

Prayer Call 02/23/22 – Florida

Clay Nash: Right, good day. We're on our victory from God's Promises call. We're going to be praying over the State of Florida today. It's going to be a great ongoing call. They are building. We've had tremendous calls this week. Three of them so far. We are on Florida today and we'll be on Louisiana tomorrow. And we will finish out the five calls this week and we'll begin next week in Mississippi. We've got some great people coming on that call. We'll move through the week. Remember on Tuesday at 2:22 there is not a call we do them on Tuesday nights at nine pm Eastern time. So we'll begin today. I'm going to call on my friend Ken Malone. Ah Ken so thankful for you working with us on this call. Excited about today for Florida. Ah you have some people you've asked to be on. I'm just going to turn it over to you and then after you finish up with your guests. I know one will come from the end. After you finish up at the end I'll call on Regina Shanks from Missouri to do that. What's in your heart Ken?

Ken Malone: Hey Clay so glad to be on here. I'm so excited about what the Lord is doing the State of Florida. We are in a new place. More so than we've ever been here in Florida. I'm very thankful for Lord. I'm very humbled by what He is doing in our state. I've got a Word and declaration I want to share and then I'm going to call on Senator Dennis Baxley to share and pray also. So this is what I'm seeing in Florida. There are cities in Florida that is marked for revival. A great harvest of souls will come out of these cities. The harvest will be so huge that there will be no one congregation or leader will be able to handle or disciple them all. I see Tampa, Tallahassee, Orlando the space coast the first coast, Lake city Miami, Ft. Myers, Naples and Pensacola. All of these have been marked for an awakening revival and harvest from the Lord. Those who have been equipped will be needed in this harvest. And God is sending people into Florida, right now, preparing them for the harvest. I've got messages from people today that they are preparing for harvest. A Macedonian call is being made and quarry stones are coming to Florida to prepare disciples, helping to steward a move of God in this state. This Awakening Revival will be stewarded by the body of Christ. Angel armies are on the move positioning Florida for His glory and Revival. Angelic Armies and Commanders are working with the Ekklesia of cities across Florida. God says to entertain these Angels as they arrive for Kingdom work. Ministers are being moved in and out of Florida to accommodate the Lord's plan of a 10 million soul harvest from this state. I also see many retired and wounded ministers coming back into alignment with the Lord's calling upon their lives. Mature Intercession is needed in this hour. Those who make intercession listen to what the Lord is saying Matthew 9:38 is the harvest prayer. Pray to the Lord of the Harvest. And Lord we call upon your name today Father for the state of Florida. We call upon your named for this 10 million soul harvest and we ask you Lord to stretch forth your hand into our state God and begin to manifest your Glory God all around this state. From Pensacola to Jacksonville, Tallahassee to Tampa, From the Keys all the way to Orlando, Father. We ask you God to move by the power of your Holy Spirit. And Father I thank you today that nothing is impossible with you. I thank you God that Florida will be saved. And Lord I give you praise for it. In Yeshua's name. Amen. It's my honor to have Senator Dennis Baxley here with us today. He is a state Senator. He oversees District 13. Which is most of Lake County and a part of Orange county, here in Florida. He has served many years in the Florida House and now the Florida Senate. Senator Baxley we are glad to have you on here. If you could just share briefly then pray.

