors,

I am sending you the notes from the gathering in Fort Smith Arkansas that Kingsley Walker took last Sunday evening. Even though you may not live in Arkansas, what happens in that state effects you. Just as Illinois is the "Apostolic State" and Missouri the "Show me Your Glory State" the grace given to Arkansas is "The State the will Expose and Dislodge the Serpent" that is important to the heart of America.

Remember we do not just war for our small corner,we are warring for awakening in the HEART of America. There are words here concerning gates and momentum that will help you move forward.

Bless you,

James

Arise Arkansas

Chuck Pierce February 2008

The Mayor of Ft. Smith gave Chuck the key to the frontier

Key to the Frontier...

The key actually fits the jail in Ft. Smith (old key, old jail).

Received an official pardon to use any way he sees fit.

Thoughts about the new prayer movement...quick update...Chuck isn't supposed to spearhead or lead this movement...just be at the right place at the right time in order to assure success...go and align with leaders and watch them mobilize their territory...join your anointing with other's anointing and corporately there will be a shift and a breakthrough in that territory. We are not contending w/ each other we are contending for the land and the territory that God has spoken to us to take.

October...River Flush...Chuck goes to Eldorado...great change over the next 8 years that will change the face of this nation...things will come forth from Ark. That has never come forth before...

Ft. Smith had and held the key to the frontier of this nation. It still holds the key. We are well represented at this gate...the western gate. Some things Chuck is seeing:

5768 info...Samekh Chet...Exodus 23...forty days...surround your inheritance, surrounding...come full circle and then breakout and breakthrough...8...Chet...the concept of new beginnings...in this season of coming full circle, we've come to the place of new beginnings...the new has begun...something fresh is happening...some sort of change is going on...

Becoming one new man in 5768

Restoring a harvest mentality among us.

8 linked with the season we're in....HOTNESS...fire...tell them they will be the first state to see the fire and the hotness that is in store for the nation...September this was spoken...then the fires came. They were the beginning of the change.

Houston...key city...watch Houston. Dubai. The Middle East. Decree the Middle East will be different. April...Chuck heard that LSU would win the national championship...they did. This was to get our attention.

He's surrounding Arkansas. Arkansas is a focus in the heart of God. Chet. Grasping the moment and gaining momentum, impulse, to produce new life. A new season has begun. The reproach that was on Arkansas. Will no longer be there by the end of the year. What has been will not carry over into this season. This year is not about who will win the election. Who will gain momentum and win at the GATE. We must watch momentum and what God is doing. Hebrew...numbers have word meaning. Pictures. See by the Spirit what He is doing. Notice...in 2008 this is the year of gates. What will the Lord be doing at the gates of each region? 12

gates to every region. But 4 prominent gates. Momentum to propel you through a new gate. Sept. Oct. will see us shifting out of this season. The next 10 years is about contending for wealth...fighting for it...the economic structure of the past season will no longer be the same. How do we get through into this new gate that God has for us this year?

Picture of a fort....walls....with Chet superimposed over it. America is a covenant nation so the election is in God's perfect timing. How will momentum carry us into the new season? Back up and see my people gathering at their gates...I want to raise up a new fresh movement, what is happening in new ways. There is a way in for you...he has already formed the way in for you ...

See heavens open gate.

Hear his

Gain the revelation to establish your next overcoming

Allow the catalyst that enters your life to create a lasting change

Super abound in grace

Gain momentum and go beyond

There's a sound that precedes movement. You must gain revelation at this gate and this moment. Something will begin moving in you that will come against the enemy's ability to stop or stump you. You

move on through. Watch the catalysts...how do we get to a place in this state where from this meeting everything else begins to move. All 8's are linked with super abounding grace. He's not looking at all your past mistakes...but he's looking at you leaping forward in a leap year. How do we grab hold of momentum and go beyond.

Momentum is linked with understanding the moment. You're here and you've created a moment that creates an atmospheric change. Supply that couldn't get through will now get through. Get ready to move forward and gain momentum at the western gate. Num. 10, Rev. 21:13

Momentum is linked with movement and force. Biblically a gate is a place of authority. Every key gate (prominence, historically) becomes the place of authority. It's where the king would gain an audience. He needs you to be here responding to him in order for him to make decrees and see things move into motion. It's the place of contending. God... "Let me anoint you to contend again." It's a place where market activities take place. When you come together you release something in the atmosphere to break forward. And watch how the spirit of God begins to lead you. The gate was a place of bargaining. You had to go there to get the news. To really hear what was being said. It was a key place in a region where you addressed in an area. What is heard there is a place of influence...a place of awareness, influence, and contending (by watching). This gate is a place where you watch...it's an entryway to see something come in.

How does He create movement? We've been welcomed into this city...the red carpet has been laid out by the mayor...we now have access in to do something at this gate...I'll give you access in...you will decree...then things will begin to happen. Every time it was time for a movement, they would take a silver trumpet and begin to blow it. There was a sound released that would cause all the tribes to come together and position themselves to move. One sound caused the tribes to come together. The next sound caused leaders to come together. The other sound was the shofar as the sound of heaven bringing people to alertness to gather at the gate.

Three forces, three tribes, were at the western gate. The movement of the army of God. Ezek. 48, Numbers 10, Rev. 21. God amassed his people at the gate.

Gad

Ashur

Naphtali

What did these tribes mean? Types...symbols...

Gad was the troop that would gather. A type of warfare strategy that would open up or guard the movement.

Ashur always was provision and prosperity. There at the w gate there had to be an unlocking of prov. And prosperity to releas all

Naphtali was communication. How would comm.. Go forth that would change the course for the movement to take place.

Strategy to contend. Communication being clear. Provision being released. The Lord knew we had to have a meeting here because there are provisions that are not being released that must be released in order to set the course for the next 8 years.

There's communications here that the enemy's trying to distort. There must be clear communication by the leaders in this state. When they say something it won't be twisted.

There's got to be provision to move forward for Kingdom advancement or we will be stopped and we can't advance. Someway at the Western gate there's an unlocking of provision.

Gate from the West. A Wind that will blow from the West that will begin. Biblically...naturally...the west wind signifies what is necessary to blow away the sins and the reproach of the past season. It's like a wind

of judgment and it blows away reproach. We must invite the wind of the spirit to blow and unseat the reproach of the last season. Ark. Has held great prominence in the nation, but it has also held great reproach. So that it doesn't influence the next season
Exod. 10:19.

We're setting the course at this gate. When that trumpet blows things begin to happen. At every place...a gate was where our faith was tested, but if we overcame we were given authority to take the territory before us.

I'm giving you this gate NOW in Arkansas...I'm bringing change in this gate. I'm realigning. Plumb line dropped. No longer can this state remain the same. Plumb line given to the state senator.

After you've surrounded this state I'll give you the stronghold.

I will give you Little Rock

I will cause the city to come alive and acknowledge me

South Gate...Obed Edom (El Dorado)

Wisdom with wealth.

It's a New Season

It's a new season

It's a new day

A fresh anointing is coming my way

It's a season of power and prosperity

I feel seasons everywhere

I feel blessings in the air

Those seeds that you've sown

They will come unto your own

Those seasons
