

PRAYER CALL 2/22/2023-ARIZONA

CLAY NASH: Alright it's 2:22 and we are on the call. I want to tell you the last two days as we've prayed over New Mexico and we prayed over Oklahoma have just been both of them were just knocked out of the ball park. I appreciate the hosts but I want to commend those that are calling in faithfully adding your prayer of agreement, making your declarations and decrees over these states. God's hand is very strong on this and we know that many are listening to the recordings later and then making declarations and decrees. There is a wind that is pushing this call forward. Thankful, thankful, thankful to all of you that participate by calling in and adding your agreement whether it's on the live call or the recording. You are essential to the synergy and power that is being released on in it. So today we are going to be pressing in to the state of Arizona and ugh we've got ugh Callie from Arizona who is governmental with the church out there, handles a lot of prayer and we'll be calling on her at some point. She's been on other calls with us and is delightful to work with you Callie, But we're going to start with Pat McManus up in Illinois. God has given him a prophetic word for the state of Arizona and then Regina . Pat go ahead and release your word and what declarations you need to make and decree and then I'm going to call on Regina to do the same after you and then we'll call on Callie after that. So go ahead Pat what's in your heart?

PAT MCMANUS: Thank you sir for the opportunity with everyone today and as I was praying for Arizona it's not very long just a couple sentences but it says this " **I am resetting order in the land , I'm resetting the wells that were in the past to be used again . I'm calling you into your time of restoration . I'm calling you into your son S-O-N shine state . The wells are being unlocked and are going to flow again. Get ready for the full expression of my hand . I am restoring resources again.**" Father we thank you are restoring that which needs to be in the land. That Father you are unlocking the wells that truly need to see a full manifestation of your glory and your grace in the land. So we declare Father let the **son S-O-N** of righteousness to prevail in that state and cause the restoration of glory and the expansion of your grace to manifest on the state of Arizona like never before. Father unlock the resources that needs to be and the wells of revival , wells of reformation, wells of transformation, and wells that will truly ignite the power and the glory of your name upon that land. So we thank you Father, we give you honor and praise in Jesus name, amen and amen.

CLAY NASH: Alright Pat thank you for that great start for that prophetic word over Arizona . Regina what's in your heart?

REGINA SHANK: Well the Lord spoke this to me and I'm just going to decree it out. The Lord will destroy the Jebusites stronghold in Arizona. Legalism will give way to relational intimacy with the Lord. Facilities of witchcraft and voodoo will lose a foothold and their power will be dissipated. And then I saw a rising of the incense of worship from the hearts of God's people in Arizona. Then the Lord spoke to me Isaiah 35 " if the highway of holiness for that state I want to decree it here. Even the wilderness and desert will be glad in those days, the wasteland will rejoice and blossom with spring crocuses yes there will be an abundance of flowers and singing and joy. The deserts

will become as green as the mountains of Lebanon as the lovely Mt. Carmel on the plain of Sharon . There the Lord will display His glory, the splendor of our God . With this news strengthen those with tired hands. So I decree a strengthening to those who have been worshipping , to those who have been decreeing to those that have been watchman on the wall. The Lord says I'm going to strengthen your hands and I'm going to encourage those with weak knees and He says to those with fearful hearts " be strong Arizona and do not fear for your God is coming to destroy your enemies He is coming to save you". And when he comes He will open the eyes of the blind , unplug the ears of the deaf , the lame will leap like a deer and those that cannot speak will sing for joy. I just saw a release of great miracles in the state of Arizona. Springs will go forth in the wilderness and streams will water the wasteland , parched ground will become a pool and springs of water will satisfy the thirsty land , marsh grasses and reeds will flourish where desert jackals once lived and a great road will go through that once deserted land. It will be called the " highway of holiness" . Evil minded people will not travel on it but will only be for those that walk in God's ways. Lord we decree that right now over the state of Arizona. That the highway of holiness be paved through that state . And you're calling everybody to walk on that highway . For we say to Arizona "come , come and walk the highway of holiness , lay aside your idols, lay aside that what you have held onto that you thought was precious but is an abomination to the Lord and come and see as the ransom of the Lord and you'll be crowned with everlasting joy , sorrow and mourning will disappear and you'll be filled with joy and gladness. So we declare this over the state of Arizona that your time has come , rise up and walk the highway of holiness and let the stronghold of the Jebusites be removed in Jesus name .

