

Triumphant Prayer Call for Righteousness: Tuesday Night Prayer Call

Topic States: Durham Report & Rainbow Trout Dream

Date: 2/22/2022

****For errors and corrections, email HealOurLand@claynash.org****

Pat McManus: [00:00:12] Good evening, everyone. Welcome to the call. The triumphant prayer call for righteousness across our nation. I'm Pat McManus hosting the call for Clay tonight as they're flying home from their powerful meeting in Washington, DC. And we have a great group of people on tonight that are ready and have a good word in their heart to be able to decree over our land. But Clay asked me to share something first that he has coming up and it's called "keys to the kingdom" and it's beginning March 6th. He's going to start sharing some opportunities to reveal truth of keys to the kingdom, which is a place for helping to empower, impact and to help shift people for healings or miracles or different things they need to see in their life. And he's going to start March 6th, and it's like a 20-minute thing on a live stream video for people to connect to and have opportunity to be able to hear as he shares keys or tools to be able to bring breakthrough into people's lives. And an email will be going out soon so check your email and be ready to receive, but also to participate with what he's about ready to do to help ignite and empower people to be able to see the fullness of the Kingdom of God as they receive the keys that they need to have moving forward. So I'm going to pray first and then have Betty jump on. So, father, We thank you for the opportunities that we have to be able to stand in agreement and alignment across our land. We thank you, father, that you are igniting the Ekklesia to be able to come together as one to see the purposes of God prevail and the Kingdom of God advance in our land. So father, we thank you for the opportunities that we have to come into alignment and agreement with your word, your will and your way in our nation. So father, we thank you for what you're about to do, in Jesus name. Amen. Betty Love, what's God got on your heart?

Betty Love: [00:02:05] Well, Pat, it's good to be here.

Pat McManus: [00:02:10] Uh Oh. Betty are you--

Betty Love: [00:02:10] Here I am. I thought I was...I'm here, Pat, thank you. Let me ask you, Pat, for instruction. Do you think it would be good to share the dream or do you think that's not necessary?

Pat McManus: [00:02:26] Share, you can share part of it. Betty, that would be great, so people have a basis for where we're going. That would be good. Thank you.

Betty Love: [00:02:34] OK, good. The dream we're referencing is the rainbow trout dream. And actually, Dutch Sheets shared it on February 17th, on Give Him 15, For those of you that maybe have not seen that, I'll just share a portion: "during the 2020 election battle (and this is Dutch), I went with a team of 20 intercessors to Coudersport, Pennsylvania to pray at the headwaters of the Allegheny River. This location was chosen based on a series of dreams given to different individuals. Pennsylvania was our nation's birthplace, and we felt that Holy Spirit was highlighting this location to confirm that a new birth is coming to America. While there, he gave Clay Nash another significant dream. I mentioned this dream in yesterday's post. Today, I want to share the entire dream with you, along with some insight gleaned." So I'll just give the dream.

"I dreamed the morning of Nov 16 [2020], while in Coudersport, PA, that Dutch and I were fly fishing in the Allegheny River.

"There were people along the bank of the Allegheny kneeling and praying. Each person, after a time of prayer, would rise and walk away very focused, very intentional, and very fast-paced, as if they had received an assignment. Dutch, on the other hand, was very intensely focused on the fly fishing.

"People began coming to Dutch and shouting, 'Come on out of the water, we need you with us.' It irritated me and I was about to intervene in their disruptions when Dutch told me to 'stay focused on the fly fishing; God is about to reveal Himself.'

"We remained diligent in casting our flies upon the water. At almost the exact same moment we both caught trout. Both trout had beautiful rainbows on them, so bright it was amazing. Dutch, being a distance from me shouted, 'Come here, you must see this.'

“As I sought to remove the fly from my trout’s mouth, in it I discovered a gold coin that had the word, ‘Mercy’ on it. I shouted back to Dutch, ‘You must see THIS!’ I moved quickly to show him. Many people were still kneeling and praying. They began to arise and they, too, had ‘Mercy Coins.’ Each one threw a gold ‘Mercy Coin’ into the river.

“When I arrived where Dutch was, he showed me the gold ‘Mercy Coin’ he had retrieved from his trout’s mouth. He then held the trout up to look at the rainbow on its side. On the right side of the trout, over the rainbow, was the word, ‘Reset.’ Over the rainbow on the left side it said, ‘America shall be saved.’

