

Decrees and Declarations Over 2024 Democratic Convention

We Decree and Declare:

The Angelic, they engage in flight, and strike each target in their sights.

Let all their BOOMERANGS swiftly soar, closing ANY and ALL DEMONIC doors.

We BIND all strategies and proclamations spoken to DIVIDE our Nation.

Secret handshakes and backroom deals, there's nothing hid that's not revealed

They speak with tongues as BABEL and with mouths that are filled with gravel

We declare strategies blocked to climb to the top

We declare corruption exposed and ALL will know

We declare all platforms of baal will utterly fail

We declare they make hasty decisions and end up in prison

We BIND all plans of oppression and block all aggression

We FORBID evils success and LOOSE the oppressed

We declare baal's agenda rejected and with Angelic assistance his assignment deflected

We declare the U-Turn will come and GOD'S WILL SHALL BE DONE

We declare that confusion displayed has them in disarray

We declare they trip on each other and accuse one another

We declare too much weight on their ladder, they all fall and scatter

We declare their agendas will flop when they reach for the top

They will fight for the POWER, SCORN and DEVOUR, with evil displays for all those that stand in their way.

We declare the WHOLE WORLD'S eyes will be opened and sin shall have no promotion

Shame may be the promotion of fools, but in America only JESUS Rules

We decree, Jesus as you take center stage we will
PARTNER with YOU, your will and your ways

We declare no more evil rehearsals, only Kingdom
reversals

We declare EVERY ungodly structure and plans of
demise, fall back on those who COMPROMISE

As in the days of Ester and Hamon, when given enough
rope, their OWN WORDS WILL HANG THEM

Holy Ghost inspired
