**Clay Nash: [00:00:17]** Well, good evening, it's 9:00 p.m. Eastern Time, and we're going to have a great call tonight. As always, I appreciate everyone who participates on these call. Even those of you that might not be listening tonight, but will listen to the recording when it's up. I Appreciate hearing-- heard from many of you today. Thank you for your encouragement. We're going to be focusing tonight on Pennsylvania, Georgia and Wisconsin, not necessarily in that order. And we're going to be declaring and decreeing over these states. They are some of the vital states there. There are many. We've got 34 of the Senate that's going to have elections this year. And I just start tonight's call, before I turn it over to Tom, there in Texas. And I declare that there is going to be a sweeping win for righteousness and conservative leaders when we go to the polls November the 8th. So stand in agreement with that. Listen intently tonight and join with us your heart of faith and your power of agreement. Tom, open us in prayer, if you will, and then make the declarations that you have in your heart.

**Tom Schlueter: [00:01:34]** Amen. Amen. First off, I want to agree with you, Clay. I believe-- I'm just feeling an explosive nature regarding tonight's call. I think we've already been picking that up on just comments, getting ready for this. So Lord, we invite you, the fullness of your glory, the fullness of your revelation, the fullness of the words that you would have us to decree tonight that need to be released over these crucial states of Wisconsin, Pennsylvania and Georgia. Lord, we are lifting them up to you. We are coming into agreement with Clay's word that a wind is blowing across these states and not only these but across the nation, and that it's stirring things up. The kingdom is being manifested. So Lord tonight, direct our prayers. Direct our thoughts. Help us, dear Lord, not to just be full of opinion, but to decree what you have placed in our hearts, to decree and to declare and to bring as information in Jesus name. Amen. Well, I want to just start off by saying just being honest here. I was just going to listen in tonight. I really didn't sense I had anything. And as soon as I wrote that on the signal thread that I was going to listen in, the Lord said, "Oh no, I mean, you need to speak over Wisconsin." And my spirit's just been stirring ever since then for about the last half hour. There's a couple of things that I want to

set just as a groundwork is, number one: back in the fall of 2020, I had joy and privilege with many of these leaders on the call tonight to be a part of the election teams that were going around to the key battleground states in the fall of 2020. And I remember when we were in Madison, Wisconsin, I don't think I've ever felt the spirit of the Lord rush on me so strongly as it did that night. And what I was seeing that night were all of these towns and cities in Wisconsin, with fountains exploding from the deep. And I remember naming off about 20. I grew up in Iowa, but all my family was in Wisconsin. My dad was born in Wisconsin, my grandfather was born in Wisconsin. And so I could name off Dodge Bill and Prayer DeShane and Oconomowoc and Madison and Green Bay and O'Claire and all of these other ones that just, I mean, they were just pouring out of my spirit. And I just want to tie in with that. There is a surging of the ground. There is a shifting in the ground of Wisconsin. Wisconsin is changing. It is not going to be something that is in an enemy's camp anymore after tonight. We don't even have to wait until November eight, even though November eight will be a signal and a sign that the shifting has taken place. The Lord says I'm shifting the grounds right now. I'm shifting the dells, I'm shifting the coastline along the Lake Superior, I'm shifting that which goes along Lake Michigan. I am shifting the land of Wisconsin. I am bringing it into divine alignment and I am raising up an army. Those that will not only be of the Ecclesia praying into this, but those that are being lifted up to take leadership in the nation in the coming season that hold the values of the kingdom and hold conservative values regarding our nation and its constitutional republic. And as I continue to decree that, Kay and I were able to spend some vacation time in Wisconsin this last summer or early fall, I should say, and we were up on Lake Superior at Bayfield, Wisconsin, and there at Apostle Islands and the Lord just kept on strengthening that word into me as well, that even though these islands were named apostles. There's not just 12 of them. It was something that was named by the French explorers and the Catholics that have come into the area. But Lord, I proclaim Wisconsin as an apostolic state. I proclaim that you are moving Apostolically and prophetically across the state, unleashing the intercessors, unleashing the Ecclesia and unleashing that which needs to shift into place so that the elections for this season will shift to the right. They will shift to that which is conservative. They will shift into that which is lined up with the Kingdom of God. Let Wisconsin explode. Let these wells come forth. Let them spring forth. Let them gush over the land. Let them bring forth their renewal. Bring forth a refreshing. Bring forth the washing. Bring forth the very nature of God's purposes into that land, a land of promise, a land that God has said, I have dedicated this land for my purposes in this coming season, says the Lord. I am using Wisconsin, says the Lord. Amen. [00:06:51][317.2]

**Clay Nash: [00:06:57]** Amen, Tom. We appreciate it. And we thank you, Lord, for the judge that ruled today about the ballot harvesting; that it would not be the same as in the last election. Father, we thank you for that. Strengthen. Strengthen that. Build on that, Lord. Let those that are swaying, those that are in the valley of decision, let them step up and their yes be yes and their no be no. Let this become the standard across our nation. We just thank you for that, now. Hope, what's in your heart?