“About this time a raft came floating down the river with George Washington and other people in it, some of them being First Nations people. They were holding up the Appeal to Heaven flag. The flag, however, had additional wording on the bottom: ‘No Surrender.’”

And then the Dutch goes into the interpretation of the dream and I'm just going to give a little bit of that and then begin to decree in.

"First, there were many people on the banks of the river praying. The dream was about appealing to heaven."

And I would interject here tonight. We have come tonight to do that again and to decree into our nation, into the heavens and into the earth: No surrender. We will not surrender. We will not give ourselves rest until we see the covenant plan of the Lord established in our nation. The prayer bowls tipped, healing revival, awakening and reformation come to America.

Dutch goes on to interpret saying, *"Clay and I were fishing for rainbow trout and each of us caught one. In the scripture, the rainbow represents covenant. On my trout, over the rainbow on each side were the words "reset" and "America shall be saved". I realized, There is a reset movement being conducted by globalists, but don't be confused by this, God is doing his reset also. But America's reset and salvation can only occur as we honor covenant. First and foremost, we must honor the covenant we have with God through the blood of Jesus. The Holy Spirit has also been telling us that America must honor and we believers must decree the power of the covenant we have with God as a nation."*

And then the other thing he brought out here is about the First Nations portion in this dream. And, I was looking just for that section. Dutch said, *"I've made known for years that the next great outpouring of the Holy Spirit in America would include the First Nations people. God loves them dearly and will not allow them to be forgotten. I will say more about this tomorrow sharing a report of what's happenin."* But he said, *"but in the dream, they were in the boat with us. How much clearer could Holy Spirit make this? We must have the First Nations people in the boat. They have an incredible role to play in what God wants to do in our nation, and I believe he is coming to visit the reservations and the native people all across the land with great revival."*

So that's the excerpt of the dream. Well, that is the dream in its entirety, and just a few excerpts from the interpretation that Dutch gave. I would encourage you to go back and read that post from February 17 and I will just pick up here.

I want to also— I'm going to share. Now, this dream, I believe it was November of 2020 that Clay had on 8/13 of 2020 it just so happened that we were doing an Arclamist(?) It was a 3-state conference in Louisiana, with Dutch and Clay, myself, our worship team. We had all converged there in Louisiana. And that morning before the conference began the Lord gave me a prophetic word. And I believe that it confirms this dream and I just want to come again again with this word. And what the Lord said on August 13th. He said, "wisdom is proved right by her actions. The foundation of my throne is righteousness and justice. I will deal with injustice on the mountain, especially with the First Nation people. The mountains will shake and then a great reset. Reconciliation and restitution. A nation within a nation will be healed. It will be a sign. what man has thought impossible will manifest before their very eyes. I will heal your land, America. As for you, O righteous remnant, dreams really do come true. For once again, your roots will produce and you will bear fruit. I am resting in a glorious place today. Go ahead and decree the victory." Father, I just want to thank you for your faithfulness. Father, in that gathering there at the Allegheny, father, in a meeting there, we know that a lady came up to clay and said that the Durham boat would reach its place and Lord, we thank you that as we stand together united across this nation, father, on this powerful day, 2/22/22, father, we thank you for the authority that you have vested in us as your Ekklesia. And father God, we have come to open the doors and open the gates for righteousness and justice to flow throughout the land. Father God, a very flow that is going to cause the Durham report to go into every place that it is ordained to go. That is going to bring full exposure to any corruption and all corrupt structures in our nation. Father God, you have said in your word that the hidden would be revealed. And so,

