

Prayer Call March 28, 2023 – Washington

Clay Nash: Well, good evening everyone. It's 9 pm Eastern time; it's Tuesday night. We're on the call tonight for Washington State. It'll be a great call. Just a few things to share here: First tomorrow at 2:22 to tomorrow through Friday. Tomorrow, we'll be praying for the state of Oregon. Thursday at 2:22 Eastern time, state of New York, and then on Friday we're going to finish up with California at 2:22 Eastern time. For everybody's who's listening, we've had a lot of people calling in all day, new to the call, I'm sure because of Dutch's Give Him 15 post. If you're on the call tonight, thank you for being a part, but the calls are Monday at 2:22 Eastern time, Tuesday's at 9 pm Eastern time, and Wednesday, Thursday, Friday at 2:22 Eastern time. So we appreciate your interest in the call. We appreciate so much mentioning, not only this prayer call as we go through all 50 states. So the Josiah Company Convocation is coming up April 20-22. Hope that you'll make plans to join us in Conway, Arkansas. Let me share this, I'll probably mention it again. It is actually, we put out it's the Eagle's Nook. That name is a recent change. It's the Church of God [unclear] campus. I know we've received lots of emails today. People trying to see where it is. It's 10 minutes from Interstate 40 at Conway on Hwy 64 Business. Those who register will be getting detailed directions to it. It's easy to find; a grown modern facility and we're working to find everything. This is a new facility. We're going to provide that as a digital. This is a new facility. Give us just a little bit of time. My staff is just a few and we've working our fingers to the bone to try and cover all bases. Remember that every call we do over the 50 states is recorded. It is then put on the website: claynash.org. And it's also transcribed. The recordings go up shortly after the calls, but sometimes it takes a little time on the transcription. All the recordings are up and you can go there if you are new to the call. I suggest that you go to website to Claynash.org and you sign up for our email. Every Monday morning, when you wake up it will be in your inbox everything that is needed. The last thing is we're going to jump into Pat. He's got a prophetic word for Washington. This coming Sunday night during our livestream at 5:55 moved to 9pm Central time. That's makes it little for the days when I'm traveling to get back in. This Sunday, I have a 5 hour drive after I finish ministering in Mississippi to get back in to where I like. We're going to be praying for people this coming Sunday night. And we're also going to be releasing words of knowledge, words of prophecy. So it's going to be a good call tonight. I'm excited about it. We've got some good guests that's going to be on. I appreciate Jacquie Tyre and Anne Tate working so diligently with me to make sure that we got people on the call. So Pat you've got a prophetic word. Release what's in your heart.

Pat McManus: Thank you sir. It's just an honor to be with everyone tonight. I just want to declare this. It's actually in Ezekiel 37 verse 9. But it says, the wind of the spirit is about to blow. I'm causing the mountain of resistance to move. I'm igniting my army and the sound of advancement is being heard. Get ready to advance in the sound of my hand and reclaim the land. Father we thank you that you are releasing a sound that is truly is igniting the hearts of your people that

the wind of the spirit is blowing to advance the army of God and the mountains of resistance to be moved. We thank you Father for the sound that truly is igniting the advancing army to see the fulfillment of your word. The power of your name and the expression of your heart made known in Washington State. We thank you Father for it, in Jesus name. Amen.

Clay Nash: Alright Pat, strong word to begin with. We come in agreement. Made me think of something. Years ago, probably back in the late 90's, could have been the early 2000s. I prophesied a word in the state of Washington that shifts happen. More to the word. I flew out of there on a red-eye flight and the next day an earthquake hit, and there in Tacoma one of the government things there. I believe Washington state is shifting. It's not noticeable yet. Coming to a folly [unclear]. I declare that things that can be shaken are being shaken there. I declare awakening is happening across the state of Washington. I declare and decree that this awakening is going to bring about strong reformation and even it will step into a transformation for the state of Washington. Father we just release these words and come in agreement with that with your will being done there. In Yeshua's name. Regina, you have also have a word. What's in your heart?

