

## PRAYER CALL 3/15/2023 – STATE OF WISCONSIN

**CLAY NASH:** Alright greetings, had a little bit of delay there. Last night our call and prayers and prophecies for Alaska were very strong. We did have a little bit of difficulty, never did get one of the guests hosts to come on. We apologize for that but yet it was a strong call, a very, very strong call and we know today as we pray for Wisconsin it's going to be the same.

Remember that each state that we pray for, make declarations, and decrees they are recorded, they are posted on my website at [claynash.org](http://claynash.org) and then we work to get every one of these calls transcribed so that you can go there and download that and use certain declarations, decrees, or prophetic words to war with. You know Paul told Timothy, he said according to the prophecies that have gone forth over your life, war a good warfare. And that word warfare in the Greek language is the Greek word "strategia" (it is where we get our current-day word strategy). So within these declarations and decrees, and within these prophecies, are definitely a strategy for each state.

Remember that coming up April the 20<sup>th</sup> through the 22<sup>nd</sup>, we are going to hold a Josiah Company Convocation in Conway, Arkansas. You need to get in line, register there. Everyone who registers to attend you will be emailed after the convocation, a digital download of all the services. We are so excited that we have several hosts that will be coming in to be there with us. We are excited that Dutch (Sheets) who is so diligent and fervent about Give Him 15 is going to make time to be with us there, so it's going to be a great time.

I'm going to begin today by releasing a prophetic word that the Lord gave me – I woke up very early this morning, it was a little bit cool up here on the mountain where we live on in north Arkansas and so as I was putting in a little bit of wood in the fireplace / woodstove I heard the Lord say something and I just set myself aside: This is what I heard.

Wisconsin – My River State -- I, the Lord God would surely say that you have truly been uncorked for such a time as this. The flow has increased but the course of my river will change by years end. As the course changes, there will be many spiritual oxbows created - for within these bodies of water many will be cut off from my flow but continue to build never noticing the flow of my spirit is no longer among them. However, there are many in Wisconsin discerning this change of course and are repositioning and reconstituting for the new course of direction that is set ahead. These that shift and yield to my flow will become the movement of my spirit in greater dimension. Yes, they will discover my movement will have boundaries, but the boundaries will not limit, but increase the momentum of My movement. Get ready, there is a silent group that have been almost as ghosts in the State of Wisconsin, but their silence has been golden but not the authority of their actions for that authority will become My roar within Wisconsin and that roar will deafen the ears of those bent on death and unrighteousness. Their deafness will bring much confusion among the workers of darkness and death. They will turn on themselves and they will devour from within their confusion and their own ranks. My authority will roar loudly from Wisconsin and cause the waters of the oxbows to tremble – My roar will initiate a present-day movement of truth that will make those that hear and obey to

rise up in righteous acts of divine change bringing about a critical mass to the ecclesia of Wisconsin. Says the Lord of the Harvest.

Father, we just release that word into this call. We thank you Father that you have your eye upon Wisconsin. We thank you Father that in this moment of time as your river changes course, we thank you Father that it will cut many off from your flow, but many are already discerning it and they are repositioning, they are reconstituting everything for the greater flow of your movement that is coming. Let momentum increase in Wisconsin. Raise up, raise up, raise up, raise up those that will act in obedience and your authority and let that become the roar to shake everything in Wisconsin and anywhere else you send it out to. We thank you for that now, In Yeshua's name. Amen

**Clay:** Do any of the other hosts feel they have something prophetic you want to release.

**Jacque Tyre:** I got something just before we got on. I heard the Lord say: Even as Wisconsin is covered in snow and cold for months of the year and then spring comes to melt away one season to make way for the land to move into the next, even so I am rising as the Son of Righteousness over Wisconsin to melt away what has kept you in the last season for an extended period of time. There is and has been a faithful remnant that has faithfully prayed and contended for the breakthrough and those prayers have been building up, pressing against the walls of resistance that have held you in a captivity of the past. Take courage and be strengthened ecclesia for I have heard and I am moving and soon and very soon you shall see the melting of the past giving way into what I have purposed for the future that which was held back and contained in days gone by shall suddenly be released as a display of My Spirit in increasing power and movement to impact not only your land but all that surrounds you. So find yourself aligning with My Spirit in these days, shake off the hope deferred and move with Me says the Lord.