Lord tonight we remember the covenant roots and we ask that you remember. We remember the power of the blood covenant that we, your people, have with you. And Lord we ask that you remember the covenant root and the ancient markers that have been established in our land. Father, through the righteous acts of our forefathers. Lord, we agree with your redemptive plan for our nation and Lord, we thank you that mercy is the currency of heaven and Lord redeem the United States of America from all manners of destruction schemed by the Kingdom of Darkness and evil men and women. Father, the very structures that have been powered--Lord, been empowered with darkness. We say let the desires, plans, devices and expectations of the enemy for this country be completely frustrated. Let them be exposed and Lord, as reports have come in, Lord, You're going to cause things as they begin to be exposed to fall like dominoes. There is a domino effect coming. and Lord of the Angel Armies, we agree with the assignments of your angelic host and your warrior angels. Let them go forth victorious on their missions this day. Running on your word through the decrees of your functioning Ekklesia. Lord, Let the angelic warriors locate every evil establishment, evil altar, satanic tree and seating of Satan in this country. Lord God, let every hidden thing in this Durham report, Lord, and investigation be exposed. And father, we thank you that there is an uprooting, a tearing down, a destroyed and a completely overthrowing of the corrupt structures. We decree that you are the everlasting God. Our Beersheba is still speaking in the land. The appeal to heaven. Banner is waving. Our evergreen is standing tall. The appeal has been heard and it is being heard. And Lord, we decree: No surrender! No surrender! Lord, we thank you for divine reset. We thank you, Lord God, that salvation comes because we honor your covenant through the blood of Jesus. And father, also tonight, we decree no more censorship of the truth. Father, I come into agreement, you said I am breaking through every wall to bring exposure. The enemy will not be able to censor the truth from the American people. And what they have not seen, what they have not known will now be exposed. I will expose those who through ungodliness and wickedness suppress the truth. My light will swallow the darkness and expose the truth. And finally, Lord, I just want to thank you. The number 22 also is connected with the 400 years. You promised Abraham at the end of 400 years that his people would be delivered from bondage. And father, I thank you for the promise that you have given me, even back to 2019, when you gave the 70-day decree of righteousness. Lord, you gave a promise and you said this. you said for once again I will see the blood covenant and hear the cry of a righteous remnant of the land. It is time. Your covenant with death will be annulled. Your agreement with the grave will not stand in this nation. The sin of the nation has reached its fullness, but the bowls of all the prayer movements have reached their fulness. I will see and hear the outcry of my people and tip your

prayer bowls, America. Revival, awakening and reformation will come again to this nation. So, father, you have said it. You have brought it through many people, even from other nations, saying that our prayer bowls would be tipped. Lord, we believe that we are in a now time of when those bowls are reaching the time of tipping. Lord, You are our true strength, our glory song, our champion. And Lord, with shouts of victory, we decree victory, victory, victory. The Durham report, the Durham Boat will reach its destination and we decree it so, in the name of Yeshua, Amen and Amen.

Pat McManus: [00:17:06] Amen. Thank you, Betty. That is powerful what you shared. in trying to help bring release of God's power and presence and everything coming into right alignment, that is powerful. Thank you for that. Jill, what's on your heart?

Jill Nichols: [00:17:21] Praise the Lord. Praise the Lord for you, Betty. And Pat. the power and the presence of the Holy Spirit on these calls. Just, it just takes my breath away. The Lord had me go to Revelation Chapter 3. I was unfamiliar with Clay's dream. So I kind of went on a hunt for it today, waiting for people to send it to me. And in the meantime, the Lord took me to Revelation 3, probably because it is 2/22/22. It is also George Washington's birthday. Anyway. So I'm just going to read this and we're all very familiar with this, but I feel like it's a timely word for this end of the day of this powerful assignment that took place in D.C. earlier. These are the words of him who is holy and true, who holds the key of David, what he opens no one can shut and what he shuts no one can open. I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name. I will make those who are of the synagogue of Satan who claim to be Jews, though they are not, but are liars. I will make them come and fall down at your feet and acknowledge that I have loved you. Since you have kept my command to endure patiently I will also keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the Earth. I am coming soon. Hold on to what you have so that no one will take your crown. The one who is victorious, I will make a pillar in the temple of my God. Never again will they leave it. I will write on them the name of my God, in the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God. And I will also write on them my new name. Whoever has ears let them hear what the spirit says to the churches. And of course, we know this to be the letter to the church in Philadelphia. And so there's a resounding theme today about 2/22/22 and George Washington in the Durham boat and Philadelphia being the beginning of the nation. Well, the beginning of the nation. And even Benjamin Franklin. And

