

## **Prayer Call Thursday, March 16 2023 - Illinois**

**Clay Nash:** Good day. We are on another 2:22 Prayer call. Victory from God's Promises. And we are praying into the State of Illinois. It's going to be a great call. We appreciate everyone that's on. I know one of our hosts is Pat McManus from Illinois. He has lined up some guests to be on today that's going to pray and speak into the situation there. Remember that every day we record these calls. And every day we post them on my website claynash.org. We also transcribe them and get them up where you can grab hold of the whole transcription. Or cut out of it the prophetic words you have to war with. I want to keep reminding you that April the 20-22 we are hosting a Josiah Company Convocation. It's going to be held in Conway Arkansas. Very near Little Rock. We've got the information on the website. We have hotels, lots of rooms at a real great price. And we are believing for those that have been on this call, any and all over the five years as well as others would join us as hosts come together. We are honored that Dutch Sheets will be joining as well. It's going to be a tremendous time and we are going to finish by praying, together at this convocation, for all 50 states. So, look at that, register for it and please join with us at a very significant time for the nation. Jacquie Tyre, God has given you something prophetic for the State of Illinois. I'm going to call on you and you release that word first.

**Jacquie Tyre:** Alright Clay. Thank you so much. It is an honor to be part of these calls, we so appreciate everyone day after day. As I was praying for today's call I heard Holy Spirit saying Illinois, when many look upon your land they see the debris, rubble, and chaos of enemy activity, but I look and see stopped up wells and hidden reservoirs of My glory. What the enemy has fought to stop, I say to you that I am stirring up and sending forth My mighty warriors in response to those across the state who have not given up and that do not relent in calling forth for My glory to be manifested across the state. What the enemy has meant for evil, I shall turn about for good and shall confound those who thought they had gained the victory. For while the enemy has had the upper hand for a season, it has only been so that what has been done in secret would be clearly seen in plain view. Know that more revealing is coming and in many ways shall be shocking for many to see the depth of depravity that has grown under the covers of deception and manipulation. But these shockwaves shall cause many to stir from their slumber and rise up to let their voices be heard with the fervor of a righteous outcry. Hold fast and do not shrink back for I am prepared to do a work that will put many in shock and awe of My mighty outstretched hand across the land. The days of revival of past seasons shall pale in light of what is coming upon this land known as Illinois. Press in, push back, and proclaim the day of the Lord in power is here, says the Lord. So, Father we release this Word over Illinois. We decree that you are doing a work that will put many in shock and awe. We say that that the hidden works of darkness shall not only be exposed but they shall be extracted and fully illuminated and those wells that have been stopped up. Those reservoirs of Glory shall be unstopped, unsealed, and loosed across the State of Illinois. Many will see and be in awe of what You did. Let the past revivals merge forward and become smaller ducts in the greater Glory of the latter

house. Let it be done. Let your name be praised and your Kingdom be advanced across Illinois and even into the nation. In the mighty name of Jesus, Amen.

**Clay Nash:** Alright, Jacquie. We're off to a good start. And the words that the Lord gave me I feel really measures and ties in with that. Illinois as you are an apostolic state where I am working to fulfill my words from 1 Cor. 12:28 within your borders. The enemy has sought to abort the destiny I have for you Illinois to be a prototype to the Nation. For I have sent a Thunderbolt forth to stop the evil reign of Lightfoot and those of that spirit. For the fox has burrowed in and gone quiet but I am digging with a righteous shovel to uncover the corrupt burrows beneath Chicago. My digging is growing to a point of exposure. For truly within this state there is a matrix of my spirit that will become a womb of righteousness. From this womb of righteousness will come a shout of Victory that will cause a quantum leap of faith to break forth closing doors to the past but opening a way for the ancient markers of the righteous voices to be reconstituted. Get ready Ekklesia of Illinois land of Lincoln I am about to polish you to the brightness of a new wheat penny and display you to the Nation. Father we just thank you for Jacquie's word and we just thank you for this word you had me give, and we come into agreement. We declare that there is settled word in heaven about your State Illinois. And in it being settled, we thank you Father, it will become, even in Illinois, as it is in Heaven. So, Father raise up the Ekklesia of Illinois. And yes, Father polish them. Polish that copper within Illinois. And polish it until it so bright, it will bring a blinding to the enemy and the enemies' camp. And do this in Yeshua's name, Amen. Pat I know you've got some guests you have invited on. So I am going to turn over to you right now.

