

Prayer Call Friday, March 17, 2023 – OHIO

CLAY NASH: Alright, good day, it's 2:22 eastern time and we're on the Victory from God's Promise call. We're praying for the state of Ohio today. The calls have just been majorly strong. Remind everyone, every call is recorded and placed on the website claynash.org. We're also transcribing all of these calls so they can be downloaded, and the intercessors, watchmen on the wall, the warriors can take and use them to make their declarations and decrees. And so it's a very important time. Remember you can go to claynash.org and register for the Josiah Company Convocation. It's going to be a time of prayer for the nation; time of releasing, time of connecting intercessors in each state together. It'll be held in Conway, Arkansas, near Little Rock. And it's coming up on April 20th through the 22nd. There on my website you can register for it, but also there's information about hotels and we have lots of room. Alright, let's get started in today's call. Pat, you've got a word that God has given you. And so we're going to call you on first to release that. And then Jacquie, I'd like for you to bring your word, and then we're going to bring Anne in and Regina has a word, too, after that. I think that will work the best, so go ahead, Pat.

PAT MCMANUS: Thank you, sir. So, I'll go right into it. The wind of my Spirit is blowing. I'm releasing the wind that will ignite for breakthrough. The winds will shake and empower. The wind will shift systems and structures. The wind will remove and activate. For as the wind is used to release a sound so will my wind be used to align my state in a new way. Get ready for the wind of empowering, activating and advancing. The winds of change are blowing and are at hand. My Ekklesia will advance in this hour and they receive a fresh wind of all that I am. Joshua 6:13 Judges 7:20.

Father, we thank You, You are igniting for winds of change as You do for Joshua as blowing the winds and Judges blowing the winds. We thank You for winds of the Spirit of God blowing on Ohio and we give You honor and praise, In Jesus Name. Amen.

CLAY NASH: Alright, Pat. Great start for us today. Jacquie, what's the Lord given you?

JACQUIE TYRE: All right, Clay. This is what I heard the Lord say: Swing state Ohio, swing to the left, swing to the right. Swing to the left, swing to the right has been the rhythm of your past as the altars have warred across the state, to cause the tilting first one way, and then the other. But I am calling for and settling a plumb line down in the midst of Ohio, to cause a greater revelation of both the strength and operation of godly altars and the demonic altars that war for the soul of Ohio. This greater revelation shall enable My Ecclesia to move in greater strategic force, to topple and overthrow the demonic structures by the strengthening and expansion of the godly altars across the state. Watch to see what becomes visible in the days ahead that has not been clearly seen. Then move with My Spirit to see that the strength and expanse of My altar is fortified to overthrow and overtake the demonic altars. Even ancient altars that have been the source of power behind long-held battles, where victory has seemed elusive and just out of reach. Watch and see what I shall reveal, and what I shall say for you to

do to unlock victories in the days ahead, and settle the swinging into balance with My Word, My will and My ways for Ohio to become a standard bearer for the future, says the Lord.

CLAY NASH: Alright, Jacquie. Thank you for that. Anne Tate, good to have you on there in Texas. I know you're on a bit of a time schedule. What's in your heart to release?

ANNE TATE: Well, Clay, I was hearing a word for Ohio, as well. And it goes along with what the other words that have been released. The Lord said that, and it is about the swing state. And the Lord said, from this state I will swing the rest. And He has spent such time; this is a watchman word. He has spent such time building and bringing into place many, many angelic entities in order for them to be deployed, first in Ohio, and then for the rest of the nation, because when Middleton gets free, the rest of the U.S. will break free, and swing free. And He said that the rest of America, that Middleton got its name because it was symptomatic of the middle of the road of all of American in the 50's when they did research. The famous research that was done there, and it was said they're like the rest of the United States. And it has had great bondage on it and it's been very difficult for those who have worked there to fight their way out of it. But the Lord says that the breaker is coming. And He said you're going to break through, break free and break through. And you're going to break into what I'm calling for the next paradigm, for the next going forth. And it will call the whole of the United States to break forth into what they're called to. There'll be a brand-new paradigm that shows: here's how we work together. Here's where our strengths are. Here's what we can depend on this state for. But it was like a synchronicity of the United States of America will break forth from Ohio. And the Lord says, now is the time for the dread champions to begin to come forth. And that will be the upshot that they will spew forth out of Ohio. The dread champions are coming for the next season. In the Name of Jesus. Amen.

CLAY NASH: Alright Anne. Strong word. I want to tell you God's declaring into and over Ohio today. Regina, what do you have?

