

Prayer Call March 20, 2023 - COLORADO

Clay Nash: Alright! Good day. It's a Monday of another great week. We've now covered twenty states as we go through all fifty states praying, declaring, and decreeing. Today is going to be a great call. We've got some great hosts on. I appreciate everybody that is joining us for this call. Remember that each call is recorded and then posted on the website claynash.org and then we also transcribe each call. We put it there where you can get a hold of that file and you can download it, you can share it with your prayer groups, you can share it out with others. And as Paul instructed us in God's word, you can war a good warfare with these words that are being spoken, these declarations and these decrees. And so, remember coming up in April we're hosting a Josiah Company Convocation in Conway, Arkansas, very near Little Rock. And you can go to the website and find there how to register for it and also there we have blocks of rooms at hotels. You can make your room there. We're excited to have many of the host who's on this call on a faithful consistent basis that will be there as we gather. The Josiah Company Convocation is going to be about connecting people in states so if you are from the state of Colorado and you come in there and there's others from Colorado, we're going to make sure that you can connect because what we want to do is strengthen the prayer base across each and every state. So keep that in mind.

I'm going to begin today's call with reading a prophetic word that came to me this morning for the state of Colorado and then I'm going to call on Jacquie Tyre. I think she's got something to release. And then we'll move into some of our guest that we've asked to be on today.

But this is what the Lord said to me earlier today: "Colorado, a treasure in my nation. I would say unto the people of Colorado that truly the assignment against you has sought to board you up as a wall against My presence. But I say unto the people of Colorado that as you break through the wall that darkness seeks to build, I truly will reveal My treasure that has been hidden far too long. I will say, the wind of My revealing is coming to blow and blow. It shall increase over the next nine months. This wind will blow over all that man has set up there and cause that which is of Me to be planted fresh and new for I have had the wineskin in Colorado that had become old soaking and I have been massaging in My oil. You are now ready for the New Wine that is to be released, says the Lord. For red you have been called but blue you have become. I would say, My wind and spirit is about to blow the blues away and I the Lord God will soak you in My blood causing the true red of the universe to come and saturate you through and through." Father, we come in agreement with words that were spoken back in The Fifty State Tour by Chuck Pierce and Dutch Sheets and others that were part of that there in Colorado. But Father, we take these 'present day words' and we come into agreement with that. We declare that that which has become blue, the blues will be blown away. And Father we thank You that righteous conservative, God fearing, life loving pro-life people will rise up in the state of Colorado. And they will make their stand, their voices will not be silenced and we declare that the authority that they carry throughout this state will become Your roar, the roar of the Lion of Judah there in Colorado. But Father we just release these words to come to pass. We declare that You're doing there as

You are everywhere exceedingly, abundantly, above anything that we can think or ask. And so Father, we bless You. We bless You! We bless You! And we bless Colorado! We declare outbreaks of Your presence, outbreaks of Your manifestation, outbreaks of Your conviction causing many hearts to be turned to You and the people washed in the Blood of the Lamb. Do this in Yeshuas' Name. Amen.
Jacquie, what do you have?

Jacquie Tyre: Well Clay, I was taken back to a vision I had out of Colorado a number of years ago, maybe fifteen plus years ago, maybe as many as eighteen years ago. And out of Colorado I saw a geyser burst forth and the streams of that geyser flush across the nation to the north, the south, the east and the west. And I was just meditating on that vision and how we really had not seen that come to pass. And then I heard Holy Spirit say, "Colorado, in days gone by, you missed a moment of visitation and fullness to impact the nation by the Glory of the Lord gushing out of you and flowing across the land. But witchcraft trafficking upon the waves of religion came in and overtook what I had intended. However, in these days, there is a holy, righteous, faithful, and tenacious remnant that is laying hold at the hem of My garment. And I have purposed to heal and restore that which has been lost in days gone by and you shall step into the rebirth of that which I have intended. Indeed, a gusher of My presence and My glory shall break forth in response to My remnant."