on the call, earlier today, I talked about the Post Office and that Ben Franklin was the first postmaster general in Philadelphia. So, putting all of this together, what I'm hearing the Holy Spirit say is that we in fact do have the key of David and we have in fact opened a door and we have shut a door. And so, father, I thank you that you have in an amazing way entrusted us, Lord, with this authority. And so, father, we take it with humility and lowliness, but with exceedingly abundant gratefulness. Father, we pray that you would continue to us to open doors and close doors in the days ahead. And his word says that although you have little strength, you have kept my word and have not denied my name. We see that in the current political climate, even with this Durham file, the Durham report coming out that we feel weak. Our country feels demoralized. Our country is weary. And the word says that I know you have little strength, yet you have kept my word and have not denied my name. Lord, I thank you that you are speaking this over the remnant. Over the Ekklesia. That even in this hour of low morale and weariness, that father, we have kept your word and we have not denied your name. Father, I pray that you would throw a blanket, a covering as it were, over this nation and that God, you would speak into all of the hearts and souls of the people in this nation, and you would strengthen them. Woo them, even, unto yourself. Father, that they would rise up out of this miry weariness and they would run toward you. Father, they would run toward the light and they would throw off all of the oppression, all of the deception. Father, your word says that, Since you have kept my command to endure patiently, I will keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the Earth. Lord, we thank you God, that it is written in your word that you are going to keep those who are called by your name. You're going to keep us from the hour of trial that is about to come on the whole Earth. And Lord, just as Betty has prayed about the great reset and Dutch has said, We have our own reset. Lord, we stand in agreement with that. That God, you are doing an amazing and new thing in the Earth. When Billy Graham died on February 21st, 2018, on that very morning, many, many people texted me and asked me, What does this mean? Billy Graham has died. What does this mean? And I didn't know what it meant, but I asked the Lord. And that morning he said, Go see what time it is. I went and looked it up, and it happened to be the sixth day of the month of Adar, which meant nothing to me. And the Lord said, Look that up. So I looked that up and it took me to Deuteronomy 31. It took me to the passage in Deuteronomy and the Lord said to Moses, Your death is near. Now gather the people. Commission Joshua. for tomorrow you enter the land. And the Lord said to me that very day, the day that Billy Graham died, he said, You're going to enter into a new era starting right now. And I am commissioning Joshua's globally. I'm raising them up to take the people into the land and there are giants in the land. But if you will stay with me and hearken into me and be

courageous and bold as Joshua's, I will give you the ability to take down the giants. The Lord said, You will live in houses you did not build. you will wear clothes you did not make and eat food you did not grow. And on February 21st, the Lord downloaded that entire thing to me as a prophetic sign and a wonder. Exactly 50 days from the day the Lord gave me that word, my house burned. While we were standing in the driveway watching our house burn, my husband and I looked at each other and said, Oh, we're going to live in a house we did not build and we're going to wear clothes we did not make, and eat food,we did not grow. And we never looked back. We knew the Lord was doing something more profound than we could even comprehend. And I believe he's still doing it. And so, father, I thank you that you send these powerful signs and wonders into the Earth to help us and to encourage us. And God, I pray tonight that our hearts would be made glad. And father, we would be strengthened in our inner man that we can go forward and advance and then take back what rightfully belongs to the Kingdom of God. As I've heard many times on these prayer calls, restore it back to original intent. God, we link our prayers with those that are already collected in the golden sensor bowls. And father, we say, release those bowls. Tip them out, father, in your mercy and your kindness. Pour these answers back out into the Earth,Lord, that our eyes will see and behold. And father, we thank you for the faithful in the land and we bless you with glad hearts. Grateful hearts tonight. In Jesus name. Amen.

Pat McManus: [00:26:28] Amen. Thank you, Jill. It's powerful. Thank you for adding the information with your hand and how it applies it. It truly is instrumental for us to be able to see what God is doing and how he's igniting our hearts to see things in a different way. That's powerful. Thank you. Regina, what's on your heart?

Regina Shank: [00:26:46] Well, you know, there's just so much on my heart. I'm trying to unpack it because I was reading about the boat and how Washington used it to cross over to face the Haitians and won that battle with them. and connecting that to the Durham investigation that is going on right now about the Russian collusion. And there's just so much in it that parallels. And as I was reading about the boat, I thought of Psalm 66:6 because the boat is sixty six feet long and six feet wide. And it talks about a crossing over a river. Now I think that's interesting that, of course, I'm very prophetic and I love prophetic things. And I saw that there was a crossing over that Washington did to come face to face with the enemy. And I think that's where we are. I think we are face to face with our enemy and we must be focused on what God wants us to do. And Washington, they found a way where there seemed to be no way. And I