Regina Shank: Yes, I do. Thank you so much, Clay, for allowing us to give these words publically and on this phone call. I began to pray for Washington and I saw logs on a truck. I know it's a great logging place. I heard the Lord, say. I have logged your prayers in my book, Washington. You have filled page after page with fervent, heart-felt prayers. But chains of doubt have held them together on the truck. I have sent the key to unlock the substance of your intercession. It is time to stack the logs that will begin to build a corporate house of my glory in the state of Washington. Come together, unify, prophesy; do not vilify. I will justify. Come together ekklesia. Then I began to hear Psalm 42. And we know that Washington was the 42nd state to come into the nation. At the beginning of it, it says 'As the deer longs for streams of water, so I long for you, O God.' And I heard the Lord say, that the intercessors are crying out, and crying out and thirsting for God, the living God. The enemies have come to taunt them and say that God is never going to do this. The Lord is saying I am going to do it. I am sending you that key that is the key of unity to come together for His purposes because there has been division among the churches. Division in the vision. The Lord says I'm beginning to bring you together for my purposes, so do not be discouraged. I will unify as you prophesy, and cease to vilify and then I will I will justify and bring you together for my purposes.

Clay Nash: Alright, Regina. We come in agreement. Any of the hosts have a prophetic word that needs to be released right now? If not, I want to release it over to Anne Tate. She's been working with the other guests that will be on.

Jacque Tyre: Clay,

Clay Nash: Anyone have a word? Go ahead.

Jacque Tyre: This is Jacque, I do,

Clay Nash: OK

Jacque Tyre: I was turning in after teaching a class, but I did have a word the Lord gave me, so I want to release this over Washington. I heard the Lord say, Washington, long under siege and caught in the narrow place with troubles on your left and troubles on your right, fears before you and disappointments behind. While many have shrunk back and others have abandoned ship, I see a faithful remnant keeping the fires on the altar burning night and day, day and night. And, I would say to you this day that reinforcements are riding in to strengthen and fortify your troops in the midst of the battle. For the sound of your faith-filled intercession and the decrees you have made even in the midst of darkness, trials and tribulations have been heard. The reinforcements are gathering and mounting into position to come into the land to push back the darkness, expose the hidden things, and cause even those things done in back-rooms to be brought out into the light.

Watch and see as I bring into full exposure those back room deals that have caused

this land to be held captive and even sold into the hands of those who have purposed

to destroy what I intend to restore. For the enemy has overplayed his hand and misjudged the power of My covenant and My purposes for this land known as Washington. For generation upon generation I have watched over this land and looked to hear and see the movement of the righteous rising across this land, and now I see and now I shall move to fulfill that for which I have intended from the beginning.

Watch and see the exposures, as painful as they will be, give way to healing and restoration. Be careful to not shrink back from the battle at the gates as the covers are

pulled back and the hidden works of darkness are exposed, for this is necessary for the

healing and restoration to come forth in the days ahead. Washington shall display My glory and reveal the power of My grace to many who have thought that such a thing could not be. Watch and see as I do exceedingly, abundantly above what you could ask, think or imagine, for this is My delight. Says the Lord. Father, we say let reinforcements come into Washington State. Let the angel armies be dispatched even now. Let even those who have been hidden and watching come to an awakening, and an alerting. Even now, to press out what you have been pressing in for Washington State. We say, let the glory arise, let the darkness push back. Lord, I speak strengthening to the saints of God across Washington, that even as the exposures come they will stand steadfast, immovable, and always abounding in the grace of God. They will hold the line and they will behold the salvation of the Lord rise across the state and see your glory revealed and your kingdom advanced. In the mighty name of Jesus. Amen.

Clay Nash: Alright Jacquie, great word for that state. Alright, Timothy, there in Shreveport Louisiana. You've got something. Release it.

Timothy Carscaden: Thank you Clay and all those praying especially those in Washington tonight. We just lift them up to the Lord. Just really a stirring for the state. The first thing I heard was Joel chapter 3, about Washington being in Valley of Decision. The Lord said that you don't have to wait for your weapons. The Lord said take what's in your hand, it will become a weapon for the ekklesia.. I just felt that was a key word for the ekklesia. That was the first thing that I saw. Then the Lord said to me the Lord's mercy is still crying out for state of Washington. The Lord says this, He says "Subtle small acts of the eklesia are extending the grace for Washington to have hope for it's future. Do not accept defeat for the Lord, the dread champion, will be heard from in Washington. Then I heard Proverbs 17:15. I saw these court cases and all these decrees that have been done by the enemy's court in Washington. The Lord said to decree Proverbs 17:15. The Lord detests the acquitting of the guilty and the condemning of the innocent.' He says that all cases have been seen. The Lord looks down from heaven, he sees all the sons of men. He fashions the hearts of them all, and He understands all their works. Psalms 33. Then I saw in a vision, the southeast part of the state. The Lord said the southeast part of the state will be a well of hope as my people who have been in the secret place with my words will come out with my words to deal with the wicked and strengthen the righteous. Then I saw this, William Wilberforce, I just saw his name written over the state. The Lord said the wittiness of William Wilberforce anointing is being offered to key political leaders to face those who have legislated evil in the state of Washington. It was their time to arise and shine for the light of the glory will fall upon them for the deep darkness that has tried to overcome the state. I just want to pray into those key things the Lord showed me. First of all, the ekklesia would take whatever is in their hands and let it be a weapon for this moment in the Valley of Decision they are in. Lord we give you thanks your mercy endures forever and your mercy is enduring over Washington. Faithful to do what they have been calling on to do. Strengthen the weary and those who are losing hope. We just speak life. We thank you Lord, that the dread champion, our Savior, is coming upon that state. All these false decrees; where they have accused the innocent and they have acquitted the guilty, we declare and we decree tonight that heaven has seen this and heaven will respond. I decree that the southeast part of the state, that people will rise up right now and have words of truth, Father and words of hope for both the weak and those who need to strengthened now. I decree that the anointing that William Wilberforce had in abolishing slavery in England with his wittiness in legislation will fall upon key leaders within Washington. That they. Lord, will be to deal with the legislation issues the devil has tried to put upon them. We thank you that this is Washington's moment to make a right decision that will let them come out of a valley and let them walk in a new place. I ask as the mountains and a valley being lifted up. I there will be some natural signs in the spirit. There will be some

