Prophetic over Florida by Regina Shank

I began to see the hand of the Lord take hold on the state of Florida. It began to shake and the caves of darkness opened up and the hidden works of darkness were brought to the light. The words of my watchmen have echoed so strong in my ears, says the Lord, that the strongholds have loosened their grip on governmental structures. The words of my watchmen have loosened the grip of abuse and trafficking in Florida. The Son will shine on them and they will be exposed.

Haggai 2: 4-9 But now be strong, O Zerubbabel,
declares the LORD.

Be strong, O Joshua son of Jehozadak,
the high priest.

And be strong, all you people of the land,
declares the LORD.

Work! For I am with you,
declares the LORD of Hosts.

5This is the promise I made to you
when you came out of Egypt.

And My Spirit remains among you;
do not be afraid.”

6For this is what the LORD of Hosts says:

“Once more, in a little while,
I will shake the heavens and the earth,**b**
the sea and the dry land.

7I will shake all the nations,
and they will come with all their treasures,
and I will fill this house with glory,
says the LORD of Hosts.

8The silver is Mine, and the gold is Mine,
declares the LORD of Hosts.

9The latter glory of this house
will be greater than the former,
says the LORD of Hosts.

And in this place I will provide peace,
declares the LORD of Hosts.”

Prophetic over Florida by Clay Nash

I heard an old song by John Anderson Seminole Wind. One of the meanings of Seminole actually means great wind. And I heard the Lord say I'm about to release a great wind not into the state of Florida but from the state of Florida. I'm going to release this wind to blow across

this nation. But in the wind I will also bring forth embers of fire that the wind will pick up and carry to designated places in the nation. These coals these embers will drop out of the wind at My appointed places says the Lord. And my appointed places and my appointed time and it will take the roots of Revival that are deep there within the state of Florida. And it will drop those embers of revival and it will cause the fire to spread in the state that these embers will dropped on. Watch and see as the wind comes and blows but watch and see as it picks up the embers of fire and spreads it to other places that Light, light, light light will flow from Florida across the nation. For Florida is building a prototype that will become the blueprint for what's ahead in the turning of this nation says the Lord.