**Pat McManus:** Thank you sir. I come into agreement with all these decreed words that have been stated prophetically to come into right order with You. I'll call on Senator Darren Bailey. Should have been our Governor. He is Senator Darren Bailey who truly has a heart and a passion wanting to see the State come into a kingdom order and a kingdom understanding. And then I also have a lady that's coming on whose name is Mary Surrando. Who truly is the state leader that empowers the Ekklesia to pray and truly come into a greater order of alignment of what God is wanting. She manages the prayer structure for the state. She prays at the Capitol Building on a monthly basis. I mean this lady's on fire for God. I'll have Darren Baily go first and then I'll have Mary. So Dan what's on your heart? We decree that the gates that are holding back this state are being removed and righteous and true justice is established in our land. Isa.26:2. We decree that the Caleb's are rising up to take down the giants as in Joshua 14. We decree that the generations are coming forth to take back territory for the kingdom of God as in Joshua 15. The false structures are being removed. The alters of Baal are coming down and Judges 6. God's order and the angelic alignment is being activated in fullness of power. Thrones of iniquity being removed

**Darren Bailey:** Hey, good afternoon. And I am really encouraged by the prophetic word that was offered by my wife and I by Dutch Sheets. My wife and I listen to Give Him 15 most mornings. So, thank you and God bless your faithfulness, for your perseverance.

Right now as we speak in Springfield, a bill is being heard that could very well pass. Bill that would literally make it illegal, with a fine up to 50,000 to literally speak out against these abortion facilities. Bills that if a doctor loses his license in another state because of performing abortions illegally. That he would come to Illinois and be fast tracked to get his medical license back. Bills allowing the advent of mobile abortion clinics that sit in our schools parking lots and literally now make house calls. And bills that would force any medical facility which literally would be our care clinics, any type of medical facility which by law would have to offer abortion. Bills that let physician assistants now perform and abortion. I think we know that life is a threat, God's creation isn't honored. That's why I believe this curse falls over the state of Illinois. I so have a hope in your words today. We believe that Illinois is the heartbeat. We are right in the heartland of this nation. The heartbeat with our transportation, with our air, our shipping, our rail. Everything that goes from Illinois. It is so important, in the past God has used and allowed Illinois to be a catalyst for change. And we believe that day is coming again. I'm absolutely honored, honored to be a part of this call. I am so blessed and encouraged to hear the prophetic word, Cindy and I stand in complete unison. We say don't give up on Illinois. Continue to pray. We have no idea why God didn't allow and propel us into that position of authority and leadership. But, we trust in Him and know that His way is perfect. His timing is good and that day will come. God bless you so much. Thank you for this opportunity.

**Pat McManus:** Senator Bailey, is there anything else on your heart? Would you like to pray?

**Darren Bailey:** I can pray. I would be honored to pray.

**Pat McManus:** Man, go for it.

**Darren Bailey:** Father God in Heaven, I thank you for the day today. For an opportunity to make a difference in everyone's life that we cross paths with. Lord, I thank you for these prayer partners. For their faithfulness to come together and continue to lift the name of Jesus Father God. Lord, I pray for forgiveness. For forgiveness for the lukewarm church that you would prick the heart of pastors and leaders and your bride that is across the nation that exists today. Father, I pray especially right here in Illinois. I pray for that great awakening Lord God. That we would wake up and take our rightful place. Father God that we would participate with this wonderful republic this free land that you gave us. Father god that we would participate, and that people would know the importance of voting and honoring what our Veterans have done to protect our freedom. Father God, forgive us, forgive your bride, forgive the church for being complacent. For being apathetic for so many years. For allowing your Word to be taken out of our schools. For allowing prayer to be dismissed. For allowing life to go unwarranted. Especially now that we've elected men and women leaders that are destroying life. Help us help us rise up, rise up as men and women to stand the gap. To stand on that wall and take these seats of authority that I know you have planned. Take away the inhibitions and rise up men and women that fill these positions. Give them boldness give

