

Triumphant Prayer Call for Righteousness: Tuesday Night Prayer Call

Topic: Roe V Wade Leak

Date: 5/3/22

****For errors and corrections, email HealOurLand@claynash.org****

Clay Nash: [00:00:15] Well, good evening. It is 9 p.m. Eastern Time and we're on the call. Every one of these calls are so significant, but feel like tonight is a major significance. I know that we e-mailed out, you received this morning that we were going prayer with the House races in Indiana, Pennsylvania, Ohio and Iowa. And we will, as Spirit leads certainly put some prayer into them, but really felt after the development of the leakout of the Supreme Court last night and all the controversy that is flowing that we need to shift tonight's call so that we could press in to prayer over this tremendous time on our nation, having to deal with abortion, having to deal with the unconstitutional leak that took place that has an agenda behind it. And so, we're going to be pressing in to that tonight. And Father, I just thank you for tonight's call. I declare that as we open our hearts and listen intently to Holy Spirit we will move into a place, father, of hearing, declaring and decreeing that will carry the authority of heaven. Father, tonight we recognize our priestly anointings. But tonight, Father, we come on to this call and boldly before your throne of grace and our kingly authority to declare and decree Heaven's will. So Father, we ask that Great Providence be upon tonight's call, great revelation be released, prophetic insight be spoken and spiritual understanding Come. Guide us Tonight, lord. we need you in this hour. We need you to move upon the Ekklesia. We are the last line of defense. Where the last line out on the cutting edge; the forerunners, the vanguard. So, Father, anoint us. put great grace upon every person on this call or will listen to the call later. Do this in Yeshua's name. Amen. Amen. Timothy, I want you to go first, if you will, my friend, and take a few moments to just lay out your insight and what Holy Spirit's given you. And then make your declarations and decrees. [00:03:05][170.3] [00:03:08] Thank you, Clay, and to everybody on the call tonight, thank you for being on the wall. We're at the most critical hour, probably our nation's seen in many, many years. And so this issue is bigger than just pro-abortion or pro-death or pro in life. Whatever. This is not the only issue. This is the main issue, I should say, for our nation right now as the Lord is looking on America to see which way we will go. Clay asked me to kind of give the briefing on what's

happened. Most of y'all have been keeping up with the news, so I'm not going to say too much about what you've seen. Just avoid as much speculation as you can and stay in the spirit, get above this thing and look in the spirit above it. I think that's where we have to stay. We need to be praying for the safety of the justices. And another issue is the key among the pro-life community, that there be a spirit of unity among them all, that we wouldn't be divided or divisive in any way. As you know, briefing has been proven to be legitimate. And now, you know, their researching to find out where the leak came from. {inaudible} congressmen and many of them are saying and even McConnell said today that most likely the person will not be prosecuted, but they most likely will be disbarred if they're caught, if it's one of the lawyers that's on the clerks staff there. So we're going to ask for exposure, that God would deal with that as well. Now, right now, there are 13 states in America that have trigger laws. Should this be overturned, that they will immediately, immediately become-- abortion will be banned in those states that moment. And there are 23 states that are in line to do this, but there's 13 that have trigger laws. And I think what Clay was saying last night, Arkansas is one of the key ones, because "as Arkansas goes the nation", he had that word. We want to make sure that we declare these 13 states will have a strong voice. Arkansas, Idaho, Kentucky, Louisiana, Mississippi, Missouri, North Dakota, Oklahoma, South Dakota, Tennessee, Texas, Utah and Wyoming. That's 13 states. You watch Chris Reed's word recently, said there'd be a new America and that's 13 states is what started our nation. So, we feel like it's a prophetic sign of where we're going. Key people to pray for right now is Joe Manchin and Kirsten Cinema. Those two are key to making sure that the filibuster stays in place in the Senate because there is a push by Schumer to get there, as well as Pelosi and others who are pushing for a filibuster to be removed, which then would just require 50 votes rather than the 60. But both Manchin and Cinema today said that they're opposed to overthrowing the filibuster. They said that publicly today. And matter of fact, they have said that the filibuster has actually protected abortion rights from being overturned by Congress in the past. So, calling out the hypocrisy of the left on that issue. So, make sure you pray for those two senators especially. And then, of course, on the Republican side, you want to pray, especially for Murkowski from Alaska and Susan Collins in Maine, who have, you know, they confirmed the conservative justices, but they also have in the past spoken about abortion rights. So we wanted-- those four senators are the key senators to pray for in the House, I mean, the Senate, that we lift up right now. I want to say this prophetically where we are in time. We entered the month of Ahar yesterday and some of you may have heard us talk about, I shared it. I had a dream on 9/11, 2021 and the Lord spoke to me and I saw America in this dream. I saw some of the darkest things we've ever seen are about to come against us. And I

