Clay Nash: [00:00:01] Well, good evening. It's Nine O'Clock Eastern Time, and we're ready for tonight's call. We're going to be pressing in tonight to the state of Utah, the Senate election, state of South Dakota, state of Oklahoma and the state of Ohio. And so we appreciate you joining in and we thank all our hosts that's going to be on, but we thank our participants that are so faithful about joining us each call. And so, Pat, I'm calling on you first. Would you open us in prayer and then make the declarations and decrees that are in your heart tonight?

Pat McManus: [00:00:44] Thank you, Clay. It's an honor to be with you guys tonight and to truly stand as one across the nation to see our nation turn for the Kingdom of God. So, father, we thank you for the opportunities that we have to be able to stand with you and for you upon our land. Father, as we link our shields together, as the Ekklesia arises across our nation, that father, we're able to see the fulfillment of your word and the declarations and the prophetic decrees that father you're releasing within our hearts and our lives that truly come to pass in our land. So father, we thank you for the privilege of being able to stand as one in our nation and to see the fulfillment of your word come to pass in powerful ways. And I have two state that I'd like to pray on. South Dakota, I kept on hearing reading through the structures and some of the information that was sent out that God is removing the blockages that's neutralizing their ability to function as one. And I hear that there's keys that God is releasing that will truly unlock the strategies that will remove the obstacles, the barriers and the things that have minimized the ability to function in the fullness of what God wants to see done in their land. There's a linking

together of people, the different people groups across, and there's opportunities to unlock the wells that need to be unlocked that will cause a greater awareness and a produce that truly will help significantly impact our land. So, father, we thank you that you are bringing righteousness and right order to South Dakota, that you're releasing the greater awareness of the wind of Holy Spirit to blow on that land, to release breakthrough in every dimension where righteousness and true godly order and kingdom influence will be established upon that state and from border to border all the way around. So father, we thank you that are unlocking what needs to be unlocked. And you're unlocking that which needs to be unlocked to where they can fulfill the purpose and the transformation that they will see within. And father, we declare to Ohio: let the winds of reformation come with power and authority. dispatch as it needs to see the angelic hosts that would keep Ohio in the righteous order and the state will fulfill its destiny. Father, we declare as righteousness continues to increase and accelerate in the state of Ohio that, even as their motto says, all things are possible with you. So, father, we declare that Kingdom Authority, Kingdom Power will revolutionize in a whole new way to the state of Ohio. And from that place, the winds of change were blowing across our nation. So, father, let the winds that truly ignite the heart of the Ekklesia in that state, linking their shields with the angelic host and move as warriors across their land to see the fulfillment of your word come the past. So, father, we thank you for the winds of change. We also thank you, father, that we can stand the will of God is upon that state and it will come into its right aligned order and fulfill the destiny for which it was created for. We thank you, father, and we give you praise in Jesus name. Amen.

Clay Nash: [00:04:06] Amen. Thank you, Pat. Strong beginning tonight. Regina, what's in your heart?

Regina Shank: [00:04:15] Did you call on me, Clay?

Clay Nash: [00:04:19] Yes, Regina.

Regina Shank: [00:04:22] Yes, thank you. On my heart tonight is Utah, and I have been really burdened for that state for quite some time. And so I just wanted to decree into that state. Lord, We just decree tonight that the Haman structures in Utah will be overthrown and overpowered by the Ester that you are rising up in that state. And Lord, we decree that false religion and the occult will no longer rule and reign in that state. But you will raise up one among those that are your sons and daughters who will begin to bring forth freedom in that state. Lord, it's someone coming into the Legislature, and I thank you, father, that you know who they are and your favor