them courage as we know Lord God you so freely give. Help us stand Father and take back what has been taken. Lord I just pray for our President Joe Biden. I lift up to you JB Spritzer. I pray Lord God you would shake their foundation. Whatever it takes Lord God that they would call upon your name and be saved and change their ways. And as we speak the mayoral election is taking place in Chicago. I pray that you would do something there Lord God. That the person who knows you as Lord and Savior and knows your ways would be obedient, to be elected to that position and would be bold and courageous in that position to honor you. Lord God, there is still time and that your church, your bride would step into that place. That they would speak and make that difference. Lord, bless these men and women that see to this call every day. I thank you so much for our friend that prays in the capitol. We love you Lord, we thank you. We lift the name of Jesus, amen. Pat: It truly is an honor to have you on today. Thank you my friend. Mary who leads a group of women monthly. Who truly is a firehouse for God. So Mary what's God got on your heart?

**Mary:** Thank you Pastor Pat and Clay. I want to thank all the leaders on the call today. This is truly an honor being with all of you today. I was so excited for Illinois today. What an honor and what a privilege to have the other states come along side of Illinois. And like Pat says we link our shields with them and come into corporate agreement with them and call forth the destiny of the state of Illinois today. It truly is an honor. I just wanted to say a shout out and thank you to all those faithful ones that call at 6am every day for years and years. And for your faithfulness to go and do your assignments. To do what ever it is the Lord has us doing. I just to acknowledge them and thank them for their faithfulness as well. We have 102 counties in Illinois. Teams of intercessors have gone to every county seat. First we went to divorce Baal and rest government back to God. We also have gone back to tear down the Ashteroth poles and rekindle the altars back to the Lord. We have gone to every Masonic lodge, abortion clinic, mosque, that we know of. We have also gone to many of the colleges and universities. We have gone to the Capitol in Springfield for many assignments and prayer initiatives throughout the years. We've collaborated with some different prayer networks and prayer groups in Chicago. We have gone to help them and come into agreement with them and do repentance there. We've repented for the sins that bring a curse upon the land. And we have asked God to heal our state as we have recovenanted it back to the Lord. And from the book of Releasing the Prophetic Destiny of a nation that they released after they did their 50 state tour. When they came to Illinois Dutch released this word. He said, "Illinois is my Apostolic state. As such Illinois will be my prototype state. It is a place of government. A place where plans are given. Illinois is a prototype of what God wants to do in the rest of the nation. The state of Illinois will be known as the place where the river of God dwells. God will have an apostolic people who know how to birth things, to originate things, to plant the seed of God, the prophetic word of God into the atmosphere. And cause the region to be pregnant with God's word. Out from their matrix something is going to flow. It is called the river of life. God is snapping things back into alignment. He is healing dislocation of broken places and snapping them back. He is mending the net so He can bring in a great harvest to the state of Illinois.

We also declare Illinois you will no longer be desolate or God forsaken. We declare Lord you are bringing healing to the Ekklesia in Illinois. You are mending hearts. You are releasing reconciliation and restoration to connect the Ekklesia throughout our state. In Job 22:28 You will also decree a thing and it will be established for you and light will shine on your ways. We decree and declare Illinois you are an Apostolic state. You are a prototype for what God wants to do in the rest of the nation. You have an Apostolic Ekklesia that knows how to birth things and plant the prophetic Word of God into the atmosphere. Illinois will be known as the place where the river of God flows. And it is called the river of life. We declare that you God are snapping things back into alignment. You are healing the dislocation and the broken places and snapping them back. You are mending the nets so that you can bring in a great harvest to the state of Illinois. We also declare, Illinois, you will no longer be called desolate or God forsaken. My righteousness and justice are coming to you. We declare that all unjust laws and judgements are overturned by the just laws and judgements of the Superior Court of Heaven. We declare those who call evil good and good evil you will be exposed and you will be removed from your seat of authority. We decree every abortion clinic, wicked trading floors, all drug trafficking, human trafficking, all lawlessness, all corruption, you must cease and desist. All election fraud be exposed and judged. For the gates of hell, the council of darkness shall not prevail against the Ekklesia in the apostolic state of Illinois. We also declare these prophetic words will come to pass at their appointed time. And Illinois will fulfill its destiny. And we bind Illinois back to its original intent. From before the foundation of the earth. We also declare we receive all of the supernatural resources of Heaven. We call upon the angels assigned to Illinois and all the angel armies for their assistance and for Holy Spirit's supervision. And we declare there is no King but Jesus over Illinois. Where justice has been driven back and where righteousness has stood at a distance, where truth has stumbles in the street, and where honesty has not been allowed to enter. We take back the authority that has been given to us and declare a turn around. We declare justice will return and it will bring joy to the righteous and terror to the evil doers. Let righteousness roll like a river. We thank God that Illinois has covenantal roots with Israel. And we bless Israel today. And we thank God for Israel from this Apostolic state. We also declare the scepter of the wicked will no longer rest over Illinois. The plumbline of God has been dropped over all the branches of government and all the seven mountains. Art and entertainment, business, education, family, government, media, and religion. We declare the word of the Lord from Dutch and Chuck, that the army of God prevails in ways that they never have before. Demons are going to be disempowered in a new way. Breakthroughs are going to come. Deliverance is going to come. People are going to be set free. Oh God, revive us again. And we say Illinois you will fulfill your destiny. And America will be saved. In Jesus's name Amen.