So Father, right now in the Name of Jesus, first of all for where we as the Church, as religious people allowed witchcraft in, even those not just in Colorado but God those across the nation that we did not rightly perceive or respond, we ask for Your forgiveness. We ask for the cleansing of the land. Lord, as a Georgian, I come in to an agreement with a righteous remnant in Colorado that has been repenting, that has been pressing in to seek You day and night for the manifestation of Your glory in their state. And we say, Father, hear the cries of repentance. Hear and see the turning and going in a new way of Your remnant in Colorado. And I come into agreement Father, with Your word and with Your people in Colorado that a fresh new day of Your glory is birthing across Colorado. And there is a movement in Colorado that will restore those things that have been lost, stolen, and forsaken. Those things that were allowed to be taken captive. That it is indeed a day of restoration and recovery of all. And I say, Father, let Holy Spirit hover over Colorado. Let the beauty that is seen in the natural be overtaken by the Glory that is seen of Your presence and Your manifestation of Your goodness, Your mercy, Your kindness, and Your truth. Let everything that has risen up against You oh God, be overturned and let the Kingdom of God arise across Colorado crushing every operation of witchcraft. And let the name of the Lord Jesus Christ be resounding across the mountains and gushing across the nation in the mighty Name of Jesus. Amen.

Clay Nash: Alright Jackie, thank you. Strong start today with these prophetic words and these declarations for the state of Colorado and we just bless you. We come in agreement with these declarations, and we're excited about the fact that there is a change taking place there. Terri Brown, thank you for being on the call. Just release those things that are in your heart.

Terri Brown: Thank you Clay for the invitation.

Lord, we just thank You so much for the opportunity to pray for Colorado with those all across our land. Lord, we thank You for the love that You've given us for our state. And Lord, we thank You that You're doing a good work here. Lord, I pray for that righteous remnant that they would continue to stand firm, that they would continue to war, that they would continue to see what You're doing in our state, Lord. Lord, we thank You for the south African prophets that came in November and declared: "The ark of His presence is coming back." Lord, we thank You. Lord, we thank You as Jackie said we may have missed it Lord, the first time around but Lord, we thank You for Your mercy and Your grace that says, "I'm doing it again." And so Lord, we humble ourselves as a state and we say, Lord do a work in our state so we're ready to receive the Ark of Your Presence into our state. We declare a spirit of humility resting on our state, spirit of oneness resting on our state. Father God, we thank You that You are uprooting. We just declare an uprooting of the political religious spirit out of our state government and out of our churches, Lord. So that we are ready to receive what You are trying to do. We thank You that You are exposing evil in every realm. We declare an uncovering of things that are hidden all across our state. Things that are hidden if not uprooted would cause damage. So thank You Lord that You are showing us where to decree and declare those uprootings all over our state. Lord, we declare an end of "personal kingdom building". We declare an ending of that in churches, in businesses, in banks, in governments. Father God, we thank You that Your Kingdom is coming and Your will is being done across this state Lord, from the prairies and up into the mountain cities. Lord, we thank You that You have Your remnant positioned all over this state ready to respond to Your decrees and Your declarations of what You're doing in our state. And we thank You for it in Jesus Name.

Clay Nash: Alright Terri, thank you for that. We come in agreement with those declarations and we're so thankful there Terri that you are certainly boots on the ground, married to that state and that carries quiet a burden and mandate for it. So thank you for being on.

I want to introduce now someone that I just met by phone last week. We have Dave Williams on with us and Dave is the newly elected Republican Committee leader, loves God. I've got some great friends out there that have met him. They just speak so well. Not only of him as a man of God but also of the changes that he desires to see come in the state of Colorado. So Dave, good to have you on. Just release those things that's in your heart that we need to know about Colorado or pray or whatever that's in your heart.

Colorado GOP Committee Leader, Dave Williams: Absolutely, thank you for having me on. And I got to tell you from your word and the other words that I go further, those are good things. They certainly give hope and you know for the longest of times Colorado, especially righteous godly people who want a good and prosperous land ... there's been a lack of hope and my heart to yours and everyone else's is that we do turn

things around. Not for the glory of man or anyone else but for the glory of the Lord in accordance with His will.