is resting upon them. And Lord, there will be a scepter that you hold out to this person. I believe it's female and you will hold a scepter out to her, and she will begin to rise up in power in the Legislature there in the Senate, in Utah. And so, father, we decree that over that state. And we also say, father, that there will be those even as Mordecai to go to her and give her godly wisdom and also intercessors are rising up to pray for her father. And I thank you for that, Lord for the state of Utah. Lord, we thank you right Now that idolatry is falling in that state and religious structures that are occultic are falling in that state and your people are rising up. And we say to the people of God in Utah to arise and take your place in bringing down those false structures and rising up those who would follow the heart of God in that state. Also, Oklahoma's on my heart. Since it's my neighbor, Lord, I pray for my neighbor, Oklahoma, the neighbor, Missouri and Lord, we reach out our hand tonight and we put forth an authority on that, on that state from Missouri. And we say to Oklahoma, "you too must show the glory of God. You, too, must rise up with authority in that Senate race". And so, father, we pray now that you would pick the one that you have chosen and that one will rise up. I see that one at a podium speaking and putting down a gavel and making decrees over that state. And so, Lord, I believe that person is also a son that belongs to you. And so, father, we ask now that you would put down one and exalt another, even as you spoke in Isaiah 22. And that that state will also rise up as one whose walking in wisdom and walking in power that comes from you. I see lightning strikes in Oklahoma. Strikes against that which has risen up against your purpose, father. And we pray father that the lightning of God, your lightning, who will be upon that state and you'll begin to shift things that will bring forth a fire in that state. A fire of zeal, a fire of power, a fire of glory that will begin to flow through this whole region. And we thank you for that tonight in the name of Jesus. Amen.

Clay Nash: [00:07:48] Amen, Regina. We come in agreement with that. Jane, you're on with us tonight. What's in your heart?

Jane Hamon: [00:07:56] Well, I'm going to start out by praying for Ohio. I thank you, father, that even years ago you showed me that Ohio was a fulcrum state, Lord. A pivot point that moves immovable heavy objects. And then Chuck Pierce came in right after that prophesied the exact same thing. So we decree that Ohio will be a state that lists things and that shifts things. I thank you, father, that in this state, father God, that you are going to begin to cause the silencing of every surface occult spirit of Leviathan and Python. Lord, just like you've called this to be a fulcrum state, God, the enemy is trying to make it a swing state that is blown back and forth. But

Lord, we decree that Ohio is going to stand. That it will be a double portion state of awakening and reformation. Lord, not just in the church, but let there be awakening within the government. Let there be a reformation within the government, even of the state, father and lord, even as you gave me, you gave me a dream before I went in 2021 and you showed me cities in chaos and the whole scene was very military where we were locking shields and pushing back against the works of darkness. And you began to declare: hold the line! And we began to march forward. Lord, I declare that there's an Ekklesia in Ohio that is going to hold the line, that's going to push back evil, that's going to begin to cause your kingdom to come, your will to be done, Lord and father God, that anything, father God, that the enemy will try to bring, father God, to try to bring darkness or deception, to try to bring unrighteous interruption into that state, Lord, I feel like it's right now on my-- it's right now God, in the p-- in the the focal point, the target shot of the enemy. And so, Lord, we thank you God, that you're bringing confusion to every plan of darkness, to every plan of the enemy and father that you're going to raise Ohio up God to be one that makes a righteous stand and that brings righteousness back into the land, father. I thank you God, that there is a shift that's coming, father, even in the races that are taking place this fall. And Lord, that where there has been things that have happened in the past, father god, I thank you Lord that righteousness will rise, will be raised up, that justice will come forth, father. We decree right now, God, that Ohio will be that tipping point state God that calls other states into alignment. We decree that now in the name of Jesus. and Lord, I just speak over the state of Utah and I agree even with Regina, Lord, that there's an overthrowing of the occult spirit that is partnered with the spirits of false religion. And I decree that Utah is going to blossom and bloom like a rose, lord, There's going to be shifting that takes place in that state. And Lord, you are going to cause Shebnahs who have been in place, who think that they're irreplaceable, who think that they cannot be moved, God, you are going to move into that state and you're going to cause the Shenahs to come down. You're going to cause the Eliakhim's to be raised up. Lord, I just decree right now, God, that there's a shift that's taking place over that state, Lord, that is completely disengaged from the occult spirit, the spirit of false religion and the Baal structures that have been over that state. We decree right now, Father God, that Utah is coming alive to divine purposes. God, that you're beginning to speak to those Lord God that are even contemplating running, Lord, that are stepping up into a position, father, that you're going to speak clearly to them, Lord, something I feel like there's one individual that is contemplating running, but they feel like that they are facing opposition that cannot be overcome. But Lord, we just decree right now, father God, this person is going to hear your voice, they're going to be moved by your spirit, They're going to be strengthened by the word of the Lord that's going to

