

PRAYER CALL 03/03/23 - NEW JERSEY

CLAY NASH: Well, good day! We've made another week as we've prayed across our 50 states, and today we're praying for the state of New Jersey. It's going to be a strong call. We're bringing things together. I want to thank all of our hosts for your faithfulness, your diligence, and I want to thank all of our participants that are so faithful and consistent to come on the call, add your power of agreement, add your declarations and decrees there. We're going to press in today and have an incredible call. Let me remind you as I always do, go the website if you want to come April 20 - 22nd to Arkansas; we're going to be hosting a Josiah Company, is what we're calling it based on a prophetic word I brought, and we're going to gather there, try to connect people from states that have been on the call. We have a lot of the hosts coming in and we're very blessed that Dutch Sheets is going to join with us. And so it's very important that you do this. Remember every call is recorded, and every one of the calls for the 50 states is being transcribed, we're working to get the prophetic posted on claynash.org. If you have friends that want to get on the mailing list, tell them to go there and sign up so that we can keep them posted on everything. It's going to be a great day. I'm going to call on Jacquie Tyre because you are familiar with who is coming on to help us with the call from New Jersey, and so we ask that you do so, and I'm going to turn it over to you, Jacquie, to call on those guests that are with us.

JACQUIE TYRE: Thank you, Clay. It was actually Anne that set this one up but since I'm on here, Pat Bellan, are you on with us? Great! It's such an honor to have you on with us today and I'm going to just welcome you to the call and let you introduce your guest then for the both of you, as you see fit, to release what's on your heart for New Jersey and your prayers and declarations and decrees. We want to see New Jersey rise for the glory of God! So welcome, Pat.

PAT BELLAN: Thank you so much, it's such an honor to be here! As I said, my name is Pat Bellan, and our elected representative is Alfonso Cerullo. If I can I'd like to share a prayer that I don't even know how I got hold of it but it's for New Jersey, it's about New Jersey, and if I have the liberty to share it with you, I'd like to do that now. It won't take that long. I shall begin: We welcome the King of Glory into New Jersey, United States of America. We, the sons and daughters of God and servants of The Most High, representing our 50 states and territories, make this declaration on behalf of our nation: We believe in God the Father, the God of Abraham, Isaac, and Jacob. We believe in the Lord Jesus Christ, the only begotten Son and Savior, and we believe in the Holy Spirit. We declare that we are one nation under God, indivisible, with liberty and justice for all. We cancel any plan or scheme of the enemy to delude and snare or divide our people in New Jersey or in any part of our nation. We cast down any plot or proposal of man to supplant or undermine our God-given authority which protects our liberty and administers justice. We renounce and annul all covenants made with darkness from the time of our inception and throughout our birthing process and the 245 years of our existence. We purpose to be reconciled to one another and to share in God's covenant promises. Fully submitted to God Almighty we purpose to live and walk together in the light, occupying and holding our ground as we stand firm in the

power of the Holy Spirit. Led by the Spirit of God and on this day, we as the Body of Christ and me as a small representative of a great state of many worshipping, warring intercessors, I stand in for them, and I say, led by the Spirit of God on this day, we, the Body of Christ, the residents of the State of New Jersey and of the United States, positioned as priests and gatekeepers of our nation, do ordain and confirm the holy covenant between the United States of America and the One True God—Father, Son, and Spirit—foundational to our nation’s conception and birth, we joyfully renew our marriage vow with our Lord Jesus Christ, and together we say with the Spirit, “Come, Lord Jesus, come!” We further decree that New Jersey is a covenantal state and that her people will securely dwell in the freedom that comes from being in right relationship with Almighty God. We declare that it is wholly unto You and we call forth that true unity necessary for the Kingdom of God to manifest in our midst. We affirm God’s universal sovereignty and declare our joyful and willing submission to His will, His word, His plans, purposes, and desires from this day forward. We say let faith increase, hope be restored, and the anointing of love be released across this nation and New Jersey as we move in His power and authority to displace all that is profane or unholy and, in their place, erect alters of holiness and a demonstration of the deep forgiveness and restorative power of our Holy God. As we thank our Father God for His mercy to New Jersey and the nation, we resolve to remain in His presence from this day forward to honor Him above all else in our lives and to do only that which is pleasing in His sight. On this glorious day, March 3, 2023, we proclaim victory in a new season for our nation and our state and a time of renewed hope and joy when the revelation of the mature sons of God the Father, the world priesthood and the order of Melchizedek will extend the fullness of the Word of God and His Kingdom throughout the nations of the earth. As citizens of New Jersey and the United States of America, we welcome our Lord Jesus Christ, the King of Glory, into New Jersey, submitting to His reign as Sovereign Ruler of our nation. All glory be to God the Father, Son, and Holy Spirit. Amen. That is the prayer I just wanted to share and have agreed on for New Jersey. I don’t know how much you know about New Jersey but we desperately need the Lord Jesus Christ to be honored here and His principles manifested here. And I just want to decree that the Governor and the Legislature of New Jersey will fall on their knees and worship the Lord Jesus Christ.