For the longest time the Republican party, to which I was elected, has kind of turned it's back on the things that you and I would care about that are based in scripture. My heart, my desire is for the Republican Party to return into alignment with God. The truth is we're not going to see victory, we're not going to see success or righteousness in the land without coming in alignment with the Lord and His Spirit. And so that's my prayer and that's my ask. As the head of the Colorado Republican Party, I want to make sure that our renovation is dedicated to the Lord and that we have come under His covering and His alignment. And that any decisions that we make on behalf of the people that we wish to serve are in total line and total agreement with scripture and whatever the will of the Lord may be. And so I would certainly ask everyone on this call and anyone that you know to help us be a party of prayer. There are a lot of good people here, a righteous remnant. That's already been discussed. That are really trying to get us back to what I think the Lord wants us to. For what it's worth on behalf of the Party I certainly repent. I know that our party hasn't done the things that the Lord would have us do but it's a new day and with my election I'm committed to making sure that it's His way, not our way. So that's sort of my update. And I would just as a quick little prayer for everyone here and my declaration is, Lord Jesus, the Party is Yours. As it's duly elected representative, I come in alignment with You. This is Your Party and we are Your instrument and we are here to serve You and preform Your will and walk in Your ways, not for the glory of any one candidate or anyone man but for Your glory so that others may know that You are Christ and that You are their Savior and that they have that opportunity to accept You into their heart so that they may spend eternity with You.

Clay Nash: Alright, we thank you for taking time. I know your schedule has to be very busy but we appreciate you honoring this call, honoring the state of Colorado and coming on and releasing to us. And Father, we thank You that even as this man of God is newly elected to this place of leadership, Lord even as his first name David ... David in Your Word Lord, was a man whose heart was after God. And Father, we thank You that we hear from his words and his prayer, the man whose heart is after You. And so Father, we just declare that with his election into this committee leader, leading the Republican party there in Colorado, it is a step in the turning of that which has become an old wine skin into a new wineskin so You can release the New Wine into those that have a heart for God, those that have a stand for righteousness and we just declare over this man of God. We declare Father, give him great mega grace, an empowering that is supernatural to hear Your direction Lord but to find those that will come into the power of agreement with him and cause his leadership to be not just a turning point but a major tipping point of life, life, life filling the hearts of people in Colorado. And as You have spoken Lord through a prophetic word, let the Blues be blown away and let the Red of the Blood of Yeshua come and saturate the people of this state. We thank You for this now in Yeshuas' Name.

Anne Tate, there in Texas, what's in your heart?

Anne Tate: Will Clay, I want to mirror some of the things that were said here and also press into the voice of authority that Colorado is born to access and to walk in. Because the Air Force Academy is in Colorado Springs. And so Colorado was called to rule the airways and so a lot of the static in the airways over Colorado Springs is ruling. And we say, Lord, that this is a season when the Remnant is going to get themselves to the high places of God. They're going to get themselves into the Heavenlies with the Lord Jesus Christ where they're seated beside Him in Heavenly places and begin to hear what the Lord's desire is and that they will stop thinking about what they are able to do or what it seems like they're able to do or what in the past they've been unable to do. And this is a day where they're going to begin to hear what the Lord says they're able to do and they're going to decree with authority because they know how authority works. And Lord, we say over the Republican Party, there's a new sheriff in town. There's a new authority over the Republican Party and we say Lord, that this man with the heart of David will move fearlessly. He will speak without fear. He'll be measured, he'll have wisdom, he'll hear God and he will say what the Lord says to him. I say Lord that in Colorado there is going to be a new release of the Spirit realm where tongues are spoken, where people are filled with the Holy Ghost in Colorado Springs and in the rest of Colorado. I say Lord that there'll be no more entertaining a powerless Church but they will begin to rock' n' roll through that state by the Spirit of God as He calls the young ones and the old ones and all the in between ones to hear Him and obey in the Name of Jesus. Amen.

Clay Nash: Amen Anne. We come in agreement with those words of declaration and decree.

I just want to throw this in before I call on David Hertel. About three years ago - I can go back and look it up - I had a very significant dream that had Colorado Springs in it. Dutch Sheets, who used to live there, asked me if I could meet him there. He took me inside a mountain there in Colorado Springs, on the outskirts of Colorado Springs, and he showed me there in that mountain and asked me - there was resources for seven cities in the nation. In the dream they were actually called "Sanctuary Cities". But don't get that mixed up with what the woke people are doing. They were Sanctuary Cities as in the Bible sanctuary city, and he told me, there's thirty one truck loads. Can you arrange to have this - these resources be distributed to these seven cities. The cities did not come out in the dream. He said it was not quiet time to shift them. Could I leave there and arrange for it. And let me just tell you the significance also on the number "thirty one". The number "thirty one" is the word "El" like El Shaddai. It's a word for God. And it's also very interesting that in God's Word the word "Eagle" and the word "Liberty" are in - each one is in God's Word thirty one times. And so, I'm just telling you, when it was said about the "air superiority" or the "air ways", that was so strong. It brought up that dream. I release that out to those on the call today. We need to pray into this because Colorado Springs has resources to release. Of course the number seven, the seven cities, whether they're actual cities or God just speaking of covenant, the word "seven it" in Jewish weddings. The bride and the groom say their vows to each other seven times and so this is all significant.

