**WORD OF THE LORD
THROUGH JEANNE WILKERSON
TO GRACE CITY CHURCH
APRIL 2nd – 4th, 1982**

///

APRIL 2ND, 1982

"Yes, I'm going to speak to you. I speak to you tonight as children of the living God. And I say unto you, I have brought you into this place on purpose. I have brought my word into this place for you and for these few days so that I may speak to you about the times that you are living in. It is time to look to the times that you are living in." saith the Lord.

"It's time now (it's time now of all times) to lift up your eyes and look and pay attention to the things that are going on around you. Yes, I say, pay attention to these things, because I will confirm some things tonight. Yes, I will confirm some things in the next days to this area, to this body, and to these people that have an ear to hear what I have to say. So open that inner ear of yours. Yes, I'll confirm those things that you have interceded about. Yes, those things for which you have interceded, those things for which you have prayed will come to pass. I bring them to pass. I bring my servant here tonight to speak to you these things that you must pay attention to. The times and the signs are now. Listen to what you hear. Have that ear to hear what the Spirit saith to you."

"If the United States of America knew the Word of God and God's direction that He has laid down as clearly as can be to the mind that is spiritual, they wouldn't have to spend billions for defense. It's because the wisdom of men is not sufficient. Man, by wisdom knows not. There is only one mind that is sufficient to keep this universe and the governments of this world operating in perfect harmony and order, and that's the government of God.

"If they would listen to what the Spirit is saying in this hour . . . , There are going to rise voices that are going to stand in Washington D.C. and proclaim the Word of God in truth and clarity and the heads of government are to listen. They are going to listen as never before, for America has her back to the wall.

Her mind is stymied. Her conferences are walking out without solutions to problems. She is finding that she is in a blackout--she does not have the answers. The light is not there. She walks in darkness, the mind unenlightened by the power of the living God.

"The mind that set this universe in its beginning, that keeps it in perfect order and is moving according to the Word of the living God, is going to be heard more and more in this hour. They will call for it in the secret chamber first before they dare do it openly. They will call for men of the cloth who have the prophetic touch upon their lives to stand and tell them some answers to some problems in this hour" saith the Spirit of the living God.

APRIL 3RD, 1982

"A mighty cloud doth hover over this city. A mighty cloud. And I see it as it breaks into fragments and it moves in all four directions--north, south, east, west. The direction that the Lord said to Abraham, 'Lift up your eyes now and look and all the directions in which you look and your feet will walk on, by faith I'll give to you.'

"The fragment of this cloud that is breaking apart and moving in many directions is going to touch the lives of professional people in this city. They are like the lepers of old in many places because they are the untouched. But I'm going to touch them again by my power," saith the Spirit of the living God.

"This is the hour when I'm coming to visit again with the sweeping glory and my presence. Man will know it when I have come and gone in this last hour again. I will leave no stone unturned now.

"Prayers that you have prayed for many years--and you have felt that the answer would never come--are going to be right on target now. They bow before the Lord in your intercessory hours. Let not up on the horns of that altar, for it is there at that golden altar where the incense went up into the nostrils of God as a sweet-smelling savor, and He says I am drawn to that place, for there my Son lives and moves and has His being. I will honor them as they honor Him.

"Many, many, many more are to be added to your number. Truly they will be walking in your doors. You will not be able to handle them, saith the Spirit of the Lord. They are coming. As they were drawn to the ark in the days before the flood (those who were destined to be saved). Even the animals were drawn. Even nature knows her times and her seasons. When it is time to move on and make their exodus to far off lands they do so. So don't let nature be wiser than the bride of Christ.

"This is going to be the hour of the unusual revelation. When Satan has decreed that I would not be able to match his wit for this hour--how and when and where. You will be wise in your generation, wiser than the children of darkness. For He did say to one generation that the children of the world were wiser in their generation than they were, but it shall not be said of you," said the Spirit of the living God. "And to God will be the glory."

(Tongues and Interpretation)

"I'm not going to give you the full interpretation of this, for much is to be kept secret. It is a cry of the Holy Spirit to break the powers of darkness. To break the powers that have held this place in the

bondage in which it is. It is a cry of the Spirit tonight, and it's going out into the ether waves. The very vibrations of it will begin to strike at the doors of human hearts.

"As conviction seizes all over the area, from the youth in the schools to the man and the woman on the street, the glory of God in its beauty and its power is going to so radiate here, and the things that God is going to manifest--healings will be in such number that you will hardly know a day when you will be able to say, 'This congregation--the sheep--are sick.' Deliverance will be forthcoming. And if needs are there, they will be met," saith the Spirit of the Lord.

"Because you have shown such a beautiful attitude to many, many churches--you haven't secluded yourselves and said, 'I am it, I need no other'--but you have reached out--so, therefore, I'm going to say this to you:

"Every place that you've reached out to will all work together with you in an outpouring into a tri-state area: Missouri, Arkansas, Kansas. This tri-state area will be welded together. Look for the mighty deluge that is yet to fall on you. You are known as the 'show me' state. Well, you're going to get it," saith the Spirit of the Lord.

(The Spirit is just saying the beautiful divine benediction that is resting upon you. Go your way rejoicing, for the Lord hath done great things, whereof we are glad.)

Look for this work of the tri-state area. The Spirit is saying even Texas may come in on some of this. "Texas is going to give you much support and Missouri and Arkansas and Kansas will be the beneficiaries.

And even as Oklahoma--that is like a great spiritual bank where I've invested much of the divine resources of God, and out of that great state is spreading out like radar fingers into the darkness of the night. Much is going out of that area of Oklahoma. I have set aside such an area for certain things. I'm going to be now calling it forth, for the time is at hand," saith the Spirit of the Lord.

APRIL 4TH, 1982

Today I went out and I walked the porch in front of the motel in which we were staying. As I looked out over the city and the terrain, suddenly the Spirit of God began to give me something concerning you.

And He said this to me:

"It's amazing how like the terrain of my homeland this terrain is." And He said this to me, "You'll soon be known as a 'little Jerusalem.' Many from the east will come to find a place in this city." He said, "Remember Jerusalem--they came from all over when it was time to keep a feast. Pilgrimages they made. And they're going to make pilgrimages into this place--into this area--for the terrain will be known as 'little Jerusalem.'"

"I'll walk these hills as I walked the hills of my homeland. You can lift up your heads and rejoice. For the season of refreshing is coming from the hand of your God. You're like weary travelers. You have waited long. You've walked these roads, and you've thought, 'God, will it ever come?'"

"Even many from the chosen race of Israel are going to come in here from the east. Harri-son you know what He said about Bethlehem, 'Though thou be least among the provinces of Israel, yet out of Thee shall come a Governor who shall rule my people Israel.' Out of Harrison and out of this area are going to come men of stalwart faith and power who are going to move some things for God. You're going to be able to move some businesses and bring them in here to supply some things if you'll believe Him. Some of them are wanting to get out of certain areas, and God is going to draw them exactly as He is going to draw Russia into Israel. He is going to draw them for Divine purposes all the way around both for good and evil. This will be for good.
