

Prayer Call 03/06/2023 - Delaware

Clay Nash: Alright! Good day, it's Monday at 2:22 and we're ready to dive into this week of praying for the states. We've covered ten. It's been powerful. Calls are getting stronger and we're going to be on Delaware today. And it's going to be just an awesome awesome time of pressing in for the state of Delaware. You know, Delaware was one of the first states to constitute the Constitution and so they were a forerunner in that and we're going to believe today as we declare and decree over the state of Delaware that they're going to lead the charge back to where we are honoring the Constitution. I just read last week over the weekend where the governor of Arizona is refusing to obey what the Supreme Court of Arizona told her to do about an execution. I don't know where these people come from but I'm going to tell you, prayer makes a difference and we're going to change.

I'm going to call on my friend Pat McManus from Illinois first. God's given him a prophetic word for Delaware and we're going to start with that. Then I'll call on Ann Tate from Texas and she's got some guests that she's invited and I'll let her introduce them. God bless you all for being on and pressing in with us. We're going to have a great week of declaring and decreeing over these five states that we're covering this week. So, Pat, my friend, I appreciate (lost sound).

Pat McManus: Thank you Clay for the opportunity to be with everyone today and to truly stand as one linking our shields. I was hearing this word: I'm releasing the sound of awakening. I'm releasing the sound of reformation. I'm releasing the sound of revolution that will cause a shaking and shifting in the land. There is a movement of my heart that is stirring the Ekklesia to see the power of My hand revealed. Open up and let the King of Glory come in! Open up and let the sound of My waves come in! Listen to my way and see the structures change. I'm coming to reorder the systems and the structures in many ways. Get ready for the exposure of that which has been hidden. I'm activating my Ekklesia for the movement in the land.

In Exodus 15:1, I kept hearing these words: "I'm releasing a triumph. Then Moses and the children of Israel sang this song to the Lord and spoke singing, 'I will sing to the Lord for He has triumphed gloriously. The horse and the rider has fallen into the sea.'" Father, we thank You that You are releasing a sound of triumph and that there is a revolution coming out of Delaware to see us transition and a shifting and changing in the nation ahead. We thank You Father for it and we give You honor and praise in Jesus Name. Amen and Amen!

Clay Nash: Alright Pat. Great start. Delaware, you are significant in the turning of this nation and we stand in agreement and into that word for Delaware. Regina Shank you have a prophetic word. What do you need to release?

Regina Shank: Well, thank you Clay. It's in the form of a poem that I don't think rhymes well. Here's what the Lord says:

The Lord is aware of Delaware.

There will be a change of clothing -

What shall I wear?

The liberal coat that has served it's time,
The season has changed, It's time to align.
The clothier has fashioned a garment designed by the patterned purpose.
That has been signed by the King of Kings and the Lord of Lords.
This fruitful time will produce His wine poured out on seven mountains,
None left behind.
Delaware, you will wear your promised purpose.
Release your first fruits, oh mighty servants.
So Lord, we decree that over Delaware. That it is time to align, that there's a change of
clothing worn and this is a fruitful time that is going to produce that new wine, Lord, that
You have purposed for Delaware. And it will cover all seven mountains of society. So
Lord, we thank You for this word, God, that they have become the servants, Lord, that
they're not looking for position but they have humble hearts and are wanting to serve
You by the power of Your Spirit. So, we say this is the season for a change for
Delaware. Amen

Clay Nash: Alright Regina. I love that! That rhymed pretty good. I write a little prophetic
rhyme every once and a while myself. And so, that was good, strong for Delaware. I like
that part I felt about the first fruit goes along with the fact that they were the first state to
ratify ... I guess it would be the Constitution.

Anne Tate, there in ... I guess you're in Texas but based in Texas. You've got some
guest and we thank you for working with this 50 state call to get these key leaders and
congress and senators. Whoever's on so I'm going to turn it over to you and let you
introduce the people that you've asked. And then you can follow them and make what
declarations and decrees that's in your heart. Thank you.