My guest is former Mayor and current board member and committee township member, Alfonso Cirulli, a lover of Christ and a believer and good man. Take it away, Alfonso!

ALFONSO CIRULLI: Thank you. Lord, America is a covenant nation and New Jersey is one of the original 13 colonies. Father, we repent for our sins and the sins of our state and the nation. Lord, we thank You for our redemption in Jesus. In the Name of Jesus Christ we bind all the powers and principalities of witchcraft in the state of New Jersey. Lord, New Jersey is the Gateway State so Father, we just call on You; let signs, wonders, and miracles be released through the power of the Holy Spirit. May the Governor and Legislators have a Jesus-encounter and may the Holy Spirit have a constant presence in the Assembly and Senate Chambers. We ask that You raise up people, Father, that will look at the abomination of laws that were passed—the LGBTQ laws, transgender laws, abortion laws, sex curriculum laws—Father, we first

ask for forgiveness and then that You will raise up the people that will turn this thing around. Lord, New Jersey is a Gateway State and I've heard prophecies that revival will take place, that will come out of New Jersey and permeate the rest of the nation. Father, we call upon You to move mightily. We give You all the honor and the glory and the praise, Father. We cannot do this without You, Father, so we look to You for all our needs. We ask that as new legislators brought up in the state of New Jersey—there are some good ones and some bad ones, Father—and right now we ask for the support for Assembly Bill 3824 and Senate Bill 2385 which update the diversity and inclusion instructional requirements for students K-8th: we ask that You help raise up the people who will move this through. We also ask for Your blessing on Assembly Bill 4801/Senate Bill 2524 which directs the State Board of Education to rescind New Jersey student learning standards and comprehensive health and physical education and directs Boards of Education to establish parental advisory committees and adopt standards for health instruction. We also ask You to help us get this through, Assembly Bill 1418 and Senate Bill 585 which provide that a public school parent who objects to learning material or activity that a parents considers harmful may receive a voucher from school districts to enroll students in a non-public school. Father, we also ask for a favorable passing of Assembly Bill 783 and Senate Bill 598 which prohibit the teaching of critical race theory in public schools, prohibits public school teachers from engaging in political, ideological, or religious advocacy in classrooms. And Father, we also ask that You help defeat Assembly Bill 1183, the Reproductive Freedom Act; we ask that this not make it through, Lord. Also, Father, Assembly Bill 1588 and Senate Bill 2775 which permit the use of preferred names on students diplomas without parental knowledge—Father, You have established this nation based on the family with a father and a mother that raise their children with the knowledge of our Father and the Lord Jesus Christ. Father, we have a Governor and a Legislature that have taken that away from us, Lord. The people of this state do not want these laws that were passed and yet we have no opportunity to overturn this. So Father, we call on You directly to intercede on behalf of Your people to put things back the way You designed them to be. Again, Lord, we give You all the honor and the glory and the praise in the mighty Name of Jesus. Amen.

