Clay Nash: [00:00:01] Well, good evening. It's 9:00 Eastern Time and we're here tonight on our Tuesday night call. And I believe it's going to be a great call tonight. We're going to be looking at the House races in Indiana, Pennsylvania. Yes, Ohio and Iowa. And so, set your heart to join in with our hosts tonight as they make declarations and decrees from their heart. Very important that we do that. I'm going to begin the call again today, as I did earlier today. But I had a dream last night. This dream was very stirring, very strong, very focused. And I saw the nation shaking. I saw it is really like a map, but almost like a puzzle. And even the states were turning in their slots, but they weren't fitly joined together. And I heard the voice of the Lord shout, not just speak. It shouted, "don't get caught up in the shaking. Stay focused on the Word of God." Then when I woke up this morning and I saw that South Carolina had experienced a 3.3 earthquake, I knew that God was saying something. So as I sought the Lord, he spoke to me romans three, verse three, And this is what it says. This is a word from the Lord, but it's a word of encouragement: "What then? If some did not believe, their unbelief will not nullify the faithfulness of God will it? Listen, the sin and actions that are going on across this nation and across the world even is not going to nullify the faithfulness of God. There is a faithful remnant within the remnant. There is the Ekklesia. You're part of it. You're on this call. We've got some great hosts that sacrificially contribute their time daily and on Tuesday night. And God is doing some great things. I want to tell you, we're at that place of supreme sacrifices in our obedience right now. But always, even as it was with Isaac, excuse me, with Abraham, when it came time to make that supreme sacrifice, he looked up and there was a ram hung in the bush, and he named the location where this took place, "Jehovah Jireh. Our Lord, the provider." So that's where we are as a nation tonight, and we're going to be pressing in to this call. I've asked Regina to start us off. Regina, if you'll open us in prayer and make those declarations that are in your heart.

Regina Shank: [00:02:56] Yes. Thank you, Clay. Lord, we thank you for this call tonight. Lord, we're asking now for Holy Spirit to lead our prayers, our intercession, Lord. For these four states we're praying for tonight, for their house Elections, God. Indiana, Pennsylvania, Ohio and Iowa. Father, we thank you now you're hovering over each one of those and you are bringing forth your will and your plan and purpose in those states. And, Lord, you're hovering over every person who is speaking and praying on this call. And Lord, we give this call to you and ask that you be Lord over it, in Jesus name. Amen. Clay I wanted to read just a little bit out of history makers. It's a book by Dutch Sheets and William Ford, and it talks about William Wilberforce. And I'm just going to read just a little bit of it and decree into it, it said, "one of John Wesley's disciples was William Wilberforce. At first he thought he would go into the clergy, but he was led to go into politics instead. God needs altar builders in every area of life. With the passion and support of his spiritual father, Wilberforce used the power of God to change society in England and in slavery there. Wilberforce was greatly influenced by Wesley, who was then 88 years old and close to dying." And Wesley wrote this to Wilberforce: Unless God has raised you up for this very thing, you will be worn out by the opposition of men and devils. But if God be for you, who can be against you? Are all of them together stronger than God? Oh, be not weary of well doing. Go on in the name of God and in the power of His might till every American slavery, the vilest that ever saw the sun, shall banish away before it. That he that has guided you from your youth may continue to strengthen you in this and all things is the prayer of Dear Sir, your affectionate servant, John Wesley." And I began to realize we could put in there the vilest of abortion in America. And there are those that are called to be in the political realm in each of these states. And Lord, we pray for Indiana, Pennsylvania, Ohio and Iowa that you will put your people in those places of authority, even as you put William Wilberforce in the politics to end slavery, Lord, that you would put people in positions of authority in those four states. God, that would end abortion, that would end the liberals devious practices. And Lord, we thank you that you sat before them the key of David; Isaiah 22, and you will put it upon the shoulders of those that you have called to those positions in the house there in those four states, and you will open and no one will shut. Lord, I thank you that you're driving your people like pegs in a firm place in those states, God. Indiana, Pennsylvania, Ohio and Iowa, God. and you will have your people there and you will hang on them your glory, father. We ask now, God, that that key of David would be there in each of those states and you would open up those elections for your choices. And Father, we pray that those elections will not be fraudulent in any way. God, that you will expose any fraudulent activity in Indiana, Pennsylvania, Ohio and and Iowa and Fher that you would have your way in those house actions. You would have those Father, that do not make a