Anne Tate: You're welcome, Clay. I'm glad to be here and glad to be a part of this. And
I want to first of all introduce Pastor Corine Branch. She and Dr. Ivey Bonk from
Delaware, started the Delaware Gideons. And I want to say, we've been there a number
of times. Chuck and Dutch have been there. And until they came forth, we didn't have
actual cohesiveness in a lot of the words that have been worked with in Delaware. And
they have undertaken to begin to work with them. Also, Pastor Branch also represents
Cindy Jacobs and the Generals for the state of Delaware. So, we feel like there's a new
green shoot that has begun to rise up in Delaware in such a way that new things are
breaking forth. So, Pastor Corine, why don't you go ahead.

Pastor Corine Branch: Thank you so much. It's truly my honor to represent Delaware
today. Amen. Yahweh, He whose hands has laid the foundation of the earth and His
right hand stretched out the Heavens. And when they are summoned, they stand up
together according to Your word in Isaiah 48:13. We the Ecclesia in the great state of
Delaware approach Your mighty and merciful Throne in the sovereign name of our
eternal king and Lord, Jesus Christ. We come today, March 6, 2023 empowered by
Holy Spirit and enabled by Your grace to put You in remembrance of what You have
spoken through Your servants, Chuck and Dutch some twenty years ago concerning the
state of Delaware. Father, You said that Delaware must connect to her Godly roots as
the firstfruit state and receive the firstfruit anointing of the holy portion unto You. Great

King of all the earth, You also spoke through Your servants, Chuck and Dutch that Delaware will move as a forerunner state with apostolic anointing to pave the way for the nation, breaking its spiritual impasse. So, now after twenty years, we the Ecclesia of Delaware petition the judge of all the earth to hasten Your word to perform it, commanding Delaware to shift into her godly roots, to lead the nation in holiness and righteousness because Your word also declares that if the first is holy then the whole lump called United States of America will be holy. So today, the Ecclesia of Delaware joins with the Heavenly Council, the Twenty Elders, the Angelic Host and those whose desires are in Kingdom alignment with Your will and plan for Delaware. We partner with You, Lord, to bring to fruition all that You have spoken concerning Delaware. We confess the sins of Delaware and of all of her citizens and these United States of America. We confess all personal sins to include sins of lawlessness, corruption, adultery, fornication, wickedness, blood shed, divination, idol worship, sexual and criminal deviance, lying, discord, lust, gluttony, laziness, wrath, envy and pride. We confess any and all judgements that we have made knowingly and unknowingly against You and those You have set in authority over us. We renounce all association with any and all ungodly entities, thrones of iniquity, and demonic gatekeepers to include Leviathan, Jezebel, Sheva, the Masonic Molech and every ancient god ever to be worshiped on the soil of Delaware. Yahweh Adoni, we establish that You alone are God and King over the great state of Delaware - her people, her resources, her systems of influence, her laws, and her governing body of leaders. We call forth any unfulfilled parts of the original decrees from 2003 over Delaware. And we put You, Lord God in remembrance of every holy spirit led initiative from the synergy of the ages, asking that they now join the current initiative, even what we are doing today and in the future. Lord God, we do agree and now declare that Delaware, the small wonderful island state, the apostolic forerunner, land of liberty and independence, that she would now take her place among the Upright and lead the nation in Kingdom advance. We declare that there will be apostolic centers across the entire state of Delaware and there will be acceptance of the five-fold operations in all churches to include apostles, prophets, evangelists, pastors, teachers and all who will train and equip believers to expand God's Kingdom. We declare that the kings of Delaware are arising and taking her position to influence all cultures with Kingdom perspectives as prophesied by Chuck at the last Thirteen Colony gathering in 2022. We declare that revival, awakening, reformation, transformation is activated now in the great state of Delaware affecting every spirit influence and schools of thought to include colleges and universities, highschoools, middle schools, elementary schools, and daycare centers. We declare that there is unity in the churches in Delaware. From henceforth, we will work together to be the unified Body of Christ to enforce God's Kingdom of love, truth, righteousness, justice, peace and holiness. We declare that the Jewish people, the First Nations people, African Americans, and all marginalized people in Delaware will rise up and receive their true identity as sons and daughters of the King, Jesus the Christ. We declare that the intercessors in Delaware will also arise with governmental authority as kings and priests and will stand their positions in every sphere of influence. We declare that God's current plans for Delaware along with the Angels and human agents charged with His manifestations will be released now in Jesus Name. We declare on this day on March 6, 2023, that Delaware has been reconstituted in alignment with Heavenly Father. We

declare that Heaven and earth bears witness that every evil entity and it's altars has been judged and rendered incapacitated in response to God's original intent for Delaware. We declare that Delaware's fortune is now fully restored and connected to the overall plan of God for America. We say that this and every prophetic word from Heaven including the story of the First Fruit Nation will be told for generations to come. This we pray in Jesus Name. Amen.