So Father today, I pray for the ecclesia in Wisconsin, I pray for the leaders, I pray for the intercessors, I pray for the men and women of faith scattered across the land known as Wisconsin. I say Father strengthen them in their inner most being. Cause fresh hope to come in, that even where hope deferred as taken hold in some places let the wind of the Spirit and the warmth of the Son of Righteousness rise upon them and cause hope to spring alive anew and afresh with a greater measure of fervor, a greater measure of passion and Father cause the faithful remnant all across Wisconsin to divinely connect, let the synergy of their prayers from place to place to place in the Spirit begin to make way for a breaker anointing to come upon Wisconsin that that which has held them back, the breaker is going up before you oh ecclesia. Let the breaker go before and let the people of the breakthrough rise and move and advance in power. So Father, let the Son of Righteousness rise, let the frozenness of the past melt away and let the new season of springing forth into new life come upon Wisconsin and impact the region in the mighty name of Jesus. Amen

**Clay:** Alright Jacquie, great start for Wisconsin. We will get around to our guests in just a moment. Regina, you have something.

**Regina Shank:** Yes, I do Clay thank you so much. I'm in Romans 5 and I really felt like this scripture is for Wisconsin. It says, "therefore being justified by faith we have peace with God through Jesus Christ through whom we also have access by faith into the grace in which we stand". And I heard the Lord say, I am going to give great grace to the State of Wisconsin. And it talks in here about tribulation, but what tribulation produces – tribulation produces perseverance, perseverance produces character and character produces hope and hope does not disappoint. And I feel that the state has had a lot of disappointments but the Lord said 'keep hoping, keep believing and you will see what it is that I am going to pour out on you'.

And also, I know Wisconsin has cheese and the Lord gave me an acronym for the word Cheese. (forgive the pun, I hope it's not too cheesy).

C – Character (The Lord says the C stands for Character - that God is going to be working on the character of his people that are in His Kingdom and He is going to bring forth not only the gifts of the Spirit, but the fruit of the Spirit are going to come forth in His people. There's a new move of God to bring forth Christ-likeness in Wisconsin.

H – Healing (He's going to bring healing to the people of that state. There are many that have been sick. Years ago I saw a fountain and the fountain was not on and the people were laying around the fountain, wanting to be healed. And the Lord showed me the handle, it was below ground. And the Lord said "the healing has not come because people won't get low enough". And I heard the Lord say, I'm going to cause my people to humble themselves before Me and cry out to Me for the healing fountain to open in Wisconsin.

E – Expansion (They are on the horizon of an expansion. People are going to start coming to churches that have never come before. They are going to start coming to out-reaches where they have never come before and we have to be prepared for the expansion and I heard the Lord say, tell them to prepare for expansion.

E – Evangelism (there is a new move of evangelism – I see teams going out into grocery stores, going out into parks, and they begin to share the gospel of Jesus Christ and a new harvest is coming.

S – Stability (there has been some shaky times and there has been a rock in Wisconsin that has been stood on that is not the rock of Jesus Christ. The Lord says, "I am going to remove the false stones that they've been standing on, the false stone of religion, the false stone of free masonry and they are going to have stability because they are going to stand on Me".

E – Enlightenment (There is going to be some powerful revelation released, there's some intercessors that are going to laying before the Lord and they are going to ask for revelation. And God says, "They are going to get enlightenment. All of a sudden, the lights will come on

and they will see what they have never seen before and they will walk in a greater power of revelation”.

So, we decree over Wisconsin, Romans 5:1-5 and we also decree over them Character, Healing, Expansion, Evangelism, Stability and Enlightenment. And Father, I thank you Wisconsin is coming to another level. In Jesus name.

**Clay:** Alright, strong strong for Wisconsin. Well it’s good to have a guest intercessor, a warrior there and Anne I’m going to call on you and let you introduce Judy to the call and let her make the declarations and decrees that are in her heart.

**Anne Tate:** Ok this is Judy Cabrianna and she prays for government issues and for those that serve the government in both Wisconsin in the northern half and also in all of Wisconsin and in the United States. I know that she is a highly skilled, conscientious and trained intercessor that is able to pray governmentally. And so today Judy we embrace you and we are glad you are here and we ask you to release what the Lord has given you.