decision by what their eyes see or the ears hear. But they'll make a decision, God, based upon your purpose within those states, and you will raise up those, God, that will hear from you and you will raise up those who will be strong. I said, God, that they will have a strong backbone and they will not be cowering to man or to man's manipulation. And so, Father, we lift those states up tonight. We thank you, Lord, that you're Lord over them. And God, we continue to pray as the Ekklesia of God for your will and your purpose to be done in those states, tonight. again, Indiana, we say to Indiana, rise up. You are called the crossroads of America and you are at a crossroad. And we say that Indiana will choose the right road. We speak to Pennsylvania, the state that's full of virtue and liberty and independence. And we say, Father, that they will have those in the state legislature that will walk in your virtue. We speak over Ohio, who says, with God all things are possible, and their new one that says, "Ohio, find it here." Lord, we pray that in Ohio we will find you there. We will find you ruling and reigning through your people. We speak over Iowa, the eagle overhead, the Hawkeye State, God, that you would be as an eagle in that state, Father, and you would bring forth those who have eagle eyes to see what you want them to see. And father, that they will have liberty and they will have rights that they will maintain. And so, Lord, we decree over those states: Your will be done in Indiana, Pennsylvania, Ohio and Iowa in these coming elections, in Jesus name.

Clay Nash: [00:08:03] Amen. Regina, thank you for getting us off to a great start tonight. Ken, Good to have you on. What's in your heart?

Ken Malone: [00:08:13] Hey Clay. I'm just really stirred by this dream that you had and about the scripture of the faithfulness of God. And I really believe that this is one of the things that God is saying to his body, that regardless of the storm, he is going to be faithful to us in many ways. And I believe he's going to be faithful in this nation and in this election. The faithfulness of the Lord, the mercy of the Lord, the grace of the Lord is going to come through for us, just like it always has, and we're going to believe God for this faithfulness. So I'm going to pray out of that ROMANS 3:3 place for these three states or four states. I believe it's a good word from the Lord. And so, Father tonight, Lord, I just thank you, God, for your faithfulness, that your faithfulness is not nullified by the unbelief of others. And Father, I thank you, God, that you will prevail within this nations, that you will come through as you always have. We decree, Lord, that this nation, Father, is your nation. We are surrendered to you. Tonight, we decree that the Ekklesia Father, has surrender herself to you, God, to see your kingdom come and your will be done in America as it is in Heaven. Lord, I thank you, God, that in Iowa, Pennsylvania, Ohio and Indiana that

you're raising up faithful warriors, men and women, God, who will stand in the gap and make the hedge. Lord in the political arena, but also as an Ekklesia. And Father, I thank you, God, that your faithfulness will be proven in this, and Lord, that you will raise up a black robe regiment in these four states. We decree that in Iowa that a black robe regiment will arise. In Pennsylvania, let the Black Robe Regiment arise. In Ohio, let the Black Robe Regiment arrive. Arise. And in Indiana, let the Black Robe Regiment arrive, in Jesus name. And Father, we decree, Lord God, that in all of these states, Father, that you will place your person, your man, your woman in office God, and God we decree in every seat, Lord, that's up for reelection that your kingdom has come to that seat. And that seat right now is being judged by you, Father. And God we just decree, Lord, that your kingdom come now and set in that seat of authority. Lord, we thank you, God, that the ruler of Daniel 7, Lord, that the ancient of days will come and sit in those seats also, and God that you will prevail in every seat, Father in these four states and God that you will bring forth your person. And we thank you, Lord, tonight for doing that. We say over Iowa, Pennsylvania, Ohio and Indiana that the love of God is being poured out upon you. His faithfulness is being poured out to you in the name of Yeshua. Amen.

Clay Nash: [00:11:32] Amen. Thank you, Ken, for that. You know, I know the Lord gave that word to me, but I must say, I thought I had studied the book of Romans, but that scripture really hit me today. I mean, God breathed on it so. And I can't tell you, I'm sure I've read it. I actually, one time years ago or almost 40 years ago, over 30 years ago, studied the whole book of Romans. Every scripture, every word all the way through. And it just really hit me this morning when the Lord spoke to me about it. So it was very, very strong. So thank you for that, Ken. Pat. What's in your heart?