come to them. And father, I thank you, Lord, that that person is going to win against insurmountable odds. I thank you, Father God Lord, that there's a whole new structure that's being built over the state of Utah and over the state of Ohio, in Jesus name.

Clay Nash: [00:12:11] Amen. Thank you, Jane, for that. And I just come in agreement that even in the debates that are taking place there, that there is going to be truth revealed to the voters. I thank you, father, that the host is already trying to suppress the fraudulent vote that took place there. So, let truth rule and reign and let it come forth there in the state of Ohio and let that truth get to the voters so that they can make a righteous choice in this election. I thank you for that, now in Yeshua's name. Amen and Amen. Jill, what's in your heart?

Jill Noble: [00:12:56] Well, praise the Lord. This is so good. And thank you clay for tonight. And I bless all of these prayers and I come into agreement with them. So, clay, I've been doing a lot of considering about the elections in general, and I was going to initially pray over the state of South Dakota and the state of Utah. But the Lord kind of captured my attention this afternoon, and I want to bring this to the prayer call tonight. I want to, first of all, take us back to the solar eclipse of 2017, and that eclipse was on August 21st, 2017. And from August 21st, 2017 until December 14, 2020 was one thousand two hundred and eleven days. Now, december 14, 2020, was the day that they certified fraudulent votes knowingly. They knowingly certified fraudulent votes. And again, that was December 14th, 2020. And then from December 14th, 2020 to the very next solar eclipse, which will be on April 8, 2024. On April 8, 2024, the next solar eclipse and from December 14th when they certified the fraudulent vote, until the next eclipse, is one thousand two hundred and eleven days. So, from the first eclipse of 2017 to the second eclipse of 2024 is a seven year threshing floor season. Chuck's been talking about the threshing floor. We keep hearing about the threshing floor. I felt like the Lord was saying that he's threshing our nation. And so from the first eclipse until December 14th of 2020, I'm saying it again for those who are trying to keep up with this. They knowingly certified fraudulent votes and then we had another one thousand two hundred and eleven days until the next eclipse, which is April 8, 2024. When that eclipse takes place it's going to make an X. The 2024 eclipse is going to make an X from the 2017 eclipse. And the X is going to be marked in the state of Illinois between Carbondale, Illinois and Cairo, Illinois. And in the middle of that right about where the middle point is on the X is the Trail of Tears State Park. I feel like the Lord is pointing to this, that there's been a judgment, if you will. The United States knowingly certified fraudulent votes, and in this seven year threshing floor season, we have an opportunity. And so, Lord, we take this