**Pat McManus:** Thank you Mary. Powerful decrees. I truly do appreciate that, thank you very much for sharing your heart. Joshua chapter 6 verse 20 says, : so the people shouted when the priests blew the trumpet and it happened when the people heard the sound of the trumpet the people shouted with a great shout. And that the wall fell down

flat. And the people went up into the city every man straight before him and took the city. So Father we declare this day that you are releasing the trumpet sound into the heart of the Ekklesia to rise with authority to move as the priests blow the trumpet sound to activate and to empower and to cause a demonstration of your Glory upon the land. Father we decree that the gates that are holding back this state be removed and righteousness and true justice be established in our land. Is.26:2 we decree that Caleb is arising to face the giants of Anoch and truly dismantle that structure. And rename according the purpose of your word according to Joshua 14. We declare that the generations that are coming forth to take back the territory for the kingdom of God as in Joshua 15. Father we declare false structures are being removed. The Baal Ashteroth poles are being torn down as the Gideon Army rises in God's authority and God's order angelic alignment is being activated in full power and the thrones of iniquity are being removed. Father, we thank you that you are activating the Ekklesia with a clear understanding of the foundation of your truth that will truly see the purpose and the power and the plan of your hand prevail upon Illinois. Father we declare that the trumpet sounds are being activated with a true sense of power, purpose and authority that will cause the dismantling of man's structures and the reordering and realigning of Godly order upon our land. We thank you Father that we are activating the Ekklesia with a clear understanding of the movement of Heaven with the Sword of the Lord to see the Kingdom of God advance on our land. We thank you Father for the visitation, the manifestation, and the Glory of your name being heard on our land. We give you honor and praise in Jesus's name. Amen and amen. Clay I turn it back over to you sir.

**Clay Nash:** Alright Pat. We appreciate it. Thank all of your guests that came on and we thank you for their declarations and decrees and information. We know they have busy schedules. We just appreciate them. Remember tomorrow we going to be covering the state of Ohio at 2:22 Eastern time. That's going to finish another week. The we'll jump off into next week. We'll be covering the state of Colorado on Monday, on Tuesday night Iowa, on Wednesday at 2:22 Nebraska, then Kansas, then Missouri next week. Plan to join with us. Alright, Ken Malone in Florida what's in your heart?

**Ken Malone:** Hey Clay. So glad to be on here. Such powerful decrees, and prayers, and prophetic words released over Illinois. I first of all want to say to Pat, I'm so thankful that God has placed you in that state. I want you to know that I and others are in covenant with you to see God move miraculously in that state. This Apostolic state. I've been looking at the words that Dutch gave over this place. And I am going to pray those words over this Apostolic state. But, he talked about the Apostolic anointing. And that to reach the fulness of it that there needed to be another level of strength, understanding maturity. The governing order must go to another level. He also talked about connecting, of building relationships within the land. I believe that one of the key apostolic things the Lord is wanting to do is for us to build strong relationships and to see relationships restored where they have been severed. Another thing that he talked about was the new level of anointing, that is going to produce harvest. And he talked about the river of life coming forth from that womb. As I was praying today I just heard