Pat McManus: [00:12:19] Thank you, Clay. I want to pray over Iowa, Indiana and Ohio. And I was just looking here for a minute. And Iowa, the state motto of Iowa is: Our liberties, we prize and our rights, we maintain. I thought that was pretty powerful. And then over Indiana: The crossroads. And I keep thinking about the race that's going to be down in Indianapolis. The 500. The derby. And then Regina mentioned about that Ohio is "with God all things are possible." So, let me just do it this way. Father, we thank you that you are raising up the sons and daughters of righteousness in every state. That father, you are bringing those that are willing to stand the test of time and to challenge the systems that have been put in place to be able to function in the order of your heart. So, we declare over to Iowa Father, you will raise up those who will Maintain the Rights from the foundation of what was established in that state. That you're repositioning

those that are willing to stand on the decreed motto that was the foundation of what that state was built in, built on and built for. So, Father, we thank you that you will raise up the sons and daughters that are rising with a place of influence to strategically be positioned with authority to retake, reclaim, reposition and Reorder the state to a Godly order. We declare over Indiana that you are the crossroads that will truly connect the nations and be able to see the fulfillment of your word come to pass on our land. Father, even as the Indianapolis 500 is about ready to go, we declare that the race is on and those that run with authority and power in this hour will see the fulfillment of your word come to pass in that land. And that Father, they will see the righteous order restored back to having a clear understanding of what it means to be positioned as a crossroads for our nation. And they will see the righteous order be established within that place, territory, region and land. Because we declare over all, but Especially over Ohio, all things are Possible with God. So Father, we know that you're resetting, you're raising up Godly order for the Purpose of restoring back the Foundation of our nation. And father those that are running in the House seat, that every seat is up. So, Father, we declare, let righteous order, be position, let Godly order be established, and let the fulfillment of the rights maintain as we see the Kingdom of God advance on our land. We thank you, Father, for the reclaiming of territory according to the purpose of your word. And we declare to those in every state the righteous order. Start your engines and see the fulfillment of the power of God come upon the land and see righteousness restored. We thank you, Father, in Jesus name. Amen and Amen.

Clay Nash: [00:15:19] Amen. Thank you, Pat. Thank you for that. Very, very strong. Very pointed. Very right on. We come in agreement with it. Anne, good to have you on with us tonight. What's in your heart?

Anne Tate: [00:15:36] Clay, Today I've been working with all of the staff concerning the Dinesh D'Souza video. His documentary, 2000 Mules. And so today, I have a friend in Arkansas who's running for a prosecuting attorney. So I asked the Lord, because Soros just dropped \$100,000 on his opponent in Arkansas. It's a woman and she's the opponent to the young man that I know there. And I said, "Lord, what in the world would Soros have to do with the prosecuting attorney in Arkansas? Why would he want that post?" And so, after I watched the Dinesh D'Souza documentary, what I saw was that would prevent the prosecution. If you control the prosecuting attorney's office and the judges or a number of the judges in the state, either elected or appointed, then they can not prosecute, according to the trail of evidence. I have authority in Arkansas. And I say that that is not going to live and is not going to survive. I say that the Lord

will bring and put into office those who He's called and who He's nominated and who he is called to take the position of prosecuting attorney. And so today it set me on a trail about mobilizing the remnant. So I'm saying to every person that is on this call that listens, that is constant, that works with this call every week. That works with this call every day. Who stays, who listens and moves with them. I say, write your governor in your state. write the election commission in your city and tell them that they have enough evidence and a trail of evidence from that That can be discovered. And ask them what they've done with that and how they're pursuing that and how they are preventing this from ever happening again. It has nothing to do with Republicans or Democrats. Ask them what they're doing to protect your vote. Saying that I vote in every election unless there's unusual circumstances and I want to know that my vote will be counted and that we are electing people to office with integrity and honor and righteousness, and that Soros or anyone else in that list of people that are funding these things, is not buying an office. And I charge you today to go to the Internet. Look at the office of the government. Find how to write in. I'm saying, I'm activating and mobilizing the Ekklesia, the remnant, the body of Christ to stand up and lose your voice, respectfully, to those in authority over the state and ask them to respond to you. Respectfully, submit your questions, but listen to the Spirit of the Lord as you write this. It's not an accusation. It is not a judgment. But ask them to explain to you what they're doing to ensure your vote will count and not be stolen or are in fraud, and it will be counted in righteousness in your state, in your city. I ask the Lord to move through the Body of Christ in this season to stop this. And for every voice on this call, every person that stands up and dials into this call to stand up where they are and demand an accounting. I ask you, Lord, for an audit to go out today to every place. We have proof and we need to press into it, in the name of Jesus. Amen.