natural moves in the spirit. Clay was talking about some things he saw when he was there. I saw those same things happening again. Watch the shakings and watch the movements within Washington. It will be a sign that these words are moving forward the state. In the name of Jesus we declare that. Amen and amen. Thank you, Clay.

Clay Nash: Thank you, Timothy. We're all doing great tonight. Crazy strong words. Let me remind everyone, tomorrow we'll be praying for Oregon; a state that needs a shaking, a shifting, hearts being rendered over to the righteous and life. On Thursday will be praying for New York, certainly needs some declarations and decrees there. And then we'll be on California on Friday. Those Wednesday, Thursday, and Friday are at 2:22 Eastern time. I'm just beseeching the hosts that are with me all the time, as has happened tonight for Washington state. Let's just press in. Hear from heaven and release those prophetic words. Anne, thank you so much, not just for being on the call, but working so hard to make this call carry the significance; getting the key people you're getting to come on. Who work with you, but I'm going to turn over to you now. I'll let you run with these guests that you've been part of getting on the call tonight.

Anne Tate: Thank you Clay. It's my pleasure. Tonight, Deborah Gaine, is going to begin. She is part of the SPAN leadership. She is the leader for Washington state. She's been instrumental; we've worked together, and she's got some great people to come on. So, I'm going to introduce Deborah and she'll come on the call, and then she's finished declaring and decreeing then she'll bring the next person on. We're looking forward to hearing from Deborah; she's experienced in the spirit and bold as she moves about Washington State shifting altars and bringing forth for the Kingdom of God. So Deborah, are you on with us?

Deborah Gaine: Can you hear me now?

Anne Tate: Yes, yes Deborah.

Deborah Gaine: Ok. Thank you, at first I just want to thank you for allowing us to come on, and Clay Nash for allowing us to come on. Just to decree over our state in unity with other across the nation. We just honor you tonight and thank you for that and for what you carry. I would like to start out with a word that the Lord gave me and just sharing this. It's been about six months ago. It was over Seattle. He began to prophesy through me, concerning Seattle and that it would be a sign and wonder to the world. We were in a Puget Sound prayer leaders meeting when the Lord began to prophesy: "Where she has been recognized across the world for having a rebellious and a defiant spirit, the Lord says that she will be a sign and a wonder. That she shall be known for her turnaround. Where she was known for lawlessness, she shall be known for peace and righteousness. The world will stand in awe of what the Lord has done. So we