**Judy:** Alright, thank you – I am declaring and decreeing for revival in Wisconsin for a million souls and real sonship and moving in that and a decree of raising up of a company of healers and restorers who walk in full maturity. I declare and decree as you are raising up your body, your ecclesia, across our state and Father also that you are moving. We are NOT ONLY priests but we are kings in your kingdom and Lord we just declare and decree today the things that you have for our beautiful state and we stand in one accord in you Lord, one accord just as you Father, Son and Holy Spirit, we the Ecclesia of Wisconsin, the body of Wisconsin, your people will stand in one accord. And we are the legislative government of God. You have given us authority over this land. As my ancestors came here in the 1800’s we there people in this land, there are your people Father who are, have authority, not only in the spirit realm but in the natural realm, and as blood, sweat and tears and ashes of my people – our ancestors are in the ground in the land, we stand in our authority. I stand in the authority you have given me, not only in my county, not only in northern Wisconsin but ALL of Wisconsin and we stand in that authority that you have given to us and given to me and I use that authority today and Oh Father I thank you for bringing the ecclesia in Wisconsin bringing them together in one accord and you are doing that today. And we are the legislative government of God. We stand in legislating through this land the authority you have given to us, we stand up and we take our position, we take our place, we take our assignments, and we go forth in the name of Jesus and the authority that He has given to us and we stand for our beautiful state of Wisconsin. Oh yes, Lord and there is a day and there is a time and it is already here that you will send out of Wisconsin, people, the assigned, the ones that have the assignment to go to the nations Father. It isn’t just our State, it isn’t just our Nation, Lord it is to the lands of the earth that you are sending, and you are preparing your people here in Wisconsin. Make clear the assignments and the spheres of authority in each person Father – for we need to know our assignments. We need to know the exact sphere of authority that you are speaking to us because we need to know what it is that we could move into it. And Father, we thank you for making that clear to us here in Wisconsin. And there is a great shaking being and it’s bringing down the strongholds

of the enemy and there has been a major attack in this state. Everyone I talk to -- but you know my God is greater, My God is moving among his people and we stand up and we take the authority that we have in this beautiful state of Wisconsin and I lift up our beautiful state, our government, especially at this point in time.

There is a woman who is pro-abortion, and she is running for a seat in our state government. And I'm (we are) just holding the blood of Jesus against her. She will not take that seat in our Supreme Court in the State of Wisconsin. We cover that seat with the blood of Jesus and we claim and we decree that only the righteous will sit on that seat in our state government. And Father, I thank you that you are shaking up those that do not belong in the righteous seats that you have set in place within our State. And you are shaking those off that don't belong there. And you are raising up the beautiful righteous ones, the righteous ones, the handpicked ones, the ones you have prepared to sit in these seats here in Wisconsin, in our government Father. Not only in our actual state government, but also in every community, every town board, every county board, every place of authority and throughout our schools too -- setting your people free.

Father, we thank you for the mighty move of revival that you are bringing to the state of Wisconsin. Especially to the young people Father, thank you for raising them up and using them powerfully in this hour and in this season and we give you glory and honor. And Father we declare and decree that Wisconsin is a **sheep state**, it is not a **goat state**. We just claim this in the name of Jesus and we give you glory and honor and praise and thank you for hearing and answering our decrees today, In Jesus' name. Amen

**Clay:** Alright, thank you Judy for that, great to talk to you this morning. We honor you, thank you for coming on this call. Making those strong declarations and decrees and we come into agreement with them totally and we are blessed to have you.

**Ken Malone** – there in Florida, what's in your heart.

Hey Clay, I am so honored to be on today praying for the great state of Wisconsin. A friend of mine, by the name of Laurie she sent me an article about a Supreme Court election – taking place this April 4<sup>th</sup> that's going to elect either Janet Protasiewicz or Daniel Kelly. Protasiewicz is a liberal, Kelly is a conservative. They claim that these are non-partisan seats but as everyone knows the any supreme court, they do have partisanship in their decisions and so in the initial election these were several people who ran, like 4, and Daniel Kelly ran and he is a former Supreme Court Justice there in Wisconsin and Protasiewicz is a Circuit Judge there in Wisconsin.

And I just want to believe God today that the Lord will have His way in this election and install the person that is God fearing, pro-life, pro-America and everything we all stand for and that God stands for. I want to pray that person into the seat of authority today.

So, Father in Jesus name we come before you and Lord you know the end from the beginning. You said in your Word God that you declared the end from the beginning. Lord, you know this

election, Father and today I pray God that your people will rally to vote on April 4<sup>th</sup> there in Wisconsin for the Supreme Court judge that is pro-life, pro- God, pro-family, everything that you value God. I pray for that person to enter that seat of authority in the Wisconsin Supreme Court election. Father, I give you praise and honor that you are sending angels to disrupt, Lord, the present plans of the enemy and Father you also have angels there God who are installing the plans that you have in Wisconsin. We cancel every assignment of the enemy to steal this election and Father we say in Jesus name – Let God arise in Wisconsin and let his enemies be scattered.

Even in this voting process, Lord I pray God for righteous voting, and I pray God that no fraud take place in this election. And Father I thank you God that you will be the supreme one in Wisconsin Supreme Court. You will be the one who is the strong power in that court and Father I thank you today that Jesus Christ is Lord over Wisconsin and we decree it so in Yeshua's name. Amen.

