Clay Nash: [00:00:00] Well, good evening. It's 9 p.m. Eastern Time and we are on our call for tonight. I'm excited about it. We are seeing things shift through our prayer calls daily and on Tuesday nights as we are pressing in right now to the House races. And so tonight, we're going to be praying over the House race in Alabama, in Mississippi, in Georgia, in Wisconsin and in Oklahoma. And we'll be making some declarations and decrees. Just to remind everyone, if you don't have somewhere to be, beginning Thursday night of this week, we have Tim Sheets and Dutch Sheets coming in. They'll be with us through Saturday night. There will be meetings Thursday night, Friday night, Saturday morning, Saturday night there in Southaven, Mississippi. And if you want to watch it from the ease of your recliner, you can go to my YouTube channel, Clay Nash Ministries, and join us there. Regina Shank, always good to have you on. I want you to go first. Open us in prayer and make those declarations that are in your heart.

Regina Shank: [00:01:22] Okay. Thank you, Clay. It's good to be on. I had to be gone for a couple of weeks. I'm so glad to be back. Lord, we just thank you for this prayer call tonight, Lord, that you are gathering the Eagles together to see and to hear and to begin to bring the prophetic word over all of these states. And so, Lord, we thank you, Father, that you are giving us great accuracy tonight not to just hit the target, but to hit the bull's eye. And Father, we thank God that you are bringing us into the fullness of a change in the earth. And we thank you for that, Father, in the name of Jesus. Bless all of our words, our decrees. We thank you, Father, that the word will go out and the angels will carry it out in this nation, in Jesus name, Amen. I was praying for Mississippi and I was praying for Mississippi. I began to see Naaman dipping in the Jordan seven times. And I asked the Lord, 'What are you saying to me?' And I heard him say to believe the word that has been spoken over Mississippi. And I just feel like the Lord said for the intercessors to get those words out that were spoken by the prophets and begin to decree. Then of course we know Namaan dipped seven times. And he came up clean and he was free from this leprosy. So Lord, I just pray activation over the intercessors in Mississippi, Lord, that they

will grab those words that have been spoken by prophetic people and begin to decree those things into reality over Mississippi and over the coming elections, God. And Father, we thank you that we trust the Word of the Lord that has been spoken over Mississippi. And we thank you, Father, it's coming forth. As I was praying for Alabama, I kept getting the word seagulls and I began to look it up. And I found out that seagulls do come into Alabama when the Upper Lakes freeze. They come into Alabama for a while, but they leave in April and May. And I heard the Lord say that scavengers or those that are coming to try to steal are going to try to come into Alabama. And so, we say Lord, in Jesus name, we forbid them from coming in to steal an election. We say that Alabama's election will be free from scavengers, and will be free from any entity that would try to steal those elections from God's people. And so, Lord, we say, you put down one, exalt another, and you will have that election in Alabama in your favor, someone who is walking in your purpose. And then for Georgia, I just heard the word pancake, which is kind of strange. but I looked it up and actually it is a plant in Georgia that has green foliage and little small blue flowers. And I know blue represents revelation. And I heard the Lord say that I am giving fresh revelation to the intercessors in Georgia and that there is going to be a new life of God coming forth in that state and that those who are running for election will be chosen by the Lord. And God, we say that fresh revelation that is being released from heaven for Georgia will come to the intercessors, God, and that they will know what to do and how to pray. And we say Georgia is shifting under the banner of the King of Kings and the Lord of Lords. And then in Wisconsin, I heard the Lord say, there's a wind from the south that is going to blow freshness and hope into Wisconsin, bringing change and birthing change. So Lord we say that, when we release that south wind and we ask you, Father, that that wind of your presence will come forth, usually the south wind represents the presence because that was Obieden who was keeper at the south gate of the presence before it came up into the midst of Jerusalem. And so, Lord, we thank you for a south wind which represents your presence blowing over that state, and it's going to come into its fullness, Lord. And we say no fraud in Wisconsin, and that your choice will come forth. And then for Oklahoma, as I was praying for Oklahoma I saw it spinning like a top. And the Lord said, there's a whirlwind of change coming to Oklahoma. And so, Lord, we thank you that Oklahoma is changing, but it's changing to take it higher. Even as Elijah was taken up in a world wind he went higher, Lord. That whirlwind coming to Oklahoma is bringing that state and its Christian intercessors and leaders into a higher level of revelation. And they will be at the right place at the right time to shift those elections. And so, Lord, we thank you for all of these states; Mississippi, Alabama, Georgia, Wisconsin and Oklahoma. And Father, we thank you that you're going to have your choice of men or woman in those states who will hear from heaven

and bring forth your presence and bring forth life into each of those states, that we will have a life in those five states and these elections and that life, as you Lord, you said in John 14:6, you're the way, the truth and the life. And so Lord, come to those states We pray in those elections and let them be true and let them be pure. And Lord, let your name be exalted in those states. In Jesus name. Amen.

