Prophetic over New York  
By Regina Shank

New York, The bubbly substance within you has been corked by your obstinate attitude toward the holy. The new wine must be uncorked and poured into the new wineskin I am forming.

The process has been implemented, yet the old wineskins that have held the new wine have burst from the pressure of the contents. Prepare, prepare the vessels; rework, retrain, refrain from moving by the traditions of man. I do not want your dutiful obedience to old traditions. I want your heart. Times Square does not reflect my heart. The Finger Lakes Region, the heart of New York state, will bring forth my heart, for I will birth a revival in that region. I am pointing my finger at Finger Lakes. There are many fish that will be caught in the nets of my fishermen. There is a clog in the heart of New York that will be removed. It has stopped the flow of my blood and stroked my teachers hindering them from communicating my heart. I will remove the clog, the clotting of the blood will stop. My blood is enough; it will flow in New York.

Arise, my beautiful ones, who have not cowered to the demonic atmosphere, arise, and come along. The winter is over and past. Rise up and see the heart operation has begun. Break out; break forth; breakthrough. I am for you, with you, and empowering you to birth anew the breakthrough. The fear of the Lord is the beginning of wisdom. Go where my finger points and set up the tent of my Presence.

Mark 1:2-3 "Behold, I send My messenger before Your face,  
Who will prepare Your way before You." The voice of one crying in the wilderness:  
'Prepare the way of the Lord; Make His paths straight.' "NKJ  
"Look, I am sending my messenger ahead of you, and he will prepare your way." He is  
the voice shouting in the wilderness, prepare the way for the Lord's coming! Clear the  
road for him!" NLT