REGINA SHANK: Thank you. I have several things here. I kept hearing the Lord say that Ohio was going to be a birthing state, not only in the natural, but also in the spiritual. I got Isaiah 54 for Ohio. Seeing barren woman, you who have never born a child burst into song and shout for joy. You who were never in labor because more are the children of the desolate woman than of her who has a husband. Enlarge the place of your tent. Set your tent cords wide. Do not hold back. Lengthen your cords and strengthen your stakes for Ohio you will spread out to the right and left, and your descendants will visit those nations will settle in the desolate cities.

And I began to hear the Lord say the battle over abortion is going to escalate but abortion is going to be defeated on another level in Ohio. And then I began to hear Ohio. The "O" is Opportunity. There's going to be great opportunity come for those who are in darkness, for those who have a heart for the harvest to begin to share Jesus. There's going to be lots of opportunity to come. And then also the "H" is for healing. And

healings are going to break out. And I believe God is going to break forth some new healing evangelists in Ohio. And then “I” is for Increase, which goes along actually with Isaiah 54. And “O” is Order. And that Order has to do with the apostolic. The apostolic order that is to be there in Ohio is going to rise up, and we may get connected when these apostles that are kind of out there on their own, when they get connected with others, when they get connected with other apostolic leaders, that order is going to come to the state. And there’s also going to be apostolic people in the government that are going to come into a place of rulership in Ohio. So, we decree those things over Ohio, God. And we thank You, Father, that You are bringing forth some powerful things out of that state, that will change not only them but the region around them as well, In Jesus name.

CLAY NASH: Alright, Thank you, Regina for that. It’s like we had Pat, Anne and Jacquie. Bases loaded, and the designated hitter, Regina came in and cleared the deck. So, we appreciate that very much. Good to have April Ferris on with us. And, April, I know you have some guests, or maybe two, that you’ve invited to be on. I’m going to turn it over to you now. You can introduce them and ya’ll can make your declarations and decrees, and then we’ll follow up with some of the other hosts.

APRIL FERRIS: Hi, Clay. Sorry, I had hit the wrong button to log in, but um, if you’re ready for me I’m going to introduce

CLAY NASH: Yes, we’re ready. It’s yours. You can introduce whoever you’ve asked to be on.

APRIL FERRIS: Great. Thank you so much. I apologize. I’m introducing Ruth Edmonds. She is the Christian Engagement Ambassador for the Center of Christian Virtue, in Columbus Ohio. Her role is to equip and educate, exhort and engage the Christian community to be influencers of change. She’s an advocate for parents’ rights, on the board of Women’s Health and Healing, and traditional definition of family. She has spoken on these issues on NewsMax, and Tucker Carlson programs, just to name a few. And she works with teams of intercessors that pray quarterly at the Ohio State Capitol building. And so today I’ve asked Ruth to join us, to present to you all in prayer, the current thing that Ohio is fighting concerning the heart-beat bill and what they’re trying to put on the ballot. Ruth?

RUTH EDMONDS: Amen. Good afternoon, everyone. Thank You. It’s an honor to be here with you here today. And in fact, Center for Christian Virtue is Ohio’s largest Christian public policy organization. And we advocate for public policy that reflects the truth of the gospel. Ohio, the prophetic words are spot on Right now we are in a it is a battle ground state right now for life. We have declared that Ohio right now is like a Gettysburg. And it’s a fight between life and death. We have the abortionists, Planned Parenthood, the ACLU, and the rest of their allies who are putting a constitutional amendment, constitutional amendment on the November ballot to legalize abortion, to declare that an abortion is a right. And we are fighting this battle. We need the prayers

of the righteous in this nation because “so go Ohio, so go the nation”. We are a swing state. We do have watchmen on the wall. In fact, the apostolic we have apostles in our state that are standing and that are decreeing and declaring. We really need the nation because the pro-abortion movement is 0 for 6 in American right now. They have defeated pro-life legislation and they have passed pro-abortion legislation in 6 states throughout the nation. And so they come to Ohio; we are the seventh state. We are the only state in the nation right now that will have a ballot initiative in November to legalize abortion. All pro-abortion dollars are being flooded into the state of Ohio. And so we know that it will not be by our might, nor by our power, but it will be by the Spirit of the Lord that will cause this ballot initiative to be defeated, in Jesus Name.