believe that's where we are in this investigation and in America. That God is showing us how to cross over and face our enemy and to win against him. And I was reading at a first John 3 and it was talking about the one who breaks the law. In fact, verse four says everyone who sins breaks the law. In fact, sin is lawlessness. But you know that he appeared so that he might take away our sins and in him is no sin. No one who lives in him keeps on sinning. No one who continues to sin has either seen him or known him. Dear children do not let anyone lead you astray. He who does what is right is righteous just as He is righteous. He who does what is sinful is of the devil because the devil has been sinning from the beginning. The reason the son of God appeared was to destroy the devil's work. And there's a little more there. But I just want to say this. You know, in this Durham investigation, there are things that have been hidden that are coming out, and the word to Clay was that the Durham boat is going to land. And I believe that means that we are going to cross over. We're going to face our enemy, even as this Durham boat did when Washington crossed over. That we're going to face our enemy. And things are going to be uncovered and we are going to defeat this enemy. And so I believe it's time for that to happen. And for me, I believe that God is up to something huge and he's letting us in on a portion of it. And I think there's a lot behind the scenes that we don't know. But we are doing-- we're in a crossing over a moment. We're in a crossing over moment when God is going to uncover the layers of lies that have covered sin. And I began to see a picture as I was praying over this and thinking about it. I began to see it. It's almost like one lie after another, after another became a layer covering up the sin underneath of it. And you know, we even have our media covering up sin. and so I'm decreeing into that today. that those layers are going to be uncovered. So Lord, we decree today in this Durham investigation, that layer upon layer upon layer of lies will be removed and the sin will be exposed. And Lord, we decree tonight that we will be those that cross over. We will face our enemy head on and we will win, God, because you have called us into this battle. And I thank you for everybody on this call. And I thank you, father, that we have the power of covenant with us. Those fish have been caught. those rainbow trout. We have the power of covenant God working with us and you are with us, Lord. And you always go out with our armies. And so we decree today that we are the army of the Lord and that we are crossing over to face our enemy. And we also decree that the Durham boat is going to land. That those things that have been hidden in darkness will be exposed. And we will see prosecutions come to those who have been doing devious deeds of darkness because they want to promote themselves and they want to tear down someone else. And so Lord, we know that that is sin. We just read it in 1st John :3. And we also know that the accuser is out to accuse the innocent. And so father, we thank you that the innocent will stand without accusation and

those who have accused will be prosecuted and we will see a victory. The Durham boat will land. So, Lord, we thank you for these parallels. We thank you, father, This is Washington's birthday time and Lord, There is that boldness that he had to face his enemy. And Lord, I thank you that we have boldness to do the same and that you are awakening your people. And there is a new roar from the people of God and Lord, we are roaring against our enemies. Lord, We will not stand by and allow these things to happen in our nation. And so, father, we thank you, America shall stand. We thank you, father, that all fraud will be exposed. We thank you, father, that you make away where there is no way and as you did for Washington crossing over and you will do the same for us. And Lord, I want to thank you for the breakthrough that happened in D.C. today, Lord, that you send teams in to do battle for this nation. And Lord, we agree with what they decreed. We agree with what was spoken and we agree that America is rising up out of this sin and degradation that has come into our nation. So father, I pray that you raise up leaders with a heart for your purpose in America. That you raise up leaders God, Even as it was spoken. Isaiah, 22, Lord that you put down one and you exalt another Lord. I pray that you raise them up, God. and Father, we ask God that those who are there for their own agenda or to bring down this nation would be exposed and removed in Jesus name. And even as in the days of Eshter, where Haman came to destroy the Jews and Esther stood before the king and he held out his scepter. Lord, I thank you, tonight, we stand before the king and Lord that you are holding out your scepter to us and we take a hold of that scepter and we say, Oh, King of Kings and Lord of Lords, we ask you now in agreement with us to implement the decree that America shall be saved and this nation will rise up into her destiny. And that is to take the gospel to this nation and the nations of the world. And even as we're praying for the nations of the world, God, we pray for the Ukraine. We pray father, that you would cause that commotion to die down in Jesus name and father, that you would send angelic help to the people of that nation. And Lord, that you would be the one who would rescue them from the destruction of the enemy. So, Lord, we thank you tonight on this call. We thank you, father, what you're doing in the Earth and we agree with it, Lord. We work in tandem with you. You're the king and you're the warrior. And you lead out your armies and we follow hard after you to win this battle, in Jesus name. Amen.

Pat McManus: [00:34:49] Amen. Thank you, Regina. You know, as you were talking about the boat, the two things that I wrote down when I looked up about the boat: number one, its use was to carry ammunition, bullets or cannonballs. And another part of the article said it was a double ended. And I thought to myself a double-edged sword. So father, we thank you that the boat is used to carry information as well as ammunition to be able to dismantle what needs to be done

because it's releasing a double edged sword to truly divide, and to cut open and remove what needs to be done. So, father, we thank you that there is a revelation that the boat carries to be able to help dismantle. It will expose the root issue and the things that the enemy is using to hold place in, that FAther, the double edged sword will expose without any hesitation. So Father, we thank you for what you're doing by using information, by strategies and understanding to be able to see things shift and change according to purpose of your word. We thank you, father, in Jesus name. Thank you, Regina. That was really good. Hope Taylor, what's on your heart, sir?

