

## PRAYER CALL 02/28/23 - TENNESSEE

**Regina Shank** – I was drawn to the Shaw Foundation that they are in TN and I heard the Lord say that revival is going to break out among the Shaw Foundation. Zechariah 5 talks about iniquity in a basket. I heard the Lord say “I’m removing the iniquity that’s been in the basket in TN and I am releasing the war horses.

<sup>5</sup> Then the angel who talked with me came forward and said to me, “Lift your eyes and see what this is that is going out.” <sup>6</sup> And I said, “What is it?” He said, “This is the basket that is going out.” And he said, “This is their iniquity in all the land.” <sup>7</sup> And behold, the leaden cover was lifted, and there was a woman sitting in the basket! <sup>8</sup> And he said, “This is Wickedness.” And he thrust her back into the basket, and thrust down the leaden weight on its opening. <sup>9</sup> Then I lifted my eyes and saw, and behold, two women coming forward! The wind was in their wings. They had wings like the wings of a stork, and they lifted up the basket between earth and heaven. <sup>10</sup> Then I said to the angel who talked with me, “Where are they taking the basket?” <sup>11</sup> He said to me, “To the land of Shinar, to build a house for it. And when this is prepared, they will set the basket down there on its base.” ***Zechariah 5:5-11, ESV.***

Decree – Lord, I thank you that we sing against the advisories. We sing salvation for all over TN, we sing like the Philistines, even your enemies will be adopted into your family. You will have a new move of God in TN. Thank you, Lord, for giving us new songs in Tn to sing the release of your transforming power in the earth. Thank you for your presence that surrounds and protects Tn. Lord we worship you tonight. Thank you Father a new war dance is coming out. A new war dance and a shout. The spirit of the antichrist will not stop the war dance of God and the Holy Spirit and Jesus will be in the mist of your people. Father I thank you that as we praise Your war bow will shoot arrows of glory into the camp of the wicked. That your sword and your hand will break the chains of any slavery in that state, including sex trafficking. Lord I thank you that your war horn is being blown right now. And you’re going to disintegrate the demonic strong holds that is holding your creation captive IN TN. Lord I thank you for that new sound that is coming forth Lord and I thank you the majestic is rising and the people are coming forth and are riding into battle without fear. Let your warrior leaders arise and destroy any spirit of Babylon in the mist of TN and let your children keep the joy in the battle and dance with us. I was reminded of Alfred Tennyson, when he wrote the poem “The Charge of the Light Brigade” and I kept hearing the 600, the 600 that went into the battle. I heard the Lord say I am going to rise up 600 more intercessors in TN to ride the war horse into battle and to bring down the strongholds that have held back that state back. I began to see a building of a gate, but there is also a fence around TN to fence out the enemy. There was a gate of God that is opening in a greater way. It’s been opened before, but the Lord says a bigger gate and I’m coming through and I’m coming in. TN will move with me in a new place of glory says the Lord.

**Marlene Tidwell** – Father tonight, I just remind you of these many words that have been spoken, that have been decreed, that have been declared and prophesized over the volunteer state of TN. The state that touches many other states. The state that you had proclaimed would be in fact a model state for many different things. We thank you that we actually see that coming about. Father we want more for your glory and for your honor. I declare it tonight that TN will be a model state for justice, a model state for righteousness, a model state for truth, a model state for what is good for what is holy, for what is honorable. Lord I just declare that TN will rise above and she will be what you have destined her to be, in this time period of the history of this nation. Father I thank you in advance, I that you that we already see it happening; I thank you that you are raising up your warriors of light all across this state, in every county to be the ones God, that will go to the front lines that volunteer, that lead the charge in this hour. For your glory and your honor for such a time as this. Thank you in advance. Thank you in advance for all that you are doing in our state of TN. Thank you for every righteous leader that you are raising up in every sphere of influence. Thank you for that you are subverting all the plans, all the tactics, and the ploys of the enemy God in order for your plans and purpose to be accomplished, I declare it. Amen.