So, Father God, we thank you so much that Your word is sure. You said that Upon this rock, the church, the Ecclesia, You were going to build Your church, and the gates of hell would not prevail against it. God, we decree and declare in the Name of Jesus that for Ohio, the heart of it all, where “so go Ohio, so go the nation”. God, we declare and decree that right now in Ohio this is where the buck stops. This is the end of that pro-abortion movement. They have declared war here in Ohio and we are responding. The Kingdom of God suffers violent, and the violent taketh by force. God, we thank You have brought this fight, this Gettysburg, to Ohio. We are prepared. We are ready, O God, and we will not be afraid. We are not backing up and we are not backing down, O God, from the fight. We are calling forth the angels from the north, the south, the east, and the west, Your intercessors, O God. The army, O God, to come forth and to stand with Ohio, O God. We thank You, Lord God, that this, when we declare defeat of this ballot initiative it is going to strike a blow at the momentum that has been raised up so far. When we defeat this ballot initiative in Ohio, O God, it is going to stir up the body of Christ. It is going to wake up and shake those dry bones. They will come back to life because of the defeat of this ballot initiative in the state of Ohio in the center of the nation. God, the explosion is going to go forth all over this nation because we have stood firm, O God. We thank You, Lord God that You are the Great and Mighty One, O God. We are battling, O God, but we don't battle alone because the battle is not ours. It is Yours, O God. So, we declare and decree that in Ohio: WE WIN. We win, O God. We win because we win with You. And we thank you and we bless You, and we praise You that the whole nation is going to come around Ohio, just like it did in Gettysburg that the North and the South, Lord God, when they came together, the North won, Lord God. And so You are our North Star, O God, and You are going to bring us to victory. And we thank You, and we bless You. And we thank You for the Clay Nash ministry. I thank you for the prophetic voices that have made declarations, accurate declarations over the state of Ohio. And our banner, our banner is You, O God, and we bless Your holy Name. I thank You, Lord God. In Jesus mighty name. Amen.

APRIL FERRIS: And I come in agreement, Father, because we know that the shedding of innocent blood, Father God, defiles our land. And as Ruth has shared, when people are trying to come in from outside the state to bring this initiative, to connect with those within our state, we draw a blood line right now around the state of Ohio that looks like

the shield and the heart. And we say, Father God, and decree in Jesus Name that Ohio has Your heart. Ohio is Your heart. Ohio is the heart of it all, Lord God. And we decree right now that nothing can cross through, over or around our barriers. We create a wall of fire with our intercession around the state of Ohio. We decree and declare right now that the blood of Jesus washes away the sin of the blood that has been shed. Father, we decree they will not get on the ballot. We decree they will not get the vote. We decree that You will shut this down and You will defund them, in the Name of Jesus. Lord, what they are trying to ramp up, what they are trying rob, what they are trying to bring to the table, we say No! Ohio will not be the battle ground for this. We say we push it back to where it came from to the pit of hell right now, in the Name of Jesus, and say you don't have authority to cross over our boundary lines, in Jesus Name. And we say, Father God, that Your will, Your will, Lord God, that you would send Your warring angel against those that are trying to come against us. We say that You will cause confusion in their camps in the Name of Jesus. We decree, Father God, from Your Word that the shedding of blood, the innocent blood of the sons and daughters that these dark practices have defiled the land and their own soul, that through murder and through bloodshed that these sins have made them spiritual adulterers. And so, Lord, we call forth the holy conviction right now of their sins that have defiled this land. And we say, Father God, that the occult cannot tap into that bloodshed. We shut it down now, in the name of the Lord, Jesus Christ. And we cancel your assignment, in Jesus Name. Amen.

CLAY NASH: Alright, April. Thank the two of you for those incredible declarations and decrees, not just over the state of Ohio, but into it. We appreciate so much you being on the call, taking time out of your responsibilities, and we bless you for that.

Jacquie, you've got some declarations and decrees you want to follow up your prophetic word with.

JACQUIE TYRE: Yes sir. I was about to start hacking away a minute ago when I was releasing that word, so thought it best to just do it and get off. So, Father, right now, I thank You for April. I thank You for the power of the intercession across the state of Ohio. I thank You, Father, for the apostolic and prophetic leaders that are all across the state, and I saw those places, Lord, beaming up like bonfires all across the state. And I say, Father, right now, in the Name of Jesus, from place to place to place all across the state of Ohio where the fires of awakening are burning in the hearts of men and women who have sold themselves to You for Kingdom purposes. Let there be lines of igniting all across the state until the entire state is ablaze with Your glory. And I go back into the word You gave me, Father, and I say let that plumb line of alignment drop into Ohio in a new way to expose the hidden works of darkness, to expose those things that have been underneath the surface, that have been fueling the demonic altars, fueling the demonic operation that would even seek to bring in this amendment to the constitution that would be for death and not for life. We say, Lord, let the source, the very source of that power be exposed, and activate those burning ones across the state, the burning ones of intercession, the burning ones of apostolic/prophetic leadership to partner with