Hope Taylor: [00:36:02] So, Lord, as we look through a scope tonight, a scope helps us to see into the future. It also helps us to focus on something in the future. So Lord, tonight, as we look toward November the 8th, 2022, I read Lord the word, which says out of Genesis 50: 20, and as for you, You meant evil against me, but God meant it for good. In order to bring about this present result to preserve many people alive. Lord, we know that between now and the end, somebody is going to steward the cultural maneuverings that head up toward November. God, tonight as the Ekklesia, those that you have assigned the Responsibility, Lord, as well as the privilege of stewarding actions and movements. Tonight, God, we assemble ourselves together in a spirit of agreement. And Lord, as we look forward 37 weeks, if my math is correct, from this very day. God, we say tonight that COVID chaos will not have the prerogative nor he empowerment to shift things away from election integrity. We decree tonight that Lord COVID chaos will in fact have to submit to the will of God, the providential will of God, as is being unfolded now in these next 37 weeks that'll culminate, Lord God in a resounding victory in November. God, We say tonight, even today, which was a tipping point for Russia, Ukraine, Lord, out of the news we've heard .Lord where our eyes are focused on that and we say tonight it must yield itself. It has no empowerment or will any way affect or shift or turn toward what happens as it relates to the United States of America and November election. God, We render it tonight. Though it's important. It's critical. But tonight, Lord, we set it into a narrow place, a boundary around it that has no element, no empowerment, lord God to become a swinging point for hard left political maneuverings and even Lord, that would be demonically embedded, in Jesus name. God, we say tonight, what we know politically is known as an October surprise. Father, tonight we look through a scope. We look Lord, the crosshairs of November And we say tonight, Oh God, that there will be, father, No, quote October surprise, that shifts things into a hard left socialistic agenda. God, we say tonight, we look forward now and we say tonight those things are bound. They are rendered powerless tonight, culturally speaking, over the minds of

the American people and the authority of Jesus name and Lord I'm mindful that Summers seem to be months that set the season, lord, for what comes after them. Lord, we have seen it through history. We've seen it recently in the United States. Lord, I'm very mindful of Canada, the trucker's, father, et cetera, et cetera., Now what we see as convoy, Lord, Truckers Convoy in the US. We don't know where all that's going. but God, tonight, We say it, Father God, over the summer months, that Lord, they will in fact set the stage. They will set the stage O God, for a great turning in The United States of America. There Will not be a detour and there will not be a distraction, but in fact, it will be a divine setup leading us into November. God, we say, even though we believe the next six months will in fact see cultural Turbulence. Lord, It will accelerate. But tonight, as your Ekklesia, we say it is limited in its capability to alter the course of providential direction God over the United States of America. God, we say that you have the ability, the power Lord God, even to use the movings of the enemy to line up with the will of God. And so Lord in kingdom purposes, we say, God, use those sayings, use those maneuverings, those mechanisms that the enemy would want to set into play God in these next 30 some odd weeks. So God, tonight as the Ekklesia, We say, Lord, finally, with jealousy, we watch over the cultural events. we watch over the spiritual atmosphere of this nation, God, and we say tonight there will be an unfolding God of providential events, not of chaos, not of demonic strategies. God, we watch over to perform what I want to call Lord God, dominion of the Kingdom of the most high God overcoming tonight, all the strategies of the enemy and we say again, finally, God, whatever the mean-- the evil. The enemy would mean for evil, God, we say tonight that you are, well able and capable to work it for good. And so God, we honor, we exalt and we place you in the highest place. Lifted high, exalted, even as Isaiah the prophet saw you, God, so we see you tonight above the United States of America. Well seated on the throne and may every other mountain come and bow before the king himself. We decree it tonight, in the name of our king, Jesus Christ. Amen.

Pat McManus: [00:41:30] Amen. Thank you, Hope. Very powerful. Appreciate the thought, the concepts and the process that you put there. It really helps us understand. And while you were praying that I kept on hearing the words: no surrender. And the picture that I saw was the guys in Uwajima as they were raising the flag back that fell over the four guys that were standing there, putting that flag back up. No surrender in reclaiming territory and seeing the Kingdom of God advance. And we see it like the appeal to heaven being raised up. No surrender because it still works. So thank you, Hope. Dan, what's on your heart there, sir?