JACQUIE TYRE: Amen! Thank you, Mr. Cirulli! What an incredible prayer. I love the way you went through those bills and very specific on how to pray and what they're for; that is very beneficial. We really appreciate that and we pray blessings of the Lord over you to go forth, be a voice in the midst of New Jersey and may God raise up many more like you that will stand in faith and in truth. Thank you both so much for being on today.

PAT BELLAN: I would like to share a couple of prophecies that Chuck Pierce and Sheryl Price spoke over New Jersey so that you can come into agreement with them. One is a sentence from Chuck Pierce in 2006: "The garden is ready to blossom and bring forth fruit" so we say, Lord, now is the time! Thank You that Your church is being raised up and fruit will be born. 2008: Sheryl Price said, "The Eastern Gate, that's us; He will open the eastern gate of the nation that His glory will come in in an unusual way. He's going to flush out and cleanse; a revival and renewal like we have never seen

before is coming.” We say, yes, Lord, we agree with that and we say now is that time. Again in 2008: “Even bridges will be full of the coming in and coming in from other states to see what He is doing in this vineyard, in this state.” Yes, Lord, let it be so! And Chuck Pierce said 2012: New Jersey will be the state that brings the reform for the future.” Father, we are in agreement with what You’ve spoken through Your prophets. New Jersey will be a gateway that brings in reformation, that we will be a clean house, and that Your glory will be seen in this state, shining throughout the nation, in Jesus’ Name.

CAROLYN MCCOMB: Thank you so much for this opportunity to be a part of the body coming together in lifting up the state of New Jersey. I resonate with everything that’s been said, and I want to pray into what I’m sensing in this season right now as it relates to the transformation in our state that needs to come forth. Lord, I thank You that You are the Father, You are our Heavenly Father, and that You have nothing but the best planned for this state. Lord, we come on behalf of the body of Christ in this state. My heart aches, Lord, over the division in our body. We are not one body but we have many in our body who are urbane, who embrace all of these heinous bills that have been put forth and who have not stood firm in their faith and said, “NO” to what the enemy is doing. So I ask for an awakening, Lord God, in the body of Christ, the body of Christ that is blinded by politics, that is blinded by handshakes, that is blinded by man-pleasing spirits. In Jesus’ Name I thank You that You are releasing Your warring angels so that even in the night hours their eyes are waking up and they’re saying, “Lord, have mercy—what have I done?!” Lord, it’s not about politics, it’s not about whether we’re Democrat or Republican, it’s about what does Your Kingdom require of us, what does Your Word require of us. We ask for the allegiance not to be to a man or to a system but to the King of Kings and the Lord of Lords. So right now we lift every pastor, every spiritual head in this state and we thank You for the awakening that’s bringing the unity that we need to impact the culture in our state. Father, I thank You that the battle is not over. I thank You that the battle is not ours but it is Yours. Father, we are saying ‘Yes’ to coming into a place of unity in the Spirit to war as a family against the onslaught of the enemy to kill, steal and destroy our families, our cities, our institutions—we say ‘NO!’ right now in Jesus’ Name! And Lord I thank You for the opportunity to be one of those on the wall in this season. I thank You for others on this call who are on the wall crying out and we are the clarion voice decreeing Your Kingdom come, Your will be done in our state as it is in Heaven. We glorify You, Father, and say yes, You are more than able to do exceedingly abundantly above anything that we can ask or think. And we break down the spirit of isolation that is impacting so many intercessors who have gone underground, who have not allowed their voices to be heard for fear of reprisal. We say, “Raise up an army, Lord God!” Raise up an army of unified prayer warriors who will take back the streets. We take authority over the gang violence and the murder and the innocent lives that have been taken from us—their blood cries out from the ground—and we say, “Lord, have mercy! Have mercy on us, O God! Have mercy on us!” Save our children. Save our families. We bless Your Name. We say, “Thank You, Lord!” We will see the goodness of the Lord in the land of the living and in the state of New Jersey! In Jesus’ Name, Amen!