Senator Dennis Baxley: You'll hear my heart in this prayer. Father God we thank you for a new day to serve you. We thank you that we're humbled to realize this Revival can only come by your Holy Spirit filling on this great state. Thank you Father that you are bringing many people together to pray together. You're bringing the Body of Christ. Thank you for our salvation. Thank you for the opportunity to serve you in this way. Thank you for making my privilege to be the president Pro Tem in the Florida Senate. You're opening doors and moving people into this body of decision makers under all are under the movement of the prayers of people calling on you to heal our land. We just thank you for your Holy Spirit's blessing motivating and turning hearts only can turn. We thank you for this grand Revival that is emerging that you are doing across the nation. And Father God, we just humble ourselves to lay ourselves on the altar of service. To do and to be what you want us to be. And we thank you for calling so many to yourself in this period to time. Thank you that there are new Christians gaining strength. Thank you Lord that you've heard the prayers of our people so please guide their thoughts. Give them wisdom. Give them that perseverance to speak for Christ in this place. Father God I just thank you for all that you are doing. Help us to be in alignment with one another with you. That your Holy Spirit can take over and be present. Thank you for this generation we have been praying for. The young ones. The 25-16 who are hungry for the Gospel. They're hungry for something real from you. This world has no answers for them. You are our world. This is your world. You are our Creator, Guide our thoughts, guide our minds. But more importantly kindle our spirits to give us a hunger for You. Then You can change our lives. You continue to support our lives, heal our lives. Thank you for forgiving me my sin and all the sins I'm not even aware of, that are before You. We just pray that You continue. Only You can bring our salvation. You are our Lord. Help us to battle this battle with satan whose is anxious also fishing for men and women who yield to the ever present human beings trying to be God. Let us let You be God and work in us as we humble ourselves before You and how You would have us serve. Thank you for all these great prayer warriors that joining for the great State of Florida. As 900 people a day move into this state. We can pass a bill that can affect 30 states. We know Lord You are working here in the leadership that you've placed. It's an incredible time of potential that You could be acting right now as we've heard prophesied through your servant. And let us be a part of that. Let us be humbled to it as prayer groups break out let us encourage them. Anyone who will seek God and His Spirit to guide them. We just pray they will come to you and respond to you as You do your mighty work in us. We can do nothing but with Christ in us led of the Holy Spirit all things are possible. So thank You for choosing us when You could entirely without us. It's not us it's You Lord. And let us put that ever present in our minds. Thank you for coming to Florida. For breaking out this whole state and this whole country. Only You could send the renewal. And let us grasp those opportunities to affect that form of government and that you have given it. There is enough Christian people who know You Lord that if they'll but step up there can be a mighty movement in response to what You're doing in us. Thank you Father. We give You our praise and we ask for Your blessing. Humble us and let us be Your humble servants. You are Lord and we proclaim it to the Nations. In Jesus's name I pray. Amen.

Ken Malone: Amen. Senator Baxley thank you so much for being on with us today. And for praying. It has been an honor, through the years, at different times to work with you in prayer and see God move. When people begin praying in Tallahassee we begin to see the Lord move. Just want to say thank you for your conservative stand within our state. We so appreciate you. and Father I bless Senator Blaxely with a Father's blessing. And I decree your hand of favor

upon him. In Yeshua's name amen.

Also glad to have on here Tina. I'm here. Tina is a lady who has, in just a short amount of time, A little over a year. Has brought together over 800 intercessors in the state of Florida. And almost all if not all of the 67 counties in Florida, have been united and are interceding together every month. Tina thank you for being on here. Share with us what's in your heart and then pray.

Tina: Im' just thankful for the opportunity to work with the intercessors and the watchmen on the

wall in the state of Florida and up the Eastern seaboard. We have all states up the Eastern seaboard now doing declarations with us. We have 24 states doing the declarations with us. I'm just thankful His word has been spoken out. I just want to pray into what we want to do as intercessors in Florida and all over the nation.

Abba Father God we just love you. I thank you for the intercessors you have called for this season for the State of Florida. Father I pray we can walk out Joel 2 and that we will be weeping between the porch and the altar. Father bring us to place now in Florida that the intercessors go deeper than they have ever been and they are seeking you and hearing your voice like they have never heard it. Father you said in Joel you were going to bring them new wine and new oil. Im asking for such a deep encounter in our faith that it will be so powerful that it has to go to the other states, Father. We are asking Father that righteousness is raised up and holiness is raised up in our state. That people are walking in accordance with your Word and your plans and your purposes through out the state. God us humble us before you and help us walk in humility like we never have. I pray that it would cross cultures and ethnicities that unity is paramount. That people are laying down things and coming together. Father I ask for streams in the body of Christ. That we are no longer streams coming together but one river coming together for your purpose Father. Just start to show the Body of Christ what things need to be laid down in order to flow in Your stream and be the same so we are not left on the bank. God we love you. We thank you for what you do in our state. Direct and guide every step. Let us not take a step to the right or the left that would be out of order of where you would have us to be. I pray for elected officials. I pray for Governor Desantis and all those in office that you would put such a hedge around them and you will put people around them even those that might vote a certain way or make decisions against your word all of sudden find themselves voting into Biblical principles. That everything we do matches the Bible. Father thank you for that and we just speak it out and call these things forth, Lazarus come forth, rightness and justice and peace and we call forth the harvest of the 10 million souls in Jesus's name.

Ken: Amen, thank you Tina. Clay I turn it back over to you.

Clay: Ok thank you Ken. Thank you Senator Baxley and Tina than you for being on. We are very honored for ya'all. Your stand there in Florida. And we know that Florida is definitely a forerunner state. A state that has a very strong backbone. We see that under the current governor and that is the reason that 8 other people are moving in there as they are. They are going where there is life. I believe the light is going to touch the whole nation. Regina shanks I know you have some things. I'd like to call on you now to go. Let me make an announcement.