opportunity right now and we say, Father over this X marks the spot. That Lord, we will be found as a nation concerning the elections from then until now. We say, Lord, that we endeavor To call down righteousness from heaven, we do call down righteousness from heaven. Father, we say over these elections in all of these states that the certified vote will not be fraudulent, but Lord, they will be paper ballot votes and they will be a righteous election and that the people that you have positioned to sit in those seats of authority will come forth. And Father, we repent on behalf of those electors that fraudulently knowingly certified those votes on December 14, 2020. We repent. We repent, father, for that fraudulent vote, that fraudulent certification. And we ask God that righteousness would prevail between now and April 8th of 2024 for the next eclipse. Now, before the Trail of Tears State Park, where X will mark the spot, God, we asked for righteousness to prevail. And Father, I pray over the Native Americans. I believe there's a key here, clay, regarding the Native Americans, the host people that they've not been-- there's something here that's not been aligned correctly with them and the Lord's pointing his finger at it. Calling it the Trail of Tears. The injustice. And so I know many things have happened. We've had many things, you know, we've re walked the Trail of Tears and we've had resolutions of apology. I've been involved personally with resolutions of apology, and we've read these resolutions at the State House in Georgia and Tennessee, Missouri and so forth. And other states still yet are going to be reading them. But I believe the Lord wants to release something even greater with this Trail of Tears issue and the atrocities that were committed. And so, father, we ask God that whatever is holding back the justice, lord, that it would be removed in the name of Jesus and that these elections from the past and into the present would come into righteousness. And Lord, we thank you God, that you are even through these dates and these certification processes and other things, Lord, you are making Your will known. you're making it plain father. You are not pleased. You are not pleased. And so, God, we aske for mercy and we ask God that you would come and remove all obstacles that are preventing certified righteous votes to put righteous seats of authority in their position. And we ask God for your blessing on it. And we ourselves bless it, in Jesus name, amen.

Clay Nash: [00:19:57] Amen. And I just step back into our call yesterday, I think it was Betty just had strong in her spirit, and I know you're up next, Betty, but justice is to be maintained. Well, that morning when I awoke, I was not awake, but I was just coming out of dreamland and I remember a dream about an angel. And in the dream, I asked the angel, who are you? And he said, I am the angel that guards the justice. Well, back on December 11, 2015, I was in West Memphis, Arkansas. I was Right where I-40 and I-55 join. And I saw a vision of an angel with

his left foot standing on 40, right foot standing on I-55 going up towards St. Louis. And anyway, had something written on his left arm out of Isaiah 40. Had something written on his right arm out of Isaiah 55. And what --part of it was that his arm said he would come with might and the other one spoke about an everlasting covenant. Left-- I think his right-- he would come with might. Everlasting covenant was left. And anyway, the angels are being released and justice is coming. But as Betty declared earlier...So let me just make declaration. Father, We declare that this angel that guards the justice gate and the Angel armies connected to him, they are not on standby, they have been called up to active duty and we declare that the hidden thang... Father, I declare that this laptop and the exposure of the evidence in this laptop of Hunter Biden is going to turn out to be the end of the rope. Lord, you said that you would give them, on January the 20th of last year, you would give them enough rope to hang themselves. So father, let righteous, liberty-loving constitutional people dig into this and let the corruption and evil be exposed and let it be done in Yeshua's name. Amen and Amen. Betty, what do you have.

Betty Love: [00:22:40] Yay God, Clay! Coming right in with you on the justice word. Father, we come into agreement with your redemptive kingdom plan and purposes for our nation, for the states of Ohio, Oklahoma, South Dakota and Utah. Father, plumb line these states in your righteousness and justice, and let justice be reconstituted in the governmental mountains of these states. Let the prophetic destiny that is stored in the very DNA of these states come forth and let justice be maintained in the Senate elections in these states and throughout our nation. Ohio, Oklahoma, South Dakota in the name of Yeshua, we call you to maintain justice. Ohio, there is a fresh, apostolic, prophetic anointing and an authority that is rising up within you. The Ruah breath of God is blowing into you even now, blowing upon the healing and revival roots that are running deep within your land. Many great men and women have trailblazed through you releasing revival, fire and glory through the message of the kingdom. Ohio, you are a city on a hill, and once again we decree and declare that you're going to burn with revival fire. And not only are you going to burn with revival fire, but we say let the governmental mountain be set on fire with reformation and revival fire. Father, I thank you. I heard you say that the state of Ohio will become a tent of meeting and Town Square meeting place for spiritual and governmental awakening of righteous reform. So, Lord raise up your righteous rulers in this state and Lord restore the judges of old and restore those legislators that are going to legislate righteousness. Ohio, your seat and your voice of authority has been secured. For I hear the Lord saying with God, all things are possible. No words spoken by God into you, Ohio, will be thwarted. I heard the Lord say your prophetic words are intersecting their moment. It's now time for you to give