Clay Nash: [00:06:52] Amen. Thank you, Regina. Good. Good start. Interesting about you-- said you saw like a top and a worldwind. I was just in Oklahoma where you're going to be at the end of the week, Regina, and gave the leaders there--had a dream and gave the leaders there a word about the world's top spinning contest and so I...

Regina Shank: [00:07:21] Really?!

Clay Nash: [00:07:21] Yeah. Yeah. I find it interesting that you're seeing that over Oklahoma and I were just there last month. I don't remember when it was. and gave that word there. So thank you for that, Pat. What's in your heart, my friend? [00:07:36][14.7]

Pat McManus: [00:07:37] Thank you, sir, for the opportunity to be with you all. And I just want to start and begin to decree over Wisconsin. I hear the Lord saying I'm unlocking the chains that had been restricting in this time and I'm causing and advancing to you to come in to your original intent and see the purposes of the Lord upon your region. For the Lord says, I am releasing a forward moment, as your motto declares. That is unlocking the opportunities to advance in and causing a shifting in the culture and the righteous order to be established in Wisconsin. In Oklahoma, I hear the Lord saying, "The point of refreshing is coming to your region and I'm causing a refining and an empowering and an activating into the hearts of those that have the ability to conquer that which the enemy has tried to hold." So, Father, we declare, let the conquering anointing begin to come with a refreshing wind blowing upon Oklahoma to see the fulfillment of the word come to pass in our land. And Georgia, I hear the restriction of the past will not be your portion into your tomorrow. For the Lord says "I am releasing a refreshing but also our refining of that which needs to be done in Georgia to reset that which needs to be reordered according to the purpose of what God's about to do." And even in Mississippi, I hear a revealing of the true warriors coming, men of valor, to see the fulfillment of the word established upon our land through the refining and the revealing of the men of valor and value to march in the order of the purposes of God. So, Father, we thank you that you are revealing at this time the warriors that will ignite the expression of my hand. And for Alabama, I hear that there is a

movement to establish a righteous government that would truly be one to facilitate the movement upon the land, and that as the judicial structures are established within, there will be the reordering of what needs to be done upon the land and seeing the fulfillment of God's purpose and God's power and God's plan manifest upon the land. So, Father, we pray for these five states that Lord, there is a refreshing, a refining, a refining and a restoring of a true righteous order as the men of valor stand and war with the purpose of your hand and seeing the fulfillment of your plan come to pass from this day forward, in Jesus name. Amen. And Amen.

Clay Nash: [00:10:32] Thank you, Pat. Thank you. Strong declarations there. Strong decrees. We come into agreement with it. Ken, what's in your heart? Ken Malone, are you on with us?

Ken Malone: [00:10:51] I am here. Thank you.

Clay Nash: [00:10:59] Ok.

Ken Malone: [00:11:00] Yeah. I just want to first start with Alabama cause Cheryl and I are from there, originally. Born and raised in Demopolis, Alabama. And we have some roots there. We have seen over the years Alabama move forward in the plans and purposes of God. But we have also seen it take a step backwards. And so tonight I want to call Alabama into alignment. That it swings into kingdom alignment. So Father, I decree tonight that Alabama swings into kingdom alignment in the name of Yeshua. Father, we decree that every prophetic word spoken in that state, God, that brings redemption, Father, We activate those words now and decree Father over Alabama, Mississippi, Georgia, Wisconsin and Oklahoma that the Kingdom of God has come to each of these places. And Father, your will is being done here. We thank you, God, that you're shifting all five of these states, God, into divine order and divine purpose, in Jesus name. Father, we say, God, that any weapons of fraud in this election, God, in November, will be put down. We cancel every scheme of fraud in Jesus name. And we decree Lord, it null and void in the name of Yeshua. Father, we proclaim the Lordship of Jesus Christ over Alabama, over Mississippi, Georgia, Wisconsin and Oklahoma. And God, we decree, Father, that you're moving mightily. We say, Lord, resurrect God, your plans and purposes, and each one of these states, and we decree that your presence is hovering over them. God, we ask you tonight to raise up men and women, boys and girls, who would stand in the gap and make up the hedge, Father, for all five of these states and Lord, that they would move with purpose, God, to bring your kingdom into Mississippi, Alabama, Georgia, Wisconsin and Oklahoma. And Father, we

thank you tonight for doing it. We thank you, Lord, that your kingdom has come and your will is being done here, in Yeshua's name. Amen.