also saw the greatest outpouring of his glory coming. And the Lord said in the dream in an audible {inaudible} it said: the month of Ahar. I knew that we were going to see the best and the worst of times this month. It started on Monday, the very day it started. This case came open. I go in detail in the dream. I don't want to get into it tonight, but Chuck Pierce is going to play it tomorrow night. He had me record, so it will be on Glory of Zion's platforms tomorrow night if you want to get more on that. But we want to focus on that. And I think this is a month also where we're going to see great revelation. We're going to another level of the anointing of declaration and decreeing in the Spirit because God's gonna take us in that place of revelation. This is a month of provision leading to revelation. And so I really want everybody to press in to hearing God like you never heard him. Get above the fray. Don't get caught up in the controversy. Don't get caught up in the conspiracies. Get caught up in the spirit and ask God to take you there. Today, Lou Engle released a word that, I don't know how recent it was, but it was recent. Somebody had a dream for him from Africa and they sent him the dream and they saw him in front of the Supreme Court with that red tape on his mouth. You know, life. I've been there. I've prayed with him there, with that. And they took the red tape off and they put it on his forehead and it said "it is finished." And he said, they said in the dream there were thousands of people there and all of them had the red tape on their foreheads, said "it is finished." So now we know the Word of the Lord, what the Lord wants to do. Obviously, the enemy is not going to just sit back and allow that to happen. He's going to fight this fight. We got a long fight to go here. We cannot come off the wall at this time. It is the most important time of America. Now, remember this. If we lose this battle, if for some reason this doesn't happen, the Senate will pass a probably a bill that will give abortion rights up to nine months nationwide. And we know that will trigger the Lord's judgment on our land. And we just hope we have enough intercessors to stand in the gap should that happen. But we're not looking there. I'm staying in faith. I'm believing what Lou saw there. It will be finished and we will move on. As you saw, Biden today made public statements trying to hit all the trigger points and said this will affect gay marriage, this will affect children in schools. He's touching everything. He said it will be a major shift in the nation; administrative shift. And I want to agree with his words. I want to agree with what he said there, that when this passes, there will be a major shift. He called it a fundamental shift in America. And we agree with that, that there would be a fundamental shift as this case goes forth. And so, that's where we are. I want to release and decree over you because the Lord showed me clearly in this dream, my dream. Dutch appeared to me and Chuck appeared to me. And in this dream the Lord said, "In this month, we will see anointing from the past come to the present. The revival that we've been believing for is coming and is upon us." And I believe many

apostolic leaders are going to walk in such high level of authority this month that the prophetic is going to grow, but the apostolic is going to grow and we're going to be the ecclesia we're called to be and decree and declare, as the Lord has called us to do it. So, Father, tonight, for all those that are on this call, everybody that's standing for Clay and all these hosts, we thank you that we're in this new month, this new era, this new season that you've taken us into and we, Lord decree, right now, because it's according to the dreams we've had, Lord we decree right now we're in a new place. And Lord, there's going to be a new anointing to be upon us. And the greatest anointings and fire that's coming, is coming starting now, in the name of Jesus, I, I declare your word, Lord, that you're faithful, that you love life and you love justice. And we pray for the uncovering, lord, of the the person that leaked this, father. I pray right now that father there be justice in that area. Lord, I ask for that right now in the name of Jesus, we ask your hand to go upon them. We do pray for these Senators; Mansion and Cineama. Lord, we pray for Murkowski and Collins, Lord, that they would stand strong right now and not be wavered. We pray for the protection of their lives. We pray for protection of the ives of the justices and their families as well. Lord, we thank you tonight with all these intercessors and the synergy that we have here tonight and in the days ahead to see the pro-life movement walk in unity and to decree what God is saying in this hour, father, in the name of Yeshua, we thank you. Amen and Amen.

Clay Nash: [00:12:17] Thank you Timothy. Thank you for the insights that you release. And as Timothy said to those on the call, those that'll be listening later to the recording, please hold up all of the justices and their families. Hold them up for-- especially the conservatives ones for protection. But also one of the things that God has given me that we need to do is release great conviction over all of the justices at this time. This emotional upheaval is a good time for Holy Spirit to penetrate hearts and to shift hearts and just pray that great conviction will grip them. And with that conviction will come a fear and a recognition of life at this time. Ken, good to have you on tonight, my friend. What's in your heart for this?

[00:13:18] Thank you, Clay. Glad to be here. I loved what Timothy had to say, especially the part about the dream about Lou Engle. And the life tapes or the tape that said "it is finished." And Lou told me one time, he said, "follow the dream." And I believe that this is a good thing to pray over this court, over this pro-life issue, that it is finished. And I would encourage everyone to also decree the mercy of God. Sometimes we don't know how to pray, but God's given us a clear word tonight on this, "it is finished" and how to pray that. And so, I'm going to pray into

that. So, Father, I thank you, Lord, for the mercy of God, Lord, over the pro-life situation in America. I thank you, God, that mercy prevails over judgment. And we decree, Father, in this case over the Supreme Court, over all nine justices: mercy, mercy, mercy, mercy, mercy, mercy, mercy. Father, we decree your mercy, Lord, will prevail, Lord, in this Court, in the name of Yeshua. And Lord, just as the dream stated, Lord, it is finished. We make Father a declaration over that court tonight. We proclaim it in the heavens tonight, Father, that it is finished. That Roe v Wade is defeated. It is finished in the name of Yeshua, and we Father, we thank you God, that you've given the intercessors, the apostles, the prophets, a finisher's anointing to stand on the walls, to stand on the wall of intercession, to see this all the way through to completion. So, Father, we give you praise and honor tonight that they will stand in that place, Father, in Jesus name. Lord, stretch out your angels, God, across the court today. Father, send Your Angels, Lord, into that court, God, to bring that finishing anointing God to finish this and God defeat Roe v Wade in the name of Yeshua. And Father, I thank you for doing that. I give you the praise and the honor and the glory tonight, in Yeshua's name.