**Hope Taylor: [00:07:34]** Lord, the record of scripture is your servant was asked the question, "What do you see?" Lord, what I see as I look over these three states and the nation concerning November, is this, that 2022, 11/ 2022, the midterm election, the stage is being set for a significant, if not historic, shift in that month. Lord, we just say tonight that the executive at the federal level, the executive branch is inept in policy and leadership. And God, it's being revealed, it's being seen and it's being seen with great clarity. So Lord, on the other side, what we see happening is this: that the left, out of desperation and what I want to say God, before you with humility and yet boldness, out of desperation and systematic demonization will throw off all restraint and will deploy election corruption slash deception at a historical level. God, if in the recent past, father, we have seen election deception transpire, lord, it may seem that that was just a dry run in preparation for this next election. So tonight the Ekklesia gathers together. And what I want to say is the Governing Council, the Kingdom Governing Council on the Earth, that tonight addresses the 2022 elections. So we say tonight in the authority of Jesus name, that God, we decree tonight that father against systematic corruption and election deception. We decree tonight, oh God, that father no longer it doesn't seem that it's about which candidate, but lord, it's about corruption. So we tonight, can we just say it, God before you? We place a demand for justice. Lord, not corruption. We open a door that there would be a sweeping move across this nation in November eight, 2022. that God of justice--that it'll be expressed God through the voting. Lord, we shut down tonight the maneuverings behind the scenes of election deception. God, we say tonight the federal government never created or gave birth to the state. It's just the contrary. States gave birth. So tonight we as this-- at the state level, we contend for the authenticity of fairness and justice and righteousness at the polls and in the voting. Lord, we say tonight there will be a massive mobilization. God, an uprising, if you will, at the state level, that God from now until November eight, 2022, there will be a massive moving, a massive, O God, mobilization, uprising and awakening that people would get engaged. And then, Lord lastly, concerning Georgia. I've just been so mindful of just a recent time, Lord, before the past election, when a few of those on this call tonight put their feet at Ebenezer Baptist Church soil

there in Atlanta. Tonight, God, we agree again with the prayers that were prayed, the decrees that were released. We come tonight, Lord, for a second half, if you will, to push those prayers into motion and momentum. Lord God, that would be a massive movement oh, God, behind the authority and the anointing of those prayers. Lord, we say tonight that God, that doors would be shut. Even those who have been positioned at the national level and even those who are trying to be positioned from Georgia at the national level. God, we say tonight, deliver us from fraudulent candidates who are nothing more than Lord, just plants, if you will, just to be sat in. Tonight, God, we cry out and we decree that Lord, Nov. eight, 2022, will in fact be a signal turning point to take this nation into her next season, Father of righteousness, justice and Lord God, we say tonight thy kingdom coming. Father, we will close with this. The prayer we heard prayed from Virginia, God just the other day. God, it was a foretaste. Lord, it was just an appetizer for what we're believing for; the sweet the United States of America in November 2022, and we pray these things in the authority of Jesus name.

**Clay Nash: [00:12:52]** Amen. Thank you, Hope for that. And we just declare even what's already started with Stacey Abrams there in Georgia running for the governor, we declare this manipulating of giving out money, paying medical bills, father, like is not connected to the election. Let it be challenged legally and let it be exposed, father. We call this work of darkness null and void in Georgia and Father we just declare that that her and Warnock will not prevail in what they're seeking to do. And we release that over Georgia. we declare that. We thank you, Father, that you are going to do exceedingly above what we've seen in Georgia. That you are righting the wrongs. you're flowing in justice where there has been unrighteousness and we call that door to deception and fraud closed. And we have the keys of David and we declare no one will be able to open that door into corruption in this election in 2022. Regina, what's in your heart?

**Regina Shank: [00:14:18]** Yes, thank you Clay. I believe the Lord has put us in a position of great authority tonight, and he's always looking for a man, he's looking for a woman who will stand in the gap before the land. And that is us. And in the word of God, it says whatever you allow will be allowed. Whatever you allow in earth will be allowed in heaven and whatever you forbid on Earth will be forbidden in heaven. And so, tonight we take the authority God, you've given us and we forbid anyone to take a seat of authority in our legislation who is not walking in your ways and your wisdom, Lord. We forbid it tonight. And God, we disallow it before the Court of Heaven. And we thank you, father, that you are listening tonight and shifts are happening. I

agree with whatever has been prayed and Lord, we allow those who have your ways in their heart, those who love America like we do to stand in those positions for Wisconsin, South Dakota, Georgia and Pennsylvania. Lord, we cry out to you tonight for those states, Lord, your eyes are up on them, Lord, and you are exposing that which needs to be exposed in every one of those states. And I began to see a picture in Wisconsin. I began to see truth stand up. It was like truth was taking a stand in that state. And we say yes to that. We say truth is taking a stand in Georgia and in South Dakota and in Pennsylvania. That truth will not be covered over by an occult spirit of corruption and fraud. But truth will be seen for what it is, and we will have elections with no more corruption. Father, thank you that we are seeing America shift before our eyes and I connect our prayers tonight, even as Tom spoke earlier. I connect our prayers with all the prayers that we have prayed previously for America, for our elections and for our officials. And we say, God, all those prayers are coming together into that bowl in heaven. We're going to see a great outpouring of shift in America toward your ways and your purposes for this nation in Jesus name.