Clay Nash: [00:13:24] Yeah, thank you, Ken. As you were declaring and decreeing, you know, this Dobbs case, which is going to affect Roe versus Wade, is coming up. I got a report today that it--we'll know by the 1st of July. I think the justices are holding back after that leak. I think there's a lot of concern about what is going to trigger among the lawless, those that won't intimidate. But I was just reminded if you were declaring there, Ken, that word. And I'm pretty sure it was Jim Hodges that gave it as well as Harry Jackson Jr gave the same word at another time that Mississippi was like a small rudder on a big ship and it was able to turn the nation. And we all that are praying into this and standing for life and standing for the stopping of the shedding of innocent blood, understand that this case can be the one in that word. So, Father, I just declare over that prophetic word, you gave us instruction. Paul gave Timothy instruction under the unction of Holy Spirit that we could wage a good warfare. So, Father, over the elections, in every one of these states, Father every state, all 50 have a key word. That is their word and their ability to be a turning point and a tipping point for the nation. We understand that Mississippi is like a small rudder on a big ship able to turn the nation. We understand the many other states that have these key words and they're all vital. But Father, I declare not only let this Dobbs case be a turning point for our nation and turning us away from death and turning us into light, father also take and bring about the change that's needed in the election process. And as Ken has already declared, I just declare that no fraud, no corruption in it, Father. Let it be exposed beforehand and let us have an election that is not filled with all of the gimmicks that we experienced in the last election. So, Father, we just declare these things to be so now, in Yeshua's Name. Amen. Dan, What's in your heart?

Dan Blacksher: [00:16:18] Thank you so much, Clay. The only kind of thunder that I don't mind-- the only kind of season that I don't mind is when somebody steals your thunder. And you prayed exactly what I was thinking/ feeling for Mississippi about that prophetic word. And Regina started with it that it would be a small rudder on a big ship that would help turn the course of the nation. And the Lord just really, I've just been meditating on the turning of the nation today. And one of the things that's interesting is the scriptures that the Lord had given me earlier tonight for today's prayer call was the Scripture in Isaiah where it was talking about the turning of Judah to learn to do good healing and seek justice, rebuke the oppressor, defend the fatherless, and plea for the widow. And so I just want to declare right now in the name of Jesus,

over all five of these states Because that's really what's been on my heart, is the fact that in these states, one of the things that you see all the different news articles talk about; the polling data and how bad the polling looks for the Democratic Party and all. But if you can fix the elections, it really doesn't matter what the polls look like. If you can fix them, if you already think you can fix them, you don't really care what the people think. And so, Father, I just declare over all five of these states, Lord, especially Lord, over Georgia and Wisconsin and the role that they played in 2020. Father, we're asking, Lord, you to put in all five of these states a desire to see true justice and to rebuke the oppressor, to defend the fatherless and plead for the widow. Father, in your great mercy, You see and you know that our justice system in this nation is corrupt. Father, you see the injustice to the unborn. But Father, you also see the injustice that was done even to the state of Texas when they filed the lawsuit in 2020 and the Supreme Court refused to hear it. Father, we're acknowledging, Lord God, that our court system is unjust and will be unwilling to deal righteously with any type of fraud that occurs in these elections. And Father, we just declare over Georgia and over Wisconsin, we bind you and the fraud that happened in those states from occurring again for the purpose of trying to sway the power of both the House and the Senate, as well as the Presidency when that comes around again. So, Father, we humble ourselves and we repent, Lord, for the injustices that we have perpetrated in these states, including Mississippi on the unborn, the injustices that we have perpetrated through, Lord God, those that are trying to fraudulently put people in office who the public does not want in office. To promote Antichrist agendas. And Lord God to find those things that are anti-Christ in nature instead of those things that bring honor and glory to you. So, Father, we just declare, Lord, of Mississippi you have called into Arkansas, dual Runners to turn the course of the nation. Father, Even in the elections, Let Mississippi be one that turns the course of the nation. And Lord that we will require voter I.D. to vote here and you have to present your I.D. to be able to vote here. Father, I know they look at us as backwards and backwoods. But Lord, we're leading in some of the areas that are paramount to freedom and to justice in this nation. And so, Father, we ask for your great mercy to be poured out in this time and every attempt at voter fraud that it would be stopped before it takes effect. Every attempt at hacking, Lord God, itself would be hacked before it can take any effect. And Father, we just declare, Lord God, that you would position your people in those positions of authority that would be able to, Lord God, bring a secure election once again to this nation, that would allow, Lord God, the Constitution, which is our covenant with you, to be upheld. Father, we just declare in Jesus name, we bind every attempt of the media to present smoke and mirrors, to try to distract, to try to discredit, and to try to dissuade the people from the truth of what's actually happening in this nation. And

Lord, we're asking you to overturn, Lord, the fraud that's already been perpetrated and to keep more fraud from happening, in Jesus name. Amen. Thank you, Dan Strong there. Appreciate it, David. What's in your heart?