birth. Father, I thank you that legislation will come out of Ohio that will set a precedent for this nation. Father, even as Jane said, the fulcrum state. And Father, I heard you say the appeal has been heard and the word coming out of Ohio is sharper than a two-edged sword, and it's able to divide soul, spirit, joint, marrow. it's going to judge the thoughts and the attitudes of a nation. Father, I thank you, that Ohio, your voice is going to vote righteousness for the glory of the kingdom. And I heard the Lord say that the law of lift is within you to bring this nation back into her proper place. And father, we thank you that Ohio is a center of aviation where eagles will get their wings. Oklahoma, we bless you. The open heaven's state. And Lord, I heard you say Oklahoma, your prophetic destiny is sure, you just need to say "Amen.. So, father tonight as you're functioning Ekklesia standing in the gate and the gap for Oklahoma, father, to the divine destiny that you have ordained for this state we just say, Amen. Let your functioning Ekklesia in this state rise up. Father, I see the army of two camps mobilized in Oklahoma. And father, I thank you that there is harvest, harvest, a righteous harvest coming out of Oklahoma. And father, we thank you. In South Dakota, father, we thank you for the stronghold state. We decree Righteous legislation will come out of the stronghold state. Father, the state motto is: under god, the people rule. So Lord, send forth your light and truth and bring--continue to bring the believers in this state to your holy mountain. Father, we declare on the mountain of the Lord it will be revealed. Father, you have said that there is great influence coming out of the state of South Dakota. The ability to influence the nation. And father, we decree and declare that South Dakota is going to be that voice of righteousness speaking into our nation. she will come with godly influence and not ungodly. Father, I thank you that Revelation knowledge is being poured out and poured forth through the state of South Dakota because she calls you-- because God calls you his friend. Father, I thank you that this state is plumblined in truth. And father, I thank you that South Dakota carries a strong apostolic, prophetic governmental mountain. And father, I thank you that your voice is upon the waters in this state and especially upon the Ekklesia there. I thank you, Lord God, that South Dakota has the authority to turn the enemy at the gate. And Lord, we thank you that your jurisdiction, the right and the authority to carry out the action is on this state. That covenant promises are standing. And father, we thank you that the voice of the righteous reformer will realign this state to be a voice of reformation for the nation. So, father, we thank you. We bless the state that rules under God and carries such great influence for our nation. And Father, I thank you for a righteous inheritance that is flowing out of this state. And father, in accordance with your word and all the words that have been spoken here tonight into the state of Utah, we say let every ungodly religious structure that has been empowered by the religious and political spirit be overturned in this state. Father, release your grace and truth

into the state of Utah. And Lord, let your righteous foundation be established and your justice in this land. A foundation that is not built on a faulty foundation but is built upon the Lord Jesus Christ. Lord God, I thank you that you are raising up Your Ekklesia to legislate on behalf of your kingdom and strengthening them in the state of Utah. And father, I thank you that even Chuck said that there is a different sound that will come from Utah that will begin to penetrate through the entire nation, an unlocking sound. The sound of harvest. So tonight, Lord, we say where Utah has been locked up and even bound by the political and religious structure, we say let the sound of unlocking that is stored within the DNA of this state be released. And Lord, we thank you. We decree, any unwarranted plan of destruction that has been initiated by the Antichrist system, corrupt structures, system and leadership in each one of these states will be fully exposed and thwarted. Father, let your plan of righteous judgment against your enemies and every corrupt structure be established in Ohio, Oklahoma, South Dakota and Utah, and in our nation. May your plan overrule any of man's desires. Lord, send forth your righteous judgment unto victory in each one of these states government and election processes. We declare a kingdom win and victory in these states and our nation for 2022. Lord, we ask that you would reveal within these states and the governmental mountains of the United States of America your righteous building and rebuilding plan for the future. Raise up men and women of integrity in these Senate elections who will stand for righteousness, hold to the original intent that you have ordained for their state as well as our nation. And father let every scheme of the enemy to hijack these upcoming elections and any fraudulent behavior be exposed within each of these states, as well as in the lives of the candidate. Let election integrity prevail within each of these states and our nation, and we decree that you Lord, will uphold us and you will uphold your plan with your victorious right hand, in the name of Yeshua, Amen and Amen .