**Clay Nash: [00:17:00]** Amen. Thank you for that. We appreciate it. Ken, there in Florida, what's in your heart?

**Ken Malone: [00:17:06]** Good evening. Just glad to be on here and agree with every prayer prayed. Before the call began, I was asking the Lord about how to pray tonight, and he began reminding me of the covenant roots that each one of these states has before the Lord. Each one of these states has a covenant with God that we need to take that covenant and stand in the presence of the Lord and begin decreeing the decrees that the forefathers have made. I remember going on the Retracing the Covenant tour. You were there Clay and several others were there and how that we went from place to place, mainly up in the New England area. And we began retracing the covenant. As I thought about that every time we began praying the covenant prayers of each state We are retracing that covenant. And so tonight, Father, I just decree Lord over all states. Lord, every state God that's up for Senate election. I remind you of your covenant, Father. Lord, I remind you of the covenant that the pilgrims made when they created the Mayflower Compact, and this land Lord was dedicated to the propagation of the gospel. Lord, I remind you, God, of the covenant that Robert Hunt made at Cape Henry, and that many others the pilgrims made and many others made Father. And so Lord tonight we just say, Remember your covenant. Remember the covenant that you have with America and begin to turn America into your covenant with them. And father, I thank you tonight, God, that we will

see a great victory in all of these states, Lord. Senate elections. We will see a victory God because of the covenant. Not because we deserve it or have done anything right, but God by your covenant and by mercy God you will pour out your spirit upon this land. And we say tonight that victory is ours and Lord, we will do like Habakkuk; we will retrace that covenant. We will write the covenant again and decree it in all 34 states in Jesus name. Amen.

**Clay Nash: [00:19:33]** Amen. Ken, I agree with you? You know, it's interesting today I was reflecting on that trip and how powerful and how we touched that Covenant Root in those states and as we pray over these 34 states just for the Senate. And we're going to get into the House soon, too. But as we do that, we're going to fertilize. We're going to water. We're going to see the light come to the covenant roots and every one of these states. And I was reflecting on the power of it. I remember when we got to William Penn Treaty Park and how the wind changed for us and how the angels. I was standing there watching the angels. And you know, I know you were seeing them. And Tim said something to me that he was seeing them. And that was a real turning place to me in the trip there, and I believe we're going experience in these 44 steps into November eight, a turning points that we're going to know that we will see this. We come in agreement with Ken's declaration tonight. And Father, we just stand in agreement with it and we declare you're going to do this, Father. You've got this and you're going to do it. Betty, what's in your heart?

**Berry Love: [00:20:53]** Thank you, Clay. Just coming right in behind Ken. Father, we do acknowledge the covenant that we have with you as a nation. Lord, You are the Lord of the United States and Lord, we thank you for our founding fathers who established this nation in righteousness. Father, tonight we decree into the United States of America: let the Earth fear the Lord. You nullify the council of the Nations. You frustrate the plans of the people. We declare the Council of the Lord's stands forever. The plans of your heart from generation to generation in the United States of America will stand. Father, you said blessed is the nation whose God is the Lord. The people you have chosen for your own inheritance. And father as your very inheritance tonight, We thank you for a change of heart and an entire renovation of the soul of this nation through Jesus Christ and the power of Holy Spirit. Lord, let your awakening and transformation come to America in such a way that it sincerely affects the heart, changes the practice and totally influences the will of a nation unto righteousness. Father, we acknowledge and come into agreement with your kingdom plan, redemptive purposes and the prophetic destiny of the state of Pennsylvania, the Keystone State, the governmentalship state. We come

into agreement for Wisconsin, the River State and Georgia, the governmental gates state. Father as your Ekklesia, we say let there be a governmental shift unto righteousness in Pennsylvania that shifts our nation. We agree with the words of William Penn: Right is right, even if everyone is against it and wrong is wrong, even if everyone is for it. Pennsylvania, we call you to awaken in your birthright and destiny as ordained by Almighty God. We acknowledge that indeed you are the Keystone State. You are the stone at the top of an arch that holds everything together. The block that holds all the other blocks in place. Father, we say let justice and righteousness flow through this state and into Wisconsin and Georgia, overturning injustices and divisions, especially in the governmental mountains and the upcoming elections. Let the governmental gate of Georgia be realigned in righteousness. We release the Jehu anointing into the state of Georgia tonight and we say, Let Jezebel be exposed. Throw her down. Let her be fully exposed and removed in Jesus name. And father, we thank you for Wisconsin, the River state, and we declare that justice will roll like a river through you. Election fraud will be exposed and dealt with in each of the states. And father, we thank you that checks and balances are established and put in place for the upcoming election. We declare that God's plan of judgment against his enemies be established in Pennsylvania, Wisconsin and Georgia. May this plan overrule any of man's desires. The Lord, sends forth righteous judgment and a victory in each of the state government and election practices. and Father, tonight, we declare a kingdom win and a victory in these states for 2022. We decree that any unwarranted plan of destruction initiated by the antiChrist system, corrupt structures, systems and leadership in each of these states will be fully exposed and thwarted. And Lord, we ask you to reveal to those within the state of Pennsylvania, Wisconsin and Georgia your righteous building plan for the future of their states and our nation. Father, raise up men and women of integrity who will stand for righteousness, hold to the original intent that you have for these states as well as our nation. And Father, tonight we say let every scheme of the enemy to hijack the upcoming election or any fraudulent behavior be exposed within each of these states as well as within the lies of the candidate. Let election integrity prevail within each of these states and we decree the shift has come tonight. And father, what you revealed to me, was Isaiah 41: that the Lord will indeed uphold us and our nation with your victorious right hand. And father, we decree these things in the name of Jesus Christ, Amen and Amen.

**Clay Nash: [00:26:25]** Amen. We are in agreement with that. Becca, you're up next. But I want to declare over Pennsylvania out of their state motto that virtue, liberty and independence are only established through your total surrender to God. Georgia, I declare over you wisdom,

justice, moderation. May your behavior be just and wise as you're totally led by God. Wisconsin: forward we call you forward, Wisconsin. forward into God's destiny and purpose for you as a state. Becca, what's in your heart? Good to have you. I know you were out of the country last week, but good to have you on tonight.