JACQUIE TYRE: Amen! Thank you, Carolyn. What a passionate, heartfelt, Spirit-filled prayer. We thank you so much. Clay asked me to go ahead and I'm going to start with this, it kept coming up with the three of you sharing and praying and then I'm going to share a prophetic word. Psalm 24, starting at verse 7: Lift up your heads, o you gates of New Jersey, and be lifted up, you everlasting doors, and the King of Glory shall come in. Who is this King of Glory? The Lord, strong and mighty, the Lord mighty in battle! Lift up your heads, o you gates of New Jersey, lift up you everlasting doors, and the King of Glory shall come in. Who is this King of Glory? The Lord of Hosts, He is the King of Glory! We decree those verses over New Jersey in the mighty Name of Jesus. Then last night, somewhere in the middle of the night, I was having a dream, and I recognized that I was in New Jersey with some friends and ministry leaders and intercessors that I know there, and all of a sudden, in this dream, I saw a man rising up like it was out of the east. He was coming out of obscurity. He was walking in toward where we were and I heard the Lord say, "Tell My people to watch for one rising out of the east, one you do not expect nor have you seen or recognized before, but know My hand is upon this one in the Spirit of wisdom, might, and counsel. I have trained him in obscurity even as a Joseph and a Daniel, and he will be one to move with great wisdom and bold courage. Pray now for this one's mouth to be filled with wisdom to confound the wise and favor to silence the foes. The Lord said, "Join Me in this and see if one shall not rise out of obscurity from the east as a voice and a force of righteousness, justice, and truth to impact New Jersey for My purposes and My glory," says the Lord. Father, today we come in agreement with what You have revealed and we say let the one You have chosen, the one upon which Your hand is resting strongly, that You have trained, that You have prepared, that You are even now positioning, rise up out of obscurity with the Spirit of wisdom, might and counsel upon him, one that is graced with favor, graced with an authority that is filled with humility but with great boldness. Father, I pray over the intercessors and the people of God all across New Jersey to rise up with a renewed faith, to rise up with a renewed fire and zeal and a passion to press on to see the purposes of God. Indeed New Jersey, the Garden State, shall flourish and blossom forth to bear much fruit and be a sweet-smelling fragrance to blow across this nation and cause Your purposes to be manifested and Your glory to be revealed, in the mighty Name of Jesus, Amen.

CLAY NASH: Alright, Jacquie, I want to thank you and Anne for setting up these great hosts to join us with their powerful prayers and declarations and information that's been released. We're just very, very thankful. I just declare over New Jersey—I'm being reminded, I can't pull it out clearly, when Dutch and Chuck did the Plowing Deep—I don't remember the name—but I think they were in Pennsylvania: I saw the Heavens open and a key came into Dutch's hand. Some of the declarations and decrees were made there and I saw a key inserted into the state of New Jersey. It was interesting: the key was inserted and it was turned and then it had to be pushed further in to the lock, inserted again, and when it did, it opened up the lock itself and behind it was a digital keyboard. So Father, whatever You're saying in this, we declare over New Jersey that You are unlocking deeper than You've ever unlocked before and this deeper unlocking of righteousness, of truth, of grace, of the authority of the Kingdom is going to open up that which is needed for such a time as this. Father, we thank You for the

leaders in New Jersey and we declare “Let their voices be loud, let them be amplified, but let their voices be sure, let their voices be like a trumpet or shofar that releases a clear sound that will cause the people to rally for the war that is at hand. Now Father, do these things in Yeshua’s Name. Amen. Pat there in Illinois, what’s in your heart?”