continue to speak that and decree that over Seattle, here in this state. Obviously most of us experienced what went on a couple of years ago, in the lawlessness. God is turning things. I would like to just start out with a word that the Lord had given me as I just decree and just for your agreement in this. The Lord says over this state. The Spirit of the Lord says I am building new altars of worship and praise across my beloved state of Washington. He said a new sound is coming. The sound of death and cursing has heard. A worship rumble is beginning to resonate in the atmosphere. A new righteous incense is beginning to arise to the heavens and the bowls of prayers are beginning to tip. The sound is creating a shaking and a tearing down of demonic altars that have been built and preserved by the celebration of darkness. The Lord says I say now there is a sound of new voices that I have prepared, equipped and raised up for this time. This hour in my beautiful regal state of Washington, you shall arise. The voices shall arise. You are full of majesty and full of glory, which has been dimmed by the raging of the occult. But I have not forgotten you. You are still my whirlwind state. And I decree, Nahum 1 and 3 that the power and might of Yahweh is coming in the whirlwind. There is a new wind that is beginning to blow with a roar of my established sound of Judah. This is beginning to release my roar and resurrection breath. Dry bones shall arise, they shall live. My army of sound carriers shall march through this land and release the sound of the trumpet of God. I say over my state of Washington, you are a trumpet of my voice from Washington to Washington. I'm calling you now to arise. Rise up and take your place. I speak to your DNA, where curses have been spoken against you because you have been a pioneer and a forerunner and maverick that has not been understood. But I say to you now, stand up. Be counted for righteousness and shake off the traumas of the past. Be aligned by the very power of my very breath. I say come home my wandering child. You will hear my voice! You will respond as the worship in the wind arises to shift you into the new. I decree now, RESET. I say RESET. DNA RESET. I say it is time. I say there will be a blast from the past; the sound of revival is being resurrected from deep within that will merge with the new sound of Judah. To Washington state, I say your spiritual roots and wells of the Holy Spirit are beginning to erupt with the sound and assignment placed within your soil since before the beginning of time. I say it again. RESET, RESET! I shall sever the 3-strand cord that the Lord says of the demonic cord between Washington, Oregon and California. Your demonic agenda of control will be broken. Washington, your destiny will be determined by other states. I am breaking and severing the West Coast demonic coalition. There shall be freedom from coast to coast, and my glory shall cover your land. So I say, sails arise! Catch the new wind of Holy Spirit, and shift your course now. Shift your course now. You are turning and you are returning to my heartbeat says the Lord. Now as a representative of the ekklesia of Washington State and the gatekeepers and a watchman on the wall for this region and as a Deborah of today, I decree Ezekiel 37:1-10. Then he said to me prophesy to these dry bones and say to them, "Dry bones hear the word of the Lord. This is what the sovereign Lord says to these bones." "Washington state, I will make breath enter you and will come to life. Come alive! In the mighty name of

Jesus. Amen! Thank you Father. So now I'm going to call on Amber Cantu?. She is a mighty prayer warrior, as she's unmuting herself. She's a watchman, she's an apostolic prophetic voice on the wall for the state of Washington. She is First Nations, and she is the 6th generation granddaughter of Chief Seattle. She carries great authority in the spirit realm over our state and the territory. Amber, are you there?

Amber Cantu: I'm here.

Deborah Gaine: Alright, go girl.

Amber Cantu: Alright. Thank you so much. It's an honor to be on this call today agreeing for our beautiful, great state. This is what the word of God says in 2nd Chronicles 7:14 over our our great state: "If my people who are called by my name will humble themselves and pray, and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sin and I will heal their land. Father I thank you, Lord Father God, we have indeed humbled ourselves before the throne of grace. I thank you Father God, Lord that we have sought your face and we will continue Father God, seeking the face of the living God for our great state Lord. That you Father God, Hallelujah, have and will come in and heal the land and the people. And we thank you and we praise you Father God, Hallelujah. Father your living word is activated, Father God, from coast to coast. We thank you Lord God, Hallelujah. I come into full agreement, Lord God. Arise and shine for your light has come and the glory the Lord come upon you Washington State. Hallelujah! You arise to your destiny! You arise to mandate ... [speaker goes silent]

Clay Nash: Anne did we lose her?

Anne Tate: I think we did, Clay.

Clay Nash: Okay, we can shift someone else. [unclear] someone else you have lined up?

Anne Tate: Deborah?

Amber Cantu: Somehow I got disconnected.

Anne Tate: Ok, here she is back.

Clay Nash: OK

Amber Cantu: Somehow, I got disconnected. Sorry guys.

Anne Tate: It's ok.

Amber Cantu: Alright, Hallelujah, Lord we thank you and we praise you for every word you proclaimed for our great state. We thank you Father for everything God. Hallelujah, that Lord God You have pre-or-destined for our great state. We praise you and we thank you King Jesus. We come into Father alignment with heaven and we rightful place Father God is ambassador here to legislate for Hallelujah heaven here on earth in our great state. We give you honor glory and praise for what you are doing in, through and out, Father God Washington State and the people you have called here, Father God, with a mandate on their lives, Father God, to proclaim the good news of Jesus Christ. Father, we thank you and we praise you. Your things are rising up ,Father God. I thank you Father that there is an influx. Father God, Hallelujah, of new converts daily coming to know the hope of glory King Jesus. We thank you Lord, God that Seattle, Hallelujah, Father God, Washington is alive! Hallelujah for our King. We are awakening! We are awakening! The dead men and women, Father, are awakening! There is an awakening, Father God ,happening, right here in the Great Northwest. They can hear the heartbeat of heaven beckoning them. I thank you that resurrection power of who you are is now shooting through Hallelujah, like a heart defibrillator across our great land Father. Healing the people of the land, Resurrecting people of the land by the living word of God. And I thank you Lord that there is new converts daily Father God, Hallelujah. Beckoning hearts, hallelujah, father God. Turning their hearts to the Father as you have turned their hearts to your sons and your daughters across your great state. We thank you and we praise you Jesus.