CLAY NASH: Alright Regina thank you for that. Great declaration and decree there. Kallie good to have you on. I've enjoyed working with you. Appreciate the stand that you've made there in the state of Arizona and so I'm going to ask you to bring forth what's in your heart and if you have someone that is joining with you just introduce them next if that works out . So what's in your heart for today?

KALLIE FAUST : Ok actually I'm thinking I'm going to introduce the chief acting clerk of the House of Representatives for Arizona that way he can get back on the floor and getting back to business and governmental stuff so I've got Josh Babel, he's actually a worship leader but is also the chief acting clerk of the House of Representatives for Arizona. Josh?

JOSH BABEL: Yes.

CLAY NASH: Josh , Clay Nash here and I lead the call just whatever prayer , declaration or decree that's in your heart we're standing with you. We appreciate not just what you represent but representing Yeshua. Just release whatever prayer or decree who have in your heart.

JOSH : Ok. Well God we love you first of all and we thank you and give you honor and glory . Nothing that we do or nothing that we say is not without you and your guidance of the Holy Spirit. My prayer for the government and over the state of Arizona is that of

and influx of the spirit of wisdom and the spirit of revelation that you ask us to call out for even throughout scripture . We pray right now for our government that the spirit of wisdom and the spirit of revelation would come upon them. That their eyes are open and they can see clearly what heaven is saying and they can hear clearly the steps that need to be taken . I ask that any blinders that are unseen in the dark to be lifted off so that people can act accordingly in righteous steps Lord. Lord I pray in accordance with the spirit of revelation and wisdom that you God ask us to have the one thing you delight in and that is the spirit of the fear of the Lord and so I pray right now Lord that the state of Arizona and th government and influx of the fear of the Lord would hit this place God and that every person, every legislator , Senator or even into the Governor's office that the spirit of the fear of the Lord . I pray right now even Lord out of 1 Timothy that you talk to us about praying for kings and those in authority but the purpose of it is so that we may live peacefully and quietly but in Godliness and holiness. God that we can operate in the body of Christ of Arizona that we are not hindered but we rise up full of godliness and holiness in the spirit of the fear of the Lord. So God I thank you for the opportunity to serve here as just your humble servant and I ask that you even give the people that work here wisdom and revelation of hofw they can serve the state of Arizona . Lord I ask that the plans that you have succeed and the things that are not of you don't succeed. We are submitted under your hand and submitted unto you , this state has always been one that is submitted unto you and we continue to be so as long as you allow it to be. God I just place that into your hand knowing that you are in full control. I speak against fear and anything that rises up even within the people here that don't know what the next steps are or what's on the horizon here in Arizona but God we just declare that you are in full control and we don't have to operate out of fear or worry but in the King that is over a kingdom in the true authority in what we are. So God we thank you for that authority , we ask that you continue to be and bless the state of Arizona . In Jesus name. Amen.

CLAY NASH: Alright thank you Josh, I know that you are very busy with lots of responsibilities. Father bless him with enormous grace , bless him with spiritual insight and understanding not only what's going on in the surface that which goes on behind the scenes . Father bless him with rest , peace but bless him with supernatural energy release through him for the cause that is there in Arizona. Bless him now in Yeshua's name. Amen. Thank you again Josh for taking time to come on and we bless you . Kallie what is in your heart?

KALLIE: I just want...both prophetic words that were released earlier I come into full agreement with them. So much of what was spoken is exactly on my heart and the same verses that the Lord has given me. I really believe the state of Arizona , that the Lord began to talk to me at the end of December of a Nehemiah anointing and we're rebuilding the low places so I led my governmental team this last year and told them it's time to rebuild the wall of the United States of America , Arizona and the southern border. And so I really believe the Lord is calling a prophetic company of watchman out of the state of Arizona , I believe the Lord is raising up...I see like a stirring in the eagle's nest , a stirring of the prophetic in the state of Arizona out of watchman in this region . Several months ago was on Nehemiah and I saw a prompting of the Holy Spirit to look