PAT MCMANUS: Thank you, Sir, for the opportunity to be with everyone and I agree with the decrees that have already been declared. When I was thinking about New Jersey I had three sentences that I put together and I want to pray Isaiah 43:19. The thoughts that came to mind are: New things are coming for resetting order. Greater understanding and revelation is being stirred in the heart of the region, and a new alignment is coming and switching of an old jersey into a new jersey. Father, we thank You that You are removing the old jersey, the old concepts, the plays, the processes, the plans of man, and the teams are coming forward, a true arising of an Ekklesia team is rising out of New Jersey with authority and power for Your Word says, “Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness and rivers in the desert.” Father, cause Your glory, cause Your power, cause Your grace, cause Your wisdom, cause Your revelation to be stirred in the hearts of the Ekklesia as they march with the authority and power to see the dismantling of systems and structures of ungodly alters that have been established. Father, You are tearing down even as Gideon tore down the alters of generational participation, so are You tearing down the alters that generations have aligned to, and a new jersey is arising into a clear understanding of the authority of Your Name. So we thank You, Father, that You are positioning the Ekklesia with a warrior anointing to be able to march forward with the purpose, power, and plan of Your hand in the region to see the region come into right order in You. We thank You, Father, for it and we give You praise in Jesus’ Name, amen and amen.

CLAY NASH: Alright, Pat, we come into agreement with those declarations and decrees, and we declare that God’s Word is settled in Heaven and that settled Word in Heaven is influencing New Jersey and releasing an authority there. Regina there in Missouri, what’s in your heart?”

REGINA SHANK: Several things, Clay. I was looking up the name Jersey and I ran into something that I had never seen before...

ANNE TATE: Okay, today I’m going back to a word that Chuck gave in Ohio about the season that we’re in. He said, “I’m having My people define the structures that have ruled them.” And so New Jersey, I say to you: this is a season to define the structures that have ruled them. I want them to know the structure needs to come down before the voice of it is taken out. He said, “I saw a shift in the prayer movement, in the prophetic/apostolic movement where we would come to a new level where we actually had to take out the Baal structures before we were able to say the voice is now stopped. We couldn’t just try to stop the voice, vote someone out, vote someone new in, we had to take out the structure. There’s a ruling structure behind Baal, so Lord, right now, I say, that the awesome intercessors, the watchmen of New Jersey, that they are going to see the structure that has been operating against them, the structure from Hell that

has sat, and in the process of seeing that, the new backbone that is coming forth out of New Jersey to defeat this will be able to stand up and speak to that structure and begin to pull it down. They will stop concentrating on Democrat or Republican or voting this one in or that one out, but they'll begin to speak into that structure and say, "This structure is getting ready to align with the backbone of God and we will not continue this, in the Name of Jesus." Amen.

CLAY NASH: Alright, Anne, great declarations and decrees. And Regina is back on, we'll give you a second try! What's in your heart?

REGINA SHANK: Jersey had a Latin meaning of Caesaria and that is where Peter met Cornelius who was one of the first Gentiles coming to know Jesus Christ. I heard the Lord say that New Jersey will be a state of firsts. They will be those that are out on the front lines and those that will be first on the starting gun for the race and also, since I was raised on a farm, I started thinking about Jersey cattle when we talked about New Jersey and they give the best milk. But then the Lord spoke to me and I thought, "Why aren't you taking them from milk to meat?" because that's what the Lord said. And I looked up Jersey cattle and they are good for meat, for beef. And I heard the Lord say that the church, the Ekklesia in New Jersey is moving from milk to meat. Many of them are already there but there's going to be more of them coming into the meat of the Word and also coming into that apostolic plan that God has for all of His family. Then I began to see the alter of the Lord and I heard this, "Meat Me at the alter" and it was spelled m-e-a-t. And I heard the Lord says as they meet Him at the alter, that the meat that needs to come forth will come forth in New Jersey. And I also heard, you know they are the Watchman State, and I began to see the word "watch" and there's so much of that in the word, but I feel like the Lord was saying that He has watched them as they have watched Him. He's watched over that state, and He's going to bring that state into the fullness of what He has for that state. And here's a scripture, Exodus 3:16 "Go assemble the elders of Israel and say to them, 'The Lord, the God of your fathers, the God of Abraham, Isaac, and Jacob appeared to me and said, "I have watched over you."' I feel like the watching of God is on that state as they have watched during the night, and that the pillar of fire and the cloud of God are coming through them and to them. So Lord, we decree that over New Jersey. We thank You that it is the Garden of the Lord and that we can live in the Garden of the Lord and that our hearts are God's garden. So thank You, Father, that You have their hearts and You are turning their heart in a new way into the purpose You have for them, in Jesus' Name.