**Becca Greenwood: [00:27:12]** Yeah, I'm so glad to be back. I tried to get on. We just had bad internet up in the mountains of coaster. Bad phone connection. So, but really, I really would love to pray concerning Georgia specifically. And while Hope was praying, and even this morning when I was in the intercession and I know I'm the warrior, so I'm going to pray my warrior prayer, but I could literally begin to hear a sound in the spirit. It was the seducing spirit that is coming out, that, over the people to keep them mesmerized. And so I just I really want to pray. It says in first Timothy 4:1, but the Holy Spirit explicitly and unmistakably declares that in the latter times, some will turn away from the faith paying attention instead to deceitful and seductive spirits. And so I instantly started hearing in Georgia the spirit of seduction, even coming out of Stacey Abrams, which is a part of the Jezebel spirit. And so I literally, in my intercession this morning started binding that sound. So Lord, right now together, as we are praying together concerning Pennsylvania, concerning Georgia, concerning Wisconsin. Lord right now, specifically in Georgia, we take authority over a seducing spirit that is coming out of deceitful mouths, that is seducing and mesmerizing people into slumber and where they are unable, their senses are dulled to what is right and wrong, where there is an attraction to things that are being fed released that is deceitful, pulling people in. Where there is, where is greed is in operation in hiddenes that is being used to seduce people in. Lord, Right now we break and we bind and break that spirit of seduction and that sound that is coming from the governmental gate state of Georgia. We say all false prophecy, all words that are being spoken out and that greed and that money that is being released that has a sound of seduction that attaches false prophetic anointing to it. We take authority over that assignment in the governmental state of Georgia right now. And Lord, we speak that your truth, that your righteousness, that it will be heard. That true prophecy, the true spirit of God, the pure spirit of God will be responded to and that truth and righteousness and justice will be released. And Lord even now, Lord for Pennsylvania. Lord, we thank you for that altar of covenant in this land. And Lord, we thank you for that altar of covenant. Just as Ken was praying about Covenant, Lord, we say yes to that covenant. And Lord, we say that as righteousness, as people are positioning and saying yes and stepping in for this race. Lord, we say that the altar of covenant that even that righteousness that is flowing through the land will be awakened in Pennsylvania, that they will step up and they will stand for

the right thing. That truth will unfold in the elections. And Lord, for Wisconsin, Lord, I thank you Lord, for all the worship and the prayers and the prophetic acts and the intercessions that have occurred in Wisconsin. Lord, I thank you for the healing that has occurred from the First Nations, Lord, to the church in Wisconsin. And Lord, we pray from the apostolic the Apostolic Islands that a sound will come forth of righteousness from the First Nations people, Lord, that will cause a nation to shift. And so, Lord, we release your truth, your Holiness, the sound of your spirit. No false prophet. And no false apostolic leader that is trying to position governmentally will your sound be heard over the sound of the covenant altar in this nation and the voice of the Lord. We speak and release the pure prophetic sound to be heard throughout the land. Thank you, Lord.

**Clay Nash: [00:32:12]** Amen. Thank you, Becca, for that. I'm just reminded after Tim mentioned that while ago: all seven places we went on that retracing the covenant roots, we carried arrows with us. And the arrows had a tip that screwed on. And we couldn't leave the arrows there. but we would take and push the arrow, the tip into the soil and then twist it and leave it in. So it's planted in the state of Pennsylvania being one of those. There is an arrowhead, and I just declare out of that, that that arrow has been there and it's ready. And it's going to be--that tip is going to be launched and it's going to be a missile launched by the angel armies and it's going to accomplish what God has for it to accomplish in Pennsylvania. We declare that now. Timothy, what's in your heart?

**Tim Carscadden: [00:33:09]** Thank you, Clay, and thank you all you prayer warriors who are on the call with us tonight. And I just want to come in total agreement. I was getting the same thing that Ken and Becca were about the covenant. And to my heart tonight, especially, is toward Pennsylvania. I shared it Last week as well. We had a dream in our ministry that God was going to use Pennsylvania to restore the Constitution. And the covenant over that state is critical because that's where the Constitution came from. And we took a group in one of the past elections and the Lord told us to go pray at all the swing states. And we were in the Pennsylvania state capital and just reading all the scriptures that are in that capital. And we were just praying and a group came up to us and said, What are you doing? And then we said, Well, we're praying. And they said, Can you come in here? And there was a room where intercessors were praying and they were so discouraged. They were so downtrodden and they just said, Thank you for coming. And I just want to. I want to put wind into the intercessors of Pennsylvania in this moment of prayer tonight, that we would pray for them, that they'd be strong. There is a many there that pray that way. But Pennsylvania, the Keystone State, I want