**Clay:** Alright Ken, we come in agreement – God's righteous will prevail. And Father, move on the hearts of the people of Wisconsin to vote for life, vote for righteousness and vote for kingdom truths. We thank you for that in Yeshua's name.

**Clay:** Anne Tate there in Texas, what's in your heart.

**Anne:** Couple things on my heart – one of the things – right now I decree that a new structure is coming together in Wisconsin. We say Lord that they are going to begin to address outside of the four walls of their church, outside the denominational structure, they are going to begin to move according to the way the New Testament church was created with Apostles, Prophets, Pastors, Teachers, and Evangelists. And Lord, I thank you that you are sending in the gifts that are needful. Lord, we ask you to play fruit basket turnover in Wisconsin so that the leaders you have called to lead forth into truth and into the future will begin to come forth. Lord, I thank you they will begin to come together and form a cohesive body of Christ, a triumphant reserve will begin to be identified in Wisconsin. There are those who will say we've had enough and will begin to move in accordance with the way the Lord moves and say we have to have relief here. We have to come up here in a new way. We got to realize all that we are called to be and do in the Lord Jesus Christ and let the non-believers stay where they are and let the believers begin to function in a new structure, in a new way, feeling their way with you Lord and beginning to speak according to everything that you are saying.

The Lord showed me this morning Lord, there are many things that you wish to say to Wisconsin, many words you wish to release and you have sent people with prophetic anointing into the churches and into the body of Christ and we say now is the time they are going to begin to stand up to the man and will begin to speak those things that they are hearing you say Lord, they are going to start a new day in Wisconsin in this season, Lord, that this Passover is going to be like none other and the vote for the Supreme Court will be a holy vote that they will understand – We are called to vote in such a way that it glorifies God and it executes kingdom in Wisconsin and we say Lord that the plan of the enemy to pick off Supreme Court justices

state by state - we put an ax to that right now in the name of Jesus and we say you will not be allowed to operate any longer. I ask you Lord to turn the light on the weakness from state to state to state so that they are not able to shift what they want to happen from kingdom. We say that your kingdom is coming to Wisconsin and your will is being done. In the name of Jesus, Amen.

**Clay:** Alright Anne, we're in agreement with that. Pat, there in Illinois, what's in your heart.

**Pat McManus:** Thank you sir, I come in agreement with all that's been declared and as I was preparing, I kept hearing the word refreshing. Because when I looked up into the 50- state thing, it was called Chippewa it was a gathering of the waters and I kept hearing this refreshing. So Acts 3:19 – Repent therefore and be converted that your sins may be blotted out that the times of refreshing may come at the presence of the Lord. Father, we thank you that you are releasing a greater expression of the refreshing expression of your heart upon that land. That Father you are bringing the waters into a greater clarity of purity and wholeness that would truly reflect your glory, your power and your name. Father, we ask for a refreshing back into the region, into the territories where they will experience a true removing of the old structures and systems and a real transformation will begin to take place. We thank you Father that the refreshing wind of Holy Spirit is blowing upon Wisconsin. We thank you for the refreshing expression of glory that is penetrating the structures and systems in Wisconsin. We thank you Father that the refreshing is igniting the ecclesia with a greater fire and boldness to stand in the purpose of your word and seeing the outcome of your hand prevail upon our land so we thank you Father that the gathering of the waters is the same as the gathering of the ecclesia where a fire in their heart, a word in their mouth and an expression of glory in their hand. And then Father the healing of the waters will cause a healing in the land and the land will come into its right order as the fullness of your name is released upon the land. So Father we declare this day, let repentance be released in the hearts of man and truly causing a fire of God to burn in the land and releasing a fire of refreshing that will ignite the expression and the power of Your name to be released and made known in powerful ways. We thank you Father for the refreshing wind that will truly release upon the land and see your glory, your power and your might made known. We thank you Father for it. In Jesus name, Amen, and Amen.

**Clay:** Alright, thank you Pat for that. Any other hosts who have something to release. Alright, been a strong strong call. We'll be praying tomorrow at 2:22 into the State of Illinois and Pat of course is from there and he has some great people lined up and on Friday we will finish up this week – praying and decreeing into Ohio. Then begin next week with Colorado then cover Iowa, Nebraska, Kansas, and Missouri. So, stay on the wall with us for these calls, remember today recording will be put up, the transcription will be done and put up and don't forget about registering to come and be with us as we pray over the nation on April 20-22 in Conway, Arkansas. You can fly into Little Rock; the airport is not far too far from the facility and

go ahead and book your hotel rooms pretty soon because Conway is a college town and a baseball town.

God Bless everyone, thank you Judy for being on and thank everybody else for being on the call. We bless you today and have a great afternoon.