Dan Blaksher: [00:42:08] And Thank you Pat. It's amazing that you just shared the last line because of what's on my heart. As I was reading-- familiarizing myself with that dream. Actually, the Lord prompted me to remember another dream about the Allegheny, and that was a dream where Dutch and President Trump were in a boat, going up the Allegheny and there were intercessors on the shores. And as they were going, there were Asian carp jumping, trying to, trying to hit them. And of course, the interpretation of the dream was that President Trump represented the United States. The Asian carp represented China's influence of trying to take out the United States, and as the intercessors would pray, those Asian carp would get knocked back into the water. And when they finally made it to their destination, they got out of the boat and there was an old house there. This is the end of the dream, which is the only part I could find. said, "Then the crowd became stone cold, silent. Out of the Old House came George Washington. You could see the bullet holes in his coat. He was wearing his Revolutionary War uniform. He walked up to Dutch, took off his hat and handed the original appeal to heaven flag to Dutch. Dutch unfurled the flag. It was worn, tattered and riddled with bullet holes. George Washington looked at Dutch and said, "It still works. You, sir, are making an appeal to heaven, certain, and America will be saved. You know what you must do and where you must go." And that dream reminded me of a word that Betty Love shared on one of our 222 calls. And she said, "I heard the Lord say today it's time to harp on the Asian carp. Swift Justice. Psalms 149: high praise executing vengeance on the enemy and judgment written. Clay's dream he had-- she talked about Clay's dream. Early in the mornin. The Lord brought these two words when I read Dutch's word. Exposure is here. I want to lift the lid and expose what is hidden. No more censorship of the truth. I'm breaking through every wall to bring exposure. The enemy will not be able to censor the truth from the American people. What they have not seen, what they have not known will now be exposed. I will expose those who sought ungodliness and wickedness to suppress the truth. My light will swallow the darkness and expose the truth. Run. the vision of a runner crossing over the victory line with a red banner streaming behind. I'm going to deal with the cores in the camp. It's time the righteous remnant take a sensor. Even as Aaron and run. you have chosen life run even as Aaron, run. Stand between the living and the dead. Run into this nation with all the prayers and the power of the blood and see the plagues stopped." And that part just really hit me strong. And I just want to declare that over the Durham report, over our elections, an agreement with Hope. and father, I thank you, Lord God, that, Lord, you are not going to allow anything to be suppressed because of protecting China. I thank you, Lord. I just declare Father, Jeremiah 23: Woe to shepherds, civil leaders and rulers who are destroying and scattering the sheep of my pasture, says the Lord. Therefore, thus says the Lord God of

Israel in regard to the shepherds who care and feed for my people. You have scattered my flock and driven them away and have not attended to them. Here this. I'm about to visit and attempt to attend to you for your evil deeds, saith the Lord. So, father, we just declare, you're on the scene, you're stepping into this season in the history of this nation. We thank you that the appeal still works. Father in the name of Jesus, I declare there will be no Chinese influence on what is and is not released in the Durham report. There will be no Chinese influence in the elections in November. Father, we declare that everything that's being done in secret, connecting to China, every legislature that is connected to China, every congressperson, every Senate member, House member, every person in the executive branch that has an illicit connection with China, Father, we declare its exposed and brought to swift justice. As your intercessors, Lord, we declare every attempt is knocked down. Every attempt to undermine the foundation of this nation is knocked down in the name of Jesus. Father, we thank you for the exposure of the massive fraud that the whole Olympics in China were. We thank you, Lord, that the ratings were a complete and total disaster, as was those corporations that supported it now have to answer for supporting a nation that has human atrocities like no other nation has had just about any other nation in history have against their people. Father, we thank you, Lord. It's been exposed. We thank you, Lord that's being brought to justice. We thank you, Lord, The dragon will fall. We thank you, Lord, that even though it's the year of the tiger in their land, that a tiger is getting caught by the tail. And we thank you that the ram's horn of Jubilee has been blown and we're seeing victory on all fronts, in Jesus name, Amen.

Pat McManus: [00:48:06] Amen. Thank you, Dan.. That's very powerful, I appreciate that. David, what's on your heart there, sir?