Clay Nash: [00:20:34] Amen. Thank you, Anne, for that, we come in agreement. Their agenda is not going to prevail. The faithfulness of God is stronger than their manmade agenda. And we call it to be null and void. And we declare it will not prevail. Brother Jim Hodges, good to have you on. I know you got some declarations and decrees. What's in your heart, sir?

Jim Hodges: [00:21:04] Thank you, Clay and team. These Tuesday nights have been amazing. I know you believe in them, but they're amazing. They're stronger every time we pray over these elections. And I think it's been a while back when we all really locked into a truth that kind of freshly caught our hearts about jubilee, about 50, and of course Tom Schlueter had his teaching here about that year 49, which ran next year 50, then 51. But we've got 50 states in America.

We're a Jubilee Nation. And it's Amazing. When I was a kid, Alaska and Hawaii are not nation. I mean, not states. And they are now, aren't they? So that's old history. But I want to just lay a foundation, what I wanted to decree tonight on the basis of that. So tonight it's Indiana, Pennsylvania, Iowa and Ohio. And I want to just say with some historic illustrations of what's happened in those states that, in my opinion, has been released by the faithful intercession and decrees of the ecclesia, not only within those states, but that touch all 50 states, which probably our Tuesday night calls, have a majority in all the states represented on the call. So, Indiana, what we're going to go with Indiana, what we're going to tap into, not just Wells. {inaudible} I love that analogy, but we're tapping into a discovery of what it is the Ekklesia is releasing in these States. And in the move of God, south Bend, Indiana, a man named Lester Summerall, which you all know about. Had a powerful ministry of not just teaching, but deliverance. Deliverance, especially in the Philippines, but in Indiana. And of course, South Bend has contributed to President Biden's, you know, as the secretary of transportation {inaudible} And so here we are. But I am saying that we decree that out of Indiana is going to come deliverance from demonic strongholds that have affected not only society and caused those that used to be solid Midwest, you know, biblical values to turn and compromise their faith. We say deliverance is coming strongly to the state of Indiana so that once again, it will not just be delivered, it will minister deliverance. And then, of course, Pennsylvania, as we all know, we could probably say the Jesus movement started in California, but the main hub of it back east was not New York or Massachusetts. It was Pennsylvania. There were more of those outdoor Jesus festivals attracting thousands. And to me, Eastern Capital or epicenter for the Jesus movement was Pennsylvania and Pennsylvania has gone so liberal, contributed far left leaders into the present presidential team, administration, but we decree that the Jesus movements that were there in the seventies, maybe late sixties some started will rise up again. And this will impact every generation. But like the one in the seventies, it will impact greatly this younger generation. So Pennsylvania, you step up and release that. And then we come to Iowa. I didn't know this till my friend Greg Crawford wrote a book on this. I don't know if you knew this, but I want to just decree this over Iowa. Iowa, in its early history, saw teams of evangelists sent from Oberlin College in Ohio, which was, of course, begun by Charles Finney. And Charles Finny, the leader of the second great awakening in our nation, which of course, led to a cultural transformation or the abolition of slavery. And Regina {inaudible} Wilberforce being a disciple of John Wesley. Well, I'll just say that Finney, through evangelists he sent out evangelized and begin to disciple leaders in Iowa who have now turned strongly. The current governor is a spirit-filled lady. I don't know her, but I have friends there who pray with her every week in her office. As we decree over

Iowa, you're going to release, because the Ekklesia has been declaring this, not just Revival, but a third great awakening that leads to cultural transformation. And finally, Ohio. Just got back from Marion, Ohio. Ohio, everybody knows this by now, that was the first state in our union to release, come on, and fight for legislation for the unborn. It's called the heartbeat bill. If there's a heartbeat, there is a life. Janet Porter and the pastor, Roger Moore, some of the luminaries that led that movement. So we just say that Ohio has set a standard that is still having repercussions across our nation. Other states now, not all but a number have followed with heartbeat bills that decree life, which even this newer generation is gravitating toward. Not just because of the Word of God, but because of the science and the sonogram, etc.. So, Father, we thank you that you're encouraging us through your faithfulness as a dream came to Clay about that. And your faithfulness has fueled us with endurance. And we're running this race with endurance. We're running this race until it's time to do the next thing you tell us. And I, I say tonight, Lord, that you are giving us new revelation, new wisdom, releasing new strategies to see our nation turn. And these elections go in every state like they're supposed to go. Because the momentum of your people, called the Ekklesia, is already released. It's already enforced. In the name of Yeshua. Amen.