David Hertel, there in Mississippi, what's in your heart?

David Hertel: Yes sir. Just agreeing with the prophetic words and declarations over Colorado and in Jesus Name we call Colorado back to it's calling in Christ. And we claim Colorado for the Kingdom of God. And standing on the mercy of God, we declare Romans 8:28 that He is working all things together for good for those who love God and are called according to His purpose and His work in there. For on behalf of the Remnant that are salt and seasoning in this state so that it's setbacks are becoming it's set ups for His glory and it's failures or falls closer to the cross of Christ so that the shadow of it's influence is every increasing over the direction and the redirecting of Colorado to function and to fulfil it's calling in Jesus Name. We declare so it begins even and it has begun and has been working. And so Lord, we just thank You, Lord, that we'll see fulfilling of this word and the words declared today happening in Colorado. And we give You all the glory for it, Lord. In Jesus Name. Amen.

Clay Nash: All right David, we come in agreement with that. Pat, what's in your heart?

Pat McManus: Thank you sir for the opportunity with everyone to be with everyone and what they said. We come into agreement as one declaring over Colorado, the Kingdom of God is here. And as I was preparing for the call, I kept hearing this word, "restore". In Amos chapter 9:11, it says, "On that day, I will raise up the Tabernacle of David which has fallen down and I will repair its damages. I will raise up Israel and rebuild it as in the days of old." So I'm going to decree what I wrote: The place of restoration is coming to you. The wells of refreshing are blowing, the winds of change are coming, the times of shaking of the ungodly structures is beginning in this time. The dismantling of the old systems is coming forth in the Name of the Lord." Father, we thank You that You are setting this state for a greater awakening of the movement of God in the state of Colorado. Father, I declare as an Air Force man declaring into Colorado, we seize Your inheritance that God has called you to function in as an heir of the glory and expression of the heart of the Father. We thank You Father, that You are realigning Colorado into a clear understanding of the full expression of Kingdom authority. Father, we declare, let the Angelic host be released with authority and power to dismantle all that needs to be done and to help the Ekklesia to advance with the sword of the Lord. Father, we declare, let the Issachar anointing come upon those that have an ear to hear and walk effectively in the fullness and the promise of Your Word. So we thank You Father that You are restoring the Tabernacle of David in the territory that needs to see the full expression of Kingdom authority in that land. We thank You Father that You are putting in place the winds of change that will truly blow away the ungodly and empower the Ekklesia to advance. We thank You Father. Put a fire of God to ignite the hearts of people and the shaking that's coming to dismantle every ungodly system. So Father, we give You honor, we give You praise, and we give You glory fo the fullness of Your hand and the purpose of Your Word to be upon Colorado this day in Jesus Name. Amen and amen.

Clay Nash: Alright Pat. We thank you for that. We add our agreement to it. I don't know if I said on the call we have hundreds and hundreds of callers that come on daily. You

add your power of agreement. You make your declarations and decrees there at your home or business or prayer closet, wherever that you are, we are so thankful for you coming on.

In the book of Ecclesiastes chapter ten, there's a scripture that says that if you break the law, a serpent will bite you. And out of that prophetic word at the beginning that I released, it talked about Colorado being walled up as a treasure. But think of this, if you break through a wall you might be bit by a serpent but you might discover a treasure. And God said back in 2003, I think it was, October the 9th, 2003 or 2004, whichever one it was. He said during the Fifty State Tour that Colorado was His treasure to the nation. And so I just want to set the hearts of those on this call to set your heart of faith so that treasure that has been walled up by pro-death people, walled up by liberal thinking, walled up by those that want to snuff out God's Church, that there is a wall to be broken through and treasure to be discovered.