Please mark on your calendars April the 20-22. We're gonna be hosting the Josiah Company. It's going to be in Conway Arkansas. That's very near to Little Rock. I didn't choose it because I'm in Arkansas but an incredible facility opened up, state of the art. So we were able to

communicate with Dutch and he is planning to be there. I hope some of the other hosts will be there. Some are already booked. I'm sorry for that. But it's hard to get everybody. But mark on your calendars April the 20-22. We're working on email and graphics right now even as I speak. I had people up early this morning working on it. We'll be getting the information out. This will be very key. We are actually going to extend the meeting into Saturday night. For those that can stay we are going to have a National night of prayer. If we have 50 states represented, we are going to pray over every state on that Saturday night. We're gonna make sure we can stream that out for the state so the people that can't be there will join us. So make plans. We'll be getting information out because we are limited on seating space. I need you to register. We are going to keep that price down to \$20 per person, \$25 per couple. With that you'll get a full digital copy of everything that is released. Digitally linked during that time. More will be coming out. Let's get back to Florida and give them that boost so they can turn around and touch the nation. Regina what's in your heart?

Regina Shank: Thank you Clay. As I was praying for Florida I could see the hand of the Lord taking hold of it. He began to shake the state but it wasn't in a bad way. He began to shackle and caves of darkness began to open up. and the hidden works of darkness were brought to the light. And I heard the Lord say the words of my watchman have echoed so strongly in my ears that the strongholds have loosened their grip on governmental structures and the words of my watchman have loosened the grip of abuse and trafficking in the state of Florida. The Son will shine on them and they will be exposed. But then I heard Haggai 2:4-9 Now be strong Florida says the Lord. Be strong. Be strong all the people of the land. Declares the Lord. Work for I am with you declares the Lord of hosts. This is the promise I made to you when you came out of the darkness and my spirit remains among you. Do not be afraid for this is what the Lord of hosts says. Once more I will shake the heavens and the earth the sea and the dry land. I will shake the nations and they will come with all their treasures. I just heard the Lord say more money is flowing into the kingdom. And I will fill this house with Glory says the Lord of hosts. The silver is mine, the gold is mine declares the Lord of hosts. The latter Glory of this house will be greater than the former says the Lord of hosts. And in this place I will find peace declares the Lord of hosts. So Lord I decree into this scripture even as you're shaking Florida to cover and uncover. You are uncovering the evil and you recovering what was lost to where it was this hour. And Father I thank you that you are bringing out your treasures for the kingdom that can be advanced in that state. I can see Revival breaking out in different places. Then I saw the Glory of God has been a leader. its almost like you going to see a manifested Glory cloud in some places. And so Lord I thank you for that. Thank you for where you're taking the state of Florida as the forerunner state. Father you're gonna shake it so that which that needs to come to the surface will come to the surface. We thank you for that Lord. We bless the state of Florida with their purpose from heaven. That will come forth in Jesus's name.

Clay: Alright. Thank Regina for that strong declaration. The decrees there. It's so important that we stand together. We take these prophetic words like Ken released. The prayers from the Senator. The prayers from Tina. We push them forth. So I am going to call on Jacquie Tyre from Georgia. I know there area lot of things swirling there in the state of Georgia for good for some challenges. What's in your heart?

Jacque Tyre: Well Clay as I was getting on this call I heard the Lord say that many have come to

Florida looking for the sun. But the day is coming and is upon them that people are coming to Florida for the Son. And then He led me to these verses. Florida let our light so shine before men that they may see your good works and glorify your Father which is in heaven. Matthew 5:16. Is 9:2 the people who walk in darkness will see a great light. Those who live in dark land light will shine upon them in Florida and coming out of Florida. Is 61 Arise shine for your light has come Florida and the glory of the Lord has risen upon you. And Job 22:28 You will also decree a thing and it will be established for you and light will shine on your way. So Father I thank you today that light is shining upon Florida. Light is shining from the panhandle all the way down to Miami and all the way through the Keys. Light is shining in the central part of the state. Light is shining into the places that welcome you. And light is shining into the places that have historically rejected you. And then bastions of darkness light is shining to dispel the darkness. And we decree that Florida will be blade with the light and the glory of the Lord. And shall be a dispenser of light glory into the rest of the nation. As the light increases they will be light to turn this nation to be a place out of which light comes into the nation to push back darkness and to ignite light from place to place across this nation. In the mighty name of Jesus, Amen.