to make a declaration over them because they were the middle colony of the 13 colonies and they were the key position for everything economic, social, political development of the United States in the very beginning. The three key things that they produced; the Declaration of Independence, the United States Constitution and Gettysburg Address. And we thank God that they were a covenant state from the very beginning and they have broken covenant in this last election 2020, when they defied their own state constitution and broke the rules that count votes that they should not have counted. And I was reminded by studying King's. I've been reading King's lately. And Israel would sin time and time again. And it just seemed like you could see why God would give up on them. And he said, no, God would say no. He remembers his covenant with David. He remembers the covenant of Abraham, Isaac and Jacob. And he would be patient and long suffering. And I want to decree that God is going to be patient and long suffering with Pennsylvania, with Georgia, with Wisconsin, especially. But tonight, my heart's for Pennsylvania. and I say we call to its covenant roots. Lord, we repent on behalf of Pennsylvania, Lord. What happened in 2020, when they broke their own laws, when they defied their own covenant that they had made. And Lord, just as Israel failed over and over again you were patient and longsuffering and you held on to restore the covenant over Israel. Well, we say the covenant over Pennsylvania will be restored and they will be a part of restoring the true covenant we've made with you Lord through our constitution in America. And we decree over them right now that every battle that happened there. That, even the Gettysburg Address, Lord, that the President Lincoln gave, we thank you Lord, that he spoke a word to set the captives free and we decree tonight-- I'm really feeling to the prophecy this: that Pennsylvania will set the captives free in America. That they will break a logjam of things that need to be broken loose and for justice to roll down like a river. We decree that right now out of Pennsylvania and we call your covenant roots, Pennsylvania-- and I felt led to just decree, Isaiah 51:1. It says, Listen to me, you who pursue righteousness, who seek the Lord, look to the rock from which you were hewn and from the quarry from which you were dug. And we speak to the rock and to the quarry of Pennsylvania, where you were hewn and where you were dug from, that you are to be a key stone, a keystone state, a central state to wedge this nation for its righteous call. And we call to the prophecies in the ground. We call to the covenants. We thank you, Lord, the Moravians have prayed there and they cried out Father, Day and night for prayer for Pennsylvania. We thank you for the Quakers and we thank you for all the great moves of the past. and we thank you for William Penn, who it's named after. And we want to decree the word of the Lord over him. William Penn said one thing once he said, if we will not be governed by God, we must be governed by tyrants. And Lord, there's tyrants that have ruled and ruled in 2020, and we say

we will now choose to be governed by God. We speak that over Pennsylvania, we speak it over Georgia and Wisconsin as well, and that we will not be ruled by tyrants. We will be ruled by God and we declare him king over those states tonight, especially this Keystone State, Pennsylvania, in the name of Jesus. Amen and Amen.

**Clay Nash: [00:38:07]** Amen.. Thank you, Timothy, for that. We stand in agreement that covenant root out of Pennsylvania is going to be a strong one that's going to influence other states, not just around it, but across the nation. Anne Tate, what's in your heart?

**Anne Tate: [00:38:27]** Well, Clay, as I was listening to the other prayers, I so support with the Covenant, because this all begins and ends with covenant and you served the covenant better in some generations than others, but you always served the covenant. And so in this generation, we're returning to a strong covenant root. And because of just the things that you all have done in the place that you've gone and decrees, you've made, we've all made countless journeys over the last 20 years to strategic places, and I call a fullness of time into every one of those valves that were placed. Into every one of those words that were decreed. And I pick it up like an umbilical cord and I pop it. And I say every word that was spoken over those things stand up. stand up and cry out in the name of Jesus and Lord, I speak to the stronghold of stealing the keystone. And I say that happened to the very beginning, and we say now is the time for that to stop. I require the theft to be returned in the name of Jesus. And Lord, I say I call to a halt of the operation of a strategy from hell that has had a structure created on purpose that absolutely creates a new reality where truth is presented as a lie and the lie has become the truth. I decree an end to bewitchment and an atmosphere of charmers, calling to snakes that has resulted from it. I break the power of that and I say, Stand up. You are going to have your heads cut off in this season, in the name of Jesus. I say that no witchcraft charmer, no operation that you can use that has been practiced by man will overcome the Lord God almighty. I say that we're a fighting unit. We're an army and we are moving forth in battle and we're coming after you, in the name of Jesus.

**Clay Nash: [00:40:40]** Amen and I quote out of Proverbs 10 and verse 30; God's lover can never be greatly shaken. We are your lovers, God. But the wicked will never inherit the covenant blessings, and we thank you Father, those covenant routes across all of the states will stand. And we declare we will inherit the covenant blessings because we stand in covenant with you, Pat. What's in your heart?

**Pat McManus: [00:41:14]** Thank you, Clay, for the opportunity. If I can take my liberty with Wisconsin in three phases: the WUIS, the CON and the SIN. And I'ma say it this way: Father, we decree the spirit of wisdom and revelation beginning to be expressed in every--in the states that father that had been mentioned. In Wisconsin and Pennsylvania and Georgia. The wuis stands for the beginning of wisdom and revelation to establish the foundational expression of truth that needs to be birthed within those places. Father, when the spirit of wisdom and revelation is activated and received according to the principles of your words will expose the con games that are going on in every state. and father from the position of exposing the con games, the root of sin and bitterness will come to light in a whole new dimension. So, father, we declare this day that the spirit of wisdom and revelation is being activated, ignited and being the foundational expression of what it feels, sees, knows and moves like will be expressed in the land. So, father, we thank you for the purposes of unlocking the truth of what needs to be done through the spirit of wisdom and revelation igniting within each state. And father, we know that in Georgia, from one dimension to the other, that even as Herschel Walker was [inaudible] yesterday and the new guy-- the Georgia, the won the national championship, father. You're linking together the generations to express the foundation of truth, to bring that right into the right aligned order. So, father, thank you for what you're about to do by releasing the spirit of wisdom and revelation upon each state, exposing everything that needs to be exposed and bring in Father, The Righteous Order and true justice upon the land. We thank you, Father, in Jesus name. Amen. Amen.

**Clay Nash [00:43:14]** Amen, Pat. Thank you for that. That's strong. We come in agreement with it. Jacquie, what's Georgia got to speak into this tonight?