Anne Tate: That was awesome! Thank you so much! Pastor Corine, we really appreciate it. Now, would you like to introduce Senator Bryant Richardson from your state?

Pastor Corine: Yes, I have the distinct honor of introducing our very own Senator Bryant L. Richardson from the state of Delaware. Welcome.

Senator Bryant L. Richardson: Thank you, can you hear me?

Pastor Corine: Yes, we can hear you.

Senator Bryant L. Richardson: Okay. I want to thank you for your prayers. They're very powerful and very needed today. You know, we have lost our way. So many people have turned to the world for answers when the answers come from the word of God. So I really appreciate your prayers. I appreciate your invitation to be here.

Anne Tate: Well, Senator Richardson, what's on your heart today for Delaware?

Senator Bryant L. Richardson: Well, it's been on my heart the main reason, actually the first and only reason I ran for office was to protect the innocent unborn. But also, as I get into more and more involved in what's going on in our state, I also realize that the educational system, our public educational system has been corrupted so bad that our children are learning things that are ungodly and very worldly in taking - We've replaced God with the world and with idols and this is a very big danger going forward because each generation that's educated that way becomes the voters of tomorrow. And I think that's a real danger for where our country is headed in.

Anne Tate: Thank you, Senator. I agree with you. There are lot of other places that agree with you but what I'm seeing is the Lord has given me a prophetic word for you and Pastor Corine both. He said that from different sectors you are representing, you are representing the fact that Delaware is beginning to raise up a standard. And a Standard Bearer is what the first fruit is about. They bear a standard. They set a new pace. They begin to come into agreement with what God has said and they begin to make a flag out of it and wave it in the atmosphere and decree it and bring it forth. And we say, Lord, that Delaware will be seen as a place of great faith because of the place that he started. I want you to be encouraged today because the Lord is encouraged by your very appearance here by being willing to speak out and to say what you are hearing God say and the place of your destination. You are making decrees of your destination that will bring forth great fruit. And we know that when you have a great

fruitful harvest that all of the United States will. And so Lord, I thank You for everything that You're doing in Delaware today. I thank You for these fine representatives of what You're doing there. People that have taken it upon themselves to get up and go forward, to release what You have called them to release and to put feet and legs to where they're going and have decreed a path that the enemy - that way that the eye of the vulture has never seen. I thank You Lord, that there's still men and women of God standing up across the United States of America and speaking the truth in love and caring about the standard they raise. Lord, I bless them and I thank You for them and I decree these things in the Name of Jesus. And now I'm going to turn it back over to Clay.

Clay Nash: Alright, thank you Anne. And as Anne was speaking, I heard the Lord say, "Even as I've called Delaware to be an ambassador to this nation, I'm increasing the ambassadorship upon Senator Richardson and Pastor Branch. Expect, expect, expect the influence of your authority to increase." I hear the Lord saying, "The words that you will decree in the future even as you stand among your colleagues is going to bring a holy hush to the room. So get ready for this increase of authority that comes with this ambassadorship. It is upon you and it's time for it to come forth and bring a flourishing of the presence of God, the power of God, and the authority of God there in the state of Delaware."

Alright, Timothy there in Louisiana? What's on your heart?

Timothy Carscaddan: Thank you Clay, and to the warriors that are praying with us today, we thank you as always. As I was praying for Delaware before the call, I had a vision and I just want to speak that in a decree for what I saw. As I looked at Delaware, I had a vision of an old school house - I had felt it was from the Revolutionary days where the purpose of this nation was once being taught to the young students in Delaware. I then heard the walls begin to speak from the origin of this nation and then the Lord spoke to me. And the Lord says to the Ecclesia, that they must come into agreement with the original voices to create a new level of synergy out of Delaware. I give that as a charge and I feel like the Lord is saying to give that as a charge to the Ecclesia there. And sometimes it's hard to find agreement with the people today but you can come into agreement with those that were before us as Jesus said, He's the God of the living and not the dead. We know that the saints that have gone on before us, they are living, they are not dead. So, if any two touching one thing, they can have what they ask. So the Lord said to agree with the voices that were originally taught in this state Delaware from the very beginning. I then say like an old engine that had not been started for many years and then I saw the Lord begin to lubricate it and He began to oil it for new movement. It was just an engine though. And the Lord said as this occurs, when there's movement, the Lord said He will raise up a new vessel to carry the mantle of the state. Have an expectancy that there is new leadership coming to Delaware from places that you never thought they would come. Then I saw this as well. The enemy that has hid in Delaware through its obscurity, is and will be exposed for the judgment of God to come to move Delaware back into its Kingdom mandate. Then I saw all these lighthouses on the coast line. And the Lord said, "Delaware's lighthouses will be lit again to help guide this nation through the storms that are coming." So I want to decree that