Clay: alright Jacque. Thank you for that. Pat there in Illinois. What's in your heart?

Pat McManus: thank you for that. When I was praying this morning for Florida. I looked up some of the prophetic words that were released from different people. And I highlighted a couple of things. One was from Diane. Look to me I have gone to war. He is releasing the power. Another one by Chuck I'm putting a mantle on you. I'm sending you on a 14 month course of deliverance for breakthrough. Stand in the victory, break down the structures that are opposing line upon line precept upon precept. And then I heard these words. Winds of change are blowing. There's coming a fresh wind that will blow out old structures and release a fresh fire for awakening and revival. Releasing a new key for advancement are being accelerated. That will cause a shaking of systems and structures of man. So Father we thank that you are igniting an opportunity to see a greater revolution to be linked in Florida. We thank you Father that you are causing movement that will shift everything from top to bottom, North, South, East and West. Father we thank you for what has already taken place. But Father we know there's more that you're releasing. So Father release the wind of Holy Spirit to ignite a new and fresh wind that will blow upon the state to receive a fire of awakening and revival. Ignite it in powerful ways. Thank you Father that you are releasing keys that will unlock what needs to be unlocked. And Father the keys to lock up what needs to be locked up. We thank you Father for the strategies that are being released in those that have an ear to hear. And Father I thank you that Ken is positioned to network and connect and realign the structures of the state to see the advancing of your Word upon that land. And I hear that there's a clear sound of revolution coming that will dismantle every false religious structure that has been upon that land. For the Lord says I'm causing a clear expression of a backbone to be ignited in powerful ways that will cause the moment and the movement of my heart to be accelerated upon the land. Even in the Keys the Lord says I'm shifting the Keys. I'm readjusting the Keys and no longer will be one of depravity and perversion. It will come into a clear sound of revolution and reformation. We thank you Father for the movement and the power you are releasing in this hour in the state of Florida. We give you honor and praise. In Jesu's name. Amen and amen.

Clay: Alright Pat thank you for that strong declaration and decree. When Pat was decreeing I heard an old song by John Anderson Seminole Wind. One of the meanings of Seminole actually means great wind. And I heard the Lord say I'm about to release a great wind not into the state of Florida but from the state of Florida. I'm going to release this wind to blow across this nation. But in the wind I will also bring forth embers of fire that the wind will pick up and carry to designated places in the nation. These coals these embers will drop out of the wind at My appointed places says the Lord. And my appointed places and my appointed time and it will take the roots of Revival that are deep there within the state of Florida. And it will drop those embers of revival and it will cause the fire to spread in the state that these embers will dropped on. Watch and see as the wind comes and blows but watch and see as it picks up the embers of fire and spreads it to other places that Light, light, light light will flow from Florida across the nation. For Florida is building a prototype that will become the blueprint for what's ahead in the turning of this nation says the Lord. Alright, Anne Tate what's in your heart? I think you're in Georgia but you're from the big state of Texas. What's in your heart?

Anne Tate: Well I got two things for Florida. The first thing was the Lord tells me they have excellent father's in Florida. In other words there's lots of Apostolic Father's in Florida. And the scripture the Lord gave me is What man is there among you who if his son asked for bread will instead give him a stone. And the Lord says because of the revival that is coming because of the father's that are in the state that will develop the sons and the daughters into the next generation that they are hearing the call like Senator Baxly did. They are hearing the call to stand up and Father the state of Florida in a path that will take them to where revival begins. And the Lord says this an historic configuration in Florida. And the composition of the Senate and the composition of the House of Representatives and who the governor is. And the Lord says you are going to make great headway because you are making sand out of the backbone that goes up the state of Florida. Because you took the time. You did what was necessary and you changed that snake to a backbone. And the Lord says as you operate out of the fullness of that backbone, standing up and speaking to darkness and telling it to go and calling forth light and throwing open the gates to the King of Glory the Lord says I will answer. And Florida will come into the fullness of who they were created to be since the beginning of time. In the name of Jesus.

Clay: Alright Anne. We come into agreement. As you saying that right at the end I heard the Lord say that Florida doesn't need the answer they are the answer. So Father we just declare out of that word that Florida is the answer. I take it Lord that you are saying to the nation. So Father we call Florida that contains the answer to be released to the nation. And we do so in Yeshua's name. I'm gonna call on Pastor John Carie down in key West Florida and he is going to close us out today unless any of the hosts anybody got a stirring? Ken anything you want to speak in there are quite a few prophetic words over your state. Anything you need to add before we begin to close the call out? Hey that's Jim Hodges. Brother Hodges you got anything to say?

