Revised 1/6/22

Now Father, we take all of these that we have declared over and we just declare, let these words be stirred. Let them be motivated in the hearts of people. Let these words come to pass over all 50 states, Lord.

We declare blessings over every state and we declare as we enter into 2022, the year of a very, very significant election for the House and the Senate: God let righteousness, not just speak, let it shout.

Let it shout.

Let it shout, Lord.

Let it shout of your forgiveness.

Let it shout of your empowering grace.

Let it shout of your mercy.

Let it shout Lord.

Let the voices of these states be amplified. Let righteousness be that amplifier. Let integrity be that amplifier. But let the states--Let them have a shouting voice, Lord God. Let the states come together and become the roar of the lion of the tribe of Judah.