**Jacquie Tyre** – TN you are moving and shaking and things are shifting for my kingdom purposes. A fresh new surge of my people volunteering in the day of my power is rising across this state. Watch and see if I will not shake off the religious constraints and structures that have held and restrained you from the fullness of my purposes. The faithfulness of my people across the state has cultivated an atmosphere right for my glory to break through in a display of my power and you shall see a movement of youth that carry the fresh new sound. A sound to break through, break in, and break out. Listen for a power sound of strength to burst forth out of TN that shall reverberate across the nation unlocking my kingdom in a fresh way of grace and glory. So, Father we say yes and amen. We decree over TN that you are shaking and moving into a new arena of spiritual freedom by the spirit of the living God. There is a breaking in, breaking out, and breaking through of a fresh sound that will even break the sound barrier that has been erected by generations and generations that have established an old sound, but anew sound is coming forth out of TN. A sound that is filled of the grace and the glory of the Lord. A sound that will move through government, through education, through arts & entertainment, through the church in TN, through business, through banking to reorder the way that things are done. A sound that will move through the university system and the colleges across TN. A sound that will cause a display of the splendor of the Lord. I pray for the spiritual leaders across TN to lay hold of the new that you are doing; to shake of the constraints and the restraint of the past and to lay hold with faith a new thing that you are doing by the spirit of the Lord. In this time and in this season, a fresh surge of the way of your holy spirit would move across TN. From the far east to the far west; from the north to the south. There would be a moving across the state of TN of your grace and your glory. A wave of repentance that moves

into a wave of power that your kingdom will be manifested out of TN that the volunteers that come forth out of TN will be graced with the fire of God to go forth and advance your kingdom in the mighty name of Yeshua. Amen

**Ken Malone** – TN is a state of Deborahs and Baraks

<sup>1</sup>Then sang Deborah and Barak the son of Abinoam on that day: <sup>2</sup>“That the leaders took the lead in Israel, that the people offered themselves willingly, bless the LORD! <sup>3</sup>“Hear, O kings; give ear, O princes; to the LORD I will sing; I will make melody to the LORD, the God of Israel. <sup>4</sup>“LORD, when you went out from Seir, when you marched from the region of Edom, the earth trembled and the heavens dropped, yes, the clouds dropped water. <sup>5</sup>The mountains quaked before the LORD, even Sinai before the LORD, the God of Israel. ***Judges 5:1-5, ESV***

Father, I thank you tonight that in TN, a Deborah & Barak company is rising in that land to possess TN. Father, I say God that there will be a Deborah & Barak company of warriors that will arise in that city; arise in Nashville, arise in Memphis, in Yeshua's name. You will even cause them to arise in the mountains. I thank you for the sounds of redemption that is coming forth from that state. Sounds that will lead a nation to repentance, that will bring deliverance to the nation. I thank you God, that even in the government of Nashville we will sit here and see the sound of the Lord arising out of speak up a blessing over TN. I decree the blessings of the Lord upon you. I cancel every assignment of the enemy, word curse, every hex vex spell and incantation ever spoken over TN I say it's cancelled. Upon you rest the blessing of the Lord. Father I thank you tonight that you are a good good Father and your goodness will come out of TN in Yeshua's name.

**Senator Janice Bowling** – Lord, God almighty. Creator of heaven and earth. In his name we live, in his place we live, we love and we have our being. Father we praise you and thank you for your grace that you have for us in TN. And for the many things that we look at and say Lord we have fallen short of your measure of faith. Lord I ask that you would prepare the way and create the paths that you would have us individually walk in and the path for our state Lord Jesus. I heard prophesies for years and years over TN, how it would be the center of a spoke and how it would radiate out of your power, your strength, your glory, your majesty, your sovereignty. And Lord we just pray now, let it be. Let us in TN pour our hearts before you and in all our ways acknowledge you; that you would direct our paths, you would direct our steps. Lord we thank you for your mercy and forgiveness. I personally thank you for forgiving me the times I put a period where you have put a coma. Lord, help me not be guilty of that. That you are the creator of heaven & earth. You have sent your son, our Lord and savior, through his blood we come boldly to you. That the power of your Holy Spirit would radiate out from