Clay Nash: [00:27:39] Thank you, brother Jim. appreciate that. And in agreement. We are a Jubilee nation. We need those 50 states to come together. In the dream that I had, as each state shook, it was not properly aligned. And I believe the Ekklesia-- I believe the people on this call, as well as other calls across the nation-- I believe they're embracing the apostolic and prophetic in a greater dimension each week. And in doing that, I know we're going to see some alignment come to these states. And I believe that's going to cause that 50 jubilee and also 50 of Pentecost to come together and release a dunamis, a dynamo of power across this nation. Thank you for that. Timothy, What's in your heart?

Timothy Carscadden: [00:28:41] Thank you, Clay. And to all those that are on the call, thank you for your participation. We always think of you as being key to everything we're doing here. And just one note. I had the Lord give me some words, but what Anne was saying. Just remind everybody on a state level, whatever state you live in and I'm not sure on these fall elections, well, what states will be doing this. but continue to pray for your district attorneys and your secretaries of state. They're the ones that oversee most of the elections. And as the left and Soros and his groups realized after the Trump win in 2016, they begin to target those positions all across the nation, especially in the swing states. And they captured most of those states.

And so, when the integrity issue came up, they already had their people in place to make sure there was no prosecution if something was done wrong. And we saw that in the swing states during the election. So make sure you pray for those offices. Those are huge, that we retake those positions. Secretary of state's, district attorneys; those are big, big positions. I also noticed today that the attorney general in Virginia, a strong believer, really going for integrity. Today, there was a gunshot through his house. And just a real warning to pray for the safety of these people that God has put in place and safety over their lives. So especially for the justices tonight as well. earlier the Lord gave me a word for each state. So I'm just going to prophesy what the Lord gave me for those states. First, was Indiana. This is what I heard over Indiana. The Lord said, Your moment has come, to come out of the shadows and be counted for truth and integrity. The Lord said, "Your borders will become strong and will push back darkness. Single voices in this election will become a chorus of change that will be heard For this year. limitations and stereotypes over Indiana are being broken off now as your voice becomes bold and strong in the next season." For Iowa, I heard this: "Your history has been your character, but has waned in recent times. But this year you will return to your history and your inheritance. The Lord is removing the normal off of you and giving you a new reputation of a state that releases the original intent in the nations. You will no longer be taken for granted as a blocked vote, but one that will stand and have a strong voice." We declare that over Iowa. Ohio, the Lord said, "watch the transformation that occurs in Ohio this year. The change will be obvious as you will wake from a slumber, as many will say, 'Hello, Ohio. Welcome back.'" We speak that over Ohio and we say "welcome back to the call of the nation." And the last one was Pennsylvania. Heard this--the Lord said, "the fight has been hard, but it will be even harder in this season. The remnant prayer movement in Pennsylvania", the Lord said, "will be the difference." Pennsylvania, the Lord says, "do not regress progress to the future by remembering your past." And then I saw a vision of some ink and paper just sitting there, and the Lord said, "the ink and paper had been prepared by the Lord to write a new story" and said to Pennsylvania, "Choose life, Pennsylvania, and you will live." And so Lord, we seal these words over these four states. We thank you God that your hand is upon each one of them. I pray for the remnant. I pray for the intercessors that are praying in the state capitals, that are praying in the cities and on the borders. I pray for every corner of these states to be covered and saturated with, Lord, the prayers of those who want to see our nation return to its prophetic purpose. We thank you for all these in the name of Yeshua, Amen.