Clay Nash: [00:32:33] Amen, Betty. we stand with that very, very strongly. We just declare these things. There is a order that God is bringing, an alignment and that alignment is bringing order, and that order is releasing a new fresh level of dunamis. A different dunamis from what we've experienced. This dunamis is going to be like a dynamo. And it's going to be consistent in the power it produces and not just an event, one time mindset that comes. So, it is very powerful the shifts that we are experiencing in the Earth. Timothy, what do you have in your heart?

Timothy Cascadden: [00:33:24] Thank you, Clay, and thank you for everybody praying tonight on the call, we so appreciate each one of you. And I just want to first, I want to add what Clay had said earlier. I sent him a note, but I just want to come in agreement about how he said give

them enough rope and they'll hang themselves, basically a Haman word. But I had this word back in Yom Kippur this year 5782 and this is what I saw. I saw the Lord's fire go throughout the land and lick up the wicked that they would be exposed for their evil deeds in unusual ways. Their deception will be so great that they will not realize that doom is upon them as they will be removed from their powers of influence. Luke 1:52 says this. It says he has brought down rulers from their thrones and He's exalted those who were humble. So we decree that. I just want to agree with Clay's word and say that the Lord is going to move in that way. And I also had a word for each of the four states tonight. I just want to release those first for Ohio. Ohio, I speak into you and I say, I saw a shockwave that will move to surrounding states, to your east and to your west. Ohio, you will manifest that with God All things are possible and there will be a shaking in the southern part of your state that will affect your northern border counties. You have been battled over through the years of your history, but your covenant purpose is to trust and have justice, and it will be manifested once again. And Columbus, you will be the guide for this state. And for Oklahoma, You will be a state that brings exposure to many hidden issues in the United States. A voice will come from you that will be a compass for other states in the coming election. You will become like a-- I saw this as a meat cleaver to rightly divide the truth. The Lord is declaring over you to arise and a rising word over you right now. And we declare that over Oklahoma. For South Dakota, the Lord said, you will be a state that manifests headship and true leadership. The enemy has fought against the Lord's glory shining out of you, but the Lord will cause you to arise above the fray. Declare, South Dakota, your covenant purpose and the martyr's blood that is on your soil will prophesy victory from your borders. And the last one is for Utah, and I heard this: Utah and your purpose will come under a challenge from the Lord. You have said You've stood for righteousness with some of your leaders have not walked out what their words have said. The spirit of justice is upon you now. America will see a shaking event, a shocking event in your state as a sign that the Lord is moving to have you stand strong in the election in 2022. So we declare these words over these four states and also over, Lord, the uncovering of injustice in the land and the evil deeds and Lord, we just do agree that father, in unusual ways, you're going to do these things to declare your name and your preeminence over this nation. We make those declarations tonight in the name of Yeshua. Amen.

Clay Nash: [00:37:25] Amen. Timothy, thank you for that. In the Book of Psalms Chapter 83 in verse 17, I'm reading from the message translation. It says bring them to the end of their rope and leave them there dangling helplessly. Lord, you spoke on January 20th, 2021, that you were giving them enough rope to hang themselves. So, father, we just take your word tonight and we