Ken Malone: [00:15:42] Amen, Ken. great words there. Let me just share this. I have a couple in my life. They pastor here in Arkansas, not far from where I live. got in touch with me. I think it was this morning after being on the Arkansas call for Senator Raport last night. And what they said to me was in their service Sunday morning here in Arkansas, they heard the words, "it is finished." And in hearing those words, they knew and felt after what came out last night, it had to do with this case. And I want to step back in to a prophetic word from last year, and I will just read the last part of it. But this prophetic word came forth. It said, "for the days ahead are days of living sacrifices yielding, remaining still upon my altar. I am a consuming fire that must consume all that is not Me. But the days that lie ahead will prove that your surrender to me is your strength. This surrender, resulting in a newfound strength, will be triggered by your hunger for my presence. A presence that leads you not only from strength to strength, but from faith to faith and victory to victory. Your surrender will cause our oneness to become a bond of love. And you will see the promises you've battled for, become the promises you will battle from. In this new place I prepared for my body, you will discover the words that set the enemy to flight will be: it is finished." That word was released in clarksville, Tennessee, a year ago, June. And it was a word about comfort and how that God's comfort was conforming us in a greater dimension to his image. And so, Father, we do declare tonight, "it is finished." And Father, we war from these promises and we war from the victory of covenant, father. And we just declare

again over this, over the Supreme Court. Baa, you're coming down and we declare, "it is finished". Jacquie, what's in your heart?

Jacquie Tyre: [00:18:06] Well, Clay, I am coming at this from a little bit different angle tonight. I was really triggered when Timothy mentioned to really pray for the pro-life movement to stay in unity. And I would say for the church at large to come into a higher level of oneness with the spirit. And I was just pondering and meditating over the trauma that so many in the church have experienced over the last 50 years resulting from the abortion of Roe v Wade, from the hope deferred, from the weariness along this journey. So many people have been fighting this since 1973, and I just want to pray into the healing of the soul of the people of God and of this nation, because this is all about getting our nation healed. But we need, as the people of God to have the trauma of the delay and even the subsequent murmuring and complaining that we've fallen into at times when it has been delayed and delayed so that God can move in us in an even greater measure of freedom and authority. So, Father, I first of all, I want to thank you that for the movement that is happening in our nation. I thank you for the hope that is on the horizon. I thank you, Father, for even the exposure and the bringing out of this draft that was out of time, out of season, out of order. And I pray, Father, that even that action, as egregious as it is, would provoke the people of God to rise up in a new way, in their intercession, in their faith, in their hope and Lord, that there would be a fresh surge of Holy Spirit passion coming out of your people all across this nation to pray, to declare, to decree that it is finished, that Roe v Wade is coming down in the name of Jesus, that all of the delays, all of the wounds, all of the traumas that have come in, Lord, we apply the blood of Jesus to all of those places. And we say, let life come forth. Let hope come forth. Let fervency come forth, let strength of soul come forth that is born out of the Spirit of God that there will be a clarion sound released over this nation by Your Ekklesia. That last line of defense fortified, strengthened, emboldened, empowered and standing firm in the mighty name of Jesus and Father. I pray that even as today, the liberals and people like Elizabeth Warren are going on rages on in the media over this. Lord let the important body to overlay his hand, let the enemy continue to be seen for what he is; as a diabolical opposer of life, a stealer, killer and destroyer of hope and of life. And so, Father, let even what the enemy is doing provoke the people of God and even those that don't know You, God, to be appalled at the thirst for blood that is being revealed. Let people be awakened. Oh, God. To see the diabolical agenda behind Roe v Wade and behind this liberal agenda that wants to make abortion all the way to nine months of gestation law across the land. Father, let this fuel the fire of passion and let righteousness prevail in this land once again. God, we say, let everything that

the enemy has been doing to bring destruction be turned on its heels and be loosed in the power of the living God, for your glory to be revealed that the enemy has no place, no portion, and no right to change times and laws because the Ecclesia has risen and is standing in alignment with the judge of all the universe to decree that America shall be saved and we shall come through this shaking. We shall come through this with awakening from north, south, east and west. And Lord, we know that we may not look like we did when we come through this. In fact, we know that we will not, but we are going to come through having been purified and purged through the fire of the living God. So Father, let the fire of purification come. Let the passion of your spirit be birthed and let your glory be revealed in astounding ways, even through this decision of our Supreme Court and let it be carried out through the States of this Union, in the mighty name of Jesus. Amen.

Clay Nash: [00:23:44] Amen. Thank you, Jacquie. Dan, what do you have?

Dan Blacksher: [00:23:48] Thank you, brother. I've been continuing to pray this afternoon into what the Lord showed me this morning. He actually showed me this morning prior to Lou Engel's word coming out, it was sent to me right after, where it said, "it's finished." And in our prayer time I shared this afternoon, but I just can't get this vision that I felt like the Lord gave me out of my mind. One of our other intercessors was praying about the leak going out and when he said "leak going out", I didn't see water going out. I began to see water coming in the hole of a ship. And I saw the men in the ship trying to stop the water from breaching the ship and sinking it. And I knew what the Lord was showing me was a scene from the Titanic where the ship had hit the iceberg. And I felt like the Lord has been showing me this afternoon what Texas did, what Arkansas did, what Mississippi has done-- all the times that we have fought abortion in this nation and it has been carried through the court system, It was another cut in the hole of that Titanic called "abortion" that was causing it to begin to take on water, to begin to leak. And I saw where, you know, I heard the lines where Ismay said, "this ship can't sink". And the maker of the ship said, "I can assure you, not only she can, she will. It's a mathematical certainty." And I felt like the Lord was saying, these people that are standing up saying "this ship can't sink", the Lord is saying "It can. It will. It's a mathematical certainty." And I felt like the Lord showed me that this leak coming from the Supreme Court was actually a flare of distress that was shot up because of how much water. And I mean, water representing the spirit of God, angelic intervention that's coming into the Supreme Court at this moment. And so, Father, we thank you that you are answering prophetic words. We thank you, Lord, that work and the efforts of all