Anne Tate: Great job! Deborah, do you want to introduce your next guest?
Deborah?

Deborah Gaine: I forgot to unmute. I'm sorry about that. Ah, this is Patricia Roberts, she is an apostolic voice in our area. She leads an amazing group of intercessors, specifically called and assigned to pray over the Seattle mayor. This assignment came to her through a dream fro the Lord and so I'm just going to turn it over to Patricia. And are you there Patricia?

Patricia Roberts: Yes, I am here.

Deborah Gaine: Alright, pray over our state.

Patricia Roberts: Alright, I just want to say thank you for being able to join with voices that is speaking out over the land. Voices that have been speaking and decreeing Washington to the place that it is be and Jesus also that people all over the United States come and pray because God is calling for us to... Hello?

Anne Tate: Yes, You're doing well. Go ahead.

Patricia Roberts: Hello? Hello?

Clay Nash: We can hear you, go ahead.

Deborah Gaine: Did we lose her also?

Anne Tate: I think we did. If you'll text her, we'll bring her back on.

Deborah Gaine: Ok. I'll try doing that and see what happens. Thank you, Anne.

Anne Tate: Yes.

Clay Nash: Ok, Anne, I'm going to call on one of our hosts now. When she gets back on, we'll bring her back in.

Anne Tate: Ok

Patricia Roberts: I'm back. The enemy wants the state of Washington but we give him no place. We continue to move forward in decreeing God's voice and word over this state. We know that we are breaking ground just from all the backlash that is coming, but God is being heard and He is moving in the state. The dream I want to share with you about what God gave me about the mayor of Seattle. Is that he was in between two mindsets, and God really needs His people to intercede and pray for him that the form of godliness that he has will develop into the fire of the Lord. And so that is what the Lord put on my mind to get intercessors together to pray for mayor, Bruce Harrell. God is saying he's doing the things that he did in Isaiah. When Isaiah was there with King Hezekiah. They had a voice in government and they had a spiritual voice decreeing in the land. Behold I am doing again what I have done before. He is bringing the government into alignment. That is the word He gave me for this prayer that the alignment of government with His throne will go forth in this state of Washington. And He has decreed it. He had said it and it shall be done. Today, He is moving us into Joel the second chapter and as I have listened to everyone, the words have just come together in unity that there is that there is an army rising up. And God is bringing this army together. We are moving and we are going forth; we are in one accord. Holy Spirit has been released. He said, the spirit of the Lord is now bringing unity into the body of Christ, where there was disunity. Where there was a form of godliness. I am raising the standard in the state of Washington, and the standard is that they will hear the voice of the Lord. They will move in unison with the voice of the Lord. My people are coming together across all lines. He said, there is no more scattering. It was the enemy's great plan to scatter the body of Christ. He tried it with denominations to scatter them from coming together in one spirit. He tried to scatter them with different ministries, but He said My people are coming together for they are one sheep. And Jesus is coming back as a Shepherd that shepherds. As he is bringing us together as one we are no longer scattered. We are marching together in unity. We are that mighty army that was prophesied in Joel 2. We are mighty army that devours. We are a burning torch that destroys. We are a

Garden of Eden and nothing evil shall escape from us. For the Lord is exposing all darkness is coming into light. The light shall destroy that which is not of God. This is the day of the Lord that he is bringing his saints together. In this day He is doing a mighty work. Look for the signs there is a shaking. He has reserved the stones for such a times as this. Come into agreement with the mighty battles that are being fought in creation because He said all of creation has moaned and groaned, for the manifestation of God's people. Now they are in unity with us. And creation God is sending the wind. He is sending the hailstorms. He is sending the earthquakes and in those you are seeing the move and the power of God come forth to do His assignment. In Jesus name. Amen!