CLAY NASH: Alright, Regina, we come in agreement. God is working across our nation and especially there as we pray over New Jersey, He's taking out stony hearts and putting in hearts of flesh. Timothy there in Louisiana, what's in your heart?

TIMOTHY CARSCADDEN: Thank you, Clay, and to everybody's who's online today, especially to the precious intercessors and our worker from the political arena who spoke today. I just prayed for New Jersey, we have a heart for that state, and I'm going to release the prophetic word the Lord gave me: You will become a bridge state. You will speak out for those who don't have a voice and this bridge, their voices will be

moved into the mainstream and they will be a part of the heart of the nation. You will enhance and you will help the voiceless to bring identity to who they are and we will see a place from ashes to beauty come about in New Jersey. Do not fear where you are now for the Lord has transformative power and you will rise up in this next hour. The Lord said He will arise and start breaking an orphan spirit off of New Jersey and bring the Ekklesia into their sonship. They will manifest this before the entire creation and in front of the entire nation. Then I saw in a vision Eastern New Jersey will be heard from and I saw a move of righteousness and change come, and it moved and created a wave that will sweep all the way to the West. Hopelessness in the body is being broken to produce a broken and contrite spirit that the Lord will not despise. I then saw the state being shaken: the Lord said, "Don't fear the shaking that is about to occur for corruption will be revealed and its structures will begin to fall. The last thing I saw was Jew and Gentile walking together as one in righteousness for the state and for the nation. Look for such alliances, Ekklesia, and agree with them and walk with them. So Lord we come into agreement with these words and I decree that this move is coming. We will not fear the shaking and we thank You, God, that You are removing the corruption that has ruled New Jersey for long enough even as we speak. Thank You, Lord, that this orphan spirit is being broken and that they will manifest as sons of God out of there, and I do pray especially for the east part of New Jersey, from the shoreline all the way to the west borders that there will be a wave of righteousness, there will be a wave of hope coming from that region and begin to overtake the state. Lord, we thank You for New Jersey, we bless their purpose as a state and in the nation, in Jesus' Name. Amen. Thank You, Clay.

CLAY NASH: Thank you, Timothy. Great word there, great declaration. We'll be getting it transcribed and putting it on the website. Ken Malone there in Florida, what's in your heart?

KEN MALONE: Yes, Sir, so honored to be on with you and the others that are here today. The heartfelt prayers that came from the people of New Jersey really stirred me and touched my heart. Earlier as they were praying I began to see that God had established New Jersey as a covenant state, and from that state there are covenant roads leading all across America from there all the way to California. I remember studying a highway one time, I think it was Hwy 40, that went from there all the way to San Francisco, but I know that the Lord has created a covenant land there, and I'm going to pray into covenant. I want to encourage those in New Jersey to renew that covenant. We're going to do that tonight with Florida—today marks the 178th year birthday of Florida—but we're going to renew covenant tonight with Florida and I'm saying let's renew covenant now with New Jersey. Father, I thank You that You have established that state as a covenant state. Father, You have created covenant highways that go from there all through this nation, and Father, I ask You in Jesus' Name, upon these arteries, upon these highways that You would establish Kingdom outposts out of New Jersey, in New Jersey, and from New Jersey. Lord, I thank You, God, that there's a strong wind of Holy Spirit that is blowing out of New Jersey and into all the other states. Father, I thank You today that New Jersey is saved, New Jersey is filled with covenant, and filled with the Holy Spirit. And God, I give You praise and

honor and glory for the testimony, the Spirit of Prophecy, that will come out of New Jersey, and I give You praise for it in Yeshua's Name. Amen.