the Lord say, "let the apostolic Fathers of Illinois arise." So Lord God we stand in the gap today for Illinois. Father we have people from all across this nation. Who are standing for this state, now. Just as Peter stood with 11 on the day of Pentecost. We are standing with Illinois. We are standing with Pat to see a mighty move of Holy Spirit. Lord move through this land God. Shake the very foundation the very core of Illinois in Yeshua's name. Father I decree in the name of Yeshua, God that you would cause a new level of strength to arise upon the land. Arise upon the people. And God you will cause them to build relationships with one another. God let those relationships go deep and let them be strong in Yeshua's name. Father I pray for that next level of anointing that releases the harvest. And Father I say that it comes forth now. And we call that harvest into place. We call for the laborers to be sent into the harvest field of souls. Men, women, boys, and girls that will come into the kingdom of God. And Father I say out of the womb of Illinois, there will come forth, God, a river of life. We cancel the assignment of death. And we say God that life is coming forward in Illinois. We say God that the sign of an apostle is being worked in the state of Illinois. Signs, wonders, and miracle will manifest within that land. And Father I thank you that you will also expose and bring down those false prophets, false apostles, false bishops in that state. And Father I thank you for the great revival you're bringing there Lord. In the name of Yeshua. Amen.

**Clay Nash:** Alright Ken. We thank you for those powerful declarations and decrees. Father we just thank you for that you've done today and this call. Father we just thank you that Pat has someone to close the call out with prayer. We just thank you that this prayer is going to be a sealing prayer of these words that have been spoken on this call today and we thank you in Yeshua's name. Pat if you have someone you introduce them and we'll let them close the call.

Pat McManus: Yes I do. Ann Marks that leads the 6 am call that Mary was talking about. She is the leader of that call. Truly one that has the heart of the Father. That wants to see Illinois come into a right order. And truly keeps things focused in a way that will cause a transition or a shifting in that call in the morning. Ann Marks go ahead young lady and share what's on your heart and close out the call for us today.

**Ann Marks:** Thank you so much. I am so honored to be on this call with all of you. I'm so honored to hear the prophetic words that you have given us. We will cherish those, we will take those and pray for those we will print them out and send them out. And just go over them and pray through them because they are life to us. They really are life. I cannot tell you, just like Mary expressed, how wonderful it is to have everyone come into agreement with us here for Illinois. We need that strength, we need that help. I just want to say thank you Clay for this call. Thank you for everyone praying. We are believing for all this. I just want to pray. Just Judge of the universe. Creator of the heavens and earth and all it contains. We thank you that you have heard our prayers. You have given us some powerful decrees. Powerful words that you want us to make now and declare. Lord we are not going to be hopeless. We are not going to be in hope

deferred but we are going to be walk in faith believing you. There is no thing that is impossible with you. And we thank you that this state will be a state that is called the apostolic state. It will come into its rightful place. It will come into what you created it to be, to its original intent. We thank Father God we will not stop, we will not quit, we will not be hindered. We will walk in faith with great joy and victory and believe You will turn this state around. That you are doing now and that you will complete it. And we're blessing You for it Father God. We're thanking you Jesus. We're asking that your angel armies enforce these decrees on behalf of all that concerns us. We thank you Father God for enforcing these decrees in the heavens for kingdom purposes on the earth today. And we thank you Father that the word says the battle is yours and the victories are ours in Jesus's name amen.

**Clay Nash:** Alright. Thank you for that strong closing prayer. It's been a great day for Illinois. As I said in the beginning. If you came in late the recording will be put up this afternoon. And will work on the transcription and get it posted as well. And we'll be back here tomorrow at 2:22 Eastern time. So that we can pray over the state of Ohio. We're going to finish another great week. God is really strengthening these calls. Tomorrow we will have 20 of the 50 done. We'll move on from there. God bless you. Thank you for your prayers. We want to thank all of the participants that call in daily. And you add your power of agreement. Remember, one puts a thousand to flight two ten thousand and you make your declarations and decrees there where you are. God bless you. We'll be here tomorrow.