Anne Tate: Amen. Thank you very much. And I got a word from someone in Texas as because they heard us on the call. And they said that there is a sound coming up from the Puget. It will be the sound of shalom peace and that peace will allow a deep revelation and a deep changes in Washington state in this season. And I heard the Lord say that He is moving in Washington state that doors are going to open that have never been opened and doors are going to close that should have been closed long ago. The Lord says I'm in charge, and I am bringing forth my wisdom and my glory in this hour. Washington State will stand up and never again allow the enemy such access. I agree with what has been prayed. What Deborah prayed about the severing of connections with evil companions. That this will be a new rising up in Washington state and they'll fulfill their role as leader in the territory. I thank you Lord that you are raising up a new standard in the Northwest. It's going to begin with Washington State. In the name of Jesus. Now, Clay, I'm turning it back over to you.

Clay Nash: Ok, thank you Anne. You know, as you were speaking I began to hear some things. I heard the Lord say, "I'm going to pour out of Washington State and I'm going to pour into Hell's Canyon area." The Lord said there is not that many that reside there, but yet there are those who have persevered there. There is an awakening that's going to come and it going to touch Idaho, it's going to touch Washington; it's going to touch Oregon. But I also heard the Lord say that out of that Puget Sound there is going to be a salt released over into fresh water so that a salt covenant be established in state of Washington. The Lord said that salt covenant is established is going to be one that not only will not be broken but cannot be broken. So get ready Washington state and watch as the sound that is released, cause a covenant of salt to come forth within your state. Ken Malone, there is Florida. What's in your heart?

Ken Malone: Hey Clay. So glad to be on tonight and agree with all the prayers. I want to say to the lady that worked on here from Washington state, I so appreciate your passion, and the fire that you prayed with and I believe that if we have many intercessors in Washington state praying this way will see an incredible shift occur. One of the things I noticed was that in Chuck's prophesy over Washington in the 50 state tour, he talked about a great harvest, he talked about a passion, which those ladies are carrying, he talked about a sound that

you and Anne have spoken about. I just want to pray into this. We're seeing this word in action, hearing these three ladies. So, Father I agree right now with the word that was spoken in Dec. 14 and 15 of 2003, and words that were spoken tonight. Lord, prophetic words have no expiration date. Father, I decree right now that there is a sound coming out of Washington State that will break the timbers of the region. Father, I thank you for a sound God that is pouring forth that will loose the chains of bondage within the state in Yeshua's name. Lord, I thank you for a sound that will bring millions of souls to Jesus, out of that the state. Lord I thank you for the passion. Lord, I pray that passion will catch afire in the state of Washington. That the ekklesia will arise with fire and passion and that the state will be overwhelmed with the glory of the Lord. Father I say let salvation reign over Washington and your Kingdom has come to that state. Your will is being done there in Yeshua's name. And I decree it so tonight. Amen.

Clay Nash: Alright, Ken. Strong stuff. Strong stuff. Amen, for that. Alright, trying to look and see who I've got here. David Hurdle?, I'm going to call on you now. Has your phone call cleared up? I know you had some noise at the beginning but if it's cleared up I want you to go next.

David Hertel: Yes, sir, Hallelujah, I just agree with Ken for the thankfulness for the passion and the sound being released not just of the words but of the tone over this state. I just come in agreement with it. I thank you Lord God that you are bringing the state of Washington into the Kingdom. That you are shifting things. That angels are lining up things that formerly were untouchable and unofferable. But now, in Jesus the ekklesia has legislated and things have been spoken into place and alignment and in agreement with the initiatives of heaven. We thank you Lord God that we have said to the mountain "Be thou removed and cast down into the sea and thus we believe in our hearts that what was will come to pass. Thus we shall see a mountainous shift concerning these things tonight. We'll give you the glory for it, Lord as it comes to pass. In Jesus name, amen.

Clay Nash: Alright, amen. We come into it with those words David thank you for that. Pat, I know there is something else in your heart. Go ahead and make your declarations and decrees.

Pat McManus: Thank you Clay, and as everyone has been praying the thought comes to my mind. I kept seeing the Space Needle there in Seattle. I heard it this way 'the Space Needle of Seattle will become a plumb-bob? for the state. I'm aligning my state with the plumb of my had, and from that place will establish the purpose of my plumb-bob will not swing to the north, south, east or the west. It will be stationary for the people to align themselves with My truth and see the righteousness of my hand prevail. Receive the plumb-bob from my hand upon the land. To walk in the authority of my ways. Father we thank you that you setting your plumb-bob the needle of your hand upon that land. And that Father you are resetting the order of your ways and seeing the fruit of your hand prevail

on the land. We thank you Father for it and we give your honor and praise in Jesus Name. Amen.