your people in TN. That the world and other Tennesseans would see who you are through us and would say I need to taste that, I need that. Lord, that you would cause revival to rise up in TN; that you would cause your people who are called by your name to be ever loving and ever mindful; that we share your love. That we walk in the power of your spirit. Lord that we are here on a pilgrimage; not to do anything for ourselves, not to have a joy ride in the basking in the glory of your grace, but to draw others through the power of your spirit to You; to let them know the source of our joy. That the joy of our Lord is our strength. Lord it is people that are hungry, weary, and tired in this land. And all of the things that we have been through as Tennesseans and as a nation. When we look and see the deception and those powers of darkness that have tried to engulf our land. Lord we know that your light over comes all of the darkness that they have intended. We thank you and we praise you for your loving kindness, for your mercy, for the many blessings that you bestow upon us day by day, minute by minute. Lord, let us be true and faithful to you, let us speak boldly, let us walk in confidence, and let us know that you are ordering our days so that we can present to you a lifetime filled with obedience, and service, and joy, that we share along this pilgrimage of our own lives. We praise you and we thank you Lord Jesus. And we ask all these things from God almighty through the blood of Jesus, by the power of His Spirit. Amen.

**Clay Nash** – We stand with the state of TN and what is bringing; not only there within its borders, but also to the nations and we declare a moving of the spirit, an outpouring of His presence and His peace that surpasses all understanding. All for that state and the people on that state, we call it forth.

**Anne Tate** – To Senator Bowling – I saw the Lord bring a finishing angel to her. To partner with her and some of the things that she will be doing. And in this new capacity that she will be operating, the finishing anointing, the loose ends of things that have not been tied up properly and have not been brought up to a right finish and the Lord is going to grace her to see what needs to be done and favor her to get it done. She's going to be shrewder than her enemies. She is going to be the hinge between Chattanooga and Memphis and they are all going to come together in the state to represent one state. That has been historically where things have divided and they have operated independently of sometimes from each other. But we say that this is a season that each gift and each part of the state will begin to come together in a new apostolic order and bring forth everything that is on the heart of God to form kingdom. And we say let his kingdom come and his will be done in the state of TN, In the name of Jesus. Amen

**Timothy Carscadden** – I saw TN in the balance. The Lord said, you have crossed a barrier. As you have been in the balance and is seen as wanting, but the Lords says,

the bowls have been filled and are pouring out now, even as we speak. The ecclesia will be used as a midwife, but the labor had been prolonged for the birthing of what God had shown them. Many have pushed and pushed and began to wonder if it will ever happen. The Lord said that the head is crowning, as a new purpose for TN to help lead the nation as you once did before. And the time is at hand for that to occur. And the Lord said to look for a major shift in the power structures within your leadership positions to occur within the next 2 years. The Lord says, clearly no seat is safe for those who will not yield to the Lord's purposes. Change is in the air and change is coming to TN.

Lord, we decree this word over TN. That the crowning is coming. The purposes will be birthing now and they will once again lead the nation as they have in the past generations. Lord, we thank you for the major shift that is coming to TN. And we say to the structures, to those positions that think that they cannot be moved and think that they cannot be changed, the Lord says that the council of men will not affect his plans concerning TN. That his plans will supersede many man's counsel and what they think and what they believe that the direction of the state should be. Lord we bless TN and we call them back to their leadership. We thank you that the bowls are filled and the prayers that are poured out over this wonderful state. Let TN see now what the word of the Lord has over their lives that have ears to hear and eyes to see over this hour. In the name of Jesus, we declare that.