say, bring them to the end of their rope and leave them there dangling helplessly. And I want to add verse 18 to it, it said, "then they'll learn your name, God. That word name there means character, authority and nature. The one and only, high god on Earth. Let it happen, Lord. We just declare there is a gracious and merciful reckoning that's coming. But, father, this fragmentation that has divided the body of Christ and divided the-- attempting to divide the divide, the Ekklesia-- dividing the apostolic and prophetic. We ask for there to be a catalyst release that will work as a bonding agent to bring us back as one new man. And we just declare, Let-- Lord lay bare your arm. Even as I saw in the vision back in 2015. There was the angel that guards the justice gate. Father, he revealed his left arm and it had written on it. And then he revealed his right arm and he had written on it, and it revealed about Your power that was to be released because you are a God of everlasting covenant. Let it be. Let it come. And do so in Yeshua's Name. amen. Brother Jim Hodges, So good to have you on with us tonight. I know you've been traveling out of the country and we've missed you, but what's in your heart, sir?

Jim Hodges: [00:39:33] Thank you and thank you team. I just want to get in this awesome flow tonight. Its like the sound of many waters. The thing that sort of initially grabbed me was this is clearly a natural observation. I wouldn't lay this on my spirit, Okay? It's just for observation. Generally, unless we hear from heaven directly, we're all going to feel like that the state we live in is strategic in our national elections. I think that's a tendency that we would have. But having said that historically, before we move into the spirit realm, in a sense, historically, we have known that several states through the years and I've lived in a few myself, But if a certain state doesn't go a certain way, then the election doesn't go that way. And I remember when I was much, much younger, the {inaudible} state in while I was young man was neighoring to my home state of West Virginia, namely Ohio. And normally, as Ohio went, so went the nation. And today we know since Clay has stirred us about this, we know that now Arkansas is in that category. So we got Ohio, we got Arkansas going the right way. So the nation does. And of course, I'm here in Texas, where Tom Schlueter leads an awesome ministry with the Ekklesia. And Texas is obviously a very critical state. It's not a matter of swing states. I love what Jane said. Let's don't have the swings. Let's have the fulcrum. Let's release the fulcrum force. That was wonderful because it gives us leverage beyond our size or maybe beyond our financial standing. So here's Ohio, and here's Texas. You know, here's Arkansas. Of course, I'm sure others will argue Florida is one of those key states. But Tonight, the ones we're dealing with had struck me that three out of four and maybe all four, 'cause I don't know about Utah; somebody

educate me. But Ohio, Oklahoma and South Dakota all have conservative governors with Christian values. And Kristi Noem in South Dakota, she and her husband were homeschoolers. You know the stand she's taken. Kim mentioned the state there with true headship and leadership. My sister lives in Sioux Falls and they love Governor Christie, in South Dakota. And then you go to Oklahoma, Governor Stitt. He is a rare breed with Christian values. And then Ohio, Governor DeWine. One of my friends--Personal friends, who's a minister in Ohio is on Governor DeWine's Faith Council. Have all these governors made perfect decisions? We wouldn't say they have. but we know where they stand. We know generally where they are standing. I don't know about Utah's governor. Of course I'm personally disappointed in Mitt Romney, just like I'm also disappointed in Joe Manchin, who seems to be bending now under a lot of pressure. I'm saying All of that to say this: It's a strategic that we be praying for all 50 states and the whole election because 50 is the jubilee number we've been prophesying, the current Ekklesia's been decreeing. Come on. America {inaudible} Pennsylvania. We are a jubilee nation based on the principles of the word of God, which we all know. So I'm just going to kind of move this into a prayer moment and just say, right now I am encouraged. I believe the fulcrum is working. I believe God has strategic people in strategic places. Just got back from Mexico. The president there is toward the left, but the vice president is one of us. So God's got his men and women in strategic places and we say they are showing up with the word of the Lord in their heart and in their mouth and the very atmosphere that they walk into is changed by the fulcrum force of Holy Spirit that operates in them. And I declare in every state, not just the four we're praying for tonight, but in every state that the heart of David is being established and the {inaudible} council is being nullified. The heart of God through a man or a woman in public office will overcome any manipulation or mis guidance that comes out of those who appear to be of his persuasion but they're not. Can you say rhino? And other words I won't use tonight. So, father, we thank you that this strategy of going state by state, calling out the names before you just like the Apostle Paul called out names and said, Be warned this one. We command that one. We say, right now you're giving us the discernment as Ekkleisa to call it is, what it is, according to the revelation of our God and the total exposure of every Haman motivation, every human activity, which of course, we know how that story ended. In the name of Jesus, Lord, we say, protect and guard these leaders who have a heart for you so that the counsel of those around them that pretend to be something that they're not like a Ahithophel, who had sweet communion with David, then betrayed him. We say Ahithophel will fail and David's heart will prevail in America, in Jesus name.