over what I saw over Delaware today. Lord, so I thank You, Lord there are voices, Lord in the soil of Delaware. Lord our children were taught there of the purpose of this nation to spread the gospel of the Kingdom from these shores to the ends of the earth. And Lord I pray for that synergy to arise in the Ecclesia of Delaware. That Lord they would come into agreement with those original voices and then Lord there would be a new movement. Now we thank You, You're oiling with Your oil of Heaven for this movement. And we all call forth that new leader and that new leadership that will carry the mantle for Delaware. Enemy, you are being exposed for hiding in obscurity and the day is coming where the Lord will expose you and Delaware will begin to walk back in it's mandate. And Lord, thank You that You are lighting the Lighthouses, both spiritually Lord and naturally. But I speak to the lighthouses, those ministries that may be small but their light is bright and we declare Isaiah 60 over them today. "Arise and shine for your light has come and the glory of God has risen upon you today," in the Name of Jesus we pray. Amen and amen.

Clay Nash: Alright Timothy! Great word, lots of confirmation throughout the thread of what God's saying, the prayers, the declaration of Pastor Branch. I mean great call over Delaware. We are so excited about it. I'm going to call on Jacquie Tyre now and Jacquie, what's in your heart?

Jacquie Tyre: Well, I began to see something last night but it couldn't come to fruition in a fullness of communicating until just a moment ago. I began to see barnacles on the bottom of a ship. And I knew the ship was Delaware as I was pressing in for the state. And one of the things I learned about barnacles just a few moments ago is that they have no heart. But I want to say to the intercessors, your intercession over the last year has been taking off the barnacles from the base of the ship so that the ship called "Delaware" can smooth sail through the waters again and reclaim its place of moving in the Kingdom of God. So Father, I just decree that whatever is left of the barnacles on the bottom of the ship, those are being pressure washed off by the word and by the intercession that is going forth in Delaware but also for Delaware. And that there is a new seed coming into the Kingdom movement of Delaware, that there is a release of great grace, new leadership, new anointing, that those things that have put a drag on you in the days gone by that have caused you even to get stuck in times and places and go into erroneous pathways that were not God's intention, those things are being broken off and you are shifting back. And we decree the wind of God and the current of the Spirit of God coming into Delaware to press you on and to reclaim the fullness of your purpose and destiny in the mighty Name of Jesus.

Clay Nash: Alright Jacquie. Powerful, powerful word. I want to step back to Pat that started us off with a great prophetic word and Pat, I'm going to call on you now to make any declarations and decrees and close this call out in prayer. Remember tomorrow night, 9 pm eastern time, we're going to be covering South Carolina. And I don't want to say anything ahead but I'm pretty sure I'm going to have a special guest. Wednesday, we're going to be covering Georgia, Thursday we're going to be covering Alabama and then Friday we'll be covering Indiana. So it's going to be a good week. Remember the Josiah Company Gathering that's in Conway Arkansas. You

need to register. People are doing that. But let me just tell you, those that are registered and registering, you need to book your hotel rooms. Conway happens to be a baseball, softball town and a lot of that and I want everybody to be able to get their rooms. So go ahead and book your rooms now so that you'll be sure and have a place there. So Pat, I want to call on you to release what's in your heart and close us out with prayer.

Pat McManus: Thank you Clay. I didn't know if brother Jim was on but anyway.

Clay Nash: Okay Brother Jim, do you have anything in your heart?

