

**PRAYERS AND DECREES FOR THE PROTECTION OF  
AMERICA'S AVIATION/AIRLINES DOMESTIC,  
INTERNATIONAL, AND MILITARY  
TRAVEL INDUSTRY - 2-22-25**

**PRAYER**

O Righteous One, El Olam, Eternal One Who keeps covenant and extends lovingkindness toward those who love Him and keep His word, "Your steadfast love, O Yahweh, Your loyal love extends into the heavens, Your faithfulness unto the clouds." (Psalm 36:5) You have assigned us to pray and decree Your word for protection over America's aviation/airlines domestic, international, and military travel industry. Your Word tells us that unless You keep or guard a city, the efforts of watchmen are in vain. (Psalm 127:1) Therefore, we look to You for our hope and protection. (Psalm 91) You are our refuge, a very present help in time of trouble. (Psalm 46:1) When You are for us, who can be against us? (Romans 8:31) You save us from our enemies, men of bloodshed who do iniquity. (Psalm 59:1-2) You are the Creator and Owner of the entire world - all its inhabitants - as well as the atmosphere and the heavens. You are the King of glory, the Lord strong and mighty in battle, and the Lord of Angel Armies. (Psalm 24:1,7,8,10) We know, Heavenly Father, that we always have access to Your throne of grace through Yeshua, Jesus. (John 14:13-14; Hebrews 4:16)

We repent of our disobedience and evil ways against You. We believe You are cleansing America of past sins, healing her of broken covenants and relational wounds, and giving us a future filled with hope. (Jeremiah 29:11) LORD, You give wisdom to the wise and knowledge to those who have understanding. You reveal deep and secret things; You know what is in darkness, and the light dwells with You. (Daniel 2:22) To You, Lord, nothing is hidden. You reveal and expose secret plans and agendas. (Matthew 10:26; Luke 8:17) We ask that any foreign or domestic plans to harm our aviation and airline industries be revealed and thwarted before they are executed. Expose every plot, plan, or scheme to restrict our airways and air industry, or to tamper with them in any way.

We say today that principalities or rulers in high places that try to manipulate or control evil outcomes against the airline industry will come to nothing. They will not be able to rule. Frustrate the plans of the crafty to keep their plans from succeeding (Job 5:12) and create disunity and confusion among them. (Judges 7:22) Prevent those bent on doing evil from infiltrating critical positions of influence in our nation's domestic, international, and military air industry. Expose all corruption and confusion that would delay the rooting out of terrorism. (Luke 12:2-3) Protect and give wisdom, discernment, and intelligence to all those involved in the search for terrorists, including police departments, Homeland Security and their partners, and the FBI. Let them be the guardians of the gates of our nation's airlines and aircraft. Open their eyes, direct their steps, and reveal the whereabouts of all those bent on doing evil. Weed out and expose any in positions of authority who may be involved in aiding or advancing terrorism from within. Protect us from cyber-attacks. Contend with those who contend with us (Isaiah 49:25), and, "Cause evil to bow down before the good, and the wicked at the gates of the righteous." (Proverbs 14:19)

We ask that Holy Spirit hover over the aviation industry in our nation. Send forth your Angel Armies to keep watch over the atmospheric pressures and weather changes for planes in flight. Arise over us, Jehovah Shammah, and cause every enemy to be scattered. (Psalm 68:1)

**DECREES**

Father, we know that as Holy Spirit was hovering over the waters at creation, Jesus was declaring Life-Giving Words. (Genesis 1:3-25; John 1:1-3) As His Ekklesia, His representatives, we now declare and decree His Words over our domestic, international, and military airways, airlines, and airports including their employees:

- We decree that the powerful and majestic voice of the Lord thunders upon America's airways, blessing them with peace. (Psalm 29:3-4,11)
- We decree and declare over 6 key components of the aviation industry and the people operating them, that they "will walk before you faithfully with integrity of heart and uprightness," (1 Kings 9:4) and that "those who walk in integrity walk securely, but those who take crooked paths be found out." (Proverbs 10:9) We decree in agreement:

1 – The Aircraft Manufacturers will produce well-structured, safe aircraft;

2 – You will provide increase to the supply chain of the Engine and Component Suppliers so that they will not have to contend with shortages of raw materials & specialized parts;

3 – Airline carriers will turn from doing evil and do good to ensure they are being honest and are not cutting short their standards. You, Lord, will cause our pilots to be well-trained, skilled, and equipped with accuracy and discernment when using advanced electronic software in optimizing route planning and in-flight operations;

4 – Our Airports and Air Management Airports form the critical ground infrastructure, and they are the gateway where travel happens daily. Air traffic controllers will be fully staffed with top-notch, skilled people who will ensure their planes take off, land, and taxi safely. Air traffic management (ATM) authorities, such as the Federal Aviation Administration (FAA) in the U.S. or Eurocontrol in Europe, will guide flights across shared airspace, relying on satellite-based navigation systems and digital communications to handle rising traffic volumes;

5 – Maintenance, Repair, and Overhaul providers will keep fleets operational. Their work will ensure airworthiness and inspection of aircraft parts;

6 – Regulatory Bodies will operate so that safety is paramount, and they will provide strong oversight. Entities such as the FAA, the European Union Aviation Safety Agency (EASA), and the International Civil Aviation Organization (ICAO) will set stringent standards for aircraft certification, flight operations, and safety inspections.

- We declare that God is a wall of fire around our nation, and His glory is in our midst. He is our hiding place; we are protected from trouble because He surrounds us with songs of deliverance, and His angels encamp around us. The Lord keeps us from harm by day and by night, watching over our coming and going from now and forever. (Zechariah 2:5; Psalm 32:7; Psalm 121:5-8)
- We decree, by faith in God and His Word, that every airline, airport, and air traffic controller in *[insert name of your city]* and all of America is protected. No evil plot planned or devised against them will succeed; every snare is broken. We will not fear, and terror will not come near us. (Isaiah 54:14 AMP; Isaiah 54:17; Psalm 21:11; Psalm 124:7)
- We decree Proverbs 21:22 (TPT) over America: *"A warrior filled with wisdom ascends into the high place and releases regional breakthrough, bringing down the strongholds of the mighty."* Therefore, WE DECREE THE TEARING DOWN OF EVERY HIDDEN STRONGHOLD OF THE ENEMY OVER AMERICA'S AIRLINES, AIRCRAFT, AIR TRAFFIC CONTROLLERS, PILOTS, FLIGHT ATTENDANTS, AND EMPLOYEES, AND WE RELEASE BREAKTHROUGHS IN EVERY REGION.
- Read and declare Psalm 91.