at the date in Nehemiah, it took 52 days to begin to build the wall that was completed in 52 days. So I felt prompted to look up that date and it was today's date 2:22 and then I got notification about this call and asked to be a part of it. I just feel like the Lord is raising up those that can Nehemiah, those that can build the wall, even Gesham that would torment and like what Regina said earlier about the strengthening of the hands of the watchman . And that's what Nehemiah prayed to strengthen the hands of the laborers that are building the wall and the watchman. I just want to pray over the prophetic declaration of the watchman but Lord I come before you God and I ask Oh God that you are raising up watchman in Arizona , that you are raising up a company oh God of prophetic revelatory watchman out of the state of Arizona. Lord I ask for the anointing of the watchman in this next season to begin to rebuild the wall oh God of Arizona and the United States of America that every "woke" place would sound the trumpet to build the breeches and begin to build the exposed places but you say in Habakkuk God " I will stand at my watch and station myself on the rampart and I will look and see what you say to me. And the Lord replied to Habakkuk and said "write down the vision and make it plain on the tablet so the herald may run with it . Lord we ask oh God that the prophetic watchman would be so close and hear your voice , oh Lord that they would hear the sound of your voice and see oh God and the herald would run with the revelation you give us for the United States of America and for the state of Arizona . Even as he sat at the king's gate God and heard the conspiracy and the plot to take out King Zirkisy I preview station governmental officials in the state of Arizona at the gates of our city oh God at the place where governmental transactions take place and they would be ones oh God that would intervene on plots and schemes and plans of wickedness that are being put forth in our government from a position. And Lord I ask that you would raise these up, an Elijah anointing , a John the Baptist anointing out of the state of Arizona , a voice calling out in the wilderness " prepare the way of the Lord ". And even this next season Lord I pray that you would stir up that anointing in the state of Arizona , even as the winds are blowing in Arizona I believe oh Lord that you are blowing from the north, from the south and the east and the west . And I declare that the key of David that is placed on the shoulder of the house of David that he would open the doors not no one can shut and shut the doors that no one can open. Lord we ask Oh God to be an anointing of the legislation over the state of Arizona , over the governmental intercession, We ask that the winds of intercession would blow and worthy of sowing the wind will reap the whirlwind Lord . I pray the whirlwind of your presence would begin to blow and everything that has been built up, every high place that is not exalting the King of Kings and the Lord of Lords would be torn down in our region and in our state Lord . I pray that you would blow the cover off of wicked schemes and wicked plots. You thwart the plans of the enemy and that what is done in darkness God will have complete exposure of being done in our governmental things. Even Lord with our last two elections we pray for an exposing and a blowing of the cover off , blowing off the lid Oh God of what has been concealed . We pray for complete revealing of what's been done in darkness , every alliance, every conspiracy theory, every conspiracy plan to take out Arizona . God I pray that it would be exposed and Lord I pray you anoint the voice of the Ekklesia in the state of Arizona , that you would stir up prophetic callings, and prophetic gifting in the state of Arizona , that you would raise up a company of prophets out of the state of Arizona that would see Oh

God your plans and your purposes and we decree and declare and pray oh God until your will is established in the state of Arizona. That Lord we pray the wells of the state of Arizona would be uncapped . Oh Lord we ask for an undigging of the wells like it was in Isaac's day when the Philistines would begin to clog the wells . Lord I pray that the wells that have been contaminated will become the wells of revival with miracles like those of AA Allen . We ask that the wells that have been dug in previous seasons will react to a stirring of the wells Lord. I pray a gushing forth God of the wells of Arizona God . I pray there would be such a stirring of the wells that the next generation oh God would encounter even miracles that happened in AA Allen's day Lord. I pray oh Lord that miracle valley would begin to spring forth with fresh revival and awakening and I pray oh God that miracles , signs and wonders would be the portion of Arizona . That the portion of Arizona, all that you've sown into this region and this state that has gone before us of those bowls of intercession on behalf of Arizona that we would walk into a tipping of the bowls of intercession Lord we ask oh God everything that has been sown into the soil of this city would spring forth , pools of living water would not just be ankle deep but knee deep God. But I pray for rivers to swell in Phoenix Arizona , that the broad dry places that you would use the foolish things to confound the wise. That you would cause pools of living water to spring forth in the desert in Jesus mighty name.

CLAY NASH: Amen! Thank you for that . I don't know about the rest of you but I'm about to tackle hell with a squirt gun. Powerful declarations, powerful decrees today , good thing. Let me give you a snippet. We're going to call on you Ken Malone . We've been working, working, working but we've settled the dates for the Josiah Company meeting they will be April 20 through the 22nd. Just heard from Dutch and he's going to be able to be there and we'll get the rest of the information on where it's to be held . I'm just waiting on one phone call about a facility and as soon as I get it we'll get this out. We are going to need you to register for it so we know how many people are coming and how we can seat everyone but we might have to cut it off. With that be praying for us we've been working very diligent for thisthis Josiah company . It's certainly for anyone but we're putting it together so those that have been on the calls for the last five years can come and people from Montana can meet people from Montana and whatever state it might be. Ken Malone there in Florida what's in your heart?