Jim Hodges: I 've been so stirred today. I'm listening and agreeing but I thought wow I can't just sit here and keep getting stirred and no release. Quickly I just saw the shape of Florida right when

Apostle Ken began. And even the Senator prayed. It just accelerated And years ago we prayed about Mississippi and we will again of course but we looked at the shape. And the bottom of Mississippi is like the rudder of a ship. Well Florida is like a large weapon. If you look at it. And its

aim is westward. And I saw and heard a release of dynamic and unprecedented supernatural power from the throne of King Jesus to cover the entire nation. And the last states to be impacted would be Washington, Oregon, but especially California would be the bulls eye. And for those who recall back in the 70's, I was part of the Jesus Movement that began in California. 50 years later which is Jubilee we see what is happening at Asbury. But the momentum for the present tense Jubilee is going to come out of Florida. Rather than looking west or East like the 1970's Jesus movement did. Current Jesus Movement will move from the East to the West. I saw when the sister prayed about the streams. I saw a special move among the Cuban people and among the Jewish people. It covered every ethnic grouping but the ethnic grouping would flow in the river of God. And send forth such a diverse representation of the Kingdom of God that Jesus movement is not coming like the previous one did. Its coming from East to West. So I say to Florida release the weapons of the Spirit as they gather as they war as they prophecy and decree. In the name of Yeshua.

Clay: Thank you Brother Jim. Ken did you have something you wanted to say? Because I have a word I heard while Jim was speaking. If you have something go ahead.

Ken: I'm good Clay go ahead.

Clay: Alright. I heard the Lord say as Brother Jim Hodges was speaking I'm about to break the seal on the indisputable evidence that Florida contains for the nation. I heard the Lord say watch and see as this seal is broken. And that which has been contained for such a time as this. It will be released and it will be indisputable evidence of my moving of the Spirit. Watch and see says the Lord. Amen. Alright Pastor John Carey there in Key West. We're call on you to close this call out. We have several people transcribing these daily calls. We're trying to get them up within 24 hours to the website. If there's anybody else here on the call today and you're willing to volunteer. We're trying to get enough where you're not doing every day. It is a task. Let me just tell ya. It is just not that easy to do it but if there's anybody else on here willing to do it please write dawn@claynash.org. That's my daughter. Our administrator. Get in touch with her so she can work out the schedule. Please contact Dawn. She will get you set up. Alright Pastor John Carey what's God got in your heart?

Pastor John Carey: Today I'm in Orlando with Billy Graham Association. About 7 years ago Apostle

Ken Malone was in Key West and gave him a prophetic word. That the fire of Revival would come out of Key West and run up the shore. After that prophetic word I was instructed by Dutch to no longer speak of Key West as the end of the rope but mile marker 0 as the beginning of the rope. Two years ago the Mayor of the city sent me a letter thanking me for my prayers. We began having prayer every day for the last two years. Every Morning seven days a week. Last week we had a group of 50 young people. They came from Trinity Church in Miami and spent the weekend with us. And the power of God was released in our meetings. Last Saturday the young people were in the streets praying for individuals who were sitting there cars. A Spirit of Revival has begun. Shift is not coming. Shift has already begun. Heavenly Father, Lord, we

thank you that your workers are in the vineyard with you. Father we thank you for spiritual DNA where we are salt and light. Father we thank you that we abide in vine with your sonship. That Father we can ask and it shall be granted because we will be asking according to your will. And so Father as we have gathered for so many years and months and days praying for revival. We thank you today Father that we are at the threshold of it. We thank you Heavenly Father that the wind of the Holy Spirit will blow. Heavenly Father we thank you that revival is coming. Thank you

for the prophetic words that have to us for what you are saying in this season. Thank you for watchman on the wall. Thank you for the apostolic anointing that breaks the yoke of bondage. We come into agreement with each and with you. And we come into agreement that your purpose and your plan for our nation. We thank you to be used by you as your hands and feet. We praise you now and we glorify you now. In Jesus's name Amen.

Clay: Alright amen. Thank you Pastor for closing us out. Another incredible day over the state of Florida. We'll be over the state of Louisiana tomorrow at 2:22 Eastern time. So plan to join us. And please if there is anybody on the call that you are willing to transcribing these calls. We need help help. Write dawn@claynash.org. We would appreciate it very much. Mark your calendars for April the 20-22 for the gathering of the Josiah Company. I feel in my Spirit, God spoke to me last year this will be a very very significant time. God bless you all. All of you that participate with adding your power of agreement. Even those that listen in later to the recordings. God bless you.