Do any of the hosts have anything stirring that you want to release now? If not, I'm going to call on Amy Everett to close us out with some declarations and decrees and a closing prayer. Anybody that's already been on have anything else? Alright, your silence is golden. Good to have Amy Everett. She is one of the leaders with Colorado Prays. I was introduced to her by some very very good friends of mine out in Colorado. Amy, thank you for being on. Thank you for taking time out of I'm sure a busy schedule and so I just want to release you to release those things that's in your heart. Amy are you with us? Is your phone muted?

Amy Everett: Oh, I was muted. I'm sorry. I just thank you for the privilege of being on this call and to speak on behalf of Colorado and thank you so much for interceding for our state. Every state needs prayer and Colorado is one of those that needs it. The most in our eyes because we are here locally. I also want to encourage the rest of you that we have nonstop day and night prayer here in the state of Colorado. There are over fifty churches that are on the wall of prayer believing for breakthrough for what you have been praying and decreeing here. And so, we join with what you have decreed. I also wanted to bring an encouragement and a confirmation to what was released earlier of the flames, of the glory of God erupting across Colorado. That has been seen time and time again. So I pray in agreement and I decree that the prophesied can fire eruptions of God's glory in every Colorado community now ignite and connect state wide to implode this entire state for the glory of God. Thank You, Jesus. And in that I decree again where we missed the opportunity the first time, we decree in the Name of Jesus that the Ekklesia of Colorado now reset and reestablish His covenant with the one true God to declare Jesus as King of this state in every home in the state of Colorado. We call forth that righteousness that every Colorado family now cloth themselves with the righteousness of God as we chose to dwell together in unity. And I thank You Lord, for the greater unity that is happening amongst pastors across the range of Colorado and I thank You and praise You Lord, for the signs, wonders, and miracles that are breaking out in Grand Junction, Colorado where blind eyes are being opened and the lame are walking. I thank You, Jesus that You are manifesting. And I decree in the Name of Jesus that Colorado is the Shofar of the Lord that releases the winds of God to the

nations. As someone before talked about wind coming out of Colorado - that's one of the decrees that we have been making over this state. And I decree that the rivers of Colorado now carry the presence of God and His anointing to fulfill the destiny of every surrounding state and every place the rivers of Colorado touch. I thank You Jesus Lord. And I stand in agreement that everything that has been prayed here is to be completed. That the Angels on assignment are now released to accomplish everything that has been spoken here today. I thank You, Jesus. I praise You, Lord God, amen and amen.

Clay Nash: Alright Amy. Thank you for being on. We're honored that you would take time. We come in agreement with those declarations. Let the Fire of God, the Wind of God, and the Spirit of God be poured out over that complete state from the north to the south, to the east to the west. And we thank You Father for Colorado's place in leading and directing the nation and we call it forth today. We declare that it will come forth in Yeshuas' Name.

Remember today's call has been recorded. It will be posted later this afternoon on my website claynash.org. Also someone will start very soon transcribing this complete call. It will be posted there as well. We do this on every state. Today Colorado is the twenty-first state that we've covered. We covered twenty last week. We will covering tomorrow on the call Iowa. After that tomorrow night at 9pm eastern time. We do not do a 2:22 call on Tuesday's. Then on Wednesday at 2:22 eastern time Nebraska, then on Thursday on 2:22 eastern time Kansas and then we'll finish up on 2:22 eastern time on Friday the state of Missouri. And then we'll go into five more next week. So tune in, join with us. Add your power of agreement. Make your declarations and decrees. And don't forget about the Josiah Company Convocation that's coming up. You might say, "Why do I use the word "convocation"?" Convocation is and Angelized word for the word "Ekklesia". And so eagles don't gather in a flock, they gather in a "convocation". And so I chose to use that as I was in prayer and we're going to be gathering April the 20th through the 22. We hope you will plan to travel to Little Rock, Arkansas and drive up to Conway and be a part of that. It's going to be a key time for our nation. We'll be praying over all fifty states again there. It would be great if we could get every state and have them there with it. But whether the states are represented by people that are boots on the ground, we are going to pray over all fifty states while we're there. God bless you. I want to thank our guest. Terri, thank you for being on. Dave, thank you for being on. Amy, thank you for being on. And of course to the host who have been a part of this call - I mean some of you have been on here for the five years that I have been on here but to all of you, thank you for your commitment and your sacrifice of your times of responsibility to be on this call five times a week. Bless you.