KEN MALONE: Hey brother I am like you. That prayer that Callie brought forth felt like Arizona is about to explode with the glory of the Lord. Arizona is one of my favorite states. I've often said if I could have a second home somewhere it would be in Flagstaff and I just love that entire state. Today at the Florida prayer embassy we were praying for this call and for Arizona. About four years ago the Lord really put it in my heart that there were three states that God was connecting together of a three fold cord. Arizona is one of those states , Florida and Texas is the other two. But Arizona has been marked for awakening revival with signs, wonders and miracles that Callie spoke about and it's upon that state and there are many carriers of the glory of the Lord that is in that state from north to south to east to west. So Father today I thank you for Arizona. I thank Lord that it is a well watered garden and I thank you that the life of the Lord is going to come out of that state like we've never seen it before. That revival will come forth from that state Father and people would travel from all over the nation into Arizona

to experience the glory of the Lord. Father I decree today that your hand of favor rests upon that state and Lord I say God in Jesus name let there be an overturning of all corruption . Let there be an overturning of that which has hindered Arizona from moving forward. And I decree today a new grace upon that state. I say grace, grace , grace, grace, grace to that entire state from the mountains in the north to the deserts in the south I decree the grace of God rests upon you in Yeshua's name. And Father I thank you God for a harvest of souls that is coming out of Arizona . I decree a great harvest of men, women, boys and girls will come forth out of Arizona fill the kingdom . And Father today I thank you God that we will see Arizona rise up and a new mantle Father in the name of the Lord Jesus Christ. Amen.

CLAY NASH: Alright thank you Ken. As Ken was speaking I saw a vision. I saw five clouds , I saw the clouds become funnel clouds but they were reversed. The mouth of it was down at the earth in Arizona and the tail of it went up into the sky and the Lord saidI said Lord what is that and He said to me “ Now I am about to send five different winds into the state of Arizona and I'm about to take everything that has been put into destruction and I'm going to turn it right side up and I'm going to reestablish my will and my ways into the state of Arizona. And He says the state of Arizona will become now and 2024 the state that is a barrier breaker. The Lord said “ I'm bringing Mark 6 through the state of Arizona through these funnels that are reversed and I'm going to speed things up and I'm going to cause the harvest of the harvest to come in the state of Arizona and spill over” says the Lord. Ann Tate what's in your heart?

ANNE TATE: Well Clay what I saw is all across Arizona people who have been praying there like Cheryl and Hal and all the networks have been praying in Oklahoma and they have been coming together to accomplish things together. They've been easily blending with one another to bring forth things and I agree with Callie that this is the time that the watchmen are going to stand up and they're going to have a bold voice. I say that in the Arizona legislature that they and agreeing are beginning to turn things because of the prayer that has gone before. People are discovering their anointings and their calls to government. And you're going to begin to hear voices ring out .Ya'll think there are preachers in a pulpit but the Lord is going to come down and they're going to speak out what they're hearing God say. Because the lines are being drawn. The lines are being drawn between the states that are going to allow everything to happen and the ones that are going to stand and testify of the work of the Lord and keep a daily watch releasing a daily sacrifice and it's going to make a huge difference in Arizona. They will be a lighthouse of that difference , a model of those things and we say that this is the day that is beginning in the name of Jesus. Amen.

CLAY NASH: Alright thank you Ann for that. David Hurdle there in Branden, Mississippi what is in your heart?

DAVID HURDLE: Yes sir just excited about what I am hearing and I've put a couple notes together and scriptures that the Lord has put together for Arizona and looked up

the final version and it was 222 words so I'm just taking that as confirmation. Thank you Lord in Jesus name we call the state of Arizona to be into it's destiny , enriched by God. We call you Arizona to shift into a state that overcomes injustice and fraud. We declare Matthew 12:20-21 a bruised reed the Lord will not break and smoking flax he will not quench. Thank you Lord God that you will send justice for victory and in your name the gentiles will trust . We agree with previous prophecy and agree in Jesus name that the Lord to build a greenhouse over this state and establish a covering over Arizona we declare what has been a desert will become a fruitful planting. And according to one of our sisters that prayed according to this verse before Isaiah 35:5-6 And the eyes of the blind shall be open and ears of the deaf will be unstopped and the lame shall leap like a deer and the tongue of the dumb shall sing for the waters shall burst forth in the wilderness and the desert and streams in the desert. And we thank you Lord that your kingdom breakthrough is building up in Arizona and according to Hebrews 12:28-29 they are receiving a kingdom which cannot be shaken and grace by which they can serve God acceptably with reverence and Godly fear and our God is a consuming fire that will overrule and overcome the accountable and the arrogant in Arizona is being saved as is the United States of America in Jesus name we pray. Amen.