those over the years, Lord God, that have poured their life into seeing this curse broken off of our land. They were not in vain. We thank you, Lord God, that this is the gate, Beautiful; The right time, the right hour for our nation to be healed. And no matter how much panic is on the Titanic's deck of this thing called abortion, this ship that's been sailing and pride and arrogance, no matter how much Lord God they flail, how much Lord God they claim, "it cannot sink", Lord, I thank you that you are saying "it can and it will sink, it's a mathematical certainty." So, Father, we thank you for those judges, and we declare in Jesus name they will stand in righteousness. Not only will they recognize that they're weighing the fate of Lord, the unborn in the balance, but they're being weighed in the balance as well by the decision that they made. And so, Father, we recognize, Lord God, you're moving right now, and Lord, that you are invading the darkness and you are bringing a light. And the thing that Timothy, I think hit on it and some other people-- and I begin to see this afternoon these people getting on lifeboats. They were getting off to safety. So, Father, we just declare that those who are on this ship, who have been riding this ship, this Titanic, called abortion, lord, that those who will recognize this ship is going down will see you and they will escape with their life because of their knowledge of you, their saving knowledge of you. And so, Father, we thank you that this is a season of the convergence of prophetic words with the father's power. And we're seeing a flow of the fulfillment of prophetic words and the efforts of those in the past, creating a synergy that is bringing an end to the most destructive curse that's ever been on our nation, in Jesus name, Amen.

Clay Nash: [00:28:06] Amen. Thank you for that, Dan. Anne, what's in your heart?

Anne Tate: [00:28:13] Clay. I have been looking for a scripture for 15 years and I found it today when I came home to prepare for tonight and it was about the hill of Evil Council. Ah, some translations call it the hill of, um, evil reproach, of ill reproach. And it then, first Kings 11:7 and it says, "and then Solomon built a high place for worshiping Chemosh the horror of Moab on the Hill Which is east of Jerusalem. (that's the Hill of Evil Council) and for the horror of Molech, of the sons of Ammon. And 15 years ago, Linda Hyland (sp?) and I went to Israel and we looked for that hill of ill reproach, and it's where the U.N. was sitting. And we revolved it. And I don't think we understood all about it at the time. But this afternoon the Lord began to minister to me, because when Solomon did that, he was the leader of the country. And when he did that, the Lord told him he was going to take the kingdom from him. And then in Second Kings, Josiah did that. And when you follow the worship of Molech through here, when the president of the nation aligned with the worship of these fallen idols the responsibility fell on them and the Lord made

huge adjustments to them. And then the Lord gave me this scripture, which is one of my favorite ones. And it said--This is in Micah. And it said, "that as for me, I will look expectantly for the Lord and with confidence in Him, I will keep watch. I will wait with confident expectation for the God of my salvation. My God will hear me. Do not rejoice over me. Oh my enemy. Though I fall, I will rise. Though I sit in the darkness the Lord is a light for me." And then finally he took me to Zephaniah 3 and it's it talks about The portion for the remnant are the Ekklesia. It said, "I will leave, but I will leave among you a humble and lowly people. And they will take refuge and trust confidently in the name of the Lord. The remnant of Israel will do no wrong, nor speak lies. Nor will a deceitful tongue be found in their mouths, for they will eat and lie down with no one to make them tremble and feel afraid. Shout for joy, O daughter of Zion, shout in triumphant O Israel, Rejoice be in high spirits and glory with all of your heart. And so, Lord, I declare tonight that there was a beginning, and a middle and end to this intercession. And it began 50 years ago when the altar symbolic was built and empowered by the justice system or the courts of the United States of America. And Lord, we thank you that you have finished the operation and you are tearing it down as surely as Josiah did. And somebody on the call this afternoon prophesied that Josiah was coming forth. And I say that a greater than Josiah is here now, and it is the Lord God Almighty and his son who died to change it all. And so, Lord, we stand in humble Agreement that there was nothing we could do. That only you could tear this down. And, Lord, we praise you and give you glory and honor. And we decree that every person that has prayed a prayer over the 50 years to see this finished will rejoice, and it will be accounted to them for righteousness. Now, Lord, I thank you that our hearts trust in you and you alone. And we say, Lord, that you are able to start the fight, fuel the fight and win the fight. And Lord, you always cause us to come to victory. And we thank you for that now, in the name of Jesus.

Clay Nash: [00:33:31] Amen, Anne. Thank you for that strong, strong declaration and decree there. Betty, what do you have?

Betty Love: [00:33:41] Several things, Clay. First of all, there are so many things beginning with Timothy and things that you have said that the Lord has given me. I had not gotten that word dream about Lou, but one of the last things the Lord had me put in the decree tonight was: Tetelestai, it is finished. And I think the Lord is so confirming his word even to those that are joined with us tonight, adding their agreement. last Wednesday morning when I awakened I heard the sound just permeating our great room, and it was in the spirit, but it was the sound of the emergency broadcasting system. And I think that began in the sixties. And for those of us