**Clay Nash** – I was reminded by the Holy spirit – I am about to raise up in TN conscientious objectors. It's going to be an objection to the onslaught of evil that is trying to destroy our children, schools, values. I hear the Lord say, watch and see over the season that is at hand in TN as these conscientious objectors begin to come forth. They bring forth a spiritual battle that will be a tipping point of change in the state of TN. And once again TN will be known as a state that produces volunteers for the war. So, get ready and stand strong for this is coming, says the Lord.

**Pat McManus** – God is releasing an unlocking for strategies for advancement. He is releasing the power to break false structures and for the purpose of activating a movement forward. Volunteer army is aligning for purpose and destiny and God is revealing a black rob regimen that is coming forth with authority and power.

Father thank you that you are unlocking a strategy to see the fulfillment of kingdom authority establishing in the land. Thank you that you are unlocking awareness of the fullness of your word that produce the results that you want to see accomplished. We thank you that the true black rob regimen is arising again in the state of TN. That they will march forward with the Bible in one hand and the musket in the other. And advancing in the power and authority of your name. So, we thank you Father that the volunteer army is arising to see the purpose and destiny of a state come into its full

original intent. There will be the purpose of your name, power of your name, and the glory of your name revealed in the state of TN. We thank you Father for, we give you honor & praise in Jesus name, amen.

**Clay Nash** – Chuck Pierce Prophecy – Aug 11, 2012, in Memphis. Word about AR, TN & MS were becoming a kingdom ATM machine for kingdom withdraws. That the brooding of the Lord was over these states and that God was bringing them together.

Father, I declare that that word which you have been brooding over, that word which you have been working, that word which ministers have been working, I declare that AR, TN & MS are going to rise to the occasion. And as they arise to the occasion there is going to be a divine connection, a synergy, a three-fold chord that will be joined out of these states to work together to redeem righteousness and to push away the very darkness that is coming against all the states in the union. We declare that now and do so in Yeshua's name.

**David Hertel** – There will be an increasing of the Lord's government and its peace over you TN. The Lord is zealous to establish His kingdom within you and order your government with justice and judgement. And we declare over TN Isaiah 40:31. There are those within you who wait on the Lord to renew their strength. And they shall mount up with wings like eagles. And TN, you shall run and not be weary and TN you shall walk in the will of God and not faint. TN shall fulfill its destiny among the states to be a land that provides as it is blessed by God, in Jesus name, amen.

Of the increase of his government and of peace there will be no end, on the throne of David and over his kingdom, to establish it and to uphold it with justice and with righteousness from this time forth and forevermore. The zeal of the LORD of hosts will do this. **Isaiah 9:7, ESV**

...but they who wait for the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint. **Isaiah 40:31, ESV**

**Debbie Smith** – <sup>7</sup> Lift up your heads, O gates! And be lifted up, O ancient doors, that the King of glory may come in. <sup>8</sup> Who is this King of glory? The LORD, strong and mighty, the LORD, mighty in battle! <sup>9</sup> Lift up your heads, O gates! And lift them up, O ancient doors, that the King of glory may come in. <sup>10</sup> Who is this King of glory? The LORD of hosts, he is the King of glory! *Selah* **Psalms 24:7-10, ESV**

Father, in Jesus name I come into agreement tonight with everyone on this call. Everything that they have presented to you we declare, we decree, we come into agreement. And we thank you Father for the prayers of your precious one. And Lord, we declare tonight over the state of TN that our gates, our doors are open for your glory. And we thank you Father that yes, we are, the great volunteer state. We thank you that Jehovah Sabaoth, the king of glory, we welcome you, the Lord of host, we welcome you into our great state. And I thank you Father that as an intercessor, as a gate keeper over west TN, you reminded me today of the declarations of Dutch Sheets: He declares that God is releasing a new level of governmental authority over the state of TN, to decree, bind, loose, open doors, close doors. Father we thank you for that. We thank you for that new level, and power, and strength that is functioning as we are your volunteer army. And I thank you Father that you are calling us the volunteer state. That Psalm 110 is what you have given us:

The LORD says to my Lord: "Sit at my right hand, until I make your enemies your footstool." <sup>2</sup>The LORD sends forth from Zion your mighty scepter. Rule in the midst of your enemies! <sup>3</sup>Your people will offer themselves freely on the day of your power, in holy garments; from the womb of the morning, the dew of your youth will be yours. The LORD has sworn and will not change his mind, "You are a priest forever after the order of Melchizedek." **Psalm 110:1-4, ESV**

In Jesus name we thank you that you said in your work in Isaiah 55:11:

"I don't think the way you think. The way you work isn't the way I work." GOD's Decree. "For as the sky soars high above earth, so the way I work surpasses the way you work, and the way I think is beyond the way you think. Just as rain and snow descend from the skies and don't go back until they've watered the earth, doing their work of making things grow and blossom, producing seed for farmers and food for the hungry, So will the words that come out of my mouth not come back empty-handed. They'll do the work I sent them to do, they'll complete the assignment I gave them. **Isaiah 55:8-11, MSG**

Lord, many new assignments have come out of the prophesies and declarations and decrees tonight, and I am joyful about the 600 intercessors that are coming up in the state of TN. I am thankful for the bridging together. Yes, there has been a separation in TN with west, middle, and east, but I say no more in the name of Jesus. That we are one, in one unity in one mind, and one accord. And Lord I thank you, you said that your word never returns void. That you are fulfilling your purpose for the state of TN. And we thank you for that complete word. We thank you that new marching orders came forth for the intercessors in Tn and new assignments. We need to be reminded of the word about the ATM. All the 8 states that surround and join the state of TN Father, we are 1. And we know that one can put a thousand to flight. And 2 can put 10,000 to flight. So, Father, I am encouraged tonight that you are raising up those that will come,

those that will be in unity with us. We call forth unity in the spirit tonight over the state of TN. Father I thank you of the apostolic covering over this state. Thank you for the governmental anointing that you told Dutch Sheets that you were going to give to us; You said that is a new level of governmental authority that we are coming up and that luring spirit I heard earlier it's breaking forth in the state of TN. We're stepping into a new mantel. It's what Psalms 110 says about the volunteer freely in the day of God's power; the Lord has sworn and will not relent. We are a priest forever according to the order of Melchizedek. We are following the model of Melchizedek, and priests and kings. We thank you Lord for this new legislation that they have come back together for this year. We pray for all our state senators and representatives Father God and we lift them up to you daily. We thank you for their offices, for their hearts to serve. We bless them in the name of Jesus. We thank you Lord that you said in 2010 that every state constitution is based on a Godly covenant. But until a people in that land in time establish and demonstrate that covenant, the covenant is just paper. You showed that TN is the only state lifted up above the conformity of the land. TN was not a state that would not be controlled by the land law, but by the law of heaven. So, we declare it and we decree it, that we hear from heaven and we are obedient children. TN was the only state lifted up and set apart for the future to be a prototype, a voice. Sort of like the priesthood tribe, the Levy, that were set apart. It was as if God was bringing the state up. TN was pulled up and set apart in 2010. We thank you Father, that you did this for us. We are a state of commerce and agriculture and America's at its best. A state receiving God's covenant blessing. Agricultura and commerce, the land provides is blessed by God. And that is who we are in the state of TN. As I close I thank you for the complete work of all that has been said tonight. And we thank you in the name of Jesus. We call it forth and say yes and amen.

**Clay Nash** – Vision: I saw what looked like a shooting star, but the closer that it came to TN it increased in size. I knew that it was greater than a shooting star, it was like a meteor. I saw it strike along the GA, TN state line. I said Lord what is this. He said there will be between the GA – TN state line a fresh and new release of enduement of power. The Lord said I am going to strike that area and power dunamis will be released out of there. It will run along the border. It will reach even into AL. It will cause many to come and receive a fresh fresh fresh promise of the Father and enduement of power. Intercessors on this call pray this through and pray it in because dunamis, God's power is on its way through a new release for such a time as this.