David Hertel: [00:21:23] Yes. Just want to cover all five states just in general and maybe Mississippi; one specific thing for sure. But in Jesus name tonight, we just declare, Lord, your kingdom come and your will be done on Earth as it is in heaven. Concerning these House races in the states of Alabama, Georgia, Oklahoma, Mississippi and Wisconsin. We thank you, Lord, that your winnowing fan is in your hand and you are surely cleaning your threshing floor. We declare in Jesus name that these elections and these states will represent the voice of one crying in the wilderness, saying, Prepare the way of the Lord, make his paths straight, and they will usher in kingdom influence in the government of this nation. And we thank you, Lord, that the effectual, fervent prayers of the Ekklesia are availing much and opening ways of promotion for servant hearted leaders to be raised up. We thank you, Shebna's shall be removed and the Elokheim's raised up and America will be saved. And we'll give you the glory now and the praise, Lord, as we see it come to pass. And we thank you, Lord, for the victory in Mississippi of the conservative, Michael Cassidy, and we thank you, Lord, that he triumphs, Lord, in his election. We'll give you the glory for that in Jesus name. Amen.

Clay Nash: [00:22:42] Thank you, David. I appreciate that very, very much. Jacquie, you're on with us. What's on your heart?

Jacquie Tyre: [00:22:55] Okay. I had to get unmuted. Sorry about that. I just want to decree over the five states and then just over Georgia in particular. We have got a number of very critical races. And the fight is ugly. Lots of vile attacks going on, both in the House races but also in the Senate. Some that I wouldn't even say out loud, because they're that vile. And it's an antiChrist system that is raging up with incredible perversion. So, I just encourage people to keep praying for our state. We are definitely in desperate need. But Father, I thank you that you are ruling over these states and that you set a prophetic destiny over each of these states. And you have a purpose. You have a destiny, and you have a remnant rising in every one of these states that is releasing into the atmosphere the sounds of heaven into the earth to shake things that need to be shaken, to cause things to come into an alignment, that need to come into an alignment with heaven, that are standing in Christ against all the Antichrist agendas, all the Antichrist maneuverings and the operations, even of vilification and debauchery that is being

released to try to discredit those that you are raising up, that you have your hand over. And Father, for those that the systems and the structures, even the dominion system here in the state of Georgia. Lord, You said to me about two weeks ago, "can I not even handle the Dominion system?" So, Lord, I decree over the Dominion system, it is nothing to You. But we come as the ekklesia to align with you in the purpose, to align with you in character, to align with you in the things that come out of our mouth, the attitudes that come out of our lives, the behaviors. And Lord, I decree that people will not shrink back. They will not stay home. They will not negate their responsibility and the authority that you have given just because they are fearful that something will not be done properly with the system. And we call upon you to reveal what needs to be revealed. But God, where it necessary, put your hand in the midst of the systems. Put your hand in the midst of the dominion systems. Put your hand in the midst of the counting of the votes and the audits that are going on, even in our state and in other places. Put your hand. Put your your people in the midst of it to cause things to be turned around and to align with heaven. Father, we say we bind up every evil agenda, every Antichrist system, every nefarious operation of evil men seeking to steal, to destroy, and to topple that which you have set in order. And we say we will not relent. We will not back up. And I decree over Alabama as the reformer justice state to rise up as the reformers injustice that in every election booth and every precinct and every office, Lord, that you have the reformers and those that will contend for justice in the gates being raised up in Alabama. and over Mississippi, Lord, proclaimed as the state of the valley of decision. In the valley of decision Let righteousness rule. Let the decisions that are made in the state races all across the state of Mississippi. Let them align with heaven. Let there be surprise overturns. Let there be surprise shifts. Let the fear of God flow into the valley of decision that causes people to turn and turn toward you and stand tall. Stand tall in the valley of decision, not on their own flesh or their own way, but to stand tall upon the Word of God and the righteousness that out of Mississippi, decisions come that will bring forth a wave of righteousness. And I even decree that over the Dobbs case as its still awaiting God, that out of Mississippi and that valley of decision state that there is a decision to come forth. We say let it come forth and cause ripple after ripple of ripple of righteousness and life across the state. And lord, over Wisconsin, the river state, let the river of God flow. Let the waters of the river of God flow across Wisconsin, pushing back the debris, pushing back the darkness, pushing back the obstacles that have stood against you. Let the river of God push back injustice, push back everything that has sought to steal and sought to pervert, has sought to change The course of history. Let the river of God come and cut a new course, a course that is born out of heaven for this nation. And over Oklahoma, Lord, you decreed that Oklahoma was an open heaven state.