Clay Nash: [00:32:56] Amen. Thank you, Timothy, for that. For those words that stirred up the prophetic in me and I heard the Lord say to Forrest City, Arkansas: "Yes, murder and sin is running rampant." But the Lord says to you, Forrest City: "Where sin abounds, grace does much more abound. Watch and see. For one that leads a gang will have a close death experience, but it really will be a death experience because I will transition him from death into life. For his heart will be yielded at that time. And I will take out of him that stony heart and put into him a heart of flesh. For I'm about to release My fire into Saint Francis County, Arkansas. Into Forrest City, Arkansas. And as I do, there will be a revival that will break out, that will spread across the state and across Straights, and it will be known as the Crowley's Ridge Revival. For there shall be campfires up and down that ridge. Campfires of the moving of the Spirit", says the Lord. "Watch and see, as I prove myself to you, the people of Forrest City that have been praying, that have been hidden, that have just been in their prayer closet, even hidden in the bull rush. I'm about to bring you forth", says the Lord, "and I'm about to bring My will to Forrest City, Arkansas."

Clay Nash: [00:34:31] Amen. I'm from that area, so it's very Emotional to me. In fact, I say 100 years ago I was a deputy sheriff in San Francis County. Some of my background. All right, David Hertle, do you have anything for tonight?

David Hertle: [00:34:56] Hey Clay, Just..I wanted to...

Clay Nash: [00:34:57] Yeah.

David Hertle: [00:34:59] I had several of the state mottos that I felt like a scripture was sp-- just stirred up by it. And I thought I'd just quote those scriptures over those states. So, Father, in the name of Je--

Clay Nash [00:35:10] Go ahead--

David Hertle [00:35:10] we just declare...Are you hearing me?

Clay Nash: [00:35:16] Yeah. We got you.

David Hertle: [00:35:17] Oh, okay. Yeah, 1st Corinthians 1:18 over Indiana: for the message of the cross that calls itself the crossroads of America. We say the message of the cross has been foolishness to those who are perishing, but to us who are being saved it is the power of God. We declare that Indiana will be a place of being saved. The place that that state itself is saved. That people will find an encounter with the power of God in Indiana. We declare over Iowa that who their motto is: we prize our liberties. Well, we declare where the spirit of the Lord is there is liberty. and we thank the Lord that Iowa will be a habitation of the Spirit of the Lord, and that

those who come to Iowa will encounter the living spirit of God. And we thank you, Ohio, who says "with God, all things are possible", will encounter the awesome things that Jesus said, "if you can believe all things are possible to Him who believes." And so, Ohio will be a believing state that sees the powerful manifestations of the Lord. And Pennsylvania, who says "virtue and liberty and independence." We thank you, Lord, that Apostle Peter said, "but for also this very reason, giving all diligence, add to your faith, virtue and to virtue, knowledge." We thank you Pennsylvania will become a wise state and a knowledgeable state in the things of God. We thank you that they'll add faith to their faith virtue, and it will be true virtue that manifests, Lord, in the standards of the kingdom and the principles of the Kingdom. Lord, in Jesus name, every one of these states we declare over, lord, I heard --either somebody said it here or somebody said it somewhere that...maybe it was tonight, one of the prayer warriors said that the prophetic declarations are having an impact. So I thought it would be good to make these declarations. And I thank you, Lord Jesus, that you said the effective fervent prayer of a righteous man avails much and there is an impact, in Jesus name. And we declare America will be saved. Amen.

Clay Nash: [00:37:20] Amen, David. we come in agreement. You know, it's always good to go back. I know, Tim Sheets had a word. I'm trying to remember, maybe last fall, about the mottos and preambles over states. I know some-- those of you from Arkansas, might be on. Read the first 12 words of the Arkansas preamble. They're all godly. They're all kingdom. Talks about trusting in God. There's a powerful thing. I just want to say to close the call out. We'll be getting the recording up quickly tomorrow and we'll be getting the transcription done. But if someone is on here that's from the Forrest City area or connection there, my email is ClayNash@ClayNash.org. I'd love to hear from you. I started this ministry 40 years ago in the drunk tank on Sunday morning at the Saint Francis County Jail. That's not a good experience. Let me just tell you. But we saw people saved. We had a drastic, miraculous healing and out of my heart of caring about people this word excites and ignites the fire God in me. And it's going to cause me to pray more for that area in eastern Arkansas. Its right there on I-40 and there's a tremendous, tremendous word. So if you're on here, you've got a connection. I want to be --come in agreement with you and you come in agreement with-- we come in agreement with that word so we can see God, do it there in Forrest City, Arkansas. Well, I bless you. Always thankful for all of our participants that you are so, so faithful to come on every call and to add your power of agreement, to make your declarations and decrees right there in your home. You are being heard. You are being heard. And these calls are making a difference. So, God bless you. will be here tomorrow at 222. It will be a great call. Talk to you soon.