**Jacquie Tyre: [00:43:27]** Well, it's good to be back and glad to be on tonight. Just a couple of things. First of all, I, I began to see the gates over this state and gates speaking of the seat of government. And I saw vines and debris and just twistedness over the gates, keeping them from swinging open to the king of glory. And I just was pondering, where did that come from? And I heard the phrase "it's been the religious and political union that has come together in these states, like an illegal handshake." But I heard this phrase, "the religious political union shall not stand, but shall bow to the rule and reign of the King of Kings and the Lord of Lords. And instead of the religious political union, there shall be a loosing of the spirit, of spirit and truth; the spirit of God and the truth of God coming forth in a union that will break the power of the religious political system over these states." And then I heard that I was to decree out of Psalm

24. So I'm just going to start in verse seven. I'm actually going to decree this out of the passion translation and pray into that. Because we need, we must have the King of Glory ruling and reigning in these gates. So, father, as I go into decree this passage, first of all, I ask for your mercy where we had been blinded and we have taken alignment with religious and political spirits in an illegal handshake, and we've not been aware. And I say father, open the eyes of the people of these states and all across this nation to recognize where the counterfeit has been ruling and reigning even amongst your people and not having the discernment to tell the difference between that which is of the religious political spirit and that which is of Holy Spirit and the word of truth. And I speak father over these states that have a covenant root, that had gates of righteousness that were established from their foundations, but have been embroiled in battles and overgrown with weeds and vines and all kinds of evil. But I speak to those states now out of Psalm 24, and I say, Wake up, you living gateway! Lift up your heads, you ageless doors of destiny. Welcome the king of glory! Welcome the King of Glory, Georgia, Pennsylvania, Wisconsin! For he is about to come through you. You ask, who is this glory king? The Lord, Armed and ready for battle. The Mighty One, Invincible in every way. So wake up you living gateways and rejoice. Fling wide you ageless doors of destiny. Here He comes, the king of Glory is ready to come in. You ask, Who is this king of glory? He is the Lord of Victory. Armed and ready for battle, the mighty one. The Invincible Commander of Heaven's host. Yes. He is the king of glory. And I decree that over Wisconsin, Pennsylvania and Georgia, the king of Glory is coming through the ancient gateways of this state, through the ancient gateways of covenant that that which has been proposed through these last hundreds of years and particularly over the last 50 that has brought confusion, has brought division, has brought all kinds of deception and delusion into the operation of our nation. I decree now it must bow it's knee to the name of the Lord Jesus Christ. And I decree that there is a righteous warrior remnant rising up in each of these states that will stand, will pray, but they will also take action and they will advance with truth on their lips by the spirit of the living God. Not fighting by the flesh, but fighting by the spirit. And father, I declare and decree that these states are now aligning with heaven. That out of the Keystone State setting in place that foundation stone and out of the River Strait, that there is that river of God that is flowing, brings joy and laughter and celebration throughout this land and out of this governmental gate state of Georgia that the nation will align with the purposes of God, that the kingdom purposes that were established in this state at its foundation, though it became perverted, it has been restored and it shall manifest and cause the nation to see and know that there is none other but one God who rules and reigns and his name has come forth in Jesus. And I decree that every operation of Jezebel and Ahab, every operation of Ahtaliah and

all of the cohorts that would bring division, deception, destruction and a bringing down of righteous rule is being uprooted, brought down and shall not prosper in the name of Jesus. I decree that we shall see the king of glory being manifested, and it shall be seen in the election as righteousness rules and justice, in the mighty name of Jesus again.

**Clay Nash: [00:49:33]** Amen. Thank you, Jacquie, for that. You know, as I'm listening to everyone, I just feel real strong that Pennsylvania is going to be the rock, the stone that's going to be thrown against the giant. But I also believe that Georgia is going to be the arm that slings the stone. And I believe -- I know we're praying into Wisconsin but I believe that Wisconsin and the other states are going to be the ones that cut his head off. So I did declare that tonight. I see that, I declare that and I call it done, in Yeshua's name, Amen. David. What do you have?

**David Hertel: [00:50:12]** Yes I just felt the Lord was saying, and coming in agreement with all of you, so powerful and so militant and felt like the Lord was saying that He's militant about it. But Psalm 2:1 it says, why do the nations rage and people try to things. And then I just, uh, my heart went to verses seven and eight where it said I will declare and decree, the Lord said to me, You are my son today, I have begotten you. Ask of me and I will give you the nations. And when I read that and you said the states of the nation of America, if you ask of me, I will give them to you as your inheritance and ends of the Earth are your possessions. I know the Lord, tonight His Ekklesia, is asking for the states of this nation and father God has promised him that he will receive what he asks in that. And so, I sense, he's asking for the states to be returned to him. I know their covenant roots have been pulled on. And that's so powerful and it agrees with this. But, so I know we're in agreement with the initiatives of heaven here. And so, Lord, we thank you and we just tonight, together the Ekklesia, who can legislate in the Earth, the things of Heaven. We have been given that authority. We thank you and we claim these states, these states that have, in a sense, been stolen. But we claim them for the Kingdom of Heaven; Pennsylvania and Georgia and Wisconsin, especially tonight. And the other key states, Lord, that we're taking advantage of for different reasons. We claim them, Lord God, and for that, claim that they are being taken by the Kingdom of Heaven to be manifest in the Nov. eight, 2022, election, Lord. Through the Senate races, through the House of Representative Races. Lord, we thank you that the fact that the Kingdom of Heaven has advanced in these states to claim them as its own will be manifest through the elections. Even as we saw a first fruits of it in Virginia. We thank you the first fruits-- if the first fruits is holy then the whole lump is holy. And we thank you that the first fruits showed us something of a turning point of view. We thank you

that's what these states will do. Every one of them ultimately, and this nation will fulfill its destiny in you, in Jesus name, Amen.