Clay Nash: Alright, thank you, Pat for that. Jacquie you just texted me something, I feel that needs to be released because I saw something in that same area that I want to release. So I'm going to call on you to release that.

Jacquie Tyre: Clay it's really simple and so I'm stirred with the prayers, the passion, the perseverance, the persistence from the folks in Washington and this team tonight. As we have prayed, I began to see a very large majestic angel rise up out of the far northwest corner Washington State. As he stood, I saw him lift up a bow and arrow as he was preparing to launch it. The angle I am seeing in this is that it is launching from Northwest to Southeast. And I just know there is a release of angel messengers and the plumb, if you will, coming out of Washington state. I'm not sure what else to make of it and I'm hoping you got the rest of it Clay.

Clay Nash: Alright, I do, I've got some of it anyway. I used to minister in Vancouver, B.C. and Washington state back in the 90's early 200s extensively. I used to It's been a while, since 2004 was the last time I been there. But I think it's part of Washington State, but the only way I could get to where there was a prophet's quarter provided to me, I had to go into Canada and come back into that part of the state. And I saw an angel reach in there and just gather up water out of that area and begin to release it. Not sprinkle it. It was greater than sprinkle. Begin to release it and I heard the Lord say as angel releases this water over the state of Washington it is going to cause that covenant of salt to be rendered and to be certified to be fruitful, but this time that covenant will cause the fruit to remain. That's what I saw, I feel like it fits in somewhat with what you're seeing and it goes all the way across state. I know Timothy mentioned the southeast corner as well. Alright, great call but we have one more. Tanna Wood resides there in the state of Washington. We're going to call on you to close and pray and close us out tonight in prayer and declarations of your heart.

Tana Wood: Oh my gosh, I am just in awe and praising God for all of the words that have been given. I do confess that Washington State has given me great test to question my faith and is there any hope. And clearly from the words that came today there is hope. The thing that helped me keep hope was in the Scriptures God tells us when to stop praying and He has not said that over Washington state, so we have continued. When Jacquie spoke about the small fires, Holy Spirit just reminded me of a picture He gave me several years ago when we were praying. He said there were lots of small fires almost down to small coals. That was before when we didn't have much understanding but He has those small fires and there were people there even as people have sort of referenced and as we prayed and blew on them blew them He would raise the up. He also gave me or caused me to remember a vision that I had. Actually quite a few years ago, and He told me (it'll sound like I am going off course but

I'm not). Anyway this vision, I saw Jesus on a huge white horse; bust through a concrete wall in the prayer room of a church. He went into the sanctuary and He began to pull stuff off the walls everything. He was just getting all kinds of stuff and putting it into a dumpster outside the church. He did that for a long time, then He rode off. Almost as soon as He rode off, the leaders of the church rushed back out to the dumpster to pull everything out and bring it back in. So I said, Lord, what does that have to do with us right now? What He said to me, 'My ekklesia must watch and carefully guard what I begin to expose and dismantle in Washington state. There are leaders, there are strong forces who will immediately try to regain that territory that they lost.' That was really all that He said except to just warn us. Everything, everything has just been said. I liken it to Israel in the Promised Land, when God said I can't destroy everything at once or you can't handle it. So my decree tonight would be: 'Lord we will occupy and guard ground. We hear the words that you have been spoken through the prophets tonight. We as the ekklesia are humble before you and thankful to you. We will take this and put in our hands weapons. We decree that every word that you have spoken and purposed over Washington state will come to pass. We just pray this in Yeshua's name. Amen and amen.

Clay Nash: Alright, thank you for that we come in agreement with everything. Anne just texted me. Anne, I'll let you lead on this but I am in total agreement. Tana, we feel we need to pray for you and commission you for your next assignment. You're in a transition time. And so, I'll call on you Anne to lead that. I'm going to come in and if any of the other hosts is on feel that they have some words to decree or declare over this. So go ahead, Anne.

Tana Wood: Anne, can I say, just one word? I just about lost it a few minutes ago when Clay talked about Hell's Canyon. You guys don't know, but the place that He moved me 4 months ago, I am within 30 miles of Hell's Canyon in a tiny town. Hell's Canyon is our area. I just about lost it, so please pray!

Anne Tate: Well anyone's who has been to Hell's Canyon needs the ekklesia to agree with them. So Tana, You've been so faithful on this call during the years that it's been on. And you've been faithful in Washington state and then the Lord sent you into Oregon, so we want to while you're in Oregon, you're going to raise up a standard, that you will create hope in the hearts of the ekklesia there. That they will begin to be attracted and moving in prayer toward the things that the Lord wants to do in Oregon. This is the season new things are going come forth because you're standing there. You'll create a victorious movement toward righteousness and it will encourage and strengthen the ekklesia there. They'll find strength and authority and faith they did not know they possess. That they will put their anger away and begin to move forward in everything that the Lord has called you all to do in the name of Jesus.