Clay Nash: [00:45:27] Amen, brother Jim, in agreement. Are any of the hosts that have anything else that are--or any hosts that may be on that hadn't spoken, anybody have something else to release? OK, you're being quiet. I read today on today's call something that I found written. I'm not familiar with this person. I have been told he is a pastor whose name is Eric Reid. And he wrote something. He wrote about a woman, you know, just this Supreme Court Jackson that's been, what's the word, anyway, he's going through-- I'm just blank for a word. But anyway, iss being considered to become a justice. Couldn't define a woman the other day, and I ran across this. It's very strong. I put it on social media and made it available out there. But he-- in this... And I tried to contact him today, I did not get a response, but I assume he wrote it the way it is on his social media. It says "a woman is an image bearer of God with double X chromosomes adorned with distinct beauty, femininity and design to bear children. gifted with nurturing and caregiving instincts and a unique complement to man in marriage, parenting, vocation, society to display the wisdom of God." Yes. Amen to this. You know, I assume that Eric Reid wrote it. We're giving him credit for it. What I posted had his name on social media. But I want to tell you the left wing socialist communist, antiChrist, pro-death people do not want those that fear God and walk with him to bring forth any absolutes. It is an absolute. You're either born male or you're born female. you can, You can, you can try, you can try to convince yourself otherwise, but you can't do that. You can alter yourself. But still, you're caring from God, the DNA of that sex that you were born into. And yet, they want us to believe that their are no absolutes on this. But I'm telling you it's the truth coming down out of heaven that's going to bring an absolute in the earth and we've got to be people of truth. The word of God says, and you will know the truth and the truth will make you free. And I just want to close this call out with this. I hear pastors. I hear preachers. Sometimes they quote it and they say, "will set you free." If brother Jim Hodges got picked up tonight and put in jail for stealing a car, and I went down and bailed him out. I set him free. But if I come down and prove with the title to the vehicle he's driving that he owns it, I made him free. And God doesn't set us free. He makes us free. And it happens when we become truth. When you become one with truth. See there are things today people are believing and they never make that journey till they know. and we've got to move in to where we, When you know the truth, the reason it can make you free is because you become one with that truth. I'm getting off my soapbox. What I'm telling you this definition, I'm sure there's a better one out there, but I can tell you I haven't found it. So I'm gonna stand on this one until it's improved because it also covers the bases. And I want to go back to this, those that want to change their gender, those who want to do all of this, what they're actually doing is they, you know, noone can deceive you until you first deceive yourself.

And so they are deceiving themselves and now our federal government, led-- I talked with a military man the other day, and I'm just telling you, we're not just wrestling against evil men and women. We're not just wrestling against the lack of common sense. We're wrestling against a demonic force that wants to destroy the Earth, and we must deal with it. God cannot lie. And he made-- when he created, he created in the absolute and we've got to step back into it and war from that. All right. I'm through. I'm off my soapbox.

Father we just declare an awakening, an eye opening, a shaking, whatever it takes, father. But we declare to you that we live in all of you. We live, father, knowing that you are the creator. And we understand that if we surrender to you, that will become our strength. So, father, I bless every person that's been on this call tonight, and as I bless them, father, I bless the hosts, I bless the participants, and I bless those who will even listen to it at a later date. And we thank you for this now in Yeshua's name, Amen. Call was recorded. The transcript will be put on the website there.