the flaming ones of the angelic armies across the state to cause a dismantling of the source, the altar sources that are fueling this agenda against Ohio, and thus against the nation. And Father, I say let there be a strengthening of the men and women, young and old across the state of Ohio, a strengthening of the worship and intercession, a strengthening of the building of the altar of the Lord, that the strength of the altar of the Lord in purity, passion and power would be magnified and accentuated and accelerated to a whole new level. That the weight of Your glory would crush every demonic assignment. That there would be an activation of even across the state of Ohio of believers who have been on the sideline, that they would see the demonic agenda and they would be stirred to action, to rise up, to come out from the sidelines, get in the game. Let their voice be heard. Let their prayers be heard. Let their worship ascend to a whole new level until Ohio is ablaze with the glory of God. Father let awakening, revival, reformation and transformation come into Ohio in a fresh way, Father, that will astound the onlookers and cause every demonic assignment to be pushed back, to be brought to nothing, and that the testimony of Your great grace resound through Ohio and out of Ohio to turn the tide and see Your glory revealed, in the mighty Name of Jesus. Amen.

CLAY NASH: Alright. Thank you, Jacquie. We come in agreement with all of these words, these declarations, the previous intercession that has been over the state. Thank you, Lord for Tim and Carol Sheets there and the hard work they've done for years, and all of the intercessors, all of the watchmen on the wall. Father, we bless them and we do so in Yeshua's Name.

Alright, I'm going to call on Katelyn Cundiff to come on now, and close us in prayer. Katelyn, thank you for being a part of this. I know you serve the Lord there in Middletown with Tim and Carol, and we just want to give you opportunity to close this call out in prayer.

KATELYN CUNDIFF : Thank you, Clay. I do have the opportunity to serve with Pastor Tim and Carol, and I'm actually standing down in our prayer room in Oasis, looking at a map of Ohio that is filled with little prayer torch pins. For years we went around from county to county, setting up 24/7 prayer across this state. And I just think it's really cool what God is continuing to do, and that He is not letting the fire on the altar in the state of Ohio go out. So, I would just like to close it out. And thank you, Clay, for asking. Father, we come to You today and we stand in agreement with every word that has been released over this state. We declare that winds are blowing, that breakthrough is coming, that change is coming. And we are standing on every word that You have spoken over this state for years. I was reading back through prophetic words this week, and there has been so much destiny and prophetic alignment spoken over this state, and we are calling on that today. We know that not a word that You have spoken falls to the ground, and You are not a man that You would lie. So, we thank You for everything that You have released over this state. We stand in alignment with the Ecclesia, that You would continue to raise up warriors that are fighting for what You are fighting for. We stand for life, and we stand for justice, and we ask that You would strengthen us to

move forward in this fight as we head into the election season that Ruth talked about. That we are going to fight the pro-abortionists and stand for life, and no longer allow the shedding of innocent blood in this state. I thank you for the apostolic leaders that are standing for Your word in this state, and we give You all the glory, and all the honor. Thank You for what You are doing and all that is to come, In Jesus name, Amen.

CLAY NASH: Alright. Thank you for that. Good closure to today's call. Let me remind everyone again that this call was recorded, and it will be posted later today on claynash.org. And it also will be transcribed to where you can go there and download it. I want to thank all the hundreds of the people that are on the call that your faithful to all of these calls. You come on. You add your power of agreement. You make your declarations in your home or workplaces. I know a lady she wrote me, she said she takes her lunch break and goes in her car and joins with us; makes declarations and decrees. Thank you for your faithfulness. We've now finished 20 of the 50 states. We'll be beginning next week with Colorado on Monday at 2:22. Tuesday night at 9:00 p.m. eastern time we'll do Iowa. Then on Wednesday, at 2:22 Nebraska. Thursday at 2:22 Kansas. And we'll finish up Friday of next week at 2:22 with Missouri. These calls are building. They are carrying much weight. But they won't carry the significance they need to without those and each of these states, and other states joining with them to declare, to decree and stand in agreement. So, God bless you All.

Remember the Josiah Company Convocation coming up April the 20th to the 22nd. We hope you'll come and be there in Conway, Arkansas. That's very near Little Rock. There's a great airport there. Come and join with us as we battle for this nation, and we put some assembling of people in each state that comes there so that you can meet people that's on this call. God bless you. Thank you, again, everyone that's on it and has been on this call. We appreciate so much, and April, thank you again for working and bringing on such a powerful guest. God bless you all.

APRIL FERRIS: Thank you for having us. Thank you.

PAT MCMANUS: Thank you, Clay. God bless you.

JACQUIE TYRE: God bless you all.

CLAY NASH: Blessings.