**Clay Nash: [00:52:41]** Thank you, David. Strong, strong. Dan, what's in your heart?

**Dan Blacksher: [00:52:47]** Thank you, brother. As everyone was praying, I just kept hearing, "release the spies into the land." And so, father in the name of Jesus, Lord, we release the spies into the land of Georgia and Wisconsin and Pennsylvania. Father, we release those Caleb's and Joshua's to rise up in each of those states that will be people of influence in positions of power. Lord, that there will be attorney's that rise up justly and volunteer their services to steal every fruit of fraud that would try to be attempted in this upcoming election. Father, we declare every attempt, Lord, that you will raise up a Joshua or Caleb that will absolutely cause every attempt at hacking into the voting machines, that fruit to fail completely. Father, every attempt, Lord, of trucking in ballots will fail completely, as the Joshua's and Calebs are on the scene to take that fruit of fraud and keep it from actually having an impact on the election in Wisconsin, on the election in Georgia, on the election in Pennsylvania. Father, we thank you, Lord, that you're exposing the enemy and Lord, we're in the middle of delivering the enemy into our hands so that the land of promise will be fully ours. And so, father, right now, we thank you that this is the beginning of the driving out of the giant of fraud, fraudulent voting machines, systems and attempts to change our elections from what you divinely inspired in our founding fathers. Father, we thank you that this giant will fall and it will happen in November of this year. This giant will have its head cut off, and we declare, Lord God, that it will send fear through the enemies camp and send them running in every direction, not knowing where to go. That there will be no place to run and no place to hide. That Justice will not find them. So Father, we thank you Lord God, and declare in all three of these states, the Caleb's and the Joshua's those from different generations will rise up and band together to see this giant and their state slain before the eyes of all the people and send fear into the enemy's camp on a national level, in Jesus name. Amen.

**Clay Nash: [00:55:20]** Amen. Thank you, Dan, for that. Greg Hood, what's in your heart? Well, Greg has been having some trouble with the call... Are you with us tonight, Greg? OK. He must have dropped off. Brother Jim Hodges, are you where you can come on now?

**Greg Hood: [00:55:52]** Hey Clay, can you hear me? This is Greg.

**Clay Nash: [00:55:56]** Yeah, we got you there, Greg, bro, Jim, I'll let you go after Greg. Go ahead.

**Jim Hodges: [00:56:01]** OK.

**Greg Hood: [00:56:02]** I want to just pray into Pennsylvania. The Lord has really had that state on my heart as you were giving us instructions of what state we're going to be praying for. So Father, I just pray over Pennsylvania tonight and I thank you, Lord, that this state is rising to the top, that you're bringing it into a place Father, that it will display righteousness in a way that we've never seen before. Father, I thank you, Lord, that you are bringing your sons and your daughters to the forefront, even in the state of Pennsylvania. Father, to where they're laying aside their fears and religious traditions and the things that have kept them out of the political scene. And Lord, they are coming forth and saying, it's our turn. Father, I just thank you for that tonight that you're raising them up and you're bringing them to the forefront. I hear the spirit of Lord saying tonight that the Panther in Philadelphia is being devoured, displaced and locked up by the Lion. So, I'm not sure what that means, but Father tonight, we just take authority over the panther that is in Philadelphia, and we decree tonight Lord God, that the lion of the tribe of Judah is overcoming and devouring the panther in that city. that you are raising this city back up again. You're bringing it out of the ashes and you're bringing it into beauty. You're bringing it out of the place of corruption. And you're bringing Philadelphia into a place that it will begin to bloom with the glory and the presence of the Lord. So Father, today we just agree together and we decree together that Pennsylvania is stepping into a new vein, a new vein of revival, a new vein of awakening, a new vein of the release of your goodness and your glory. So father, today, we release that over that city. Lord, I hear today too, that you're saying that, that within Pennsylvania there is a sweeping wave of your glory that's beginning to start around the rivers Lord, around the rivers of Pennsylvania, around the rivers of Philadelphia, even. And God, those that are on those rivers are going to begin to see your goodness, Father. There is a fresh breath of your wind that is blowing upon the churches, Father, your Ekklesia in the city of Philadelphia. For Lord, Philadelphia will be a turning city. It'll be a city that plays a key role in the state of Pennsylvania, shifting and moving back into a place of righteousness. Father, we thank you, Lord, there is a fresh deposit growing from the root of love. Your love that has been in that state and you're bringing forth, Father, this root, Lord, that is blossoming, pushing forth, father, this new sprout from the ground and causing new fruit to be able to come, Lord, as the sprout begins to make its way into a tree. And Lord, I thank you for that today. I give you Praise Lord

for Philadelphia, Pa., as it is going to be used to help steer and bring this state back in to what you've called it to be. So I release that over Philadelphia today. I release that over the state of Pennsylvania today. And father, I thank you Lord, that the lion is devouring the Panther, and the Panther has no more voice. It has no more bite. It has no more influence in that city, in Jesus' mighty name.