that are familiar with that sound, it'll come on and it'll release that Blast and then it'll say, "This is a test of the emergency broadcasting system." I heard the sound and then the voice of the Lord said, "this is not a test." I had an open vision out of the Book of Daniel in Chapter 7, where the throne-- in that vision, Daniel saw that thrones were set in place and the ancient of days took his seat and he saw the river of fire was flowing, coming out from behind before the altar. And of course, there were thousands upon thousands of angels attending him and those standing there. And it says that the court was seated and the books were opened and that there was a river of fire, again, flaming. And what I saw was I saw that picture. I saw the Lord and I saw that river of fire come out of the heavenly realm and it went into the United States and it went underground. And every movement of God, every revival fire that has ever been ignited in this nation, from the Awakening to Cain Ridge, I saw the fire of God go to those places and reignite the fire. And the Lord said that there had been moves even there since The Revivals or the Awakenings. And there had been trickles and there had been outpouring and people that had visited those places. But what was on us was greater than we had ever seen. And when that fire of God ran under the United States, it was like an Artesian Well. And as those places ignited with fire, it spread across the nation. And I hear the Lord saying, "that is upon us." And so tonight, Lord, we present ourselves unto you a living sacrifice. The righteous are as bold as a lion. And I heard you say that the Lionhearted have risen in this hour and that your roar is coming out of your people. There is a roar coming out of the justices of the United States of America, out of our court system. And Lord, we thank you that the roar will not be silent. Lord, we have taken our place in the gates of our nation. And Lord, we are here tonight, joined as an ecclesia. And not only that, there are those that are standing across the nation and even around the world. And Lord, we have come in your authority to turn this battle in the gate. Lord, we acknowledge and declare that we are sealed with the righteousness of our God in Christ Jesus. And Lord, we agree with Your Word that righteousness exalts a nation. So we stand tonight before you in the land that you have given us. And we decree and release the righteousness of our God in Christ, into our territories, our spheres of influence, our cities, our state, and our nation into the Supreme Court of the United States of America in order to bring healing, revival, awakening and reformation to America. Father, let your spirit of righteousness be released and established in us and in every place that you have given us jurisdiction. Let your righteous kingdom come and your will be done on Earth as it is in Heaven. Father, you have prepared the soil of this nation, and you have prepared your people for such a time as this. Now, through the prayers, through the declaration, through the decrees, we the Ekklesia take our stand. And we say let it be known to the rulers and authorities in the heavenly realm, the manifold wisdom of

our God. We decree and declare that you Yeshua, you reign supreme over all and your plans will not be thwarted for us, for our nation, or for the lives and the rights of the unborn. Let the redemptive prophecies that are stored in every state, in all 50 states, and those that have been released into our Supreme Court and Washington, DC come alive. Lord, release your breath into this nation, igniting your revival fire. Let the wheat be divided from the chaff. And Lord, we rise as Your Ekklesia tonight and Lord, you said you are marshaling and you are mantling us for war unto victory in the season. Lord, you said that we are your thrusting instrument. And so tonight, Lord, in your apostolic prophetic anointing, we come into the nation's gate. Lord, to uproot, tear down, destroy and completely overthrow anything in our lives, in our land, in the heavens and on the earth that does not line up with your redemptive plan and the prophetic destiny for our nation. Lord, we lift up our heads as Your Ekklesia and to the Church of America, and to every believer throughout our land, we decree, Lord, we are your living gateway. We are awakened, and we lift up our heads tonight. We, your agents with doors of destiny, lift up your head. And we decree, "king of glory, Come into our lives, come into our land, come through us armed and ready, o mighty one, invincible in every way." Father, I agree with Anne--it's only in you and through you and by you. And for you. Jesus, Yeshua, you are the King of glory, the Lord of victor, armed and ready for battle. You are our invincible commander. And we say yes and Amen to you. We release your power and authority, your words, into our land, sea, gates, city, states and nation. We say rule and reign through Your Ekklesia and Lord, we thank you that you are coming even now to rule and reign in the Supreme Court of the United States. Lord, for all nine of these Supreme Court justices and those connected with them. Lord, we say many are the plans in a man's heart, but let your purposes stand. Let the angel armies be fully mobilized to carry out your vengeance And the judgment written upon the enemy and the demonic. And we decree and declare, America is a nation saved by the Lord. Lord, you are building your house for the future, and Lord, we decree tonight, your house will be built and established in our nation, and you will have the harvest of souls that you desire. Lord, remember the covenant root and the ancient markers that you have established throughout our nation, through the righteous acts of our forefathers. And Lord, we ask that you remember every decree of the Ekklesia that has come out of the Highest Court, the Court of Heaven. And Lord, let the Court sit and let the books be opened to your people and for our nation. Father, we acknowledge that the shedding of innocent blood and an abortion is an enemy to the very soul of America. And we acknowledge that it is an abomination in your sight. But, Lord, we know that you have heard our prayers of repentance and you have heard our cry on behalf of the unborn. Lord, it's obvious to all that you have nothing to do with corrupt rulers who pass laws that empower evil and defeat

what is right. For they ganged up against the lovers of righteousness and they condemn the innocent to death. But Lord, you reminded me even again today, we know that their evil plans will boomerang back on to them. Let every plot they hatch will simply seal their own doom. So tonight, Father, we agree with your words that no words spoken by God is without power of fulfillment. Lord, we petition the Court of Heaven and Lord, we thank you even now, issue the verdict and fill Your Ekklesia with the decrees that will completely overturn Roe versus Wade. And Lord, establish righteous laws that protect the lives of the unborn, our children, and secure future generations for your glory. Father, we thank you for words and wisdom, even for our Supreme Court Justices that are standing for righteousness. We thank you for words and wisdom that our adversaries will not be able to resist or contradict. Lord, let the prayer bowls be tipped. Let the angel armies run tonight on the words and the decrees to secure your redemptive plan for our nation and let it be a catalyst to usher in the latter portion of second Chronicles 7:14. Lord, we ask you to hear from heaven. We ask you to forgive us. We ask you to heal our land. Let this nation of America be redeemed from all manner of destruction that is been a a scheme of the kingdom of darkness, of evil men and women. and Lord, We say, let the desires, the plans, the devices and the expectation of the enemy for this country be completely frustrated, in Yeshua's name. We decree that you are God, our healer. You are the God, the one who sees to it and provides, and you are God our banner of victory over every enemy. We decree your covenant victory into our lives and our land. For you are our judge, our lawgiver, our king and you will save us. And Father, as we have said many times before you as a functioning Ekklesia, you have saved us, You will save us, and you are saving America for your good purpose. So Father, tonight, Lord of the Angel Army, we agree with the assignment of your people, the assignments of your angelic host. And Lord, let them go victorious on their mission at this time, running on your word. And, Father, we ask that you would allow those angelic warriors to locate every evil establishment, every evil altar and satanic seating of Satan in this country. And let those things be exposed, uprooted, torn down and destroyed. Father, we agree that the decree "Babylon has fallen" is enforced. Let every high place and altar of Baal and worship of Molech be torn down. We decree that you are the everlasting God. Our Beersheba is still speaking in this land, and the appeal to Heaven banner is waving. Our evergreen is still standing. And the appeal has been heard and is being heard. So finally, Lord, tonight we decree in the mighty name of Yeshua, "it still works". Lord, you will make good on your promise. What you said through Dutch Sheets: I will cause Baal to spew out of his mouth what he has swallowed. So let the voice of righteousness ring throughout this land. And the righteous decision to overthrow Roe versus Wade, permeates the court and the law of the land

