

**Prophetic words for Arkansas  
Pulled from West Gate meeting  
Sunday, February 17, 2008  
Apostle Chuck Pierce**

**He's surrounding Arkansas. Arkansas is a focus in the heart of God.**

**A new season has begun. The reproach that was on Arkansas. Will no longer be there by the end of the year. What has been will not carry over into this season. This year is not about who will win the election. Who will gain momentum and win at the GATE. We must watch momentum and what God is doing.**

**Decree:**

**Arkansas will gain the revelation to establish your next overcoming.**

**The catalyst that enters Arkansas to create a lasting change.**

**Arkansas will super abound in grace.**

**We will gain momentum and go beyond.**

**Arkansas will gain strategy to contend, communication lines will be clear and provision is being released.**

**There's communications here tht the enemy's trying to distort. There must be clear communication by the leaders in this state. When they say something is won't be twisted.**

**There's got to be provision to move forward for kingdom advancement or we will be stopped and we**

**can't advance. Someway at the Western gate there's an unlocking of provision.**

**A wind will blow from the west that will blow away the sins and the reproach of the past season.**

**A wind of judgment will blow away the reproach.**

**We invite the wind of the spirit to blow and unseat the reproach of the last season so that it does not influence the next season.**

**(Prophetic word to Dr. Ruby Green – AAPN Coordinator)**

**After you've surrounded this state, I'll give you the stronghold.**

**I will give you Little Rock.**

**I will cause the city to come alive and acknowledge me.**