And so, Lord, we come into an agreement that opens heaven over Oklahoma, open heaven to cause the angels ascending and descending, open heaven that would cause people to hear your voice and to move with you. An open heaven, Father, that will keep people from aligning with injustice, from aligning with truth and deception. And over all of these states, Father, I pray over the church that the church would awaken, that there would— from those in the leadership of the church, to the people in the pew and everything in between, Father, young and old. Let there be a movement of the wind of the Spirit of God that causes people that even have been pulled back and shrinking back from the battle at the gate, Lord, that they would suddenly see the desperation by which we need to be praying and we need to be acting. And Lord, that your wind would get behind the righteous candidates all across these states, and that suddenly they would rise and they would surge. That they would have the clear word in their mouth that they would not get caught in the ensnaring of the political battles that are born of the flesh and even demonic. But Lord that they would go by a higher measure because they are following after you. Lord, let them speak what they will do, let them speak it, and let a gentle answer turn away wrath. Let truth spoken in boldness turn away and expose the lies. Let there be such a surge across these states, Lord, that people that are watching from afar and even those that are watching close by will say, "What in the world happened? We didn't see that coming." Lord, surprise the devil, surprise the Antichrist operatives across this nation as people and candidates and even entire states rise to proclaim and to stand for righteousness, in Jesus name. Amen.

Clay Nash: [00:30:54] Amen. Jacquie, thank you for that. I just want to release to everyone that we are in a time, the Supreme Court justices will soon be releasing their decision on several things, but especially the Dobbs case there in Mississippi. So be lifting that up in prayer. We need to be well-ready. I want to end tonight's call out of Psalms 94. I'm using the Message translation and I am releasing-- I'm reading this to you those of you on the call, because it is a word of encouragement for the times that we're in. Also want to remind you that we, it's come up on a couple of the calls now, we need-- the Ekklesia needs to band together and declare that July the fourth, which is known as our Independence Day, is going to be a day of surrender to total dependence upon God. And I just feel this is so key. I appreciate somebody wrote me today. I'm putting together a declaration about our dependence upon God. I feel so strong. I heard the Lord speak it over the weekend. And then brother Jim Hodges brought out something about it. And so, we're running with it. But listen to Psalms 94. I'm only going to read about it in scripture. But he said, "God put an end to evil, avenging God show your colors. Judge the Earth. Take your stand. Throw the book at the arrogant. God, the wicked get away with murder. How

long will you let this go on? They brag and they boast. They crow about their crimes. They walk all over your people, God. Exploit and abuse your precious people. They take out anyone who gets in their way. If they can't use them, they kill them. They think God isn't looking. Jacob's God is out to lunch. Well, think again, you idiots, you fools. How long before you'll get smart? Do you think earmaker doesn't hear? Or eyeshaper doesn't see? do you think the trainer of the nations doesn't correct? The teacher of Adam doesn't know? God knows all, right? He knows your stupidity and he sees your shallowness. How blessed the man you train, God. The woman you instruct in your word, providing a circle of quite within the clamor of evil while a jail is being built for the wicked. ``I'm telling you, they're getting close to--God is giving them enough rope to hang their self and they're getting close. "...A jail being built for the wicked. God never walked away from his people, never desert his precious people." Listen to this last one. "Rest assured that justice is on its way and every good heart being put right." I just leave you with that tonight. I hope it encourages you. This call is, of course, is recorded and it will be transcribed and put up on the website. We'll be back here tomorrow at 222. I don't know what part of the country you're in, but here in north Arkansas, it's been very hot. We've got a lot going on. We actually are pouring the slab for the Eagle's Nest building we're building, tomorrow. So we're going to be working out in the heat and we would appreciate your prayer. God bless you. We'll be here tomorrow at 222. To thank all of you hosts and all of you participants for your contribution tonight. God bless you.
