There's an awakening coming in the St. Louis region. There's an awakening coming across northern New York. There is an awakening and a shaking that is causing the earth to say, 'What died last season, life is beginning to spring.'"

"Mexico and Peru will awaken. Taiwan will come alive. Singapore will sing from the shaking. North Dakota and South Dakota will say, 'We have life in this ground.' Parts of Russia and parts of eastern nations will say, 'No longer will death hold us.' Shake it. Shake life loose. The land will move. Hear the land move. Hear the sounds of the land moving."

Let the glory outpour into San Francisco, Chicago, and into Portland, into Jersey City, into Boston. We call an outpouring into San Diego, into Tokyo, into Bangkok, into the ports of this earth. Melinda Richardson: I heard *the Lord say out of Daniel 10:12 that I have come He sent angelic hosts to come because of the mere words that we spoke that we released and decreed in the atmosphere. He said because you set your heart and your mind to gain skill and understanding I've now come as an answer.*

So we decree and declare in the States of Arizona, New York, New Jersey, Delaware and Pennsylvania there has been a cry that God has heard. The River is now forming, flowing and know that the angelic host that has been held back today is a day of increased angelic hosts, angelic activity will move. Open up your heart, your Spirit man and you're ears to receive because he's standing tall and strong. The Lord of Hosts has loosed and angelic being and angelic hosts to move on our behalf. You'll watch un-precedent healings and wholeness as your dream. There's a wholeness coming out of this because that's the answer. Our words have now aligned with the righteousness of God Himself and we will now see the answers to His words being manifested here in Jesus' Name.