Jim Hodges: I had something drop in my spirit about two minutes before the call began but of course that's been extended by this outstanding call. I've been glad just to listen to that. It's been powerfully awesome and earth shaking. But what I heard was, "Delaware will be delivered from deception. The underground is now being uncovered." And I also heard this, "Delaware will not be left out of the supernatural spreader of revival and awakening in our nation." So that's what I heard in my spirit and then after hearing Pastor Branch and Senator Richardson - I just get excited about the followup to all of that, that is that the state of Delaware is connecting, reconnecting with its Godly roots. Things are being exposed, light is shining, the Ekklesia is a light that's shining on a hill into every nation and I was just almost overcome with the anointed and articulate prayers of the leaders on today ... Pastor and Senator. So I'm rejoicing right now today that Delaware will not escape this supernatural spreader. In the Name of Yeshua.

Clay Nash: Amen. Thank you brother Jim Hodges for that. And I apologize. I stepped off a plane just before 2 o'clock eastern time and we've been running to get a rental car and get in position and so I normally do this off of a computer as well and I don't have some of that information. So I'm sorry that I missed that you were on here brother Jim Hodges. Alright, thank you. David Hertel, what's in your heart?

David Hertel: Yes sir, just as they were praying and I was agreeing and declaring with them, I just heard the Lord stirred up a scripture to declare as Moses did whenever the Ark was set out. In Numbers 10:35 he said, "Rise up Oh Lord." We declare the Ekklesia says, "Rise up Oh Lord! Let Your enemies be scattered and let those who hate Delaware flee before You, Oh Lord." And we thank You, Oh Lord God that You are doing a work in Delaware of removing the barnacles. We thank You Lord the dry dock season is ending and Delaware, agreeing with Jacquie, will be launched on its fulfillment of its destiny in Jesus Name. Amen.

Clay Nash: Alright David. And with that we just declare those barnacles are being removed. Barnacles don't keep the ship from sailing but when they build up, it causes more fuel and more power needed to push the ship at a constant speed. So we declare barnacles are being removed. Alright Pat, we're going to go to you now and let you close us out.

Pat McManus: Alrighty Clay. A powerful call. I come into agreement with all that's been declared today. And Father, we thank You that You are bringing Delaware back to its

original intent. That Father, the foundation of what was established from that state will come into a clear understanding to walk fully in the promise of what You declared from the very beginning. Father I ask that You bring Delaware to where it would truly be a resounding expression of the demonstration of Your heart, removing all the barnacles of governing structures whatever system that it's functioning in. That Father, that You remove that which is causing a resistance to Your truth, a resistance to Your promise, and a resistance to Your way. Father, we declare, they are being removed completely and that restoration of the fullness of Your hand is coming upon that region. So Father, we thank You that You are bringing it back into a triumphal expression of the glory and power of Your name that it will truly come into it's original understanding and functional order to truly be a beacon of light, beacon of hope, and a beacon of life to a region to see the glory of God prevail. So Father, we thank You for what You do. We thank You for what You are doing there and we thank You for the aligning of the Ekklesia as they link together to see the fulfillment of Your word come to pass in that land. And we thank You Father for it in Jesus Name, amen and amen.

Clay Nash: Alright Pat. And as you were making that final prayer and declaration, I began to hear a bell ring. A bell like the Liberty Bell. And then I heard another one and then I heard another one. It kept on and kept on. And although they were all ringing at the same time, you could hear the distinctness of all the rings. You could tell that it was more and more and more and was being added to. And finally - it never became muddy, it stayed very distinct even though there were many many many bells ringing. And I just declare out of that, Lord, let Your liberty for this nation begin to ring in Delaware and let - as You add to that, Father, even across Delaware but beyond that state after state after state until a distinct sound of liberty is coming from all 50 states in this nation. Yes, even California. We declare, let the sound of liberty ring and Father, take back - let Heaven speak into all 50 states and establish Kingdom governments, establish righteousness, peace and joy and let it prevail in Yeshua's Name. Amen.

Remember, if you want to listen to today's call, go to Claynash.org and we'll have the recording up this afternoon. We have people working on the transcriptions, the prophetic words will be put there and to the Senator and Pastor Branch, you'll be able to go there and pull the transcription down then you cut and paste in a file, you cut and paste and have the words that were spoken.

God bless everyone. Be on with us tomorrow night at 9 pm eastern time as we press in to the state of South Carolina. God bless you. Bless everyone.