**Clay Nash: [00:59:56]** Amen, Greg, we come in agreement with that. Brother, Jim Hodges, I know you're on with us, what's in your heart? Finish up the call tonight. [01:00:05][8.7]

Jim Hodges: [01:00:07] Thank you, Clay. Thank you, team. I want to begin with a declaration, not a decree, if that's okay. My declaration is: March has come early to Texas. I've been in the bed several days, not knocked out, but just kind of taking a little break, fighting some stuff and the wind has been blowing so powerfully in our very well-built house. So I want to announce tonight with gladness, come on, the wind is blowing in Texas. Now I know March, you know, it's supposed to blow in like a lion, like a lamb. We all know that, but I don't-- I wouldn't be surprised this year if the year doesn't come blowing in like a lion roaring, go back to the Chattanooga meeting right? And just keep on roaring.

**Clay Nash: [01:00:59]** Yes

**Jim Hodges: [01:01:00]** What I want to do tonight. I was stirred through the whole call. So comprehensive, so strong, So focused. Years ago, I can't recall the year now, forgive my lapse of memory on occasion. But Chuck Pierce prophesied something I'd never heard in my life, and I was amazed. I was almost enthralled with it. I followed it somewhat. I think it's time to focus again on Chuck's perspective on states in our nation being either sheep states or goat states and what's happening right now in the news--even out on Flashpoint; Lance and Bailey and Hemmerman and Maury. They all document the same thing. What's going on basically across our nation. People are leaving these blue, come on, monstrous, anti-Christ led states. and they're moving out of these states that are goat states, by all observation, into sheep states. Now, of course, it's not clear-cut lines. right here in my own Texas state of Austin we've got Austin is being colonized by homeless people. It's like L.A. It looks like San Francisco, but we're not going to get into that. But the point i'm trying to make is these states are going to come up looking like sheep states serving the Lord, and living a covenant with God that Tim talked about earlier or goat states that it is totally so going against the government of God that is destined to reign and rule in our nation. I want to say this tonight. This is a perspective issue because we

talk about the lion roaring. We talk about the Lion of Zion. And I would like to say tonight church, We are not marching to Zion. We are Zion marching. We are not captives in the wilderness. We are citizens of Zion. I read Hebrews 12:22 -34 more than once, as you have. So we're not marching to Zion, we're marching.

**Clay Nash: [01:03:06]** Yeah.

**Jim Hodges: [01:03:06]** Number two: I'm praying that Senator Ron Johnson is reelected. He has stood strong against the pandemic curse. We're gotta have him in Wisconsin. Tom opened the whole thing up about the beautiful waters in Wisconsin, the apostolic remembrances. But we're gotta have Ron Johnson. And how about the Virginia governor? Is it governor? Governor Yangon has stepped up. You talk about Cape Henry shaking again. I saw some more crosses get planted. This man came in and decisively took action toward righteousness. It was {inaudible}, no, him-hawing around. Well, let's deliberate. No! Let's don't compromise with evil. Step in, do the right thing in Jesus name. I love his decisiveness. I just love this thing. Cape Henry is stirred and shaking again. And then you hit it so well, clay, which we gotta-- is this being proud of these low polls of our current government? Listen, the election integrity has got to be restored in every issue, not just in states that we have to have a swing states, but every state to raise the bar of righteousness through our land. And I want to conclude tonight before this prayer, briefly, I have a dear friend who's a mature prophet, mentored many prophets across the nation. Samuel Bradfield, wonderful man of God. And he, looking back over his career when he is prophesied this, you mark it down. It happens. And here's what Sam is prophesying again: holy Spirit is going to fall in the fall. before, during and after November eight election. Father, thank you tonight for the concentration compilation, comprehensive, cohesive, power packed intercession that's been released, that's turning things even more than they have turned. That's turning them quicker or expeditiously. The wind is blowing again. Hallelujah. Let the wind of the spirit blow upon all those dry bones. All those dry places, all those places look like they're beyond resurrection. As Greg prayed tonight, God can resurrect a Philadelphia. Such a shameful representation of our nation's founding. Now gets resurrected by the clanging of every bell. Proclaim liberty throughout all the land to all its inhabitants. The bells are ringing and the wind is blowing and Zion is marching, in Yeshua's name.

**Clay Nash: [01:06:06]** Amen. Thank you, brother, Jim Hodges. Strong, strong, strong. In my book on Relational Authority, I talk about Zion as a place of-- it's God's manifested presence and

it's the place of deployment. So that's Zion marching right there. Also in Psalm 84 and verse 5, it says blessed is the man whose strength is in God, and whose heart are the highways to design. So father, we declare over this nation tonight those that have the highways to Zion, they are marching to Zion. But those of us that have already arrived, father, we're being deployed from there and this battle, There is a wind of God blowing to bring about the win, w-i-n, of God. We declare that tonight on this call. Thank you, Lord, for every host. Thank you for every participant. Thank you, father, for those that have joined with us tonight. And we declare that the authority of these calls, every step we take, these 44th steps; Forty one more, I think it is Lord. We just declare they're going to get stronger. We're going to accomplish your will. Let heaven's will be done in this nation, in Yeshua's name, Amen. All right, we'll be here tomorrow at 2:22. Another great call this week. Will be transcribing this. Recording will be up tomorrow, but the transcription will be coming up. And if you're on the call tonight for the first time, and you're not on the email list, Please join it. Go to [claynash.org](http://claynash.org) and sign up there. And I want to-- I want to thank our hosts tonight. It's only been an hour and seven minutes. It's been sixty seven minutes. Got to be something prophetic into that. A moderate Psalm, 67 when I get out of here. But anyway, 67 minutes, we accomplished a lot because the hosts stayed very focused. Thank you for your focus tonight. Thank you for the leading of Holy Spirit. We'll Be here tomorrow. Bless all of you with a great night's rest and let the wind of God blow.