Tana Wood: Wow.

Clay Nash: Alright, we come in agreement with that. Tana, I just hear the Lord saying to you. I put you there to extinguish fires. What he's about to do is to bring to you a company of firebrands for the way I'm going to put out Hell's fire in that area of Oregon is to call down fire upon the evil fire. My holy fire that will come will quench the fire that seeks to burn but it doesn't burn in the hearts of man, it burns in the soul and draws them into further darkness. So where there has been a season that you felt alone the Lord said, this time you will move into that place, a company will begin to assemble around you because God has appointed you to be positioned in a place. He's not bringing you to live in the midst of fire, but he's going to set you on the outside so you can raise up the firebrands that will be a fire sent against the unrighteous fire, the strange fire and it will establish a whole new fire. The Lord said if you go into this area, even though the season has been hard, the Lord said you go in with a fresh hope and you go in as a burning bush that will not be consumed by the fire of the devil, the fire of hell, get ready and watch for there are even a financial release that's coming. It's coming because of seed and faithfulness you've sown. Get ready woman of God.

Tana Wood: Wow

Jacque Tyre: And Clay, Clay, I just want to release this because your word just really confirmed what I was hearing. I heard the Lord say, to watch for the smoldering embers that have been looking for a fresh wind. That there are those who have been faithful, steadfast but they have been wavering under the weight of the oppression, but you are coming in as a fresh wind to the smoldering embers to ablaze again. Even over the next 3, 6, 9 months you will see them begin to gather and you will see them establish a beachhead region that you will indeed release the fire against the fire. And you will see incredible breakthrough, but the Lord says mark the 3, 6, and 9 months from this day for by that season you will go into a fresh new season of rejuvenation and light that will impact that region for the Lord has seen your faithfulness and the Lord has seen your heart, and you've been tested and you've been tried and then found faithful to the Lord. I just pray a release of blessing over, Tana, that she will go in the fullness of your spirit, that you will unlock the pathway in front of her with great and mighty grace. In the mighty name of Jesus. Amen.

Tana Wood: Oh, wow.

Clay Nash: Tana, I was going to contact you and release this to you and just release this to you personally, but one of the things that is going to happen and Jacque just confirmed it. And that is these firebrands are going to establish campfires. And the campfires there's many in that area that have lost in the darkness, lost in the religion, lost in the pursuit of selfish gain. These campfires are going to release the smell of boiling coffee and meat on the fire. Those who have lost their way with God are going to smell it and they are going to be

attracted to that fire because there will be a stirring of their appetite to taste and see that the Lord is good.

Tana Wood: Wow, wow.

Clay Nash: Alright. Great call, as I've said at the beginning this is recorded and it will be put on the website claynash.org, and it will be transcribed. We begin tomorrow at 2:22. I'm going to look here, seems like I could remember, we'll be praying for the state of Oregon. That's where Tana is going. Then on Thursday the state of New York, of course on Friday we're going to hit California with a vengeance also. Remember coming up, Josiah Company Convocation. You know you need to register, go to my website to register. You must register, we can only host 1,000 and little bit over. After Dutch release this information on it today on Give Him 15 I think we had somewhere close to 300 that registered today. The other thing I want to say, please press in as we move through these states. When we finish this week, I've got my figures right, it's been a long day, I traveled about 5 hours today and had some difficulty on the road. But anyway, press in with us. I think when we finish California we'll be at halfway mark or 5 past it. I've lost count. But anyway, press in with us. The other thing I want to say we had close to 800 people call in today to this number 719-718-6038. The calls are every Monday to Friday. Monday, Wednesday to Friday at 2:22 pm Eastern time, and then on Tuesday night at 9pm Eastern time. This call will go between now and 2024. I've already got a direction as we begin to move into late fall [unclear] we'll be praying very intensely about election integrity and some other things that God has put on some of the hosts. So be pressing in. We'll be here tomorrow at 2:22. I want to thank all the leaders out of Washington State for being on. Incredible, incredible, incredible passion and incredible revelation and spiritual understanding. So we bless you and thank you for being on. And I want to thank all the hundreds and hundreds of callers who were on tonight for the state of Washington. Your power of agreement, your declarations and your decrees, they are giving the call the wind of God. We declare to the bones of this nation: Hear, hear the word of the Lord. God bless everyone.
