

After carrying the “Gathering the Mavericks” dream in prayer and having an encounter with Holy Spirit in September 2023 while I was in Sioux Falls, South Dakota I have come into some understanding. We will launch the Oregon Trail Gathering of Mavericks in Oregon City, Oregon on June 21. We will travel along the Oregon Trail from Oregon City to Baker City, Oregon June 26, then on to Boise, Idaho June 28 & 29. This stop in Boise, Idaho will double as a Josiah Company Convocation. From Boise we will travel on to Soda Springs, Idaho for a gathering on July 2. Then we will move on to Casper, Wyoming to host a meeting July 5-6. Kearney, Nebraska will be our next stop on July 10. From there we will finish at our seventh and final stop in Independence, Missouri July 12-13.

You may wonder, “What is the purpose?” Each of these gathering places will function as legislative assemblies. Petitions, prayers, declarations, and decrees will be made by those that assemble. Appeals to Heaven will be our cry, and decrees from Heaven into the earth will be our focus.

In a recent dream the Justice Gate angel said that in the past, as people who loved God traveled this harsh and trying trail, they made petitions, declarations and decrees. There were prophetic utterances made and innocent blood shed. The Justice Gate Angel stated that many of the prayers and the prophetic words would now be refreshed and activated. Then someone sent me a word that all along the Oregon Trail there were angels on reserve and this campaign would launch them into active service for the nation. The unbranded ones (Mavericks) will find their companies and become “burning ones” for God’s Glory. Those who have refused to be branded by religion of man will receive fresh commissioning of purpose and destiny. Their journey to Independence will activate them at a greater level of authority, releasing the roar of God into their spheres of influence. These refreshed and commissioned Mavericks will take their independence forth to affect the nation with signs and wonders following them. Their obedience will leaven with a righteous leaven, new companies of overcomers activated from their completed faith to become an ever-present weapon of warfare against injustice, releasing righteousness and empowering grace. Based on a recent prophetic word many will receive a white stone with a new name written on it that only they know.

I hope at this point you are asking, “how can I become involved? What can I do to become a part?” Well, understand we must keep first things first - Pray. Pray for each location. Pray for each person attending. Pray for each legislative assembly. Pray the Mavericks come out to assemble. Then pray and ask God, are you to engage by attending one, some, or all of these gatherings. You can also pray about partnering with us financially. You are needed, you are a part, and this will be life changing.

I hope this enlightens you, draws you, and engages you to be a part of this journey. If you have questions, look on our website. If you don’t find answers there, write us an email.

Blessings,  
Clay Nash