throughout our state. Father, we thank you that tonight you have heard our cry. You have seen our tears. And on behalf of the king of kings and the Lord of Lords, the Lord God of Heaven and the Lord God of the Earth, we declare our day in court has come. Our God has secured the victory. Tetelestai: It is finished. In Yeshua's name. Amen.

Clay Nash: [00:48:24] Amen. appreciate that Betty. I'm going to Call on--Dutch is on with us tonight. I'm gonna call on you now to release what you have in your heart. [00:48:34][10.1]
Dutch Sheets: [00:48:36] Yeah. Thank you, Clay. What a great call. What Powerful prayers and insights and words. Just amazing. Just two things I want to pray and I'll just briefly introduce them before I do. Someone said something earlier about the leak being an attempt to alter times; the timing of the lord or the right time. And that really triggered in me. that's in Daniel 7, where the Ancient of Days took His seat and ruled in favor of the Saints. And then in verse 25, it says, Satan tries to come and alter those times and decrees. And so I just I felt very strongly that that's exactly what the leak was trying to do; to alter the time and decree of the Lord. So I'm going to pray to that in just a minute. The other thing I want to pray into is a word that Tom Slater sent me this morning about the year of jubilee. And I think he said it was Monday night, but the Lord kept saying to him, "49, 49, 49" and he knew it was in reference to the year of Jubilee because it had happened to him once before, years ago. And he brought out something that I hadn't really thought much about before, and that is that year of Jubilee was really a three year process because on the 49th year, which was also a Sabbath year, they were not to plow; sow, plow, reap, etc. And of course they didn't in the year of Jubilee, the 50th year. And so their question to the Lord was, "what are we going to do? Because if we don't have anything coming in, reaping anything in the 49th year, then we have to have enough for the 50th year and we have to have enough for the 51st year because we didn't have anything--even though we can Sow that year we don't have anything that came in the year before." So, God had to give us such a bumper crop and provision in the 49th year or the 48th year to take them through the entire process. And so, he knew the Lord was saying to him, I've already begun the process, the provision of jubilee. And that, of course, releases us from our debts, forgives us all of our offenses, slaves go free, and Christ is our Jubilee. And then the the grand finale of his paper was that we are in the 49th year of Roe and in January of 23 it will be the 50th year. And he knew God was saying to him that we are now in the process of receiving the provisions and we're about to move into our 50th year, which will be jubilee, the reversing of this curse. I thought it was a strong word. I believe it's right and I want to pray into that, too. So, Father, we just decree right now together with this strong group and this great strong agreement that is

here in place with this meeting of the Ekklesia, that we are in sync with the ancient of days. He is ruling and he is ruling through us. And we refuse to allow the enemy to alter your times, your appointed time, and your decreed law. We say it won't happen. It doesn't matter how much they rant and rave. It doesn't matter how many laws they try to pass, what they try to do. We defeat it in advance by saying that the timing and decree of the Lord will not be altered. It will not be reversed. And he tries to do it through the wearing down on the saints and we are not wore down. We are not weary in well doing. We won't grow weary in well doing. We haven't given up. We won't give up. We stand firm and say "no" to that strategy. We forbid it. According to Matthew 16, we bind it. And Lord, this Jubilee word. We declare our faith right now, that even in this 49th year, you are giving such an increase and such a great influx of provision that we are receiving now what we need in order to celebrate the 50th year, which sees the curses reversed and the debts forgiven and the bound go free and all that the enemy has tried to do to curse this nation forever And destroy it is being broken by Christ, our Jubilee. And so we celebrate that and we Will not yield. And we won't get distracted by worrying about provision and where things are coming from. Our focus is on you, our jubilee, and our focus is on rejoicing and honoring what you have done. You have freed us from this curse, and We won't look back and we won't give it up and we won't let it go. We thank you for that, Lord. We agree with all these prayers and thank you for these great intercessors and for clay and all that he's doing and in Jesus name we pray, Amen.

Clay Nash: [00:54:23] Amen. Thank you Dutch for those insights. That jubilee word really resonated. We've heard it in some other prayers already as well. And it really resonates very, very strongly. It's very, very weighty. Pat, what's in your heart?