CLAY NASH: Alright thank you David for that. Jackie what's in your heart?

JACQUIE TYRE: Well Clay when we got on this call today and Arizona was mentioned I saw Arizona burning from all the corners and all the way around and then I heard the Lord say " Zechariah 2:5 is Arizona's portion " I will be a wall of fire around her and the glory in her midst" Then I saw the tabernacle of David being raised up and just a second ago I heard the Lord say " As is the people of Arizona the believers in Arizona continue to come together in the tabernacle of David I am taking them into a new dimension of functioning out of Mt. Zion and they will be the ones that will be legislating . God is shifting the church in Arizona into a higher dimension of legislation, a higher dimension of governmental authority because they have laid a foundation that is well formed , a foundation that will enable them to stand up and begin to take declarations and decrees that will shift the direction of government and to begin to shift that state into her original purpose and destiny. So Father I thank you for the faithful watchman, the gatekeepers, the men and woman who come before you day and night offering up their worship and their intercession. I thank you Father for the release of the fire of heaven across Arizona , the blazing fire around the borders and the glory fire in the midst . I thank you Father that you are releasing a sound of authority that will shake the land and shake the heavens . For there is a sound of authority God that you want to birth through Arizona that will cause the glory of God to be displayed . So Father I pray strengthening around the people of God in Arizona that they will be strengthened in their inner most being and I decree that they are rising up out of last seasons mantle even taking that revival mantle and moving it into a higher governmental mantle that will be ablaze with the glory of God. The shift is upon Arizona watch as the shift takes shape and burns with a holy fire of purity, passion and power in the mighty name of Jesus. Amen.

CLAY NASH: Amen Jackie! Thank you for that. We're going to close out today's call with an intercessor from the Flagstaff area. A long time friend of Susan and mines and

an intercessor for us over 35 years, It's great to have Stephanie Cecil on with us. Stephanie was just with us in December and with her daughters .Stephanie I'm going to ask you if you will close us out in prayer from this powerful call today from the state of Arizona.

STEPHANIE CECIL: Hallelujah Clay thank you so much . It's such an honor to be here and I hope I don't start crying because I'm so passionate about the words that have been declared over Arizona and I just thank each and everyone of you for what God has showed you and how you released the Word of God in faith. And one of the things I had seen this morning was redeem and to redeem and cleanse the land. Jackie when you were talking about the fire I was just thinking about that being the Holy fire and cleansing the land so that all of these things can take growth , deep seed and growth . And I know that there is a lot of seed here in Arizona and sometimes fire needs to come to break the seed open so it will grow. And I just thank you Lord God . I thank you for the Word that has been spoken but more Father I declare that this declaration over this state is that God enriches. And I never knew that and I just thank you for that prophetic word that you declared over this state . And Father I just speak blessings over each and every one of these prophets and Apostles and intercessors who come before you to hear your word declared into the earth . One of the things that I was seeing in Arizona was worship and the only thing I could see was multitudes of hands toward the Lord and then rain coming down and it wasn't just like rain but it was kind of like golden rain and it was just coming down and was being soaked into the land . And I just declare life over Arizona . I declare unity because there could be such division especially in Flagstaff. I pray that you would get each and every person right where you want them to be and that they would all come together and that we could worship you as one body in the square in Arizona which would be so awesome. And I just declare again the redeeming of the land, the cleansing of land because that will be such a shaking and it would be such a testimony for the land of Arizona to become what you have called it to be. And Father I just thank you and blessings on each and everyone . I learned so much listening to you and I just thank you in Jesus name. Amen

CLAY NASH: Alright Stephanie thank you for those words. Before I go I declare blessings over Senator Anthony Kern . His responsibilities would not permit him to be on the call even though he desired to be so. So Father bless his coming in, bless his going out bless him with a great energy , insight , spiritual understanding and use him to be a leader to bring those to come to a place of pro life conservative values in the state of Arizona as it steps out and leads in the nation . We thank you for that in Yeshua's name. We'll be hitting the great state of Florida tomorrow and Ken Malone will have some things released I know but others will. On Friday we will finish up 2:22 with going into Louisiana . It's going to be a great call both days. We start off next week with Mississippi . God bless you, God enrich you, God give you spiritual insight and God calls the very words of your mouth to become the sound of a roar that will cause his authority to prevail.