CLAY NASH: Alright, thank you, Ken, for that strong word. I tell you, God's got His eye on New Jersey and there are things definitely happening there for the greater good of this nation so we are blessed with it. I'm going to call on an intercessor, Linda Del'Orto, and I talked with her this morning and asked her, she's been faithful on this call, and has stood with us. Linda, come close us out in prayer and we appreciate you doing so.

LINDA DEL'ORTO: This is a little unfair because there was so much richness and treasure within everyone's prayer today, but I'm going to start with Pat's word about welcoming in the King of Glory into our state. It's such a great state! It's the third smallest state in the nation; it's also the third richest. We renounce, Father, all the deception here, everything that is against You, and we ask that Your purposes to walk together in the light, led by the Spirit of God, raise up the gatekeepers and let the Spirit come. Let the covenantal state reap unto the Glory of the Lord God. Heavenly Father, we thank You for the prayers today. We thank You for the asking of repentance for the sins of this state and bring forth the signs, wonders and miracles. We thank You that the legislators will turn around, and for everyone interceding for the people, their families and their children against what people in office are trying to bring forth, we thank You for the favor prohibiting the critical race theory, gender identity, and everything else that's been lined up that's harmful and detrimental for the children. We thank You for the word from Chuck Pierce that the garden is ready to blossom and bear much fruit, we thank You for the fruit in New Jersey, and the bridges being formed and the old bridges being torn down, and we thank You for the reformation. And Lord we thank You for such a great plan for New Jersey; there always has been but let's say, New Jersey's gone off the highway. The body of Christ has been broken, bills of legislation—we ask for an awakening of the body of Christ, warring angels over the pastors and spiritual leaders who are trying to reform the state. We thank You, Father, that we see the land of the living, we see a change. We thank You for the lifting up of the gates of New Jersey, and the King of Glory will come in, and the King of Glory IS coming in. Watch out for the one who is rising over the East and the mouth filled with wisdom, and, as Clay said, this lock is pushing deeper and deeper, unlocking what is in the heart of the state of New Jersey because there is so much there, and we thank You that the leaders will voice louder and louder and come out like trumpets and sound off in the state. I love the old jersey becoming a new jersey, that is so profound. And Heavenly Father is coming with a new alignment and switching the old jersey into a new one. Thank You, Father, for causing Your glory, power, and wisdom to tear down the old structures. Thank You, Father, that New Jersey is a state and has met people at the alter. Thank You that as a watchman state, glory has come and that You have watched over the state as You've done for Abraham, Isaac, and Jacob. We thank You that the Lord does live in the garden. And Father, as Anne brought up Chuck's word that the structure does need to come down and a new level and new ruling structure will come forth and will align with the backbone of God and that New Jersey is a bridge, it's a bridge state. Those who don't have a voice and a place from ashes to beauty, we

thank You that the orphan spirit is being broken off and that eastern New Jersey, the hopelessness, is turning around to a place of hope. The Jews and the Gentiles do walk together, and a wave of hope and righteousness is coming from coast to coast. We thank You that New Jersey is a covenant land, and intercessors and lay-people, everyone, renew the covenant state you're in. We cry out for New Jersey, we call upon the strong wind of the Holy Spirit, and we praise every word spoken over New Jersey. I am so honored myself, I am touched and honored—this is such a great state like I said earlier—it's over the highway so we need to get it back up on the road. Thank You, Father, for Your goodness and Your mercy, thank You for Your compassion. You're such a wonderful God! We love You! In Jesus' Name, Amen.

CLAY NASH: Alright, thank you, Linda, great close, very powerful call. We'll be back on Monday at 2:22. We'll begin next week with Delaware, Tuesday night, 9pm Eastern time, will be South Carolina, Wednesday at 2:22/Georgia, Thursday/Alabama, Friday/Indiana; we'll cover these next week, it'll be a very strong time. Remember everything is recorded and everything will be put on the website, and we will get this transcribed and get it posted there as well. God bless you all. Thank you for joining us and continue to join us. We have now gone through 10 states, we've got 40 more to go and we're going to end with that last state, very powerful, but we can't do it without you. God bless you.