Pat McManus: [00:54:43] Thank you, Clay, for the opportunity to pray with you guys and in agreement with everything that's been declared. And the thought that I had earlier, because of what you heard by the news media and others saying. Second Thessalonians chapter three, verse 16, it says, "Now, may the Lord himself, the Lord of peace pour into America, his peace, in every circumstance and every possible way. That the Lord's tangible presence will be with AmericaAs the decisions are being revealed. So, Father, we thank you that you are releasing a tangible expression of your peace upon our nation, and that those that are trying to manipulate, intimidate, to cause a rising up of rebellion or something to stir against the decisions that are being made, Father, we declare, let the peace of God move upon our land. Father, we declare the peace into the families of the Supreme Court justices and into their children where there is

peace, where there would be the protection of angelic hosts to watch over and guard and to guide. We thank you, Father, that there will not be the opportunity of a rebellious structure to come against any form because of the decisions that are being made. Father, we declare, let the peace of God, and the angelic hosts go forth to neutralize that which is trying to stir the pot. And Father, we say, let their communication fall to the ground. So we thank you, Father, that there will be not the ability to manipulate or to intimidate the justices where they would try to persuade them to change. Father, we say let their yes be yes and their no be no, as it was declared today. But Father, let the justices that have made their rightful decision stand with peace And truly rest in the promise of what you have declared into their heart. And we will see the fulfillment of your word come to pass as you protect and guard not only themselves, but their families and those that are within the system. So, Father, we thank you that we will see the peace of God rule and reign upon our land, and we will see the fulfillment of your Word come to pass as we stand as one in your purpose and plan, in Jesus name. Amen. And Amen.

Clay Nash: [00:57:05] Amen, thank you, Pat. Appreciate that. Jill, what do you have?

Jill Noble: [00:57:12] Well, thank you, Clay, and everybody that's on the call tonight. So many powerful things are coming across this call tonight. Earlier today, the Lord had me in 1st John 3:8: for this purpose, Christ was revealed. What was the purpose? Christ was revealed. To destroy all the works of the evil one. And then I was taken over to Matthew 16 when Jesus took his disciples to Caesarea Philippi. Of course, we all know. Very familiar passage here when Jesus came to the region of Caesarea, Philipii. You can only imagine how his disciples felt that he was taking them to one of the most pagan and occult places in the country. Had a very wicked reputation. And yet Jesus took them right there to the very gates of hell, which is what that region is called there at the Temple of Pan. And he marched in right up there, and he asked them, "Who do you say that I am?" And it was interesting that that was the very first time he was referred to as Messiah. And Peter got the revelation of it. Got the aha moment of it. And after that, the Lord said to him, "I'm going to give you the keys of the Kingdom of Heaven, and whatever you bind on Earth will be bound in heaven, and whatever you loose on Earth will be loosed in heaven." And I thought it was so interesting because this leaking of this document spoke to me that the Lord is about to reveal Himself as the Messiah in a most profound way, simply because the region of Caesarea, Philipii was where he gave the Keys To the Kingdom of Heaven. And that's where the disciples got the revelation of who he was. And those keys are what we have been using for 50 years to pull heaven down on earth over this issue of the

shedding of innocent blood. And so here we are literally at the 50 year mark of this occurrence. And I thought it was interesting that Anne Tate mentioned about Mount Hermon and the United Nations building a temple or an altar at the top of that of that mount, which is correct. And how that's going to start to crumble. And so tonight, we all stand in agreement, in awestruck, wonder, really, of what you are doing now in this time, this jubilee time that we're in. Father, I pray for those people who have suffered the consequences of 50 years, of shedding of innocent blood, the family members who grieve even the victims themselves of abortion, and the great loss that it did to so many families, that we cry out for comfort. Comfort for those who mourn as they see a potential light at the end of the tunnel that this horrible holocaust could possibly come to an end. And, Father, you give us the hope that does not disappoint. And that hope tonight, Lord, is that we will behold the overturning of this wicked atrocity in the land and that God once this occurrence takes place, and many things are loosed in heaven for the repentance and the Tisuvah of this act, that God, we will be granted great wisdom to utilize the keys of the Kingdom of Heaven that we would not be caught staring blankly into the atmosphere in awestruck wonder, but that God, we would take the keys, the provision you're giving us, and we would begin to unlock and to lock those things that you will show us. And Father, I pray that you would raise up a greater company than we are even seeing right now in this moment. more of the Ekklesia that are out into the earth that have not yet heard. And they're looking for their tribe. They're looking for their people. Father, I pray that you would bring us together as a well-oiled machine, every joint supplying, and that God, we would take back all that has been stolen and plundered from us. And God, we bless you and we thank you that Roe v Wade will be overturned. That God, the shedding of this blood will stop, and father, that our land will be healed. And we believe it and we pray it in faith, in the name of Yeshua, amen.

Clay Nash: [01:02:44] Amen. Thank you, Jill, for that. Regina, what do you have?

Regina Shank: [01:02:49] Thank you, Clay for tonight. Just several things. I'm kind of on the same vein as Jill. Um, I remember we were standing in line before Brett Kavanaugh was put on the Supreme Court, and as we were standing there, a woman in the line said to me, "I've had an abortion." And right there in the line, I prayed, healing for her. And God came and brought deliverance to her from the grief and all of that. And. And so, we've ministered to those who've had abortion. And when we tell them they killed their own DNA, it's like a revelation. And they become overwhelmed with what they've done. And, you know, killing not only the child, but the purpose for which that child was released into the earth. And sometimes it helps for them to