David Hertel: [00:48:13] Yes, sir. Hallelujah. Thank you for everybody that's had such powerful declarations and revelations tonight. As Dan shared from the dream, you sir are making an appeal to heaven. Tonight, We are appealing to heaven for the Durham investigation to have a miracle outcome on the same scale as the 1776 crossing of the Delaware, in which Durham boats were used in a miracle event that was a key to winning the war that saved this baby nation from tyranny. So, just four major obstacles that Washington and his army faced and any one of them could have torpedoed the attack, but they faced them down and warned was that his attack plan included three separate river crossings at different areas, but only one of them made it across. The second one was spies and deserters had informed the British and the Haitians at Trenton that the attack was likely. The third obstacle was the crossing was made

worse by a strong storm that came out of the northeast with freezing rain, snow, terrifying winds and dropped the temperature to between 29 to 33 degrees. Number four was the crossing Put Washington's troops three hours behind the timetable they believed was required for the attack to even work. So, Washington knew the only option was victory or death. And so he chose that phrase as a challenge and the countersign for the river crossing. Later, when remembering this fateful moment, he wrote, as I was certain there was no making a retreat without being discovered and harassed on re-pass in the river I determined to push on at all costs. So it was, as Pat said, no surrender, no surrender. He knew that they either had to win or die on this deal. He was forty four years old at that time when they crossed the river and Psalms 44:1-8 says this: We have heard with our ears O God. Our fathers have told us "the deed you did in their days, in the days of old. You drove out the nations with your hand, but with them you planted, you afflicted them and their enemies and cast them out. Well, they did not gain possession of the land by their own sword, nor did your own arm save them. But in your--but it was your right hand, Lord, your arm and the light of your countenance because you favored them. You are our king, oh God. Command victories for America today. Through you, we will push down our enemies. Through your name we will trample those who rise up against us. For, I will not trust in my bow, nor my sword to save me. But, you have saved us from our enemies. And you have put to shame those who aided us, God. And in God we will boast all day long and praise your name forever. Selah. So we stand on the testimony of Washington's army using the Durham boat to cross the Delaware against impossible odds. And we declare tonight America will again be dramatically saved by the arm of God, in Jesus name. We declare and pray. Amen.

Pat McManus: [00:51:23] Amen. Thank you, David. That's pretty powerful. One of the things, as I was reading the last part of this while David was praying and it was talked about the gold coins of mercy, but also the rainbow. And if I want to do it, if I pray this way: Father, we thank you that you are restoring mercy to our nation that's empowering the ecclesia and those functional and governing structures to restore the covenant promise that you have set on our land. We thank you, father, that you are putting things in the right order through that, which needs to be done as you unlock the strategies concerning the Durham report. That they're able to dismantle the fraudulent structures and systems and truly restore the covenant promise of our nation. We thank you, father, that the mercy of God is expressing, demonstrating, revealing and empowering the Ekklesia and those in governing structures, giving Durham the the wisdom and the revelation to move forward in the power of your name. Father, I thank you for Durham as he's standing with a boldness and a confidence in your name. We thank you father for his team

that's working together. We ask father for your divine hand of protection upon him and his family. Father, watch over them. Release the angelic host that would guard and guide like no tomorrow. Father that there would be the strength of your hand and the wind of Holy Spirit that would blow within him and the team and his family. Father that there would be the the place of purpose and destiny that would be unfolded for them as they walk forward in the purpose of your name. So we thank you, father, for what you're doing upon them, what you're doing with them and what you're doing in them, giving them the confidence and the boldness to push back and to expose the depth of corrupt structures that has been permeating our land. So we thank you, father, for the wisdom of Holy Spirit. We thank you for the revelation of your heart. We thank you for the purpose in your hand that you reveal the destiny that we need to see restored back in our land. As the dream says, "the rainbow coming back into covenant promise and see the fulfillment of your word upon our nation. Father, we thank you and we give you praise and honor, in Jesus name. Amen. I want to thank everyone for being on tonight. I want to remind you of of the words that I shared earlier the keys to the kingdom that Clay is putting forward starting next next month, and you'll see an email come out so you can participate. But know that this-- know that God is moving on our nation. He's empowering the Ekklesia and He's igniting. I'm telling you there's a power that's being released as purposes of God is being made known. I'm excited for what God's about to do. So get ready for a powerful expression of Kingdom Authority and we'll see the fullness of God manifest in our land. Thank you again for being on tonight. We bless you and we honor you and thank you for being a part. God bless you and have a great night. Bye bye.