even name that child and release that child to the Lord. But we have been fighting this for so long and standing even across from the Supreme Court and praying and decreeing into their decision. And so, Lord, we thank you, God, we thank you so much, God, that you are sending your angels even now, to dismantle that altar of Baal and Molech in America. And Father, for all those who have prayed, for all those who have stood and said, "not on my watch" and said, "This is coming down." Father, We just say, "thank you, Lord, thank you, Lord." And we do believe God. It is finished. We do believe the dream that has been spoken. Lord, and we thank you, Father, that you are bringing that altar down in our nation. And so, Father, we say that nothing will change the times and seasons. I agree with Dutch as he spoke that tonight. And even as you showed me, that 63 was Isaiah 63. At the head of that chapter in Isaiah, it says, "God's day of vengeance and redemption". And verse four, "For the day of vengeance was in my heart and the year of my redemption has come." And so, Lord, we thank you that you posted watchmen on your walls again and again and again. And we've called upon you, Lord, and you said to give you no rest until you make Jerusalem a praise in the Earth. But we've given you no rest until we've seen this altar come down. And so, Lord, we thank you for that, God. And we thank you, Father, We will continue to pray. We will continue to decree. father, even for women who may be listening on this call tonight that have had abortions. Father, we pray healing for them, healing for their hearts and healing for their families. Lord, And we ask God that the healing would come not only to them, but also to this nation and Father, where that blood is crying out for justice. God, we thank you, Father, that your blood is in us, Lord, and we ask for your blood to cover the sins of this nation and to have mercy upon us, God, for we have sinned against you in America. And so, Father, we thank you, God, for this revival that is coming forth, people rising up and saying, God, that we will have a voice and we will speak it out. And so, Lord, I thank you, God, that we are not extremists against things, but we are extreme for you and that we love you and we love your ways and we love your purpose, god, in what you said about children being a blessing from the Lord. And so, Lord, we thank you for bringing down that altar. I agree with all the prayers that have been prayed already. And we thank you, Lord, that we're going to see victory right now and God that so many states that are ready that had that trigger law, Missouri being one of them, we're going to see it fall in our state, in the name of Jesus. Amen.

Clay Nash: [01:06:47] Amen, Regina, we come in agreement with that. All right. Becca Greenwood, good to have you on. We're going to let you finish up tonight's call. What's in your heart?

Becca Greenwood: [01:06:58] Amen. Thank you, Clay. It's so awesome to be able to be back with you guys tonight and just agreeing with all the powerful prayers that have been prayed. And I just want to... I'm not going to.. I just want to share briefly and then pray into what occurred. I was ministering at a gathering in D.C. this past weekend and on Saturday evening, it was the gate D.C. that we were meeting at Whole Word Church Building, which is a place there in Virginia where they'd had several revival moves in the past on that property. And when we were in the service on Saturday night, I began to lead the gathering into a corporate time of intercession and the Lord-- and so I'm just going to pray as well as what we prayed into and what occurred and just release that prophetically on the call tonight. And as we went into this place of intercession, the Lord had us go into breaking all witchcraft, all divination in the spirit realm that was working against God's Kingdom time for our nation to keep things out of time. And we also began speaking, breaking the power of death attached with the Python spirit and speaking life. When we did that, we began to pray for a fresh fire of baptism to fall on Washington, DC. And as we did that, an angel came into that auditorium with a trumpet. And the trumpet sounded for 5 minutes towards Washington DC. So I want to pray in agreement of the trumpet blast that the breakthrough Angel brought into that room in DC from the Gate Church DC. And so, Lord, right now, with all of these prayers that have been prayed and even the the angels, the prayers of the angels being sent and Lord, I'm not one that sees and hears all the time but we saw and we heard. And so, Lord, right now, with that trumpet that was resounded, that resounding sound that reverberated out into the atmosphere over D.C., that breakthrough Angel of Life, the breakthrough angel that released The Sound of Victory, the breakthrough angel that released The Sound of Freedom and Liberty. And that released the fire that just permeated the room. And you can feel it just being released into DC. Lord, I pray in agreement with all these prayers tonight, and I pray in agreement with the sound of breakthrough and victory that was released in that gathering this weekend this past Saturday night. And there was a scroll that we began to see that came after that angel blew that trumpet for 5 minutes. And on that scroll it said at the top, there was a decree of independence. And the young prophet that was seeing this was from {inaudible}. So she didn't know the history of the US and it said "freedom and liberty." She was right seeing the words being written on the scroll and it said "independence, freedom and liberty." And she read off all of the 13 original colonies from the United States. She had no idea-- "why am I naming these places? What does this mean?" And we all knew what it meant. So, Lord, we thank you that for the United States of America that independence, liberty and freedom is being released that was at the foundation of the United States of America. And we speak that life, life is being released into this nation and

breakthrough and victory is coming and is being released. Now is the time of jubilee for this Roe versus Wade and for the turning of Roe versus Wade and where there has been death, we decree tonight that breakthrough and victory and life are occurring in this nation and that the life of the unborn will be protected and will be restored in Jesus' name.

Clay Nash: [01:12:01] Amen Becca. We know the angels are very active, and we know that breakthrough angel is coming. You know, I've shared a couple of times recently, and I'll close with this. 2015, I saw an angel standing on I-40, 1-55. And from that, I was made aware he was the angel that guards the justice gate. And just recently, in a kind of a dream, I was waking up, was still sleep; a dream encounter. I connected with that angel again. And it's just been a lot of confirmation. And so I just encourage everyone out there that we are in the best of times, the worst of times. We're in a time that we must war from the victory of covenant. We must war from His promise and we must war from the pact that he has said from the cross "it is finished." And that is a current, today word that we war from. Thank you for being on the call. I thank all the hosts. Powerful call. We will be getting it transcribed. The recording will be up tomorrow, but we will be getting it transcribed so that you can get your hands on it and read these decrees and make these declarations and decrees. And I know we didn't get into the four the states, the House races and these four states tonight. Ohio is in the midst of, I guess, tallying up their voting. But we will get these covered. the more we go into this, even with this situation that came out last night with this leak. It makes me understand the 22 plus 22, the 44 steps into the last Tuesday before election in November. So God bless you. Thank you for being on. Let us know if you're getting-- as you're getting insight. Write us. We need to know these things. I'm processing them all and we're praying for you. So we will be here tomorrow at 222. God bless you all.
